- (1) Represents 0.21 percent of the outstanding common shares of the Company.
- (2) Includes 1,109,176 common shares which directors and officers have the right to acquire within 60 days of June 10, 2002.
- (3) No individual director or officer owns common shares of the Company representing 1.0 percent or more of the number of outstanding shares. Messrs. Binns and Harquail are officers of Newmont Mining Corporation of Canada Limited ("Newmont") which, as of April 5, 2002, owns 48.8 percent of the Company's common shares (this percentage does not reflect the public offering of 39,100,000 units (each unit consisting of one common share and one common share purchase warrant) which closed May, 2002).

Share Incentive Plan

The Company has adopted a share incentive plan which provides for the grant to officers and employees of options to purchase common shares. The Compensation Committee may, in its sole discretion, accelerate the time at which any option may be exercised in whole or in part. Such discretion may be exercised in any circumstances deemed appropriate by the Committee including, without limitation, the threat (actual or perceived) of a take-over bid for voting control of the Company. If there is a take-over bid (including, in connection with the proposed transaction among Kinross Gold Corporation ("Kinross"), TVX Gold Inc. ("TVX") and Echo Bay to combine their respective businesses) for the Company and the Committee does not accelerate the time at which any option may be exercised, then all options will become exercisable no later than the time the acquirer becomes entitled to take up and pay for the common shares of the Company acquired pursuant to the bid.

Director Equity Plan

The Company has adopted a director equity plan which provides for the

Edgar Filing: ECHO BAY MINES LTD - Form DEFA14A

grant of options to purchase common shares to non-employee directors. The Company stopped granting options under this plan and all options previously granted under the plan will be vested as of June 11, 2002.

Employment Contracts and Termination of Employment and Change-in-Control Agreements

Mr. Leclerc and the Company have entered into an employment contract which is for an indefinite term and provides for certain lump sum payments if the Company terminates Mr. Leclerc's employment on less than two years' written notice or demotes him and he voluntarily resigns. If a change of control of the Company is followed by a termination of Mr. Leclerc's employment under specified

circumstances, Mr. Leclerc shall be paid a cash payment equal to three times the total of his annual base salary plus bonus under the executive cash incentive plan and shall receive two years of continued health coverage. If these payments and any other benefits provided to Mr. Leclerc would be subject to any excise tax imposed by section 4999 of the United States Internal Revenue Code or any interest or penalties with respect to such excise tax (such excise tax, together with any such interest or penalties, are collectively referred to as the "Excise Tax"), then Mr. Leclerc shall be entitled to receive an additional payment (an "Excise Tax Restoration Payment") in an amount that shall fund the payment of any Excise Tax on the total payments and benefits received by Mr. Leclerc following a change of control as well as all income taxes imposed on the Excise Tax Restoration Payment, any Excise Tax imposed on the Excise Tax Restoration Payment and any interest or penalties imposed with respect to taxes on the Excise Tax Restoration Payment or any Excise Tax. The specified circumstances referred to in the sentence before last include (i) the Company's termination of Mr. Leclerc's employment within one year of a change of control or (ii) a voluntary resignation by Mr. Leclerc for "good reason" within one year of a change of control. The expression "good reason" is defined to include any one of four acts of employer constructive dismissal: the assignment of lower level status or responsibility, a reduction in base salary, a requirement to relocate, or a change in employee participation in or benefits under the Company's benefit plans. Additionally, in the final 30 days of the one-year period referred to above, Mr. Leclerc may resign for any reason, or no reason at all, and be entitled forthwith to the cash payment calculated as specified above.

Each of the other named executive officers has entered into an employment contract for an indefinite term. The contracts provide for certain lump sum payments if the Company terminates the individual's employment on less than one year's written notice or the individual is demoted and voluntarily resigns. In all other respects, including with respect to the change of control and Excise Tax Restoration Payment provisions, the employment contracts for Ms. Brodrick and Messrs. McCrank and Yip are identical to Mr. Leclerc's contract. Mr. Ottewell's contract provides for a lower payout structure than the others, does not afford the right to resign in the final 30 days of the one-year period referred to above, and does not contain an obligation on the part of the Company to make an Excise Tax Restoration Payment.

OTHER SHAREHOLDER INFORMATION

Title of Class	Name and Address of Beneficial Owner	Amount and Nature of Beneficial Ownership(1)
Common	Newmont Mining Corporation of Canada Limited Suite 1900, 20 Eglinton Avenue West Toronto, Ontario M4R 1K8	244,993,890
Common	Kinross Gold Corporation 52nd Floor, Scotia Place 40 King Street West Toronto, Ontario M5H 3Y2	57,126,674

Relationship with Newmont

Two members of the Echo Bay Board of Directors, Messrs. Binns and Harquail, are officers of Newmont. As of April 5, 2002, Newmont owns 48.8 percent of Echo Bay's outstanding common shares.

Kinross, TVX and Echo Bay expect to enter into a formal agreement to effect the combination of their respective businesses. It is expected that the consummation of the combination will be conditioned on the concurrent closing of TVX's proposed acquisition of Newmont's 49.9 percent interest in TVX Newmont Americas.

It is expected that concurrent with the signing of a formal agreement to effect the combination, Newmont and Echo Bay will enter into a Lock-Up Agreement (the "Newmont Lock-Up Agreement") whereby Newmont would agree to vote its Echo Bay common shares in favor of the participation of Echo Bay in the combination involving Kinross, TVX and Echo Bay.

Relationship with Kinross

As of April 5, 2002, Kinross owns 11.4 percent of Echo Bay's outstanding common shares. It is expected that concurrent with the signing of a formal agreement to effect the combination, Kinross and Echo Bay will enter into a Lock-Up Agreement (the "Kinross Lock-Up Agreement") whereby Kinross would agree to vote its Echo Bay common shares in favor of the participation of Echo Bay in the combination involving Kinross, TVX and Echo Bay.
