HMG/COURTLAND PROPERTIES, INC.
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(Unaudited)

1. CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

In the opinion of the Company, the accompanying unaudited condensed consolidated financial statements prepared in accordance with instructions for Form 10-QSB, include all adjustments (consisting only of normal recurring accruals) which are necessary for a fair presentation of the results for the periods presented. Certain information and footnote disclosures normally included in the financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted. It is suggested that these condensed consolidated financial statements be read in conjunction with the Company's Annual Report for the year ended December 31, 2004. The balance sheet as of December 31, 2004 was derived from audited financial statements as of that date. The results of operations for the three months ended March 31, 2005 are not necessarily indicative of the results to be expected for the full year.

The condensed consolidated financial statements include the accounts of HMG/Courtland Properties, Inc. (the "Company") and entities in which the Company owns a majority voting interest or controlling financial interest. All material transactions and balances with consolidated and unconsolidated entities have been eliminated in consolidation or as required under the equity method.

2. SPA AT GROVE ISLE BEGINS OPERATIONS

As previously reported, in September 2004 the Company entered into an agreement with Noble House Associates, LLC ("NHA"), an affiliate of the Company's tenant at its Grove Isle property (Westgroup Grove Isle Associates, Ltd., or "Westgroup"), for the purpose of developing and operating on the Grove Isle property a commercial project consisting of a first class spa, together with related improvements and amenities (the "Spa Property"). The Spa Property construction has been completed and spa operations began in the first quarter 2005.

3. UNAUDITED PRO-FORM RESULTS OF OPERATIONS FOR ACQUISITION OF RESTAURANT, MARINA AND OFFICE/RETAIL PROPERTY, COCONUT GROVE, FLORIDA

As previously reported On August 20, 2004, the Company, through two 50%-owned entities, Bayshore Landing, LLC ("Landing") and Bayshore Rawbar, LLC ("Rawbar"), (collectively, "Bayshore") purchased a restaurant, office/retail and marina property located in Coconut Grove (Miami), Florida known as Monty's (the "Monty's Property") for approximately \$13.9 million. The following are the Company's results of operations for the three months ended March 31, 2005 with comparative results of operations for the three months ended March 31, 2004, as if the acquisition of the Monty's property had taken place at the beginning of the years.

4. INVESTMENTS IN MARKETABLE SECURITIES

Investments in marketable securities consist primarily of large capital corporate equity and debt securities in varying industries or issued by government agencies with readily determinable fair values. These securities are stated at market value, as determined by the most recent traded price of each security at the balance sheet date. Consistent with the Company's overall current investment objectives and activities its entire marketable securities portfolio is classified as trading.

Net gain (loss) from investments in marketable securities for the three months ended March 31, 2005 and 2004 is summarized below:

Description	Three Months Ended March 31,	
	2005	2004
Net realized gain (loss) from sales of securities	\$ 42,000	(\$ 8,000)
Unrealized net (loss) gain in trading securities	(34,000)	122,000
Total net gain from investments in marketable securities	\$ 8,000	\$ 114,000

For the three months ended March 31, 2005 net realized gain from sales of marketable securities of approximately \$42,000 consisted of approximately \$49,000 of gross gains net of \$7,000 of gross losses. For the three months ended March 31, 2004 net realized loss from sales of marketable securities of approximately \$8,000 consisted of approximately \$79,000 of gross losses net of \$71,000 of gross gains.

Investment gains and losses on marketable securities may fluctuate significantly from period to period in the future and could have a significant impact on the Company's net earnings. However, the amount of investment gains or losses on marketable securities for any given period has no predictive value and variations in amount from period to period have no practical analytical value.

5. OTHER INVESTMENTS

As of March 31, 2005, the Company has committed to invest approximately \$10.5 million in other investments primarily in private capital funds, of which approximately \$9.6 million has been funded. The carrying value of other investments (which reflects distributions and valuation adjustments) is approximately \$5.0 million. During the three months ended March 31, 2005 the Company has made follow-on contributions to four existing investments of approximately \$122,000 and has received approximately \$232,000 in distributions from other investments.

Net (loss) gain from other investments for the three months ended March 31, 2005 and 2004, is summarized below:

	2005	2004
Others, net	(\$133,000)	(\$ 3,000)
Real estate development and operation	--	38,000
Venture capital fund - technology	20,000	(104,000)
Income from investment in 49% owned affiliate (T.G.I.F. Texas, Inc.)	29,000	21,000
Total net (loss) gain from other investments	(\$ 84,000)	(\$ 48,000)

In March 2005, the Company reduced the remaining carrying value (approximately \$147,000) of one of its investments in a privately held company in the personal cosmetic industry. This investment experienced a decline in demand for its product which is believed to result in an other-than-temporary decline in the value of the investment. This write down is included in others, net in the table above.

In March 2004, the Company reduced the carrying value of one of its investments in a venture capital fund by \$104,000. This fund experienced a decline in the market value of its holdings in publicly-traded companies having a concentration in technology and communications.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

RESULTS OF OPERATIONS

The Company reported net income of approximately \$142,000 (or \$.13 per share) for the three months ended March 31, 2005. This is as compared with a net loss of approximately \$162,000 (or \$.15 per share) for the three months ended March 31, 2004.

As discussed further below, total revenues for the three months ended March 31,

Edgar Filing: HMG COURTLAND PROPERTIES INC - Form 10QSB

2005 as compared with the same period in 2004, increased by approximately \$1.8 million or 258%. Total expenses for the three months ended March 31, 2005, as compared with the same periods in 2004, increased by approximately \$1.9 million or 223%. There were no sales of properties for the three months ended March 31, 2005 as compared with gains of approximately \$48,000 for the three months ended March 31, 2004.

REVENUES

Rentals and related revenues for the three months ended March 31, 2005 as compared with the same comparable periods in 2004 decreased by \$46,000 (11%). This decrease was primarily due to decreased rental revenue of approximately \$89,000 as a result of the sale in April 2004 of the Fashion Square shopping center located near Jacksonville, Florida. This decrease in rental revenue was partially offset by increased rental revenue of approximately \$31,000 from the retail space of the Monty's property in Miami, Florida which was acquired in August 2004.

Food and beverage sales of \$1.6 million for the three months ended March 31, 2005 consists of sales from Bayshore Rawbar, LLC, which is the restaurant portion of the Monty's property acquired in August 2004.

Marina revenues for the three months ended March 31, 2005 as compared with the same comparable periods in 2004 increased by \$278,000 (or 238%). This increase was almost entirely from transient rental dockage fees from the marina at the Monty's property acquired in August 2004.

Spa revenues for the three months ended March 31, 2005 of approximately \$61,000 were from the newly constructed spa at the Grove Isle property which began operations in the first quarter 2005.

Net gain (loss) from investments in marketable securities for the three months ended March 31 2005 as a gain of approximately \$8,000, as compared with a net gain from investments in marketable securities of approximately \$114,000 for the same comparable period in 2004. For further details refer to Note 4 to Condensed Consolidated Financial Statements (unaudited).

Net loss from other investments for the three months ended March 31, 2005 was approximately \$84,000. This is as compared with a net loss of approximately \$48,000 for the same comparable period in 2004. The increase loss was primarily from the write down of one investment for \$147,000. For further details refer to Note 5 to Condensed Consolidated Financial Statements (unaudited).

(7)

Management's Discussion and Analysis of Financial
Condition and Results of Operations
(continued)

Interest and dividend income for the three months ended March 31, 2005 was approximately \$142,000 as compared with approximately \$79,000, for the same comparable period in 2004. The increase from last year of \$63,000 (or 80%) consists primarily of approximately \$20,000 interest income from notes receivable (Key West restaurant operator) and approximately \$29,000 increased

Edgar Filing: HMG COURTLAND PROPERTIES INC - Form 10QSB

interest and dividends from investments in bonds, other fixed income securities and equity securities which pay dividends.

EXPENSES

Expenses for rental and other properties for the three months ended March 31, 2005 increased by approximately \$96,000 (or 78%) as compared to that for the three months ended March 31, 2004. This increase was primarily due to operating expenses relating to the rental operations of the Monty's property acquired in August 2004.

Food and beverage cost of sales, labor and related costs and other operating costs are all related to the Monty's property acquired in August 2004.

Marina expenses for the three months ended March 31, 2005 increased by approximately \$100,000 (or 89%), as compared with the same comparable period in 2004. This was primarily due to increased operating expenses of the marina portion of Monty's property acquired in August 2004.

Spa expenses for the three months ended March 31, 2005 were approximately \$52,000 and all related to the opening of the spa at Grove Isle in the first quarter of 2005.

Depreciation expense for the three months ended March 31, 2005 increase by approximately \$83,000 (or 57%) primarily as the result of acquisition of property in August 2004.

Professional fees expense for the three months ended March 31, 2005 increased by approximately \$29,000 (or 100%) as compared with the same comparable period in 2004. This increase was primarily the result of an increase in professional services (accounting and legal) relating to the aforementioned acquisitions and improvements of properties.

Interest expense for the three months ended March 31, 2005 increased by approximately \$230,000 (or 204%), as compared with the same comparable period in 2004. This increase was primarily from new debt related to the acquisition of the Monty's property in August 2004.

EFFECT OF INFLATION:

Inflation affects the costs of operating and maintaining the Company's investments. In addition, rentals under certain leases are based in part on the lessee's sales and tend to increase with inflation, and certain leases provide for periodic adjustments according to changes in predetermined price indices.

(8)

Management's Discussion and Analysis of Financial
Condition and Results of Operations
(continued)

LIQUIDITY, CAPITAL EXPENDITURE REQUIREMENTS AND CAPITAL RESOURCES

The Company's material commitments in 2005 primarily consist of maturities of debt obligations of approximately \$3.9 million and commitments to fund private capital investments of approximately \$872,000 due upon demand. The funds

Edgar Filing: HMG COURTLAND PROPERTIES INC - Form 10QSB

necessary to meet these obligations are expected to be available from the proceeds of sales of properties or investments, refinancing, distributions from investments and available cash. The majority of maturing debt obligations for 2005 is a note payable to the Company's 49% owned affiliate, T.G.I.F. Texas, Inc. ("TGIF") of approximately \$3.7 million. This amount is due on demand. It is expected that this obligation when due to TGIF would be paid with funds available from distributions from its investment in TGIF and from available cash.

MATERIAL COMPONENTS OF CASH FLOWS

For the three months ended March 31, 2005, net cash used by operating activities was approximately \$11,000. Included in this amount are increased investments in marketable securities of approximately \$450,000 and increased other assets and other receivables of \$154,000. These uses of funds were partially offset by proceeds from sales of marketable securities of \$157,000, increased accounts payable and accrued expenses of \$172,000 and increased in margin payable to brokers and other liabilities.

For the three months ended March 31, 2005, net cash used in investing activities was approximately \$526,000. This was comprised primarily of improvements of properties of \$714,000, additions to mortgage loans and notes receivable of \$100,000 and contributions to other investments of \$131,000. These uses of funds were partially offset by distributions from other investments of \$235,000, collections of notes and advances from related parties of \$96,000 and collections of mortgage loans and notes receivable of \$88,000.

For the three months ended March 31, 2005, net cash used in financing activities was approximately \$35,000 consisting of repayments of mortgages and notes payable.

(9)
