ANNUAL MEETING OF SHAREHOLDERS

To Be Held on Tuesday, April 26, 2005

PROXY STATEMENT

General Information

This Proxy Statement has been prepared and is being distributed in connection with the solicitation by the Board of Directors of Republic First Bancorp, Inc. (the "Company") of proxies in the enclosed form for use at the 2005 Annual Meeting of Shareholders of the Company to be held on Tuesday, April 26, 2005, at 4:00 p.m., Philadelphia time, at the Union League of Philadelphia, Broad & Sansom Streets, Philadelphia, PA 19102 (such meeting and any adjournment(s) or postponement(s) thereof are herein referred to as the "Annual Meeting"). This Proxy Statement is first being given or sent to shareholders of the Company on or about March 23, 2005.

Voting and Revocability of Proxies

Unless contrary instructions are indicated, all shares represented by valid proxies received pursuant to this solicitation (and not revoked before they are voted) will be voted FOR the election of the nominees for Directors named herein and FOR the approval of the proposed amendment to the Company's Amended and Restated Stock Option Plan and Restricted Stock Plan. As of the date of this Proxy Statement, the Board of Directors of the Company (the "Board") knows of no business that will be presented for consideration at the Annual Meeting other than that referred to above. If any other business properly comes before the Annual Meeting, the persons designated in the enclosed proxy will vote on such business in accordance with their best judgment.

Any shareholder who executes and returns a proxy card may revoke it at any time before it is voted by delivering to Robert A. Dobie, Senior Vice President and Corporate Secretary of the Company, at the principal executive offices of the Company at 1608 Walnut Street, Philadelphia, PA 19103, a written instrument revoking the proxy, a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person.

Solicitation of Proxies

Your proxy is being solicited by the Board for use in connection with the Annual Meeting. The cost of such solicitation will be borne by the Company. Proxies may be solicited in person or by mail, telephone, telegram, mailgram or other means by directors, officers, and

- 1 -

employees of the Company. Such persons will not receive any fees for such solicitation. Brokers, nominees, fiduciaries and other custodians have been requested to forward such soliciting material to the beneficial owners of shares held of record by them, and such custodians may be reimbursed for their expenses.

Voting Securities, Quorum and Required Vote

As of the close of business on March 15, 2005, the record date for voting at the Annual Meeting (the "Record Date"), there were 7,428,681 outstanding shares of common stock, par value \$0.01 per share, of the Company. Holders of shares of the Company's common stock are entitled to one vote per share on all matters to be voted upon at the Annual Meeting. As of the date hereof, there are no other classes of the Company's capital stock issued or

outstanding.

The presence in person or by proxy of a majority of the shares of common stock outstanding on the Record Date will constitute a quorum for the purpose of conducting business at the Annual Meeting. For the purpose of determining the votes cast with respect to any matter presented for consideration at the meeting, only those votes cast "FOR" or "AGAINST" are included. Abstentions and broker non-votes (shares held by brokers on behalf of their customers which may not be voted on certain matters because the brokers have not received specific voting instructions from their customers with respect to such matters) will be counted solely for the purpose of determining whether a quorum is present.

The three nominees for directors receiving the highest number of votes cast by shareholders entitled to vote for the election of directors will be elected. Approval of the proposal to amend the Company's Amended and Restated Stock Option Plan and Restricted Stock Plan requires the affirmative vote of a majority of the votes cast by the shareholders entitled to vote at the Annual Meeting.

Paul Verdi and Maria Oliveri shall be appointed the lawful proxies, each with full power of substitution, for and on behalf of the shareholders, to vote as specified in any appropriately completed proxy card, the shares of the Company's common stock held of record by the shareholder.

Shareholder Communications With Directors

The Company does not have formal procedures for shareholder communication with the Board. Any matter intended for the Board, or for any individual member or members of the Board, should be directed to the Corporate Secretary at Republic First Bancorp, Inc., 1608 Walnut Street, Philadelphia, PA 19103, with a request to forward the same to the intended recipient. In general, all shareholder communication delivered to the Corporate Secretary for forwarding to the Board or specified Board members will be forwarded in accordance with the shareholder's instructions. However, the Corporate Secretary reserves the right to not forward to Board members any abusive, threatening or otherwise inappropriate materials.

The Company encourages all incumbent directors and nominees for election as director to attend the Annual Meeting. All directors attended the previous Annual Meeting held in April 2004.

PROPOSAL 2

AMENDMENT OF THE COMPANY'S STOCK OPTION PLAN AND RESTRICTED STOCK PLAN

The Company's Amended and Restated Stock Option Plan and Restricted Stock Plan (the "Plan") was adopted by the Board on November 14, 1995. The purpose of the Plan is to recognize the contributions made to the Company by its employees, consultants and advisors, to provide these individuals with additional incentives to devote themselves to the future success of the Company, and to improve the ability of the Company to attract, retain and motivate individuals upon whom the sustained growth and financial success of the Company depends.

The Plan provides for the grant of options ("Options") to purchase shares of common stock and awards ("Awards") of shares of common stock subject to risk of forfeiture ("Restricted Shares"). Stock appreciation rights ("SARs") may also be granted under the Plan in tandem with Options. Currently, Options and Awards can be granted under the Plan for up to an aggregate of 1,540,000 shares.

Subject to shareholder approval, the Board has approved an amendment to the Plan to extend the term of the Plan for an additional ten year period and to increase the maximum number of shares which may be issued or awarded under the Plan to 1,540,000 shares, plus an annual increase equal to the number of shares

Edgar Filing: REPUBLIC FIRST BANCORP INC - Form DEF 14A

needed to restore the maximum number of shares that may be available for grant under the Plan to 1,540,000 shares. The Board believes that the amendment may be an important factor in attracting, motivating and retaining qualified employees and advisors who are essential to the success of the Company. The Board therefore seeks shareholder approval to amend the Plan to extend the term of the Plan for an additional ten year period so that the Plan will terminate on November 14, 2015, and to increase the maximum number of shares which may be issued or awarded under the Plan to 1,540,000 shares, plus an annual increase equal to the number of shares needed to restore the maximum number of shares that may be available for grant under the Plan to 1,540,000 shares.

The key provisions of the Plan, as amended, are as follows:

Number of Shares. The maximum number of shares which may be issued or awarded under the Plan will be 1,540,000 shares, plus an annual increase equal to the number of shares needed to restore the maximum number of shares that may be available for grant under the Plan to 1,540,000 shares. The maximum number of shares will be adjusted to reflect certain changes in the Company's capitalization. If any shares subject to any Option or Award are forfeited, or an Option is terminated without the issuance of shares, the shares subject to such Option or Award will again be available pursuant to the Plan.

Administration. The Plan is administered by a committee of the Board composed of no less than three members each of which shall be a "Non-Employee Director" (as such term is defined in Rule 16b-3 under the Securities Exchange Act). The Plan presently is administered by the Compensation and Option Committee.

- 7 -

Eligibility. All employees (including all executive officers), directors, consultants and advisors of the Company or its subsidiaries and affiliates are eligible to receive Options or Awards under the Plan.

Term of the Plan. The Plan became effective November 14, 1995 and provides that no Options, Awards or SARs may be granted after November 14, 2015.

Options, Awards and SARs. From time to time, at its discretion, the Committee may select eligible recipients to whom Options or Awards will be granted, determine when each Option or Award will be granted, determine the number of shares subject to such Option or Award and, subject to the provisions of the Plan, determine the terms and conditions of each Option, Award or SAR.

Options. Options granted under the Stock Incentive Plan may be either incentive stock options ("ISOs") or non-qualified stock options. ISOs are intended to qualify as "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"). Unless an Option is specifically designated at the time of grant as an ISO, Options are non-qualified options. Options are not transferable by the optionee except by will or by the laws of descent and distribution, except for certain transfers of nonqualified stock options that may be required under the terms of a "qualified domestic relations order" (generally, a court order relating to provision of spousal or dependent support or to division of marital property that meets certain requirements set forth in the Code). No Option granted under the Plan may be exercised unless at least six months has elapsed since the date of the grant.

Edgar Filing: REPUBLIC FIRST BANCORP INC - Form DEF 14A

The exercise price of the Options is determined by the Committee, provided that the exercise price of an ISO must be at least 100% of the fair market value of a share of common stock on the date the Option is granted, or at least 110% of the fair market value if the recipient owns shares possessing more than 10% of the total combined voting power of all classes of stock of the Company. The term of each Option is fixed by the Committee. The aggregate fair market value, determined as of the time of grant, of the shares with respect to which an ISO is exercisable for the first time by the recipient during any calendar year (under all incentive stock option plans of the Company) may not exceed \$100,000.

Termination of Options. All Options terminate on the earliest of:

- o The expiration of the term specified in the Option, which shall not exceed ten years from the date of grant or five years from the date of grant of an ISO if the recipient owns shares possessing more than 10% of the total combined voting power of all classes of stock of the Company;
- o The expiration of 90 days from the date the optionee's employment or service with the Company terminates for any reason other than disability, death or as otherwise described below;
- o The expiration of one year from the date the optionee's employment or service with the Company terminates due to the optionee's death or disability; or

- 8 -

- o Within 10 days after a notice is given by the Company to the optionees of the occurrence of a merger or a sale of all or substantially all of the Company's assets.

Payment for Options. An optionee may pay for shares in cash or such other mode of payment as the Committee may approve, including payment in shares held by the optionee. The optionee may, subject to the Committee's exclusive discretion, pay for the shares acquired by the optionee in cash or certified check in an amount equal to the par value of the common stock, with the remainder of the amount satisfied by issuance of an interest bearing promissory note in a form and under terms satisfactory to the Board.

Awards. The Committee will determine the period, during which the grantee may not sell, transfer, pledge or assign Restricted Shares (the "Restrictions"). Restrictions may lapse in installments, as determined by the Committee. The Committee may, at its sole discretion, waive any Restrictions in whole or in part. The Committee will determine the rights that grantees have with respect to Restricted Shares, including the right to vote Restricted Shares and the right to receive dividends paid with respect to Restricted Shares. In the event a grantee terminates employment with the Company for any reason other than death or disability, all Restricted Shares remaining subject to Restrictions will be forfeited by the grantee and canceled by the Company.

Provisions Relating to a Change of Control of the Company. Notwithstanding any other provision of the Plan, in the event of a Change of Control of the Company, all Options shall be immediately exercisable, and all

Edgar Filing: REPUBLIC FIRST BANCORP INC - Form DEF 14A

Restrictions on transfer of shares which were not forfeited under the terms of the Awards shall lapse.

A "Change of Control" will occur if: (a) any person (as used in Sections 13(d) or 14(d) of the Exchange Act) will become the beneficial owner of shares representing thirty percent (30%) or more of the combined voting power of the Company; (b) the Company is dissolved or liquidated; (c) subject to certain exceptions, an agreement to sell or dispose of substantially all of the assets of the Company is approved or an agreement to merge or consolidate the Company with or into another corporation is approved; or (d) a majority of the Board of Directors is comprised of persons who were not nominated by the Board for election as directors.

Amendment and Termination. The Board may amend the Plan at any time, provided the Board may not, without shareholders' approval: (a) materially increase the benefits accruing to eligible participants under the Plan; (b) increase the maximum number of shares as to which Options and Awards may be granted; (c) materially modify the requirements as to the eligibility for participation in the Plan; or (d) modify the provisions for determining the fair market value of a share of common stock. No outstanding Option or Award will be adversely affected by any such amendment without the consent of the optionee or grantee.

- 9 -

Stock Appreciation Rights. The Committee may grant SARs to any eligible participant in tandem with any Option. Each SAR will entitle the optionee to receive a payment upon exercise equal to the excess of the fair market value of a specified number of shares of common stock, determined as of the date the SAR is exercised, over the purchase price specified in the grant document applicable to the SAR. The SAR may be exercisable in whole or in part, and at such times and under such circumstances as are set forth in the grant document applicable to the SAR. The exercise of the SAR will result in a cancellation of the Option to the same extent as the SAR is exercised, and the exercise of the Option will result in a cancellation of the SAR to the same extent as the Option is exercised, and the terms and conditions, including the number of shares of Common Stock subject to the SAR, the "purchase price" (which will be equal to the Option exercise price) and the times and circumstances in which the SAR may be exercised, will be the same as are applicable to the Option. Payment of the SAR "purchase price" may be made either in shares of Common Stock or in cash or in any combination thereof. The grant document applicable to the Option shall include provisions indicating the SAR rights. SAR's will be exercisable only at such times and by such individuals as the related Option may be exercised under the Plan and applicable grant document.

New Plan Benefits. The Company cannot currently determine the number of shares that will be purchased by eligible participants under the Plan. On March 14, 2005, the closing price of the Company's common stock on the Nasdaq National Market was \$14.10 per share.

The Board of Directors approved the above described amendments to the Plan on February 15, 2005. Approval of the amendment to the Plan requires the affirmative vote of a majority of the votes cast by holders of common stock.

Recommendation of the Board of Directors

REPORT OF THE COMPENSATION AND OPTION COMMITTEE

The Compensation Committee and Option Committee (the "Committee") is responsible for reviewing the Company's compensation philosophy and programs and exercises oversight with respect to the payment of annual salary, bonuses, and stock-based incentives to directors and officers, and also exercises authority with respect to the administration of the stock incentive plans of the Company.

Compensation Philosophy and Practice

The Committee believes that leadership and motivation of the Company's employees is critical to the continued success of the Company. In support of this philosophy, the Committee structures its compensation programs to achieve the following objectives:

- o offer compensation opportunities that attract and retain exceptionally talented individuals, motivate individuals to perform at their highest levels, and reward achievements that further the business strategy of the Company;
- o link a significant portion of an executive's total compensation to the annual and long term financial performance of the Company and the creation of stockholder value; and
- o encourage executives to manage from the perspective of persons with ownership interests in the Company.

The Committee utilizes a formal executive incentive program under which achievement of specific net income, profit, quality and growth of assets are set early in the year and are considered when making compensation decisions. In reviewing the performance of executive officers whose compensation is detailed in this proxy statement other than Harry D. Madonna, the Company's Chief Executive Officer, the Committee also takes into account the views of Mr. Madonna. The Committee determines the compensation of the Chief Executive Officer without his participation.

Executive Officer Compensation Program

Base Salary. Base salary compensation is generally set within the ranges of salaries of executive officers with comparable qualifications, experience and responsibilities at other companies of similar size, complexity, revenues and growth potential taking into account the caliber and level of experience of management.

Annual Bonus Compensation. The Company's executive officers are

Edgar Filing: REPUBLIC FIRST BANCORP INC - Form DEF 14A

eligible for an annual cash bonus. Early in the year, the Committee establishes Company performance standards. During the past fiscal year, the corporate performance standards were based on growth in net income, commercial loans and increasing the quality of the Company's assets.

Management Stock Ownership. Under the Company's Amended and Restated Stock Option Plan and Restricted Stock Plan, stock options and shares of restricted stock may be granted to the executive officers and other key employees of the Company. The Committee

- 18 -

believes that it is important for the Company's executive officers to hold significant levels of stock ownership in order to align the interests and objectives for the executive officers with those of the Company's other stockholders. Furthermore, the Committee believes that awards under the Amended and Restated Stock Option Plan and Restricted Stock Plan provide incentives for improving the long-term performance of the Company and help retain superior talent in the Company's senior management. The Committee awards stock options and restricted shares, and determines the size of stock option and restricted share awards based on similar factors as are used to determine the base salaries and annual bonus amounts, including comparative compensation data.

Chief Executive Officer Compensation

In determining the compensation of the Company's Chairman and Chief Executive Officer, Harry D. Madonna, the Committee considered the demonstrated leadership he brings to the Company and the performance of the Company during the last fiscal year as measured against the Company performance standards established by the Committee and other factors deemed relevant by the Committee. Specifically, the Committee considered the Company's short-term loan program, the reduction in the amount of classified assets, the collection of problem loans, the retention of key personnel, the development of a quality senior management team, the growth in the dollar amount of commercial loans, the increasing shareholder value and the achievement of the net income target of the DE Bank. After comparing the Company's performance against the foregoing criteria, the Committee concluded that Mr. Madonna will receive a bonus in the amount of \$150,000.

Certain Relationships and Related Party Transactions

Certain of the directors of the Company and/or their affiliates have loans outstanding from the PA Bank. All such loans were made in the ordinary course of the PA Bank's business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with unrelated persons and, in the opinion of management, do not involve more than the normal risk of collectability or present other unfavorable features.

Mr. Madonna, the Chairman and Chief Executive Officer of the Company and the DE Bank, is also "Of Counsel" to the law firm of Spector Gadon & Rosen, P.C., Philadelphia, PA (the "Law Firm"). Mr. Madonna receives a salary from the Law Firm. In addition, the Company and the PA Banks utilize the services of the Law Firm for certain legal matters. In 2004, the Company paid \$1,250,432 in legal fees to the Law Firm, primarily for loan workout and collection matters.

Certain of the Company's directors continue to serve as directors of the DE Bank following the spin-off. The following important intercompany

Edgar Filing: REPUBLIC FIRST BANCORP INC - Form DEF 14A

agreements between the Company and the DE Bank have remained in force following the spin-off:

- o Financial Accounting and Reporting Services Agreement dated July 31, 2004;
- o Compliance Services Agreement dated July 31, 2004;
- o Operation and Data Processing Services Agreement dated July 31, 2004; and
- o Human Resources and Payroll Services Agreement dated July 31, 2004.

The agreements set forth above provide for data processing, accounting, human resources and compliance services. Following the spin-off, such services are provided by BSC Services Corporation, a subsidiary of the DE Bank. The PA Bank and the DE Bank reimburse BSC Services Corporation for actual costs incurred in connection with the provision of such services.

Other intercompany agreements which are currently in effect between the PA Bank and the DE Bank are:

- o an agreement dealing with the PA Bank's participation in tax anticipation loans made by the DE Bank. Tax anticipation loans short-term, small amount loans repayable out of the tax refund paid to the borrower, primarily from the U.S. Treasury. The agreement provides for the purchase by the PA Bank of such loans made by the DE Bank, which, due to its size, is more limited in the amount of such loans it can retain. The DE Bank retains a \$3 servicing fee for each tax anticipation loan sold to the PA Bank.
- o a sponsorship agreement pursuant to which the PA Bank acts as sponsor for the DE Bank Visa(R) and Mastercard(R) credit cards. Due to the limited asset size of the DE Bank, the DE Bank requires sponsorship from an institution with a larger

- 21 -

asset base in order to provide credit card services. The DE Bank pays the PA Bank \$50,000 a year for such sponsorship.

In addition, a wholly owned subsidiary of the DE Bank was formed after and pursuant to the spin-off and employs all the staff service employees, including the executive officers, which service the PA Bank and the DE Bank.
