HMG/COURTLAND PROPERTIES, INC.
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(Unaudited)

1. CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

In the opinion of the Company, the accompanying unaudited condensed consolidated financial statements prepared in accordance with instructions for Form 10QSB, include all adjustments (consisting only of normal recurring accruals) which are necessary for a fair presentation of the results for the periods presented. Certain information and footnote disclosures normally included in the financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted. It is suggested that these condensed consolidated financial statements be read in conjunction with the Company's Annual Report for the year ended December 31, 2003. The balance sheet as of December 31, 2003 was derived from audited financial statements as of that date. The results of operations for the three and six months ended June 30, 2004 are not necessarily indicative of the results to be expected for the full year.

2. RECENT ACCOUNTING PRONOUNCEMENTS.

During April 2003, the FASB issued SFAS 149 - "Amendment of Statement 133 on Derivative Instruments and Hedging Activities", effective for contracts entered into or modified after June 30, 2003, except as stated below and for hedging relationships designated after June 30, 2003. In addition, except as stated below, all provisions of this Statement should be applied prospectively. The provisions of this Statement that relate to Statement 133 Implementation Issues

Edgar Filing: HMG COURTLAND PROPERTIES INC - Form 10QSB

that have been effective for fiscal quarters that began prior to June 15, 2003, should continue to be applied in accordance with their respective effective dates. In addition, paragraphs 7(a) and 23(a), which relate to forward purchases or sales of then-issued securities or other securities that do not yet exist, should be applied to both existing contracts and new contracts entered into after June 30, 2003. The Company does not participate in such transactions, and accordingly, adoption of this statement did not have a material effect on the Company's financial statements.

During May 2003, the FASB issued SFAS 150 - "Accounting for Certain Financial Instruments with Characteristics of both Liabilities and Equity", effective for financial instruments entered into or modified after May 31, 2003, and otherwise is effective at the beginning of the first interim period beginning after June 15, 2003. This Statement establishes standards for how an issuer classifies and measures certain financial instruments with characteristics of both liabilities and equity. It requires that an issuer classify a freestanding financial instrument that is within its scope as a liability (or an asset in some circumstances). Many of those instruments were previously classified as equity. Some of the provisions of this Statement are consistent with the current definition of liabilities in FASB Concepts Statement No. 6, "Elements of Financial Statements". The Company does not participate in such transactions, and accordingly, adoption of this statement did not have a material effect on the Company's financial statements.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

(Unaudited)

In January 2003, the FASB issued FASB Interpretation No. 46 ("FIN 46"), "Consolidation of Variable Interest Entities." FIN 46 clarifies the application of Accounting Research Bulletin No. 51, "Consolidated Financial Statements," to certain entities in which equity investors do not have the characteristics of a controlling financial interest or do not have sufficient equity at risk for the entity to finance its activities without additional subordinated financial support from other parties. FIN 46 applies immediately to variable interest entities ("VIE's") created after January 31, 2003, and to VIE's in which an enterprise obtains an interest after that date. On October 9, 2003 the FASB issued FASB Staff Position No. FIN 46-6 "Effective Date of FASB Interpretation No.46 Consolidation of Variable Interest Entities," which defers the implementation date for public entities that hold an interest in a variable interest entity or potential variable interest entity from the first fiscal year or interim period beginning after June 15, 2003 to the end of the first interim or annual period ending after December 15, 2003. This deferral applies only if 1) the variable interest entity was created before February 1, 2003 and 2) the

Edgar Filing: HMG COURTLAND PROPERTIES INC - Form 10QSB

public entity has not issued financial statements reporting that variable interest entity in accordance with FIN 46, other than disclosures required by paragraph 26 of FIN 46. The adoption of FIN 46 did not have a material impact on the Company's financial position, liquidity or results of operations.

3. GAIN ON SALES OF PROPERTIES

In April 2004 the Company sold its shopping center near Jacksonville, Florida for approximately \$3.9 million and recognized a net gain on the sale of \$1.8 million.

In March 2004 Grove Isle Yacht Club Associates (GIYCA) sold one yacht slip located in Miami, Florida resulting in a net gain to the Company of approximately \$48,000.

4. INVESTMENTS IN MARKETABLE SECURITIES

Investments in marketable securities consist primarily of large capital corporate equity and debt securities in varying industries or issued by government agencies with readily determinable fair values. These securities are stated at market value, as determined by the most recent traded price of each security at the balance sheet date. Consistent with the Company's overall current investment objectives and activities its entire marketable securities portfolio is classified as trading.

Net gain (loss) from investments in marketable securities for the three and six months ended June 30, 2004 and 2003 is summarized below:

Description	Three months ended June 30,		Six mon
	2004	2003	2
Net realized loss from sales of securities	(\$5,000)	(\$40,000)	(\$13
Unrealized net (loss) gain in trading securities	(244,000)	373,000	(122
Net change in sales of securities pending delivery	---	(9,000)	
Total net (loss) gain from investments in marketable securities	(\$249,000)	\$324,000	(\$135

Edgar Filing: HMG COURTLAND PROPERTIES INC - Form 10QSB

For the three and six months ended June 30, 2004 net realized loss from sales of marketable securities of approximately \$5,000 and \$13,000 consisted of approximately \$10,000 of gross losses net of \$5,000 of gross gains for the three month period and approximately \$89,000 of gross losses net of \$76,000 of gross gains for the six month period. For the three and six months ended June 30, 2003 net realized loss from sales of marketable securities of approximately \$40,000 and \$75,000 consisted of approximately \$155,000 of gross losses net of \$115,000 of gross gains for the three month period and approximately \$204,000 of gross losses net of \$129,000 of gross gains for the six month period.

Net change in sales of securities pending delivery in 2003 represents the changes in the market value of those securities and the delivery of securities to realize gain or loss from these transactions. Such amounts in 2004 were insignificant.

Investment gains and losses on marketable securities may fluctuate significantly from period to period in the future and could have a significant impact on the Company's net earnings. However, the amount of investment gains or losses on marketable securities for any given period has no predictive value and variations in amount from period to period have no practical analytical value.

5. OTHER INVESTMENTS

As of June 30, 2004, the Company has committed to invest approximately \$10.6 million in other investments primarily in private capital funds, of which approximately \$9.3 million has been funded. The carrying value of other investments (which reflects distributions and valuation adjustments) is approximately \$5.2 million. During the six months ended June 30, 2004 the Company has made contributions of approximately \$939,000 and has received distributions of approximately \$870,000 from these investments. The contributions include \$575,000 made to two new investments during the three months ended June 30, 2004. The distributions in 2004 primarily consisted of return of capital distribution in the amount of \$535,000 from an investment in a partnership which sold and recapitalized several of its operating businesses and distributed the proceeds to its partners.

Net (loss) gain from other investments for the three and six months ended June 30, 2004 and 2003, is summarized below:

Edgar Filing: HMG COURTLAND PROPERTIES INC - Form 10QSB

Description	Three months ended June 30,		Six

Total net gain (loss) from other investments	\$152,000	\$78,000	\$104,000

In May 2004, the Company received a distribution approximately \$271,000 from an investment in a partnership which recapitalized one of its operating companies. The excess of the distribution over the carrying value of the investment resulted in a capital gain of \$140,000.

In March 2004, the Company reduced the carrying value of one of its investments in a venture capital fund by \$104,000. This fund experienced a decline in the market value of its holdings in publicly-traded companies having a concentration in technology and communications

6. MORTGAGES AND NOTES PAYABLE

Included in mortgages and notes payable as of June 30, 2004 and December 31, 2003 is approximately \$3.7 million of notes payable to a 49%-owned affiliate, T.G.I.F. Texas, Inc., as previously disclosed.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

RESULTS OF OPERATIONS

The Company reported net income of approximately \$1.3 million (or \$1.23 per basic share and \$1.22 per diluted share) and \$1.2 million (or \$1.08 per basic share and \$1.07 per diluted share) for the three and six months ended June 30, 2004, respectively. This is as compared with net income of approximately \$41,000 (or \$.04 per basic and diluted share) for the three months ended March 31, 2003 and a net loss of approximately \$155,000 (or \$.14 per basic and diluted share) for the six months ended June 30, 2003. Total revenues for the three and six months ended June 30, 2004 as compared with the same periods in 2003, decreased by approximately \$498,000 or 50% and \$450,000 or 28%, respectively. Total expenses for the three and six months ended June 30, 2004, as compared with the same periods in 2003, decreased by approximately \$51,000 or 6% and \$84,000 or

Edgar Filing: HMG COURTLAND PROPERTIES INC - Form 10QSB

5%, respectively. Gain on sales of properties for the three and six months ended June 30, 2004 was approximately \$1.8 million as compared with gains of approximately \$39,000 and \$78,000 for the three and six months ended June 30, 2003.

REVENUES

Rentals and related revenues for the three and six months ended June 30, 2004 as compared with the same comparable periods in 2003 decrease by \$36,000 (9%) and \$19,000 (2%), respectively. The decrease for the three month comparable periods was primarily due to the sale in April 2004 of the shopping center located near Jacksonville, Florida.

Net loss from investments in marketable securities for the three and six months ended June 30, 2004 was approximately \$249,000 and \$135,000, respectively. This is as compared with net gain from investments in marketable securities of approximately \$325,000 and \$300,000, respectively, for the same comparable periods in 2003. For further details refer to Note 4 to Condensed Consolidated Financial Statements (unaudited).

Net gain from other investments for the three and six months ended June 30, 2004 was approximately \$152,000 and \$104,000, respectively. This is as compared with a net gain of approximately \$78,000 and \$146,000, respectively, for the same comparable periods in 2003. For further details refer to Note 5 to Condensed Consolidated Financial Statements (unaudited).

Interest and dividend income for the three and six months ended June 30, 2004 was approximately \$106,000 and \$185,000, respectively. This is as compared with approximately \$67,000 and \$130,000, respectively, for the same comparable periods in 2003. The increases from last year of \$39,000 (or 58%) for the three month periods and \$55,000 (or 42%) for the six month periods was primarily due to an increase in investments bonds and other fixed income securities.

EXPENSES

Expenses for rental and other properties for the six months ended June 30, 2004 decreased by approximately \$27,000 (or 10%) as compared to that for the six months ended June 30, 2003. This was primarily the result of decreased operating expenses of approximately \$39,000 relating to the sale of the shopping center in April 2004. This decrease was partially offset by increased insurance costs at the Grove Isle property.

(9)

Management's Discussion and Analysis of Financial
Condition and Results of Operations
(continued)

Marina expenses for the three and six months ended June 30, 2004 increased by approximately \$9,000 (or 11%) and \$27,000 (or 15%), respectively, as compared with the same comparable periods in 2003. This was primarily due to increased insurance expense as a result of the reinstatement of windstorm coverage at the Grove Isle Marina in 2004 and increased payroll and related expenses.

Edgar Filing: HMG COURTLAND PROPERTIES INC - Form 10QSB

Professional fees expense for the three and six months ended June 30, 2004 decreased by approximately \$24,000 (or 37%) and \$40,000 (or 37%), respectively, as compared with the same comparable periods in 2003. This decrease was primarily the result of a reduction in the Company legal expenses.

Interest expense for the three and six months ended June 30, 2004 decreased by approximately \$8,000 (or 6%) and \$22,000 (or 9%), respectively, as compared with the same comparable periods in 2003. This decrease was primarily as the result of an overall reduction in outstanding debt.

EFFECT OF INFLATION:

Inflation affects the costs of operating and maintaining the Company's investments. In addition, rentals under certain leases are based in part on the lessee's sales and tend to increase with inflation, and certain leases provide for periodic adjustments according to changes in predetermined price indices.

LIQUIDITY, CAPITAL EXPENDITURE REQUIREMENTS AND CAPITAL RESOURCES

The Company's material commitments in 2004 primarily consist of maturities of debt obligations of approximately \$3.8 million and commitments to fund private capital investments of approximately \$1.3 million due upon demand. The funds necessary to meet these obligations are expected to be available from the proceeds of sales of properties or investments, refinancing, distributions from investments and available cash. The majority of maturing debt obligations for 2004 is a note payable to the Company's 49% owned affiliate, T.G.I.F. Texas, Inc. ("TGIF") of approximately \$3.7 million. This amount is due on demand. It is expected that this obligation when due to TGIF would be paid with funds available from distributions from its investment in TGIF and from available cash.

MATERIAL COMPONENTS OF CASH FLOWS

For the six months ended June 30, 2004, net cash used in operating activities was approximately \$2 million. Included in this amount is an increase in investments of marketable securities of approximately \$3.3 million less proceeds from sales of marketable securities of approximately \$1.4 million.

For the six months ended June 30, 2004, net cash provided by investing activities was approximately \$3.7 million. This was comprised primarily of proceeds from the sales of properties of approximately \$3.4 million.

For the six months ended June 30, 2004, net cash used in financing activities was approximately \$749,000 primarily consisting of repayments of mortgages and notes payable.

(10)

Item 3. Controls and Procedures

(a) Evaluation of Disclosure Controls and Procedures.
Our Chief Executive Officer and Chief Financial Officer, after evaluating the effectiveness of our disclosure controls and procedures (as defined in the Exchange Act Rules 13a-15(e) and 15d-15(e)) as of the end of the period covered

(b) There were no significant changes in the Company's internal controls or in other factors that could significantly affect these controls during the quarter covered by this report or from the end of the reporting period to the date of this Form 10-QSB.
