**Other Events.**

Acting upon the recommendation of the Compensation Committee, the Board of Directors of the Company has unanimously changed its equity-based compensation arrangements for non-employee Directors. Effective as of the 2012 Annual Meeting, each non-employee Director upon re-election to the Board at the Annual Meeting will be granted an option to purchase shares of the Company's Class A Common Stock having an approximate dollar value at the time of grant of \$115,000, rather than the current arrangement of a grant of 5,000 shares of the Company's Class A Common Stock. In addition, the two initial options granted to non-employee Directors joining the Board of Directors for the first time will also be determined based on an approximate dollar value of \$115,000 as of the date of grant, but the initial annual grant will be pro-rated if the newly-elected Director is elected at a time other than at the Company's Annual Meeting. This arrangement will be next subject to review in 2014. Non-employee Director fees payable in cash remain unchanged.
