**PART II  
INFORMATION NOT REQUIRED IN PROSPECTUS**

Items 31 through 35 of Part II are incorporated by reference from Amendment No. 5 to the Registrant's Registration Statement on Form S-11, as filed on June 15, 2005. Item 36 of Part II is incorporated by reference from Post-Effective Amendment No. 1 to the Registrant's Registration Statement on Form S-11, as filed on December 23, 2005.

**Item 37. Undertakings**

(a) The Registrant undertakes to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement (i) to include any prospectus required by Section 10(a)(3) of the Securities Act; (ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

(b) The Registrant undertakes (i) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment may be deemed to be a new registration statement relating to the securities offered therein and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof, (ii) that all post-effective amendments will comply with the applicable forms, rules and regulations of the Securities and Exchange Commission in effect at the time such post-effective amendments are filed, and (iii) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(c) The Registrant undertakes to send to each stockholder, at least on an annual basis, a detailed statement of any transactions with the advisor or its affiliates, and of fees, commissions, compensation and other benefits paid, or accrued to the advisor or its affiliates, for the fiscal year completed, showing the amount paid or accrued to each recipient and the services performed.

(d) The Registrant undertakes to file a sticker supplement pursuant to Rule 424(c) under the Securities Act during the distribution period describing each property not identified in the prospectus at such time as there arises a reasonable probability that such property will be acquired and to consolidate all such stickers into a post-effective amendment filed at least once every three months, with the information contained in such amendment provided simultaneously to the existing stockholders. Each sticker supplement should disclose all compensation and fees received by the advisor and its affiliates in connection with any such acquisition. The post-effective amendment shall include audited financial statements meeting the requirements of Rule 3-14 of Regulation S-X only for properties acquired during the distribution period.

(e) The Registrant undertakes to file, after the end of the distribution period, a current report on Form 8-K containing the financial statements and any additional information required by Rule 3-14 of Regulation S-X, to reflect each commitment (*i.e.*, the signing of a binding purchase agreement) made after the end of the distribution period involving the use of 10.0% or more (on a cumulative basis) of the net proceeds of the offering and to provide the information contained in such report to the stockholders at least once each quarter after the distribution period of the offering has ended.

(f) The Registrant undertakes that, for the purposes of determining liability under the Securities Act to any purchaser, each prospectus filed pursuant to Rule 424(b) under the Securities Act as part a registration statement relating to an offering, other than registration statements relying on Rule 430B under the Securities Act or other than prospectuses filed in reliance on Rule 430A under the Securities Act, shall be deemed to be part of and included in the Registration Statement as of the date it is first used after effectiveness; provided, however, that no statement made in a registration statement or prospectus that is part of the Registration Statement or made in a document incorporated or deemed incorporated by reference into the Registration Statement or prospectus that is part of the Registration Statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the Registration Statement or prospectus that was part of the Registration Statement or made in any such document immediately prior to such date of first use.

(g) For the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following

communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser: (i) any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424 under the Securities Act; (ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant; (iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and (iv) any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(h) The Registrant undertakes to provide to the stockholders the financial statements as required by Form 10-K for the first full fiscal year of the Registrant's operations.

(i) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
