About Global Sources

Global Sources creates and facilitates global trade between buyers and suppliers, by providing the right information, at the right time, in the right format. Our integrated sourcing and marketing solutions enable importers to buy, and exporters to sell, more effectively and profitably.

We aggregate and format industry-specific supplier and product information, and deliver this content to our buyer community worldwide through our leading network of 9 vertical marketplaces and 13 geographic portals, and through magazines, CD-ROMs, and private catalogs, as well as China Sourcing Fairs and technical events. Our flagship marketplace, Global Sources Online (www.globalsources.com), hosts more marketing and sourcing activity than any other global merchandise trade marketplace.

We serve a growing, independently certified community of over 402,000 active buyers in over 230 countries and territories. These buyers generate more than 3.8 million inquiries annually for nearly 140,000 suppliers through Global Sources Online alone. We offer extensive supplier enablement capabilities in Greater China and other leading supply markets through 63 content management offices and 700 sales representatives, who make approximately 40,000 supplier visits monthly. In mainland China, we have 22 years on-the-ground presence, supported by 900 team members in 43 locations throughout the country.

Global Sources' solutions are based on 33 years as a trade magazine publisher serving the global trade community, 13 years as a trade management software developer, 12 years as manager of trade shows in Asia, and 8 years as an online marketplace operator.
