Item 1.01. Entry into a Material Definitive Agreement

On December 3, 2006, LSI Logic Corporation, a Delaware corporation (LSI) entered into an Agreement and Plan of Merger, dated as of December 3, 2006, by and among Agere Systems Inc., a Delaware corporation (Agere), Atlas Acquisition Corporation (Merger Sub), a Delaware corporation and wholly-owned subsidiary of LSI, and LSI (the Merger Agreement). Pursuant to the terms and subject to the conditions set forth in the Merger Agreement, Merger Sub will merge with and into Agere, with Agere continuing as the surviving corporation and becoming a wholly-owned subsidiary of LSI (the Merger).

Upon completion of the Merger, each share of Agere common stock that is outstanding at the effective time of the Merger (the Effective Time) will be converted into the right to receive 2.16 (the Exchange Ratio) shares of common stock of LSI. Each outstanding option to purchase Agere common stock, whether or not then vested or exercisable, shall be assumed by LSI and will be exercisable for a number of shares of LSI common stock at an exercise price adjusted to reflect the Exchange Ratio.

LSI and Agere have made certain representations, warranties and covenants in the Merger Agreement, including, among others, representations regarding liabilities, employee benefit matters, intellectual property and environmental matters, and among others, covenants to (i) conduct their respective businesses in the ordinary course consistent with past practices during the interim period between the execution of the Merger Agreement and the consummation of the merger, (ii) to convene and hold a meeting of their respective stockholders to consider and vote upon the Merger Agreement and the Merger, and (iii) subject to certain exceptions, with respect to the Board of Directors of LSI, to recommend that their stockholders approve the issuance of LSI common stock in connection with the Merger, and with respect to the Board of Directors of Agere, to recommend that their stockholders adopt the Merger Agreement. The completion of the Merger is subject to various customary conditions, including (i) obtaining the approval of the LSI and Agere stockholders, (ii) absence of any applicable law prohibiting the Merger, (iii) expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and other certain regulatory approvals, (iv) subject to certain exceptions, the accuracy of the representations and warranties of each party, and (v) performance in all material respects by each party of its obligations under the Merger Agreement.

The Merger Agreement, which has been included to provide investors with information regarding its terms, contains representations and warranties of each of LSI and Agere. The assertions embodied in those representations and warranties were made for purposes of the Merger Agreement and are subject to qualifications and limitations agreed by the respective parties in connection with negotiating the terms of the Merger Agreement. In addition, certain representations and warranties were made as of a specific date, may be subject to a contractual standard of materiality different from what a stockholder might view as material, or may have been used for purposes of allocating risk between the respective parties rather than establishing matters as facts. Investors should read the Merger Agreement, together with the other information concerning LSI and Agere that each company publicly files in reports and statements with the Securities and Exchange Commission (the SEC).

The information set forth above does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is filed herewith as Exhibit 2.1 and is incorporated herein by reference.

Item 8.01. Other Events

On December 4, 2006, LSI and Agere issued a joint press release announcing the execution of the Merger Agreement. The press release also announced that the board of directors of LSI has authorized a stock repurchase program of up to \$500 million of its common stock. The repurchases will be funded from available cash and short-term investments. The press release is attached as Exhibit 99.1 and is incorporated herein by reference.
