PROXY STATEMENT

The Board of Directors of Escalade, Incorporated (hereinafter referred to as "Escalade" or the "Company"), 817 Maxwell Avenue, Evansville, Indiana 47711 ((812) 467-1200) is soliciting proxies, the form of which is enclosed, for the Annual Meeting of Stockholders to be held on Saturday, April 26, 2003, at 9:00 a.m. local time. Each of the 6,509,006 shares of common stock outstanding on February 28, 2003 is entitled to one vote on all matters acted upon at the meeting and only Stockholders of record on the books of the Company at the close of business on February 28, 2003 will be entitled to vote at the meeting, either in person or by proxy.

The shares represented by all properly executed proxies which are sent to the Company will be voted as designated and each not designated will be voted affirmatively. Unless discretionary authority is withheld, all other matters coming before the meeting will be voted according to the best judgment of the proxies. Any proxy given by a shareholder of record may be revoked at any time before it is voted by written notice to the Company's Secretary, by execution of a later dated proxy or by a personal vote at the Annual Meeting. This proxy statement is being mailed to shareholders on or about March 14, 2003.

The expense of soliciting proxies will be borne by the Company. Proxies will be solicited principally by mail, but may also be solicited by Directors, Officers, and other regular employees of the Company, who will receive no compensation therefor in addition to their regular salaries. Bankers and others who hold stock in trust will be asked to send proxy materials to the beneficial owners of the stock, and the Company may reimburse them for their expenses.

The holders of a majority of the Company's outstanding Common Stock must be present or represented by proxy at the Annual Meeting to constitute a quorum.

The six nominees receiving the greatest number of votes cast at the Annual Meeting upon the presence of a quorum will be elected as directors. A properly executed proxy marked "Withhold Authority to Vote" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum present at the Annual Meeting. The persons named as proxies in the enclosed proxy will vote for the election of the nominees named below unless authority to vote is withheld.

For each other item presented at the Annual Meeting, the affirmative vote of the holders of a majority of the Company's shares present or represented by proxy at the Annual Meeting and entitled to vote on the item will be required for approval. A properly executed proxy marked "Abstain" with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum present at the Annual Meeting. Accordingly, an abstention will have the effect of a negative vote.

If you hold your shares in "street name" through a broker or other nominee,

Edgar Filing: ESCALADE INC - Form DEF 14A

your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining whether there is a quorum.

The Annual Report of the Company for the year of 2002 is being mailed to you with this proxy statement, but such report and financial statements are not a part of this proxy statement.

COMPENSATION OF DIRECTORS

During 2002 all Directors of the Company except Mr. Griffin received a retainer of \$6,000 and a regular meeting fee of \$3,000 for each meeting attended. In addition, the Chairman of the Audit Committee received a \$2,000 Chairman fee and the Chairman of the Compensation Committee received a \$1,000 Chairman fee. Directors are reimbursed for their expenses incurred for attending the meetings.

Edgar Filing: ESCALADE INC - Form DEF 14A

Mr. Griffin received \$22,000 for performing his duties as Chairman of the Board and for serving on the Board of Directors and its committees. Mr. Griffin also receives a fee of \$3,000 for each meeting attended.

Some of the Directors elected to receive some of these fees in shares of the Company's common stock pursuant to the 1997 Director Stock Compensation and Option Plan which was approved by shareholders at the 1997 annual meeting. Those shares and options will not be issued until April 25, 2003. In 2002 there were 11,426 shares issued and 5,713 stock options issued pursuant to the plan. The number of shares to be issued will be calculated based on the aggregate director fees deferred by the director since the 2002 Annual Meeting divided by \$21.35, the closing share price on the first business day following the 2002 Annual Meeting. Each director who elected to receive shares will also be granted stock options in an amount equal to one half of the shares issued to the director at an exercise price of \$21.35 per share.

COMPENSATION AND STOCK OPTION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Executive compensation is determined by the Compensation Committee of the Board of Directors. Stock option grants are determined by the Stock Option Committee of the Board of Directors. Both committees are comprised entirely of non-management Directors. Based on the Company's past compensation practices, the Company does not currently believe that Section 162 (m) of the Internal Revenue Code, which limits the deductibility of executive compensation in certain events, will adversely affect the Company's ability to obtain a tax deduction for compensation paid to its executive officers.

REPORT OF THE COMPENSATION COMMITTEE

The Company's compensation package for its executive officers consists primarily of base salary, incentive profit sharing bonuses and stock option grants. Stock option grants are determined by the Stock Option Committee and are discussed under that Committee's separate report. Base salaries and incentive profit sharing bonuses are determined by this Compensation Committee.

In general, base salary levels are set at the beginning of each year at levels believed by this Committee to be sufficient to attract and retain qualified executives when considered with the other components of the Company's compensation structure. The primary considerations in determining whether base salaries will be adjusted is the Company's income level generated in the previous year and any changes in level of responsibility. The Committee also subjectively reviews the individual performance of each executive officer. For 2002, the Committee believed that base salaries for executive officers and most other management employees should be increased. The increases ranged from about 3% to 5%. The Committee increased Mr. Reed's base salary for 2002 by 3%.

This Committee believes that a significant portion of total annual cash compensation should be subject to the Company's actual performance achieved in that year. Consequently, the incentive profit sharing bonuses of the Company's executive officers can be a significant percentage of their overall compensation. Each of the Company's subsidiaries has in place an incentive profit sharing plan where the amounts payable thereunder are based primarily upon the subsidiary's Earnings Before Interest, Taxes and Amortization ("EBITA") return on equity and EBITA return on assets. At the beginning of each year, the Committee reviews, approves and/or modifies target levels suggested by management for each of these components for each subsidiary.

If the subsidiary meets or exceeds its targets in one or more of the performance components, a bonus pool is created with respect to such component for payment to the subsidiary's employees. An additional 20.9% of any amounts payable under the subsidiary's incentive profit sharing plan is payable to the Company. The Company in turn distributes the incentive compensation received

Edgar Filing: ESCALADE INC - Form DEF 14A

from each subsidiary to the Company's executive officers based on a pre-determined percentage.

8

Accordingly, each executive officer's incentive profit sharing is directly linked to the performance by each of the Company's operating subsidiaries. The percentage and amount attributable to each individual executive officer is reviewed by this Committee on an annual basis. This Committee approved Mr. Reed's portion, under the plan, of \$472,511 for 2002.

In 2002, the Company's office and graphic arts subsidiary and the company's sporting goods subsidiary exceeded their target levels for each of the incentive profit sharing components and a bonus pool was created with respect to those operations. Therefore, the 2002 bonus amounts paid to Mr. Reed and the Company's other executive officers were generated from the Company's office and graphic arts subsidiary and the Company's sporting goods subsidiary. After incentive profit sharing and taxes the Company's consolidated net income of \$11,138,453 generated a return on assets (on average beginning and ending assets) of 12.9% and a return on beginning equity of 32.4%.

REPORT OF STOCK OPTION COMMITTEE

The Company maintains a Stock Option Committee of the Board of Directors, whose primary purpose is to determine annual stock option grants to the Company's executive officers and other eligible employees. The Stock Option Committee continues to believe that stock options are an effective incentive to encourage stock ownership by officers and key employees of the Company and its subsidiaries so that those persons acquire or increase their proprietary interest in the success of the Company.

Shareholders approved the 1997 Incentive Stock Option Plan at the 1997 annual meeting. Pursuant to that plan the committee felt it was appropriate to grant stock options to certain executive officers of the Company in 2002. The committee granted Mr. Reed 30,000 options.

Keith P. Williams

A. Graves Williams, Jr.

COMPENSATION COMMITTEE AND STOCK OPTION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

In 2002, Messrs. Graves Williams and Keith Williams were non-employee Directors of the Company and comprised the Company's Compensation and Stock Option Committees. No other Director or executive officer of the Company serves on any board of directors or compensation committee of any entity which compensates any of Messrs. Graves Williams or Keith Williams.

REPORT OF THE AUDIT COMMITTEE

In accordance with its written charter adopted by the Board of Directors ("Board"), the Audit Committee of the Board ("Committee") assists the Board in

Edgar Filing: ESCALADE INC - Form DEF 14A

fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of Escalade. All of the Committee members are independent directors as defined under Nasdaq rules. During the current year, the Committee met one time, and the Committee chair, as representative of the Committee, discussed the interim financial information contained in each quarterly earnings announcement with the Chief Financial Officer and independent auditors prior to public release.

In discharging its oversight responsibility as to the audit process, the Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence discussions with Audit Committees," discussed with the auditors any relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence. The Committee also discussed with management, and the independent auditors the quality and adequacy of Escalade's internal controls. The Committee reviewed with the independent auditors their audit plan, audit scope and identification of audit risks.

9

The Committee discussed and reviewed with the independent auditors all communications required by auditing standards generally accepted in the United States of America, including those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees," and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements.

The Committee reviewed the audited financial statements of Escalade as of and for the year ended December 28, 2002, with management and the independent auditors. Management has the responsibility for the preparation of financial statements and the independent auditors have the responsibility for the examination of those statements.

Based on the above-mentioned review and discussions with management and the independent auditors, the Committee recommended to the Board that Escalade's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 28, 2002, for filing with the Securities and Exchange Commission. The Committee also recommended the reappointment, subject to shareholder approval, of BKD LLP, the independent auditors, and the Board concurred in such recommendation. The Audit Committee also discussed and considered whether the provision of non-audit services by the Company's auditors is consistent with the auditors' independence. The Audit Committee has determined that the provisions of such services is consistent with the auditors' independence.

ITEM NO. 2 APPROVAL OF AUDITORS

The Audit Committee proposes and recommends that the Stockholders approve the selection of the firm of BKD LLP to serve as independent auditors for the Company for fiscal year 2003. BKD LLP, formerly known as Olive LLP, has served as independent auditors for the Company since 1977. Audit services performed by BKD LLP during the fiscal year most recently completed include examinations of the financial statements of the Company and its subsidiaries, services related to filings with the Securities and Exchange Commission, and consultations on matters related to accounting, financial reporting and filing of Federal and State Income Tax Returns. Representatives of BKD LLP are expected to be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

In the event the appointment of BKD LLP, as independent auditors for 2003 is not approved by the shareholders, the adverse vote will be considered as a direction to the Board of Directors to select other auditors for the following year. However, because of the difficulty and expense of making any substitution of auditors so long after the beginning of the current year, it is contemplated that the appointment for the year 2003 will be permitted to stand unless the Board finds other good reason for making a change. Management recommends a vote "FOR" the approval of the appointment of BKD LLP.

RESULTS OF THE 2002 ANNUAL MEETING

5,930,550 shares or 92.3 % of the outstanding shares of the Company were voted in person or by proxy at the 2002 annual meeting which was held April 27, 2002. The proposals to elect to the Board six Directors, and to approve the appointment of BKD LLP to serve as independent auditors for the Company for the year 2002 were approved by the shareholders.

SHAREHOLDER PROPOSALS FOR THE 2004 ANNUAL MEETING

Shareholder proposals for shareholder action at the 2004 annual meeting must be presented in writing at the offices of the Company on or before November 14, 2003. Any shareholder who intends to propose any other matter to be acted upon at the 2004 annual meeting of shareholders must inform the Company no later than February 27, 2004. If notice is not provided by that date, the persons named in the Company's proxy for the 2004 annual meeting will be allowed to exercise their discretionary authority to vote upon any such proposal without the matter having been discussed in the proxy statement for the 2004 annual meeting. Only such proposals as are (1) required by Securities and Exchange Commission Rules, and are (2) permissible shareholder motions under the Corporation law of the State of Indiana will be included on the 2004 meeting docket.

OTHER BUSINESS

The management does not know of any other business to be presented to the meeting and does not intend to bring any other matters before the meeting. No shareholder has informed the Company of any intention to propose any other

matter to be acted upon at the meeting. Accordingly, the persons named in the accompanying Proxy are allowed to exercise their discretionary authority to vote upon any such proposal without the matter having been discussed in this proxy statement. If any matters properly come before the meeting, it is intended that the persons named in the accompanying Proxy will vote thereon according to their best judgment and interest of the Company.
