to be Held April 20, 2004

GENERAL INFORMATION

This Proxy Statement is furnished to the shareholders of Evans Bancorp, Inc., a New York corporation (the "Company"), in connection with the solicitation of proxies for use at the Sixteenth Annual Meeting of Shareholders (the "Annual Meeting") to be held at Cradle Beach Camp, 8038 Old Lake Shore Road, Angola, New York, on TUESDAY, APRIL 20, 2004 at 9:00 A.M. and at any adjournments thereof. The enclosed proxy is being solicited by the Board of Directors of the Company.

Shares of common stock represented by a proxy in the form enclosed, properly executed, will be voted in the manner instructed, or if no instructions are indicated, in favor of the election of the director nominees named therein. The proxy given by the enclosed proxy card may be revoked at any time before it is voted by delivering to the Secretary of the Company a written revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Any shareholder may vote in person at the Annual Meeting, whether or not he or she has previously given a proxy.

This Proxy Statement and the enclosed proxy are first mailed to shareholders on or about March 22, 2004.

VOTING SECURITIES

Only holders of shares of common stock of record at the close of business on March 8, 2004 are entitled to notice of and to vote at the Annual Meeting and at all adjournments thereof. At the close of business on March 8, 2004, the Company had outstanding 2,476,227 shares of common stock. For all matters to be voted on at the Annual Meeting, holders of common stock are entitled to one vote per share. A majority of such shares, present in person or represented by proxy, shall constitute a quorum for the transaction of business at the Annual Meeting. Broker non-votes and abstentions will be counted as being present or represented at the Annual Meeting for purposes of establishing a quorum.

Under the Company's By-Laws and the laws of the State of New York, directors of the Company are elected by a plurality of the votes cast at the meeting by holders of shares of common stock entitled to vote in the election. That means the four director nominees will be elected if they receive more affirmative votes than any other nominees. Any other matters that may come before the Annual Meeting for consideration will be decided by a majority of the votes cast by the holders of shares of common stock entitled to vote on such matters.

With regard to the election of directors, votes may be cast in favor or withheld. Votes that are withheld will be excluded entirely from the vote and will have no effect. Additionally, abstentions and broker non-votes will not affect the outcome of the election, as they are not considered votes "cast".

The Nominating Committee met twice in fiscal 2003. The Nominating Committee also oversees matters related to governance of the Company.

The Board of Directors has adopted a Nominating Committee Charter which appears in Appendix A to this Proxy Statement. The Nominating Committee will consider whether to nominate any person recommended by a shareholder pursuant to the provisions of the Company's By-Laws. In accordance with the Company's

8

By-Laws, shareholder nominations for directors to be elected at an Annual Meeting of shareholders must be submitted to the Secretary of the Company in writing not less than 14 days nor more than 50 days immediately preceding the date of the Annual Meeting. If less than 21 days notice of the Annual Meeting is given to shareholders, nominations shall be mailed or delivered to the Secretary of the Company not later than the close of business on the seventh day following the day on which the notice of meeting was mailed. Such notification shall contain the following information to the extent known by the notifying shareholder: (a) name and address of each proposed nominee; (b) the principal occupation of each proposed nominee; (c) the total number of shares of common stock of the Company that will be voted for each proposed nominee; (d) the name and residence address of the notifying shareholder; and (e) the number of shares of common stock of the Company owned by the notifying shareholder. Additionally, the Company's By-Laws require that, in order to serve as a director of the Company, an individual must own at least \$10,000 aggregate market value of the Company's common stock and must be less than 70 years of age. Nominations not made in accordance with the By-Laws of the Company may be disregarded by the presiding officer of the meeting, in his/her discretion, and upon his/her instruction, the vote tellers may disregard all votes cast for each such nominee. However, in the event that any such nominee is nominated by more than one shareholder, the nomination shall be honored, and all votes cast in favor of such nominee shall be counted if at least one nomination for that person complies with the provisions of the By-Laws of the Company.

Other factors that the Nominating Committee considers in its evaluation of

Edgar Filing: EVANS BANCORP INC - Form DEF 14A

prospective director candidates are an individual's independence, skills and experience relative to the needs of the Company. The process whereby the Nominating Committee identifies candidates varies from identification of individuals well-known in the community in which the Company operates and individuals known by current directors or officers through business or other professional relationships, to recommendations of individuals from shareholders and customers. Nominees meet personally with the members of the Nominating Committee and are interviewed to determine their independence, skills and experience relative to the needs of the Company. There is no difference in the nominee evaluation process if the candidate is nominated by a shareholder or otherwise.

Attendance at Board of Directors and Committee Meetings

The Company's Board of Directors met seven times during fiscal 2003. The Bank's Board of Directors met twelve times during fiscal 2003. Upon retirement at age 65, vested participants are entitled to receive a monthly benefit. The following table indicates the annual retirement benefit that would be payable from the Bank's Defined Benefit Pension Plan under the amended benefit formula upon retirement at age 65 in fiscal year 2003, expressed in the form of a single life annuity for the average annual earnings and years of credited service.

Pension Benefit Formula: 1% of compensation times years of service (max 30)

Prior to a May 1, 1994 amendment to the plan, the monthly benefit under the pension plan was 3% of average monthly compensation multiplied by years of service up to a maximum of fifteen years of service. In 1994, the pension plan was amended to change the benefit to 1% of average monthly compensation multiplied by years of service up to a maximum of thirty years of service. However, the benefits already accrued by employees prior to this amendment were not reduced by the amendment. Messrs. Tilley, Glass, DeBacker and Miller are participants in the pension plan, and as of December 31, 2003, Mr. Tilley had fourteen years of credited service and his average annual compensation under the plan was \$164,862; Mr. Glass had ten years of credited service and his average annual compensation under the plan was \$139,492; Mr. DeBacker had two years of credited service and his average annual compensation under the plan was \$90,468; and Mr. Miller had three years of credit service and his average annual compensation under the plan was \$161,958.

Employment Agreements

Messrs. Tilley, Glass, and DeBacker have each entered into an Employment Agreement with the Bank which runs through December 31, 2008. Each Employment Agreement provides that salary will be set annually by the Board of Directors of the Bank. If the Bank terminates the Employment Agreement without cause, the Bank is obligated to continue to pay base salary for the longer of three months or the remainder of the term of the Employment Agreement.

Mr. Miller has entered into an Employment Agreement with M&W Agency, Inc. which runs through December 31, 2005. The Employment Agreement provides that he receive an annual salary of \$150,000, subject to increases as may be approved from time to time by the Board of Directors of the Bank, plus a bonus based upon the earnings before interest and taxes of M&W Agency, Inc. in excess of specific target amounts, up to \$100,000 annually. If M&W Agency, Inc. terminates the Employment Agreement without cause, it is obligated to pay his salary, plus benefits, for the longer of three months or the remainder of the term of the Employment Agreement.

Supplemental Executive Retirement Plans

The Bank maintains Supplemental Executive Retirement Plans (SERPs) with Messrs.

Edgar Filing: EVANS BANCORP INC - Form DEF 14A

Tilley, Glass and Miller. During fiscal 2003, the Bank amended its existing SERPs with Messrs. Tilley and Glass and executed a SERP with Mr. Miller. Under the SERPs, as amended, each of Messrs. Tilley, Glass and Miller is entitled to an annual benefit payment equal to 70% of his final average earnings, currently defined as the highest average of five consecutive years out of the last ten worked, reduced by 50% of his annual Social Security benefit, the amount of his annual benefit under the Pension Plan, and the value of his annual benefit

12

attributable to employer matching contributions to the Company's 401(k) Plan, at or after attaining age 65. There are provisions for early retirement benefits after attaining age 60. Upon a participant's entitlement to a benefit under the SERP, his benefit shall be paid in the form of (i) a single life annuity with 15 payments guaranteed or (ii) a lump sum which is actuarially equivalent to the annuity form of payment in (i). The SERP also allows for designated beneficiary payment of such benefit. The Bank has purchased life insurance policies on Messrs. Tilley, Glass and Miller to assist in funding its obligations under their SERPs.

Employee Savings Plan

The Bank also maintains a 401(k) salary deferral plan to assist employees, including employees of its subsidiaries, in saving for retirement.

All employees are eligible to participate on the first of the month following date of hire. Eligible employees can contribute up to the maximum amount allowable under the Internal Revenue Code (\$12,000 in 2003). After one year of service, an automatic 1% of base pay contribution is made by the Bank and in addition, the Bank makes a matching contribution at a rate of 25% of the first 4% contributed by a participant. Participants are always 100% vested in their own contributions and the Bank's matching contribution is also 100% vested.

Individual account earnings will depend on the performance of the investment funds in which the participant invests. Specific guidelines govern adjustments to contribution levels, investment decisions and withdrawals from the plan. The benefit is paid as an annuity unless the employee elects one of the optional forms of payment available under the plan. See "Summary Compensation Table" for a summary of the amounts contributed by the Bank to this Plan for the benefit of Messrs. Tilley, Glass, DeBacker and Miller.

Deferred Compensation Plan

The Company established a non-qualified deferred compensation plan during 2003 whereby certain officers and directors may elect to defer 1% to 100% of their compensation until retirement or termination of service. The Company credits such deferrals at a rate determined at the beginning of each plan year, which is based on the prime rate then in effect. No amounts credited under the Deferred Compensation Plan have been reported for the Named Executive Officers in the "Summary Compensation Table" since the interest credited did not exceed 120% of the applicable federal long-term rate.

Executive Life Insurance Plan

The Company established a split-dollar benefit to certain officers and directors connected to a bank-owned life insurance purchase during 2003. This benefit carries with officers and directors post-retirement. See "Summary Compensation Table" for a summary of the economic benefit received by Messrs. Tilley, Glass, DeBacker and Miller.

COMPENSATION COMMITTEE INTERLOCKS
AND INSIDER PARTICIPATION

The Human Resource Committee of the Board of Directors serves as the Company's Compensation Committee. The members of the Human Resource Committee are: William F. Barrett, Phillip Brothman, LaVerne G. Hall, Nancy W. Ware and Thomas H. Waring, Jr. None of the members of the Human Resource Committee is or has been an officer or employee of the Company other than Mr. Brothman, who serves as Chairman of the Board. Mr. Brothman has also been a partner of the law firm of Hurst Brothman & Yusick, which, prior to February 2004, served as general counsel to the Company and received legal fees in exchange for such services, and is currently a partner of the law firm of Harris Beach LLP, which serves as general counsel to the Company and receives legal fees in exchange for such services. Mr. Waring, owner of Waring Financial Group, receives commissions on certain life insurance premiums paid by the Company. See "Certain Transactions."

There are no Human Resource Committee Interlocks required to be disclosed in this Proxy Statement.

HUMAN RESOURCE COMMITTEE REPORT ON
EXECUTIVE COMPENSATION

The Human Resource Committee has the responsibility of reviewing the overall compensation policies for the employees of the Bank and also establishes the compensation of Messrs. Tilley, Glass, and DeBacker, the Named Executive Officers. Mr. Miller's compensation was negotiated and approved at the time the Company acquired the business and assets of M&W Group, Inc.

The Human Resource Committee uses a base salary/hourly rate and a bonus program to determine the compensation of the Named Executive Officers, as well as the

Edgar Filing: EVANS BANCORP INC - Form DEF 14A

employees of the Bank.

The Human Resource Committee uses a system of salary grades and corresponding salary ranges to set base salary/hourly rates. Positions are assigned a salary grade on the basis of job descriptions and comparisons

14

to benchmark positions in the industry. Annually, the Human Resource Committee participates in a number of salary surveys provided by or endorsed by various bank trade association groups. The surveys summarize compensation information on a national, regional and local basis, with data furnished based upon bank asset size and geographic region. In January of each year, management presents recommendations to the Human Resource Committee to adjust the salary ranges of employees based upon this information, as well as recommended salary adjustments for the employees of the Bank. Compensation recommendations are determined based upon individual job performance, experience, and position within the salary range. Mr. Tilley, as the President and Chief Executive Officer of the Bank, makes recommendations for the compensation levels of the Senior Vice-President of the Bank, Mr. Glass, the Senior Vice President/Chief Financial Officer of the Bank, Mr. DeBacker, and the President of M&W Agency, Inc. and ENB Associates Inc., Mr. Miller. The Human Resource Committee develops recommendations for Mr. Tilley's salary based upon the same approach.

Also, in January of each year, the Human Resource Committee establishes a bonus pool for the Bank's employees based upon the financial performance of the Bank for the previous year, including such factors as the operating results compared to the operating budget, net income, the return on average assets, the return on average equity and the earnings per share, growth in loans, and growth in deposits. The Human Resource Committee then determines what amount of the bonus pool will be paid to each of Mr. Tilley and the Senior Vice Presidents, Mr. Glass and Mr. DeBacker, based upon its evaluation of each person's performance and contributions to the financial results of the Bank for the prior year. The Bank management then allocates the remainder of the bonus pool among other employees of the Bank based upon management's evaluation of individual job performance and contributions to the Bank.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Mr. Phillip Brothman is a partner of the law firm of Harris Beach LLP, with which his predecessor firm, Hurst Brothman & Yusick, merged in February 2004. Harris Beach LLP serves as general counsel to the Company and receives legal fees from the Company in exchange for such services. transactions with Directors and Executive Officers of the Company and some of their affiliates. All such transactions have been in the ordinary course of business and on substantially the same terms (including interest rates and collateral on loans) as those prevailing at the time for comparable transactions with unrelated third parties, and do not involve more than a normal risk of collectibility or present other unfavorable features.

In fiscal 2003, the Bank paid approximately \$164,700 in life insurance premiums to Massachusetts Mutual Insurance Company. Thomas H. Waring, Jr. acted as insurance agent for Massachusetts Mutual in this transaction and received approximately \$6,700 in renewal commissions on such premium payments. The

15

Bank expects that in 2004 premium payments will be made to Massachusetts Mutual and Mr. Waring will receive a similar level of renewal commissions.

PERFORMANCE GRAPH

The following Performance Graph compares the Company's cumulative total stockholder return on its common stock for a five-year period (December 31, 1998 to December 31, 2003) with the cumulative total return of the Nasdaq Composite Index and Nasdaq Bank Index. During fiscal 2003, the Company changed the indexes presented for comparative purposes. The Company believes the new indexes provide investors with more meaningful comparative information relative to the performance of the Company's common stock because the indexes include companies of more comparable size and trading exchange with Evans Bancorp. The indexes which have been replaced are reported below for comparative purposes. The Company's common stock began trading on the Nasdaq National Market on July 9, 2001. Prior to that date, the Company's common stock was not traded on an exchange, and the price information used is based upon stock prices in private transactions as disclosed to the Company for the periods indicated. The comparison for each of the periods assumes that \$100 was invested on December 31, 1998 in each of the Company's common stock, the stocks included in the Nasdaq Composite Index and the stocks included in the Nasdaq Bank Index, and that all dividends were reinvested without commissions. The Company data gives effect to all stock splits and stock dividends, including the most recent stock dividend paid to shareholders on December 1, 2003. This table does not forecast future performance of the Company's common stock.

The Audit Committee has reviewed and discussed with the Company's management and KPMG LLP, the Company's independent auditors, the audited consolidated financial statements of the Company contained in the Company's Annual Report on Form 10-K for the 2003 fiscal year. The Audit Committee has also discussed with KPMG LLP the matters required to be discussed pursuant to SAS No. 61 (Codification of Statements on Auditing Standards, AU Section 380), which includes, among other items, matters related to the conduct of the audit of the Company's consolidated financial statements.

INDEPENDENT AUDITORS

The Audit Committee of the Board of Directors has appointed KPMG LLP as the Company's independent auditors to conduct the audit of the Company's books and records for the year ending December 31, 2004. KPMG LLP also served as the Company's independent auditors for the year ended December 31, 2003. Representatives of that firm will be present at the Annual Meeting to respond to appropriate questions that may be raised, and they will have the opportunity to make a statement, if they so desire. Deloitte & Touche LLP served as the Company's independent auditors for the year ended December 31, 2002.

On March 18, 2003, the Company dismissed Deloitte & Touche LLP as its independent auditor, and on March 18, 2003, engaged KPMG LLP as its new independent auditor for the fiscal year ending December 31, 2003. The Company's Board of Directors approved the dismissal upon the recommendation of the Company's Audit Committee.

Deloitte & Touche LLP's reports on the Company's consolidated financial statements for each of the fiscal years ended December 31, 2002 and 2001 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

Edgar Filing: EVANS BANCORP INC - Form DEF 14A

During the fiscal years ended December 31, 2002 and 2001, and through the interim period ending March 18, 2003, there were no disagreements with Deloitte & Touche LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Deloitte & Touche LLP's satisfaction, would have caused Deloitte & Touche LLP to make reference to the subject matter of the disagreements in connection with its report on the Company's consolidated financial statements for such years. None of the reportable events described under Item 304(a)(1)(v) of Regulation S-K occurred within the Company's two fiscal years ended December 31, 2002 and 2001, and the subsequent interim period through March 18, 2003.

During the fiscal years ended December 31, 2002 and 2001, and through the date of the engagement of KPMG LLP, the Company did not consult KPMG LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or regarding any other matters or reportable events described under Item 304(a)(2)(i) and (ii) or Regulation S-K.

KPMG LLP did not render any services during the fiscal year ended December 31, 2003 that consisted of tax compliance, tax advice or tax planning. However, for the year ended December 31, 2003, the Company utilized an outside accounting firm, Fagliarone Group CPA's, PC for tax compliance and planning advice services for which they billed \$14,400. The aggregate fees billed by Deloitte & Touche LLP for tax service fees, including tax compliance and planning and advice were \$9,328 for the year ended December 31, 2002.

All Other Fees

Edgar Filing: EVANS BANCORP INC - Form DEF 14A

The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the principal accountant's independence.

The Audit Committee adopted a formal pre-approval policy in 2003. This policy details the types of audit, audit-related, tax and other services and the cost limits that have the general pre-approval of the Audit Committee. Unless a type of service to be provided by the independent auditors has received general pre-approval, it requires specific pre-approval by the Audit Committee. Also, any proposed services exceeding pre-approved cost levels require specific pre-approval by the Audit Committee.

OTHER MATTERS

The cost of solicitation of proxies will be borne by the Company. Solicitation other than by mail may be made by directors, officers or by regular employees of the Company, who will receive no additional compensation therefor, by personal or telephone solicitation, the cost of which is expected to be nominal.

The Board of Directors knows of no other matters to be presented for shareholder action at the meeting. However, if other matters do properly come before the meeting or any adjournments thereof, the Board of Directors intends that the persons named in the proxies will vote upon such matters in accordance with their best judgment.

Toward this end, the Audit Committee has the authority to obtain advice and assistance from outside legal, accounting, or other advisers as deemed appropriate to fully execute its duties and responsibilities.

The Company shall provide appropriate funding, as determined by the Audit Committee, for compensation to the independent auditor and to any advisers that the Audit Committee chooses to engage, and for ordinary administrative expenses of the Audit Committee that are necessary or appropriate to carrying out its duties and responsibilities.
