Item 1.01. Entry into a Material Definitive Agreement

On November 17, 2005, United Bankshares, Inc. (United) entered into a data processing services agreement (the Agreement) with Fiserv Solutions, Inc. (Fiserv). Although the previous data processing services agreement with Fiserv expired under its own terms on December 31, 2004, United and Fiserv agreed to operate on a month-to-month basis regarding data processing services while negotiating the Agreement. The Agreement is retroactive to January 1, 2005 (the Effective Date). However, the data processing expenses United has incurred during the first nine months of 2005 will not be affected by the retroactive treatment of the Agreement and thus remain the same as reported.

Pursuant to the Agreement, the services provided by Fiserv to United and its subsidiaries generally will include, but are not limited to, deposit and loan account processing services, general ledger processing services, electronic banking services, related hardware and software products, and system development services. The initial term of the Agreement is seven (7) years commencing on the Effective Date, subject to automatic extensions of one year unless written notice of non-renewal is provided by either party at least 365 days prior to expiration of the initial term.

Under the Agreement, United is obligated to pay Fiserv a minimum monthly fee of \$151,673. The minimum monthly fee is subject to periodic increase but not decrease, based on account processing volumes and inflation during the term of the Agreement.

United intends to file a request with the Securities and Exchange Commission for confidential treatment of portions of the Agreement which it believes contain confidential proprietary business information. United will file a Form 8-K at a later date disclosing the sections of the Agreement that will not be subject to its request for confidential treatment.
