Item 1.01 Entry into a Material Definitive Agreement

Merger Agreement

On January 27, 2014, Martin Marietta Materials, Inc., a North Carolina corporation (“Martin Marietta”), Texas Industries, Inc., a Delaware corporation (“TXI”), and Project Holdings, Inc., a North Carolina corporation (“Merger Sub”), entered into an Agreement and Plan of Merger (the “Merger Agreement”). The Merger Agreement provides for a business combination whereby Merger Sub, a wholly owned subsidiary of Martin Marietta, will merge with and into TXI (the “Merger”). As a result of the Merger, the separate corporate existence of Merger Sub will cease and TXI will continue as the surviving corporation in the Merger as a wholly-owned subsidiary of Martin Marietta. The Merger Agreement was unanimously approved by the Boards of Directors of both Martin Marietta and TXI.

Pursuant to the Merger Agreement, at the effective time of the Merger, each share of TXI common stock will be converted into the right to receive 0.70 of a fully paid and nonassessable share of Martin Marietta common stock (the “Merger Consideration”). No fractional shares of Martin Marietta’s common stock will be issued in the Merger and TXI’s stockholders will receive cash in lieu of any fractional shares. It is expected that the Merger will qualify as a tax-free reorganization for U.S. Federal income tax purposes.

TXI stock options and other equity awards will generally convert upon consummation of the Merger into stock options and equity awards with respect to Martin Marietta common stock, after giving effect to the 0.70 exchange ratio.

Pursuant to the Merger Agreement, promptly after the effective time of the Merger, a new director will be appointed to Martin Marietta’s Board of Directors. The new director will be a person who is mutually agreed upon by Martin Marietta and TXI (or one of TXI’s current two largest stockholders designated by TXI’s Board of Directors) following good faith consultations between Martin Marietta and TXI (or such designee) and a determination by Martin Marietta’s Nominating and Corporate Governance Committee that the proposed individual is an appropriate person to add to the Martin Marietta Board of Directors.

The consummation of the Merger is subject to the adoption of the Merger Agreement by TXI’s stockholders and approval by Martin Marietta’s shareholders of the issuance of Martin Marietta common stock in connection with the Merger. In addition, the Merger is subject to other customary closing conditions, including, among others, (i) expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, (ii) effectiveness of the registration statement on Form S-4 to be filed with the Securities and Exchange Commission (the “SEC”) and the approval of the listing on the New York Stock Exchange of the shares of common stock of Martin Marietta to be issued in the Merger, (iii) delivery of a customary opinion from each party’s counsel that the Merger will qualify as a tax-free reorganization for federal income tax purposes and (iv) the absence of a law, judgment, ruling or other legal restraint prohibiting the consummation of the Merger. The obligation of each party to consummate the Merger is also conditioned upon the other party’s representations and warranties being true and correct, the other party having performed in all material respects its obligations under the Merger Agreement and the other party not having suffered a material adverse effect, in each case as set forth in the Merger Agreement. Martin Marietta’s obligation to consummate the Merger is also conditioned on the absence of any legal restraint issued or promulgated by a U.S. governmental entity that would result in a requirement to dispose of or hold separate, or any prohibition or limitation on the ownership, operation or control of, any business, properties or assets, which would reasonably be expected to result in a Substantial Detriment (as such term is defined in the Merger Agreement).

Martin Marietta and TXI have agreed to customary representations, warranties and covenants in the Merger Agreement. Each of Martin Marietta and TXI is required, among other things: (i) subject to certain exceptions, to

conduct its business in the ordinary course consistent with past practice in all material respects during the interim period between the execution of the Merger Agreement and the consummation of the Merger, (ii) not to solicit alternative transactions and (iii) subject to certain exceptions, not to participate in discussions or negotiations regarding alternative transactions. In addition, the Merger Agreement contains covenants that require each of Martin Marietta and TXI to call and hold special shareholder meetings and, subject to certain exceptions, require TXI's Board of Directors to recommend to its stockholders the adoption of the Merger Agreement and Martin Marietta's Board of Directors to recommend to its shareholders the approval of the issuance of Martin Marietta's common stock in connection with the Merger.

The Merger Agreement contains certain termination rights for both Martin Marietta and TXI, including in the event that (i) the Merger is not consummated on or before July 27, 2014 (which deadline may be extended, under certain circumstances, for one or more one-month periods by either party up to January 27, 2015), (ii) the approval of the stockholders of TXI or the shareholders of Martin Marietta is not obtained or (iii) either Martin Marietta or TXI terminates the Merger Agreement to enter into a binding agreement providing for a superior alternative transaction. The Merger Agreement further provides that, upon termination of the Merger Agreement under specified circumstances, including termination of the Merger Agreement by Martin Marietta or TXI to enter into a binding agreement providing for a superior alternative transaction or as a result of an adverse change in the recommendation of the other party's Board of Directors, Martin Marietta may be required to pay to TXI a termination fee of \$140 million or TXI may be required to pay to Martin Marietta termination fee of \$70 million. The Merger Agreement also provides that, upon termination of the Merger Agreement under certain antitrust-related circumstances, Martin Marietta may be required to pay to TXI a termination fee of \$25 million and to provide TXI with the option to lease three of Martin Marietta's distribution yards in Texas as described below under "Lease Agreements."

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is attached hereto as Exhibit 2.1 and is incorporated herein by reference.

The Merger Agreement and the above description of the Merger Agreement have been included to provide investors with information regarding the terms of the Merger Agreement. It is not intended to provide any other factual information about Martin Marietta, TXI or their respective subsidiaries or affiliates. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of that agreement and as of specific dates, were solely for the benefit of the parties to the Merger Agreement and may be subject to limitations agreed upon by the parties in connection with negotiating the terms of the Merger Agreement, including being qualified by confidential disclosures made by each party to the other for the purposes of allocating contractual risk between them that differ from those applicable to investors. In addition, certain representations and warranties may be subject to a contractual standard of materiality different from those generally applicable to investors and may have been used for the purpose of allocating risk between the parties rather than establishing matters as facts. Information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by Martin Marietta or TXI. Investors should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of Martin Marietta, TXI or any of their respective subsidiaries, affiliates or businesses.

Voting Agreements

On January 27, 2014, concurrently with the execution of the Merger Agreement, Martin Marietta entered into separate voting agreements (the "Voting Agreements") with each of NNS Holding ("NNS") and Southeastern Asset Management ("SAM"), who, together, hold approximately 51% of the outstanding shares of TXI common stock, pursuant to which, among other things, each such stockholder agreed to vote all of its shares of TXI common stock in favor of the adoption of the Merger Agreement and the approval of the transactions contemplated by the Merger Agreement and against, among other things, alternative transactions. In the event that TXI's Board of Directors changes its recommendation that TXI stockholders adopt the Merger Agreement, NNS and SAM will only be required to vote shares representing at most 35% of the outstanding TXI common stock in favor of the adoption of the Merger Agreement, with the balance of their shares being voted in such circumstances in NNS' and SAM's sole discretion.

In addition, NNS and SAM have agreed not to (i) subject to certain exceptions, transfer their shares of TXI common stock and (ii) solicit alternative transactions or participate in discussions or negotiations concerning, or furnish

information with respect to, any alternative transaction.

The Voting Agreements will terminate upon the earlier of (i) immediately following the meeting of TXI's stockholders at which TXI's stockholders vote on the adoption of the Merger Agreement, (ii) the termination of the Merger Agreement in accordance with its terms and (iii) in the case of SAM, the date on which SAM no longer beneficially owns TXI common stock (provided that it has not transferred TXI common stock in violation of its Voting Agreement).

The foregoing description of the Voting Agreements does not purport to be complete and is qualified in its entirety by reference to the full text of the Voting Agreements, copies of which are attached hereto as Exhibits 2.2 and 2.3 and are incorporated herein by reference.

Lease Agreements

On January 27, 2014, concurrently with the execution of the Merger Agreement, Martin Marietta and/or an affiliate of Martin Marietta and an affiliate of TXI entered into three lease agreements pursuant to which TXI's affiliate has the option to lease space at three of Martin Marietta's distribution yards in Texas for initial terms of seven years each. At the expiration of the initial term, subject to the terms of the applicable lease agreement, TXI will have an option to extend each lease for an additional term of five years on mutually agreeable market terms at the time of the extension. In the event the Merger Agreement is terminated in circumstances where Martin Marietta is not required to pay the \$25 million termination fee to TXI, the leases will also terminate.
