ITEM 4.02

NON-RELIANCE ON PREVIOUSLY ISSUED FINANCIAL STATEMENTS OR A RELATED AUDIT REPORT OR COMPLETED INTERIM REVIEW.

(a) On July 31, 2006, the Audit Committee of the Board of Directors approved management's recommendation that the Company's consolidated financial statements and related disclosures (i) for the fiscal year ended January 28, 2006, and (ii) for the periods ended April 29, 2006, October 29, 2005 and July 30, 2005 be restated in response to comments from the Staff of the Securities and Exchange Commission primarily related to the fair value of the warrants and that such previously filed financial statements and the associated report of our independent registered public accounting firm should no longer be relied upon. The Company will revise its accounting related to the fair value of warrants by eliminating the application of a block sale discount. This matter was discussed by management with the Company's independent registered public accounting firm.
