ITEM 1 -- ELECTION OF TRUSTEES

The Board of Trustees, which oversees each Trust, provides broad supervision over the affairs of each Trust. Those Trustees who are not "interested persons" (as defined in the Investment Company Act of 1940, as amended (the "1940 Act")) of your Trust or of MFS are referred to as "Independent Trustees" throughout this Proxy Statement. MFS is responsible for the investment management of each Trust's assets and for providing a variety of other administrative services to each Trust. The officers of each Trust are responsible for its operations.

The Board has fixed the number of Trustees of each Trust at twelve. Under the provisions of each Trust's Declaration of Trust, the Trustees are divided into three classes, each having a term of three years. The Nomination and Compensation Committee has recommended that the Board nominate for election by shareholders Robert E. Butler, David H. Gunning, Robert C. Pozen and J. Dale Sherratt as Trustees of the class whose term will expire at the 2009 Annual Meeting of Shareholders (or special meeting in lieu thereof) of each Trust, and the Board of Trustees has nominated such individuals. Each nominee is presently a Trustee of each Trust and has agreed to serve as a Trustee of each Trust if elected. The Board of Trustees recommends that you vote in favor of their election.

It is intended that proxies not limited to the contrary will be voted in favor of electing Messrs. Butler, Gunning, Pozen and Sherratt. If, before the Meeting, any nominee refuses or is unable to serve, or if any of the nominees

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

is unavailable at the time of the Meeting, and such refusal or inability to serve or unavailability is not anticipated, the Trustees may vote for other nominees at their discretion, or the Trustees may fix the number of Trustees at fewer than twelve for a Trust. Under the terms of each Trust's retirement policy, the Trustees have a mandatory retirement age of 73 years.

The following table presents certain information regarding the current Trustees of each Trust, including their principal occupations, which, unless specific dates are shown, are of more than five years duration, although the titles may not have been the same throughout.

In 2004 and 2005, MFS paid Mr. Butler a total of \$351,119.29.

Each current Trustee listed above serves as a board member of 99 funds within the MFS Family of Funds. The address of each Trustee and of each Advisory Trustee is c/o MFS, 500 Boylston Street, Boston, Massachusetts 02116.

Information about each Trust, including information about its investment adviser and administrator, independent registered public accounting firm, executive officers, and the interests of certain persons appears under "Trust Information" beginning on page 17.

REQUIRED VOTE. For each Trust, approval of this matter as to any nominee will require the affirmative vote of a plurality of a Trust's outstanding shares voting at the Meeting in person or by proxy. For MFS Municipal Income Trust, the preferred and common shares vote together as a single class.

THE TRUSTEES OF THE TRUSTS UNANIMOUSLY RECOMMEND THAT THE SHAREHOLDERS OF THE TRUSTS VOTE TO ELECT EACH OF THE NOMINEES AS TRUSTEES OF EACH TRUST.

** The Board of Trustees established the Services Contracts Committee on September 27, 2005. For the period prior to September 27, 2005, the functions of the Services Contracts Committee were performed by the Fund's Audit Committee.

The Trustees generally hold at least nine regular meetings each calendar year. These regular meetings take place over a two-day period. The performance and operations of each of the Trusts is reviewed by the Trustees at each meeting and more in-depth reviews of particular Trusts are conducted by the Trustees throughout the year. MFS Charter Income Trust and MFS Government Markets Income Trust each held 10 Board meetings during the fiscal year ended November 30, 2005. MFS Intermediate Income Trust, MFS Multimarket Income Trust, MFS Municipal Income Trust and MFS Special Value Trust each held 10 Board meetings during the fiscal year ended October 31, 2005. Each Trustee attended at least 75% of the Board and applicable committee meetings noted for each Trust.

AUDIT COMMITTEE

Each Trust's Audit Committee consists only of Independent Trustees and Trustees who are independent of the Trust as defined by New York Stock Exchange Listing Standards. Each Trust's Audit Committee's report on the Trust's most recent audited financials is included below. Each Trust's Board has adopted a written charter for the Audit Committee that is attached as Exhibit 1 to this proxy. The charter was approved by the Committee on April 27, 2004 and amended by the Committee as of December 15, 2005.

NOMINATION AND COMPENSATION COMMITTEE

The Trustees have adopted a written charter for the Nomination and Compensation Committee. Although the Trusts currently do not maintain a website on which the charter is available, the charter was attached as an exhibit to the 2004 proxy statement.

Each Trust's Nomination and Compensation Committee consists only of Independent Trustees and Trustees who are independent of the Trust as defined by New York Stock Exchange Listing Standards.

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

The Nomination and Compensation Committee requires that Trustee candidates have a college degree or equivalent business experience, but has not otherwise established specific, minimum qualifications that must be met by an individual to be considered by the Committee for nomination as a Trustee. The Nomination and Compensation Committee may take into account a wide variety of factors in considering Trustee candidates, including, but not limited to: (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities to the Board; (ii) relevant industry and related experience; (iii) educational background; (iv) financial expertise; (v) an assessment of the candidate's ability, judgment and expertise; (vi) overall diversity of the composition of the Board; and (vii) such other factors as the Committee deems appropriate. The Nomination and Compensation Committee may consider candidates for Trustee recommended by each Trust's current Trustees, officers or shareholders or by MFS or any other source deemed appropriate by the Nomination and Compensation Committee. The Nomination and Compensation Committee may, but is not required to, retain a third-party search firm at the applicable Trust's expense to identify potential candidates.

The Nomination and Compensation Committee will review and consider nominees recommended by shareholders to serve as Trustee, provided that the recommending shareholder follows the Procedures for Shareholders to Submit Nominee Candidates, which are set forth as Appendix B to the Trusts' Nomination and Compensation Committee Charter (which was attached as an exhibit to the proxy statement for the 2004 Annual Meeting of Shareholders of each Trust). Among other requirements, these procedures provide that the recommending shareholder must submit any recommendation in writing to the Trust, to the attention of the Trust's Secretary, at the address of the principal executive offices of the Trust. Any recommendation must include certain biographical information and other information regarding the candidate and the recommending shareholder, and must include a written and signed consent of the candidate to be named as a nominee and to serve as a Trustee if elected. The foregoing description is only a summary.

The Nomination and Compensation Committee has full discretion to reject nominees recommended by shareholders, and there is no assurance that any such person properly recommended and considered by the Committee will be nominated for election to the Board of a Trust.

SHARE OWNERSHIP

As of August 7, 2006, the Trustees and officers of each Trust as a whole owned less than 1% of the outstanding shares of any class of any Trust.

The following table shows the dollar range of equity securities beneficially owned by each nominee (a) of each Trust and (b) on an aggregate basis, in all MFS funds overseen, by the nominee, as of August 7, 2006.

SHAREHOLDER COMMUNICATIONS WITH THE BOARD OF TRUSTEES

The Board of Trustees of each Trust has adopted procedures by which shareholders may send communications to the Board. Shareholders may mail written communications to the Board to the attention of the Board of Trustees, [Name of Trust], c/o Massachusetts Financial Services Company, 500 Boylston Street, Boston, Massachusetts 02116, Attention: Frank Tarantino, Independent Chief Compliance Officer. Shareholder communications must (i) be in writing and be signed by the shareholder, (ii) identify the MFS Trust to which they relate and (iii) identify the class and number of shares held by the shareholder. The Fund's Independent Chief Compliance Officer ("ICCO") is responsible for reviewing all properly submitted shareholder communications. The ICCO shall either (i) provide a copy of each properly submitted shareholder communication to the Board at its next regularly scheduled meeting or (ii) if the ICCO determines that the communication requires more immediate attention, forward the communication to the Chair of the Trustees promptly after receipt. The ICCO may, in good faith, determine that a shareholder communication should not be provided to the Board because it is ministerial in nature (such as a request for Trust literature, share data or financial information). The ICCO may in such cases forward the communication to the appropriate party or parties at MFS. These procedures do not apply to (i) any communication from an officer or Trustee of the Trust, (ii) any communication from an employee or agent of the Trust, unless such communication is made solely in such employee's or agent's capacity as a shareholder or (iii) any shareholder proposal submitted pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended, or any communication made in connection with such a proposal. Each Trust's Trustees are not required to attend the Trust's shareholder meetings or to otherwise make themselves available to shareholders for communications, other than pursuant to the

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

mentioned procedures. No Board members attended the 2005 Annual Meeting of Shareholders.

Each Trust's Declaration of Trust currently provides that the Trust will indemnify its Trustees and officers against liabilities and expenses incurred in connection with litigation in which they may be involved because of their offices with the Trust, unless it is finally adjudicated or, in case of a settlement, it has been determined by Trustees not involved in the matter or independent legal counsel, that they have not acted in good faith in the reasonable belief that their actions were in the best interests of the Trust or that they engaged in willful misfeasance or acted with bad faith, gross negligence or reckless disregard of the duties involved in the conduct of their offices.

TRUSTEE COMPENSATION TABLE

The table below shows the cash compensation paid to the Trustees by each Trust for the fiscal year ended on the date noted (see footnote 2). Interested Trustees receive no compensation from a Trust for their services as Trustees. - (1) Each Trustee who is an "interested person" of MFS (within the meaning of the 1940 Act) serves without any compensation from the Trust.
 - (2) Information provided for the MFS Charter Income Trust and MFS Government Markets Income Trust for the fiscal year ended November 30, 2005. Information provided for the MFS Intermediate Income Trust, MFS Multimarket Income Trust, MFS Municipal Income Trust and MFS Special Value Trust is for the fiscal year ended October 31, 2005.
 - (3) For calendar year 2005. Trustees receiving compensation from each Trust served as Trustee of funds within the MFS Fund complex (having aggregate net assets at December 31, 2005 of approximately \$94 billion).
 - (4) Ms. Thomsen became a Trustee of each Trust on March 23, 2005. From December 16, 2004 to March 23, 2005, Ms Thomsen was an Advisory Trustee of each Trust and as such received compensation

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

from each Trust for that period. This compensation is included in the amount stated in the table for the period covered by the table.

(5) Messrs. Butler and Uek became Trustees of each Trust on January 1, 2006.

Prior to December 31, 2001, each Trust had a retirement plan for Independent Trustees and Trustees who were not officers of the Trust. Effective December 31, 2001, each Trust's retirement plan terminated, except with respect to those Trustees who retired on or before that date. The remaining Trustees who were previously covered under the retirement plan had their accrued benefits under the plan "rolled-over" into a deferred compensation arrangement along with other compensation to account for future benefits they would have received under the retirement plan if it had continued for such Trustees.

To the extent required by applicable regulations, pre-approval by the Audit Committee of the Board is needed for all audit and permissible non-audit services rendered by the Independent Registered Public Accounting Firm to each Trust and all permissible non-audit services rendered by the Independent Registered Public Accounting Firm to MFS and any entity controlling, controlled by or under common control with MFS that provides ongoing services to a Trust (including MFS Service Center, Inc.) (each, a "Service Affiliate") if the services relate directly to the operations and financial reporting of such Trust. Pre-approval is currently on an engagement-by-engagement basis. In the event pre-approval of such services is necessary between regular meetings of the Audit Committee and it is not practical to wait to seek pre-approval at the next regular meeting of the Audit Committee, pre-approval of such services may be referred to the Chair of the Audit Committee; provided that the Chair may not pre-approve any individual engagement for such services exceeding \$50,000 or multiple engagements for such services in the aggregate exceeding \$100,000 between such regular meetings of the Audit Committee. Any engagement pre-approved by the Chair between regular meetings of the Audit Committee shall be presented for ratification by the entire Audit Committee at its next regularly scheduled meeting.

Schedule A attached hereto includes tables that set forth for each Trust, for each Trust's two most recent fiscal years, the fees billed by each Trust's Independent Registered Public Accounting Firm for (a) all audit and non-audit services provided directly to the Trust and (b) those non-audit services provided to the Trust's Service Affiliates that relate directly to the Trust's operations and financial reporting under the following captions:

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

- (i) Audit Fees - fees related to the audit and review of the financial statements included in annual reports and registration statements, and other services that are normally provided in connection with statutory and regulatory filings or engagements.
- (ii) Audit-Related Fees - fees related to assurance and related services that are reasonably related to the performance of the audit or review of financial statements, but not reported under "Audit Fees", including accounting consultations, agreed-upon procedure reports (inclusive of annual review of basic maintenance testing associated with the Preferred Shares), attestation reports, comfort letters and internal control reviews.
- (iii) Tax Fees - fees associated with tax compliance, tax advice and tax planning, including services relating to the filing or amendment of federal, state or local income tax returns, regulated investment company qualification reviews and tax distribution and analysis reviews.
- (iv) All Other Fees - fees for products and services provided to a Trust by the Independent Registered Public Accounting Firm other than those reported under "Audit Fees", "Audit- Related Fees" and "Tax Fees."

Schedule A attached hereto also sets forth the aggregate fees billed by each Independent Registered Public Accounting Firm for each Trust's two most recent fiscal years, for non-audit services rendered to each Trust and each Trust's Service Affiliates.

The Audit Committee has considered whether the provision by a Trust's Independent Registered Public Accounting Firm of non-audit services to the Trust's Service Affiliates that were not pre-approved by the Audit Committee (because such services were provided prior to the effectiveness of SEC rules requiring pre-approval or because such services did not relate directly to the operations and financial reporting of the Trust) was compatible with maintaining the independence of the Independent Registered Public Accounting Firm as the Trust's principal auditor.

INTERESTS OF CERTAIN PERSONS

Schedule B attached hereto sets forth, as of August 7, 2006, to the best knowledge of each Trust, the shareholders who beneficially owned more than 5% of the outstanding shares of any class of such Trust.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires Trustees, directors and certain officers of each Trust and MFS, and persons who own more than ten percent of any class of a Trust's shares, to file reports of ownership and changes in ownership with the SEC and the New York Stock Exchange. Such persons are required by SEC regulation to furnish each Trust with copies of all Section 16(a) forms they file in relation to that Trust.

Based solely on a review of the copies of Forms 3, 4 and 5 and amendments thereto furnished to each Trust with respect to its most recent fiscal year for Trustees, directors and certain officers of each Trust and MFS and greater than ten percent beneficial owners, each Trust believes all Section 16(a) transactions were reported on a timely basis. Each Trust also believes all

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

Smith (Former Trustee) made a Form 4 (Statement of Changes of Beneficial Ownership) filing for each of MFS Charter Income Trust, MFS Government Markets Income Trust, MFS Intermediate Income Trust, MFS Multimarket Income Trust, MFS Municipal Income Trust and MFS Special Value Trust on December 14, 2005. To the extent that any Form 3, 3A and 4 filings were not made on a timely basis, certain Form 5 (Annual Statement of Changes of Beneficial Ownership) filings were not filed on a timely basis as well.

LITIGATION

On March 31, 2004, MFS settled an administrative proceeding with the Securities and Exchange Commission ("SEC") regarding disclosure of brokerage allocation practices in connection with MFS fund sales (the term "MFS funds" means the open-end registered management investment companies sponsored by MFS). The brokerage allocation practices which were the subject of this proceeding were discontinued by MFS in November 2003. In addition, in February 2004, MFS reached agreement with the SEC, the New York Attorney General ("NYAG") and the Bureau of Securities Regulation of the State of New Hampshire to settle administrative proceedings alleging false and misleading information in certain MFS open-end retail fund prospectuses regarding market timing and related matters.

Since December 2003, MFS, MFS Fund Distributors, Inc., MFS Service Center, Inc., MFS Corporation Retirement Committee, Sun Life Financial Inc., various MFS funds, certain current and/or former Trustees of these MFS funds, and certain officers of MFS have been named as defendants in multiple lawsuits filed in federal and state courts. The lawsuits variously have been commenced as class actions or individual actions on behalf of investors who purchased, held or redeemed shares of the MFS funds during specified periods, as ERISA actions by participants in certain retirement plan accounts on behalf of those accounts, or as derivative actions on behalf of the MFS funds. The lawsuits relating to market timing and related matters have been transferred to, and consolidated before, the United States District Court for the District of Maryland, as part of a multi-district litigation of market timing and related claims involving several other fund complexes (In re Mutual Funds Investment Litigation (Alger, Columbia, Janus, MFS, One Group, Putnam, Allianz Dresdner), No. 1:04-md-15863 (transfer began March 19, 2004)). The market timing cases related to the MFS complex are Riggs v. MFS et al., Case No. 04-CV-01162-JFM (direct), Hammerslough v. MFS et al., Case No. 04-MD-01620 (derivative), Anita Walker v. MFS et al., Case No. 1:04-CV-01758 (ERISA), and Reaves v. MFS Series Trust I, et al., Case No. 1:05-CV-02220-JFM (Class B Shares). The plaintiffs in these consolidated lawsuits generally seek injunctive relief including removal of the named Trustees, adviser and distributor, rescission of contracts and

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

12b-1 Plans, disgorgement of fees and profits, monetary damages, punitive damages, attorney's fees and costs and other equitable and declaratory relief. Two lawsuits alleging improper brokerage allocation practices and excessive compensation are pending in the United States District Court for the District of Massachusetts (Forsythe v. Sun Life Financial Inc., et al., No. 04cv10584 (GAO) (a consolidated action) and Marcus Dumond, et al. v. Massachusetts Financial Servs. Co., et al., No. 04cv11458 (GAO)). The plaintiffs in these lawsuits generally seek compensatory damages, punitive damages, recovery of fees, rescission of contracts, an accounting, restitution, declaratory relief, equitable and/or injunctive relief and attorney's fees and costs. The various lawsuits generally allege that some or all of the defendants (i) permitted or acquiesced in market timing and/or late trading in some of the MFS funds, inadequately disclosed MFS' internal policies concerning market timing and such matters, (ii) received excessive compensation as fiduciaries to the MFS funds, or (iii) permitted or acquiesced in the improper use of fund assets by MFS to support the distribution of MFS fund shares and inadequately disclosed MFS' use of fund assets in this manner. The actions assert that some or all of the defendants violated the federal securities laws, including the Securities Act of 1933 and the Securities Exchange Act of 1934, the Investment Company Act of 1940 and the Investment Advisers Act of 1940, the Employee Retirement Income Security Act of 1974, as well as fiduciary duties and other violations of common law. Insofar as any of the actions is appropriately brought derivatively on behalf of any of the MFS funds, any recovery will inure to the benefit of the MFS funds. The defendants filed separate motions to dismiss all claims of the various lawsuits (except Reaves, which has not been separately briefed). On November 3, 2005, the district judge considering the motions to dismiss the Riggs and Hammerslough actions issued memoranda indicating that he intends to grant in part and deny in part defendants' motions in these actions. Orders consistent with the court's memoranda were issued on March 1, 2006. On February 27, 2006, the district judge considering the motion to dismiss the Walker action granted in part and denied in part such motion. On January 19, 2006, the district judge considering the Forsythe and Dumond actions denied defendants' motion to dismiss the Dumond action and granted in part (including dismissing all claims against the Trustees and Sun Life Financial, Inc.) and denied in part defendants' motion to dismiss the Forsythe action. Additional lawsuits based on similar allegations may be filed in the future.

Any potential resolution of these matters may include, but not be limited to, judgments or settlements for damages against MFS, the MFS funds, or any other named defendant. It is not clear whether any amounts paid in connection with the above regulatory settlements will be sufficient to compensate shareholders for all of the damage they allegedly sustained, whether certain shareholders or putative class members may have additional claims to compensation, or whether the damages that may be awarded in any of the actions will exceed these amounts. In the event the MFS funds incur any losses, costs or expenses in connection with such lawsuits, the Boards of Trustees of the affected MFS funds may pursue claims on behalf of such funds against any party that may have liability to the funds in respect thereof. There can be no assurance that these regulatory actions and lawsuits, or the adverse publicity associated with these developments, will not result in increased fund redemptions, reduced sales of fund shares, or other adverse consequences to the MFS funds.

FURTHER INFORMATION ABOUT VOTING AND THE MEETING

MANNER OF VOTING PROXIES

All proxies received by management will be voted on all matters presented at the Meeting, and if not limited to the contrary, will be voted FOR the election of Robert E. Butler, David H. Gunning, Robert C. Pozen, and J. Dale Sherratt, as Trustees of the Trust (if still available for election).

All proxies received, including proxies that reflect (i) broker non-votes (i.e., shares held by brokers or nominees as to which (a) instructions have not

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

been received from the beneficial owners or the persons entitled to vote, and (b) the broker or nominee does not have discretionary voting power on a particular matter), (ii) abstentions or (iii) the withholding of authority to vote for a nominee for election as Trustee, will be counted as shares that are present on a particular matter for purposes of determining the presence of a quorum for that matter. A majority of a Trust's outstanding shares entitled to be cast at the Meeting that are present in person or represented by proxy constitutes a quorum. With respect to the election of Trustees, neither broker non-votes nor abstentions nor withholding authority to vote have any effect on the outcome of the voting.

Each shareholder of a Trust is entitled to one vote for each share of the Trust that such shareholder owns at the close of business on August 7, 2006, on each matter on which the shareholder is entitled to vote. Each fractional share is entitled to a proportionate fractional vote.

Each Trust will reimburse the record holders of its shares for their expenses incurred in sending proxy material to and obtaining voting instructions from beneficial owners.

Each Trust knows of no other matters to be brought before the Meeting. If, however, because of any unexpected occurrence, any nominee is not available for election or if any other matters properly come before the Meeting, it is each Trust's intention that proxies not limited to the contrary will be voted in accordance with the judgment of the persons named in the enclosed form of proxy.

INSTRUCTIONS FOR VOTING PROXIES

The giving of a proxy will not affect a shareholder's right to vote in person should the shareholder decide to attend the Meeting. To vote by mail, please mark, sign, date and return the enclosed proxy card following the instructions printed on the card.

SUBMISSION OF PROPOSALS

Proposals of shareholders which are intended to be presented at the 2007 Annual Meeting of Shareholders must be received by the Trust on or prior to March 30, 2007. The submission by a shareholder of a proposal for inclusion in the proxy materials does not guarantee that it will be included. Shareholder proposals are subject to certain requirements under the federal securities laws.

A shareholder who wishes to make a proposal at the 2007 Annual Meeting of Shareholders without including the proposal in the Trust's proxy statement must ensure that the proposal is received by the Trust in good order and in compliance with all applicable legal requirements and requirements set forth in the Trust's By-Laws and Declaration of Trust by June 13, 2007 at the Trust's principal office at 500 Boylston Street, Boston, Massachusetts 02116. The persons named as proxies for the 2007 Annual Meeting of Shareholders will have discretionary authority to vote on all matters presented at the meeting consistent with the SEC's proxy rules.

ADDITIONAL INFORMATION

The Meeting of shareholders of each Trust is called to be held at the same time as the Meetings of shareholders of each of the other Trusts. It is anticipated that all Meetings will be held simultaneously.

If any shareholder at the Meeting objects to the holding of a simultaneous Meeting and moves for an adjournment of the Meeting to a time promptly after the simultaneous Meetings, the persons named as proxies will vote in favor of such adjournment.

The expense of the preparation, printing and mailing of the enclosed form of proxy, the Notice and this Proxy Statement, and any tabulation costs, will be

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

borne on a proportional basis by the Trusts.

Only one copy of this Proxy Statement may be mailed to a household, even if more than one person in a household is a Trust shareholder of record, unless the Trust has received contrary instructions from one or more of the shareholders in such household. If you need additional copies of this Proxy Statement and you are the holder of record of your shares, please contact MFS at 1-877-383-7949. If your shares are held in broker street name please contact your financial intermediary to obtain additional copies of this proxy statement. If in the future you do not want the mailing of proxy statements to be combined with those for other members of your household or if you are receiving multiple copies of this Proxy Statement and do want the mailings to be combined with those for other members of your household, contact MFS Service Center, Inc., in writing, at 500 Boylston Street, Boston, Massachusetts 02116, or by telephone at 1-877-383-7949, or contact your financial intermediary.

IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY

MFS FUNDS BOARD AUDIT COMMITTEE CHARTER

(ADOPTED AS OF APRIL 27, 2004,
AS AMENDED
THROUGH DECEMBER 14, 2005)

The Board of Trustees (the "Board") of each of the Trusts listed in Appendix A hereto, as the same may be periodically updated (each a "Trust" and, collectively, the "Trusts"), has adopted this Charter to govern the activities of the Audit Committee (the "Committee") of the particular Board with respect to its oversight of each series of a Trust and each Trust which is itself a single series (each such series a "Fund" and, collectively, the "Funds"). This Charter supercedes and replaces any Audit Committee charter previously adopted by the Board or a committee of the Board.

STATEMENT OF PURPOSE AND FUNCTIONS

The Committee's general purpose is to oversee the Fund's accounting and financial reporting policies and practices and its internal controls, including by assisting with the Board's oversight of the integrity of the Fund's financial statements, the Fund's compliance with legal and regulatory requirements related to the Fund's financial reporting and internal controls(1), the qualifications and independence of the Fund's independent accountants, and the performance of the Fund's internal control systems and independent accountants. With respect to each closed-end Fund, the Committee's purpose is also to prepare or cause to be prepared reports required by Securities and Exchange Commission rules to be included in the Fund's annual proxy statements.

- (1) The Committee will oversee the Fund's compliance with legal and regulatory requirements relating to the Fund's accounting and financial reporting policies and practices and its internal controls. The Board has established other committees, including a Compliance and Governance Committee, to

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

oversee the Fund's compliance with other legal and regulatory requirements.

The Committee's function is oversight. The authority and responsibilities of the Committee set forth in this Charter do not reflect or create any duty, obligation or responsibility of the Committee to plan or conduct Fund audits, to prepare or determine or certify that the Fund's financial statements are complete, accurate, fairly presented, or in accordance with generally accepted accounting principles or applicable law, or to assure compliance with laws, regulations or any internal rules or policies of the Fund. The Committee's oversight role does not provide any expert or special assurance as to the Fund's financial statements or other financial information provided by the Fund to its shareholders, and it is not the Committee's responsibility to guarantee any independent accountant's report. Fund management is responsible for Fund accounting and the implementation and maintenance of the Fund's internal control systems, and the independent accountants are responsible for conducting a proper audit of the Fund's financial statements and for reviewing the Funds' unaudited interim financial statements. Members of the Committee are not employees of the Fund and, in serving on this Committee, are not, and do not hold themselves out to be, acting as accountants or auditors. As such, it is not the duty or responsibility of the Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures. Each member of the Committee shall be entitled to rely on (i) the integrity of those persons and organizations within management and outside the Fund from which it receives information and (ii) the accuracy of financial and other information provided to the Committee by such persons or organizations absent actual knowledge to the contrary.

MEMBERSHIP

The Committee shall be comprised of as many trustees as the Board of Trustees shall determine, but in any event not less than three (3) Trustees. Each member of the Committee must be a member of the Board. The Board may remove or replace any member of the Committee at any time in its sole discretion. One or more members of the Committee may be designated by the Board as the Committee's chair or co-chair, as the case may be.

No member of the Committee may be an "interested person" of the Fund, as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "Investment Company Act"), and each member of the Committee must otherwise satisfy the standards for independence of an audit committee member of an investment company issuer as set forth in Rule 10A-3(b) under the Securities Exchange Act of 1934, as amended, and under applicable listing standards of the New York Stock Exchange (the "NYSE"). Each member of the Committee must be "financially literate" (or must become so within a reasonable time after his or her appointment to the Committee) and at least one member of the Committee must have "accounting or related financial management expertise," in each case as the Board interprets such qualification in its business judgment under NYSE listing standards.

RESPONSIBILITIES AND DUTIES

The Committee's policies and procedures shall remain flexible to facilitate the Committee's ability to react to changing conditions and to generally discharge its functions. The following describe areas of attention in broad terms. The Committee shall:

1. Determine the selection, compensation, retention or termination of the Fund's independent accountants based on an evaluation of their independence and the nature and performance of the audit and any permitted non-audit services. The Fund's independent accountants must report directly to the Committee, which shall be responsible for resolution of disagreements between management and the independent accountants relating to financial reporting.

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

2. To consider the independence of the Fund's independent accountants at least annually, and in connection therewith receive on a periodic basis formal written disclosures and letters from the independent accountants as required by the Independence Standards Board Standard ("ISB") No. 1.

3. To the extent required by applicable regulations, pre-approve (i) all audit and permitted non-audit services rendered by the independent accountants to the Fund and (ii) all non-audit services rendered by the independent accountants to the Fund's investment adviser and to certain of the investment adviser's affiliates. The Committee may establish policies and procedures pursuant to which such pre-approval is granted, which may include pre-approval by other than by the full Committee.

4. Review any non-audit services provided by the independent accountants to the Fund's investment adviser and certain of its affiliates that were not subject to pre-approval by the Committee under paragraph 3 above, and the fees associated therewith.

5. If and to the extent that the Fund intends to have employees, set clear policies for the hiring by the Fund of employees or former employees of the Fund's independent accountants.

6. Obtain and review at least annually a report from the independent accountants describing (i) the accounting firm's internal quality-control procedures, (ii) any material issues raised (a) by the accounting firm's most recent internal quality-control review or peer review or (b) by any governmental or other professional inquiry or investigation performed within the preceding five years respecting one or more independent audits carried out by the firm, and any steps taken to address any such issues and (iii) (to assess the independent accountants' independence) all relationships between the independent accountants and the Fund.

7. Review with the Fund's independent accountants arrangements for and the scope of the annual audit and any special audits, including the form of any opinion proposed to be rendered to the Board and shareholders of the Fund.

8. With respect to each closed-end Fund (i) meet with management and the independent accountants to review and discuss the Fund's annual audited financial statements and quarterly unaudited financial statements, including a review of any specific disclosures of management's discussion of the Fund's investment performance and (ii) with respect to the Fund's audited financial statements, discuss with the independent accountants matters required by Statement of Accounting Standards ("SAS") No. 61 and any other matters required to be reported to the Committee under applicable law and provide a statement whether, based on its review of such audited financial statements, the Committee recommends to the Board that the audited financial statements be included in the Fund's Annual Report.

9. With respect to the open-end Funds, meet at least annually with management and the independent accountants to discuss the form of the Funds' audited financial statements and any specific issues regarding the content thereof raised by management or the independent accountants.

10. Review with the independent accountants any audit problems or difficulties encountered in the course of their audit work and management's responses thereto.

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

11. Review with management and, as applicable, with the independent accountants the Fund's accounting and financial reporting policies, practices and internal controls, and management's guidelines and policies with respect to risk assessment and risk management, including the effect on the Fund of any recommendation of changes in accounting principles or practices by management or the independent accountants.

12. Receive any reports from the Fund's independent accountants, Chief Executive Officer or Chief Financial Officer relating to (i) significant deficiencies or material weaknesses in the design or operation of internal control over the Fund's financial reporting which are reasonably likely to adversely affect the Fund's ability to record, process, summarize, and report financial information and (ii) the maintenance and design of the Fund's internal controls over financial reporting.

13. With respect to each closed-end Fund, discuss with management the Fund's earnings press releases as well as financial information and earnings guidance provided by management to analysts and rating agencies, if any. The Committee may discharge this responsibility by discussing the general types of information to be disclosed by the Fund and the form of presentation (i.e., a case-by-case review is not required) and need not discuss in advance each such release of information.

14. Establish procedures for (i) the receipt, retention, and treatment of complaints received by the Fund regarding accounting, internal accounting controls, or auditing matters; and (ii) the confidential, anonymous submission by employees of the Fund, the Fund's investment adviser, administrator, principal underwriter (if any) or any other provider of accounting-related services for the Fund of concerns regarding accounting or auditing matters.

15. Investigate or initiate the investigation of any improprieties or suspected improprieties in the Fund's accounting operations or financial reporting.

16. Review with counsel legal and regulatory matters that have a material impact on the Fund's financial and accounting reporting policies and practices or its internal controls.

17. Report to the Board on the Committee's activities ordinarily at each regularly scheduled Board meeting (but at least annually) or at such other times as requested by the Board or deemed appropriate by the Committee.

18. Perform such other functions consistent with this Charter, the Agreement and Declaration of Trust and Bylaws applicable to the Fund, and applicable law or regulation, as the Committee or the Board deems necessary or appropriate.

The Committee may delegate any portion of its authority and responsibilities as set forth in this Charter to a subcommittee of one or more members of the Committee. The Committee may also delegate certain responsibilities to the Treasurer and Chief Financial Officer of the Fund. Any action taken by a subcommittee or by the Treasurer and Chief Financial Officer shall be presented to the full Committee for ratification at the Committee's next regularly scheduled meeting.

MEETINGS

The Committee will ordinarily meet in connection with regularly scheduled Board meetings and when the Committee determines necessary or appropriate in accordance with the Fund's By-Laws. At least annually, the Committee shall meet

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

separately with the independent accountants and separately with the representatives of Fund management responsible for the financial and accounting operations of the Fund, including the Fund's Treasurer and Chief Financial Officer or such other person as may have primary responsibility for the Fund's financial and accounting operations, and shall also meet separately with representatives of MFS's internal audit department with responsibility for oversight of Fund matters. A Chair of the Trustees, the chair or vice- chair of the Committee or a majority of the members of the Committee are authorized to call a meeting of the Committee and send notice thereof.

A majority of the members of the Committee shall constitute a quorum for the transaction of business at any meeting of the Committee. The action of a majority of the members of the Committee present at a meeting at which a quorum is present shall be the action of the Committee. The Committee may also take action by written consent of a majority of the Committee members. The Committee may meet by means of a telephone conference circuit or similar communications equipment by means of which all persons participating in the meeting can hear each other.

OUTSIDE RESOURCES AND ASSISTANCE FROM MANAGEMENT

The appropriate officers of the Fund shall provide or arrange to provide such information, data and services as the Committee may request. The Committee shall have the authority to engage at the Fund's expense independent counsel and other experts and consultants whose expertise the Committee considers necessary to carry out its responsibilities. The Fund shall provide for appropriate funding, as determined by the Committee, for the payment of: (i) compensation of the Fund's independent accountants for the issuance of an audit report relating to the Fund's financial statements or the performance of other audit, review or attest services for the Fund; (ii) compensation of independent legal counsel or other advisers retained by the Committee; and (iii) ordinary administrative expenses of the Committee that are necessary or appropriate in fulfilling its purposes or carrying out its responsibilities under this Charter.

ANNUAL EVALUATIONS

The Committee shall review and reassess the adequacy of this Charter at least annually and recommend any changes to the Board. In addition, the performance of the Committee shall be evaluated at least annually by the Board or the Committee itself.

ADOPTION AND AMENDMENTS

The Board shall adopt and approve this Charter and may amend the Charter at any time on the Board's own motion.
