PROXY STATEMENT

Edgar Filing: RURBAN FINANCIAL CORP - Form DEF 14A

This proxy statement and the accompanying proxy card are being mailed to shareholders of Rurban Financial Corp. (the "Company") on or about March 10, 2005, in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting of Shareholders (the "Annual Meeting") called to be held on Thursday, April 21, 2005, or at any adjournment(s) thereof. The Annual Meeting will be held at 10:00 a.m., Eastern Daylight Savings Time, at the Eagles Club, 711 W. Second Street, Defiance, Ohio.

A proxy card for use at the Annual Meeting accompanies this proxy statement. Whether or not you plan to attend the Annual Meeting, you may ensure your representation by completing, signing, dating and promptly returning the enclosed proxy card in the envelope provided. Without affecting any vote previously taken, you may revoke your proxy at any time before it is actually voted at the Annual Meeting (1) by giving written notice of revocation to the Secretary of the Company at the address of the Company shown on the cover page of this proxy statement; (2) by executing and returning a later-dated proxy card which is received by the Company prior to the Annual Meeting; or (3) by attending the Annual Meeting and giving notice of revocation in person (but only if you are the registered owner of your common shares). ATTENDANCE AT THE ANNUAL MEETING WILL NOT, IN AND OF ITSELF, CONSTITUTE REVOCATION OF A PROXY.

Only shareholders of the Company of record at the close of business on February 22, 2005 (the "Record Date") are entitled to receive notice of, and to vote at, the Annual Meeting and any adjournment(s) thereof. At the close of business on the Record Date, 4,568,388 common shares were outstanding and entitled to vote. Each common share of the Company entitles the holder thereof to one vote on each matter to be submitted to shareholders at the Annual Meeting. A quorum for the Annual Meeting is a majority of the outstanding common shares in attendance at the Annual Meeting in person or by proxy.

Shareholders holding common shares in "street name" with a broker, financial institution or other holder of record may be eligible to appoint their proxy electronically via the Internet or telephonically and may incur costs associated with electronic access. Such shareholders should review the information provided to them by their broker or other holder of record. This information will describe the procedures to be followed in instructing the holder of record how to vote the street name common shares and how to revoke previously given instructions.

Common shares represented by properly executed proxy cards that are returned to the Company prior to the Annual Meeting will be counted toward the establishment of a quorum for the Annual Meeting even though they are marked "Abstain," "Against," "Withhold Authority" or "For All Except" or not marked at all. Brokers who hold their customers' common shares in street name may, under the applicable rules of the exchange or other self-regulatory organizations of which the brokers are members, sign and submit proxy cards for such common shares and may vote such common shares on routine matters, such as the election of directors. However, brokers who hold common shares in street name may not vote such common shares on non-routine matters, including proposals to approve equity compensation plans, without specific instructions from the customer who owns the common shares.

1

Proxy cards that are signed and submitted by brokers which have not been voted on certain matters as described in the previous sentence are referred to as "broker non-votes." Broker non-votes count toward the establishment of a quorum at the Annual Meeting.

The Company will bear the costs of preparing, printing and mailing this

Edgar Filing: RURBAN FINANCIAL CORP - Form DEF 14A

proxy statement, the accompanying proxy card and any other related materials, as well as all other costs incurred in connection with the solicitation of proxies on behalf of the Company's Board of Directors other than the Internet and telephone usage charges incurred if a shareholder appoints a proxy electronically through a holder of record. Proxies will be solicited by mail and may be further solicited, for no additional compensation, by officers, directors or employees of the Company and its subsidiaries by further mailing, by telephone or by personal contact. The Company will also pay the standard charges and expenses of brokers, voting trustees, financial institutions and other custodians, nominees and fiduciaries, who are record holders of common shares not beneficially owned by them, for forwarding materials to and obtaining proxies from the beneficial owners of common shares entitled to vote at the Annual Meeting.

If you are a participant in the Employee Stock Ownership and Savings Plan of Rurban Financial Corp. (the "Rurban ESOP and Savings Plan") and common shares have been allocated to your account in the Rurban ESOP and Savings Plan, you will be entitled to instruct the trustee of the Rurban ESOP and Savings Plan how to vote those common shares and you may receive your voting instruction card separately. If you do not provide voting instructions, the common shares allocated to your account in the Rurban ESOP and Savings Plan will not be voted.

The Annual Report to the Shareholders of the Company for the fiscal year ended December 31, 2004 (the "2004 fiscal year") is being delivered with this proxy statement.

ELECTION OF DIRECTORS

There are currently eleven individuals serving as members of the Board of Directors - four in the class whose terms expire at the Annual Meeting, three in the class whose terms expire in 2006 and four in the class whose terms expire in 2007. On September 15, 2004, upon the recommendation of the Governance and Nominating Committee, Rita A. Kissner was elected as a director of the Company. Ms. Kissner was recommended to the Governance and Nominating Committee by the directors and executive officers of the Company.

The Board of Directors has reviewed, considered and discussed each director's relationships, both direct or indirect, with the Company and its subsidiaries and the compensation and other payments, if any, each director has, both directly or indirectly, received from or made to the Company and its subsidiaries in order to determine whether such director qualifies as independent under Rule 4200(a)(15) of the Marketplace Rules of The Nasdaq Stock Market, Inc. ("Nasdaq"), and has determined that the Board of Directors has at least a majority of independent directors. The Board of Directors has determined that each of the following directors has no financial or personal ties, either directly or indirectly, with the Company or its subsidiaries (other than compensation as a director of the Company and its subsidiaries, banking relationships in the ordinary course of business with the Company's banking subsidiaries and ownership of the Company's common shares as described in this proxy statement) and thus qualifies as independent under Nasdaq Marketplace Rule 4200(a)(15): Thomas A. Buis, Thomas M. Callan, John R. Compo, John Fahl, Robert A. Fawcett, Jr., Richard L. Hardgrove, Eric C. Hench, Rita A. Kissner, Steven D. VanDemark and J. Michael Walz, D.D.S.

The Board of Directors proposes that each of the four nominees identified below be elected for a new term of three years. Each nominee was recommended to the Board of Directors by the Governance and Nominating Committee. Each individual elected as a director at the Annual Meeting will hold office for a term of three years and until his or her successor is elected and qualified, or until his or her earlier resignation, removal from office or death. Common shares represented by properly executed and returned proxy cards will be voted

Edgar Filing: RURBAN FINANCIAL CORP - Form DEF 14A

FOR the election of the Board of Directors' nominees unless authority to vote for one or more nominees is withheld. If a nominee who would otherwise receive the required number of votes becomes unavailable or unable to serve as a director, the individuals designated as proxy holders reserve full discretion to vote the common shares represented by the proxies they hold for the election of the remaining nominees and for the election of any substitute nominee designated by the Board of Directors. The Board of Directors has no reason to believe that any of the nominees named below will not serve if elected.

The following table gives certain information, as of the Record Date, concerning each nominee for election as a director of the Company. Unless otherwise indicated, each person has held his or her principal occupation for more than five years.

RECOMMENDATION AND VOTE

Under Ohio law and the Company's Code of Regulations (as amended), the four nominees receiving the greatest number of votes will be elected.

Common shares represented by properly executed and returned proxy cards will be voted FOR the election of the Board of Directors' nominees named above unless authority to vote for one or more nominees is withheld. Shareholders may withhold authority to vote for the entire slate as nominated or, by writing the name of one or more nominees on the line provided on the proxy card, withhold the authority to vote for one or more nominees. Common shares as to which the authority to vote is withheld and broker non-votes will be counted for quorum purposes, but will not be counted toward the election of directors or toward the election of the individual nominees specified on the proxy card.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF THE NOMINEES NAMED ABOVE.

MEETINGS OF AND COMMUNICATIONS WITH THE BOARD OF DIRECTORS

The Board of Directors of the Company held a total of thirteen meetings during the 2004 fiscal year. Each incumbent director attended 75% or more of the aggregate of the number of meetings held by the Board of Directors and the number of meetings held by the Board committees on which he or she served, except for John Fahl who attended 69%. In accordance with the Nasdaq Marketplace Rules, the independent directors meet in executive session as appropriate matters for their consideration arise.

The Company encourages all incumbent directors and director nominees to attend each annual meeting of shareholders. All of the incumbent directors and director nominees (other than Ms. Kissner) attended the Company's last annual meeting of shareholders held on April 26, 2004. Ms. Kissner did not attend the Company's last annual meeting of shareholders as she did not join the Company's Board of Directors until September 15, 2004.

Although the Company has not to date developed formal processes by which shareholders may communicate directly with directors, it believes that the informal process, in which any communication sent to the Board either generally or in care of Valda Colbart, the Company's Investor Relations Manager, or another corporate officer is forwarded to all members of the Board, has served the needs of the Board and the Company's shareholders. There is no screening process, and all shareholder communications that are received by officers for the Board's attention are forwarded to the Board.

8

Any communication to the Board may be mailed to the Board, in care of Valda Colbart, the Company's Investor Relations Manager, at the Company's headquarters, 401 Clinton Street, Defiance, Ohio 43512. The mailing envelope must contain a clear notation indicating that the enclosed letter is a "Shareholder-Board Communication" or "Shareholder-Director Communication." In

Edgar Filing: RURBAN FINANCIAL CORP - Form DEF 14A

addition, communication via the Company's website at www.rurbanfinancial.net may be used. All such communications, whether via mail or the website, must identify the author as a shareholder and clearly state whether the intended recipients are all members of the Board or just certain specified individual directors. The Investor Relations Manager will make copies of all such communications and circulate them to the appropriate director or directors without any screening.

The function of the Compensation Committee is to review and recommend to the Board of Directors of the Company the salary, bonus and other cash compensation to be paid to, and the other benefits to be received by, the Company's executive officers, including the President and Chief Executive Officer. The Compensation Committee also evaluates and makes recommendations regarding the compensation of the directors, including their compensation for services on Board committees. The Audit Committee is organized and conducts its business pursuant to a written charter adopted by the Board of Directors. At least annually, the Audit Committee reviews and reassesses the adequacy of its charter and recommends changes to the full Board of Directors as necessary. The purposes of the Audit Committee are to assist the Board of Directors in its oversight of:

- the accounting and financial reporting principles and policies and the internal accounting and disclosure controls and procedures of the Company and its subsidiaries;
- the Company's internal audit function;
- the certification of the Company's quarterly and annual financial statements and disclosures; and
- the Company's consolidated financial statements and the independent audit thereof.

The Audit Committee is also directly responsible for the appointment, compensation, retention and oversight of the work of the independent registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attestation services. The independent registered public accounting firm reports directly to the Audit Committee. The Audit Committee evaluates the independence of the independent registered public accounting firm on an ongoing basis. Additionally, the Audit Committee reviews and pre-approves all audit services and permitted non-audit services provided by the independent registered public accounting firm to the Company or any of its subsidiaries and ensures that the independent registered public accounting firm is not engaged to perform the specific non-audit services prohibited by law, rule or regulation. The Audit Committee is also responsible for establishing procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, including the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters. The Audit Committee's report relating to the 2004 fiscal year begins at page 25.

Edgar Filing: RURBAN FINANCIAL CORP - Form DEF 14A

each member of the Governance and Nominating Committee qualifies as independent under Nasdaq Marketplace Rule 4200(a)(15). The function of the Governance and Nominating Committee is to assist the Board of Directors in identifying qualified individuals to become directors of the Company and its subsidiaries, determining the composition of the boards of directors and their committees, monitoring a process to assess the effectiveness of the boards of directors and developing and implementing the Company's corporate governance guidelines. The Governance and Nominating Committee also evaluates the performance of the current members of the Company's Board of Directors on an annual basis. The Governance and Nominating Committee met four times during the 2004 fiscal year. The Governance and Nominating Committee Charter of the Company is posted on the Company's website at www.rurbanfinancial.net.

NOMINATING PROCEDURES

As described above, the Company has a standing Governance and Nominating Committee that has the responsibility to identify and recommend individuals qualified to become directors. The Governance and Nominating Committee selected the nominees for re-election as directors at the Company's Annual Meeting. When considering potential candidates for the Board of Directors, the Governance and Nominating Committee strives to assure that the composition of the Board of Directors, as well as its practices and operation, contribute to value creation and to the effective representation of the Company's shareholders. The Governance and Nominating Committee may consider those factors it deems appropriate in evaluating director candidates including judgment, skill, strength of character and experience. Depending upon the current needs of the Board of Directors, certain factors may be weighed more or less heavily by the Governance and Nominating Committee.

In considering candidates for the Board of Directors, the Governance and Nominating Committee evaluates the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met by a nominee. However, the Governance and Nominating Committee strives to select candidates who have the highest personal and professional integrity; who have demonstrated exceptional ability and judgment; who shall be most effective, in conjunction with the other members of the Board, in serving the long-term interests of the Company's shareholders; who can devote the necessary time to serve as a director; and who have a working knowledge of financial statements and a sense of proper corporate governance. In addition, no person who is 70 years old or older will be eligible to be elected or re-elected to the Board of Directors.

The Governance and Nominating Committee considers candidates for the Board of Directors from any reasonable source, including shareholder recommendations. The Governance and Nominating Committee does not evaluate candidates differently based on who has made the recommendation. The Governance and Nominating Committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates. The Chairman of the Board of Directors of the Company (Steven D. VanDemark) receives an additional annual cash retainer of \$12,000 paid in twelve monthly installments of \$1,000. Each non-employee director also receives an annual cash retainer of \$500 for each committee of the Board of Directors on which he or she serves, except that members of the Executive-Compliance Committee receive an annual cash retainer of \$1,000 and the member of the Audit Committee designated as the "audit committee financial expert" (Richard L. Hardgrove) receives an annual cash retainer of \$3,500. Each non-employee director also receives \$100 for each meeting of a committee of the Board of Directors attended, except that members of the Executive-Compliance Committee receive \$250 for each meeting attended.

Each non-employee director of the Company also serves on the board of directors of one or more of the Company's subsidiaries, and receives an annual

Edgar Filing: RURBAN FINANCIAL CORP - Form DEF 14A

cash retainer for such service as well as fees for attendance at meetings of the board of directors of the appropriate Company subsidiary (and committees of that board). The following table summarizes the aggregate amount of fees paid in cash to each incumbent non-employee director of the Company for service on the board of directors of a subsidiary of the Company (and committees of that board) during the 2004 fiscal year:

Name	Aggregate Subsidiary Fees	Name	Aggregate Subsidiary Fees

Robert A. Fawcett, Jr.	\$ 8,850	J. Michael Walz, D.D.S	\$ 18,500

From time to time, non-employee directors of the Company also receive options to purchase common shares of the Company. These options are awarded under the Rurban Financial Corp. Stock Option Plan at the discretion of the Compensation Committee. During the 2004 fiscal year, each non-employee director, except Mr. VanDemark received an option to purchase 5,000 common shares of the Company. Mr. VanDemark received an option to purchase 10,000 common shares of the Company. The other directors (Messrs. Joyce, Constien, Adams and Thiemann) also received options during the 2004 fiscal year as described under "COMPENSATION OF EXECUTIVE OFFICERS--GRANTS OF OPTIONS."

RURBAN FINANCIAL CORP. PLAN TO ALLOW DIRECTORS TO ELECT TO DEFER COMPENSATION

On March 12, 1997, the Board of Directors of the Company adopted the Rurban Financial Corp. Plan to Allow Directors to Elect to Defer Compensation (the "Deferred Compensation Plan"). The purpose of the Deferred Compensation Plan is to advance the interests of the Company and its shareholders by allowing the directors of the Company and/or its subsidiaries an opportunity to elect to defer payment of all or a portion of their compensation received for their services as directors.

The Plan is administered by the Board of Directors of the Company. Subject to the express provisions of the Plan, the Board has sole discretion and authority to determine from time to time the individuals eligible to participate in the Plan.

Each director of the Company and its subsidiaries is eligible to participate in the Plan by electing to defer the receipt of all or a portion of the compensation to be received by such director or otherwise payable to him during any calendar year.

As of this date, no director of the Company or its subsidiaries has opted to participate in the Plan.

TRANSACTIONS INVOLVING MANAGEMENT

During the 2004 fiscal year, executive officers and directors of the Company (including certain executive officers of the Company's subsidiaries), members of their immediate families and corporations or organizations with which

Edgar Filing: RURBAN FINANCIAL CORP - Form DEF 14A

they are affiliated entered into banking transactions with the Company's subsidiaries (State Bank, RDSI and RFS) in the ordinary course of their respective businesses and in compliance with applicable federal and state laws and regulations. It is expected that similar transactions will be entered into in the future. Loans to such persons have been made on substantially the same terms, including the interest rate charged and collateral required, as those prevailing at the time for comparable transactions with persons not affiliated with the Company or its subsidiaries and all such loans comply with Regulation O of the federal banking laws and comparable laws of the State of Ohio. These loans have been, and are presently, subject to no more than a normal risk of uncollectibility and present no other unfavorable features. The amount of loans to directors and executive officers of the Company (including certain executive officers of the Company's subsidiaries) and their associates as a group at December 31, 2004, was \$3,958,771. As of the date hereof, all of such loans were performing loans.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

Kenneth A. Joyce and James E. Adams received compensation from the Company for services rendered during the 2004 fiscal year in their capacities as executive officers of the Company and one or more of its subsidiaries. Robert W. Constien and Henry R. Thiemann received compensation from State Bank for services rendered during the 2004 fiscal year in their capacities as executive officers of State Bank.

The Compensation Committee is comprised of five independent directors. The Compensation Committee reviews and recommends to the full Board of Directors the salaries, bonuses and other cash compensation to be paid to, and the other benefits to be received by, the executive officers of the Company. The Compensation Committee has developed, implemented and maintains an executive compensation program that supports the overall objectives and performance of the Company and provides compensation levels that enable the organization to attract, retain and reward competent executive officers.

14

Compensation Policies Toward Executive Officers

In determining the compensation of the executive officers of the Company, the Compensation Committee has sought to create a compensation program which is competitive with programs of a peer group of similar organizations and that links compensation to financial performance, rewards above-average corporate performance and recognizes individual contributions and achievements. There are two components of the annual cash compensation program for the executive officers of the Company: (1) a base salary component; and (2) an incentive bonus component payable under the Rurban Financial Corp. Incentive Compensation Plan (the "Incentive Compensation Plan") which directly links bonuses to the financial performance of the Company.

During 2004, 2003 and 2002, the Compensation Committee utilized the services of L.R. Webber Associates, Inc. ("Webber"), a regionally recognized independent compensation consulting company, to review and to make recommendations regarding the competitiveness and effectiveness of the Company's executive compensation program. As part of that review, Webber was requested to review executive compensation programs of banking organizations that shared one or more common traits with the Company (such as asset size and geographic location). The information and recommendations of Webber have been utilized by the Compensation Committee and the Board of Directors.

Salaries

Edgar Filing: RURBAN FINANCIAL CORP - Form DEF 14A

The determination of the base salaries of the executive officers of the Company is based upon an overall evaluation of a number of factors, including a subjective evaluation of individual performance, contributions to the Company and its subsidiaries, analysis of how the Company's and its subsidiaries' compensation of its employees compares to compensation of individuals holding comparable positions with companies of similar asset size and complexity of operations. Peer group compensation was the primary factor in setting of the salary of the executive officers of the Company for the 2004 fiscal year.

The salary paid to Mr. Joyce for services rendered in his capacities as President and Chief Executive Officer of the Company during the 2004 fiscal year represented no increase over the salary paid with respect to the 2003 fiscal year. Mr. Joyce did not receive a salary for services rendered in his capacity as Chairman and Chief Executive Officer of RDSI.

The salary paid to Mr. Constien for services rendered in his capacities as President and Chief Executive Officer of State Bank during the 2004 fiscal year represented no increase over the salary paid with respect to the 2003 fiscal year. Mr. Constien did not receive a salary for services rendered in his capacity as Chairman of RFS.

The salary paid to Mr. Adams for services rendered in his capacities of Executive Vice President and Chief Financial Officer of the Company during the 2004 fiscal year represented no increase over the salary paid with respect to the 2003 fiscal year.

The salaries paid to Mr. Thiemann for services rendered in his capacities of Executive Vice President and Chief Operating Officer of State Bank during the 2004 fiscal year represented no increase over the salary paid with respect to the 2003 fiscal year. Mr. Thiemann did not receive a salary for services rendered in his capacity as President and Chief Executive Officer of RFCBC, Inc.

15

Incentive Compensation

In 2004, the Company implemented the Incentive and Compensation Plan, linking executive officers' incentive compensation directly to the Company's performance. The Incentive Compensation Plan is designed to better match incentive compensation to shareholder value. The Incentive Compensation Plan increases the "at-risk" portion of executive officer total compensation by directly linking a greater percentage of executive officers' total compensation to the Company's performance and thereby to shareholder value.

For Messrs. Joyce, Constien, Adams and Thiemann to receive bonus payouts under the Incentive Compensation Plan, the Company must meet or exceed its budget and State Bank, RDSI and RFS must obtain a "Satisfactory" rating or better on examinations and significant audits.

Messrs. Joyce, Constien, Adams and Thiemann received no bonuses under the Incentive Compensation Plan for fiscal year 2004.

Stock Option Plan

The Company believes that it is also important to provide compensation which serves to be an incentive for long-term corporate financial performance. In that regard, the Board of Directors of the Company adopted, and the shareholders of the Company approved, the Rurban Financial Corp. Stock Option Plan (the "Stock Option Plan"). Under the Stock Option Plan, directors, officers and other key employees of the Company and its subsidiaries have been

Edgar Filing: RURBAN FINANCIAL CORP - Form DEF 14A

selected by the Compensation Committee to receive awards. The Stock Option Plan authorizes the granting of (i) incentive stock options (as defined in Section 422 of the Internal Revenue Code), (ii) non-qualified stock options and (iii) stock appreciation rights. The purpose of the Stock Option Plan is to encourage participants to acquire or increase and retain a financial interest in the Company, to remain in the service of the Company, and to put forth maximum efforts for the success of the Company, and to enable the Company and its subsidiaries to compete effectively for the services of potential employees and directors by furnishing an additional incentive to join the service of the Company and its subsidiaries. Each option awarded under the Stock Option Plan has an exercise price equal to 100% of the fair market value of the Company's common shares on the date of grant. If there is no appreciation in the market value of the common shares, the options will be valueless. Thus, in contrast to the base salary and incentive components of compensation, option grants are tied directly to the price performance of the Company's common shares.

During the 2004 fiscal year, the Compensation Committee administered the Stock Option Plan and approved the grant of options covering an aggregate of 177,000 common shares to the directors, executive officers and sixty-four key employees of the Company and its subsidiaries. The options awarded to the Company's executive officers are described in table under "GRANTS OF OPTIONS." No stock appreciation rights have ever been awarded under the Stock Option Plan.

Rurban ESOP and Savings Plan

The officers and employees of the Company and its subsidiaries are encouraged to maintain a significant long-term stock ownership position with the Company. This has been fostered not only through the grant of options under the Stock Option Plan, but also by the Rurban ESOP and Savings Plan. The Rurban ESOP and Savings Plan has two main components - an employee stock ownership component and a 400(k) component. With respect to the employee stock ownership component, each year the Company and its subsidiaries may contribute an amount in cash and/or Company common shares determined by the Compensation Committee to the Rurban ESOP and Savings Plan. The contribution is

16

allocated to the accounts of participants pro rata based on the amount of the participant's compensation. The Company and its subsidiaries contributed an aggregate amount of \$430,000 to the Rurban ESOP and Savings Plan with respect to the 2004 fiscal year. Each of Messrs. Joyce, Constien, Adams and Thiemann participates in the Rurban ESOP and Savings Plan. As of the date of this Proxy Statement, no determination has been made as to the amount to be allocated to the accounts of Messrs. Joyce, Constien, Adams and Thiemann under the Rurban ESOP and Savings Plan with respect to the 2004 fiscal year.

With respect to the 401(k) component of the Rurban ESOP and Savings Plan, three types of contributions are contemplated: (1) pre-tax elective deferral contributions by each participant of a percentage of his or her annual compensation; (2) matching contributions made by the employer in cash in an amount determined by the Board of Directors, upon recommendation of the Compensation Committee; and (3) qualified rollover contributions by a participant from another qualified plan. The Board of Directors, upon recommendation of the Compensation Committee has determined that for the 2004 fiscal year, the amount of the matching contributions to be made on behalf of each participant in the Rurban ESOP and Savings Plan is 50% of the amount of such participant's pre-tax elective deferral contributions, but only upon that portion of his or her pre-tax elective deferral contributions which did not exceed 6% of his or her annual compensation. Matching contributions in the amount of \$6,892, \$5,127, \$4,635 and \$4,752 were made on behalf of Messrs. Joyce, Constien, Adams and Thiemann, respectively, to match their respective

Edgar Filing: RURBAN FINANCIAL CORP - Form DEF 14A

2004 pre-tax elective deferral contributions made to the Rurban ESOP and Savings Plan.

SALARY CONTINUATION AGREEMENTS

The Company has entered into Executive Salary Continuation Agreements (the "Agreements") with Kenneth A. Joyce, Robert W. Constien and Henry R. Thiemann. Under the Agreements, if the executive officer remains in the continuous employment of the Company until the first December 31st after his 65th birthday (unless by action of the Board of Directors, his period of active employment with the Company for purposes of the Agreement is shortened or extended), he is to retire as of that date. Upon such retirement, such executive officer (and, upon his death, his designated beneficiary) will be entitled to receive an annual benefit equal to 15% of his annual base salary as in effect immediately prior to his retirement in equal monthly installments (of 1/12th of the annual benefit) for a period of 180 months. If the executive officer dies while actively employed by the Company prior to his retirement, the Company will pay an annual benefit equal to 15% of his annual base salary as in effect immediately prior to his death in equal monthly installments (of 1/12th of the annual benefit) for a period of 180 months to his designated beneficiary. In the event that the executive officer's employment is terminated as a result of his voluntary action, the Agreement will terminate immediately on the date of such termination of employment and the Company will pay to such executive officer as severance compensation monthly for fifteen years an amount of money on an annual basis equal to: (a) 5% of such executive officer's annual base salary as in effect immediately prior to the date of his termination of employment, if, at the termination date, such executive officer is between age 55 and 60; (b) 10% of such annual base salary if, at the termination date, such executive officer is between age 60 and 65; and (c) 15% of such annual base salary if (i) at the termination date, such executive officer is age 65 or over; (ii) such termination of employment occurs after there has been a change in control of the ownership of the Company; or (iii)

such termination of employment occurs after the Company merges or consolidates

Edgar Filing: RURBAN FINANCIAL CORP - Form DEF 14A

with another company or organization, permits its business activities to be taken over by another organization, ceases its business activities or terminates its existence. If the Company discharges the executive officer for cause, no compensation will be payable to him under the terms of the Agreement. The executive officer will not receive any benefits under the Agreement if he engages in any activity that directly or indirectly competes with the Company's interest, within 25 miles of any office of the Company and its subsidiaries existing at the time of his retirement or termination of employment. The payment of the benefits contemplated by the Agreement will be accelerated if, after such executive officer's retirement, the leverage capital ratio and/or the risk-based capital ratio of the Company fall below the minimum ratios established by the Company's regulatory authority for well-capitalized bank holding companies and/or the Company fails to have net income in any two successive fiscal years.

CHANGE IN CONTROL AGREEMENTS

The Company also maintains change in control agreements with Kenneth A. Joyce, Robert W. Constien and Henry R. Thiemann. Under these agreements, the named executives will receive (a) a cash payment equal to twice the executive's base salary for the year the change in control occurs or for the preceding calendar year, whichever is highest (this amount is payable whether or not the executive's employment terminates after the change in control) and (b) if the executive's employment is terminated within one year after the change in control, the Company also is obliged to continue the executive's life, health and disability insurance coverage ("insurance benefits") for the shorter of 24 months after employment terminates or the date the executive is employed by another employer, whether or not that employer provides comparable coverage. However, none of these benefits are due if the change in control occurs after the executive reaches age 65 and the insurance benefits are not due if the Executive's employment is terminated because of personal dishonesty, incompetence (i.e., the Executive's failure to perform his duties as measured against prevailing standards in the Ohio banking industry), material breach of the agreement, breach of a fiduciary duty involving personal gain or profit, intentional failure to perform stated duties, willful and material breach of the policies and procedures for the operation of the Company provided to the executive by formal action of the Board of Directors, willful violation of any law, rule, regulation (other than a law, rule or regulation relating to traffic violations or similar offenses) or final cease-and-desist order or willful misconduct. For purposes of these payments, a "change in control" means (a) the acquisition by a person or persons acting in concert of the power to vote twenty-five percent or more of a class of the Company's voting securities, (b) the acquisition by a person of the power to direct the Company's management or policies, if the Board of Director has made a determination that such acquisition constitutes or will constitute an acquisition of control of the Company for the purposes of the Bank Holding Company Act or the Change in Bank Control Act and the regulations thereunder, (c) during any period of two consecutive years during the term of the agreement, individuals who at the beginning of which period constitute the Board of Directors of the Company cease for any reason to constitute at least a majority thereof, unless the election of each director who was not a director at the beginning of such period has been approved in advance by directors representing at least two-thirds of the directors then in office who were directors in office at the beginning of the period, (d) the Company shall have merged into or consolidated with another corporation, or merged another corporation into the Company on a basis whereby less than fifty percent of the total voting power of the surviving corporation is represented by shares held by former shareholders of the Company prior to such merger or consolidation, or (e) the Company shall have sold substantially all of its assets to another person.

During the 2004 fiscal year, the Audit Committee met eight times and discussed the interim financial and other information contained in each quarterly earnings release and periodic SEC filings with management and BKD, LLP ("BKD") the independent registered public accounting firm employed by the Company for the 2004 fiscal year.

BKD is responsible for auditing the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and issuing its report on the Company's consolidated financial statements and its attestation report on management's assessment of the effectiveness of the Company's internal control over financial reporting.

Review and Discussion With Independent Registered Public Accounting Firm and Internal Auditors

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from BKD a formal written statement describing all relationships between the Company and BKD that might bear on BKD's independence consistent with Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, discussed with BKD any relationships or services that may impact the objectivity and independence of BKD and satisfied itself as to BKD's independence. The Audit Committee also discussed with management and BKD the adequacy and effectiveness of the Company's internal control over financial reporting and related accounting and financial controls, and the internal audit function's organization, responsibilities, budget and staffing. The Audit Committee reviewed with both BKD and the internal auditors their respective audit plans, audit scope and identification of audit risks.

In addition, the Audit Committee discussed and reviewed with BKD all communications required by the standards of the Public Company Accounting Oversight Board (United States), including those described in Statement on Auditing Standards No. 61 and 90, Communication with Audit Committees, and, with and without management present, discussed and reviewed the results of BKD's examination of the Company's consolidated financial statements.
