PROXY STATEMENT
QUESTIONS AND ANSWERS

- 1. Why am I receiving these materials?** This Proxy Statement and enclosed form of proxy (first mailed to stockholders on or about April 8, 2008) are furnished in connection with the solicitation by our Board of Directors of proxies for use at the Annual Meeting of Stockholders, or at any adjournment thereof. The Annual Meeting will be held on Thursday, May 1, 2008 at 2:00 p.m. central time, at the Brentwood Public Library, 8109 Concord Road, Brentwood, Tennessee 37027. As a stockholder, you are invited to attend the Annual Meeting and are requested to vote on the items of business described in this Proxy Statement.
- 2. What is the purpose of the Annual Meeting?** The Annual Meeting is being held (1) to have our stockholders elect seven directors, each to serve for a term of one year until the annual meeting of stockholders in 2009 and until the election and qualification of his successor; (2) to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2008, and (3) to transact such other business as may properly be brought before the meeting or at any adjournment thereof. We will also discuss our business and be available for your comments and discussion.
- 3. How may I obtain your Annual Report for 2007?** A copy of our Annual Report to Stockholders and Annual Report on SEC Form 10-K accompany this Proxy Statement. These documents are also available on our website at www.DelekUS.com. A copy of these documents (which include our financial statements for the year ended December 31, 2007) may also be obtained from us upon written request. Please refer to question 20 for information on how to request additional information from us.
- 4. Who may attend the Annual Meeting?** Stockholders of record as of the close of business on Tuesday, April 1, 2008 (the record date), or their duly appointed proxies, may attend the meeting. Stockholders whose shares are held through a broker or other nominee will need to bring a copy of their brokerage statement reflecting their ownership of our common stock as of the record date.
- 5. Who is entitled to vote?** Holders of record of our common stock, \$0.01 par value, at the close of business on the record date are entitled to vote at the Annual Meeting. 53,668,195 shares of common stock were issued and outstanding on April 1, 2008. The common stock is our only outstanding class of voting securities. Each stockholder is entitled to one vote per share of our common stock that he, she or it holds. If you attend the Annual Meeting, you may vote in person. Votes submitted by proxy card and received by our transfer agent on or before 11:59 p.m. (eastern) on April 30, 2008 will be counted. Only votes submitted in person at the Annual Meeting will be counted after that time.
- 6. Who is soliciting my vote?** Your vote is being solicited by our Board of Directors. Certain of our officers, directors and employees, none of whom will receive additional compensation therefor, may solicit proxies by telephone or other personal contact. We will bear the cost of the solicitation of the proxies, including postage, printing and handling and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to beneficial owners of shares.
- 7. How does the Board of Directors recommend that I vote?** The Board of Directors recommends that you vote FOR each of the nominees to the Board of Directors and FOR the ratification of our independent registered public accounting firm.

Table of Contents

8. How will voting on any other business be conducted? Although we do not know of any business to be considered at the 2008 Annual Meeting other than the proposals described in this Proxy Statement, if any other business is presented at the Annual Meeting, your signed proxy card gives authority to Ezra Uzi Yemin, our President and Chief Executive Officer, and Edward Morgan, our Vice President and Chief Financial Officer, to vote on such matters at their discretion.

9. What is the difference between a stockholder of record and a street name holder? These terms describe how your shares are held. If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company (AmStock), you are a stockholder of record. If your shares are held in the name of a brokerage, bank, trust or other nominee as a custodian, you are a street name holder.

10. How do I vote my shares if I am a stockholder of record? Enclosed is a proxy card for the shares of stock held by you on the record date. You may vote by signing and dating each proxy card you receive and returning it in the enclosed prepaid envelope. Unless otherwise indicated on the proxy, shares represented by any proxy will, if the proxy is properly executed and received by us prior to the Annual Meeting, be voted FOR each of the nominees for directors and FOR the ratification of our independent registered public accounting firm.

11. How do I vote my shares if they are held in street name? If your shares are held in street name, your broker or other nominee will provide you with a form seeking instruction on how your shares should be voted.

12. Can I revoke or change my vote? Yes. You may revoke or change your vote by: (a) notifying our Secretary in writing on or before 11:59 p.m. (eastern) on April 30, 2008; (b) submitting a later-dated and timely proxy card by mail; or (c) voting in person at the meeting (if your shares are registered directly in your name on our books and not held through a broker, bank, or other nominee). The latest-dated, timely, properly completed proxy that you submit will count as your vote. If a vote has been recorded for your shares and you submit a proxy card that is not properly signed or dated, the previously recorded vote will stand.

13. Who will count the vote? Representatives of our transfer agent, AmStock, will count the vote and act as the inspector and judge of the election.

14. Is my vote confidential? Proxy cards, ballots and voting tabulations that identify individual stockholders are returned directly to AmStock and are handled in a manner designed to protect your voting privacy. Your vote will not be disclosed to us except: (a) as needed to permit AmStock to tabulate and certify the vote; (b) as required by law; or (c) in limited circumstances such as a proxy contest in opposition to the Board of Directors. Additionally, all comments written on the proxy card or elsewhere will be forwarded to us, but your identity will be kept confidential unless you specifically ask that your name be disclosed.

15. What does it mean if I get more than one proxy card? If your shares are registered in more than one name or in more than one account, you will receive more than one card. Please complete and return all of the proxy cards you receive to ensure that all of your shares are voted.

16. What is a quorum ? A quorum is the presence of the holders of a majority of the outstanding shares entitled to vote either in person or represented by proxy at the meeting. There must be a quorum for the Annual Meeting to be held. Proxies received but marked as abstentions, withheld votes and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

17. What are the voting requirements to approve each proposal? Directors are elected by a plurality of votes cast by holders of shares entitled to vote. This means that the director nominees with the most votes for the positions available are elected. To ratify the appointment of Ernst & Young LLP, a majority of the shares voting at the meeting must vote in favor of the proposal.

18. What is the effect of abstentions, withheld votes and broker non-votes? Abstentions and instructions on the accompanying proxy card to withhold authority to vote will be counted for the purpose of determining the presence or absence of a quorum and will result in the proposal receiving fewer votes. However, the number of votes otherwise received will not be reduced by such action.

Table of Contents

Broker non-votes are shares held by brokers or nominees which are present in person or represented by proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner. Under the rules of the New York Stock Exchange, New York Stock Exchange-member brokers who hold shares of common stock in street name for their customers and have transmitted our proxy solicitation materials to their customers, but do not receive voting instructions from such customers, are not permitted to vote on non-routine matters. Since the election of directors and the ratification of Ernst & Young LLP are considered routine matters, a broker may turn in a proxy card voting shares at their discretion and without receiving instructions from you. Broker non-votes will be counted for the purpose of determining the presence or absence of a quorum and will result in the proposal receiving fewer votes. However, the number of votes otherwise received by the nominee will not be reduced by such action.

19. Can I change the number of copies of the Annual Meeting materials that I receive? Yes. If you share an address with another stockholder, each stockholder may not receive a separate copy of our Annual Report, Form 10-K and Proxy Statement. We will promptly deliver a separate copy to any stockholder upon written or oral request to our Secretary, Delek US Holdings, Inc., 7102 Commerce Way, Brentwood, TN 37027, (615) 771-6701 or by sending an e-mail to ir@DelekUS.com. If you share an address with another stockholder and (i) would like to receive multiple copies of these documents in the future, or (ii) if you are receiving multiple copies and would like to receive only one copy per household, in the future, please contact your bank, broker, or other nominee record holder, or you may contact us at the above address and phone number.

20. How can I obtain additional information about Delek US Holdings, Inc.? Copies of our Annual Report to Stockholders and Annual Report on Form 10-K for the year ended December 31, 2007 and our other annual, quarterly and current reports we file with the Securities and Exchange Commission (the "SEC"), and any amendments to those reports, are available free of charge on our website, which is located at <http://www.DelekUS.com>. Copies of these reports will be sent without charge to any stockholder requesting it in writing to our Secretary, at Delek US Holdings, Inc., 7102 Commerce Way, Brentwood, Tennessee 37027. The information posted on our website is not incorporated into this Proxy Statement.

Each of the following persons is a nominee for election to our Board of Directors: Ezra Uzi Yemin, Gabriel Last, Asaf Bartfeld, Zvi Greenfield, Carlos E. Jordá, Charles H. Leonard, and Philip L. The Board of Directors

At the date of this Proxy Statement, the Board of Directors consists of seven members, Messrs. Yemin, Last, Bartfeld, Greenfeld, Jordá, Leonard and Maslowe. All seven directors have been nominated for election at the

Table of Contents

Annual Meeting to serve for a one year term expiring at our annual meeting of stockholders in 2009. Ronel Ben-Dov resigned from the Board in March 2007 and was replaced by Alan H. Gelman. Mr. Gelman resigned from the Board in December 2007.

The Board of Directors has determined that we are a controlled company for the purposes of Section 303A of the New York Stock Exchange Listed Company Manual because more than 50% of our voting power is held by Delek Group, Ltd. As such, we rely on exemptions from the provisions of Section 303A that would otherwise require us, among other things, to have a board of directors composed of a majority of independent directors. The Board of Directors has determined that Mr. Jordá, Mr. Leonard and Mr. Maslowe each qualifies as an independent director under applicable SEC rules and regulations and the rules of the New York Stock Exchange.

Under the New York Stock Exchange's listing standards, a director will not be deemed independent unless the Board of Directors affirmatively determines that the director has no material relationship with us. Based upon information requested from and provided by each director concerning his background, employment and affiliations, including commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships, the Board of Directors has determined that each of our independent directors has no material relationship with us, either directly or as a partner, stockholder or officer of an organization that has a relationship with us, and is therefore independent under the New York Stock Exchange's listing standards and applicable SEC rules and regulations.

The Board of Directors held nine meetings during 2007. Each of our directors attended at least seventy-five percent of the aggregate of all meetings of the Board and committees on which he served except for Mr. Last, who attended six of the nine Board meetings and did not serve on any Board committees. Although we have not adopted a policy with regard to board member attendance at annual meetings of our stockholders, six of our directors attended our annual meeting of stockholders on May 8, 2007.

The New York Stock Exchange listing standards require our non-management directors to meet at regularly scheduled executive sessions without management. Our non-management directors intend to meet in such executive sessions following each quarterly meeting of the Board of Directors in 2008. Mr. Bartfeld will preside over all such sessions. At least once in 2008, our independent directors will meet in an executive session.

Communications with the Board of Directors

Stockholders or other interested parties who wish to communicate with any of our directors, any committee chairperson or the Board of Directors may do so by writing to the director, committee chairperson or the Board in care of our Secretary, at Delek US Holdings, Inc., 7102 Commerce Way, Brentwood, Tennessee 37027. Communications received will be forwarded directly to the director to whom it is addressed. If the communication is addressed to the Board and no particular director is named, the communication will be forwarded, depending on the subject matter, to the appropriate committee chairperson or to all members of the Board.

Committees of the Board of Directors

The Board of Directors has standing Audit and Compensation Committees. As a controlled company, we rely on exemptions from the provisions of Section 303A of the New York Stock Exchange Listed Company Manual that would otherwise require us, among other things, to have a Compensation Committee composed of independent directors and to have a Nominating and Corporate Governance Committee.

As a controlled company, the Board of Directors does not believe that it is necessary to have a Nominating and Corporate Governance Committee or a committee performing the functions of this committee. The entire Board of Directors participates in the nomination of candidates for election to the Board of Directors in accordance with our Board of Directors Governance Guidelines.

The Board of Directors is responsible for filling vacancies on the Board of Directors at any time during the year, and for nominating director nominees to stand for election at the annual meeting of stockholders. The Board of Directors does not generally utilize the services of search firms or consultants to assist in identifying and screening potential candidates. In accordance with our Board of Directors Governance Guidelines, the Board of Directors identifies individuals qualified to become directors and considers such factors as it deems appropriate, including the

Table of Contents

individual's education, experience, reputation, judgment, skill, integrity, industry knowledge, the degree to which the individual's qualities and attributes complement those of other directors, and the extent to which the candidate would be a desirable addition to the Board of Directors and committees thereof. Directors should have experience in positions with a high degree of responsibility; be leaders in the organizations with which they are affiliated; and have the time, energy, interest and willingness to serve as a member of the Board of Directors.

The Board of Directors will consider nominees for directors recommended by stockholders of Delek and will evaluate each nominee using the same criteria used to evaluate director candidates otherwise identified by the Board. Stockholders wishing to make such recommendations should write to the Board of Directors in care of the Secretary of Delek US Holdings, Inc., 7102 Commerce Way, Brentwood, Tennessee 37027. Persons making submissions should include the full name and address of the recommended nominee, a description of the proposed nominee's qualifications and other relevant biographical information.

Audit Committee

The Audit Committee consists of Mr. Maslowe (chairman), Mr. Leonard and Mr. Jordá. The composition of the Audit Committee has not changed from its inception on May 9, 2006. The Audit Committee met five times during 2007. The Board has determined that (i) Mr. Maslowe, Mr. Leonard and Mr. Jordá each qualifies as independent under applicable SEC rules and regulations and the rules of the New York Stock Exchange; and (ii) Mr. Maslowe is an audit committee financial expert within the meaning of Item 407(d)(5) of Regulation S-K.

The purpose of the Audit Committee is to provide assistance to the Board in the oversight of (a) the quality and integrity of our financial statements; (b) the disclosure and financial reporting process, including our financial statements; (c) our internal controls and procedures for financial reporting; (d) the performance of our internal audit function and independent registered public accounting firm employed by us for the purpose of preparing and issuing an audit report or related work (the Outside Auditor); (e) the Outside Auditor's qualifications and independence; and (f) our compliance with policies under our Code of Business Conduct & Ethics and legal and regulatory requirements. These responsibilities are set forth in the Audit Committee's charter, which is posted on our corporate website at www.DelekUS.com. In addition, the Audit Committee is generally responsible for administering our related party transactions policy.

Compensation Committee

The Compensation Committee consists of Mr. Yemin (chairman), Mr. Bartfeld and Mr. Jordá. The composition of the Compensation Committee has not changed from its inception on May 9, 2006. The Compensation Committee met five times in 2007.

Among the three members of the Compensation Committee, only Mr. Jordá qualifies as independent under applicable SEC rules and regulations and the rules of the New York Stock Exchange. As a controlled company, we are exempt from the New York Stock Exchange requirement to have a Compensation Committee composed entirely of independent directors.

The purpose of the Compensation Committee is to support the Board of Directors and work with management to ensure that compensation practices properly reflect management's and our philosophy, competitive practices and regulatory requirements. The Compensation Committee reviews, provides advice on and, where appropriate, approves compensation objectives, plans, and levels.

The Compensation Committee is responsible to our Board of Directors and stockholders for evaluating the performance of Mr. Yemin, our chief executive officer, and approving the compensation awarded to our named executive officers, with the exception of Mr. Yemin, most of whose compensation is determined by the terms of his employment agreement. Additional compensation arrangements or changes to Mr. Yemin's employment agreement are approved by the full Board of Directors. Further, Mr. Yemin does not participate in discussions regarding his performance evaluation. These responsibilities are set forth in the Compensation Committee's charter, which is posted on our corporate website at www.DelekUS.com.

Table of Contents

The Compensation Committee relies heavily on the input and recommendations of Mr. Yemin and our vice president of human resources in determining compensation. In 2007, the Compensation Committee delegated a portion of its authority to determine base salaries, annual cash bonuses and the total mix and amount of long-term incentive compensation (including the recipients of such compensation) to Mr. Yemin, in consultation with the vice president of human resources, and subject to the approval of the Committee in the instance of our executive officers (other than Mr. Yemin).

The Compensation Committee has also delegated a portion of its authority under the 2006 Long-Term Incentive Plan to Mr. Yemin, the vice president of human resources and the general counsel. Under this authority, Mr. Yemin may grant up to 15,000 stock options to certain employees, and the vice president of human resources and general counsel, acting jointly, may grant up to 2,500 stock options to certain employees. The delegated authority is expressly limited to newly hired employees and employees that are promoted to a job classification that is eligible for stock options. The delegated authority does not apply to employees who are subject to Section 16(b) of the Securities Exchange Act of 1934, as amended, or who are considered covered employees for purposes of Section 162(m) of the Internal Revenue Code.

The Compensation Committee has further limited this delegated authority by prescribing that grants of stock options pursuant to the delegated authority shall occur only once per calendar quarter. Under this directive, grants occur on the tenth day of the last calendar month of the quarter and cover eligible employees through the last day of the second calendar month of the quarter. In selecting the predetermined quarterly grant date, the Committee chose a date that would normally be after the public announcement of our financial results for the preceding quarter and 20 days before the close of the current quarter. See the sections titled Compensation Setting Process, Base Salaries and Annual Bonuses in the Compensation Discussion and Analysis for an additional discussion of the role of Mr. Yemin, other executive officers and compensation consultants in determining compensation.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee is comprised of Mr. Yemin, Mr. Bartfeld and Mr. Jordá. Mr. Yemin is the chairman of the Compensation Committee. He has served as our chief executive officer since June 2004 and our president and a director since April 2001. Mr. Bartfeld has served as Delek Group's president and chief executive officer since September 2003. See Executive Compensation and Director Compensation for information regarding relationships and transactions involving the company in which Mr. Yemin and Mr. Bartfeld had an interest.

None of our executive officers serve as a member of the Board of Directors or Compensation Committee of any entity that has one or more of its executive officers serving as a member of our Board of Directors.

Board of Directors Governance Guidelines, Code of Business Conduct and Ethics and Committee Charters

The full texts of our Board of Directors Governance Guidelines and Code of Business Conduct and Ethics, as well as the charters for the Audit Committee and Compensation Committee, are available on our website (www.DelekUS.com). In addition, you may request a copy of any of these documents by writing to the Investor Relations Department of Delek US Holdings, Inc., 7102 Commerce Way, Brentwood, Tennessee 37027, or ir@DelekUS.com. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On March 6, 2007, our Board of Directors adopted a written related party transactions policy to document procedures pursuant to which related party transactions are reviewed, approved or ratified. The policy covers all transactions between us and any related party (including any transactions requiring disclosure under Item 404 of Regulation S-K), other than transactions generally available to all employees and transactions involving less than \$5,000, when aggregated with all similar transactions. The Audit Committee is generally responsible for administering the policy. However, our policy permits the disinterested members of the Board of Directors to exercise the authority otherwise assigned to the Audit Committee. Additionally, any related party transaction in which any director is an interested party must be reviewed and approved by the full Board of Directors. A related party transaction may be consummated only if it is ratified or approved by the Audit Committee or disinterested members of the Board of Directors and if it is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party. Because our policy was not in place until 2007, these particular procedures were not followed at the commencement of any of the transactions discussed below. However, the management and consulting agreement with Delek Group was approved by our Board of Directors in February 2006, and the consulting agreement with Charles Green was ratified by our Audit Committee in March 2008.

At December 31, 2007, Delek Group Ltd. (Delek Group) beneficially owned approximately 73.4% of our outstanding common stock. As a result, Delek Group and its controlling stockholder, Mr. Sharon (Tshuva), will continue to control the election of our directors, influence our corporate and management policies (including the declaration of dividends) and determine, without the consent of our other stockholders, the outcome of any corporate transaction or other matter submitted to our stockholders for approval, including potential mergers or acquisitions, asset sales and other significant corporate transactions.

Effective January 1, 2006, we entered into a management and consulting agreement with Delek Group, pursuant to which key management personnel of Delek Group provide management and consulting services to us, including matters relating to long-term planning, operational issues and financing strategies. The agreement has an initial term of one year and will continue thereafter until either party terminates the agreement upon 30 days advance notice. As compensation, the agreement provides for payment to Delek Group of \$125,000 per calendar quarter, payment within 90 days of the end of each quarter and reimbursement for reasonable out-of-pocket costs and expenses incurred. Amounts payable under this agreement as of December 31, 2007 totaled \$125,000.

On January 12, 2006, we entered into a consulting agreement with Charles H. Green, the father of one of our named executive officers, Frederec Green. Under the terms of the agreement, Charles Green provides assistance and guidance, primarily in the area of electrical reliability, at our Tyler refinery, and is paid \$100 per hour for services rendered. During the twelve months ended December 31, 2007, Charles Green was paid approximately \$201,400 for services rendered.

**EXECUTIVE COMPENSATION
COMPENSATION DISCUSSION AND ANALYSIS**

Compensation Overview, Objectives and Philosophy

The emphasis of our 2007 compensation framework was management retention, management recruitment and compensation continuity in a manner that supported stockholder value. The 2007 framework was designed to reward the performance of our employees with reference to the overall performance of the company. Going forward, we have developed a compensation framework that is designed to:

- Attract, motivate and retain key executives;
- Centralize administration and control over individual compensation components;
- Align the long-term economic interests of executives with stockholders by providing a portion of the executives compensation in the form of equity awards; and
- Reward excellence and performance by executives that increases the value of our stock and promotes an ethical culture amongst our employees.

These objectives will govern the decisions that the Compensation Committee (the Committee) makes with respect to the amount and type of compensation payable to our named executive officers. Further, we believe that these objectives support a culture of compliance and strengthen the commitment to operate our business with the highest standards of ethical conduct.

Elements of Our Compensation

The compensation framework for our named executive officers consists of the following three key elements:

- Base salary;
- Annual cash bonuses and other special cash bonuses, as warranted; and
- Long-term incentives (including the annual grant of stock options and/or restricted stock units)

In addition to these key elements of compensation, our compensation framework includes limited fringe benefits, perquisites, severance and other benefits. Each of these elements is discussed further below.

Compensation Setting Process

Our Board of Directors has determined that we are a controlled company for purposes of Section 303A of the New York Stock Exchange Listed Company Manual because Delek Group, Ltd. indirectly holds more than 50% of the voting power of our company. As a controlled company, we are exempt from the New York Stock Exchange requirement to have a compensation committee composed entirely of independent directors. Among the three members of our Committee, only Mr. Jordá qualifies as independent under applicable SEC rules and regulations and the rules of the New York Stock Exchange.

The Committee is responsible for determining the amount and mix of the total compensation to be paid to our named executive officers. However, the chairman of the Committee, Mr. Yemin, did not participate in discussions regarding his own compensation arrangements, most of which are determined by his employment agreement. In determining the amount and mix of the total compensation to be paid to our named executive officers (other than Mr. Yemin), the Committee relied heavily on the input and recommendations of Mr. Yemin and our vice president of human resources. Together with our former vice president of human resources, Mr. Yemin developed our current compensation framework, which was presented to and approved by the Committee. The Committee also relied to a lesser extent on studies performed for us by compensation consultant AON/Radford Consulting (AON). For a

Table of Contents

description of the Committee's delegation of authority to management, you should read the narrative discussion on page 12 of this Proxy Statement.

In late 2005, prior to our initial public offering, we engaged AON to provide advice to the Board of Directors in formulating our 2006 compensation. AON performed compensation studies of peer companies identified by us in consultation with AON which included base salary, total cash compensation and total compensation. We relied upon the information gathered from AON in 2005 to guide our decisions on 2007 compensation. In November 2007, the Committee authorized management to engage AON to reevaluate our peer companies and provide a competitive review of executive compensation relative to published surveys and the peer group including base salaries, annual incentives, total cash compensation, long-term incentives and total direct compensation. We intend to rely upon these updated studies to guide our decisions on 2008 compensation.

Generally, executive compensation has been paid primarily in cash as base salaries and bonus, although this is not due to any specific practice, policy or formula regarding the allocation between long-term and currently paid out compensation or the allocation between cash and non-cash compensation. In making decisions with respect to the amount and type of compensation paid to our named executive officers, the Committee considers the individual's performance, the company's performance, and competitive market information. In 2007, the Committee referenced, and will continue to reference, two groups of publicly traded peer companies in its decision making process: independent refining and marketing companies, and retail companies. These peer groups were developed in consultation with AON in 2005, and the peer companies identified in 2005 were referenced in determining 2007 compensation.

The Committee and AON reevaluated the peer companies in November 2007. As a result, one refining company, Premcor, and three retail companies, 7-11, Starbucks and Target, were removed from the group. Three refining companies, Murphy Oil Corporation, Tesoro Corporation and Valero Energy Corporation, were added to the peer group along with three retail companies, Hess Corporation, Susser Holdings Corporation and TravelCenters of America, LLC. Premcor was removed because it ceased operations, and 7-11 was removed because it is no longer publicly traded. Susser Holdings and TravelCenters of America were added because they have become publicly traded companies and, as retail fuel and convenience store operators, provide more appropriate retail peers for us than Starbucks or Target. For the reasons set forth below, we believe that the addition of Murphy Oil, Tesoro, Valero Energy and Hess enhances the mix of peer companies.

The current list of peer companies is set forth below. The Committee believes the two groups provide an appropriate, comparative, cross-section of industry and human-resource competitors with market capitalization and operational complexity similar to ours. While the Committee does not regularly benchmark its compensation practices against any particular company or group of companies, the Committee believes that compensation data from the companies listed below can be a useful tool in our decision making process for all areas of our compensation framework. The two groups are listed in the following table:

Refining Companies

Alon USA Energy, Inc.
Frontier Oil Corp.
Holly Corporation
Murphy Oil Corporation
Sunoco, Inc.
Tesoro Corporation
Valero Energy Corporation

Retail Companies

Alimentation Couche Tard, Inc.
Casey's General Stores, Inc.
Hess Corporation
The Pantry, Inc.
Susser Holdings Corporation
TravelCenters of America, LLC

Base Salaries

Our named executive officers receive a majority of their overall cash compensation as base salary. Generally, base salaries have not been based upon specific measures of corporate performance, but are determined upon the recommendations of the chief executive officer, based upon his determination of each employee's individual performance, position and responsibilities, and contributions to both our financial performance and ethical culture. We

generally seek to position base salary at or below the market median of the peer group. In contrast to our other named executive officers, our chief executive officer's base salary is determined pursuant to his employment

Table of Contents

agreement which was entered into in May 2004. For a description of Mr. Yemin's employment agreement, you should read the narrative discussion beginning on page 21 of this Proxy Statement.

Base salaries are reviewed annually, typically in December. Mr. Yemin, in consultation with our vice president of human resources, determined the 2007 annual base salaries, which were reviewed and approved by the Committee in January 2007. Annual base salaries for 2008 were reviewed in December 2007, and Mr. Yemin, in consultation with our vice president of human resources, determined the base salaries, which were reviewed and approved by the Committee in January 2008. In making the salary determinations, Mr. Yemin was guided by the factors set forth above. There have been no material changes to the salaries to be paid to our named executive officers in 2008 from that paid to our named executive officers in 2007.

The Committee believes that the base salaries paid to our named executive officers are appropriate and help to achieve our objectives to attract, retain and motivate our named executive officers. For a description of the base salaries paid to our named executive officers for 2007, you should read the Summary Compensation Table on page 20 of this Proxy Statement and the narrative discussion on page 21 of this Proxy Statement.

Annual Bonuses

Annual cash bonuses to our named executive officers are intended to reward company-wide performance and, to a lesser extent, individual performance during the year. The annual cash bonuses paid to our named executive officers (other than Mr. Yemin) equaled approximately 50% percent of their base salary in 2007. From time to time, special cash bonuses may be granted to our executive officers in order to reward outstanding performance or the achievement of business milestones. In July 2007, the Board of Directors approved a cash bonus in the amount of \$400,000 for Mr. Yemin in recognition of his contribution to our strategic growth and direction, organizational development and financial performance, and his development and implementation of policies and procedures to promote a culture of ethics and compliance within the organization.

Mr. Yemin and our vice president of human resources review peer company cash bonus data as compiled by AON to evaluate the competitiveness of our cash bonus practices, but do not use the data to develop any specific bonus targets or criteria. At the end of each calendar year, management prepares and the Board of Directors approves an annual bonus budget for all employees as part of the overall operating budget for the company. The annual bonus pools for 2007 and 2008 were developed by Mr. Yemin, in consultation with our vice president of human resources, with reference to the prior year's pool and the coming year's overall budget. The bonus budget may be adjusted downward by the Committee at year end based on the company's actual results. Total annual bonuses to named executive officers will generally be limited to the amount of this pool and will be based on the individual's level of responsibility within the company and, to a lesser extent, the individual's performance. There are no predetermined formulae, weighted factors or specified list of criteria that is followed in setting bonuses. Annual bonuses for a calendar year are typically determined in the first quarter of the ensuing calendar year. The Committee approved the 2007 bonuses paid to each of our executive officers (other than Mr. Yemin) as well as the overall bonus budget for all employees (other than Mr. Yemin). The disinterested members of the Board of Directors approved Mr. Yemin's bonus in 2007. The Committee believes that the bonuses paid to our named executive officers are appropriate and help to achieve our objectives to attract, retain and motivate our named executive officers and to reward excellent performance. For a description of the bonuses paid to our named executive officers for 2007, you should read the Summary Compensation Table on page 20 of this Proxy Statement.

Long-Term Incentives

The Committee believes that the grant of non-cash, long-term compensation, primarily in the form of long-term incentive awards, to our named executive officers is appropriate to attract, motivate and retain such individuals, and enhance stockholder value through the use of non-cash, equity incentive compensation opportunities. The Committee believes that our best interests will be advanced by enabling our named executive officers, who are responsible for our management, growth and success, to receive compensation in the form of long-term incentive awards. Since long-term awards will increase in value in conjunction with an increase in the value of our common stock, the awards are designed to provide our named executive officers with an incentive to remain with us. For a description of the long-term incentive awards granted to our named executive officers for 2007, you should read the

Table of Contents

Summary Compensation Table on page 20 of this Proxy Statement, the Grants of Plan-Based Awards Table on page 21 of this Proxy Statement and the narrative discussion on page 21 of this Proxy Statement.

2006 Long-Term Incentive Plan. In April 2006, our Board of Directors and sole stockholder adopted the 2006 Long-Term Incentive Plan. At December 31, 2007, the plan provided equity-based compensation to more than 330 of our employees, including our named executive officers (other than Mr. Yemin). The plan permits us to grant stock options, stock appreciation rights, restricted stock, restricted stock units and other stock-based awards and cash incentive awards to directors, officers, employees, consultants and other individuals (including, advisory board members) who perform services for us or our affiliates.

Up to 3,053,392 shares of our Common Stock may be issued under the plan (subject to adjustment to reflect certain transactions and events specified in the plan). Shares covered by the unexercised portion of an award that terminates, expires or is canceled or settled in cash, shares forfeited or repurchased under the plan, and shares withheld or surrendered in order to pay the exercise or purchase price under an award or to satisfy the tax withholding obligations associated with the exercise, vesting or settlement of an award will again become available for issuance under the plan.

Generally, the Compensation Committee administers the plan, and has discretion to select the persons to whom awards will be made under the plan and prescribe the terms and conditions of each award under the plan, subject to the delegation of authority discussed above. For a description of the Committee's delegation of authority to grant stock options, you should read the narrative discussion on page 12 of this Proxy Statement.

The Board of Directors also has the power to administer the plan. With respect to the application of the plan to non-employee directors, the disinterested members of the Board of Directors has sole responsibility and authority for matters relating to the grant and administration of awards.

We do not have any plan to select option grant dates or restricted stock unit grant dates for our named executive officers in coordination with the release of material non-public information. The exercise price of all stock options awarded to our named executive officers under the 2006 Long-Term Incentive Plan is set at or above market price at the time of the award.

All employee stock options under the 2006 Long-Term Incentive Plan are awarded in two simultaneous grants. 75% of the options awarded vest ratably on the first three anniversaries of the grant. The remaining 25% of the options awarded vest on the fourth anniversary of the grant. The options that vest during the first three years are exercisable at the greater of \$16.00 (the initial public offering price of our stock) or the market price of the stock on the date of the grant. If the market price on the date of the grant is \$16.00 or less, the options that vest in the fourth year are exercisable at \$21.00. If the market price on the date of the grant is more than \$16.00, the options that vest in the fourth year are exercisable at 140% of the market price on the date of the grant. We define the market price of our stock as the New York Stock Exchange closing price on the date of the grant, or the last previous New York Stock Exchange closing price if the date of the grant occurs on a day when the New York Stock Exchange is not open for trading. The exercise price of the last 25% of the grants to vest is higher because we believe that part of incentive-based compensation should be conditioned upon appreciable increases in the value of our stock.

All restricted stock units vest ratably over four years. In contrast to stock option awards, we believe restricted stock unit grants are beneficial because they are provided to our named executive officers at no cost to the executive and provide further incentive for such individuals to remain with us. Additionally, holders of restricted stock units are credited with dividend equivalents for any cash dividends paid on the number of shares covered by the restricted stock units as a cash deferral, which deferral is settled in cash upon the vesting of the restricted stock units, thereby providing an additional element of compensation. No restricted stock units were granted to our named executive officers or other employees in 2007.

Upon the closing of our initial public offering in May 2006, certain directors and employees, including our named executive officers (other than Mr. Yemin), received their first grants of non-qualified stock options and restricted stock units under the 2006 Long-Term Incentive Plan. In 2007, we continued to make initial grants of stock options to newly hired employees based primarily upon an employee's responsibilities within the company. The initial equity grants are designed to assist in recruitment and retention. In addition, these initial equity grants provide our

Table of Contents

employees with an immediate stake in our performance and are intended to immediately align the interests of our directors, employees and stockholders by providing a direct incentive for directors and employees to focus on stockholder value and regulatory compliance. Between the closing of our initial public offering and its first anniversary in May 2007, the scale utilized for initial grants was equivalent to approximately 75% of the scale used at the time of the initial public offering. Since May 2007, the scale applied to the grants of stock options to newly hired employees has been equivalent to approximately 50% of the amount of stock options granted at the time of the initial public offering.

In addition to the initial grant of equity awards received in 2006, our named executive officers (other than Mr. Yemin) were granted additional stock options in 2007. The additional grants were made on June 10, 2007 (one of our predetermined quarterly grant dates) as part of an annual grant of stock options to all employees who received stock options under the 2006 Long-Term Incentive Plan during the prior calendar year. The scale used for the additional grants was approximately 10% of the scale used at the time of the initial public offering. The annual supplemental grants are designed to maintain the alignment of interests of our employees and stockholders for the long term. We intend to continue our practice of providing long-term equity-based compensation through time-vested grants to certain employees, including our named executive officers. We anticipate that stock options will continue to be granted in two simultaneous grants, have four-year ratable vesting and exercise prices determined in the manner described above. We also intend to continue our practice of making initial grants to new employees as well as annual supplementary grants in quantities less than the employee's initial grant. The Committee will continue to develop the timing of, and the individual grant guidelines for, the annual supplementary grants under the 2006 Long-Term Incentive Plan. The Committee does not currently consider gains from prior equity awards in setting other elements of compensation. Going forward, we expect that the Committee (or the Board of Directors) will set the exercise price, if any, of restricted stock units in its discretion and restricted stock unit awards will continue to have four-year ratable vesting. To date, we have not granted any awards of restricted stock units with an exercise price.

Fringe Benefits, Perquisites and Severance Provisions

Our named executive officers are eligible to participate in the benefit plans generally available to all of our employees, which include health, dental, life insurance, vision and disability insurance. We also sponsor a voluntary 401(k) Employee Retirement Savings Plan for eligible employees administered by Fidelity Management Trust Company. Employees must be at least 21 years of age with at least 1,000 hours worked to be eligible to participate in the plan. After the first anniversary of employment with us, we match employee contributions to the plan, including those by our named executive officers, on a fully vested basis up to a maximum of six percent of eligible compensation. In addition, we provide limited additional perquisites to two of our named executive officers who are citizens of Israel. Mr. Yemin and Mr. Ginzburg are each provided with the use of an automobile and rent-free residence in a Company-owned home. In addition, Mr. Yemin is provided with roundtrip business class airfare to Israel for himself and his family for fourteen (14) calendar days per year. Mr. Ginzburg is provided with roundtrip business class airfare to Israel for himself and his spouse once per year. Both Mr. Yemin and Mr. Ginzburg are provided with the use of an automobile while in Israel. Pursuant to his employment agreement, Mr. Yemin is also (a) paid \$3,000 per month to cover education expenses for Mr. Yemin's children; and (b) provided with a home telephone. For a description of the perquisites paid to our named executive officers for 2007, you should read the Summary Compensation Table on page 20 and the narrative discussion beginning on page 21 of this Proxy Statement.

The employment agreement with Mr. Yemin, the agreements with Messrs. Morgan, Green and Ginzburg, as well as our 2006 Long-Term Incentive Plan may require us to provide compensation or other benefits to our named executive officers in connection with certain events related to a termination of employment or an exchange transaction. For a description of the terms of these arrangements see Potential Payments Upon Termination or Change-in-Control Arrangements.

We have established these arrangements because we believe providing named executive officers compensation and benefits arrangements upon termination or an exchange transaction is necessary for us to be competitive with compensation packages of our peer companies and assists us in recruiting and retaining talented executives. In

Table of Contents

addition, formalizing these benefits provides us with certainty in terms of our obligations to an eligible executive in the event that our relationship with any such executive is terminated.

Tax Considerations

Section 162(m) of the Internal Revenue Code places a limit of \$1,000,000 on the amount of compensation we may deduct for federal income tax purposes in any one year with respect to our chief executive officer and the next four most highly compensated officers, which we refer to herein as the named executive officers. However, performance-based compensation that meets certain requirements is excluded from this \$1,000,000 limitation. The 2006 Long-Term Incentive Plan is intended to constitute a plan described in Treasury Regulation Section 1.162-27(f)(1), pursuant to which the deduction limits under Section 162(m) of the Internal Revenue Code do not apply to awards granted and compensation paid under the plan during the applicable reliance period. In general, the reliance period ends upon the earliest of: (i) the expiration of the plan; (ii) the material modification of the plan; (iii) the issuance of all available stock and other compensation that has been allocated under the plan; or (iv) the first stockholder meeting at which directors are to be elected that occurs after the close of the third calendar year in which we became publicly held.

While we seek to take advantage of favorable tax treatment for executive compensation where appropriate, the Compensation Committee may in the future award compensation which would not comply with the Section 162(m) requirements for deductibility if the Compensation Committee concluded that to be in our best interest.

Stock Ownership Requirements

Because no equity grants were made to our directors or named executive officers until May 2006, the majority of our directors and named executive officers have vested in less than 25% of equity awards granted to them. Therefore, we have not developed any express stock ownership guidelines. The Committee may revisit this issue once our directors and named executive officers have vested in more significant quantities of stock options and restricted stock units.

Prohibition Against Speculative Transactions

Our Code of Business Conduct and Ethics, which applies to all of our employees and directors, prohibits speculative transactions in our stock such as short sales, puts, calls or other similar options to buy or sell our stock.

Guidelines For Trades By Insiders

We maintain policies that govern trading in our stock by officers and directors required to report under Section 16 of the Exchange Act, as well as certain other employees who regularly have access to material non-public information about us. These policies include pre-approval requirements for all trades and periodic trading black-out periods designed with reference to our quarterly financial reporting schedule. We also require pre-approval of all trading plans adopted pursuant to Rule 10b5-1 promulgated under the Exchange Act. To mitigate the potential for abuse, no trades are allowed under a plan within 30 days after adoption. We discourage termination or amendment of plans by prohibiting trades under new or amended plans within 90 days following a plan termination or amendment.

Conclusion

The foregoing discussion describes the compensation objectives and policies which were utilized with respect to our named executive officers during 2007 and our intended compensation framework for 2008. In the future, as the Compensation Committee continues to review each element of the executive compensation program with respect to our named executive officers, the objectives of our executive compensation program, as well as the methods which the Compensation Committee utilizes to determine both the types and amounts of compensation to award to our named executive officers, may change.

2006 fiscal year included in our Annual Report on Form 10-K filed with the SEC on March 20, 2007. Assumptions used in the calculation of this amount for the 2007 fiscal year are included in footnote 10 to our audited financial statements for the 2007 fiscal year included in our Annual Report on Form 10-K filed with the SEC on March 3, 2008.

Pursuant to SEC rules, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions. Assumptions used in the calculation of this amount for the 2006 fiscal year are included in footnote 9 to our audited financial statements for the 2006 fiscal year included in our Annual Report on Form 10-K filed with the SEC on March 20, 2007. (2) The amounts in this column reflect the total dollar amount to be recognized in accordance with FAS 123R for financial statement reporting purposes over the expected term of the grant. Assumptions used in the calculation of this amount for the 2007 fiscal year are included in footnote 10 to our audited financial statements for the 2007 fiscal year included in our Annual Report on Form 10-K filed with the SEC on March 3, 2008.

CEO Employment Agreement. The employment agreement with our president and chief executive officer, Mr. Yemin, was effective May 1, 2004, and was amended as of October 31, 2005, February 1, 2006, April 17, 2006, November 13, 2006 and July 23, 2007. The term of the employment agreement ends on April 30, 2009.

Under the employment agreement, Mr. Yemin receives a base salary of \$288,000 and a rent-free residence and telephone in a company-owned house in Nashville, Tennessee. The employment agreement was amended in 2007 to provide Mr. Yemin with the option to purchase the residence from us following the termination of his employment (other than termination due to certain specified reasons including, for example, Mr. Yemin's fraud or willful misconduct involving us or our affiliates, conviction of a felony involving moral turpitude, or material breach of an agreement with us or our affiliates). Under the terms of the option, Mr. Yemin may purchase the residence at a price

equal to the cost paid by us to purchase the residence, plus the cost of repairs and upgrades to the residence approved by us, plus three percent of the foregoing sum for every anniversary of our purchase of the residence that occurs prior to Mr. Yemin's exercise of the option.

Under the agreement, we pay Mr. Yemin \$3,000 per month to cover education expenses for Mr. Yemin's children. In July 2007, this amount increased from \$2,000 to \$3,000 to account for the education expenses of Mr. Yemin's third child. In addition, Mr. Yemin is provided with the use of an automobile in the United States and while in Israel, and he is provided with roundtrip business class airfare to Israel for himself and his family for fourteen calendar days per year.

Mr. Yemin is provided 24 business days of paid vacation per year which accrue ratably during the employment year.

Table of Contents

The amount attributed to accrued and unused vacation will be paid to Mr. Yemin upon the expiration or termination of his employment agreement. The employment agreement also provides Mr. Yemin with fourteen calendar days of paid sick leave per year, which accrues ratably according to our standard policies.

Under his employment agreement, Mr. Yemin has the right to purchase up to 1,969,493 shares of our common stock at an exercise price of \$2.03 per share. The share purchase rights are subject to equal monthly vesting over the five year term of the agreement, and terminate upon the earlier of (i) the first anniversary of Mr. Yemin's termination of employment for any reason or (ii) April 30, 2010. As of the end of 2007, Mr. Yemin has not received any equity compensation awards under our 2006 Long-Term Incentive Plan.

Mr. Yemin may receive certain benefits upon the expiration or termination of his employment under the employment agreement. Please see the narrative discussion under the heading "Potential Payments Upon Termination or Change-In-Control" on page 23 of this Proxy Statement for further discussion of these terms of Mr. Yemin's employment agreement.

2006 Long-Term Incentive Plan and Equity Grants. All stock option and restricted stock unit grants in 2007 were made pursuant to our 2006 Long-Term Incentive Plan. For a description of the plan and the material terms of the awards reported in the Grants of Plan Based Awards in 2007 table, you should read the discussion beginning at page 17 of this Proxy Statement.

Upon completion of our initial public offering in May 2006, the share purchase rights permitted him to purchase, subject to certain vesting requirements, up to 1,969,493 shares of our common stock which was five percent of our outstanding shares immediately prior to the completion of the initial public offering. Under the applicable vesting provisions, Mr. Yemin is entitled to purchase up to one-fifth of these shares for each year of his employment (prorated monthly) from May 2004 until expiration of the agreement in April 2009. POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL

Employment Agreements. We have an employment agreement with Mr. Yemin which contains certain provisions relating to the termination of his employment. Mr. Yemin's employment agreement provides twelve months notice of termination by either party and for one month of salary continuation following the twelve month notice period. If Mr. Yemin resides in the United States during any such salary continuation period, he will be entitled to continue to receive all the perquisites and other personal benefits provided for in the employment agreement. If Mr. Yemin resides in Israel during any such salary continuation period, he will be entitled to the use of a company vehicle and he will be provided with a home and cellular telephone. If Mr. Yemin's employment is terminated prior to the end of its term, Mr. Yemin will receive a severance payment equal to \$1,000 for each full month of his employment with us from January 2005 through the date of termination, and to payment for unused vacation days accrued through the date of termination. Accrued and unused sick leave is not paid to Mr. Yemin upon the termination of his employment agreement. Assuming that Mr. Yemin's employment had terminated on December 31, 2007, and that timely notice of such termination had been given, Mr. Yemin would have been entitled to receive \$36,000 in severance, \$24,000 in salary continuation and \$34,123 in accrued unused vacation pay.

Mr. Yemin's employment agreement also provides him with the option to purchase his residence from us following the termination of his employment (other than termination due to certain specified reasons, including, for example, Mr. Yemin's fraud or willful misconduct involving us or our affiliates, conviction of a felony involving moral turpitude, or material breach of an agreement with us or our affiliates). Under the terms of the option, Mr. Yemin may purchase the residence at a price equal to the cost we paid to purchase the residence, plus the cost of repairs and upgrades to the residence approved by us, plus three percent of the foregoing sum for every anniversary of our purchase of the residence that occurs prior to Mr. Yemin's exercise of the option. We do not believe that the option would have provided a quantifiable benefit to Mr. Yemin if he had exercised the option on December 31, 2007.

If Mr. Yemin's employment agreement terminates because of his death, he will not be entitled to the above-noted payments and benefits, other than accrued and unused vacation. However, pursuant to our standard policies for which the Company-paid premiums are disclosed in the summary compensation table, Mr. Yemin's beneficiaries would receive a death benefit equal to one and half times Mr. Yemin's salary at the time of death. Please see the discussion on page 21 of this Proxy Statement for further discussion of the material terms of Mr. Yemin's employment agreement.

Other Agreements. Pursuant to offer letters, Mr. Morgan, Mr. Green and Mr. Ginzburg are entitled to payments equal to the following amounts: if Mr. Morgan's employment is terminated through no fault of his own, three months of salary; if we elect to terminate Mr. Green's employment through no fault of his own, at least three months

Table of Contents

of salary; and if Mr. Ginzburg's employment should terminate for any reason beyond his control, three months of base pay. Mr. Morgan, Mr. Green and Mr. Ginzburg would have been entitled to approximately \$47,500, \$50,000 and \$42,500, respectively, if their employment had been terminated on December 31, 2007 under circumstances entitling them to receive the severance payment. In addition, pursuant to a verbal agreement, Mr. Morgan is entitled to be paid for accrued and unused vacation upon the termination of his employment other than for cause. Mr. Morgan would have been entitled to receive \$19,000 in accrued but unused vacation pay if his employment had been terminated on December 31, 2007 under circumstances entitling him to receive this payment.

2006 Long-Term Incentive Plan. Under our 2006 Long-Term Incentive Plan (the "Plan") and the applicable award agreements, any awards that are not vested at the time the participant's employment terminates will be forfeited unless our Board of Directors or Compensation Committee determines otherwise. In general, vested options that have not been exercised at the time of termination of employment will be forfeited unless they are exercised within 30 days after such termination. If an exchange transaction (as described below) occurs with respect to our common stock, then, unless other arrangements are made, unvested awards granted under the Plan may be treated under either of two alternatives. They may be converted into economically equivalent awards with respect to the stock of the acquiring or successor company, or they may become fully vested and participate in the transaction value of the shares covered by the award (e.g., by exercise or cash out). Subject to the above, the disposition of unvested awards under the Plan in the event of an exchange transaction will be determined by our Board, in its discretion. For the purposes of the Plan, an exchange transaction includes certain mergers or other transactions which result in our common stockholders receiving cash, stock or other property in exchange for or in connection with their shares of our common stock. If an exchange transaction had occurred on December 31, 2007 and if, in connection with the exchange transaction, the unvested stock options and restricted stock units held by our named executive officers (other than Mr. Yemin, whose share purchase rights are not covered by the Plan) became fully vested, the value of the awards that had become vested by virtue of the exchange transaction would have been \$334,718, \$289,200, \$380,235 and \$228,510, for Messrs. Morgan, Green, Gregory and Ginzburg, respectively. These amounts assume a transaction value equal to the closing price of our shares on December 31, 2007.

We do not currently pay any director compensation to our non-independent directors. The compensation framework for our independent directors, Messrs. Jordá, Leonard and Maslowe, was determined by the Board. Future changes to cash and equity compensation for our independent directors will be determined by the Board.

Independent Director Cash Compensation. Our independent directors receive an annual cash fee of \$25,000 and an additional annual cash fee of \$7,500 for serving as chairman of a Board committee. From among our independent directors, only Mr. Maslowe serves as chairman of a Board committee. The independent directors receive meeting fees of \$1,500 per board meeting attended in person and \$1,000 per committee meeting attended in person.

Independent directors receive 50% of the meeting fee otherwise due for meetings attended other than in person. We reimburse our directors for all reasonable expenses incurred for attending meetings and service on our Board of Directors.

Independent Director Equity Compensation. On June 10, 2007, each independent director received 3,000 stock options, each of which has an exercise price per share of \$23.50 and which vest in equal amounts on the first four anniversaries of the grant date. Each independent director also received 1,500 restricted stock units on June 10, 2007, which will vest in equal amounts on the first four anniversaries of the grant date. We intend to continue making annual grants of equity awards to each independent director.

Other Compensation. As of May 1, 2005, we entered into an amended and restated consulting agreement with Greenfeld-Energy Consulting, Ltd., a company owned and controlled by Zvi Greenfeld. Under the consulting agreement, Mr. Greenfeld, who has extensive experience in the energy industry, assists management in determining the capital budget of the Tyler refinery and in evaluating our progress in completing capital projects. He also works with management to determine the most cost effective types and grades of crude oil to be purchased for our refinery, both for short and long-term production. Finally, Mr. Greenfeld works with our management to evaluate the results of an ongoing feasibility analysis being conducted by our third-party consultant regarding proposals to increase our refinery's production and profitability. Pursuant to the consulting agreement, we compensated Greenfeld-Energy Consulting, Ltd. \$7,150 per month from May through August 2005 and \$7,670 per month commencing September 2005, plus reasonable expenses, for consulting services relating to the refining industry performed personally by Mr. Greenfeld. In April 2006, we paid Greenfeld-Energy Consulting Ltd. a bonus of \$70,000 for services rendered in 2005. In addition, Mr. Greenfeld was granted 130,000 stock options. See footnote 7 above for the terms of these options. The amended and restated agreement continues in effect until terminated by either party upon six months advance notice to the other party.

On January 22, 2007, we granted 28,000 stock options to Gabriel Last under our 2006 Long-Term Incentive Plan. These options vest ratably over four years, have an exercise price of \$16.00 and will expire on January 22, 2017. The grant to Mr. Last was a special, one-time grant in consideration of his supervision and direction of management and consulting services provided by Delek Group, Ltd. to us and not as compensation for his service as a director.

The grant does not mark the adoption of a policy to compensate our non-employee, related directors and we do not intend to issue further grants to Mr. Last in the future.

AUDIT COMMITTEE REPORT

Management is responsible for our system of internal controls and the overall financial reporting process. Our independent registered public accounting firm, Ernst & Young LLP, is responsible for performing an independent audit of our consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States), and to issue a report thereon. The Audit Committee is responsible for overseeing management's conduct of the financial reporting process and systems of internal accounting and financial controls. During 2007, the Audit Committee reviewed and discussed with both management and our independent registered public accounting firm all annual and quarterly financial statements prior to their issuance. During 2007, management advised the Audit Committee that each set of financial statements reviewed had been prepared in accordance with U.S. generally accepted accounting principles, and reviewed significant accounting and disclosure issues with the Audit Committee. These reviews included discussion with the independent registered public accounting firm of matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communication with Audit Committees), including the quality of our accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee also discussed with Ernst & Young matters relating to its independence, including a review of audit and non-audit fees and the written disclosures and letter from Ernst & Young to the Audit Committee pursuant to Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). Additionally, the Audit Committee reviewed key initiatives and programs aimed at strengthening the effectiveness of our internal and disclosure control structure, including its internal control over financial reporting.

Taking all of these reviews and discussions into account, all of the Audit Committee members, whose names are listed below, recommended to the Board of Directors that it approve the inclusion of the audited financial statements in our annual report on Form 10-K for the year ended December 31, 2007, for filing with the SEC. Although the Audit Committee has the sole authority to appoint the independent registered public accounting firm, the Audit Committee has recommended that the Board of Directors ask the stockholders to ratify the appointment of Ernst & Young at the Annual Meeting.

Pre-Approval Policies and Procedures. In general, all engagements performed by our independent registered public accounting firm, whether for auditing or non-auditing services, must be pre-approved by the Audit Committee. During 2007, all of the services performed for us by Ernst & Young LLP were pre-approved by the Audit Committee.

PROPOSAL 2

AS INDEPENDENT REGISTERED ACCOUNTING FIRM
FOR THE FISCAL YEAR 2008**

We are asking you to ratify the selection of Ernst & Young LLP as our independent registered public accounting firm.
