Item 1.01 Entry into a Material Definitive Agreement.

On April 6, 2009, the Board of Directors (the Board) of PowerSecure International, Inc., a Delaware corporation (the Company), upon the recommendation of the Nominating and Corporate Governance Committee of the Board (Corporate Governance Committee), authorized and approved a new form of Indemnification Agreement between the Company and each of its directors and executive officers, which replaces and supersedes the prior form of Indemnification Agreement.

As permitted by Section 145 of the General Corporation Law of the State of Delaware (the DGCL), the Company s Amended and Restated By-Laws provide that the Company shall indemnify its directors, officers, employees and agents to the extent permitted by the DGCL. These Indemnification Agreements require the Company to indemnify its directors and executive officers against certain liabilities that may arise against them by reason of their status or service as officers or directors of the Company, to the fullest extent permitted by Delaware law, and to advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified. The Company also maintains insurance policies covering its officers and directors under which the insurer has agreed to pay the amount of any claim made against the officers or directors that such officers or directors may otherwise be required to pay or for which the Company is required to indemnify such officers and directors, subject to certain exclusions and conditions, up to policy limits. The Company believes these agreements and insurance policies are necessary to attract and retain qualified individuals to serve as directors and executive officers.

The form of Indemnification Agreement is filed herewith as Exhibit 10.1 and incorporated herein by reference. The foregoing description thereof is qualified in its entirety by reference to, and should be read in conjunction with, such exhibit.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On April 6, 2009, the Board, upon the recommendation of the Corporate Governance Committee, adopted and approved, effective immediately, the Amended and Restated By-Laws of the Company (the Restated By-Laws). The Restated By-Laws revise the procedures (the Advance Notice Procedures) for stockholders to propose business or to make nominations for the election of directors to be considered at an annual meeting of the stockholders. The Advance Notice Procedures, as revised, among other things:

change the requirement for stockholders to provide advance notice of stockholder proposals or nominations at an annual meeting to provide that such advance notice shall be delivered to the principal executive offices of the Company not less than 90 days nor more than 120 days prior to the first anniversary of the preceding year s annual meeting, subject to certain conditions;

expand the required disclosure requirements for stockholders making proposals or nominations to include, among other things, all ownership interests, hedges, economic incentives and rights to vote any shares of any security of the Company;

require stockholders nominating directors to disclose the same information about a proposed director nominee that would be required if the director nominee were submitting a proposal and any material relationships between the stockholder proponents and their affiliates, on the one hand, and the director nominees and their affiliates, on the other hand;

expand disclosures regarding proposed business to include a reasonably detailed description of all agreements, arrangements and understandings between proposing persons and other stockholders of the Company in connection with the proposed business; and

expand disclosures regarding proposed business to include a reasonably detailed description of all agreements, arrangements and understandings between proposing persons and other stockholders of the Company in connection with the proposed business.

A copy of the Restated By-Laws is filed herewith as Exhibit 3.1 and incorporated herein by reference. The foregoing description of the Restated By-Laws is qualified in its entirety by reference to, and should be read in conjunction with, such exhibit.
