On October 1, 2007, that certain Loan and Security Agreement dated as of June 30, 2004, as amended, among 3D Systems Corporation (the Company), certain of its subsidiaries and Silicon Valley Bank expired in accordance with its terms. With the exception of approximately \$1.7 million of foreign exchange contracts which settle pursuant to their terms within the next 60 days, neither the Company nor any other Borrower under that facility had any obligations outstanding under it when that facility expired.

Although the Company believes that it does not currently require a revolving credit facility for its operations, it intends to seek to negotiate a facility that would be consistent with its needs.
