Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Chairman of the Board
Chief Executive Officer

March 17, 2003

Dear Shareholder:

As you may be aware, Carnival Corporation and P&O Princess Cruises plc have agreed to combine their businesses strategically under a dual listed company structure, which we refer to as the Combined Group in the attached proxy statement/prospectus. The Combined Group will be the largest cruise vacation group in the world, based on revenues, passengers carried and available capacity. The Combined Group will operate a combined fleet of 65 cruise ships and will sail to all major cruise destinations outside the Far East. This is a significant transaction for Carnival and an important step in our history.

Under the DLC structure, the businesses of Carnival and P&O Princess will be combined principally through a series of contracts. Each company will continue to retain its separate legal identity, but the two companies will share a single senior executive management team, will have identical boards of directors and will be run as if they were a single economic enterprise. The two companies will pursue a common set of business objectives established by the identical boards and single management team, who will evaluate these strategies and other operational decisions from the perspective of all the shareholders.

Following completion of the transactions necessary to complete the DLC structure, you will continue to own the Carnival shares you currently own, but these shares will effectively reflect your economic interest in the Combined Group as a whole. On most matters that affect all of the shareholders of the Combined Group, you will vote together with the shareholders of P&O Princess on a combined basis. Carnival shares held by you and other current Carnival shareholders will represent at least 74% of the total equity and voting power of the Combined Group. Carnival shares are listed, and will continue to be listed, on the New York Stock Exchange under the symbol "CCL."

Information about the DLC transaction and proposed amendments to Carnival's articles of incorporation and by-laws in connection with the DLC structure is included in the accompanying proxy statement/prospectus. I urge you to read this material carefully and fully. You should also carefully consider the risk factors beginning on page 31.

Carnival's management believes that there will be significant benefits in sharing the best practices of the management teams of Carnival and P&O Princess across the Combined Group. The DLC transaction will allow the Combined Group to offer a wider range of vacation choices for its passengers and will enhance its ability to attract more passengers from land-based vacations. Carnival's board of directors is asking you to approve the Offer and Implementation Agreement and related transactions required to effect the DLC transaction, including necessary amendments to Carnival's articles of incorporation and by-laws, and the additional proposed amendments to Carnival's articles of incorporation and by-laws, as described in more detail in the accompanying proxy statement/prospectus.

We cannot complete the DLC transaction unless you and your fellow shareholders approve it by a vote of a majority of all outstanding Carnival shares. The board of directors of Carnival has unanimously approved the DLC transaction and recommends that you vote FOR the resolutions set out in the notice of the special meeting.

The board of directors has fixed the close of business on March 11, 2003 as the record date for the determination of shareholders entitled to vote at the meeting or any adjournment of the meeting.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Thank you for your ongoing support and continued interest in Carnival Corporation.

Sincerely,

/s/
Chairman of the Board and
Chief Executive Officer

QUESTIONS AND ANSWERS

This question-and-answer section highlights important information in this proxy statement/prospectus but does not contain all of the information that is important to you. You should carefully read this entire proxy statement/prospectus and the other documents we refer you to for a more complete understanding of the matters being considered at the special meeting.

Unless the context otherwise requires, references in this proxy statement/prospectus to "Carnival", "the Company", "we" or "us" are to Carnival Corporation and its subsidiaries, references to "P&O Princess" are to P&O Princess Cruises plc and its subsidiaries, and references to "the Combined Group" are references to the new enterprise resulting from the DLC transaction between us and P&O Princess.

About the DLC Transaction

Q: Why am I receiving these materials?

A: Our board of directors is providing these materials to you in connection with our special meeting and the DLC transaction referred to below. As a shareholder, you are invited to attend the meeting and are requested to vote on the proposals described in this proxy statement/prospectus.

Q: What am I being asked to vote on?

A: You are being asked to consider and vote upon proposals to implement a dual listed company, or "DLC", structure with P&O Princess, which we refer to in this document as the "DLC transaction". These proposals include approval of an Offer and Implementation Agreement and amendments to our articles of incorporation and by-laws. You are also being asked to approve amendments to our articles of incorporation and by-laws which, although consistent with the amendments relating to the DLC transaction, are not directly related to the DLC transaction.

Q: What is the DLC transaction?

A: The DLC transaction is a means of enabling us and P&O Princess to combine our management and operations as if we were a single economic enterprise, while retaining our separate legal identities. This will be accomplished through contractual arrangements and amendments to each company's governing documents. In addition, the governing documents of the two companies will be harmonized, to the extent practicable and permitted by law, to ensure our and P&O Princess' corporate procedures are substantially similar. As part of the DLC transaction, P&O Princess intends to change its name to Carnival plc at the extraordinary general meeting of P&O Princess shareholders. You will be voting on the changes to our governing documents (our articles of incorporation and by-laws) to give effect to these arrangements, as well as other amendments to our articles of incorporation and by-laws which, although consistent with the amendments relating to the DLC transaction, are not directly related to the DLC transaction.

Q: What votes are required to approve the DLC transaction?

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

A: The DLC transaction must be approved by our shareholders and P&O Princess shareholders. Our shareholders must approve the proposals at the special meeting by the affirmative vote of a majority of all outstanding Carnival shares entitled to vote at the special meeting. P&O Princess shareholders must approve the DLC transaction by not less than three-quarters of the votes cast at the P&O Princess extraordinary general meeting. Micky Arison, our Chairman and Chief Executive Officer, other members of the Arison family and trusts for their benefit have entered into undertakings under which they will be

1

required to cause shares beneficially owned by them representing approximately 47% of the voting power of Carnival to vote in favor of the resolutions required to implement the DLC structure at the special meeting. These undertakings are irrevocable except in circumstances where the DLC transaction is withdrawn or lapses.

Q: What is P&O Princess?

A: P&O Princess is a global cruise vacation company providing cruises to Alaska, the Caribbean, Europe, the Mediterranean, the Panama Canal and other exotic locations. P&O Princess also has a land-based tour operation division in Alaska. P&O Princess ordinary shares are listed on the London Stock Exchange, which we refer to in this document as the "LSE", and its American Depositary Shares are listed on the New York Stock Exchange, which we refer to in this document as the "NYSE". Both P&O Princess shares and P&O Princess ADSs trade under the symbol "POC" on their respective exchanges. You can learn more about P&O Princess by reading the documents P&O Princess has filed with the SEC. See "Where You Can Find More Information."

Q: Why does Carnival want to implement the DLC transaction?

A: Our board of directors believes that the DLC transaction is advantageous for Carnival and in the best interests of Carnival and its shareholders. Carnival has agreed to enter into the DLC transaction with P&O Princess in order to create the Combined Group. The transaction will allow the Combined Group to offer a wider range of vacation choices for its passengers and is expected to enhance its ability to attract more passengers from land-based vacations.

Q: What is the Combined Group?

A: The Combined Group, which reflects the businesses of Carnival and P&O Princess that will be managed and operated as if they were a single economic enterprise, will be the largest cruise vacation group in the world, based on revenue, passengers carried and available capacity. It will have a wide portfolio of complementary brands, both by geography and product offering, and will include some of the best known cruise brands globally. As of January 31, 2003, Carnival and P&O Princess, together, would have had a combined fleet of 65 cruise ships offering 99,982 lower berths, with 18 additional cruise ships with 42,260 lower berths scheduled to be added over the next three and a half years. The Combined Group will be a leading provider of cruises to all major cruise destinations outside the Far East. Carnival and P&O Princess together carried approximately 4.7 million passengers in fiscal 2002.

Q: Will P&O Princess become a subsidiary of Carnival?

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

A: No. P&O Princess will continue to exist as a separate publicly quoted company and its shares will continue to be listed on the LSE. Our board and the P&O Princess board will be identical and the Combined Group will be managed by a single senior executive management team. The two companies will pursue a common set of business objectives established by the identical boards and single management team, who will evaluate these strategies and other operational decisions from the perspective of all the shareholders.

Q: Will there be any transfer of assets between us and P&O Princess in connection with the DLC transaction?

A: No. The implementation of the DLC structure will not involve any transfer of assets between us and P&O Princess. Following completion of the DLC transaction, management of the Combined Group will determine whether assets will be owned by Carnival or P&O Princess as is most efficient and appropriate under the then prevailing circumstances. The

2

Combined Group will comprise all of the assets held by P&O Princess and Carnival immediately prior to the implementation of the DLC transaction. No transfer of assets between the two companies will affect the equalization ratio or the relative economic interests of Carnival shareholders and P&O Princess shareholders in the Combined Group.

Q: What will happen to my Carnival shares?

A: Upon completion of the DLC transaction, you will continue to own your Carnival shares and will keep your existing certificates, if you have any. Carnival shares will continue to be listed on the NYSE. In connection with the DLC transaction, Carnival shareholders will receive trust shares of beneficial interests in a special voting entity in the form of a trust that we are creating. Following completion of the DLC transaction, Carnival shares will trade together with the trust shares of beneficial interest in this special voting trust, which we refer to in this proxy statement/prospectus as the "P&O Princess Special Voting Trust". Separate stock certificates will not be issued to represent these trust shares of beneficial interest; instead, certificates representing your Carnival shares will also evidence these trust shares of beneficial interest. You should not turn in your Carnival stock certificates.

Q: What are the trust shares of beneficial interest?

A: The trust shares of beneficial interest will represent an interest in the P&O Princess Special Voting Trust. The trustee of the P&O Princess Special Voting Trust will hold the P&O Princess special voting share. This special voting share is the mechanism by which your votes at Carnival shareholders meetings will be given effect at the P&O Princess shareholders meetings for purposes of the joint electorate actions and class rights actions described below. The trust shares of beneficial interest will entitle you to receive any distributions made by the trust. However, as the sole purpose of the trust relates to the holding of the special voting share, it is not expected to make any distributions.

Q: Will I be voting on the issuance of the trust shares?

A: No. The trust shares will be distributed by way of a dividend declared by our board of directors.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Q: What will happen to my future dividends?

A: After completion of the DLC transaction, dividends declared by us will continue to be paid by us to our shareholders and dividends declared by P&O Princess will continue to be paid by P&O Princess to its shareholders. However, we will not be able to declare or pay a dividend without an equivalent dividend (before taxes and other deductions) being declared or paid by P&O Princess and vice versa. Dividends on both our shares and P&O Princess shares declared after completion of the DLC transaction will be paid at about the same time and in equalized amounts. Our payment of dividends in the future will depend on business conditions, our financial condition and earnings and the financial condition and earnings of the Combined Group, the ability of P&O Princess to pay an equivalent dividend and other factors. It is intended that the first dividend to be paid by the Combined Group will be declared in April 2003, with a record date in May 2003, and a payment date in June 2003.

Q: Will my voting rights change?

A: Yes. On most matters that affect all of the shareholders of the Combined Group, shareholders of Carnival and P&O Princess will effectively vote together as a single decision-making body on matters requiring the approval of shareholders of either

3

company. These matters will be specified in the governing documents of each company as "joint electorate actions". Combined voting will be accomplished through a special voting share, one to be issued by Carnival and held by a special voting entity set up by P&O Princess, and one to be issued by P&O Princess that will be held by the special voting entity in the form of a trust formed by Carnival. Certain matters where the interests of the two shareholder bodies may diverge will be specified in the governing documents of each company as "class rights actions". These class rights actions will be voted on separately by the shareholders of each company. If either group of shareholders does not approve a class rights action, that action generally cannot be taken by either company.

Q: Will I be asked to vote at P&O Princess meetings?

A: No. Your vote at Carnival shareholder meetings, for purposes of determining the outcome of combined voting, will automatically be reflected as appropriate at any parallel P&O Princess shareholders meeting through the mechanism of the special voting share.

Q: Who will be the directors and senior executive management team of the Combined Group?

A: We and P&O Princess will be managed and operated as if we were a single economic enterprise. Although we and P&O Princess will continue to exist as separate companies with its own board of directors and senior executive management, the boards and senior executive management of each company will be identical. The proposed directors of Carnival and P&O Princess following implementation of the DLC structure are listed under "Directors and Executive Officers of the Combined Group". In addition to their normal fiduciary duties to the company and obligation to have regard to the interests of its shareholders, the directors of each company will be entitled to have regard to the interests of the other company and its

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

shareholders. Micky Arison, our Chairman and Chief Executive Officer, will be the Chairman and Chief Executive Officer of both Carnival and P&O Princess, Howard S. Frank, our Vice-Chairman and Chief Operating Officer, will be the Vice-Chairman and Chief Operating Officer of both Carnival and P&O Princess and Gerald R. Cahill, our Chief Financial Officer and Chief Accounting Officer, will be the Chief Financial Officer and Chief Accounting Officer of both Carnival and P&O Princess. The headquarters of the Combined Group will be in Miami, Florida with a corporate office in London.

Q: How will the directors of Carnival and P&O Princess be elected?

A: Resolutions relating to the appointment, removal and re-election of directors will be considered as a joint electorate action and voted upon by the shareholders of each company effectively voting together as a single decision-making body. No person may be a member of the board of directors of Carnival or P&O Princess without also being a member of the board of directors of the other company.

Q: When will we elect the directors of Carnival and P&O Princess?

A: We and P&O Princess expect to hold our next annual meetings in June 2003 at which the re-election of each of the directors will be considered as joint electorate actions.

Q: What is the Partial Share Offer?

A: In connection with the DLC transaction, we are making a tender offer for up to 20% of P&O Princess' outstanding shares, which we refer to in this proxy statement/prospectus as the "Partial Share Offer." The Partial Share Offer is not being made to you and will not influence whether or not the DLC transaction will proceed. Any P&O Princess shares that we acquire in the

4

Partial Share Offer will not give us, or you, additional control over P&O Princess as those shares, under the terms of the agreements implementing the DLC transaction, will not have voting rights.

Q: What percentage of the Combined Group will be controlled by existing Carnival shareholders?

A: If the DLC transaction is approved, existing Carnival shareholders will hold approximately 74% of the equity of the Combined Group following its implementation. However, to the extent that P&O Princess shares are exchanged for Carnival shares under the Partial Share Offer, the percentage of the equity of the Combined Group represented by Carnival shares will increase. If the Partial Share Offer is taken up in full, approximately 79% of the equity of the Combined Group will be held through Carnival shares with the balance of the equity held through P&O Princess shares.

Q: What are the most significant conditions to the DLC transaction?

A: Completion of the DLC transaction is subject to certain conditions being satisfied or waived on or before September 30, 2003. The most important of these include:

- . approval of the shareholders of each of Carnival and P&O Princess;
- . the absence of action, or threatened action, by any governmental

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

authority that restrains, enjoins or otherwise prohibits the completion or performance of, or materially adversely affects, the DLC transaction and the other transactions contemplated by the Offer and Implementation Agreement;

- . effectiveness of the revised governing documents;
- . all relevant regulatory consents or approvals having been obtained;
- . the Partial Share Offer becoming unconditional (other than the condition regarding closing of the DLC transaction); and
- . approval by the NYSE of the listing of either the trust shares of beneficial interest or the P&O Princess special voting share, subject in either case only to official notice of issuance.

Q: When do you expect to complete the DLC transaction?

A: We are working to complete the DLC transaction as soon as possible. We hope to complete the DLC transaction as soon as we can following our special meeting and the extraordinary general meeting of P&O Princess shareholders, if the required shareholder approvals are obtained at those meetings. In addition to shareholder approvals, we must satisfy all of the other closing conditions specified in the Offer and Implementation Agreement. Subject to these conditions, we expect completion of the DLC transaction to take place early in the second quarter of 2003.

Q: What are the tax consequences of the DLC transaction?

A: Although there is no U.S. federal income tax authority addressing the tax consequences of a DLC transaction, we believe that the DLC transaction should not give rise to taxable income or gain for Carnival shareholders that are U.S. holders (as we use this term in this proxy statement/prospectus) for U.S. federal income tax purposes. However, the Internal Revenue Service may assert that Carnival shareholders received taxable income as a result of the various voting and equalization provisions necessary to implement the DLC structure, including the trust shares. We believe that such voting and other rights, if any, received by shareholders are expected to have only nominal value and, therefore,

5

the receipt of such rights by Carnival shareholders would only result in a nominal amount of income. It is possible, however, that the IRS may disagree with this conclusion.

Holders of Carnival shares should consult their independent professional advisers in the light of their particular circumstances as to the U.S. federal income tax consequences of the DLC transaction, as well as to the effect of any state, local or applicable foreign tax law.

Q: What accounting treatment and reporting requirements will be applicable to the Combined Group?

A: We expect that under U.S. GAAP the DLC transaction will be accounted for using the purchase method of accounting in accordance with Statement of Financial Accounting Standards No. 141 "Business Combinations". In accordance with the purchase method of accounting, the P&O Princess U.S. GAAP accounting policies will be conformed to our accounting policies upon

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

completion of the DLC transaction.

Following completion of the DLC transaction, P&O Princess will change its fiscal year end from December 31 to November 30 so that it will be the same as our current fiscal year end. The Combined Group intends to publish combined financial statements denominated in U.S. dollars and prepared in accordance with U.S. GAAP. We expect that these combined financial statements will be included in a combined annual report. P&O Princess expects to include summary balance sheet information and summary income statement information prepared in accordance with UK GAAP, without notes, in the annual report.

In addition, we and P&O Princess will file periodic and current reports with the SEC on a joint basis in accordance with the rules applicable to U.S. domestic reporting companies. The financial statements presented in the periodic reports will consist of combined financial statements of the Combined Group prepared in accordance with U.S. GAAP.

Q: What corporate governance requirements will apply to the Combined Group?

A: We and P&O Princess comply with, and the Combined Group will comply with, the applicable corporate governance requirements of the Sarbanes-Oxley Act of 2002 and the NYSE. P&O Princess will also continue to comply with the rules of the UK Listing Authority and the LSE.

Q: Should I vote?

A: Yes. The proposed DLC transaction is an important step in our history and your vote is critical to this process. Your board of directors unanimously believes the DLC transaction is in the best interests of Carnival's shareholders. Because the proposals contained in this proxy statement/prospectus require the approval of a majority of all outstanding shares entitled to vote at the special meeting, and not merely of those shares voted at the special meeting, your vote is all the more important. Please complete and send in the proxy card attached to this proxy statement/prospectus.

Q: Does the Carnival board recommend the DLC transaction?

A: Yes. Our board of directors unanimously recommends that you vote your shares FOR the proposals necessary to effect the DLC transaction. As of March 11, 2003, our directors and executive officers and their affiliates beneficially own an aggregate of 234,661,927 Carnival shares, which represents 39.8% of Carnival's outstanding shares. Our directors and executive officers intend to vote their Carnival shares FOR the proposals at the special meeting.

6

Q: Does the P&O Princess board recommend the DLC transaction?

A: Yes. The board of directors of P&O Princess has recommended that P&O Princess shareholders vote in favor of the DLC transaction. The directors and executive officers of P&O Princess beneficially own approximately 0.2% of P&O Princess' outstanding shares. The P&O Princess directors and executive officers intend to vote their shares in favor of the resolution to approve, among other matters, the DLC transaction at the P&O Princess extraordinary general meeting.

About the Special Meeting

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Q: When and where is the special meeting?

A: The special meeting is scheduled to be held as follows:

Date: April 14, 2003

Time: 10:00 a.m.

Place: Paul, Weiss, Rifkind, Wharton
& Garrison LLP
1285 Avenue of the Americas
New York, NY 10019

Q: Who can attend the meeting?

A: All shareholders of record as of March 11, 2003, or their duly appointed proxies, may attend the meeting, and each may be accompanied by one guest. Seating, however, is limited. Admission to the meeting will be on a first come, first served basis. Each shareholder may be asked to present valid picture identification, such as a driver's license or passport.

If you hold your shares through a stockbroker or other nominee, you will need to provide proof of ownership by bringing either a copy of the voting instruction card provided by your broker or a copy of a brokerage statement showing your share ownership as of March 11, 2003 together with proof of identification. Cameras, recording devices and other electronic devices will not be permitted at the meeting.

Q: What vote will be required to approve the proposals?

A: Approval of the Offer and Implementation Agreement and the amendments to our articles of incorporation and by-laws will require the vote of the holders of a majority of our outstanding shares of common stock entitled to vote on these proposals.

Q: What class of shares are entitled to be voted?

A: We have only one class of common stock outstanding. Each share of our common stock outstanding as of the close of business on March 11, 2003, the Record Date, is entitled to one vote at the special meeting. On the Record Date, we had approximately 586,972,729 shares of common stock issued and outstanding.

Q: What is the quorum requirement for the meeting?

A: The quorum requirement for holding the meeting and transacting business is a majority of the outstanding shares entitled to be voted. The shares may be present in person or represented by proxy at the meeting. Abstentions and broker non-votes are counted as present for the purpose of determining the presence of a quorum. Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (1) the broker has not received voting instructions from the beneficial owner and (2) the broker lacks discretionary voting power to vote such shares.

Q: What shares owned by me can be voted?

A: All shares owned by you as of March 11, 2003, the Record Date, may be voted by

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

you. These shares include those (1) held directly in your name as the shareholder of record, including shares purchased through our Dividend Reinvestment Plan and our Employee Stock Purchase Plan and (2) held for you as the beneficial owner through a stockbroker, bank or other nominee.

At the close of business on that day, 586,972,729 shares of our common stock were outstanding.

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: Most of our shareholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record

If your shares are registered directly in your name with our transfer agent, SunTrust Bank, you are considered, with respect to those shares, the shareholder of record, and this proxy statement/prospectus is being sent directly to you by us. As the shareholder of record, you have the right to grant your voting proxy directly to the persons named in the proxy or to vote in person at the meeting. We have enclosed a proxy card for you to use.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker or nominee who is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct your broker on how to vote and are also invited to attend the meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the meeting. Your broker or nominee has enclosed a voting instruction card for you to use.

Q: How can I vote my shares in person at the meeting?

A: Shares held directly in your name as the shareholder of record may be voted in person at the special meeting. If you choose to do so, please bring the enclosed proxy card and proof of identification.

Even if you plan to attend the special meeting, we recommend that you also submit your proxy as described below so that your vote will be counted if you later decide not to attend the meeting. Shares held in street name may be voted in person by you only if you obtain a signed proxy from the record holder giving you the right to vote the shares. Please refer to the voting instruction card included by your broker or nominee.

Q: How can I vote my shares without attending the meeting?

A: Whether you hold shares directly as the shareholder of record or beneficially in street name, you may direct your vote without attending the meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker or nominee. For shareholders of record, you may do this by signing your proxy card and mailing it in the enclosed envelope. If you provided specific voting instructions, your shares will be voted as you instruct. If you sign but do

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

not provide instructions, your shares will be voted as described below in "How are votes counted?".

In most instances, where your shares are held in street name, you will be able to do this over the Internet at www.carnivalcorp.com, by telephone or by mail. Please refer to the voting instruction card included by your broker or nominee.

8

Q: Can I change my vote?

A: You may change your proxy instruction at any time prior to the vote at the special meeting. For shares held directly in your name, you may accomplish this by granting a new proxy bearing a later date (which automatically revokes the earlier proxy) or by attending the special meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares owned beneficially by you, you may accomplish this by submitting new voting instructions to your broker or nominee.

Q: What happens if I do not vote?

A: Your vote is important. We cannot complete the DLC transaction unless the holders of a majority of the outstanding shares of Carnival common stock vote 'FOR' the proposals.

Q: Do I have any appraisal rights if I oppose the proposals?

A: No. Shareholders do not have the right to an appraisal of the value of their shares in connection with the proposals.

Q: How are votes counted?

A: You may vote "FOR", "AGAINST" or "ABSTAIN" from voting on the proposals set out in the notice of meeting. If you "ABSTAIN", it has the same effect as a vote "AGAINST". If you sign your proxy card or broker voting instruction card with no further instructions, your shares will be voted "FOR" the proposals set out in the notice of meeting.

Q: What does it mean if I receive more than one proxy or voting instruction card?

A: It means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting cards you receive.

Q: Where can I find the voting results of the meeting?

A: We will announce preliminary voting results at the meeting and publish final results via press release.

Q: What happens if additional proposals are presented at the meeting?

A: Other than the proposals described in this proxy statement/prospectus, we do not expect any matters to be presented for a vote at the special meeting. If you grant a proxy, the persons named as proxy holders, Micky Arison, our Chairman of the Board and Chief Executive Officer, and Arnaldo Perez, our Senior Vice President, General Counsel and Secretary, will have the

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

discretion to vote your shares on any additional matters properly presented for a vote at the meeting.

Q: Who will count the vote?

A: A representative of SunTrust Bank, our transfer agent, will tabulate the votes and act as the inspector of elections.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Carnival or to third parties except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, or (3) to facilitate a successful proxy solicitation by our board of directors. Occasionally, shareholders provide written comments on their proxy card which are then forwarded to management.

9

Q: Who will bear the cost of soliciting votes for the meeting?

A: We will pay the entire cost of preparing, assembling, printing, mailing and distributing this proxy statement/prospectus and soliciting votes for the meeting. We will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy materials to shareholders.

Q: What do I need to do now?

A: You should thoroughly read this proxy statement/prospectus and indicate on your proxy card how you want to vote your shares of common stock. You should sign and mail your proxy card in the enclosed envelope as soon as possible so that your shares of common stock may be represented at the special meeting on April 14, 2003. If you sign and send in your proxy card and do not indicate how you want to vote, your proxy will be counted as a vote "FOR" the proposals. If you abstain, your failure to vote will have the effect of a vote against the proposals.

On behalf of the Board of Directors

Arnaldo Perez
Senior Vice President,
General Counsel and Secretary

Dated: March 17, 2003

SUMMARY TERM SHEET FOR THE DLC TRANSACTION

This summary contains selected information from this proxy statement/prospectus and may not contain all of the information that is important to you. To understand the DLC transaction fully and to obtain a more complete description

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

of its terms, you should carefully read this entire document, including the Annexes, and the documents to which we refer you. See "Where You Can Find More Information".

The DLC transaction is a means of enabling us and P&O Princess to combine our management and operations as if we were a single economic enterprise, while retaining our separate legal identities. This will be accomplished through contractual arrangements (addressed in Proposal 1) and amendments to each company's governing documents. In addition, the governing documents of the two companies will be harmonized, to the extent practicable and permitted by law, to ensure our and P&O Princess' corporate procedures are substantially similar. You will be voting on the changes to our governing documents (our articles of incorporation and by-laws) to give effect to these arrangements (addressed in Proposal 2) as well as other amendments to our articles of incorporation and by-laws which, although consistent with the amendments relating to the DLC transaction are not directly related to the DLC transaction (Proposals 3, 4, 5 and 6).

Proposals To Be Voted On

Proposal 1--Approval of the Offer and Implementation Agreement (Page 104)

You are being asked to approve the Offer and Implementation Agreement, which is attached as Annex A-1, and related transactions required to effect the DLC transaction. The affirmative vote of the holders of a majority of all outstanding Carnival shares entitled to vote at the special meeting is required to approve the Offer and Implementation Agreement.

The Offer and Implementation Agreement sets forth the conditions which must be satisfied or waived by us and P&O Princess prior to completion of the DLC transaction and outlines the transactions to be effected at the closing of the DLC transaction. These include:

- .. amendments to our governing documents and the governing documents of P&O Princess;
- .. entry into the Equalization and Governance Agreement between us and P&O Princess, which will govern the future relationship of Carnival and P&O Princess under a dual listed company structure;
- .. issuance by each of us and P&O Princess of special voting shares; and
- .. election of the same individuals as members of the board of directors of each of Carnival and P&O Princess.

Our board of directors unanimously recommends a vote FOR the approval of the Offer and Implementation Agreement and related transactions.

Proposal 2--Approval of Amendments to Carnival's Articles of Incorporation and By-laws (Page 119)

You are also being asked to approve proposed amendments to our articles of association and by-laws (as reflected in our proposed Third Amended and Restated Articles of Incorporation and Amended and Restated By-laws, other than the amendments covered by Proposals 3, 4, 5 and 6). Our proposed Third Amended and Restated Articles of Incorporation and Amended and By-laws are attached as Annexes A-4 and A-5 to this proxy statement/prospectus. The affirmative vote of the holders of a majority of all outstanding shares of our common stock entitled to vote at the special meeting is required to approve the amendments to our articles of incorporation and by-laws.

Amendments to certain provisions of our existing articles of incorporation and

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

by-laws are necessary in order to harmonize the governing documents of Carnival and P&O Princess. Upon completion of the

11

DLC transaction, equivalent changes will be made to the governing documents of P&O Princess. These proposed amendments depart from our existing articles of incorporation and by-laws in areas such as the election and removal of directors, calling of shareholders' meetings and the vote required to approve certain matters. We are also eliminating the requirement that our annual meeting be held in March or April of each year so that we may hold our annual meeting at the same time P&O Princess holds its annual meeting.

We are proposing to increase our authorized capital stock to 2,000,000,000 shares, of which 1,959,999,998 are shares of common stock and 40,000,000 are shares of preferred stock. In connection with the DLC transaction, we will also have one share of special voting stock, which we refer to in this proxy statement/prospectus as a special voting share, and one share of special stock, which we refer to in this proxy statement/prospectus as the equalization share. You are being asked to vote separately on the proposal to increase in the number of shares of common stock that we have the authority to issue (Proposal 3), other than the increase of two shares (the special voting share and the equalization share), which are covered by Proposal 2 as they are directly related to the DLC transaction.

If approved, our Third Amended and Restated Articles of Incorporation would become effective when filed with the Public Registry Office of the Republic of Panama, which is planned to occur upon completion of the DLC transaction. The Amended and Restated By-laws would become effective at the same time. Approval of this proposal is a condition to the parties' obligation to complete the DLC transaction.

Our board of directors unanimously recommends a vote FOR the amendments to our articles of incorporation and by-laws.

The transactions contemplated by the Offer and Implementation Agreement will not be completed and the amendments to our articles of incorporation and by-laws in connection with the DLC transaction will not be effected unless Proposal 1 and Proposal 2 are approved by our shareholders and the DLC transaction is approved by the shareholders of P&O Princess.

Proposal 3 - Approval of Amendment to Carnival's Articles of Incorporation to Increase the Number of Shares of Common Stock Authorized for Issuance (Page 125)

You are also being asked to approve an amendment to our articles of incorporation to increase the number of shares of common stock that we have the authority to issue by 999,999,998 shares. The affirmative vote of the holders of a majority of all outstanding shares of our common stock is required to approve this amendment to our articles of incorporation.

Our board of directors unanimously recommends a vote FOR the amendment to our articles of incorporation to increase the number of shares of common stock that we have the authority to issue by 999,999,998 shares.

Proposal 4 - Approval of Amendment to Carnival's Articles of Incorporation to Reduce the Quorum Requirement for Board Meetings (Page 125)

You are also being asked to approve an amendment to our articles of incorporation to add a provision to reduce the quorum requirement for meetings of the board of directors from a majority, to one-third, of the total number of directors. The affirmative vote of the holders of a majority of all outstanding shares of our common stock is required to approve this amendment to our articles of incorporation.

12

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Our board of directors unanimously recommends a vote FOR the amendment to our articles of incorporation to reduce the quorum requirement for meetings of the board of directors from a majority, to one-third, of the total number of directors.

Proposal 5--Approval of Amendment to Carnival's By-Laws to Reduce the Quorum Requirement for Shareholder Meetings (Page 126)

You are also being asked to approve an amendment to our by-laws to reduce the quorum requirement for meetings of our shareholders from a majority, to one-third, of the total number of shares entitled to be cast at such meeting. The affirmative vote of the holders of a majority of all outstanding shares of our common stock entitled to vote at the special meeting is required to approve this amendment to our by-laws.

Proposal 6--Approval of Amendment to Carnival's By-Laws to Remove the Ability of Shareholders to Act by Written Consent (Page 126)

You are also being asked to approve an amendment to our by-laws to remove the ability of shareholders to act by written consent. The affirmative vote of the holders of a majority of all outstanding shares of our common stock entitled to vote at the special meeting is required to approve this amendment to our by-laws.

Proposals 3, 4, 5 and 6 are conditioned upon the approval of Proposals 1 and 2 by our shareholders. If the Offer and Implementation Agreement and related amendments to our articles of incorporation and by-laws are not approved by our shareholders, and the DLC transaction is not approved by the shareholders of P&O Princess, our authorized common stock will not be increased, the quorum requirement for director and shareholder meetings will not be reduced and shareholders will continue to have the ability to act by written consent. If any or all of Proposal 3, Proposal 4, Proposal 5 or Proposal 6 are not approved, such disapproval will have no effect on the DLC transaction.

Reasons for the DLC Transaction (Page 48)

We and P&O Princess have agreed to enter into the DLC transaction in order to create the Combined Group, which will reflect the businesses of Carnival and P&O Princess that will be managed and operated as if they were a single economic enterprise. The Combined Group will be the largest cruise vacation group in the world, based on revenue, passengers carried and available capacity. The DLC transaction will allow the Combined Group to offer a wider range of vacation choices for its passengers and will enhance its ability to attract more passengers from land-based vacations. As of January 31, 2003, Carnival, together with P&O Princess, would have had a combined fleet of 65 cruise ships offering 99,982 lower berths. The Combined Group will be a leading provider of cruises to all major destinations outside the Far East.

The DLC Structure (Page 50)

After giving effect to the DLC transaction, we and P&O Princess each will remain as a separate publicly quoted company, although we and P&O Princess will be managed and operated as if we were a single economic enterprise. Our board and the P&O Princess board will be identical and the Combined Group will be managed by a single senior executive management team. The two companies will pursue a common set of business objectives established by the identical boards and single management team, who will evaluate these strategies and other operational decisions from the perspective of all the shareholders. Some key features of the DLC structure are listed below.

- .. Our shares and, for the foreseeable future, P&O Princess American Depositary Shares, or ADSs, will continue to be listed on the NYSE and P&O Princess shares will continue to have their primary listing on the LSE.
- .. The implementation of the DLC structure will not involve any transfer of assets between us and P&O Princess. Following completion of the DLC transaction, management of the Combined Group will determine whether assets will be owned by Carnival or P&O Princess as is most efficient and

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

appropriate under the then prevailing circumstances. The Combined Group will comprise all of the assets held by P&O Princess and Carnival immediately prior to the implementation of the DLC transaction. No transfer of assets between the two companies will affect the equalization ratio or the relative economic interests of Carnival shareholders and P&O Princess shareholders in the Combined Group.

14

- .. Carnival shareholders will continue to hold their Carnival shares and P&O Princess shareholders will continue to hold their P&O Princess shares, unless P&O Princess shareholders elect to exchange their P&O Princess shares (up to a maximum of 20% of the outstanding shares of P&O Princess) for Carnival shares in the Partial Share Offer. If the full 20% is tendered in the Partial Share Offer, approximately 79% of the equity of the Combined Group will be held through Carnival shares and the balance will be held through P&O Princess shares.
- .. The economic and voting interests represented by an individual share in each company will be equalized based on a ratio, which we refer to in this proxy statement/prospectus as the "equalization ratio." The equalization ratio will initially be 0.3004 Carnival shares for each P&O Princess share and P&O Princess ADS. Upon completion of the DLC transaction, P&O Princess will reorganize and consolidate its share capital so that the equalization ratio will be one Carnival share for each P&O Princess share.
- .. The equalization ratio is subject to adjustment in a limited number of circumstances, as described in the section of this proxy statement/prospectus entitled "The Equalization and Governance Agreement--Equalization Ratio."
- .. As a result of the 1:1 equalization ratio, one Carnival share will have the same rights to distributions of income and capital and voting rights as one P&O Princess share. Carnival and P&O Princess shareholders initially will receive equal quarterly dividends. If the equalization ratio is adjusted to a value other than 1:1, Carnival and P&O Princess shares will no longer have equivalent rights, as described in the section of this proxy statement/prospectus entitled "The Equalization and Governance Agreement--Equalization Ratio."
- .. On most matters that affect all shareholders of the Combined Group, Carnival and P&O Princess shareholders will vote together as a single body. These matters are called joint electorate actions.
- .. On specified matters where the interests of Carnival shareholders may differ from the interests of P&O Princess shareholders, each shareholder body will vote separately as a class. These matters are called class rights actions and include, among others:
 - . transactions primarily designed to amend or unwind the DLC structure;
 - . adjustments to the equalization ratio not in accordance with the Equalization and Governance Agreement; and
 - . amendments to tax related provisions in Carnival's articles of incorporation.

No class rights action generally may be implemented unless approved by both shareholder bodies, which means that each shareholder body generally has a veto with respect to class rights actions.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

- .. We and P&O Princess each will continue to have separate boards of directors, but the boards and senior executive management of both companies will be identical. In addition to their normal fiduciary duties to the company and obligation to have regard to the interests of its shareholders, the directors of each company will be entitled to have regard to the interests of the other company and its shareholders.
- .. We and P&O Princess will execute cross-guarantees regarding all debt incurred after implementation of the DLC structure by either company as if we and P&O Princess were a single economic enterprise.
- .. Takeover restrictions will be in place so that, generally, no person will be able to obtain control over the Combined Group without making an offer to the shareholders of both companies on equivalent terms.
- .. Neither Carnival nor P&O Princess will be able to issue any shares carrying voting rights to the other, except on a pre-emptive basis to all shareholders, for two years following the date on which

15

the DLC structure is implemented. After expiration of the initial two-year period, for each of the subsequent three years neither Carnival nor P&O Princess may issue shares carrying voting rights to the other company, except on a pre-emptive basis to all shareholders, in excess of 5% per year of the issued or outstanding shares (calculated as at the first day in such annual period). Thereafter, there will be no restriction on the issuance of shares carrying voting rights to the other company or any of that company's subsidiaries. These restrictions may be varied by a class rights action.

- .. Shares held by one company in the other will not have voting rights unless such company holds 90% or more of the outstanding shares of the other.

Highlights of the Combined Group (Page 60)

The Combined Group will be the leading global cruise vacation operator with brands appealing to the widest target audience, focused on sourcing passengers from developed vacation markets where cruising is one of the largest and fastest growing vacation alternatives. We expect to market certain of the Combined Group's brands to enter into and expand developing vacation markets. In pursuit of this strategy, the companies of the Combined Group will seek to:

- .. Build on brand strengths

The Combined Group will have some of the most widely recognized cruise brands in North America, Europe, South America (primarily Brazil and Argentina) and Australia and will be a leading provider of cruise vacations to all of the key cruise destinations outside the Far East. We expect the Combined Group to continue to grow its brands and broaden and develop the range of its destinations, itineraries, tours and vacation alternatives.

- .. Increase global presence

The Combined Group will be one of the leading cruise vacation companies in the UK, Germany and southern Europe, which are three of the largest vacation markets outside of North America. We believe that the brand offering and diversified fleet of the Combined Group will enable it to accelerate the entry of cruising into existing and new geographical vacation markets.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

- .. Maximize growth through strategic deployment of its brands and fleet

The Combined Group expects to strategically deploy its diversified fleet in order to increase its global reach and enter new and developing markets. Such strategic deployment is expected to allow the Combined Group to appeal to the largest target audience with brands, products and itineraries with the widest appeal in a particular geographic region.

- .. Realize cost savings

Carnival and P&O Princess expect that the Combined Group will generate significant cost savings, estimated to be at least \$100 million on an annualized basis, commencing in the first full fiscal year following completion of the DLC transaction. Carnival and P&O Princess expect that these cost savings will be generated principally through the dissemination of best practices between the companies, economies of scale and the rationalization of certain shoreside operations. One-time cash costs of achieving these cost savings are expected to be approximately \$30 million.

Conditions to the DLC Transaction (Page 105)

Completion of the DLC transaction is subject to certain conditions being satisfied or waived on or before September 30, 2003. The most important of these include:

- .. approval of the shareholders of each of Carnival and P&O Princess;
- .. the absence of action, or threatened action, by any governmental authority that restrains, enjoins or otherwise prohibits the completion or performance of, or materially adversely affects, the DLC transaction and the other transactions contemplated by the Offer and Implementation Agreement;

16

- .. effectiveness of the revised governing documents of each of Carnival and P&O Princess;
- .. clearance of the DLC transaction under the European Commission merger regulation and all other relevant regulatory consents or approvals having been obtained;
- .. the Partial Share Offer becoming unconditional (other than the condition regarding completion of the Offer and Implementation Agreement); and
- .. approval by the NYSE of the listing of either the trust shares of beneficial interest or the P&O Princess special voting share, subject in either case only to official notice of issuance.

Termination of the Offer and Implementation Agreement (Page 108)

The Offer and Implementation Agreement may be terminated, and the DLC transaction abandoned, before the DLC transaction is scheduled to be completed if the P&O Princess board and Carnival board mutually agree to do so. In addition, the Offer and Implementation Agreement may be terminated, and the DLC transaction abandoned by action of either the Carnival board or the P&O Princess board, as applicable, if:

- .. the DLC transaction is not completed by September 30, 2003;

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

- .. any governmental authority of competent jurisdiction has issued a final, non-appealable order permanently restraining, enjoining or otherwise prohibiting completion of the DLC transaction or materially adversely affecting the DLC transaction;
- .. the shareholders of either party fail to approve the DLC transaction at the relevant shareholders' meeting called for the purpose of considering and voting upon the DLC transaction and other transactions necessary to complete the DLC transaction;
- .. the board of directors of the other party, at any time prior to the relevant shareholders' meeting, withdraws or adversely modifies its approval or recommendation of the DLC transaction or has resolved to take such action, or has failed to reconfirm such approval or recommendation at the request of the other party;
- .. the board of directors of the other party has recommended a superior acquisition proposal to its shareholders; or
- .. the other party materially breaches any representation, warranty, covenant or agreement contained in the Offer and Implementation Agreement that causes the failure of certain conditions to closing and such breach cannot be or has not been cured prior to termination.

Neither party may terminate the Offer and Implementation Agreement if that party has breached in any material respect its obligations under the Offer and Implementation Agreement and such breach contributed to the failure of the DLC transaction to be completed.

Termination Fee

In certain circumstances, if the Offer and Implementation Agreement is terminated, a termination fee of \$49.4 million, representing 1% of P&O Princess' market capitalization at the close of business on January 7, 2003, will be required to be paid by Carnival or P&O Princess.

No Consideration Payable

There is no consideration payable to us or you in connection with the DLC transaction. The consideration exchanged between us and P&O Princess will be the execution and delivery by each company of the agreements required to implement the DLC structure, including certain cross-guarantees regarding future debt of either company.

17

Required Vote

Approval of the Offer and Implementation Agreement (Proposal 1) and related transactions required to effect the DLC transaction, including the necessary amendments to our articles of incorporation and by-laws (Proposal 2) and the additional proposed amendments to our articles of incorporation and by-laws (Proposals 3, 4, 5 and 6) requires the affirmative vote of a majority of all outstanding Carnival shares entitled to vote at the special meeting.

Changes in Rights of Carnival Shareholders (Page 86)

In order to harmonize the governing documents of Carnival and P&O Princess and give effect to the DLC structure, it is necessary to amend certain provisions

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

of our existing articles of incorporation and by-laws. You are being asked to approve these amendments at the special meeting. The most important of these changes include:

- .. equalizing the economic and voting rights of shareholders of both companies based on the equalization ratio;
- .. providing that Carnival and P&O Princess shareholders vote together as a single body on most matters, except where the interests of the Carnival shareholders diverge from the interests of the P&O Princess shareholders or where the matter is procedural or technical;
- .. authorizing a special voting share as a means to implement the new voting arrangements;
- .. requiring any resolutions, other than resolutions relating to procedural or technical matters, to be voted on by the shareholders of both Carnival and P&O Princess;
- .. authorizing the Carnival board to consider the interests of both Carnival and P&O Princess and their shareholders; and
- .. adding additional takeover provisions so that, generally, no person will be able to obtain control over the Combined Group without making an offer to the shareholders of both companies on equivalent terms. These new takeover provisions are in addition to existing provisions in our articles of incorporation that prevent any person(s) (other than the Arison family and its permitted transferees) from acquiring more than 4.9% of the beneficial ownership of our shares. While both the mandatory offer protection and 4.9% ownership threshold remain in place, no third party other than the Arison family and trusts for their benefit will be able to acquire control of the Combined Group.

Special Voting Entities; Special Voting Shares (Page 52)

As a mechanism to effect the new voting arrangements resulting from the DLC structure, two new special voting entities will be formed:

- .. The Carnival Special Voting Entity (which will hold the special voting share to be voted at Carnival shareholders meetings, in order to give effect to the outcome of votes at a parallel P&O shareholders meeting for purposes of joint electorate actions and class rights actions) is a company whose shares will be held legally and beneficially owned by The Law Debenture Trust Corporation p.l.c., an independent trustee company incorporated in England and Wales.
- .. The P&O Princess Special Voting Trust (the trustee of which will hold the special voting share to be voted at the P&O Princess shareholders meetings, in order to give effect to the outcome of votes at a parallel Carnival shareholders meeting for purposes of joint electorate actions and class rights actions) will be a trust established under the laws of the Cayman Islands.

On completion of the DLC transaction, Carnival will issue the Carnival special voting share to the Carnival Special Voting Entity, and the P&O Princess special voting share will be transferred to the trustee of the P&O Princess Special Voting Trust.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Trust Shares of Beneficial Interest (Page 53)

Trust shares of beneficial interest in the P&O Princess Special Voting Trust will be transferred to Carnival. Immediately following this transfer, Carnival will distribute the trust shares of beneficial interest in the P&O Princess Special Voting Trust by way of a dividend to Carnival shareholders of record at the close of business on April 17, 2003. Separate certificates will not be issued to represent these trust shares of beneficial interest in the P&O Princess Special Voting Trust; instead, the trust shares of beneficial interest will be paired with, and evidenced by, certificates representing Carnival shares pursuant to a pairing agreement to be entered into between Carnival and the P&O Princess Special Voting Trust at closing of the DLC transaction.

Following completion of the DLC transaction, Carnival shares will trade in units consisting of one Carnival share and one trust share of beneficial interest in the P&O Princess Special Voting Trust. The trust shares of beneficial interest in the P&O Princess Special Voting Trust will entitle Carnival shareholders to receive any distributions made by the P&O Princess Special Voting Trust. As the sole purpose of the P&O Princess Special Voting Trust relates to the holding of the P&O Princess special voting share, it is not expected to make any distributions.

The P&O Princess special voting share will be voted based upon the outcome of voting at the relevant parallel meeting of Carnival shareholders, based on the votes cast by Carnival shareholders voting their Carnival shares.

Accounting Treatment (Page 55)

We expect to account for the DLC transaction as a purchase by Carnival of P&O Princess. We also expect that under U.S. GAAP the DLC transaction will be accounted for using the purchase method of accounting in accordance with Statement of Financial Accounting Standards No. 141 "Business Combinations". In accordance with the purchase method of accounting, the P&O Princess U.S. GAAP accounting policies will be conformed to our accounting policies upon completion of the DLC transaction.

United States Federal Income Tax Consequences (Page 55)

Although there is no U.S. federal income tax authority addressing the tax consequences of a DLC transaction, we believe that the DLC transaction should not give rise to taxable income or gain for U.S. Carnival shareholders that are U.S. holders for U.S. federal income tax purposes. However, the IRS may assert that U.S. Carnival shareholders received taxable income as a result of the various voting and equalization provisions necessary to implement the DLC structure, including the trust shares. We believe that such voting and other rights, if any, received by shareholders are expected to have only nominal value and, therefore, the receipt of such rights by U.S. Carnival shareholders would only result in a nominal amount of income. It is possible, however, that the IRS may disagree with this conclusion.

Holders of Carnival shares should consult their independent professional advisers in the light of their particular circumstances as to the U.S. federal income tax consequences of the DLC transaction, as well as to the effect of any state, local or applicable foreign tax law.

Regulatory Approvals (Page 55)

The DLC transaction is conditioned upon the receipt of certain regulatory approvals and consents. We have received clearance from the U.S. Federal Trade Commission and the European Commission for the DLC transaction, and therefore no further regulatory approvals are required.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

No Appraisal Rights (Page 55)

You have no right to an appraisal of the value of your shares in connection with the DLC transaction.

19

Mandatory Exchange (Page 110)

In certain limited circumstances following implementation of the DLC structure, P&O Princess shares, other than those held by us, may be subject to a mandatory exchange for Carnival shares at the then prevailing equalization ratio. A mandatory exchange can occur if there is a change in applicable tax laws, rules or regulations that the board of directors of P&O Princess reasonably determines is reasonably likely to have a material adverse effect on the Combined Group and the exchange is approved by 66 2/3% of the shareholders of P&O Princess and Carnival voting on a joint electorate action. A mandatory exchange can also be triggered if there is a change in the applicable non-tax laws, rules or regulations, as a result of which the board of directors of P&O Princess reasonably determines that it is reasonably likely that all or a substantial portion of the agreements that give effect to the DLC structure are unlawful, illegal or unenforceable. Were either of these changes to occur, we would issue additional shares to deliver to P&O Princess shareholders in accordance with the then prevailing equalization ratio and we would own 100% of P&O Princess. Your Carnival shares will not be subject to any mandatory exchange for P&O Princess shares.

Partial Share Offer

In connection with the DLC transaction, we are making a Partial Share Offer to P&O Princess shareholders to exchange all or part of their P&O Princess shares for Carnival shares, subject to an aggregate maximum of 20% of P&O Princess' outstanding shares. The Partial Share Offer is not being made to you. If the DLC transaction is not completed due to lack of shareholder approval or for any other reason, the Partial Share Offer will not be completed. The Partial Share offer is designed to allow those P&O Princess shareholders who would prefer to hold their interests in the Combined Group through Carnival shares listed on the NYSE to exchange P&O Princess shares for Carnival shares if the DLC transaction is completed. To the extent P&O Princess shares are exchanged in the Partial Share Offer, the aggregate equity interests in the Combined Group held through Carnival shares immediately after completion of the DLC transaction will increase from approximately 74% to a maximum of approximately 79%. In no event will the take up of the Partial Share Offer affect the equalization ratio.

Arison Family and Associates

Micky Arison (our Chairman and Chief Executive Officer, who will also become the Chairman and Chief Executive Officer of P&O Princess following completion of the DLC transaction), other members of the Arison family and trusts for their benefit have entered into undertakings under which they will be required to cause shares beneficially owned by them representing approximately 47% of the voting rights in Carnival to vote in favor of the proposals at the special meeting. These undertakings are irrevocable except in circumstances where the DLC proposal is withdrawn or lapses.

Following completion of the DLC transaction, Micky Arison, other members of the Arison family and trusts for their benefit will beneficially own shares representing approximately 35% of the combined voting power of the outstanding shares of the Combined Group. There are certain restrictions on their ability

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

to increase their aggregate holdings beyond 40% of the voting power of the Combined Group, unless they acquire additional shares or voting power by making comparable offers to acquire all the equity of the Combined Group.

We are, and following implementation of the DLC structure the Combined Group will be, capable of carrying on its operations independently of this group of controlling shareholders. Carnival has a policy to ensure that all transactions and relationships between it and its affiliated entities (which would include the controlling shareholders and entities controlled by them) are on an arm's-length basis and also on a normal commercial basis (i.e., it may not engage in business transactions with any affiliate on

20

terms and conditions less favourable to Carnival than the terms and conditions available at the time for comparable transactions with unaffiliated persons). On completion of the DLC transaction, P&O Princess will adopt a similar policy on transactions with this group of controlling shareholders so that, following implementation of the DLC structure, any business transactions between the Combined Group and this group of controlling shareholders will be at arm's length and on a normal commercial basis.

Cautionary Note Concerning Factors That May Affect Future Results (Page 40)

Certain statements contained in this proxy statement/prospectus are "forward-looking statements" that involve risks, uncertainties and assumptions with respect to us and P&O Princess and therefore, the Combined Group, including certain statements concerning the transactions described in this proxy statement/prospectus, future results, plans and goals and other events which have not yet occurred. You can find many (but not all) of these statements by looking for words like "will," "may," "believes," "expects," "anticipates," "forecasts," "future," "intends," "plans" and "estimates" and for similar expressions.

Because forward-looking statements involve risks and uncertainties, there are many factors that could cause the transactions described in this proxy statement/prospectus not to occur and/or each of our, P&O Princess' and the Combined Group's actual results, performance or achievements to differ materially from those expressed or implied in this proxy statement/prospectus. These factors include, but are not limited to, regulatory and shareholder approvals of the DLC transaction, achievement of expected benefits from the DLC transaction, risks associated with the combination of Carnival's and P&O Princess' businesses by means of a DLC structure and liquidity and index inclusion as a result of the implementation of the DLC structure, including a possible mandatory exchange.

(a) From June 1997 through September 28, 2000, Carnival owned 50% of Costa Cruises. On September 29, 2000, Carnival completed the acquisition of the remaining 50% interest in Costa. Carnival accounted for this transaction using the purchase accounting method. Prior to the fiscal 2000 acquisition, Carnival accounted for its 50% interest in Costa using the equity method. Commencing in fiscal 2001, Costa's results of operations have been consolidated in the same manner as Carnival's other wholly-owned subsidiaries. Carnival's November 30, 2000 and subsequent consolidated balance sheets include Costa's balance sheet. All statistical information prior to 2001 does not include Costa. (b) Effective December 1, 2001, Carnival adopted Statement of Financial Accounting Standards ("SFAS") No. 142, "Goodwill and Other Intangible Assets", which requires that companies stop amortising goodwill and requires an annual, or when events or circumstances dictate a more frequent, impairment review of goodwill. Accordingly, as of December 1, 2001, Carnival no longer amortises its goodwill. If goodwill had not been recorded for periods prior to December 1, 2001, Carnival's adjusted net income and

In addition, fiscal 2002 included a \$51 million income tax benefit as a result of a new Italian investment incentive, which allows Costa to receive an income tax benefit based on contractual expenditures during 2002 on construction of new ships. See Notes 4, 5 and 9 in Carnival's 2002 consolidated financial statements, which are incorporated by reference in this document.
- (d) The 1998 per share amounts have been adjusted to reflect a two-for-one stock split effective June 12, 1998.
- (e) Represents the total annual passenger capacity, assuming two passengers per cabin, that Carnival's ships offered for sale, which is computed by multiplying passenger capacity by ship operating days.
- (f) In accordance with cruise industry practice, occupancy percentage is calculated based upon two passengers per cabin even though some cabins can accommodate three or more passengers. The percentages in excess of 100% indicate that more than two passengers occupied some cabins.
- (g) Effective December 1, 2000, Carnival adopted SFAS No. 133, which requires that all derivative instruments be recorded on Carnival's balance sheet. Total assets at November 30, 2001 and 2002 included \$567 million and \$178 million, respectively, which represents the fair value of hedged firm commitments. See Note 2 in Carnival's 2002 consolidated financial statements, which are incorporated by reference in this document.

SELECTED HISTORICAL FINANCIAL DATA OF P&O PRINCESS

The selected financial data of P&O Princess presented below for fiscal 1998 through 2002 and as of the end of each such fiscal year are derived from P&O Princess' audited consolidated financial statements and should be read in conjunction with the audited consolidated financial statements and notes to

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

those accounts incorporated by reference in this proxy statement/prospectus.

P&O Princess' consolidated financial statements are presented on the basis that P&O Princess' cruise business and subsidiaries were part of its business and subsidiaries for all years presented or, if not owned by P&O Princess at all times during such period, from the date such businesses and subsidiaries were acquired by P&O Princess and/or until the date on which P&O Princess disposed of them, as applicable.

P&O Princess' consolidated financial statements have been prepared using P&O Princess' accounting policies in accordance with UK GAAP, which differ in some respects from U.S. GAAP. The notes to the P&O Princess audited consolidated financial statements for the year ended December 31, 2002, which are incorporated by reference in this proxy statement/prospectus, provide a description of the principal differences between U.S. GAAP and UK GAAP as they relate to P&O Princess and a reconciliation to U.S. GAAP of certain financial statement items.

- (a) Prior to the de-merger of P&O Princess from The Peninsular and Oriental Steam Navigation Company in 2000, no combined financial statements had been prepared for the companies and businesses comprising P&O Princess. The financial information for fiscal years 1998 and 1999 has been extracted from KPMG Audit Plc's accountants' report on P&O Princess contained in the listing particulars dated September 26, 2000 which were prepared for the de-merger.
- (b) In fiscal 2002, net operating costs under UK GAAP included U.S.\$117.0 million of transaction costs.
- (c) At January 1, 2002, P&O Princess adopted FRS 19. The 2001 balance sheet was restated to reflect full provision for deferred tax, an increase in deferred tax liabilities of \$108.1 million. The tax credit for the year to December 31, 2001 has been increased to reflect the elimination of the majority of future potential tax liabilities upon P&O Princess' election to enter the UK tonnage tax regime by \$96.8 million. The profit and loss account and balance sheet information for each of the three years ended December 31, 2000 have also been restated for the adoption of Financial Reporting Standard 19: Deferred Tax.
- (d) Defined as profit before fixed charges (excluding capitalized interest) and taxation divided by fixed charges. Fixed charges consist of the net interest expense in the profit and loss account, interest capitalized in respect of ships and other fixed assets and an estimate of the interest implicit in operating lease rentals.
- (e) At January 1, 2001, P&O Princess adopted SFAS No. 133. The cumulative effect of the change in this accounting policy at that date was a charge of \$9.0 million, which is included in net income for fiscal 2001. The basic and diluted earnings per share for fiscal 2001 is after the cumulative effect of the change in this accounting principle.
- (f) Under UK GAAP the year ended December 31, 2001 includes a tax credit of \$97.5 million, comprising a credit from the release of deferred tax on entry into the tonnage tax regime of \$192.5 million and tax charges arising from internal corporate restructuring of \$95.0 million. The U.S. GAAP tax credit for the year ended December 31, 2001 is for the release of deferred taxes.
- (g) Effective January 1, 2002, P&O Princess adopted SFAS No 142, which requires that companies stop amortizing goodwill and requires an annual, or when events or circumstances dictate a more frequent, impairment review of goodwill. Accordingly, as of January 1, 2002 P&O Princess no longer amortizes its goodwill. If goodwill had not been recorded for periods prior to January 1, 2002 P&O Princess' adjusted net income and adjusted basic and diluted earnings per share would have been as follows:

SELECTED UNAUDITED PRO FORMA FINANCIAL DATA

The following selected unaudited pro forma financial data give pro forma effect to the DLC transaction, after giving effect to the pro forma adjustments described in the notes accompanying the unaudited pro forma financial information of the Combined Group included in this proxy statement/prospectus. We have prepared the unaudited pro forma financial information from, and you should read the data in conjunction with, the historical consolidated financial statements, including the related notes, of Carnival and P&O Princess that we

have incorporated by reference in this proxy statement/prospectus.

We have prepared the unaudited pro forma financial data in accordance with U.S. GAAP and in accordance with Carnival's accounting policies under U.S. GAAP. U.S. GAAP differs in certain respects from UK GAAP, and Carnival's accounting policies under U.S. GAAP differ in certain respects from P&O Princess' accounting policies under UK GAAP and U.S. GAAP. The notes to the P&O Princess audited consolidated financial statements for the year ended December 31, 2002, which are incorporated by reference in this proxy statement/prospectus, describe the principal differences between U.S. GAAP and UK GAAP as they relate to P&O Princess.

COMPARATIVE PER SHARE DATA

The following table sets forth selected historical and pro forma per share data for Carnival and historical and pro forma equivalent per share data for P&O Princess prepared in accordance with U.S. GAAP. The unaudited pro forma net income and book value data give effect to the transaction as if it was completed on November 30, 2002 for balance sheet purposes and December 1, 2001 for statement of operations purposes and are based on the unaudited pro forma combined financial information of Carnival and P&O Princess prepared in accordance with U.S. GAAP included in this proxy statement/prospectus. The unaudited pro forma per share data should be read in conjunction with the historical audited and unaudited consolidated financial statements and related notes of Carnival included in "Selected Historical Financial and Operating Data

of Carnival" and the historical audited and unaudited consolidated financial statements and related notes of P&O Princess included in "Selected Historical Financial Data of P&O Princess". The P&O Princess pro forma equivalent per share data were calculated by multiplying the Carnival pro forma per share data by an exchange ratio of 0.3004.

The unaudited pro forma combined per share data may not be indicative of the operating results or financial position that would have occurred if the DLC transaction had been completed at the beginning of the period indicated, and may not be indicative of future operating results or financial position.

The following table sets out (i) the closing middle-market quotations for P&O Princess shares as derived from the London Stock Exchange Daily Official List, (ii) the closing price per P&O Princess ADSs as reported on the NYSE Composite Transactions Tape, (iii) the closing stock price of Carnival shares as reported on the NYSE Composite Transactions Tape, (iv) the "equivalent per ordinary share price" (as defined below) of P&O Princess shares and (v) the "equivalent per ADS price" (as defined below) of P&O Princess ADSs on:

- .. November 19, 2001 (the last business day prior to the date of the announcement that P&O Princess and Royal Caribbean announced that they had entered into an agreement to implement a dual listed company structure);
- .. October 23, 2002 (the last business day prior to the public announcement of pre-conditional proposal for the DLC transaction and the Partial Share Offer); and
- .. March 12, 2003 (the latest practicable date prior to the mailing of this document).

The "equivalent per ordinary share price" of the P&O Princess shares and the "equivalent per ADS price" of P&O Princess ADSs represents the value that would have been received by a P&O Princess shareholder accepting the Partial Share Offer for each P&O Princess share or P&O Princess ADS at these prices of Carnival shares, calculated by multiplying the applicable middle-market quotation for Carnival shares by 0.3004 and 1.2016, respectively, which is the fraction of a Carnival share being offered in exchange for each of the issued P&O Princess shares and P&O Princess ADSs, respectively, in the Partial Share Offer.

RISK FACTORS

In addition to the other information contained in or incorporated by reference into this proxy/prospectus (including the risk factors contained in Carnival's Annual Report on Form 10-K for the year ended November 30, 2002 and P&O Princess' Annual Report on Form 20-F for the year ended December 31, 2002), you should consider the following risk factors before deciding how to vote on the DLC transaction.

Risks relating to the DLC transaction

Benefits from the DLC structure may not be achieved to the extent or within the

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

time period currently expected, which could eliminate, reduce and/or delay the improvements in cost savings and operational efficiencies expected to be generated by the DLC structure.

Following completion of the DLC transaction, we and P&O Princess will be managed as if we were a single economic enterprise. We expect the combination of Carnival and P&O Princess under the DLC structure to enable us to achieve cost savings through synergies as well as enhanced operational efficiencies. However, we may encounter substantial difficulties during this process that could eliminate, reduce and/or delay the realization of the cost savings and synergies that we currently expect. Among other things, these difficulties could include:

- .. loss of key employees;
- .. inconsistent and/or incompatible business practices, operating procedures, information systems, financial controls and procedures, cultures and compensation structures between us and P&O Princess;
- .. unexpected integration issues and higher than expected integration costs; and
- .. the diversion of management's attention from day-to-day business as a result of the need to deal with integration issues.

As a result of these difficulties, the actual cost savings and synergies generated by the DLC structure may be less, and may take longer to realize, than we currently expect.

The structure of the DLC transaction involves risks not associated with the more common ways of combining the operations of two companies and these risks may have an adverse effect on the economic performance of the companies and/or their respective share prices.

The DLC structure is a relatively uncommon way of combining the management and operations of two companies and it involves different issues and risks than those associated with the other more common ways of effecting such a combination, such as a merger or exchange offer to create a wholly owned subsidiary. In the DLC transaction, the combination will be effected primarily by means of contracts between us and P&O Princess and not by operation of a statute or court order. The legal effect of these contractual rights may be different than the legal effect of a merger or amalgamation under statute or court order and there may be difficulties in enforcing these contractual rights. In addition, the contracts will be enforceable only by the companies and not directly by their shareholders. Nevertheless, shareholders of either company might challenge the validity of the contracts or their lack of standing to enforce rights under these contracts, and courts may interpret or enforce these contracts in a manner inconsistent with the express provisions and intentions of Carnival and P&O Princess expressed in such contracts. In addition, shareholders of other companies might successfully challenge other dual listed company structures and establish legal precedents that could increase the risk of a successful challenge to the DLC transaction. The Combined Group will maintain two separate public companies and comply with both Panamanian corporate law and English company and securities laws and different regulatory and stock exchange requirements in the UK and the U.S. This is likely to require more administrative time and cost than is currently the case for each company, which may have an adverse effect on the Combined Group's operating efficiency.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

The shares of Carnival and P&O Princess may not trade in line with the equalization ratio.

The economic interests of the shares of Carnival and P&O Princess will be contractually aligned in accordance with the equalization ratio. However, because the shares of the two companies will remain outstanding, will not be exchangeable for each other at the option of the shareholder and will primarily trade in separate markets with different characteristics and in different currencies, the relative market prices of the shares of Carnival and P&O Princess may not exactly reflect the equalization ratio. P&O Princess shares could trade at a discount to the Carnival shares because P&O Princess shares will represent between 21% and 26% of the equity of the Combined Group.

Courts may interpret or enforce the contracts and other instruments that effect the DLC structure in a manner inconsistent with the express provisions and intentions of Carnival and P&O Princess.

Various provisions of the Equalization and Governance Agreement, the companies' articles and the cross guarantees are intended to ensure that, as far as practicable, the shareholders of the Combined Group are treated equitably in the event of insolvency of either or both companies and in accordance with the equalization ratio, regardless of where the assets of the Combined Group reside. Courts may interpret or enforce these contracts in a manner inconsistent with the express provisions and intentions of Carnival and P&O Princess expressed in such contracts. For instance, a bankruptcy court may not choose to follow our contractual way of allocating liabilities and assets. Therefore, were assets transferred between the two companies, a court, faced with the liquidation or dissolution of either company, may not adhere to the equalization ratio and the rights of shareholders of the company from which assets were transferred may be adversely affected.

Economic returns on shares of Carnival and P&O Princess will be dependent upon the economic performance of the Combined Group and the inability of one company to pay dividends may limit or prevent the payment of dividends by the other.

Upon implementation of the DLC structure, the dividends paid on shares of Carnival and P&O Princess will depend primarily on the economic performance of the assets of both companies of the Combined Group. Therefore, the past performance of P&O Princess shares and Carnival shares may not reflect the future performance of these shares. Additionally, if one company is unable to pay dividends on its shares, the other company must make such payments to the other and/or scale back its dividend in order to equalize the distributions in accordance with the equalization ratio. After taking into consideration the actions necessary to equalize such distributions, both companies may be limited in their ability, or unable, to pay dividends.

Changes under the Internal Revenue Code, applicable U.S. income tax treaties, and the uncertainty of the DLC structure under the Internal Revenue Code may adversely affect the U.S. federal income taxation of the U.S. source shipping income of the Combined Group.

We and P&O Princess believe that substantially all of the U.S. source shipping income of each of Carnival and P&O Princess qualifies for exemption from U.S. federal income tax, either under:

- . Section 883 of the Internal Revenue Code;
- . as appropriate in the case of P&O Princess and its UK resident subsidiaries, under the U.S.-UK Income Tax Treaty; or
- . other applicable U.S. income tax treaties,

and should continue to so qualify after completion of the DLC transaction. There is, however, no existing U.S. federal income tax authority that directly addresses the tax consequences of implementation of a dual listed company structure such as the DLC structure for purposes of Section 883 or any other provision of the Internal Revenue Code or any income tax treaty and, consequently, the matters discussed above are not free from doubt. See "The Combined Group--Taxation of the Combined Group--U.S. Taxation."

To date no final U.S. Treasury regulations or other definitive interpretations of the relevant portions of Section 883 have been promulgated, although regulations have been proposed. Any such final regulations or official interpretations could differ materially from our interpretation of this Internal Revenue Code provision and, even in the absence of differing regulations or official interpretations, the Internal Revenue Service might successfully challenge either or both Carnival's and P&O Princess' interpretation. In addition, the provisions of Section 883 are subject to change at any time by legislation. Moreover, changes could occur in the future with respect to the trading volume or trading frequency of Carnival shares and/or P&O Princess shares on their respective exchanges or with respect to the identity, residence, or holdings of Carnival's and/or P&O Princess' direct or indirect shareholders that could affect the eligibility of Carnival and its subsidiaries and/or certain members of the P&O Princess Group otherwise eligible for the benefits of Section 883 to qualify for the benefits of the Section 883 exemption. Accordingly, it is possible that Carnival and its ship-owning or operating subsidiaries and/or certain members of the P&O Princess Group whose tax exemption is based on Section 883 may lose this exemption. If any such corporation were not entitled to the benefits of Section 883, it would be subject to U.S. federal income taxation on a portion of its income, which would reduce the net income of such corporation. As used in this proxy statement/prospectus, "P&O Princess Group" means P&O Princess, its subsidiaries and its subsidiary undertakings.

As noted above, P&O Princess believes that substantially all of the U.S. source shipping income of P&O Princess and its UK resident subsidiaries qualifies for exemption from U.S. federal income tax under the U.S.-UK Income Tax Treaty. The U.S.-UK Income Tax Treaty has been renegotiated and signed but is pending ratification by the U.S. P&O Princess believes that substantially all of the U.S. source shipping income of the companies referred to above should qualify for exemption from U.S. federal income tax under such treaty if, and as of when, the pending treaty comes into force. In addition, certain companies of the Combined Group may rely on other U.S. income tax treaties for similar exemptions from U.S. taxation on U.S. source shipping income. We and P&O Princess do not believe that the DLC transaction will affect the ability of these corporations to continue to qualify for such treaty benefits. There is, however, no authority that directly addresses the effect, if any, of DLC arrangements or the availability of benefits under the treaties and, consequently, the matter is not free from doubt.

These treaties may be abrogated by either applicable country, replaced or modified with new agreements that treat shipping income differently than under the agreements currently in force. If any of the corporations discussed in the paragraph above that currently qualify for exemption from U.S. source shipping income under any applicable U.S. income tax treaty do not qualify for benefits under the existing treaties or if the existing treaties are abrogated, replaced or materially modified in a manner adverse to the interests of any such corporation and, with respect to U.S. federal income tax only, such corporation does not qualify for Section 883 exemption, such corporation may be subject to U.S. federal income taxation on a portion of its income, which would reduce the

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

net income of any such corporation.

33

A small group of shareholders will collectively own approximately 35% of the total combined voting power of the outstanding shares of the Combined Group and may be able to effectively control the outcome of shareholder voting.

A group of shareholders, comprising certain members of the Arison family, including Micky Arison, and trusts established for their benefit, which currently beneficially owns approximately 47% of the voting power of Carnival, will own shares entitled to constitute a quorum at shareholder meetings and to cast approximately 35% of the total combined voting power of the outstanding shares of the Combined Group. Depending upon the nature and extent of the shareholder vote, this group of shareholders may have the power to effectively control, or at least to influence substantially, the outcome of shareholder votes and, therefore, the corporate actions requiring such votes.

Following completion of the DLC transaction, fewer shares of P&O Princess will be required to approve resolutions at P&O Princess shareholder meetings than would otherwise be the case because:

- . P&O Princess shares acquired by Carnival in the Partial Share Offer (potentially up to 20% of its outstanding shares) or otherwise generally will not have voting rights; and
- . votes at P&O Princess shareholder meetings generally will be carried out based on the percentage of shares voting, rather than based on the number of shares outstanding.

Provisions in the Carnival and P&O Princess governing documents may prevent or discourage takeovers and business combinations that shareholders in the Combined Group might consider in their best interests.

Our articles of incorporation and by-laws and P&O Princess' articles will contain provisions that may delay, defer, prevent or render more difficult a takeover attempt that shareholders in the Combined Group might consider to be in their best interests. For instance, these provisions may prevent shareholders in the Combined Group from receiving a premium to the market price of Carnival shares and/or P&O Princess shares offered by a bidder in a takeover context. These additional takeover restrictions provide, generally, that no person will be able to obtain control of the Combined Group without making an offer to the shareholders of both companies on equivalent terms. Even in the absence of a takeover attempt, the existence of these provisions may adversely affect the prevailing market price of Carnival shares or P&O Princess shares if they are viewed as discouraging takeover attempts in the future.

Specifically, our articles of incorporation contain provisions that prevent third parties, other than the Arison family and trusts for their benefit, from acquiring beneficial ownership of more than 4.9% of the outstanding Carnival shares without the consent of our board of directors and provide for the lapse of rights, and sale, of any shares acquired in excess of that limit. In addition, our and P&O Princess' governing documents will contain provisions that would apply some of the anti-takeover protections provided by the UK Takeover Code to both companies. No third party, other than the Arison family and trusts for their benefit, may acquire additional shares or voting control over shares in either company, if such person would then be able to cast 30% or more of the votes which could be cast on a joint electorate action, without making an equivalent offer for the other company. Our articles and by-laws will provide that Carnival shareholders cannot act by written consent. The combined

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

effect of these provisions may preclude third parties from seeking to acquire a controlling interest in either company in transactions that shareholders might consider to be in their best interests and may prevent them from receiving a premium above market price for their shares. These provisions may only be amended by both sets of shareholders, voting separately as a class, in a class rights action.

Risks relating to the Combined Group's businesses

The Combined Group may lose business to competitors throughout the vacation market.

The Combined Group will operate in the vacation market, and cruising is one of many alternatives for people choosing a vacation. The Combined Group will therefore risk losing business not only to other

34

cruise lines, but also to other vacation operators that provide other leisure options, including hotels, resorts and package holidays and tours.

The Combined Group will face significant competition from other cruise lines, both on the basis of cruise pricing and also in terms of the nature of ships and services it will offer to cruise passengers. The Combined Group's principal competitors within the cruise vacation industry will include:

- .. Royal Caribbean Cruises Ltd., which owns Royal Caribbean International and Celebrity Cruises;
- .. Norwegian Cruise Line and Orient Lines;
- .. Disney Cruise Line;
- .. MyTravel's Sun Cruises, Thomson, Saga and Fred Olsen in the UK;
- .. Festival Cruises, Hapag-Lloyd, Peter Deilmann and Phoenix Reisen in Germany;
- .. Festival Crusies, Mediterranean Shipping Cruises, Royal Olympia Cruises and Louis Cruise Line in southern Europe;
- .. Crystal Cruises;
- .. Radisson Seven Seas Cruise Line; and
- .. Silversea Cruises.

The Combined Group will also compete with land-based vacation alternatives throughout the world, including, among others, resorts and hotels located in Las Vegas, Nevada, Orlando, Florida, various Caribbean, Mexican, Bahamian and Hawaiian Island destination resorts and numerous vacation destinations throughout Europe and the rest of the world.

In the event that the Combined Group does not compete effectively with other vacation alternatives and cruise companies, its market share could decrease and its results of operations and financial condition could be adversely affected.

Overcapacity within the cruise and competing land-based vacation industry could have a negative impact on net revenue yields, increase operating costs, result in ship asset impairments and could adversely affect profitability.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Cruising capacity has grown in recent years and we and P&O Princess expect it to continue to increase over the next three and a half years as all of the major cruise vacation companies are expected to introduce new ships. In order to utilize new capacity, the cruise vacation industry will need to increase its share of the overall vacation market. The overall vacation market is also facing increases in land-based vacation capacity, which also will impact the Combined Group. Failure of the cruise vacation industry to increase its share of the overall vacation market could have a negative impact on the Combined Group's net revenue yields. Should net revenue yields be negatively impacted, the Combined Group's results of operations and financial condition could be adversely affected, including the impairment of the value of its ship assets. In addition, increased cruise capacity could impact the Combined Group's ability to retain and attract qualified crew at competitive costs and, therefore, increase the Combined Group's shipboard employee costs.

The international political and economic climate and other world events affecting safety and security could adversely affect the demand for cruises and could harm the Combined Group's future sales and profitability.

Demand for cruises and other vacation options has been, and is expected to continue to be, affected by the public's attitude towards the safety of travel, the international political climate and the political climate of destination countries. Events such as the terrorist attacks in the U.S. on September 11, 2001

35

and the threat of additional attacks, the outbreak of hostilities or war or concerns that hostilities or war might break out, including the possibility of military action against Iraq, and national government travel advisories, together with the resulting political instability and concerns over safety and security aspects of traveling, have had a significant adverse impact on demand and pricing in the travel and vacation industry and may continue to do so in the future. Demand for cruises is also likely to be increasingly dependent on the underlying economic strength of the countries from which cruise companies source their passengers. Economic or political changes that reduce disposable income or consumer confidence in the countries from which the Combined Group will source its passengers may affect demand for vacations, including cruise vacations, which are a discretionary purchase. Decreases in demand could lead to price discounting which, in turn, could reduce the profitability of its business.

The debt rating of the Combined Group may be downgraded from our current rating, and for this or other reasons the Combined Group may not be able to obtain financing on terms that are favorable or consistent with its expectations.

Access to financing for the Combined Group will depend on, among other things, the maintenance of strong long-term credit ratings. Our debt is currently rated "A" by Standard & Poor's, "A2" by Moody's Investor Services and "A" by FitchRatings. P&O Princess' debt is currently rated "BBB" by Standard & Poor's, "Baa3" by Moody's and "BBB+" by FitchRatings. As a result of the DLC transaction, the debt rating of the Combined Group may be downgraded from our current ratings although it is expected to remain a strong investment grade rating.

We believe our current external sources of liquidity, including committed financings, and cash on hand, together with forecasted cash flows from future operations, will be sufficient to fund most or all of the capital projects, debt service requirements, dividend payments and working capital needs of the

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Combined Group.

The forecasted cash flow from future operations for the Combined Group, as well as the credit ratings of each of us and P&O Princess, may be adversely affected by various factors, including, but not limited to, declines in customer demand, increased competition, overcapacity, the deterioration in general economic and business conditions, terrorist attacks, ship incidents, adverse publicity and increases in fuel prices, as well as other factors noted under these risk factors and the "Cautionary Note Concerning Factors That May Effect Future Results" section below. To the extent that the Combined Group is required, or chooses, to fund future cash requirements, including future shipbuilding commitments, from sources other than cash flow from operations, cash on hand and current external sources of liquidity, the Combined Group will have to secure such financing from banks or through the offering of debt and/or equity securities in the public or private markets.

The future operating cash flow of the Combined Group may not be sufficient to fund future obligations, and the Combined Group may not be able to obtain additional financing, if necessary, at a cost that meets its expectations. Accordingly, the financial results of the Combined Group could be adversely affected.

If P&O Princess loses eligibility for inclusion in the FTSE 100 or Carnival is removed from the S&P 500, it may become more difficult for either company to access the equity capital markets.

Our shares will remain listed on the NYSE and are expected to continue to be included in the S&P 500. P&O Princess' shares will remain listed on the LSE and are expected to remain eligible for inclusion in the FTSE series of indices and are expected to continue to be included with full weighting in the FTSE 100. If P&O Princess loses eligibility for inclusion in the FTSE 100 or Carnival is removed from the S&P 500, it may become more difficult for either company to access the equity capital markets.

36

Conducting business internationally can result in increased costs.

The Combined Group will operate the businesses of Carnival and P&O Princess internationally and plans to continue to develop its international presence. Operating internationally exposes the Combined Group to a number of risks, including:

- .. currency fluctuations;
- .. interest rate movements;
- .. the imposition of trade barriers and restrictions on repatriation of earnings;
- .. political risks;
- .. risk of increases in duties, taxes and governmental royalties; and
- .. changes in laws and policies affecting cruising, vacation or maritime businesses or the governing operations of foreign-based companies.

If the Combined Group is unable to address these risks adequately, its results of operations and financial condition could be adversely affected.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Accidents and other incidents at sea or adverse publicity concerning the cruise industry or the Combined Group could affect the Combined Group's reputation and harm its future sales and profitability.

The operation of cruise ships involves the risk of accidents, illnesses, mechanical failures and other incidents at sea, which may bring into question passenger safety, health, security and vacation satisfaction and thereby adversely affect future industry performance. Incidents involving passenger cruise ships could occur and could adversely affect future sales and profitability. In addition, adverse publicity concerning the vacation industry in general or the cruise industry or the Combined Group in particular could impact demand and, consequently, have an adverse impact on the Combined Group's profitability.

Operating, financing and tax costs are subject to many economic and political factors that are beyond the Combined Group's control, which could result in increases in operating and financing costs.

Some of the Combined Group's operating costs, including fuel, food, insurance and security costs, are subject to increases because of market forces and economic or political instability beyond the Combined Group's control. In addition, interest rates and the Combined Group's ability to secure debt or equity financing, including in order to finance the purchase of new ships, are dependent on many economic and political factors. Actions by U.S. and non-U.S. taxing jurisdictions could also cause an increase in the Combined Group's costs. Increases in operating, financing and tax costs could adversely affect the Combined Group's results because the Combined Group may not be able to recover these increased costs through price increases of its cruise vacations.

Environmental legislation and regulations could affect operations and increase operating costs.

Some environmental groups have lobbied for more stringent regulation of cruise ships. Some groups also have generated negative publicity about the cruise industry and its environmental impact. The U.S. Environmental Protection Agency is considering new laws and rules to manage cruise ship waste.

37

Alaskan authorities are currently investigating an incident that occurred in August 2002 on board Holland America's Ryndam involving a wastewater discharge from the ship. As a result of this incident, various Ryndam ship officers have received grand jury subpoenas from the U.S. Attorney's office in Alaska. If the investigation results in charges being brought, sanctions could include a prohibition of operations in Alaska's Glacier Bay National Park and Preserve for a period of time.

In addition, pursuant to a settlement with the U.S. government in April 2002, we pled guilty to certain environmental violations. We were sentenced under a plea agreement pursuant to which we paid fines in fiscal 2002 totalling \$18 million to the U.S. government and other parties. We accrued for these fines in fiscal 2001. We were also placed on probation for a term of five years. Under the terms of the probation, any future violation of environmental laws by us may be deemed a violation of probation. In addition, we were required as a special term of probation to develop, implement and enforce a worldwide environmental compliance program. We are in the process of implementing the environmental compliance program and expect to incur approximately \$10 million in additional annual environmental compliance costs in 2003 and yearly thereafter as a result of the program. If the DLC transaction is approved, the terms of the environmental compliance program will become applicable to P&O

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Princess, resulting in higher environmental compliance costs for P&O Princess.

The Combined Group's costs of complying with current and future environmental laws and regulations, or liabilities arising from past or future releases of, or exposure to, hazardous substances or to vessel discharges, could increase the cost of compliance or otherwise materially adversely affect the Combined Group's business, results of operations or financial condition.

New regulation of health, safety and security issues could increase operating costs and adversely affect net income.

The Combined Group is subject to various international, national, state and local health, safety and security laws, regulations and treaties. The International Maritime Organization, sometimes referred to as the IMO, which operates under the United Nations, has adopted safety standards as part of the Safety of Life at Sea, sometimes referred to as SOLAS, which is applicable to all of our ships. Generally SOLAS establishes vessel design, structural features, materials, construction and life saving equipment requirements to improve passenger safety and security.

In addition, ships that call on U.S. ports are subject to inspection by the U.S. Coast Guard for compliance with the SOLAS Convention and by the U.S. Public Health Service for sanitary standards. Carnival's and P&O Princess' ships are also subject to similar inspections pursuant to the laws and regulations of various other countries such ships visit. Finally, the U.S. Congress recently enacted the Maritime Transportation Security Act of 2002 which implements a number of security measures at U.S. ports, including measures that relate to foreign flagged vessels calling at U.S. ports.

Carnival and P&O Princess believe that health, safety and security issues will continue to be areas of focus by relevant government authorities both in the U.S. and abroad. Resulting legislation or regulations, or changes in existing legislation or regulations, could impact the operations of the Combined Group and would likely subject the Combined Group to increasing compliance costs in the future.

Delays in ship construction and problems encountered at shipyards could reduce the Combined Group's profitability.

The construction of cruise ships is a complex process and involves risks similar to those encountered in other sophisticated construction projects, including delays in completion and delivery. In addition, industrial actions and insolvency or financial problems of the shipyards building the Combined Group's

38

ships could also delay or prevent the delivery of its ships under construction. These events could adversely affect the Combined Group's profitability. However, the impact from a delay in delivery could be mitigated by contractual provisions and refund guarantees obtained by the Combined Group.

In addition, we and P&O Princess have entered into forward foreign currency contracts to fix the cost in U.S. dollars of certain of our and P&O Princess' foreign currency denominated shipbuilding contracts. If any of the shipyards are unable to perform under the related contract, the foreign currency forward contracts related to that shipyard's shipbuilding contracts would still have to be honored. This might require us or P&O Princess to realize a loss on an existing contract without having the ability to have an offsetting gain on its foreign currency denominated shipbuilding contract, thus adversely affecting

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

the financial results of the Combined Group.

CAUTIONARY NOTE CONCERNING FACTORS THAT MAY AFFECT FUTURE RESULTS

Certain statements contained in this proxy statement/prospectus are "forward-looking statements" that involve risks, uncertainties and assumptions with respect to us and P&O Princess and our respective subsidiaries and therefore, the Combined Group, including certain statements concerning the transactions described in this proxy statement/prospectus, future results, plans and goals and other events which have not yet occurred. These statements are intended to qualify for the safe harbors from liability provided by Section 27A of the U.S. Securities Act of 1933, as amended, and Section 21E of the U.S. Securities Exchange Act of 1934, as amended. Because forward-looking statements involve risks and uncertainties, there are many factors that could cause the transactions described in this proxy statement/prospectus not to occur and/or each of our, P&O Princess' and the Combined Group's actual results, performance or achievements to differ materially from those expressed or implied in this proxy statement/prospectus. These factors include, but are not limited to:

- .. liquidity and index inclusion as a result of the implementation of the DLC structure, including a possible mandatory exchange;
- .. risks associated with the uncertainty of the tax status of the DLC structure;
- .. general economic and business conditions which may impact levels of disposable income of consumers and the net revenue yields for the cruise brands of Carnival, P&O Princess and the Combined Group;
- .. conditions in the cruise and land-based vacation industries, including competition from other cruise ship operators and providers of other vacation alternatives and increases in capacity offered by cruise ship and land-based vacation alternatives;
- .. the impact of operating internationally;
- .. the international political and economic climate, armed conflict, terrorist attacks and other world events and negative publicity and their impact on the demand for cruises;
- .. accidents and other incidents at sea affecting the health, safety, security and vacation satisfaction of passengers;
- .. the ability of Carnival, P&O Princess and the Combined Group to implement their shipbuilding programs and brand strategies and to continue to expand their businesses worldwide;

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

- .. the ability of Carnival, P&O Princess and the Combined Group to attract and retain shipboard crew;
- .. the ability to obtain financing on terms that are favorable or consistent with Carnival's, P&O Princess' and the Combined Group's expectations;
- .. the impact of changes in operating and financing costs, including changes in foreign currency and interest rates and security, fuel, food and insurance costs;
- .. changes in the tax, environmental and other regulatory regimes under which each company operates; and
- .. the ability of a small group of shareholders effectively to control the outcome of shareholder voting.

40

These risks and other risks are detailed in the section entitled "Risk Factors" and in our and P&O Princess' SEC reports. That section and those reports contain important cautionary statements and a discussion of many of the factors that could materially affect the accuracy of each company's forward-looking statements and/or adversely affect their respective businesses, results of operations and financial positions, which statements and factors are incorporated in this proxy statement/prospectus by reference.

Forward-looking statements should not be relied upon as a prediction of actual results. Subject to any continuing obligations under applicable law or any relevant listing rules, we and P&O Princess expressly disclaim any obligation to disseminate, after the date of this proxy statement/prospectus, any updates or revisions to any such forward-looking statements to reflect any change in expectations or events, conditions or circumstances on which any such statements are based.

THE SPECIAL MEETING

The Proposals

This proxy statement/prospectus is being furnished to you in connection with the solicitation of proxies by our board of directors for use at a special meeting to be held on April 14, 2003, at 10:00 a.m., New York City time, at Paul, Weiss, Rifkind, Wharton & Garrison LLP, 1285 Avenue of the Americas, New York, NY 10019. The purpose of the special meeting is for you to consider and vote upon proposals to approve:

- .. the Offer and Implementation Agreement, dated as of January 8, 2003, by and between Carnival and P&O Princess;
- .. amendments to our articles of incorporation and by-laws in connection with the transactions contemplated by the Offer and Implementation Agreement (as reflected in our proposed Third Amended and Restated Articles of Incorporation and Amended and Restated By-laws, other than amendments described in the following four items);
- .. an amendment to our articles of incorporation to increase the number of

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

shares of common stock that we have the authority to issue by 999,999,998 shares;

- .. an amendment to our articles of incorporation to reduce the quorum requirement for meetings of our board of directors from a majority, to one-third, of the total number of directors;
- .. an amendment to our by-laws to reduce the quorum requirement for meetings of our shareholders from a majority, to one-third, of the total number of shares entitled to be cast at such meeting; and
- .. an amendment to our by-laws to remove the ability of shareholders to act by written consent.

This proxy statement/prospectus and the enclosed form of proxy are first being mailed to you on or about March 17, 2003.

Record Date and Voting

The holders of record of Carnival common stock as of the close of business on the record date, which was March 11, 2003, are entitled to receive notice of, and to vote at, the special meeting. On the record date, there were 586,972,729 shares of Carnival common stock outstanding.

The holders of a majority of the shares of Carnival common stock outstanding on March 11, 2003, represented in person or by proxy, will constitute a quorum for purposes of the special meeting. A quorum is necessary to hold the special meeting.

You may vote your shares of Carnival common stock in any of two ways:

- .. by completing, signing, dating and returning the enclosed proxy card by mail; or
- .. by appearing and voting in person by ballot at the special meeting.

Required Vote

Each share of Carnival common stock which is outstanding on the record date entitles its holder to one vote at the special meeting. Completion of the DLC transaction requires the adoption of the first two proposals at the special meeting by the affirmative vote of the holders of a majority of the outstanding shares of Carnival common stock. Proposals 3, 4, 5 and 6 will not be given effect if the proposals relating to the DLC transaction are not approved.

Because the vote is based on the number of shares of Carnival common stock outstanding rather than on the number of votes cast, failure to vote your shares is effectively a vote against the DLC transaction and the other amendments to our articles of incorporation. In addition, although treated as shares that are present and entitled to vote at the special meeting for purposes of determining whether a quorum exists, abstentions and "broker non-votes" will have the same effect as votes against adoption of the proposals.

Proxies; Revocation

If you vote your shares of Carnival common stock by signing a proxy, your shares will be voted at the special meeting as you indicate on your proxy card. If no instructions are indicated on your signed proxy card, your shares of Carnival common stock will be voted "FOR" the adoption of the proposals.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

You may revoke your proxy at any time before the proxy is voted at the special meeting. A proxy may be revoked prior to the vote at the special meeting in any of three ways:

- .. by submitting a written revocation dated after the date of the proxy that is being revoked to the Secretary of Carnival at 3655 N.W. 87th Avenue, Miami, Florida 33178-2428;
- .. by submitting a later--dated proxy relating to the same shares to the Secretary of Carnival by mail; or
- .. by appearing and voting in person by ballot at the special meeting.

Attendance at the special meeting will not, in itself, constitute revocation of a previously granted proxy. If you do not hold your shares of Carnival common stock in your own name, you may revoke or change a previously given proxy by following the instructions provided by the bank, broker or other party that is the registered owner of the shares.

We will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes for the meeting. We will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy materials to shareholders.

Confidential Voting

It is our policy that all proxies, ballots and tabulations that identify the vote of individual shareholders are kept confidential. Your vote will not be disclosed within Carnival or to third parties, except as necessary to meet legal requirements, allow for tabulation and certification of votes, facilitate a successful proxy solicitation by our board of directors or where shareholders submit comments with their proxy.

Other Matters

Our board of directors is not aware of any business to be acted upon at the special meeting other than the proposals relating to the DLC transaction and the other amendments to our articles of incorporation and by-laws. If other matters are duly brought before the special meeting, or any adjournments or postponements of the special meeting, the persons appointed as proxies will have discretion to vote or act on these matters according to their best judgment.

43

THE DLC TRANSACTION

Background to the DLC Transaction

In the past, both P&O Princess and Carnival have sought to identify, explore and, where appropriate, implement strategies to develop and broaden their cruise product offerings. The senior management of each company has regularly reviewed with its board of directors the strategic objectives of its company and the possible means of achieving those objectives. Both management teams have regularly updated their boards on the changing structure and dynamics of the cruise industry and the overall vacation market.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

In the summer of 2001, Mr. Peter Ratcliffe, Chief Executive Officer of P&O Princess, met with Mr. Richard Fain, Chairman and Chief Executive Officer of Royal Caribbean. During these meetings, the possibility of a business combination between P&O Princess and Royal Caribbean was discussed. In subsequent meetings, senior executives of the two companies discussed the changes and developments in their respective companies, and in the cruise industry generally, particularly in light of the events of September 11, 2001 and their effect on the global vacation market, and continued to explore a business combination of the two companies.

On September 24, 2001, during the early stages of the discussions between P&O Princess and Royal Caribbean, Mr. Howard Frank, Vice Chairman and Chief Operating Officer of Carnival, made a telephone call to Mr. Ratcliffe in which he inquired whether P&O Princess would be interested in pursuing discussions towards a business combination with Carnival. Given that P&O Princess' share price was at or near its all time low at the time of the call, P&O Princess did not follow up on this call.

On November 20, 2001, P&O Princess and Royal Caribbean announced that they had entered into agreements to implement a dual listed company transaction. Those agreements, which were not publicly available at that time, included non-solicitation provisions restricting P&O Princess and Royal Caribbean from entering into discussions with third parties except in specified circumstances involving a third party's offer determined by the relevant board to be a Superior Proposal as explained below. The dual listed company transaction provided for a combination of equals in which P&O Princess shareholders would have held approximately 50.7% of the equity in a dual listed company structure that was substantially similar to the DLC transaction.

On December 13, 2001, following the announcement of the Royal Caribbean transaction, Carnival submitted a detailed private proposal to the P&O Princess board regarding an offer to acquire P&O Princess. The offer was for 200 pence in cash and 0.1361 Carnival shares per P&O Princess share. Based on the prior business day's closing price for Carnival shares of \$26.55 per share and an exchange rate of \$1.00=(Pounds)0.692, the Carnival shares were valued at 250 pence, valuing the offer at 450 pence per P&O Princess share. In preparation for its decision to launch a counterbid for P&O Princess, Carnival had performed financial analyses to identify the maximum amount it would be willing to pay to acquire P&O Princess. These analyses were based on public information and Carnival's own internal estimates, and included discounted cash flow analyses and assessments of the financial effects of the transaction. However, this offer and each of Carnival's subsequent offers were ultimately based on an assessment of what price would be acceptable to the P&O Princess board and the P&O Princess shareholders.

Carnival also proposed as part of this proposal the possibility of effecting a combination via alternative structures, including a dual listed company structure. The P&O Princess board carefully considered Carnival's proposal with Sullivan & Cromwell LLP and Freshfields Bruckhaus Deringer, its legal advisors, and Schroder Salomon Smith Barney, its financial advisor, and, at its meeting on December 15, 2001, the P&O Princess board determined that Carnival's proposal was not more favorable from a financial point of view to P&O Princess' shareholders than the transaction with Royal Caribbean and was not reasonably likely to be consummated (that is, it was not a "Superior Proposal" as defined under P&O Princess' agreement with Royal Caribbean). In particular, the P&O Princess board believed

that Carnival's proposal would result in P&O Princess shareholders receiving

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

shares that would not be included in the FTSE indices, and consequently a significant portion of P&O Princess shareholders, particularly UK institutional shareholders, would be unable or unwilling to hold such shares. As a result of this, the board believed that the proposed Carnival transaction would deprive such P&O Princess shareholders of the ability to retain an investment in the cruise industry and to share in the potential benefits of combining with Carnival, making it less financially favorable than the Royal Caribbean transaction in which all P&O Princess shareholders were expected to be able to share in the upside potential expected to be generated by that transaction. Further, the board believed that Carnival's proposal did not represent an irrevocable commitment to make and maintain an offer because it was subject to a number of pre-conditions, including financing and regulatory approvals. The board also believed that Carnival's proposal faced greater regulatory risk in the U.S. and Europe.

On December 16, 2001, P&O Princess announced that its board had concluded that the Royal Caribbean transaction was the more attractive alternative for P&O Princess shareholders, because it believed that Carnival's pre-conditional cash and share proposal was less favorable financially to P&O Princess shareholders and would face greater execution risk than the Royal Caribbean transaction. In response to P&O Princess' rejection of its proposal, Carnival publicly announced a pre-conditional offer for all of the issued share capital of P&O Princess on the same terms as its December 13 proposal.

On December 19, 2001, P&O Princess announced that, in light of Carnival's offer and in order to give its shareholders time to consider fully their alternatives, it would hold an extraordinary general meeting to vote on the Royal Caribbean transaction on February 14, 2002.

Carnival announced on December 24, 2001 that it had made the necessary U.S. antitrust filings in relation to its offer for P&O Princess.

On December 27, 2001, P&O Princess mailed its circular to its shareholders with respect to the Royal Caribbean transaction and made its implementation agreement and Joint Venture Agreement with Royal Caribbean publicly available, including the non-solicitation provisions described above.

On January 6, 2002, Carnival sent a letter to the P&O Princess board requesting a meeting with P&O Princess to discuss Carnival's offer and seeking clarity on a number of issues in connection with the Royal Caribbean transaction, including further details regarding termination of the Joint Venture Agreement. P&O Princess responded by letter on January 8, 2002. In its response, P&O Princess referred Carnival to the publicly available agreements between P&O Princess and Royal Caribbean and informed Carnival that those agreements prevented P&O Princess from discussing any acquisition proposal with Carnival that was not a Superior Proposal and that its board continued to believe that Carnival's proposal was neither financially superior to the Royal Caribbean transaction nor deliverable. Consequently, P&O Princess declined Carnival's request for a meeting.

Mr. Ratcliffe publicly clarified on January 10, 2002 that P&O Princess could unilaterally terminate the Joint Venture Agreement with Royal Caribbean in January 2003 at no cost as long as no change of control of P&O Princess had been completed prior to the termination date. On January 10, 2002, Carnival sent another letter to the P&O Princess board asking it for further clarification of this statement.

On January 17, 2002, Carnival indicated in a letter to P&O Princess that Carnival would, subject to certain conditions, be willing to increase its pre-conditional offer to a 250 pence in cash and 0.1380 Carnival shares for each P&O Princess share. Based on the prior business day's closing price for Carnival shares of \$26.06 per share and an exchange rate of $\$1.00 = (\text{Pounds})0.695$, the Carnival shares were valued at 250 pence, valuing the

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

offer at 500 pence per P&O Princess share. After reviewing Carnival's new proposal in detail with its advisors, the P&O Princess board reaffirmed its view that Carnival's revised proposal was not a Superior Proposal and that, accordingly, P&O Princess continued to be unable to meet with Carnival to discuss its proposal without breaching its contractual obligations to Royal Caribbean.

45

On January 30, 2002, Carnival announced a revised pre-conditional offer of 0.2684 Carnival shares for each P&O Princess share, valuing each P&O Princess share at 515 pence (based on the prior business day's closing price for Carnival shares of \$27.05 per share and an exchange rate of \$1.00=(Pounds)0.709). The revised offer included a partial cash alternative of 250 pence for each P&O Princess share, pre-conditional on financing being arranged on terms satisfactory to Carnival by no later than the date of posting of the offer document.

On January 31, 2002, Carnival wrote to P&O Princess shareholders urging them to vote to adjourn the extraordinary general meeting scheduled for February 14, 2002. Carnival suggested this adjournment in order to postpone the vote on the Royal Caribbean transaction until the various antitrust authorities could rule on both transactions.

The P&O Princess board carefully reviewed Carnival's revised offer with its legal and financial advisers and, at its meeting on February 3, 2002, determined that Carnival's revised offer, as revised, was not a Superior Proposal on both value and deliverability grounds. P&O Princess publicly announced its board's conclusions on February 4, 2002 and, under its contractual obligations to Royal Caribbean, remained unable to meet with Carnival. Carnival responded by restating its commitment to proceed with its revised offer and to obtain the necessary regulatory approvals in the U.S. and Europe.

On February 7, 2002, Carnival announced the terms of a further increased offer of 0.3004 Carnival shares for each P&O Princess share, valuing each P&O Princess share at 550 pence (based on the prior business day's closing price for Carnival shares of \$25.86 per share and an exchange rate of \$1.00=(Pounds)0.708), and again raised the possibility of alternative structures, including a dual listed company structure. Carnival's increased offer was pre-conditional only on the receipt of regulatory approval. The increased offer included a partial cash alternative of 250 pence for each P&O Princess share, pre-conditional on the availability of financing on terms satisfactory to Carnival.

The P&O Princess board carefully reviewed the increased offer with its legal and financial advisers and, at its meeting on February 8, 2002, the P&O Princess board determined that it was not a Superior Proposal. On February 8, 2002, P&O Princess announced that it continued to recommend that its shareholders approve the dual listed company transaction with Royal Caribbean. While the P&O Princess board acknowledged the improvement of Carnival's increased offer in terms of value, it noted that it remained concerned about the structure and deliverability of the Carnival transaction.

P&O Princess convened its extraordinary general meeting with respect to the Royal Caribbean transaction on February 14, 2002. Before resolutions to approve the Royal Caribbean transaction were voted upon, P&O Princess shareholders proposed and passed a resolution to adjourn the meeting. The Chairman of P&O Princess then announced that the meeting would be adjourned for an indefinite period.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

On February 27, 2002, Carnival announced that it had formally notified its proposed combination with P&O Princess to the European Commission for review under the EC Merger Regulation. The European Commission cleared the proposed combination on July 24, 2002.

On September 24, 2002, prior to the U.S. Federal Trade Commission closing its investigation into both transactions, the P&O Princess board met to consider the relative merits of the Royal Caribbean transaction and Carnival's proposal in light of currently available information. At that meeting, representatives of Schroder Salomon Smith Barney, P&O Princess' financial advisor, advised the board that it believed that, based on the valuation and share price analyses discussed with the board at that meeting, Carnival's prior proposal to enter into a dual listed company transaction with P&O Princess on the same financial terms as Carnival's latest share exchange proposal was more favorable to P&O Princess' shareholders from a financial point of view than the transaction with Royal Caribbean. The advice of P&O Princess' financial advisor, as extracted from the prospectus being provided to P&O Princess shareholders in connection with the DLC transaction and the Partial Share Offer, is set forth on Annex D.

46

On October 4, 2002, the U.S. Federal Trade Commission voted not to oppose Carnival's acquisition of P&O Princess or the Royal Caribbean transaction. As a result, the only pre-condition to Carnival's increased offer was satisfied.

Following the Federal Trade Commission announcement, P&O Princess re-examined Carnival's increased offer, including Carnival's prior proposal to enter into a dual listed company transaction with P&O Princess as an alternative to the share exchange offer. After consulting with its financial and legal advisers and considering the analyses discussed with its financial advisor on September 24, 2002 at its meeting on October 4, 2002 the P&O Princess board determined that Carnival's dual listed company proposal was more favorable from a financial point of view to P&O Princess' shareholders than the transaction with Royal Caribbean and was reasonably likely to be consummated given that all regulatory clearances had been obtained. On October 4, 2002, P&O Princess announced that its board had determined Carnival's dual listed company proposal to be a Superior Proposal and that it was willing and able under its agreement with Royal Caribbean to enter into talks with Carnival to discuss this proposal.

On October 11, 2002, executives of Carnival and P&O Princess met together with their respective advisers to discuss a combination of their companies through a dual listed company structure. Discussions also focused on a partial share offer to be launched in conjunction with seeking shareholder approval for the dual listed company structure that would permit P&O Princess shareholders who wished to exchange some of their P&O Princess shares for Carnival shares to do so. On the same date, Carnival and P&O Princess entered into a confidentiality agreement that contemplated the exchange of confidential information between them.

Executives of Carnival and P&O Princess and their respective advisers continued to meet throughout the weeks of October 14, and October 21, 2002. During this time, the boards of directors of Carnival and P&O Princess each held meetings, at which their respective management teams and advisers provided updates on the discussions to date and on the strategic implications and possible benefits and risks of the dual listed company transaction involving the two companies.

On October 24, 2002, Carnival issued a press release announcing its pre-conditional offer to enter into the DLC transaction based on the form of agreements and instruments that it had negotiated with P&O Princess. In order

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

for P&O Princess to be able to accept this offer, its board had to withdraw its recommendation of the Royal Caribbean transaction within 48 hours of Carnival's announcement and not subsequently reinstate such recommendation, the Royal Caribbean transaction had to be voted down by P&O Princess shareholders or otherwise abandoned, the Joint Venture Agreement had to terminate at no cost (other than the break fee under its implementation agreement with Royal Caribbean), the P&O Princess board of directors had to approve and recommend the DLC transaction by January 10, 2003, and P&O Princess had to enter into the negotiated form of the offer and implementation agreement by January 10, 2003. The DLC proposal included the Partial Share Offer for up to, in aggregate, a maximum of 20% of the issued share capital of P&O Princess. The making of the Partial Share Offer, including the establishment of the 20% limit, was the subject of negotiation between the parties, and was designed to allow those P&O Princess shareholders who would prefer to participate in the Combined Group through holding Carnival shares an opportunity to do so, while at the same time maintaining the liquidity and market value of the P&O Princess shares.

On October 25, 2002, the P&O Princess board held a meeting to consider the announcement of the DLC proposal and decided to withdraw its recommendation of the Royal Caribbean dual listed company transaction. Subsequent to that meeting, P&O Princess announced that its board welcomed Carnival's announcement of its dual listed company proposal and had determined that the DLC proposal would be financially superior for P&O Princess shareholders compared with the Royal Caribbean dual listed company transaction. It also announced that its board had withdrawn its recommendation of the Royal Caribbean dual listed company transaction.

47

P&O Princess also entered into an agreement with Royal Caribbean on October 25, 2002 which terminated the implementation agreement with Royal Caribbean immediately, terminated the Joint Venture Agreement on January 1, 2003 as long as no change of control of P&O Princess occurred prior to this date, and provided mutual releases from liabilities arising under the two agreements. Pursuant to the agreement, P&O Princess paid Royal Caribbean \$62.5 million as a break fee under its implementation agreement with Royal Caribbean. The P&O Princess board announced that it would formally consider satisfaction of the remaining pre-conditions to the DLC proposal, including entry into an offer and implementation agreement with Carnival, in early January 2003.

On October 29, 2002, Lord Sterling of Plaistow, Chairman of P&O Princess, sent a letter to P&O Princess shareholders informing them of the announcement of the DLC proposal, the withdrawal of the P&O Princess board's recommendation of the Royal Caribbean transaction and the subsequent arrangements with Royal Caribbean for, among other things, the termination of existing agreements between them. Lord Sterling also informed P&O Princess shareholders that he no longer intended to reconvene the adjourned extraordinary general meeting convened on February 14, 2002 to approve the dual listed company combination with Royal Caribbean.

On January 2, 2003, P&O Princess announced that the Joint Venture Agreement had been terminated, and Carnival issued a press release acknowledging and welcoming the termination of the Joint Venture Agreement.

On January 7, 2003, the P&O Princess board approved the DLC transaction and agreed to recommend to the P&O Princess shareholders that they vote in favor of the resolution to implement the DLC structure. Later that day, the senior executive management teams of P&O Princess and Carnival and their respective advisors finalized the agreements and documentation to implement the DLC

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

structure. The advice of P&O Princess' financial advisor considered by the P&O Princess board, as extracted from the prospectus being provided to P&O Princess shareholders in connection with the DLC transaction and the Partial Share Offer, is set forth on Annex D. In the early morning of January 8, 2003, Carnival and P&O Princess signed the Offer and Implementation Agreement. P&O Princess then issued a press release announcing that its board had agreed and recommended the DLC transaction and that P&O Princess had signed the Offer and Implementation Agreement. Carnival issued a press release announcing the execution of the Offer and Implementation Agreement, acknowledging P&O Princess' announcement of its board's recommendation and setting forth its offer to enter into the DLC transaction based on the Offer and Implementation Agreement and related agreements and instruments and the terms of the Partial Share Offer.

Reasons for the DLC Transaction

We and P&O Princess have agreed to enter into the DLC transaction in order to create the Combined Group. We and P&O Princess believe the principal benefits of the creation of the Combined Group by means of the DLC structure are as set forth below and that the DLC structure is the optimal structure to seek to achieve all of these benefits:

Complementary well-known brands operating globally

The Combined Group will be the largest cruise vacation group in the world, based on revenues, passengers carried and available capacity. It will have a wide portfolio of complementary brands, both by geography and product offering, and will include some of the best known cruise brands globally. The combination will allow the Combined Group to offer a wider range of vacation choices for its passengers. In addition, the combination is expected to enhance the Combined Group's ability to attract more passengers from land-based vacations, based on its ability to provide vacations in most of the largest vacation markets in the world, and its strategy of entering new and developing markets by building on its brand strength, global presence and ability to strategically deploy its brands and diversified fleet.

48

The Combined Group's brands will include Carnival Cruise Lines, Princess Cruises, Holland America Line, P&O Cruises, Costa Cruises, Cunard Line, Seabourn Cruise Line, Windstar Cruises, AIDA, A'ROSA, Swan Hellenic, Ocean Village and P&O Cruises (Australia). The Combined Group will serve all of the key cruising destinations outside the Far East, including the Caribbean, Alaska, Australia, Europe, New England, Canada, Bahamas, Bermuda, the Hawaiian islands, the Mediterranean, the Mexican Riviera, the Panama Canal, South America and other exotic destinations worldwide.

Benefits of sharing best practices and generating cost savings

The Combined Group will be managed as if the two companies were a single economic enterprise by a single senior executive management team and identical boards of directors.

We and P&O Princess expect that the Combined Group will generate significant cost savings, estimated to be at least \$100 million on an annualized basis, commencing in the first full fiscal year following completion of the DLC transaction. We and P&O Princess expect that these cost savings will be generated principally through the dissemination of best practices between the companies, economies of scale and the rationalization of certain shoreside operations. One-time cash costs of achieving these cost savings are expected to

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

be approximately \$30 million.

Financial flexibility and access to capital markets

The Combined Group will have substantial financial flexibility, with strong operating cash flow, low leverage and a strong balance sheet, and expects to maintain a strong investment grade credit rating.

The Combined Group is also expected to have greater access to capital markets. Carnival's shares will remain listed on the NYSE and are expected to continue to be included in the S&P 500. P&O Princess' shares will remain listed on the LSE and are expected to remain eligible for inclusion in the FTSE series of indices and are expected to continue to be included with full weighting in the FTSE 100.

High quality combined fleet to enhance growth within the cruise industry

Upon completion of the DLC transaction, the Combined Group expects to operate a fleet of 65 cruise ships with an aggregate capacity of 99,982 lower berths. Carnival and P&O Princess together have an additional 18 new cruise ships on order, with an aggregate capacity of 42,260 lower berths, scheduled for delivery in the next three and a half years. Carnival and P&O Princess also expect that the Combined Group will have one of the youngest and most modern fleets in the cruise industry, with an average vessel age (weighted by lower berths) of 7.5 years as of January 31, 2003.

The Combined Group expects to deploy its diversified fleet strategically in order to increase its global reach and enter new and developing markets. This strategic deployment is expected to allow the Combined Group to appeal to the largest target audience by providing brands, products and itineraries with the widest appeal in a particular geographic region.

The DLC structure allows continued participation in the global cruise industry for P&O Princess shareholders who wish to continue to hold shares in a UK-listed company

Following the implementation of the DLC structure, P&O Princess is expected to remain included in the FSTE 100. This will allow P&O Princess shareholders who are required, or wish, to hold shares in a UK-listed company included in the FTSE indices to continue to do so, and, as a result, to continue to participate as a shareholder in the global cruise industry through P&O Princess. A share acquisition or exchange offer or other more common means of combining the businesses of Carnival and P&O Princess in which all P&O Princess shareholders would receive Carnival shares, which are not eligible for inclusion in the FTSE series of indices, and/or a partial cash alternative would not have afforded all P&O Princess shareholders this opportunity. Additionally, the Partial Share Offer for up to 20% of P&O Princess' outstanding shares allows those P&O Princess shareholders who would prefer to participate in the Combined Group by holding shares in a U.S. listed company the opportunity to do so for at least some of their holdings.

49

Other Considerations of Carnival and P&O Princess in respect of the DLC Transaction

In addition to the factors described above that supported our and P&O Princess' decisions to approve the Offer and Implementation Agreement and to recommend that shareholders vote to approve the DLC transaction, our board and the P&O Princess board each also considered potential factors that weighed against

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

proceeding with the transaction, in general, and against using a DLC structure, in particular. These included:

- .. the risk that the benefits and synergies anticipated from the DLC transaction might not be achieved to the extent or within the time period expected;
- .. risks associated with the structure of the DLC transaction that are not associated with the more common ways of combining operations of two companies;
- .. the risk that the London-listed shares of P&O Princess may trade at a discount to the New York-listed shares of Carnival;
- .. the possibility that each company's shareholders might achieve more value over the long-term from continued operation of such company as an independent company or by combining with a different company;
- .. risks concerning the uncertainty of the DLC structure under the Internal Revenue Code; and
- .. the fact that a small group of shareholders would collectively own approximately 35% of the total combined voting power of the Combined Group and may be able to effectively control the outcome of shareholder voting.

A number of these factors are described in more detail under the caption "Risk Factors--Risks relating to the DLC transaction".

Our board and the P&O Princess board did not assign particular weight or ranking to any of the factors that they considered. Also, in making their determination, individual directors may have assigned a different level of importance to each factor.

Recommendation of Carnival and P&O Princess Boards of Directors

Our board and P&O Princess' board each weighed both the potential advantages of the DLC transaction and the potential factors against the DLC transaction and determined that the potential advantages of the DLC transaction outweighed the potential factors against the DLC transaction. Consequently, it was the judgment of our board and the P&O Princess board that the DLC transaction is in the best interests of Carnival and its shareholders and P&O Princess and its shareholders. Both our board and the P&O Princess board recommend that our respective shareholders vote in favor of the DLC transaction.

The DLC Structure

After giving effect to the DLC transaction, we and P&O Princess each will remain as separate listed companies, although we and P&O Princess will be operated as if we were a single economic enterprise. Our board and the P&O Princess board will be identical and the Combined Group will be managed by a single senior executive management team. The two companies will pursue a common set of business objectives established by the identical boards and single management team, who will evaluate these strategies and other operational decisions from the perspective of all the shareholders. Some key features of the DLC structure are listed below.

- .. Our shares and, for the foreseeable future, P&O Princess ADSs will continue to be listed on the NYSE and P&O Princess shares will continue to have their primary listing on the LSE.
- .. The implementation of the DLC structure will not involve any transfer of assets between us and P&O Princess. Following completion of the DLC

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

transaction, management of the Combined Group will determine whether assets will be owned by Carnival or P&O Princess as is most efficient and appropriate under the then prevailing circumstances. The Combined Group will comprise all of the

50

assets held by P&O Princess and Carnival immediately prior to the implementation of the DLC transaction. No transfer of assets between the two companies will affect the equalization ratio or the relative economic interests of Carnival shareholders and P&O Princess shareholders in the Combined Group.

- .. Carnival shareholders will continue to hold their Carnival shares and P&O Princess shareholders will continue to hold their P&O Princess shares, unless P&O Princess shareholders elect to exchange their P&O Princess shares (up to a maximum of 20% of the outstanding shares of P&O Princess) for Carnival shares in the Partial Share Offer. If the full 20% is tendered in the Partial Share Offer, approximately 79% of the equity of the Combined Group will be held through Carnival shares and the balance will be held through P&O Princess shares.
- .. The economic and voting interests represented by an individual share in each company will be equalized based on a ratio, which we refer to in this proxy statement/prospectus as the "equalization ratio." The equalization ratio will initially be 0.3004 Carnival shares for each P&O Princess share. Upon completion of the DLC transaction, P&O Princess will reorganize and consolidate its share capital so that the equalization ratio will be one Carnival share for each P&O Princess share.
- .. The equalization ratio is subject to adjustment in a limited number of circumstances, as described in the section of this proxy statement/prospectus entitled "Equalization and Governance Agreement--Equalization Ratio".
- .. As a result of the 1:1 equalization ratio, one Carnival share will have the same rights to distributions of income and capital and voting rights as one P&O Princess share. Carnival and P&O Princess shareholders initially will receive equal quarterly dividends. If the equalization ratio is adjusted to a value other than 1:1, Carnival and P&O Princess shares will no longer have equivalent rights as described in the section of this proxy statement/prospectus entitled "Equalization and Governance Agreement--Equalization Ratio".
- .. On most matters that affect all shareholders of the Combined Group, Carnival and P&O Princess shareholders will vote together as a single body. These matters are called joint electorate actions.
- .. On specified matters where the interests of Carnival shareholders may differ from the interests of P&O Princess shareholders, each shareholder body will vote separately as a class. These matters are called class rights actions and include, among others:
 - . transactions primarily designed to amend or unwind the DLC structure;
 - . adjustments to the equalization ratio not in accordance with the Equalization and Governance Agreement; and

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

- . amendments to tax related provisions in Carnival's articles of incorporation.

No class rights action generally may be implemented unless approved by both shareholder bodies, which means that each shareholder body generally has a veto with respect to class rights actions.

- .. We and P&O Princess each will continue to have separate boards of directors, but the boards and senior executive management of both companies will be identical. In addition to their normal fiduciary duties to the company and obligation to have regard to the interests of its shareholders, the directors of each company will be entitled to have regard to the interests of the other company and its shareholders.
- .. We and P&O Princess will execute cross-guarantees regarding all debts incurred after implementation of the DLC structure owed by either company as if we and P&O Princess were a single economic enterprise.
- .. Takeover restrictions will be in place so that, generally, no person will be able to obtain control over the Combined Group without making an offer to the shareholders of both companies on equivalent terms.

51

- .. Neither Carnival nor P&O Princess will be able to issue any shares carrying voting rights to the other, except on a pre-emptive basis to all shareholders, for two years following the date on which the DLC structure is implemented. After expiration of the initial two-year period, for each of the subsequent three years neither Carnival nor P&O Princess may issue shares carrying voting rights to the other company or any of that company's subsidiaries, except on a pre-emptive basis to all shareholders, in excess of 5% per year of the issued or outstanding shares (calculated as at the first day in such annual period). Thereafter, there will be no restriction on the issuance of shares carrying voting rights to the other company or any of that company's subsidiaries. These restrictions may be varied by a class rights action.
- .. Shares held by one company in the other will not have voting rights unless such company holds 90% or more of the outstanding shares in the other.

Special Voting Entities; Special Voting Shares

As a mechanism to effect the new voting arrangements resulting from the DLC structure, two new special voting entities will be formed. The Carnival Special Voting Entity (which will hold the Carnival special voting share to be voted at Carnival shareholders meetings, in order to give effect to the outcome of votes at a parallel P&O Princess shareholders meeting for purposes of joint electorate actions and class rights actions) will be a company whose shares will be held legally and beneficially owned by The Law Debenture Trust Corporation p.l.c., an independent trustee company incorporated in England and Wales. The P&O Princess Special Voting Trust (the trustee of which will hold the P&O Princess special voting share to be voted at P&O Princess shareholders meetings, in order to give effect to the outcome of votes at a parallel Carnival shareholders meeting for purposes of joint electorate actions and class rights actions) will be a trust established under the laws of the Cayman Islands.

The Carnival Special Voting Entity will be present by a corporate

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

representative or by proxy at any Carnival shareholder meeting at which a resolution relating to a joint electorate action and/or class rights action is to be considered. The trustee of the P&O Princess Special Voting Trust will be present by a representative or by proxy at any P&O Princess shareholder meeting at which a resolution relating to a joint electorate action and/or a class rights action is to be considered.

For joint electorate actions, the Carnival special voting share will represent the number of votes cast at the parallel meeting of P&O Princess shareholders (as adjusted by the equalization ratio and rounded up to the nearest whole percentage) and the P&O Princess special voting share will represent the number of votes cast at the parallel meeting of Carnival shareholders (as adjusted by the equalization ratio).

For class rights actions, the Carnival Special Voting Entity and the trustee of the P&O Princess Special Voting Trust, as holders of the special voting shares will only vote if the proposed action has not been approved at the parallel meeting of the shareholders of the other company. In that event, the special voting shares will represent that number of votes equal to the largest whole percentage that is less than the percentage of the number of votes (or, in the case of a special resolution of P&O Princess shareholders, such percentage less one vote) necessary to defeat the resolution at the meeting of shareholders of the other company, if the total number of votes capable of being cast by all outstanding shares (and any other shares able to vote) were cast in favour of the resolution. In most cases, this will be 49% (for a majority vote, 49% is the largest whole percentage that is less than the 50% needed to defeat the resolution). The special voting shares will not represent any votes on matters of a procedural or technical nature. The special voting shares will have the right to return at par on liquidation ranking behind the common shares. See "Changes in Rights of Carnival Shareholders--Special Voting Shares."

The SVE Special Voting Deed, which Carnival, P&O Princess, the Carnival Special Voting Entity, the trustee of the P&O Princess Special Voting Trust and the legal and beneficial owner of the Carnival Special Voting Entity will enter into as part of the DLC transaction, which is attached to this proxy

52

statement/prospectus as Annex A-3, will regulate the manner in which the Carnival Special Voting Entity and the trustee of the P&O Princess Special Voting Trust will exercise the votes attaching to the Carnival special voting share and the P&O Princess special voting share.

Other than in respect of a transfer of the Carnival special voting share described below, the Carnival Special Voting Entity will be prohibited from dealing with the Carnival special voting share, or with any interest in or right attaching to the Carnival special voting share, unless such dealing has been approved by each of the Carnival board and P&O Princess board in its sole and absolute discretion and the transferee has agreed to be bound by the SVE Special Voting Deed. The trustee of the P&O Princess Special Voting Trust will be prohibited from dealing with the P&O Princess special voting share, except to the extent expressly permitted in its trust agreements agreed with Carnival. The Carnival board and P&O Princess board can require the Carnival Special Voting Entity and the trustee of the P&O Princess Special Voting Trust to transfer the special voting shares to a new person nominated by the boards if the Equalization and Governance Agreement or the SVE Special Voting Deed terminates. In addition, Carnival can require the trustee of the P&O Princess Special Voting Trust to resign or, failing such resignation, remove the trustee of the P&O Princess Special Voting Trust.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

It has been agreed that P&O Princess will pay the Carnival Special Voting Entity fees and expenses incurred in the performance of its obligations under the DLC structure and that Carnival will pay the trustee of the P&O Princess Special Voting Trust fees and expenses incurred in the performance of its obligations under the DLC structure.

Trust Shares of Beneficial Interest

Generally

On completion of the DLC transaction, Carnival will issue the Carnival special voting share to the Carnival Special Voting Entity and the P&O Princess special voting share will be transferred to the trustee of the P&O Princess Special Voting Trust. Trust shares of beneficial interest in the P&O Princess Special Voting Trust will be transferred to Carnival. Immediately following this transfer, Carnival will distribute the trust shares of beneficial interest by way of dividend to Carnival shareholders of record at the close of business on April 17, 2003. Separate certificates will not be issued to represent these trust shares of beneficial interest; instead, the trust shares of beneficial interest will be paired with and evidenced by certificates representing Carnival shares pursuant to a pairing agreement to be entered into between Carnival and the trustee of the P&O Princess Special Voting Trust at closing of the DLC transaction.

Following completion of the DLC transaction, Carnival shares will trade together with trust shares of beneficial interest in the P&O Princess Special Voting Trust. The trust shares of beneficial interest in the P&O Princess Special Voting Trust will entitle Carnival shareholders to receive any distributions made by the P&O Princess Special Voting Trust. As the sole purpose of the P&O Princess Special Voting Trust relates to the holding of the P&O Princess special voting share, it is not expected to make any distributions. See "The DLC Transaction--Changes in Rights of Carnival Shareholders--Special Voting Shares" for a discussion of the rights of the special voting shares.

The P&O Princess special voting share will be voted based upon the outcome of voting at the relevant parallel meeting of Carnival shareholders, based on the number of votes cast by Carnival shareholders voting their Carnival shares.

53

Pairing Agreement

At the closing of the DLC transaction, we will enter into a pairing agreement with the trustee of the P&O Princess Special Voting Trust and a transfer agent. The pairing agreement is attached as Annex B to this proxy statement/prospectus. Pursuant to the pairing agreement:

- .. trust shares and Carnival shares will not be transferable unless the transferee acquires the same number of trust shares and Carnival shares;
- .. Carnival and the trustee of P&O Princess Special Voting Trust will not agree to any transfer of Carnival shares without the corresponding trust shares;
- .. trust shares and Carnival shares will not be represented by separate certificates, but by one certificate of Carnival common stock, which will represent an equal number of Carnival shares and trust shares; and
- .. upon each issuance of additional Carnival shares, including pursuant to the

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

exercise of any existing option or convertible security, the P&O Princess Special Voting Trust will issue an equal number of additional trust shares.

After the effective date of the pairing agreement:

- .. if Carnival declares or pays any distribution consisting in whole or in part of Carnival shares, or subdivides or combines Carnival shares, then the P&O Princess Special Voting Trust will effect corresponding adjustments to maintain the pairing relationship of one Carnival share to each trust share;
- .. if Carnival otherwise reclassifies the Carnival shares, then the P&O Princess Special Voting Trust will effect such transactions as are necessary to maintain the pairing relationship of the securities into which one Carnival share was so reclassified to each trust share; and
- .. if Carnival cancels or retires any Carnival shares, the trustee of the P&O Princess Trust will cancel or retire the corresponding trust shares.

Voting Trust Deed

The voting trust deed of the P&O Princess Special Voting Trust will reflect the terms of the pairing agreement. The voting trust deed is attached as Annex C to this proxy statement/prospectus. The trust property will consist of the P&O Princess special voting share, all payments or collections in respect of the P&O Princess special voting share and all other property from time to time deposited in the trust. The voting trust deed will provide that at every meeting of P&O Princess shareholders at which a resolution relating to a joint electorate action or a class rights action is to be considered, the trustee of the P&O Princess Special Voting Trust will be present by corporate representative or by proxy. The trustee will not have any discretion as to how the P&O Princess special voting share is to be voted at any P&O Princess shareholders meeting. The trustee will cause the trust to vote the P&O Princess special voting share at any P&O Princess shareholders meeting in accordance with the requirements of the P&O Princess articles, the SVE Special Voting Deed and the DLC equalization principles (in effect, to reflect the outcome of votes at parallel Carnival shareholders meetings for purposes of joint electorate actions and class rights actions).

The P&O Princess Special Voting Trust will have a single class of trust shares of beneficial interest. Each trust share will represent an equal, absolute, identical, undivided interest in the trust property. The trust will be authorized to issue an unlimited amount of trust shares.

54

No Consideration Payable

There is no consideration payable to Carnival or Carnival shareholders in connection with the DLC transaction. The consideration exchanged between Carnival and P&O Princess is the execution and delivery by each company of the agreements required to implement the DLC structure, including the Deeds of Guarantee described in "Proposal 1--The Offer and Implementation Agreement--Deeds of Guarantee".

Required Vote

Approval of the Offer and Implementation Agreement (Proposal 1) and related transactions required to effect the DLC transaction, including the necessary amendments to the articles of incorporation and by-laws of Carnival (Proposal 2) and the additional proposed amendments to our articles of incorporation and

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

by-laws (Proposals 3, 4, 5 and 6), requires the affirmative vote of a majority of all outstanding shares Carnival shares entitled to vote at the special meeting.

Accounting Treatment

We expect to account for the DLC transaction as a purchase by Carnival of P&O Princess. We also expect that under U.S. GAAP the DLC transaction will be accounted for using the purchase method of accounting in accordance with Statement of Financial Accounting Standards No. 141 "Business Combinations". In accordance with the purchase method of accounting, the P&O Princess U.S. GAAP accounting policies will be conformed to our accounting policies upon completion of the DLC transaction.

United States Federal Income Tax Consequences

Although there is no U.S. federal income tax authority addressing the tax consequences of a DLC transaction, we believe that the DLC transaction should not give rise to taxable income or gain for U.S. Carnival shareholders that are U.S. holders for U.S. federal income tax purposes. However, the IRS may assert that U.S. Carnival shareholders received taxable income as a result of the various voting and equalization provisions necessary to implement the DLC transaction, including the trust shares. We believe that such voting and other rights, if any, received by shareholders are expected to have only nominal value and, therefore, the receipt of such rights by U.S. Carnival shareholders would only result in a nominal amount of income. It is possible, however, that the IRS may disagree with this conclusion. For general information on the application of current U.S. tax laws applicable to Carnival shareholders that are U.S. holders in respect of the DLC transaction, see "The Combined Group--Taxation of the Combined Group--U.S. Taxation."

Holders of Carnival shares should consult their independent professional advisers in the light of their particular circumstances as to the U.S. federal income tax consequences of the DLC transaction, as well as to the effect of any state, local or applicable foreign tax law.

Regulatory Approvals

The DLC transaction is conditioned upon the receipt of certain regulatory approvals and consents. We have received clearance from the U.S. Federal Trade Commission and the European Commission for the DLC transaction, and therefore no further regulatory approvals are required.

No Appraisal Rights

The holders of Carnival common stock have no right to an appraisal of the value of their shares in connection with the DLC transaction.

Takeover Regulation of the Combined Group

Following completion of the DLC transaction, Carnival and P&O Princess will remain separately listed companies and will remain subject to any takeover laws and rules applicable in their jurisdiction of

organization, subject to provisions in the Carnival articles and the P&O Princess articles, which are intended to have the effect of:

.. recognizing the substantive effect of the DLC transaction, which is that

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

the two companies should be regarded as a combined enterprise that will be managed by a single senior executive management team, have aligned economic interests and pursue common objectives; and

.. respecting the acquisition limits under the UK Takeover Code.

The UK Takeover Panel has confirmed that, on the basis of information available to it, upon completion of the DLC transaction, neither P&O Princess nor Carnival will be a company to which the UK Takeover Code applies. The Takeover Code provides a number of protections for shareholders, particularly in relation to mandatory offers where a person or group of persons acting in concert acquires in excess of 30% of the voting rights of a company.

Provisions will be included in the governing documents of Carnival and P&O Princess in order to replicate certain of the protections provided by the UK Takeover Code for companies listed on the LSE.

Control threshold

Under the P&O Princess articles and the Carnival articles, there will be a limit that effectively prevents a person (together with any concert parties) from (a) acquiring, or acquiring voting control over, 30% or more of the combined votes which could be cast on a joint electorate action or (b) if such person(s) already holds not less than 30%, but not more than 50%, of the combined votes which would be cast on a joint electorate action, acquiring, or acquiring voting control over, any shares which increase the percentage of votes which such person(s) could cast on a joint electorate action, except as described below.

Equivalent opportunities

If a person (together with any concert parties) exceeds either of the limits described above then, under the Carnival articles and the P&O Princess articles, that person will lose all rights attached to such shares as described below unless that person makes, or announces a binding intention to make, equivalent offers for both companies of the Combined Group within 10 days of exceeding either limit and such offers are made to both Carnival shareholders and P&O Princess shareholders within 28 days of making such an announcement. In summary, the equivalent offers (and any increase or extension thereof) must:

- .. be made to all holders of Carnival shares and P&O Princess shares at or about the same time;
- .. comply with all applicable laws and rules which would govern an offer for the Carnival shares and which would govern an offer for the P&O Princess shares; and
- .. be determined by the P&O Princess board and Carnival board to be equivalent with respect to consideration (including taking into account any existing share price disparity), terms and conditions of offer, information with respect to such offer and time to consider the offer for both the Carnival shareholders and the P&O Princess shareholders, both in relation to an initial offer and any increase or extensions.

Due to the variety of takeover procedures and structuring mechanisms for such a transaction and the different takeover regimes applicable to both companies the concept of equivalence has not been defined in the Carnival or P&O Princess articles. It is expected that the boards of Carnival and P&O Princess, considering applicable rules and regulations promulgated under the Exchange Act and, where relevant, in consultation with the UK Takeover Panel, will determine whether the offers are equivalent. In any event, such determination would be made on a case-by-case basis.

Each group of shareholders will be provided equivalent treatment and opportunities and therefore will be entitled to make its own decision as to whether the relevant offer is accepted. The completion of such transaction would require both offers to become unconditional.

Breach of limits

Under the Carnival articles and the P&O Princess articles, if a person exceeds either limit described above without making an equivalent offer for all Carnival shares and P&O Princess shares, then, under the Carnival articles and the P&O Princess articles, such excess shares will be transferred to a trustee to be held in trust for a charitable organization. Such transfer may be effected by the relevant board of the company concerned. The person who originally beneficially owned those shares in breach of the prescribed ownership limit will lose rights to income and any voting rights on those shares. The trustee may then be required by the relevant board to transfer such shares to another person, including (subject to applicable law and regulation) the relevant company.

Exclusions to the ownership threshold

The provisions and restrictions described above will not apply to:

- .. any buy-back;
- .. any acquisition of shares if the restrictions are prohibited by applicable law and regulations;
- .. any acquisition by members of the Arison family and trusts for their benefit provided their holdings do not increase by more than 1% of the voting power of the Combined Group in any period of twelve consecutive months, subject to their combined shareholdings not exceeding 40% of the voting power of the Combined Group. Any transfers of shares among members of the Arison family and trusts for their benefit are also not subject to the provisions and restrictions described above; and
- .. any acquisition pursuant to a mandatory exchange.

Existing 4.9% Ownership Limit

In order for Carnival to qualify as a publicly-traded corporation under Section 883, the Carnival articles also contain provisions that prevent third parties, other than the Arison family and trusts for their benefit, from acquiring beneficial ownership of more than 4.9% of the outstanding Carnival shares without the consent of the Carnival board of directors and provide for the lapse of rights, and sale, of any shares acquired in excess of that limit. The combined effect of these provisions precludes a third party from acquiring control of a controlling interest in either company or the Combined Group. These provisions may only be amended by both sets of shareholders, voting separately as a class, in a class rights action.

THE COMBINED GROUP

The description of the Combined Group assumes completion of the DLC transaction. The DLC transaction is conditioned on certain events, including approval by the shareholders of both Carnival and P&O Princess.

The implementation of the DLC structure will involve a strategic combination of the businesses of Carnival and P&O Princess. The two companies will have a single senior executive management team and identical boards of directors, and will be operated as if they were a single economic enterprise.

The Combined Group will be the largest cruise vacation group in the world, based on revenues, passengers carried and available capacity. It will have a wide portfolio of complementary brands, both by geography and product offering, and will include some of the best known cruise brands globally. We believe that the combination will allow the Combined Group to offer a wider range of vacation choices for its passengers and will enhance its ability to attract passengers from land-based vacations to cruise vacations.

As of January 31, 2003, Carnival and P&O Princess together had a combined fleet of 65 cruise ships offering 99,982 lower berths, with 18 additional cruise ships having 42,260 lower berths scheduled to be added over the next three and a half years. In addition, the Combined Group will be a leading provider of cruises to all major cruise destinations outside the Far East. The Combined Group will have one of the youngest and most modern fleets in the cruise industry, with an average vessel age (weighted by lower berths) of 7.5 years as of January 31, 2003. The Combined Group will also operate two private destination ports of call in the Caribbean for the exclusive use of its passengers and two river boats in Germany (with a further two on order at January 31, 2003), and will offer land-based tour packages as part of its vacation product alternatives. Carnival and P&O Princess together carried approximately 4.7 million passengers in fiscal 2002.

On a pro forma basis in accordance with U.S. GAAP, the Combined Group would have reported revenues of \$6.9 billion and net income of \$1.3 billion for the fiscal year ended November 30, 2002. On the same basis, the Combined Group would have reported shareholders' equity of \$12.8 billion as at November 30, 2002.

Brands

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

The Combined Group will offer thirteen complementary brands with leading positions in North America, the UK, Germany, Italy, France, Spain, Brazil, Argentina and Australia. These brands operate itineraries in the following regions: Alaska, Australia, Bahamas, Bermuda, Canada, the Caribbean, Europe, the Hawaiian Islands, the Mediterranean, the Mexican Riviera, New England, the Panama Canal, South America and other exotic destinations worldwide.

The Combined Group's principal brands will include:

Carnival Cruise Lines	-- primarily marketed in North America
Princess Cruises	
Holland America Line	
Cunard Line	
Windstar Cruises	
Seabourn Cruise Line	
P&O Cruises (UK)	--primarily marketed in the United Kingdom
Swan Hellenic	
Ocean Village	
AIDA	--primarily marketed in Germany
A'ROSA	

60

Costa Cruises	--primarily marketed in southern Europe and Germany
P&O Cruises (Australia)	--primarily marketed in Australia

Both Carnival and P&O Princess have historically managed their brands on a decentralized basis. The Combined Group intends to take a similar approach while integrating certain back office activities and taking other steps to achieve economies of scale and cost synergies.

Fleet

As of January 31, 2003, Carnival and P&O Princess together operated a fleet of 65 cruise ships with an aggregate capacity of 99,982 lower berths. As of that date, Carnival and P&O Princess together had an additional 18 cruise ships on order, with an aggregate capacity of 42,260 lower berths, scheduled for delivery during the next three and a half years. In addition, the Combined Group will operate two river boats on the Danube and as of January 31, 2003 had two new river boats on order representing a further 400 lower berths.

As of January 31, 2003, the fleet of the Combined Group (excluding river boats) would have had an average vessel age (weighted by lower berths) of 7.5 years and an average vessel size of approximately 1,540 lower berths. Based on the existing fleet and announced additions and withdrawals, and excluding river boats, the average vessel age (weighted by lower berths) of the Combined Group's fleet will be 8.7 years at November 30, 2006 and its average vessel size will have increased to approximately 1,720 lower berths.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

The table below summarizes the Combined Group's fleet capacity measured in lower berths by brand as of January 31, 2003 and the projected fleet capacity at November 30, 2006, taking into account existing cruise ships on order and announced transfers and withdrawals. In accordance with industry practice, capacity is based on two passengers occupying the lower berths in each cabin, even though some cabins can accommodate more than two passengers.

(4) The Combined Group is expected to withdraw additional capacity from service through 2006.

Strategy

Carnival and P&O Princess operate multi-brand strategies that are intended to differentiate themselves from their competitors and provide products and services appealing to the widest possible target audience across all major segments of the vacation industry.

Having established the contemporary Carnival Cruise Lines brand in 1972, Carnival entered the premium/luxury segment with the acquisition of Holland America Line/Windstar Cruises in 1989. Carnival has continued to acquire and build brands and expand its geographic reach, through the further acquisition

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

of the ultra luxury Seabourn brand, the contemporary European brand Costa Cruises and the premium/luxury British brand Cunard. These six brands are managed by four distinct management groups which operate on a decentralized basis. Carnival has found this decentralized management approach to be highly successful and expects the Combined Group to be managed in a similar fashion.

Similarly, P&O Princess has established a multi-brand strategy targeting a wide customer base. From established positions in the UK and Australian cruise industries, P&O Princess improved its position in the North American cruise industry in the 1970s and 1980s through the acquisitions of Princess Cruises and Sitmar Cruises and in Germany through the acquisition in 1999 of a majority stake in AIDA Cruises, one of the best known cruise brands in Germany. P&O Princess acquired the remainder of AIDA Cruises in 2000 and commenced the operation of a new German brand, A'ROSA, in 2002. In the UK, P&O Princess has recently launched Ocean Village, a new brand for the contemporary segment.

The Combined Group's will seek to be the leading global cruise vacation operator with brands appealing to the widest target audience, focused on sourcing passengers from developed vacation markets where cruising is one of the fastest growing vacation alternatives. Carnival and P&O Princess also expect to market certain of the Combined Group's brands to enter into and expand developing vacation markets. In pursuit of this strategy, the companies of the Combined Group will seek to:

Build on brand strengths

The Combined Group will have some of the most widely recognized cruise brands in North America, Europe, South America (primarily Brazil and Argentina) and Australia and will be a leading provider of cruise vacations to all of the key cruise destinations outside the Far East, including Alaska, Australia, Bahamas, Bermuda, Canada, the Caribbean, Europe, the Hawaiian Islands, the Mediterranean, Mexican Riviera, New England, the Panama Canal, South America and other exotic destinations worldwide. Carnival and P&O Princess intend to continue to grow the Combined Group's brands and broaden and develop the range of destinations, itineraries, tours and vacation alternatives offered by the Combined Group. The Combined Group intends to provide greater choice and options for its passengers among these well-recognized brands in order to continue to attract passengers from the wider vacation market.

Increase global presence

It is expected that the brand offerings and diversified fleet of the Combined Group will enable it to accelerate the entry of cruising into existing and new geographical vacation markets.

We believe that there is a significant opportunity to continue to build the Combined Group's presence in the relatively underdeveloped cruise vacation industry within continental Europe. The Combined Group will be one of the leading cruise vacation companies in the UK, Germany and southern Europe,

62

which are three of the largest vacation markets outside of North America. In the UK, P&O Cruises and Cunard are two of the most recognized brands. AIDA is one of the best known cruise brands in Germany, and Costa is one of the most widely recognized cruise brands in Europe.

Maximize growth through strategic deployment of its brands and fleet

The Combined Group expects to strategically deploy its diversified fleet in

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

order to increase its global reach and enter new and developing markets. Such strategic deployment is expected to allow the Combined Group to appeal to the largest target audience with brands, products and itineraries with the widest appeal in a particular geographic region.

Carnival and P&O Princess have traditionally constructed purpose-built ships for each of their brands, consistent with the passenger demographics and product features of the particular brand. In addition, in order to take advantage of the rapidly expanding demand in Europe for cruises, several vessels have been transferred within the Carnival and P&O Princess groups over the last several years. For example, Carnival's Tropicale was transferred to Costa and now operates as the Costa Tropicale and Holland America's Westerdam was transferred to Costa and now operates as the Costa Europa. P&O Princess has successfully deployed vessels in order to build its brands in the UK and Australia and to launch a new brand in Germany. For instance, in 2002 P&O Princess transferred the Ocean Princess and the Crown Princess to the P&O Cruises (UK) and A'ROSA brands in the UK and Germany, respectively, and intends to transfer the Sea Princess to the P&O Cruises (UK) fleet in 2003. In 2000, Princess Cruises' Sky Princess was redeployed to P&O Cruises (Australia) and now operates as the Pacific Sky.

We expect the Combined Group to continue to explore opportunities to utilize its vessels in such a manner consistent with providing the overall best return for the Combined Group.

Realize cost savings.

Carnival has consistently been one of the most efficient cruise operators in the cruise vacation industry. Carnival believes it has been able to achieve these efficiencies through its decentralized management approach, economies of scale, highly experienced management team and the ability to disseminate best practices across its operating companies. Since its demerger from The Peninsular and Oriental Steam Navigation Company in October 2000, P&O Princess has pursued a cost reduction program aimed at bringing its cost structure more into line with other major cruise operators. This program enabled underlying costs to be reduced by 13% per available berth day over two years.

Carnival and P&O Princess expect that the Combined Group will generate significant cost savings, estimated to be at least \$100 million on an annualized basis, commencing in the first full fiscal year following completion of the DLC transaction. Carnival and P&O Princess expect that these cost savings will be generated principally through the dissemination of best practices between the companies, economies of scale and the rationalization of certain shoreside operations. Carnival and P&O Princess expect that the majority of cost savings will come from the following areas:

- .. rationalizing each of sourcing and logistics, tour operations, certain back office functions and other offices and activities, such as sales and support offices globally;
- .. reducing selling, general and administrative costs from areas such as insurance, rent and other administrative costs;
- .. rationalizing port activities;
- .. rationalizing information technology across the group; and
- .. disseminating best practices across shipboard and shoreside operations.

One-time cash costs of achieving these cost savings are expected to be approximately \$30 million.

Industry Background

Since 1970, cruising has been one of the fastest growing segments of the vacation market. According to Cruise Lines International Association, or CLIA, a leading industry trade group, in 1970 approximately 0.5 million North American-sourced passengers took cruises of two consecutive nights or more. CLIA estimates that this number reached approximately 7.4 million passengers in 2002, a compound annual growth rate of approximately 9% since 1970.

Outside North America, the principal sources of passengers for the industry are the UK, Germany, Italy, France, Spain, South America and Australia. In all of these areas, cruising represents a smaller proportion of the overall vacation market than it does in North America but, based on industry data, is generally experiencing higher growth rates.

Cruising offers a broad range of products to suit vacationing passengers of many ages, backgrounds and interests. Cruise brands can be broadly divided into the contemporary, premium and luxury segments. The Combined Group will have significant product offerings in each of these segments. The contemporary segment is the largest segment and typically includes cruises that last seven days or less, have a more casual ambience and are less expensive than premium or luxury cruises. The premium segment is smaller than the contemporary segment and typically includes cruises that last from seven to 14 days. Premium cruises emphasize quality, comfort, style and more destination- focused itineraries and the average pricing on these cruises is typically higher than those in the contemporary segment. The luxury segment is the smallest segment and is typically characterized by smaller vessel size, very high standards of accommodation and service, generally with higher prices than the premium segment. Notwithstanding these marketing segment classifications, there is overlap and competition among cruise segments.

The Combined Group will provide cruise vacations in most of the largest vacation markets in the world: North America, the UK, Germany and southern Europe. A brief description of the principal vacation regions in which the Combined Group intends to operate is as follows:

North America

The largest vacation market in the world is North America. According to CLIA, approximately 7.4 million North American passengers took cruises for two consecutive nights or more in 2002.

Estimates of North American-sourced cruise passengers and the number of lower berths marketed in North America compiled by CLIA from 1997 to 2002 are as follows:

Calendar Year	Cruise Passengers sourced in North America/(1)/	Lower Berths Marketed in North America/(2)/
	1997	5,051,000
1998	5,428,000	138,000
1999	5,894,000	149,000
2000	6,882,000	166,000

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

2001	6,906,000	176,000
2002	7,400,000	193,000

-
- (1)Based on passengers carried for at least two consecutive nights for the calendar year (2002 estimates are preliminary).
- (2)As of the end of the calendar year. These figures include some ships which are marketed in North America and elsewhere.

The principal itineraries visited by North American cruise passengers in 2002 were the Caribbean, Bahamas and Mexico. In addition, North American cruise passengers visited Alaska, Bermuda, Europe, the Mediterranean, the Panama Canal and other exotic locations, including South America, Africa, the South Pacific, the Orient and India.

64

Based on the number of ships that are currently on order worldwide and scheduled for delivery between 2003 and 2006, Carnival and P&O Princess expect that the net capacity serving North American consumers will increase significantly over the next several years. Projections compiled by CLIA indicate that by the end of 2003, 2004 and 2005, North America will be served by 187,197 and 199 ships, respectively, having an aggregate passenger capacity of approximately 213,000, 236,000 and 240,000 lower berths, respectively. These figures include some ships that are expected to be marketed in North America and elsewhere. CLIA's estimates of capacity do not include assumptions related to unannounced ship withdrawals due to factors such as the age of ships or changes in the location from where ships' passengers are predominantly sourced and, accordingly, could indicate a higher percentage growth in North American capacity than will actually occur. Nonetheless, we expect that net capacity serving North American-sourced cruise passengers will increase over the next several years.

Europe

We estimate that Europe is one of the largest vacation markets, but cruising in Europe has achieved a much lower penetration rate than in North America. We estimate that approximately 2.3 million European-sourced passengers took cruise vacations in 2002 compared to approximately 7.4 million North American-sourced passengers. However, from 1990 to 2002, the number of cruise passengers sourced from Europe has been growing faster than the number of cruise passengers sourced from North America. From 1997 through 2001, the rate at which Europeans took a cruise grew at a compound annual growth rate of 12% compared to an 8% growth rate with respect to North Americans. With respect to the European countries from which the most cruise passengers are sourced, from 1997 through 2001 the compound annual growth rate in cruise passengers was 10% in the UK, 14% in France, 8% in Germany and 11% in Italy. Cruise vacation companies are continuing to expand their offerings in Europe. For example, more cruise vacations were marketed to European passengers in 2002 than in 2001. We expect that a number of additional new or existing ships will be introduced into Europe over the next several years.

We also believe that Europe will represent a significant area for the growth for the Combined Group because, among other things, the vacation markets in Europe are large but the level of penetration of cruising is low.

UK

The UK is one of the largest sources for cruise passengers in the world. According to G.P.Wild (International) Limited, approximately 0.8 million UK passengers took cruises in 2001. Cruising was relatively underdeveloped as a

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

vacation option for UK consumers until the mid-1990s, but since then there has been strong growth in the number of cruise passengers sourced from the UK. The number of UK cruise passengers increased by a compound annual growth rate of approximately 10% between 1997 and 2001. The main destination for UK cruise passengers is the Mediterranean. Other popular destinations for UK cruise passengers include the Caribbean, the Atlantic Islands, including the Canary Islands and the Azores, and Scandinavia. The Combined Group will have two of the most widely recognized brands in the UK-P&O Cruises (UK) and Cunard.

Germany

Germany is one of the largest sources for cruise passengers in continental Europe with approximately 0.4 million on cruise passengers in 2001. Germany exhibited a compound annual growth rate in the number of cruise passengers carried of approximately 8% between 1997 and 2001. We believe that German cruising is an underdeveloped region for the cruise industry. The main destinations visited by German cruise passengers are the Mediterranean and the Caribbean. Other popular destinations for German cruise passengers include Scandinavia and the Atlantic Islands. The Combined Group will have four brands marketed in Germany: AIDA, A'ROSA, Costa and Cunard.

65

Southern Europe

The main regions in southern Europe for sourcing cruise passengers are Italy, France and Spain. Together, these countries generated approximately 0.7 million cruise passengers in 2001. Cruising in Italy, France and Spain exhibited a compound annual growth rate in the number of passengers carried of approximately 15% between 1997 and 2001. We believe that these regions are also relatively underdeveloped for the cruise industry. The Combined Group intends to increase its penetration in Southern Europe through Costa Cruises, the largest and one of the most recognized cruise brands marketed in Europe.

South America

Cruising has been marketed in South America for many years, although the region remains in an early stage of development. Cruises from South America typically occur during the southern hemisphere summer months of November through March, and are primarily seven to nine days in duration. The Combined Group expects its presence in this region will be primarily represented through the Costa brand, which currently operates two vessels in this region Costa Classica and Costa Tropicale, offering approximately 2,324 lower berths.

Australia

Cruising in Australia is relatively small but well established. We estimate that approximately 0.1 million Australians took cruise vacations in 2001. The Combined Group expects to continue to serve this region through the P&O Cruises (Australia) brand, which currently operates Pacific Sky and, for a portion of the year, Pacific Princess in this region, and through Cunard and Holland America, which market their world and other cruises in Australia.

Characteristics of the Cruise Vacation Industry

Strong growth

Cruise vacations have experienced significant growth in recent years. The number of new cruise ships currently on order from shipyards indicates that the growth in supply of cruise capacity is set to continue for a number of years.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

As a result of this continuing growth in supply, continued growth in demand across the industry, particularly in North America, will be required in order to take up this increase in supply. Given the historical growth rate of cruising and the relative low penetration levels in major vacation markets, the Combined Group believes that there are significant areas for growth. However, in order for demand to meet available capacity, for the past few years there has been pressure on cruise pricing. See "Risk Factors--Risks relating to the Combined Group's businesses."

Wide appeal of cruising

Cruising appeals to a broad demographic range of passengers. Industry surveys estimate that the principal passengers for cruising in North America (defined as households with income of \$40,000 or more headed by a person who is at least 25 years old) now comprise approximately 128 million people. About half of these individuals have expressed an interest in a cruise as a vacation alternative.

Relatively low penetration levels

North America has the highest cruising penetration rates per capita. Nevertheless, CLIA estimates that only 15% of the U.S. population has ever taken a cruise. In the UK, where there has been significant expansion in the number of cruise passengers carried over the last five years, cruising penetration levels per capita are only approximately three-fifths of those of North America. In the principal vacation regions in continental Europe, cruising penetration levels per capita are approximately one-fifth of those in North America. Elsewhere in the world cruising is at an early stage of development and has far lower penetration rates.

66

Satisfaction rates

Cruise passengers tend to rate their overall satisfaction with a cruise-based vacation higher than comparable land-based hotel and resort vacations. In North America, industry studies indicate that cruise passengers experience a high level of satisfaction with their cruise product, with 69% of cruisers finding the value of the cruise vacation experience to be as good as, or better than, the value of other vacations.

Competition

Carnival and P&O Princess compete, and the Combined Group will compete, both with a wide array of land-based vacation alternatives and with other cruise lines for consumers' disposable leisure time dollars.

The Combined Group will compete with land-based vacation alternatives throughout the world, including, among others, resorts and hotels located in Las Vegas, Nevada, Orlando, Florida, various Caribbean, Mexican, Bahamian and Hawaiian Island destination resorts and numerous vacation destinations throughout Europe and the rest of the world. Specifically, the Combined Group's land-based competitors include, among many others, MyTravel, Club Med, GoGo Tours, Fairfield Communities Vacation Ownership Club, First Choice, Harrah's Entertainment, Hilton Hotels, Hyatt Hotels, Kuoni Travel, Mandalay Resort Group, Disney, Universal Studios, Marriott International Resorts and the Marriott Vacation Ownership Club, MGM Grand, Nouvelle Frontieres, Perillo Tours, Ritz-Carlton Hotels, Saga Tours, Six Flags, Starwood Hotels and Resorts, Sandals Resorts, Sun City Resorts, Thomas Cook, Trafalgar and companies in the TUI Group, as well as various other theme parks.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

The Combined Group's primary cruise competitors in the contemporary and/or premium cruise segments for North American-sourced passengers will be Royal Caribbean Cruises Ltd., which owns Royal Caribbean International and Celebrity Cruises, Star Cruises plc, which owns Norwegian Cruise Line and Orient Lines, and Disney Cruise Line.

The Combined Group's primary cruise competitors for European-sourced passengers will be My Travel's Sun Cruises, Fred Olsen, Saga and Thomson in the UK; Festival, Hapag-Lloyd, Peter Deilmann and Phoenix Reisen in Germany; and Mediterranean Shipping Cruises, Royal Olympia Cruises, Louis Cruise Line and Festival Cruises in southern Europe. The Combined Group will also compete for passengers throughout Europe with Norwegian Cruise Line, Orient Lines, Royal Caribbean International and Celebrity Cruises.

The Combined Group's primary competitors in the luxury cruise segment for its Cunard, Seabourn and Windstar brands will include Crystal Cruises, Radisson Seven Seas Cruise Line, and Silversea Cruises.

The Combined Group's brands will also compete with similar or overlapping product offerings across all of the Combined Group's segments.

Employees

The Combined Group is expected to have approximately 11,400 full and part-time/seasonal employees engaged in shoreside operations upon implementation of the DLC structure. Carnival and P&O Princess will also employ, in the aggregate, approximately 45,800 officers, crew and staff on its combined fleet of 65 cruise ships and two river boats. A significant proportion of employees that work in Carnival's and P&O Princess' ship, hotel, and motor coach operations are unionized and/or are party to collective bargaining agreements. We consider our respective employee and union relations generally to be good.

67

The Combined Group is expected to source its shipboard officers primarily from Italy, Holland, the UK and Norway. The remaining crew positions are manned by persons from around the world. The Combined Group is expected to utilize various manning agents in many countries and regions to help secure its shipboard employees.

Board and Management

Carnival and P&O Princess will be managed and operated as if they were a single economic enterprise. Although each of Carnival and P&O Princess will continue to exist as a separate company with its own board of directors and senior executive management, the boards and senior executive management of each company will be identical. The proposed directors of Carnival and P&O Princess following implementation of the DLC structure are listed under "Directors and Executive Officers of the Combined Group". In addition to their normal fiduciary duties to the company and obligation to have regard to the interests of its shareholders, the directors of each company will be entitled to have regard to the interests of the other company and its shareholders. Micky Arison, the Chairman and Chief Executive Officer of Carnival, will be Chairman and Chief Executive Officer of both Carnival and P&O Princess and Howard S. Frank, the Vice Chairman and Chief Operating Officer of Carnival, will be the Vice Chairman and Chief Operating Officer of both Carnival and P&O Princess. Peter Ratcliffe, P&O Princess' Chief Executive Officer, will be an executive director of both Carnival and P&O Princess. In addition, Gerald R. Cahill, the

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Chief Financial Officer and Chief Accounting Officer of Carnival, will be the Chief Financial Officer and Chief Accounting Officer of both Carnival and P&O Princess. The Combined Group expects to take advantage of the best management practices across the two companies. The headquarters of the Combined Group will be in Miami with a corporate office in London.

Dividends

Following completion of the DLC transaction, P&O Princess shareholders will continue to receive dividends declared by P&O Princess and Carnival shareholders will continue to receive dividends declared by Carnival. Dividends in respect of both P&O Princess shares and Carnival shares declared after completion of the DLC transaction will be paid at about the same time and in equalized amounts in accordance with the equalization ratio disregarding any amounts required to be deducted or withheld in respect of taxes and the amount of any applicable tax credits.

Carnival will continue to pay dividends in U.S. dollars. P&O Princess shareholders will continue to have the option to elect to receive dividends in U.S. dollars or pounds sterling in accordance with P&O Princess' existing procedures.

It is intended that the first dividend to be paid by the Combined Group will be declared in April 2003, with a record date in May 2003 and a payment date in June 2003.

On-going Reporting

We expect that the DLC transaction will be accounted for under U.S. GAAP using the purchase method of accounting in accordance with Statement of Financial Accounting Standards No. 141 "Business Combinations". In accordance with the purchase method of accounting, the P&O Princess U.S. GAAP accounting policies will be conformed to Carnival's accounting policies upon completion of the DLC transaction.

Following implementation of the DLC structure, P&O Princess will change its fiscal year end to November 30 so that it will be the same as Carnival's current fiscal year end. The Combined Group intends to publish combined financial statements denominated in U.S. dollars and prepared in accordance with U.S. GAAP. We expect that these combined financial statements will be included in a combined annual report. P&O Princess also expects to include summary balance sheet information

68

and summary income statement information prepared in accordance with UK GAAP, without notes, in the annual report. P&O Princess shareholders will be able to request an additional document containing P&O Princess financial statements prepared in accordance with UK GAAP, which together with the other published information would constitute the full annual report and financial statements.

We and P&O Princess will file periodic and current reports with the SEC on a joint basis in accordance with the rules applicable to U.S. domestic reporting companies. The financial statements presented in the periodic reports will consist of combined financial statements of the Combined Group prepared in accordance with U.S. GAAP.

Taxation of the Combined Group

UK Taxation

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Following the DLC transaction, P&O Princess will continue to be tax resident in the UK and should continue to qualify for the UK tonnage tax regime in respect of its relevant shipping profits.

In order for the tonnage tax regime to apply to relevant shipping profits, it is necessary, among other matters, that the strategic and commercial management of P&O Princess vessels currently within the tonnage tax regime remain located in the UK. We believe that after implementation of the DLC transaction, sufficient strategic and commercial management activities will remain located in the UK to satisfy this test.

P&O Princess has been advised by its tax advisers that the DLC transaction should not affect the application of the motive test exemption to the UK's controlled foreign company rules, which currently applies to the non-UK resident Princess Cruises brand vessel owning and operating subsidiaries.

U.S. Taxation

Exemption under Section 883 of the Internal Revenue Code

In general, under Section 883, certain non-U.S. corporations are not subject to U.S. federal income tax or branch profits tax on certain U.S. source income derived from the international operation of a ship or ships. Carnival and many of its ship-owning and operating subsidiaries are non-U.S. corporations that are organized in foreign countries that the Internal Revenue Service has recognized as having granted an equivalent exemption to U.S. corporations for the purposes of Section 883 and that derive income from sources within the United States. In addition, certain members of the P&O Princess Group are organized in foreign countries that the Internal Revenue Service has recognized as having granted an equivalent exemption to U.S. corporations for the purposes of Section 883 and which derive income from sources within the U.S.

A foreign corporation will qualify for the benefits of Section 883 if, in relevant part, (i) the foreign country in which the foreign corporation is organized grants an equivalent exemption to corporations organized in the U.S. and (ii) either (a) more than 50% of the value of the corporation's stock is owned, directly or indirectly, by individuals who are residents of that country or of another foreign country that grants an equivalent exemption to corporations organized in the U.S. referred to as the "stock ownership test" (such individuals are referred to as "Qualified Shareholders") or (b) the foreign corporation meets the publicly-traded test described below. In addition, to the extent a foreign corporation's shares are owned by a direct or indirect parent corporation which itself meets the publicly-traded test, then in analyzing the stock ownership test with respect to such subsidiary, stock owned directly or indirectly by such parent corporation will be deemed owned by individuals resident in the country of incorporation of such parent corporation.

69

A company whose shares are considered to be "primarily and regularly traded on an established securities market" in the U.S., the UK or another qualifying jurisdiction will meet the publicly-traded test (the "publicly-traded test"). Pursuant to recently revised proposed Treasury Regulations issued under Section 883, stock will be considered "primarily traded" on one or more established securities markets if, with respect to each class of stock of the particular corporation, the number of shares in each such class that are traded during a taxable year on any such market exceeds the number of shares in each such class traded during that year on any other established securities market. Stock of a corporation will be generally considered "regularly traded" on one or more established securities markets under the proposed regulations if (i) one or

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

more classes of stock of the corporation that, in the aggregate, represent more than 50% of the total combined voting power of all classes of stock of such corporation entitled to vote and of the total value of the stock of such corporation are listed on such market; and (ii) with respect to each class relied on to meet the more than 50% requirement in (i) above, (x) trades in each such class are effected, other than in de minimis quantities, on such market on at least 60 days during the taxable year, and (y) the aggregate number of shares in each such class of the stock that are traded on such market during the taxable year is at least 10% of the average number of shares of the stock outstanding in that class during the taxable year. A class of stock that otherwise meets the requirements outlined in the preceding sentence is not treated as meeting such requirements for a taxable year if, at any time during the taxable year, one or more persons who own, actually or constructively, at least 5% of the vote and value of the outstanding shares of the class of stock, own, in the aggregate, 50% or more of the vote and value of the outstanding shares of the class of stock (the "5% Override Rule"). However, the 5% Override Rule does not apply (a) where the foreign corporation establishes that Qualified Shareholders own sufficient shares of the closely-held block of stock to preclude non-Qualified Shareholders of the closely-held block of stock from owning 50% or more of the total value of the class of stock for more than half of the taxable year; or (b) to certain investment companies provided that no person owns, directly or through attribution, both 5% or more of the value of the outstanding interests in such investment company and 5% or more of the value of the shares of the class of stock of the foreign corporation.

Carnival will continue to qualify as a publicly-traded foreign corporation for these purposes after the DLC transaction and, consequently its foreign subsidiaries that are organized in foreign jurisdictions that grant an equivalent exemption will, subject to the discussion in the following paragraph, continue to qualify for Section 883 benefits. P&O Princess believes that it also should continue to qualify as a publicly-traded foreign corporation for these purposes after the DLC transaction and, consequently, that, if relevant, certain members of the P&O Princess Group that are organized in foreign jurisdictions that grant an equivalent exemption should, subject to discussion in the following paragraph, continue to qualify for Section 883 benefits.

It is possible that the Combined Group may be characterized for U.S. federal income tax purposes as a partnership between Carnival and P&O Princess or, conceivably, among their shareholders, notwithstanding the express intention of the parties that the DLC structure shall not constitute a partnership or other similar entity for any purpose. While either such characterization could affect the technical application of certain rules, neither should have a material impact under Section 883 or applicable U.S. income tax treaties, as appropriate.

In addition, the DLC structure has a number of features, including the special voting share and other features with respect to which there is limited or no authority under the Internal Revenue Code or applicable U.S. income tax treaties. Although the IRS could take a different position, Carnival and P&O Princess believe that the special voting share structure is not inconsistent with the publicly-traded test of Section 883 and that the DLC transaction should not adversely affect the abilities of Carnival and P&O Princess, nor the abilities of their respective subsidiaries, to qualify for the benefits of Section 883 or the applicable U.S. income tax treaties, as appropriate.

70

Exemption under Applicable Income Tax Treaties

Article 8 of the UK-U.S. Income Tax Treaty provides substantially the same

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

exemption from tax for UK resident companies for U.S. source shipping income as Section 883. P&O Princess and its UK resident subsidiaries should continue to qualify for such benefits after the DLC transaction has been completed. Although the UK-U.S. Income Tax Treaty has been renegotiated and signed (though it still has not entered into force as it is pending ratification by the U.S.), the provisions of Article 8, as renegotiated, are essentially the same as the provisions in the existing treaty. Unlike the current treaty, however, the pending UK-U.S. Income Tax Treaty contains a Limitations on Benefits article that requires one of certain alternative tests to be satisfied in order for a party to be eligible for benefits under the treaty. P&O Princess believes that it and its UK resident subsidiaries should satisfy the Limitation on Benefits article if, and as of when, the pending treaty comes into force. The pending treaty also contains other limitations that would deny the availability of treaty benefits for income earned through certain entities. While these other limitations would apply to income earned through certain P&O Princess entities, P&O Princess believes, based on its current circumstances, that it will be able to reorganize by, for example, moving the affected operations into a UK entity or one formed in another equivalent exemption jurisdiction, such that the relevant U.S. source shipping income should qualify for an exemption from U.S. federal income tax, either under the pending treaty or pursuant to Section 883.

In addition, certain members of the Combined Group rely on other U.S. income tax treaties for similar exemptions from U.S. taxation on U.S. source shipping income. We do not believe that the DLC transaction will affect the ability of these corporations to continue to qualify for such treaty benefits.

There is, however, no authority that directly addresses the impact of a DLC arrangement or the availability of benefits under Section 883 or any applicable U.S. income tax treaty and, consequently, the matters discussed above are not entirely free from doubt.

Taxation in the Absence of an Exemption under Section 883 or Any Applicable U.S. Income Tax Treaty.

Shipping income that is attributable to transportation of passengers which begins or ends in the U.S. is considered to be 50% derived from U.S. sources. Shipping income that is attributable to transportation of passengers which begins and ends in foreign countries is considered 100% derived from foreign sources and not subject to U.S. federal income tax. Shipping income that is attributable to the transportation of passengers which begins and ends in the U.S. without stopping at an intermediate foreign port is considered to be 100% derived from U.S. sources.

The legislative history of the transportation income source rules suggests that a cruise that begins and ends in a U.S. port, but that calls on more than one foreign port, will derive U.S. source income only from the first and last legs of the cruise. Because there are no regulations or other IRS interpretations of these rules, the applicability of the transportation income source rules in the aforesaid manner is not free from doubt.

In the event that Carnival or P&O Princess or any of their respective subsidiaries were to fail, in part or in whole, to meet the requirements of Section 883 of the Internal Revenue Code or Article 8 of the UK-U.S. Income Tax Treaty or other applicable U.S. income tax treaty, as appropriate, then the non-exempt U.S. source shipping income would be subject to either the 4% of gross income tax regime of Section 887 of the Internal Revenue Code (the "4% tax regime") or the net income and branch profits tax regimes of Section 882 and Section 884 of the Internal Revenue Code (collectively, the "net tax regime").

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

The net tax regime is only applicable where the relevant foreign corporation has, or is considered to have, a fixed place of business in the U.S. that is involved in the earning of U.S.-source shipping income and substantially all of this shipping income is attributable to regularly scheduled transportation. Under the net tax regime, U.S.-source shipping income, net of applicable deductions, would be subject to a corporate tax of up to 35% and the net after-tax income would be potentially subject to a further branch tax of 30%. In addition, interest paid by these corporations, if any, would generally be subject to a 30% branch interest tax.

Under the 4% tax regime, which should be the tax regime applicable to vessel owning subsidiaries, the U.S. source shipping income of each of the vessel owning subsidiaries would be subject to a 4% tax imposed on a gross basis, without benefit of deductions. Under the 4% tax regime, the maximum effective rate of tax on the gross shipping income of these subsidiaries attributable to transportation that either begins or ends in the U.S. would not exceed 2%.

German and Australian taxation

P&O Princess' German and Australian branches' tax position should not be affected by the DLC transaction. The majority of their profits should continue to be exempt from local tax by virtue of the UK/Germany and UK/Australia double tax treaties.

Equalization payments

Carnival and P&O Princess do not anticipate that any material amounts of equalization payments are likely to be made between them in accordance with the Equalization and Governance Agreement for the foreseeable future. However, if it becomes necessary to make equalization payments, any such payments received in the UK are likely to be taxable. Further, the treatment from a U.S. federal income tax perspective of such equalization payments is not without doubt. The payment is to be grossed up in respect of any tax thereon. On the basis that payments will not be material, any tax cost should not be significant.

Taxation of Carnival Shareholders

The following is a discussion of the material U.S. federal income tax consequences which, in the opinion of Paul, Weiss, Rifkind, Wharton & Garrison LLP, are generally applicable to a U.S. holder (as defined below) of Carnival shares with respect to the DLC transaction. This discussion is based upon existing U.S. federal income tax law, including the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"), proposed, temporary and final Treasury Regulations, administrative pronouncements, and judicial decisions, as in effect as of the date hereof, all of which are subject to change, possibly with retroactive effect. Carnival has not and will not seek a ruling from the United States Internal Revenue Service ("IRS") with respect to the U.S. federal income tax consequences described below and, as a result, there can be no assurance that the IRS will agree with, or that a court will uphold, any of the conclusions set forth herein.

This discussion assumes that each of the Carnival shares has been held as a capital asset as defined in Section 1221 of the Internal Revenue Code in the hands of the U.S. holder at all relevant times. This discussion assumes that Carnival is not a "controlled foreign corporation," "foreign personal holding company" or "passive foreign investment company" ("PFIC") for U.S. federal income tax purposes. This discussion does not address state, local or foreign tax consequences to U.S. holders, nor does this discussion address all the tax consequences that may be relevant to a U.S. holder in light of such holder's particular circumstances or to U.S. holders subject to special rules, including

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

certain financial institutions, regulated investment companies, insurance companies, dealers in securities, tax exempt organizations, persons who hold Carnival shares as part of a position in a "straddle" or "appreciated

72

financial position" or as part of a "hedging" or "conversion" transaction, persons that own or have owned, actually or constructively, 10% or more of the Carnival shares, persons who acquired their Carnival shares through the exercise or cancellation of employee stock options or otherwise as compensation for services, U.S. holders whose functional currency is not the U.S. dollar and holders of Carnival shares that are not U.S. holders. This discussion does not address U.S. tax considerations that may apply to Carnival shareholders that are not U.S. holders.

A "U.S. holder" is a holder of Carnival shares who or that is for U.S. federal income tax purposes (i) a citizen or individual resident of the United States, (ii) a corporation or other entity taxable as a corporation organized under the law of the United States or any political subdivision thereof (including the States and the District of Columbia), (iii) an estate or trust defined in Section 7701(a) (30) of the Internal Revenue Code, or (iv) any other person that is subject to U.S. federal income tax on its worldwide income.

Although there is no U.S. federal income tax authority addressing the tax consequences of a DLC transaction, Carnival believes that the DLC transaction should not give rise to taxable income or gain for U.S. Carnival shareholders for U.S. federal income tax purposes. However, the IRS may assert that U.S. Carnival shareholders received taxable income as a result of the various voting and equalization provisions necessary to implement the DLC transaction. Carnival believes that such voting and other rights, if any, received by shareholders are expected to have only nominal value and, therefore, the receipt of such rights by U.S. Carnival shareholders would only result in a nominal amount of income. It is possible, however, that the IRS may disagree with this conclusion.

Holders of Carnival shares should consult their independent professional advisers in the light of their particular circumstances as to the U.S. federal income tax consequences of the DLC transaction, as well as to the effect of any state, local or applicable foreign tax law.

73

UNAUDITED PRO FORMA FINANCIAL INFORMATION OF THE COMBINED GROUP

The following unaudited pro forma financial information gives pro forma effect to the proposed DLC transaction, after giving effect to the pro forma adjustments described in the accompanying notes. We have prepared the unaudited pro forma financial information from, and you should read it in conjunction with, the historical consolidated financial statements, including the related notes, of Carnival and P&O Princess that we have incorporated by reference in this proxy statement/prospectus. 3. Accounting policy adjustments

The pro forma financial information has been prepared in accordance with the accounting policies of Carnival under U.S. GAAP, which differ in certain respects from the U.S. GAAP accounting policies of P&O Princess as noted below. Upon completion of the DLC transaction, Carnival and P&O Princess will perform a detailed review of their accounting policies and financial statement classifications. As a result of this detailed review, it may become necessary to make certain reclassifications to the Combined Group's financial statements to conform the P&O Princess financial statements to the Carnival accounting policies and classifications. Although management does not expect that this detailed review will result in material changes to accounting policies or

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

classifications other than as noted below, no such assurance can be given at this time.

(a) Cruise revenues and expenses

P&O Princess' accounting policy is initially to record deposits received on sales of cruises as deferred income and recognize them, together with revenues from onboard activities and all

81

Notes to the unaudited pro forma financial information of the Combined Group in accordance with U.S. GAAP--(Continued)

associated direct costs of a voyage, on a pro rata basis at the time of the voyage. Carnival's accounting policy is to recognize these items generally upon completion of voyages with durations of ten days or less and on a pro rata basis for voyages in excess of ten days. For the year ended and as of 30 November 2002 adjustments of \$(2.9) million (affecting revenues by \$(3.9) million and operating expenses by \$1.0 million) and \$(12.0) million (the latter affecting accounts receivable by \$(3.4) million, accrued liabilities by \$(0.1) million and customer deposits by \$15.5 million) have been made to conform P&O Princess' policy to Carnival's policy.

(b) Dry-docking

P&O Princess' accounting policy is to capitalize dry-docking costs and amortize them to operating expense using the straight-line method through the date of the next scheduled dry-dock, which typically is over two to three years. Carnival's dry-dock accounting policy is the same as P&O Princess' except that the capitalized dry-dock costs are amortized to expense generally over one year. For the year ended and as of November 30, 2002 adjustments of \$(5.2) million and \$(16.5) million have been made to conform P&O Princess' policy to Carnival's policy.

(c) Marketing and promotion costs

P&O Princess' accounting policy under U.S. GAAP is to expense all marketing and promotion costs as incurred. Carnival expenses all such costs as incurred except for brochures and media production costs, which are recorded as prepaid expenses and charged to expense as the brochures are consumed or upon the first airing of the advertisement, respectively. For the year ended and as of November 30, 2002 adjustments of \$4.3 million and \$18.9 million have been made to conform P&O Princess' policy to Carnival's policy.

4. Business combination adjustments

(d) Purchase consideration and related goodwill and intangible assets are as follows:

	(U.S.\$m)	Notes
Purchase consideration	5,380.8	(i)
Costs of acquisition	60.0	(ii)

Total purchase consideration	5,440.8	
Less fair value of net assets acquired	(2,516.4)	(iii)

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Excess of purchase consideration over net assets acquired 2,924.4 (iv)
=====

-
- (i) The purchase consideration is expected to be based upon the average of the quoted closing market price of Carnival's shares beginning two days before and ending two days after January 8, 2003, the date its DLC transaction offer announcement was agreed to by the P&O Princess board. In addition, the number of P&O Princess shares is adjusted for the proposed share reorganization of 3.3289 existing P&O Princess shares for one new P&O Princess share, including P&O Princess stock options which will vest in full on completion of the DLC transaction. A Carnival share price of \$25.31 has been used for purposes of this pro forma presentation and an estimated number of P&O Princess shares in issue of 212.6 million after adjusting for the share reorganization.
- (ii) Represents Carnival's estimated direct costs of carrying out the proposed DLC transaction, including costs related to the registration of Carnival shares pursuant to the Partial Share Offer, of which \$30.2 million has been incurred by Carnival and is included in other assets. An adjustment has been made to remove this \$30.2 million from other assets as it will be included in the purchase consideration upon completion of the DLC transaction. Of the total \$60.0 million of acquisition costs, \$29.8 million had not been incurred as of November 30, 2002 and, accordingly, an adjustment has been made to increase accrued liabilities for this amount.

82

Notes to the unaudited pro forma financial information of the Combined Group in accordance with U.S. GAAP--(Continued)

- (iii) Based upon preliminary estimates of the fair value of the identifiable assets acquired and liabilities assumed given current information. On completion of the DLC transaction, adjustments will be made to these preliminary estimates to reflect their estimated fair values at that time. We expect to have independent appraisals performed to assist us in establishing the fair value of P&O Princess' ships and amortizable and non-amortizable intangible assets. However, based on the information currently available, it is not expected that the amount of separately identifiable amortizable intangible assets will be material to the Combined Group's financial statements. No assurance can be given that the preliminary fair value estimates included in this pro forma financial information will not be materially changed as a result of these valuations. Fair value adjustments are detailed in the notes and the table below.

(iv) The excess of purchase consideration over net assets acquired is primarily estimated to include the value attributed to P&O Princess's trademarks, brand names and goodwill. Management believes that these trademarks and brand names have indefinite lives and, accordingly, based on SFAS No. 142, "Goodwill and Other Intangible Assets", no adjustment for pro forma amortization is required. It is not possible at this time to reasonably estimate the separate amounts attributable to identifiable intangible assets or goodwill since the measurement of these assets requires the expertise of an independent appraiser who will not be engaged until after the completion of the DLC transaction. Accordingly, the entire amount of the excess of the purchase consideration has currently been allocated to goodwill, but is expected to be allocated between goodwill and other identifiable intangible assets such as brand names and trademarks, subsequent to the completion of the DLC transaction based primarily on the appraiser's valuation. However, since it is expected that the material intangibles that

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Notes to the unaudited pro forma financial information of the Combined Group in accordance with U.S. GAAP--(Continued)

will be identified and valued will have indefinite lives, no material impact on the pro forma statement of operations is expected as a result of this presentation on the Combined Group's balance sheet, as neither goodwill nor these indefinite lived intangibles are allowed to be amortized.

- (e) A net adjustment of \$15.1 million has been made against the fair value of hedged firm commitments. These adjustments relate to contractual commitments for ships which were ordered, and hedged, at a time when the euro exchange rate was different, and hence, these contracts could be replaced today at a euro price that would convert to a different U.S. dollar cost at current exchange rates.

Otherwise, the book value, including prepaid dry-dock costs, and fair value of ships in use and under construction are preliminarily estimated to be the same in all material respects. However, we intend to have an appraisal of all the P&O Princess ships, so it is possible that the fair value of some of P&O Princess' ships could be less than or greater than their carrying value.

- (f) An adjustment of \$5.0 million has been made to the book value of P&O Princess fixed interest rate long-term debt to reflect current interest rates, without giving effect to any possible changes in credit ratings. The fair value of this debt is based upon quoted market prices or the discounted present value of future amounts payable on the debt. The fair value adjustment is amortized over the remaining term of the debt as applicable, which results in a pro forma increase of \$1.5 million in interest expense for 2002. In addition, an adjustment has been made to write-off the book value of P&O Princess' historical deferred financing costs of \$17.6 million related to its existing borrowings as such costs have been considered in determining the fair value of P&O Princess' debt.

- (g) An adjustment of \$66.0 million has been made to the book value of other tax assets to reflect recoverable value to the Combined Group and to reverse \$2.8 million of P&O Princess' tax expense.

- (h) An adjustment of \$85.0 million has been made to record the fair value of P&O Princess' pension plan liabilities. This relates to the Merchant Navy Officers Pension Fund and is calculated based upon, among other things, P&O Princess' current share of total employer contributions.

- (i) On completion of the DLC transaction all awards and options granted under the P&O Princess employee share incentive plans will vest in full. An adjustment has been made to reverse the P&O Princess employee share incentive and matching award charge of \$1.9 million for the year ended November 30, 2002.

- (j) An adjustment has been made to eliminate \$75.4 million of P&O Princess' historical goodwill related to prior business acquisitions.

- (k) P&O Princess expects to incur and expense approximately \$146.0 million of costs related to its terminated Royal Caribbean transaction and the completion of the DLC transaction with Carnival, including costs incurred to register P&O Princess ordinary shares with the U.S. Securities and Exchange Commission. Under U.S. GAAP, \$11.9 million was expensed in the year ended December 31, 2001, and \$105.1 million was expensed in 2002. An adjustment has been made to reverse this \$105.1 million in the pro forma statement of operations for 2002 since Carnival and P&O Princess believe that the Royal Caribbean and Carnival costs are non-recurring charges directly attributable in all material respects to the DLC transaction. Of the total \$146.0 million

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

of P&O Princess' costs, \$29.0 million has not been incurred as at December 31, 2002 and an adjustment has been made to increase accrued liabilities for this amount.

- (l) An adjustment of \$84.0 million (\$70.1 million current and \$13.9 million long term) has been made to record the fair value of P&O Princess' contractual commitments to receive probable and estimable liquidated damages and business interruption insurance proceeds related to the delayed delivery of the Diamond Princess. This ship was initially scheduled for delivery in May 2003, but has been delayed as a result of a fire in October 2002.

- (m) The shareholders' equity adjustment of \$2,665.3 million represents the net equity increase due to the application of business combination adjustments, as detailed below:

	US\$m	Notes
Excess of purchase consideration over net assets acquired	2,924.4	4/(d)/

Costs of acquisition	(60.0)	4/(d-ii)/

Shareholders' equity adjustment	2,665.3	
	=====	

- (n) The pro forma weighted average number of shares has been calculated as if the DLC transaction had occurred on December 1, 2001 and after adjusting for the proposed P&O Princess share reorganization of 3.3289 existing P&O Princess shares for one new P&O Princess share.

Based upon the weighted average number of shares outstanding of 706.6 million, including 14.2 million of share options which all vest upon completion of the DLC transaction (706.6 million diluted), or 212.3 million (212.3 million diluted) after the proposed P&O Princess share reorganization, for P&O Princess and 586.6 million (588.1 million diluted) for Carnival for the years ended December 31, 2002 and November 30, 2002, respectively, the pro forma weighted average number of shares for the Combined Group is calculated as 798.9 million (800.4 million diluted).

The pro forma earnings per share amounts have been calculated using the pro forma weighted average number of shares, calculated as described above, and the pro forma earnings for the Combined Group.

- (o) Certain restructuring and integration expenses may be recorded subsequent to completion of the DLC transaction. The amount of these charges has not yet been determined, although they have been preliminarily estimated to be approximately \$30 million, as they will be the subject of a detailed plan of restructuring and integration to be completed subsequent to the consummation of the DLC transaction. A portion of these charges may subsequently be determined to be part of the purchase consideration. These charges are not reflected in the unaudited pro forma financial information because they are not expected to have a continuing impact on the combined results.

CHANGES IN RIGHTS OF CARNIVAL SHAREHOLDERS

Set forth below is a summary comparison of the rights of Carnival shareholders before and after the DLC transaction (and assuming approval of Proposals 3, 4, 5 and 6 as well) that highlights the proposed changes to Carnival's articles of incorporation and by-laws. This summary is not complete and we encourage you to refer to the relevant parts of the proposed Third Amended and Restated Articles of Incorporation of Carnival, which are attached to this proxy statement/prospectus as Annex A-4, and the proposed Amended and Restated By-laws of Carnival, which are attached to this proxy statement/prospectus as Annex A-5.

General

Carnival's authorized capital stock consists of 1,000,000,000 shares, of which 960,000,000 are shares of common stock and 40,000,000 are shares of preferred stock. As of March 11, 2003, there were 586,972,729 shares of common stock and no shares of preferred stock outstanding. Our transfer agent and registrar is SunTrust Bank. We are proposing to increase our authorized capital stock to 2,000,000,000 shares, of which 1,959,999,998 are shares of common stock (see Proposal 3), and 40,000,000 are shares of preferred stock. In connection with the DLC transaction, we will also have one share of special voting stock, which we refer to in this proxy statement/prospectus as a special voting share, and one share of special stock, which we refer to in this proxy statement/prospectus as the equalization share.

Upon completion of the DLC transaction, you will continue to own your Carnival shares and will keep your existing certificates, if you have any. Carnival shares will continue to be listed on the NYSE. In connection with the DLC transaction, Carnival shareholders will receive trust shares of beneficial interests in a special voting entity in the form of a trust that we are creating. Following completion of the DLC transaction, Carnival shares will trade in units consisting of one Carnival share and one trust share of beneficial interest in the special voting entity. Separate stock certificates will not be issued to represent these trust shares of beneficial interest; instead, certificates representing your Carnival shares will also evidence these trust shares of beneficial interest.

Voting Rights

Before DLC transaction

Under Panamanian law, unless the articles of incorporation provide otherwise, each shareholder is entitled to one vote for each share of capital stock held by the shareholder, and the articles of incorporation may provide that in elections of directors and other specified circumstances, shareholders are entitled to cumulative voting. At any meeting of shareholders, all matters, except as otherwise provided by Panamanian law, will be decided by a majority of the votes cast by shareholders present in person or by proxy. Carnival's current articles of incorporation do not alter the voting rights as provided under Panamanian law or provide for cumulative voting.

After DLC transaction

Following completion of the DLC transaction, all matters, except as otherwise expressly provided by Panamanian law, the articles or by-laws, will be decided by a majority of the votes cast by all shareholders entitled to vote

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

(including, where applicable, the Carnival Special Voting Entity) who are present in person or by proxy at such meeting; provided that votes recorded as abstentions will not be counted as having been "cast." In connection with the DLC transaction, special voting arrangements will be implemented so that the shareholders of Carnival and P&O Princess will vote together as a single decision-making body on all actions submitted to a shareholder vote other than matters designated as class rights actions or resolutions on procedural or technical matters.

86

These are called joint electorate actions and will include:

- .. the appointment, removal or re-election of any director of Carnival or P&O Princess or both of them;
- .. if required by law, the receipt or adoption of the annual accounts of both companies;
- .. the appointment or removal of the auditors of either company;
- .. a change of name by P&O Princess or Carnival, or both of them; or
- .. the implementation of a mandatory exchange based on a change in tax laws, rules or regulations.

The following table illustrates how these voting arrangements would affect joint electorate actions needing to be passed by a majority vote, assuming 100% of each company's shareholders vote and the Partial Share Offer is taken up in full:

Carnival	P&O Princess	Outcome
64% or more approve	100% disapprove	Action taken
63% or less disapprove	100% approve	Action taken
51% or less approve	55% or more disapprove	Action not taken
51% or less disapprove	54% or more approve	Action taken

A change in the equalization ratio resulting from a share reorganization or otherwise would only affect voting rights on a per share basis. In the aggregate, such a change would not affect the relative weighting between the current shareholders of Carnival and P&O Princess. Assuming the Partial Share Offer is taken up in full, approximately 79% of the equity (and hence of the vote in a joint electorate action) would remain with the holders of Carnival shares, while approximately 21% of the equity and the vote in a joint electorate action would remain with the holders of P&O Princess shares.

The relative voting rights of the P&O Princess shares and Carnival shares will be determined by the equalization ratio. Based on an equalization ratio of 1:1, each Carnival share will have the same voting rights as one P&O Princess share on joint electorate actions.

In the case of class rights actions, the company wishing to carry out the class rights action would require the prior approval of shareholders of both companies, each voting separately as a class. If shareholders of either company do not approve the action, it generally will fail.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Class rights actions will include:

- .. the voluntary liquidation, dissolution or winding up (or equivalent) of either company for which shareholder approval is required (other than as part of a voluntary liquidation, dissolution or winding up (or equivalent) of both companies at or about the same time provided that such liquidation is not for the purpose of reconstituting all or a substantial part of the business of the two companies in one or more successor entities);
- .. the sale, lease, exchange or other disposition of all or substantially all of the assets of either company other than a bona fide commercial transaction for valid business purposes and at fair market value and not as part of a proposal, the primary purpose of which is to collapse or unify the DLC structure;
- .. an adjustment to the equalization ratio, other than in accordance with the Equalization and Governance Agreement;
- .. any amendment, removal or alteration of any of the provisions of P&O Princess' articles of association and Carnival's articles of incorporation and by-laws which entrench specified core provisions of the DLC structure;

87

- .. any amendment or termination of the principal agreements under which the DLC structure is implemented (except where otherwise specifically provided in the relevant agreement);
- .. any amendment to, removal or alteration of the effect of certain tax-related provisions of Carnival's articles of incorporation that would be likely to cause a mandatory exchange; and
- .. anything which the boards of both companies agree should be approved as a class rights action.

The following table illustrates how these voting arrangements would affect class right actions:

Carnival shareholders	P&O Princess shareholders	Outcome
Approve / (1) /	Disapprove	Action not taken
Disapprove	Disapprove	Action not taken
Disapprove	Approve / (2) /	Action not taken
Approve	Approve	Action taken

- (1) Assumes that holders of at least approximately 2% or more of the outstanding Carnival shares do not cast votes on the action. In contrast, if all Carnival shareholders voted in favor of the action, it would be taken.
- (2) Assumes that holders of at least approximately 2% or more of the outstanding P&O Princess shares do not cast votes on the action, or in the case of a special resolution that at least one vote is cast against the action. In contrast, if all P&O Princess shareholders voted in favor of the action, it would be taken.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

When a quorum for the transaction of business is present at any meeting, a resolution duly approved at a meeting of Carnival's shareholders by the affirmative vote of a majority of all the votes cast on such resolution by all shareholders of Carnival entitled to vote on it (including, where applicable, the Carnival Special Voting Entity as holder of the Carnival special voting share described below) who are present in person or by proxy at the meeting will decide such question brought before such meeting, unless the question is one upon which, by express provision of applicable law or regulation, the articles of incorporation or the by-laws, a greater vote is required, in which case such express provision will govern. Every resolution put to a vote at any meeting of Carnival shareholders is conducted on a poll.

No resolution to approve a class rights action or joint electorate action will be approved unless a parallel P&O Princess shareholders' meeting is held to vote on any equivalent resolution.

The Carnival board and the P&O Princess board may:

- .. decide to seek approval from shareholders for any matter that would not otherwise require such approval;
- .. require any joint electorate action to instead be approved as a class rights action; or
- .. specify a higher majority vote than the majority that would otherwise be required by applicable laws and regulations.

Special Voting Shares

Before DLC transaction

Carnival's current articles of incorporation and by-laws do not provide for a special voting share, as the special voting share is merely a mechanism to give effect to shareholder votes at parallel shareholder meetings on joint electorate actions and class rights actions as described above under 'Voting Rights' and quorum provisions as described below under 'Quorum Requirements,' in each case following completion of the DLC transaction.

After DLC transaction

Reflecting votes of P&O Princess shareholders at Carnival meetings

In connection with the DLC transaction, Carnival's articles of incorporation will be amended to authorize one special voting share. The Carnival special voting share will have no rights to income or capital and no voting rights except as described below. Upon completion of the DLC transaction,

88

Carnival will issue the Carnival special voting share to the Carnival Special Voting Entity. At all meetings at which a joint electorate action or a class rights action will be considered, the holder of the Carnival special voting share must be present.

For joint electorate actions, the Carnival special voting share will represent the number of votes cast at the parallel meeting of P&O Princess shareholders (as adjusted by the equalization ratio and rounded up to the nearest whole number) and will represent "yes" votes, "no" votes and abstention at the Carnival meeting in accordance with votes cast at the P&O Princess meeting.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

For class rights actions, the Carnival Special Voting Entity, as holder of the Carnival special voting share, will only vote if the proposed action has not been approved at the parallel P&O Princess meeting. In that event, the Carnival special voting share will represent that number of votes equal to the largest whole percentage that is less than the percentage of the number of votes necessary to defeat the resolution at the Carnival meeting if the total votes capable of being cast by all outstanding Carnival shares able to vote were cast in favor of the resolution. In most cases, this will be 49% (for a majority vote, 49% is the largest whole percentage that is less than the 50% needed to defeat the resolution). As a result, in the case of a majority vote, the Carnival special voting share will represent a number of votes equal to 98% of the votes capable of being cast by all Carnival shares (excluding the votes represented by the Carnival special voting share). Therefore, assuming holders of approximately 2% or more of the Carnival shares do not cast votes on such class rights action, it will fail. If the P&O Princess shareholders approve the proposed action, the Carnival special voting share will not represent any votes.

The Carnival special voting share will not represent any votes on any resolution of a procedural or technical nature, which we refer to in this document as "procedural resolutions." Procedural resolutions are those that do not adversely affect the shareholders of P&O Princess in any material respect and are put to the Carnival shareholders at a meeting. The Chairman of the Carnival board will, in his absolute discretion, determine whether a resolution is a procedural resolution. To the extent that such matters require the approval of Carnival shareholders, any of the following will be procedural resolutions:

- .. that certain people be allowed to attend or be excluded from attending the meeting;
- .. that discussion be closed and the question put to the vote (provided no amendments have been raised);
- .. that the question under discussion not be put to the vote (where a shareholder feels the original motion should not be put to the meeting at all, if such original motion was brought during the course of that meeting);
- .. to proceed with matters in an order other than that set out in the notice of the meeting;
- .. to adjourn the debate (for example, to a subsequent meeting); and
- .. to adjourn the meeting.

Reflecting votes of Carnival shareholders at P&O Princess meetings

On completion of the DLC transaction, the P&O Princess special voting share will be transferred to the trustee of the P&O Princess Special Voting Trust. For joint electorate actions, the P&O Princess special voting share will represent the number of votes cast at the parallel meeting of Carnival shareholders (as adjusted by the equalization ratio and rounded to the nearest whole number) and will represent "yes" votes, "no" votes and abstention at the P&O Princess meeting in accordance with votes cast at the Carnival meeting.

For class rights actions, the trustee of the P&O Princess Special Voting Trust, as holder of the P&O Princess special voting share, will only vote if the proposed action has not been approved at the

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

parallel Carnival meeting. In that event, the P&O Princess special voting share will represent that number of votes equal to the largest whole percentage that is less than the percentage of the number of votes (or, in the case of a special resolution, such percentage less one vote) necessary to defeat the resolution at the P&O Princess meeting if the total number of votes capable of being cast by all outstanding P&O Princess shares (and other P&O Princess shares able to vote) were cast in favor of the resolution. In most cases, this will be 49% (for a majority vote, 49% is the largest whole percentage that is less than the 50% needed to defeat the resolution). As a result, in the case of a majority vote, the P&O Princess special voting share will represent a number of votes equal to 98% of the votes capable of being cast by all P&O Princess shares (excluding the votes represented by the P&O Princess special voting share). Therefore, assuming holders of approximately 2% or more of P&O Princess shares do not cast votes on such class rights action, it will fail. If the Carnival shareholders approve the proposed action, the P&O Princess special voting share will not represent any votes.

The P&O Princess special voting share will not represent any votes on any procedural resolutions.

Trust shares of beneficial interest in the P&O Princess Special Voting Trust will be transferred to Carnival. Immediately following this transfer, Carnival will distribute the trust shares of beneficial interest in the P&O Princess Special Voting Trust by way of dividend to Carnival shareholders of record at the close of business on April 17, 2003. Separate certificates will not be issued to represent these trust shares of beneficial interest in the P&O Princess Special Voting Trust; instead, the trust shares of beneficial interest will be paired with, and evidenced by, certificates representing Carnival shares, as provided in the pairing agreement. The provisions of the pairing agreement described under "Special Voting Entities; Special Voting Shares -- Pairing Agreement" will also be reflected in the Carnival articles.

Following completion of the DLC transaction, Carnival shares will trade in units consisting of one Carnival share and one trust share of beneficial interest in the P&O Princess Special Voting Trust. The trust shares of beneficial interest in the P&O Princess Special Voting Trust will entitle Carnival shareholders to receive any distributions made by the P&O Princess Special Voting Trust. As the sole purpose of the P&O Princess Special Voting Trust relates to the holding of the P&O Princess special voting share, it is not expected to make any distributions.

Equalization Share

Before DLC transaction

Carnival's current articles of incorporation and by-laws do not provide for an equalization share, as the equalization share is merely a mechanism to give effect to equalized dividend payments to the shareholders of Carnival and P&O Princess.

After DLC transaction

In connection with the DLC transaction, Carnival's articles will be amended to authorize one equalization share, par value \$0.01 per share. The equalization share will:

- .. have rights to dividends in accordance with the Equalization and Governance Agreement as declared and paid by the board of directors;
- .. have no rights to receive notice of, attend or vote at any shareholder meeting; and
- .. in the event of a voluntary or involuntary liquidation of Carnival, rank

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

after all other holders of shares.

Quorum Requirements

Before DLC transaction

Under Carnival's current by-laws, the holders of a majority of the shares of stock entitled to vote at any meeting of shareholders, present in person or represented by proxy, constitutes a quorum for the transaction of any business at such meeting.

90

After DLC transaction

Following completion of the DLC transaction, the presence in person or by proxy at any meeting of Carnival shareholders holding at least one-third of the total votes entitled to be cast will constitute a quorum for the transaction of business at such meeting, except as otherwise required by applicable law or regulation, the articles of incorporation or the by-laws.

For purposes of determining whether a quorum exists at any meeting of shareholders where a joint electorate action or a class rights action is to be considered:

- .. if the meeting of Carnival shareholders convenes before the parallel shareholder meeting of P&O Princess, the Carnival special voting share will, at the commencement of the meeting, have no votes and therefore will not be counted for purposes of determining the total number of shares entitled to vote at such meeting or whether a quorum exists at such meeting, although the Carnival special voting share itself must be present, either in person (through a representative of the Carnival Special Voting Entity) or by proxy;
- .. if the meeting of the Carnival shareholders convenes at substantially the same time as or after the parallel shareholder meeting of P&O Princess with respect to one or more joint electorate actions, the Carnival special voting share will have the maximum number of votes attached to it as were cast on such joint electorate actions, either for, against or abstained, at the parallel shareholder meeting of P&O Princess, and such maximum number of votes (including abstentions) will constitute shares entitled to vote and present for purposes of determining whether a quorum exists at such meeting; and
- .. if the meeting of shareholders convenes at substantially the same time as or after the parallel shareholder meeting of P&O Princess with respect to a class rights action, the Carnival special voting share will, at the commencement of the meeting, have no votes and therefore will not be counted for purposes of determining the total number of shares entitled to vote at such meeting or whether a quorum exists at such meeting, although the Carnival special voting share itself must be present, either in person (through a representative of the Carnival Special Voting Entity) or by proxy.

In addition, in order for a quorum to be validly constituted with respect to meetings of shareholders convened to consider a joint electorate action or class rights action, the Carnival Special Voting Entity must be present at such meeting.

Shareholder Action By Written Consent

Before DLC transaction

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Panamanian law provides that shareholders may act by written consent and Carnival's current by-laws allow action to be taken by written consent.

After DLC transaction

Following completion of the DLC transaction, Carnival's by-laws will provide that Carnival shareholders may not act by written consent.

91

Shareholder Proposals

Before DLC transaction

Panamanian law does not specifically address the issue of shareholders' proposals and Carnival's by-laws do not expressly permit shareholder proposals to be considered at the annual meeting of shareholders. Panamanian law requires that prior notice of a meeting must set out the purpose or purposes for which the meeting is convened. Any proposal to be discussed at a meeting should be included in the notice of the meeting, unless the notice reserves time for any other matters which the shareholders may wish to discuss.

Under the rules of the Exchange Act, shareholders may submit proposals, including director nominations, for consideration at shareholder meetings. Such proposals will need to comply with SEC regulations regarding the inclusion of shareholder proposals in company-sponsored proxy materials. In order for shareholder proposals to be considered for inclusion in Carnival's proxy statement/prospectus for an annual meeting, the written proposals must be received by Carnival not less than 120 calendar days before the first anniversary of the date of mailing of the proxy statement from the previous year's annual meeting.

Carnival's by-laws provide that at any special meeting of shareholders only such business may be transacted as is related to the purpose or purposes of such meeting set forth in the notice of the special meeting. Carnival's by-laws provide that special meetings of shareholders may only be called by the Carnival board or the President or Secretary of Carnival.

After DLC transaction

No change is proposed to be made to Carnival's articles of incorporation or by-laws regarding shareholder proposals.

Standard of Conduct for Directors

Before DLC transaction

Panamanian law imposes a general fiduciary duty on directors to act prudently and in the best interests of the company. Among other things, directors are responsible for the authenticity of the payments which appear to have been made on behalf of the company, for the validity of dividends to be paid, general book-keeping and for effecting the operation of the company in accordance with applicable laws, its articles of incorporation, its by-laws, and resolutions of the General Assembly of shareholders.

After DLC transaction

No change is proposed to be made to Carnival's articles of incorporation or by-laws regarding the standard of conduct for directors, except that following

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

completion of the DLC transaction, the Carnival board of directors will be authorized to operate and carry into effect the Equalization and Governance Agreement, the SVE Special Voting Deed and the Carnival Deed of Guarantee and, subject to applicable laws and regulations, nothing done by any director in good faith pursuant to such authority and obligations will constitute a breach of the fiduciary duties of such director to Carnival or its shareholders. In particular, the directors will, in addition to their duties to Carnival, be entitled to consider the interests of the Carnival shareholders and the P&O Princess shareholders as if Carnival and P&O Princess were a single entity. Following completion of the DLC transaction, the boards of directors of Carnival and P&O Princess will be identical.

92

Meetings of the Board of Directors

Before DLC transaction

Under Panamanian law, the business of every corporation is to be managed and directed by a board of directors whom, subject to the provisions of Panamanian law and the articles of incorporation, will have absolute control and full direction over the corporation's affairs. Carnival's current articles of incorporation provide that meetings of the board of directors may be held in the Republic of Panama or in any other country and any director can be represented and vote by proxy. The board of directors may act by written consent of a majority of the directors or their proxies in lieu of a meeting. A majority of the total number of directors constitutes a quorum for the transaction of business at any meeting of Carnival's board, and the vote of a majority of the directors present at the time of the vote, if a quorum is present, will be the act of the board.

After DLC transaction

Following completion of the DLC transaction, at all meetings of each board of directors, the presence in person or by proxy, of at least one-third of the total number of directors will constitute a quorum for the transaction of business except as may be otherwise specifically provided by applicable law, the articles of incorporation or by-laws. The act of a simple majority of the directors present in person or by proxy at any meeting at which there is a quorum will constitute a valid act of the board of directors, except as may be otherwise specifically provided by applicable law or regulation, the articles of incorporation or by-laws. The board of directors will continue to be allowed to act by written consent.

General Meetings of Shareholders

Before DLC transaction

The current by-laws of Carnival provide that the annual meeting of shareholders be held on a date and at a time in March or April of each year fixed by the Carnival board. Under Panamanian law, the President, Vice President, Secretary, or Assistant-Secretary may also determine the place of such meeting which may be within or without of the Republic of Panama.

After DLC transaction

Following completion of the DLC transaction, written notice of all meetings of shareholders will have to state the purpose of the meeting, including whether a joint electorate or class rights action will be considered. The requirement that the annual meeting be held in March or April of each year will be removed.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

In addition, if Carnival proposes to undertake a joint electorate action or class rights action, Carnival must immediately give notice to P&O Princess of the nature of the joint electorate action or the class rights action it proposes to take. Unless such action is proposed to be taken at the annual meeting of shareholders, the board of directors must convene a special meeting for the purpose of considering a resolution to approve the joint electorate action or class rights action. Such meeting will be held as close in time as practicable with the parallel shareholder meeting convened by P&O Princess for purposes of considering such joint electorate action or class rights action. If Carnival receives notice from P&O Princess that P&O Princess proposes to undertake a joint electorate action or a class rights action, the Carnival board of directors must convene a meeting of Carnival shareholders as close in time as practicable to the P&O Princess meeting and must propose an equivalent resolution as that proposed at the P&O Princess meeting. Carnival must cooperate fully with P&O Princess in preparing resolutions, explanatory memoranda or any other information or material required in connection with the proposed joint electorate action or class rights action.

93

Special Meetings of Shareholders

Before DLC transaction

Panamanian law provides that special meetings of shareholders may be called by: (1) the President, Vice President, Secretary, or Assistant-Secretary; or (2) any person or persons authorized by the corporation's articles of incorporation or by-laws. The by-laws of Carnival provide that special meetings of shareholders may be called at any time by the board of directors, the President or the Secretary. Shareholders may not call special meetings. Carnival's by-laws provide that written notice of each meeting of the shareholders, stating the date, hour, place and purpose or purposes thereof, will be given, personally or by mail, to each shareholder entitled to notice of or to vote at the meeting not less than ten nor more than sixty days before the date of the meeting. If mailed, such notice will be deposited in the U.S. mail, postage prepaid, directed to the shareholder at his/her address as it appears on the records of Carnival.

After DLC transaction

No change is proposed to be made to Carnival's articles of incorporation and by-laws regarding special meetings, except that following completion of the DLC transaction, written notice of all meetings of shareholders will state the purpose of the meeting, including whether a joint electorate action or class rights action will be considered. In addition, if Carnival proposes to undertake a joint electorate action or class rights action, Carnival must immediately give notice to P&O Princess of the nature of the joint electorate action or the class rights action it proposes to take. Unless such action is proposed to be taken at the annual meeting of shareholders, the board of directors is to convene a special meeting for the purpose of considering a resolution to approve the joint electorate action or class rights action. Such meeting will be held as close in time as practicable with the parallel shareholder meeting convened by P&O Princess for purposes of considering such joint electorate action or class rights action. If Carnival receives notice from P&O Princess that P&O Princess proposes to undertake a joint electorate action or a class rights action the Carnival board of directors must convene a meeting of Carnival shareholders as close in time as practicable to the P&O Princess meeting and must propose an equivalent resolution as that proposed at the P&O Princess meeting. Carnival must cooperate fully with P&O Princess in

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

preparing resolutions, explanatory memoranda or any other information or material required in connection with the proposed joint electorate action or class rights action.

Sources and Payment of Dividends

Before DLC transaction

Under Panamanian law, a corporation may pay dividends to the extent of a corporation's net earnings or capital surplus.

After DLC transaction

Following completion of the DLC transaction, Carnival expects to continue to pay quarterly dividends and there will be no change in the entitlement of quarterly dividends for shareholders of either company. Carnival shareholders and P&O Princess shareholders will have rights to income and capital distributions from the combined group based on the equalization ratio. In order for the companies to pay a dividend or make a distribution, the ratio of dividends and distributions paid per share of Carnival common stock to dividends and distributions paid per P&O Princess ordinary share must equal the equalization ratio, taking account the applicable currency exchange rate.

Dividends will be equalized according to the equalization ratio (and any balancing transactions between the companies will be determined and made) before deduction of any amounts in respect of the tax required to be deducted or withheld and excluding the amounts of any tax credits or other tax benefits.

94

If one company has insufficient profits or is otherwise unable to pay a dividend, Carnival and P&O Princess will, as far as practicable, enter into such balancing transactions as are necessary to enable both companies to pay dividends in accordance with the equalization ratio. This may take the form of a payment from one company to the other or a dividend payment on an equalization share. Following completion of the DLC transaction Carnival and P&O Princess expect that dividends received by P&O Princess shareholders will be made to be consistent with Carnival's regular quarterly dividend.

Rights of Purchase and Redemption

Before DLC transaction

Under Panamanian law, except as otherwise provided in the articles of incorporation, any corporation may purchase, redeem and dispose of its own shares. If the acquisition of shares is made with funds or property other than the excess of assets over the liabilities or the net earnings of the corporation, the acquired shares of stock will be canceled by the reduction of the issued stock, but such shares may be sold again if the authorized capital stock is not decreased by the cancellation of such shares. Shares of its own stock acquired by any corporation, from funds derived from the excess of its assets over its liabilities or net earnings, may be retained by the corporation as treasury stock and sold by it or may be canceled or reissued by resolution passed by the board of directors.

Carnival's current articles of incorporation do not prohibit the corporation from purchasing, redeeming and disposing of its own shares. The NYSE requires that prompt publicity be given and prompt notice be sent to the NYSE of action which will result in, or which looks toward, either the partial or full call for redemption of a listed security. NYSE rules provide that when a listed

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

security is fully redeemed, trading is suspended as soon as the redemption funds become available to the holders of the security. When only a part of the listed securities are redeemed, the amount authorized to be listed is reduced by the amount redeemed as soon as the redemption funds become available to holders of the redeemed securities.

After DLC transaction

No change is proposed to be made to Carnival's articles of incorporation or by-laws regarding rights of purchase and redemption of Carnival shares.

Appraisal Rights

Before DLC transaction

Under Panamanian law, shareholders of a corporation do not have appraisal rights.

After DLC transaction

No change is proposed to be made to Carnival's articles of incorporation or by-laws regarding appraisal rights.

Pre-emptive Rights

Before DLC transaction

Under Panamanian law, a shareholder is entitled to pre-emptive rights to subscribe for additional issuances of common stock or any security convertible into stock in proportion to the shares that are owned unless there is a provision to the contrary in the articles of incorporation. Carnival's articles of incorporation provide that Carnival shareholders are not entitled to pre-emptive rights.

After DLC transaction

No change is proposed to be made to Carnival's articles of incorporation regarding pre-emptive rights, except that pursuant to the Equalization and Governance Agreement, neither Carnival nor P&O

95

Princess may issue any shares carrying voting rights to the other or its subsidiaries (except on a pre-emptive basis) during the first two years following the date of the Equalization and Governance Agreement. After expiration of the initial two-year period, for each of the subsequent three years neither Carnival nor P&O Princess may issue shares carrying voting rights to the other company, or any of that company's subsidiaries, except on a pre-emptive basis to all shareholders, in excess of 5% per year of the issued or outstanding shares (calculated as at the first day in such annual period). Thereafter, there will be no restriction on the issuance of shares carrying voting rights to the other company or any of that company's subsidiaries. These restrictions may be varied by a class rights action.

Amendment of Governing Instruments

Before DLC transaction

Under Panamanian law, unless the articles of incorporation require a greater vote, an amendment to the articles of incorporation may be made:

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

- .. by the holders or their proxies of all the issued and outstanding stock of the corporation entitled to vote;
- .. by means of a resolution passed by holders or their proxies of the majority of the outstanding stock of the corporation entitled to vote; and
- .. in case the amendment to the articles consists in any change in the preference of shares of any class, by means of a resolution passed by holders or their proxies of majority of the outstanding stock of the corporation entitled to vote of each class.

Carnival's articles do not specifically address amendments.

Under Panamanian law, the board of directors of a corporation has the power to adopt, amend or repeal the by-laws of the corporation, unless specifically provided to the contrary by the articles of incorporation or in the by-laws approved by the shareholders. The by-laws of Carnival provide that the by-laws may be altered, amended, supplemented or repealed or new by-laws may be adopted, by the board of directors or by vote of the holders of the shares entitled to vote in the election of directors. Any by-laws adopted, altered or supplemented by the board of directors may be altered, amended, supplemented or repealed by the shareholders entitled to vote thereon.

After DLC transaction

Following completion of the DLC transaction, any amendment to the provisions of Carnival's amended articles of incorporation which entrench the DLC structure will require approval as a class rights action. The entrenched provisions of the amended articles of incorporation include matters relating to:

- .. the special voting share;
- .. anti-takeover provisions;
- .. dividends and distributions;
- .. amendments to Carnival's articles and by-laws; and
- .. liquidation.

All other provisions of Carnival's articles (except as provided below) may be amended by the shareholders of Carnival and P&O Princess voting together in a joint electorate action. Amendments to the Carnival articles require approval, whether in a class rights action or joint electorate action, of a

96

majority of all votes entitled to be cast with respect thereto (including votes entitled to be cast by the Carnival special voting share) at a meeting of Carnival shareholders.

Notwithstanding the foregoing, any amendment of the articles of incorporation (1) to specify or change the location of the office or registered agent of Carnival, or (2) to make, revoke or change the designation of a registered agent, or to specify or change the registered agent, may be approved and effected by the board of directors without the approval of the shareholders of Carnival or the shareholders of P&O Princess.

Following completion of the DLC transaction, any amendment to or repeal of the

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

provisions of Carnival's by-laws which entrench the DLC structure will also require approval as a class rights action. Any amendment to or repeal of any by-law of Carnival other than any of the Carnival entrenched by-laws may be approved and effected by the board of directors without the approval of the shareholders of Carnival or the shareholders of P&O Princess. The entrenched provisions of the amended by-laws include matters relating to:

- .. the transferability of the special voting share;
- .. the scope of, and voting rights and procedures in relation to, joint electorate actions, class rights actions and procedural resolutions; and
- .. election, qualification and disqualification of directors.

Any amendment to or repeal of any by-law of Carnival other than any of the Carnival entrenched by-laws may be approved and effected by the Carnival board without the approval of Carnival shareholders or P&O Princess shareholders.

If a mandatory exchange is triggered, the articles of incorporation and the by-laws will be automatically amended upon completion of the mandatory exchange, without any further action of Carnival or the shareholders of Carnival to conform to the articles of incorporation and by-laws of Carnival prior to the implementation of the DLC structure. See "Proposal 1--The Offer and Implementation Agreement--Mandatory Exchange".

Stock Class Rights

Before DLC transaction

Under Panamanian law, any change to the rights of holders of Carnival common stock or any series of preferred stock requires an amendment to the Carnival articles of incorporation. Panamanian law provides that the holders of shares of a class or series will be entitled to vote as a class upon a proposed amendment if the amendment consists in any change in the preference of the outstanding shares of any class, or would authorize the issuance of shares with preferences which are in any respect superior to those of outstanding shares of any class.

Under its current articles of incorporation, Carnival has the right to issue shares of common stock and shares of preferred stock for such consideration and for such corporate purposes as the board of directors may from time to time determine. The shares of authorized common stock shall be identical in all respects and have equal rights and privileges. The shares of preferred stock may be issued from time to time in one or more series of any number of shares, provided that the aggregate number of shares issued and not canceled of any and all such series shall not exceed the total number of shares of preferred stock authorized, and with distinctive serial designations, all as shall be stated and expressed in the resolution or resolutions providing for the issue of such shares of preferred stock. Each series of shares of preferred stock:

- .. may have such voting powers, full or limited, or may be without voting powers;

97

- .. may be subject to redemption at such time or times and at such prices;
- .. may be entitled to receive dividends (which may be cumulative or non-cumulative) at such rate or rates, in such consideration (including, without limitation, shares of capital stock), on such conditions and at such

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

times, and payable in preference to, or in such relation to, the dividends payable on any other class or classes or series of stock;

- .. may have such rights upon the dissolution of, or upon any distribution of the assets of Carnival;
- .. may be made convertible into or exchangeable for, shares of any other class or classes or of any other series of the same or any other class or classes of shares of Carnival or any other person at such price or prices or at such rates of exchange and with such adjustments;
- .. may be entitled to the benefit of a sinking fund to be applied to the purchase or redemption of shares of such series in such amount or amounts;
- .. may be entitled to the benefit of conditions and restrictions upon the creation of indebtedness of Carnival or any subsidiary, upon the issue of any additional shares (including additional shares of such series or of any other series) and upon the payment of dividends or the making of other distributions on, and the purchase, redemption or other acquisition by Carnival or any subsidiary of, any outstanding shares of Carnival; and
- .. may have such other relative, participating, optional or other special rights, qualifications, limitations or restrictions, all as shall be stated in the resolution or resolutions providing for the issue of such shares of preferred stock.

After DLC transaction

No change is proposed to be made to Carnival's articles of incorporation regarding stock class rights, except that the proposed articles of incorporation provide that the holders of shares of Carnival common stock be entitled, in accordance with the Equalization and Governance Agreement and to the exclusion of the holders of shares of preferred stock, to receive such dividends as from time to time may be declared by the board of directors, except as otherwise provided by the resolution or resolutions providing for the issue of any series of shares of preferred stock.

Rights of Inspection

Before DLC transaction

Panamanian law does not regulate the right to inspect the corporate books and records. Any shareholder may inspect the corporation's stock ledger, a list of its shareholders and its other books and records and make copies or extracts of those materials during normal business hours, subject to applicable provisions, if any, in the articles of incorporation or by-laws. The current by-laws of Carnival provide that the board of directors will determine from time to time whether, and if allowed, when and under what conditions and regulations the accounts, books, minutes and other records of Carnival or any of them will be open to the inspection of the shareholders. However, a shareholder holding at least 5% of the issued and outstanding capital stock of the corporation may request the General Assembly of Shareholders to appoint auditors for examination of the balance sheet, or the incorporation records of the corporation, or the management thereof, but if such proposal is rejected, a Judge may without further proceeding appoint such auditors.

After DLC transaction

Following completion of the DLC transaction, every Carnival shareholder will, upon written demand stating the purpose thereof, have a right to inspect, in person or by agent or attorney, during the usual

hours of business, for a purpose reasonably related to his interests as a shareholder, the share register, books of account, and minutes of all proceedings, and make copies or extracts therefrom.

Classification of the Board of Directors

Before DLC transaction

Panamanian law permits the articles of incorporation or the by-laws to provide that directors be divided into one, two or three classes, with the term of office of one class of directors to expire each year. Carnival's current articles of incorporation do not provide for classification of its board of directors and each member of the Carnival board is elected annually to serve until the next annual meeting of shareholders.

After DLC transaction

No change is proposed to be made to Carnival's articles of incorporation regarding classification of its board of directors.

Election of Directors

Before DLC transaction

Panamanian law provides that the directors of a corporation will be elected in such manner, at such place and in such time as the articles of incorporation or the by-laws determine, and that vacancies existing in the board of directors will be filled in the manner prescribed by the articles of incorporation or the by-laws. If the directors are not elected on the day designated for that purpose, the directors in office will continue to serve as such until their respective successors are elected. Carnival's current by-laws provide that all elections of directors be by written ballot and that directors be elected by a plurality of the votes cast at a meeting of shareholders of shares entitled to vote in the election of directors. Subject to the provisions of the articles of incorporation, the number of directors is fixed by the by-laws of the corporation. Carnival's current articles of incorporation provide that the number of directors be no less than three and no more than 17. Within said minimum and maximum, the total number of directors may be fixed from time to time by action of the shareholders or by action of the board. A change in the minimum and maximum number of directors will require an amendment to the articles.

After DLC transaction

Following completion of the DLC transaction, resolutions relating to the appointment, removal and re-election of directors will be considered as a joint electorate action and voted upon by the shareholders of each company effectively voting together as a single decision-making body. The number of directors will be a minimum of three and a maximum of 25. No person may be elected or appointed to serve on the Carnival board unless that person is also elected to be a member of the P&O Princess board. Any director of Carnival who resigns from the Carnival board must also resign from the P&O Princess board and vice versa.

Removal of Directors

Before DLC transaction

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Panamanian law provides that a director may be removed with or without cause by the holders of a majority in voting power of the shares entitled to vote at an election of directors. The by-laws of Carnival provide that any director may be removed at any time, with or without cause, only by the affirmative vote of holders of a majority of the shares of the class of common stock which elected them.

99

After DLC transaction

Following completion of the DLC transaction, subject to the provisions of Panamanian law, directors may be removed with or without cause only by a majority vote of a quorum of the shareholders.

Vacancies on the Board of Directors

Before DLC transaction

Under Panamanian law, vacancies existing in the board of directors will be filled in the manner prescribed by the company's articles of incorporation or the by-laws. Subject to the foregoing, the following vacancies may be filled by a vote of a majority of the directors then in office: (1) vacancies on a board of directors; and (2) newly created directorships resulting from an increase in the authorized number of directors. However, if the holders of any specific class of stock are entitled to elect directors, vacancies and newly created directorships of the class may only be filled by a majority of the directors elected by the class. If the board increases the number of directors, any vacancy so created may be filled by the board.

After DLC transaction

Following completion of the DLC transaction, vacancies on the board of directors will be filled by a majority of the directors then in office, even though less than a quorum, provided that any such person is appointed to both the Carnival board and the P&O Princess board at the same time. If only one director remains in office, the director will have the power to fill all vacancies. If there are no directors, the Secretary of Carnival may call a meeting at the request of any two shareholders for the purpose of appointing one or more directors.

Indemnification of Directors and Officers

Before DLC transaction

Panamanian law does not specifically address the issue of indemnification of directors and officers. Carnival may indemnify any officer or director who is made a party to any suit or proceeding on account of being a director, officer or employee of the corporation against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement reasonably incurred by him/her in connection with the action, through, among other things, a majority vote of a quorum consisting of directors who were not parties to the suit or proceeding if the officer or director acted in good faith and in a manner he/she reasonably believed to be in the best interests of the corporation. In a criminal proceeding, the standard is that the director or officer had no reasonable cause to believe his/her conduct was unlawful.

Carnival's articles of incorporation and by-laws provide that Carnival will indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

civil, criminal, administrative or investigative, by reason of the fact that he is or was a director or an officer of Carnival against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding to the fullest extent and in the manner set forth in and permitted by the General Corporation Law of Panama, and any other applicable law, as from time to time in effect. This right of indemnification is not exclusive of any other rights to which a director or officer may be entitled. Any repeal or modification of the applicable provisions of the General Corporation Law of Panama will not affect any rights or obligations then existing with respect to any state of facts then or theretofore existing or any action, suit or proceeding theretofore or thereafter brought or threatened based in whole or in part upon any such state of facts.

100

In addition, Carnival's current articles of incorporation provide that Carnival may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was an employee or agent of Carnival, or is or was serving at the request of Carnival as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding to the extent and in the manner set forth in and permitted by the General Corporation Law of the Republic of Panama, and any other applicable law, as from time to time in effect. Such right of indemnification is not exclusive of any other rights to which any such person may be entitled. Carnival is authorized to purchase and maintain insurance in respect of its indemnification obligations.

After DLC transaction

Following completion of the DLC transaction, the indemnification provisions in Carnival's articles of incorporation will be amended to reflect the fact that Carnival's directors and officers will also serve as directors and/or officers of P&O Princess. Accordingly:

Each person who was or is a party to or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, by reason of the fact that such person is or was a director or an officer of Carnival or P&O Princess or is or was serving at the request of Carnival or P&O Princess as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, shall be indemnified and held harmless by Carnival against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding to the fullest extent and in the manner set forth in and permitted by Panamanian law, and any other applicable law, as from time to time in effect. Carnival will continue to have the power to purchase and maintain insurance in respect of its indemnification obligations.

A member of the board of directors, or a member of any committee designated by the board of directors, will, in the performance of his duties, be fully protected in relying in good faith upon the records of Carnival or P&O Princess and upon such information, opinions, reports or statements presented to Carnival by any of Carnival's or P&O Princess' officers or employees, or committees of the board of directors, or by any other person as to matters the member reasonably believes are within such other person's professional or expert competence and who has been selected with reasonable care by or on

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

behalf of Carnival. In discharging their duties, directors and officers, when acting in good faith, may rely upon financial statements of Carnival or P&O Princess represented to them to be correct by the chief financial officer or the controller or other officer of Carnival or P&O Princess having charge of its books or accounts, or stated in a written report by an independent public or certified public account or firm of such accountants fairly to reflect the financial condition of Carnival or P&O Princess.

Takeover Restrictions

Before DLC transaction

Under Panamanian law, directors are responsible for the good management and in general for the execution or faulty fulfillment of their obligations to administer the corporation's affairs. There is limited legislative or judicial guidance on takeover issues in Panama and it is difficult to anticipate how a Panamanian court will react or resolve a matter concerning application of a policy of judicial deference to board of directors decisions to adopt anti-takeover measures in the face of a potential takeover where the directors are able to show that (1) they had reasonable grounds for believing that there was a danger to corporate policy and effectiveness from an acquisition proposal and (2) the board action taken was reasonable in relation to the threat posed. Before the DLC transaction, Carnival was not subject to the UK Takeover Code.

101

In order for Carnival to qualify as a publicly-traded company under Section 883 of the Internal Revenue Code, Carnival's articles also contain restrictions that prevent any person(s) (other than the Arison family and its permitted transferees) from acquiring beneficial ownership of more than 4.9% of Carnival shares.

After DLC transaction

Following completion of the DLC transaction, the articles of incorporation of Carnival will contain provisions which would apply to any person, or group of persons acting in concert, that acquires shares in the Combined Group which would trigger a mandatory offer obligation as if the UK Takeover Code applied to the Combined Group on a combined basis. Where:

- .. a person or group of persons acquired, or acquires voting rights over 30% or more of the combined votes which would be cast on a joint electorate action; or
- .. any person or group of persons that already holds not less than 30% but not more than 50% of the combined votes which would be cast on a joint electorate action, acquired, or acquires voting rights over, any shares which increase the percentage of votes which such person(s) could cast on a joint electorate action,

such shares acquired would be disenfranchised (that is, the owner of those shares could cease to have any economic or voting rights on those shares) unless an offer for all the shares in the Combined Group at a price equivalent to that applicable to the acquisition has been made by the person or group. These takeover restrictions would not apply to:

- .. acquisitions of shares of the other company by either P&O Princess or Carnival;
- .. if the restrictions are prohibited by applicable law and regulations;

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

- .. any acquisition by the Arison family and certain trusts for their benefit within the thresholds described below; and
- .. any acquisition pursuant to a mandatory exchange.

There are certain exceptions to these provisions in the case of the Arison family and trusts for their benefit which together will hold approximately 35% of the equity of the Combined Group immediately following implementation of the DLC structure. The Arison family and certain trusts for their benefit can acquire shares in the Combined Group without triggering these provisions provided that, as a result, their aggregate holdings do not increase by more than 1% of the voting power of the Combined Group in any period of 12 consecutive months, subject to their combined holdings not exceeding 40% of the voting power of the Combined Group. However, these parties may acquire additional shares or voting power without being subject to these restrictions if they comply with the offer requirement described above. These restrictions do not apply to acquisitions of shares by either P&O Princess or Carnival.

The 4.9% ownership threshold will remain in place following the DLC transaction. While both the mandatory offer protection and 4.9% protection remain in place, no third party other than the Arison family and certain trusts for their benefit will be able to acquire control of the Combined Group.

Liquidation

Before DLC transaction

Under Panamanian law, if the board of directors deems it advisable that the corporation be dissolved, it is to propose by a majority of the votes of the members thereof an Agreement of Dissolution and within 10 days shall call or cause to be called, in accordance with law, a meeting of stockholders, to vote on the resolution passed by the board of directors proposing the dissolution. At the stockholders' meeting, the holders of a majority of shares with voting rights on the matter can adopt the resolution for the

102

dissolution of the company. The dissolution of the company may also be adopted by written consent in lieu of meeting of the holders of all shares having voting power. Carnival's current articles of incorporation and by-laws do not address liquidation.

After DLC transaction

Following completion of the DLC transaction, in the event of a voluntary or involuntary liquidation of Carnival, to the extent assets are available for distribution, Carnival is to ensure that the holders of Carnival common stock and P&O Princess ordinary shares will be entitled to a liquidation distribution which is equivalent on a per share basis in accordance with the equalization ratio then in effect and disregarding any tax consequences.

In giving effect to the principles regarding a liquidation of Carnival, Carnival may:

- .. make a payment to P&O Princess in accordance with the provisions of the Equalization and Governance Agreement;
- .. issue shares to P&O Princess or to holders of P&O Princess ordinary shares and make a distribution or return on such shares; or

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

.. take any other action that the boards of directors of each of Carnival and P&O Princess consider appropriate to give effect to such principles.

Any action other than a payment of cash by one company to the other company will require the prior approval of the board of directors of each company.

PROPOSAL 1

APPROVAL OF THE OFFER AND IMPLEMENTATION AGREEMENT

You are being asked to approve the Offer and Implementation Agreement and related transactions required to effect the DLC transaction. The affirmative vote of the holders of a majority of all outstanding Carnival shares entitled to vote at the special meeting is required to approve the Offer and Implementation Agreement.

We have attached the Offer and Implementation Agreement as Annex A-1 to this proxy statement/prospectus. We encourage you to read this agreement carefully because it is the legal document that governs the terms and conditions on which we and P&O Princess will effect the DLC transaction.

The Offer and Implementation Agreement Introduction

On January 8, 2003, P&O Princess and Carnival entered into the Offer and Implementation Agreement under which, subject to certain conditions, they agreed to implement the DLC structure. Upon entering into the Offer and Implementation Agreement and the board of P&O Princess recommending the DLC proposal, all of the pre-conditions to Carnival's DLC proposal were satisfied.

The following is a simplified illustration of the Combined Group after implementation of the DLC structure.

[FLOW CHART]

- (1) Votes at Carnival shareholders meetings based on the outcome of votes at parallel meetings of P&O Princess shareholders, and is held by the trustee of the P&O Princess Special Voting Trust.
- (2) Votes at P&O Princess shareholders meetings based on the outcome of votes at parallel meetings of Carnival shareholders and is held by the Carnival Special Voting Entity.
- (3) Trust shares of beneficial interest in the P&O Princess Special Voting Trust will be distributed by way of a dividend to Carnival shareholders.
- (4) Trust shares of beneficial interest in the P&O Princess Special Voting Trust will be paired with Carnival shares pursuant to the pairing agreement.

104

Generally

The Offer and Implementation Agreement was entered into by Carnival and P&O Princess on January 8, 2003. Under the Offer and Implementation Agreement,

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Carnival and P&O Princess have agreed, among other things:

- .. to use their respective reasonable best efforts to take all steps necessary or desirable to implement the DLC structure;
- .. on satisfaction or waiver of the conditions precedent to closing of the DLC transaction:
 - to enter into the Equalization and Governance Agreement, the SVE Special Voting Deed, the Deeds of Guarantee;
 - to effect the amendments to their respective governing documents necessary to implement the DLC structure;
 - to issue their respective special voting shares;
 - to appoint, and procure the resignations of, such persons as are necessary to ensure that the board of directors of each company is identical;
- .. subject to certain exceptions, not to approach or entertain, solicit or facilitate an approach from a third party with respect to an acquisition proposal for all or a significant portion of the assets or voting power of its company; and
- .. to pay a break fee of \$49.4 million, representing 1% of P&O Princess' market capitalization at the close of business on January 7, 2003, to the other company if the Offer and Implementation Agreement is terminated in certain circumstances.

Conditions to the Offer and Implementation Agreement

Completion of the DLC transaction is subject to certain conditions set forth in the Offer and Implementation Agreement being satisfied or waived on or before September 30, 2003. If the conditions are not satisfied or waived by the relevant party on or before September 30, 2003, either Carnival or P&O Princess may (so long as the terminating party is not in breach of the Offer and Implementation Agreement and subject to the approval of the UK Takeover Panel) terminate the Offer and Implementation Agreement. Closing of the DLC transaction is scheduled to take place not later than the third business day after the date all conditions are satisfied or waived or such other date as the parties agree. If the Offer and Implementation Agreement is terminated, the DLC transaction will not proceed. The most important of these conditions include:

- .. approval of at least three-quarters of the P&O Princess shareholders and a majority of Carnival shareholders;
- .. the absence of action, or threatened action, by any governmental authority that restrains, enjoins or otherwise prohibits the completion or performance of, or materially adversely affects, the DLC transaction and the other transactions contemplated by the Offer and Implementation Agreement;
- .. effectiveness of the revised governing documents of each of P&O Princess and Carnival;
- .. clearance of the DLC transaction under the European Commission merger regulation and all other relevant regulatory consents or approvals having been obtained;

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

- .. the Partial Share Offer becoming unconditional (other than the condition regarding completion of the DLC transaction); and
- .. approval by the NYSE of the listing of either the trust shares of beneficial interest or the P&O Princess special voting share, subject in either case only to official notice of issuance.

Our obligation to complete the DLC transaction is subject to the satisfaction or waiver of the following additional conditions:

- .. the representations and warranties of P&O Princess set forth in the Offer and Implementation Agreement, as qualified by applicable materiality thresholds, being true and correct as of the date of the Offer and Implementation Agreement and as of the closing date;
- .. P&O Princess having performed in all material respects its obligations under the Offer and Implementation Agreement;
- .. P&O Princess having obtained all third party consents or approvals necessary to complete the DLC transaction, other than those that would not have a material adverse effect;
- .. P&O Princess having issued the P&O Princess special voting share and the P&O Princess special voting share having been deposited in the P&O Princess Special Voting Trust;
- .. each of the documents required to implement the DLC structure having been executed and delivered in the form agreed; and
- .. the Joint Venture Agreement between P&O Princess and Royal Caribbean Cruises having been terminated.

The obligation of P&O Princess to complete the DLC transaction is subject to the satisfaction or waiver of the following additional conditions:

- .. our representations and warranties in the Offer and Implementation Agreement, as qualified by applicable materiality thresholds, being true and correct as of the date of the Offer and Implementation Agreement and as of the date of completion;
- .. our performance in all material respects of our obligations under the Offer and Implementation Agreement;
- .. our having obtained all third party consents or approvals necessary to complete the DLC transaction, other than those that would not have a material adverse effect;
- .. our having issued the Carnival special voting share to the Carnival Special Voting Entity; and
- .. each of the documents required to implement the DLC structure having been executed and delivered in the form agreed.

Other Key Provisions of the Offer and Implementation Agreement

Conduct of business

Each of P&O Princess and Carnival have undertaken customary covenants that place restrictions on it and its subsidiaries until the completion of the DLC transaction. In general, the P&O Princess group and the Carnival group are required to conduct their respective businesses in the usual, regular and

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

ordinary course and to use their reasonable best efforts to preserve materially intact their business organizations and present lines of business, to maintain commercially reasonable insurance, to maintain their material rights and franchises and preserve their existing material relationships with third parties. P&O Princess and Carnival may, nevertheless, undertake the following actions: internal reorganizations that are not reasonably likely to have a material adverse effect on the company undertaking such reorganization; the purchase, sale or charter of any vessels or amendment to or termination of existing shipbuild contracts; making other acquisitions or investments for consideration,

106

when offset against any divestments, not to exceed \$500 million in the aggregate; and making any divestments the net proceeds of which do not exceed \$500 million.

P&O Princess and Carnival have also agreed to various specific restrictions that are substantially reciprocal relating to the conduct of their respective businesses. These restrictions relate to, among other things, amendments to governing documents, issuances of shares, changes in capitalization, payment of dividends, incurrence of indebtedness and the entering into of non-competition agreements.

The parties have also agreed to adjust the equalization ratio in the manner provided in the Equalization and Governance Agreement for all actions occurring prior to the effective time of the DLC transaction that would require an automatic adjustment if such agreement were in force during such period, except that there will be no adjustments for regular dividends declared prior to the effective time.

Information and cooperation

The Offer and Implementation Agreement contains mutual covenants relating to cooperation and consultation with respect to necessary filings with governmental entities, access to information of the other party and public announcements with respect to the transactions contemplated by the Offer and Implementation Agreement.

Shareholder meetings

The Offer and Implementation Agreement contains mutual covenants relating to the preparation of this proxy statement/prospectus and the other prospectus and circular relating to the DLC transaction and the holding of the P&O Princess extraordinary general meeting and the Carnival special meeting as soon as possible to obtain shareholder approval of the transactions contemplated by the Offer and Implementation Agreement.

Corporate governance

Following the DLC transaction, the board of directors of each of P&O Princess and Carnival will consist of 13 directors. The proposed directors of Carnival and P&O Princess following implementation of the DLC structure are listed under "Directors and Executive Officers of the Combined Group".

Declaration and payment of dividends

P&O Princess and Carnival have agreed that, until the DLC transaction is completed, each company will only pay regular quarterly dividends. The parties have agreed to coordinate declaration of dividends so that neither company's

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

shareholders will receive two dividends, or fail to receive one dividend, in respect of the quarter in which the DLC transaction is completed.

Representations and warranties

The Offer and Implementation Agreement contains substantially reciprocal representations and warranties of P&O Princess and Carnival relating to their respective businesses that are customary in business combination transactions. Certain representations and warranties are qualified by a material adverse effect standard, which for purposes of the Offer and Implementation Agreement, means a material adverse effect on:

- .. the financial condition, results of operations, assets or business of the relevant party and its subsidiaries;
- .. the ability of the relevant party to perform its obligations under the Offer and Implementation Agreement; or

107

- .. the completion of the DLC transaction or implementation of the transactions contemplated by the Offer and Implementation Agreement.

With the exception of the representation regarding corporate authority and approval of the transactions contemplated by the Offer and Implementation Agreement, the representations in the Offer and Implementation Agreement do not survive termination of the Offer and Implementation Agreement or the completion of the DLC transaction.

Directors' indemnification

P&O Princess has agreed to indemnify the directors of Carnival in relation to any personal liability arising from information provided (or which should have been provided) by P&O Princess in connection with certain public documents to be published by Carnival relating to the DLC proposal. Similarly, Carnival has agreed to indemnify P&O Princess directors on a similar basis in connection with certain public documents to be published by P&O Princess relating to the DLC proposal.

Partial Share Offer

The Offer and Implementation Agreement contains certain provisions agreed by the parties relating to the making, terms and conduct of the Partial Share Offer.

Termination of the Offer and Implementation Agreement

The Offer and Implementation Agreement may be terminated, and the DLC transaction abandoned, before the DLC transaction is scheduled to be completed if the P&O Princess board and Carnival board mutually agree to do so. In addition, the Offer and Implementation Agreement may be terminated, and the DLC transaction abandoned, by action of either the P&O Princess board and Carnival board, as applicable, if:

- .. the DLC transaction is not completed by September 30, 2003;
- .. any governmental authority of competent jurisdiction shall have issued a final, non-appealable order permanently restraining, enjoining or otherwise prohibiting the completion of the DLC transaction or materially adversely affecting the DLC transaction;

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

- .. the shareholders of either party fail to approve the DLC transaction at the relevant shareholders' meeting called for the purpose of considering and voting upon the DLC transaction and other transactions necessary to complete the DLC transaction;
- .. the board of directors of the other party, at any time prior to the shareholders' meetings, withdraws or adversely modifies its approval or recommendation of the DLC transaction or shall have resolved to take such action, or shall have failed to reconfirm such approval or recommendation at the request of the other party;
- .. the board of directors of the other party has recommended a superior acquisition proposal to its shareholders; or
- .. the other party materially breaches any representation, warranty, covenant or agreement contained in the Offer and Implementation Agreement that causes the failure of certain conditions to closing and such breach cannot be or has not been cured prior to termination.

Neither party may terminate the Offer and Implementation Agreement, if that party has breached in any material respect its obligations under the Offer and Implementation Agreement and such breach contributed to the failure of the DLC transaction to be completed.

108

If the Offer and Implementation Agreement is terminated, it will become void and there will be no liability on the part of P&O Princess or Carnival, except that:

- .. termination will not relieve a breaching party from liability for any breach of the Offer and Implementation Agreement; and
- .. termination will not relieve a terminating party from its obligation to pay, if applicable, the break fee to the other party as described below.

P&O Princess will be obligated to pay Carnival a break fee of \$49.4 million, representing 1% of P&O Princess' market capitalization at the close of business on January 7, 2003, if the Offer and Implementation Agreement is terminated:

- .. by either P&O Princess or Carnival as a result of P&O Princess failing to obtain shareholder approval of the DLC transaction and, at the time of such failure, an acquisition proposal existed with respect to P&O Princess; or
- .. by Carnival due to:
 - the P&O Princess board withdrawing or adversely modifying, or resolving to withdraw or adversely modify, its approval or recommendation of the DLC transaction or failing to reconfirm such approval or recommendation;
 - the P&O Princess board recommending a superior acquisition proposal to its shareholders; or
 - P&O Princess having breached the no solicitation provisions described below,

and, a third party acquisition proposal with respect to P&O Princess is completed within 18 months of the date of the Offer and Implementation Agreement.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Carnival will be obligated to pay P&O Princess a break fee of \$49.4 million, representing 1% of P&O Princess' market capitalization at the close of business on January 7, 2003 if the Offer and Implementation Agreement is terminated:

- .. by either Carnival or P&O Princess as a result of Carnival failing to obtain shareholder approval of the DLC transaction and at the time of such failure, an acquisition proposal existed with respect to Carnival; or
- .. by P&O Princess due to:
 - the Carnival board withdrawing or adversely modifying, or resolving to withdraw or adversely modify, its approval or recommendation of the Offer and Implementation Agreement and the DLC transaction, or failing to reconfirm such approval or recommendation;
 - the Carnival board recommending a superior acquisition proposal to its shareholders; or
 - Carnival having breached the no solicitation covenants described below,

and a third-party acquisition proposal with respect to Carnival is completed within 18 months of the date of the Offer and Implementation Agreement

No Solicitation

P&O Princess and Carnival have also agreed that they and their respective subsidiaries will not, and they will use their reasonable best efforts to cause their respective representatives and subsidiaries' representatives not to, directly or indirectly, initiate, solicit, encourage or otherwise facilitate any inquiries or any proposal or offer relating to a merger, acquisition or other business combination transaction involving the acquisition of 15% or more of the assets or equity securities of P&O Princess or Carnival. P&O Princess and Carnival have also agreed not to have any discussions with or provide any confidential information to any person relating to an acquisition proposal or otherwise facilitate any

109

effort or attempt to make an acquisition proposal, except as described below. If a bona fide unsolicited written acquisition proposal is made to P&O Princess or Carnival, that party can negotiate and furnish information in connection with such proposal and recommend such proposal to its shareholders if (i) its board of directors determines in good faith after consultation with outside legal counsel that such action is required by its fiduciary duties, and (ii) the proposal is on terms which the board of directors determines, after consultation with its financial advisers and after giving the other party 10 business days to respond to such proposal, is more favorable from a financial point of view to its shareholders than the DLC transaction, is reasonably likely to be completed, and which relates to at least a majority of the assets or voting power of the applicable company. P&O Princess and Carnival have agreed that they will immediately advise each other following the receipt of any acquisition proposal.

Mandatory Exchange

In certain limited circumstances following implementation of the DLC structure, P&O Princess shares may be subject to a mandatory exchange for Carnival shares at the then prevailing equalization ratio. Upon a mandatory exchange, P&O Princess shareholders would no longer hold their investment in the Combined

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Group in the form of P&O Princess shares listed on the LSE, but would instead hold their investment in the form of Carnival shares listed on the NYSE. A mandatory exchange would occur if there is a change in applicable tax laws, rules or regulations or their application or interpretation, and, based on a legal opinion and after using commercially reasonable efforts to explore available alternatives, and the P&O Princess board shall have reasonably determined that:

- .. the change is reasonably likely to have a material adverse effect on the Combined Group being considered as a single enterprise;
- .. it is reasonably likely that the material adverse effect would be eliminated or substantially reduced by a mandatory exchange; and
- .. the material adverse effect could not be substantially eliminated by any commercially reasonable alternative to a mandatory exchange,

and the mandatory exchange is approved by two-thirds of the shareholders of P&O Princess and Carnival voting on a joint electorate action.

A mandatory exchange would also occur if:

- .. there is a change in the applicable non-tax laws, rules or regulations or their application or interpretation, as a result of which the P&O Princess board has reasonably determined and having received a legal opinion, that it is reasonably likely that all or a substantial portion of the documents required to implement the DLC structure are unlawful, illegal or unenforceable; or
- .. a court or other governmental entity has issued a ruling, judgement, decree or order, which has been appealed to the extent the P&O Princess board deems reasonably appropriate, holding that all or a substantial portion of the DLC documents are unlawful, illegal or unenforceable,

and the P&O Princess board, based on a legal opinion and after using commercially reasonable efforts to explore the available alternatives to the mandatory exchange, has reasonably determined that:

- .. the legal basis for the illegality or unenforceability would be eliminated by a mandatory exchange;
- .. the illegality or unenforceability could not be eliminated by amendments to the documents required to implement the DLC structure that would not materially and adversely affect the rights of the shareholders of P&O Princess and Carnival, taken together or in relation to each other;
- .. the change in law or the ruling, judgment, decree or order is reasonably likely to be enforced in a way that will have a material adverse effect on the Combined Group; and

110

- .. the P&O Princess board decides to effect a mandatory exchange.

Carnival will execute the Carnival Corporation Deed for the benefit of P&O Princess shareholders in respect of its obligations to effect a mandatory exchange under the P&O Princess articles on the basis described above. The Carnival Corporation Deed will automatically terminate in the following circumstances:

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

- .. termination of the Equalization and Governance Agreement;
- .. completion of a mandatory exchange;
- .. a resolution is passed for the liquidation of the whole or substantially the whole of P&O Princess; or
- .. the mandatory exchange provisions in the P&O Princess articles are properly deleted.

Governing Law of the Offer and Implementation Agreement

The Offer and Implementation Agreement will be governed by New York law.

The Equalization and Governance Agreement

General Principles

The Equalization and Governance Agreement, which will be the contractual relationship between Carnival and P&O Princess that governs the treatment of the two companies as if they were a single economic enterprise following implementation of the DLC structure, embodies the following DLC principles:

- .. Carnival and P&O Princess will operate as if they were a single economic enterprise, through identical boards of directors and a single senior executive management;
- .. the directors of Carnival and P&O Princess will be entitled to have regard to the interests of both groups of shareholders and both companies of the Combined Group;
- .. the capital of the Combined Group will be deployed and managed in the most effective way for the benefit of the shareholders of the Combined Group;
- .. voting on matters to be considered by the Combined Group's shareholders will be undertaken in accordance with the P&O Princess articles, the Carnival articles and by-laws and the SVE Special Voting Deed; and
- .. no person will be permitted to obtain control over Carnival or P&O Princess without making a comparable takeover offer for the other company. Subject to compliance with these provisions, a person, together with any concert party, may (a) acquire, or acquire voting rights over, 30% or more of the combined votes which could be cast on a joint electorate action; or (b) if such person already holds not less than 30%, but not more than 50%, of the combined votes which could be cast as a joint electorate action, acquire voting rights over any shares which increase the percentage of votes which such person(s) could cast on a joint electorate action.

The Equalization and Governance Agreement will be entered into by Carnival and P&O Princess at closing of the DLC transaction and will be the primary agreement governing the ongoing relationship of Carnival and P&O Princess as dual listed companies operating as if they were a single economic enterprise in the Combined Group.

111

Restrictions on Buy-Backs and Share Issuances

During the first two years after the date of the Equalization and Governance Agreement neither company will be able to:

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

- .. purchase any P&O Princess shares (except those P&O Princess shares acquired by Carnival pursuant to the Partial Share Offer); nor
- .. issue any shares (or other shares carrying voting rights or securities convertible into shares carrying voting rights) to any member of the P&O Princess group and/or the Carnival group (other than as part of pre-emptive issue to all shareholders of either Carnival or P&O Princess or the issue of an equalization share).

The restrictions referred to above will apply from the second anniversary until the fifth anniversary of the date of the Equalization and Governance Agreement except that Carnival will be permitted to purchase up to 5% of the issued P&O Princess shares (and other shares carrying voting rights) during each 12 month period commencing after the second anniversary of the date of the Equalization and Governance Agreement and each company shall be entitled to issue shares, up to an aggregate of 5% of its outstanding or issued share capital (or other shares carrying voting rights or securities convertible into shares carrying voting rights) to any member of the P&O Princess group and/or the Carnival group during each 12 month period commencing after the second anniversary of the date of the Equalization and Governance Agreement. All such restrictions lapse on the fifth anniversary of the date of the Equalization and Governance Agreement.

Disenfranchisement

All P&O Princess shares acquired by any member of the Carnival group, whether as a result of the Partial Share Offer or otherwise, will automatically lose the right to attend or vote at any general meeting or class meeting of P&O Princess, unless the Carnival group beneficially owns 90% or more of P&O Princess shares, or to receive liquidation distributions.

Liquidation

Under the Equalization and Governance Agreement, the Carnival articles and the P&O Princess articles, the provisions described below will apply on the insolvency of either or both companies. These provisions are intended to ensure that, as far as practicable, the shareholders of the Combined Group are treated equitably in the event of insolvency of either or both companies and in accordance with the equalization ratio.

One or both companies insolvent

If either or both of Carnival and/or P&O Princess goes into liquidation, Carnival and P&O Princess will make and receive such payments or take such other actions required to ensure that the holders of shares of each company would, had each entity gone into liquidation on the same date, be entitled to receive a distribution which is equivalent on a per share basis in accordance with the equalization ratio then in effect, based on the prevailing U.S. dollar/pound sterling exchange rate (or such other exchange rate agreed by the P&O Princess board and Carnival board (or the liquidators of the relevant companies)) and ignoring any tax on, or tax benefit of, any shareholder. To establish the amount payable, each company will determine the amount of assets (if any) it will have available for distribution on the date of liquidation (or notional date of liquidation) to shareholders after payment of all its debts and other financial obligations including any tax costs associated with such payment and any payments due on any preference shares. To the extent one company has greater net assets so that any liquidation distribution to its shareholders would not be equivalent on a per share basis (in accordance with the equalization ratio then in effect based on the applicable exchange rate, but ignoring any tax on, or tax benefit of, a shareholder) to the amount that could be paid by the other

company, the first company will pay or make a balancing payment (or take other balancing action described below) in such amount as will ensure that, after payment of any tax liability in respect of the balancing payment or other action by the companies, both companies make equivalent liquidation payments; provided always that neither company need make a balancing payment if it would result in no holders of Carnival shares or P&O Princess shares being entitled to receive any distribution of property or cash whatsoever.

Balancing action

In giving effect to the principle regarding a liquidation of Carnival and/or P&O Princess described above, Carnival and P&O Princess will take such action as may be required to give effect to that principle, which may include:

- .. making a payment (of cash or in specie) to the other company;
- .. issuing shares (which may include the equalization share) to the other company or to holders of shares of the other company and making any distribution or return on such shares; or
- .. taking any other action that Carnival and P&O Princess consider appropriate to give effect to that principle.

Any action other than a payment of cash by one company to the other shall require the prior approval of the boards of both companies.

Combination

In any combination of Carnival and P&O Princess into a single, non-DLC structure, the consideration to be received by the shareholders of the two companies will be calculated by reference to the equalization ratio then in effect.

Termination of the Equalization and Governance Agreement

The Equalization and Governance Agreement may be terminated:

- .. if either Carnival or P&O Princess has become a wholly owned subsidiary of the other (including as a result of a mandatory exchange);
- .. by mutual agreement of Carnival and P&O Princess and approved as a class rights action; or
- .. after all liquidation obligations have been satisfied.

In any other circumstances of termination of the DLC structure, the Carnival board and P&O Princess board will use their reasonable endeavours to agree to a termination proposal to be put to their shareholders which those boards consider to be equitable to both the holders of Carnival shares and the holders of P&O Princess shares, at the equalization ratio then in effect and using a currency exchange rate agreed by the parties (or, failing which, an exchange rate determined by an independent accounting firm). If the Carnival board and P&O Princess board cannot agree on the proposal to be put to their respective shareholders then each board will appoint an independent accounting firm to establish the value of its company as of the proposed date of termination. The two accounting firms will use the same principles of valuation. If the accounting firms fail to agree on each other's valuation for the other company,

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

then a third independent accounting firm shall be appointed to finally determine the values of both companies. If the agreed/determined respective values of each company on a per share basis (using the applicable exchange rate) are not in a proportion that reflects the equalization ratio at the proposed date of termination, then a balancing payment, or other equivalent action agreed by the companies, will be made by one company to the other as appropriate as will ensure that, after payment of any tax liability by either company in respect of such balancing payment (or other action), such values are in a proportion that reflects the equalization ratio.

113

In the event of any conflict between the Equalization and Governance Agreement, on the one hand, and either the P&O Princess memorandum and articles or the Carnival articles of incorporation and by-laws, on the other hand, the parties will use their best endeavours to ensure that any required amendment to the P&O Princess memorandum and articles or the Carnival articles of incorporation and by-laws, as is appropriate, is proposed at shareholder meetings of P&O Princess and/or Carnival in order to conform the relevant governing document with the provisions of the Equalization and Governance Agreement.

Governing Law of Equalization and Governance Agreement

The Equalization and Governance Agreement will be governed by the laws of the Isle of Man.

Equalization Ratio

In order to effect the relative rights of Carnival shares and P&O Princess shares, the Combined Group will be operated under the following DLC equalization principles:

- .. the equalization ratio will effectively govern the proportion in which distributions of income and capital are made to the holders of Carnival shares relative to the holders of P&O Princess shares (and vice versa) and the relative voting rights of the holders of Carnival shares and the holders of P&O Princess shares on joint electorate actions. Immediately after completion of the DLC transaction and the P&O Princess share reorganization, a holder of one Carnival share will effectively have the same right to distributions of income and capital and rights as to voting in relation to joint electorate actions as the holder of one P&O Princess share;
- .. issuances of or transactions affecting the share capital of Carnival or P&O Princess will be implemented in a way which will not give rise to a materially different financial effect as between the interests of the holders of Carnival shares and the interests of the holders of P&O Princess shares. If any such issue or transaction involves any of the following:
 - a rights issue of shares at less than market value;
 - an offer of any securities, or a grant of any options, warrants or other rights to subscribe for, purchase or sell any securities, to shareholders by way of rights;
 - non-cash distributions to shareholders and share repurchases involving an offer made to all or substantially all of the shareholders of a company to repurchase their shares at a premium to market value;
 - a consolidation or subdivision of shares; or

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

-- an issue of shares to shareholders for no consideration or solely by way of capitalization of profits or reserves,

then an automatic adjustment to the equalization ratio will occur as prescribed in the Equalization and Governance Agreement, unless the Carnival board of directors and P&O Princess board of directors, in their sole discretion, undertake:

- .. an offer or action which having regard to the then existing equalization ratio; the timing of the offer or action; and any other relevant circumstances, is in the reasonable opinion of the boards of Carnival and P&O Princess financially equivalent (but not necessarily identical) in respect of, on the one hand holders of Carnival shares, and on the other hand holders of P&O Princess shares, and does not materially disadvantage either company's shareholders, which we refer to as a "matching action"; or
- .. an alternative to such automatic adjustment that has been approved as such by a class rights action.

Any adjustments to the equalization ratio will be communicated to shareholders through a press release.

114

The Carnival board and P&O Princess board will be under no obligation to undertake any such matching action or to seek approval of an alternative as a class rights action if any issue or transaction referred to above is not covered by an automatic adjustment to the equalization ratio, then no automatic adjustment to the equalization ratio will occur, but the Carnival board and P&O Princess board shall have the right (in their sole discretion), but not the obligation, to undertake a matching action, or to seek approval of an adjustment to the equalization ratio as a class rights action.

No adjustment to the equalization ratio will be required in respect of:

- .. scrip dividends or dividend reinvestments at market price;
- .. issuances of P&O Princess shares or Carnival shares or securities convertible into, or exercisable or exchangeable for, such shares pursuant to employee share plans;
- .. issuances of Carnival shares under Carnival's \$600,000,000 2% Convertible Senior Debentures due 2021 and the \$1,051,175,000 Liquid Yield Option Notes(TM) due 2021;
- .. issuances of shares or securities convertible into, or exercisable or exchangeable for, such shares other than to all or substantially all shareholders of either company (including for acquisitions);
- .. a buy-back or repurchase of any shares:
 - in the market by means of an offer not open to all or substantially all shareholders of either company or in compliance with Rule 10b-18 under the Exchange Act;
 - at or below market value;
 - by either company pursuant to the provisions in such company's governing documents; or

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

-- pro rata to the shareholders of the Combined Group at the same effective premium to the market price (taking into account the equalization ratio);

.. matching actions;

.. the issue of an equalization share by either company to the other; and

.. any purchase, cancellation or reduction of disenfranchized shares.

SVE Special Voting Deed

General Provisions

The SVE Special Voting Deed will be signed by Carnival, P&O Princess, the Carnival Special Voting Entity (as holder of the Carnival special voting share), the trustee of the P&O Princess Special Voting Trust (as holder of the P&O Princess special voting share) and the legal and beneficial owner of the Carnival Special Voting Entity. Among other things, the SVE Special Voting Deed sets out the following:

Notification obligations. The obligations of Carnival and P&O Princess respectively to notify the Carnival Special Voting Entity and the trustee of the P&O Princess Special Voting Trust of the votes cast by holders of Carnival shares and P&O Princess shares at shareholder meetings (in the case of joint electorate actions) and whether or not any resolution in relation to a class rights action was passed by the required majority of holders of Carnival shares or P&O Princess shares;

Voting obligations. The obligations of the Carnival Special Voting Entity and the trustee of the P&O Princess Special Voting Trust to attend meetings and to vote its special voting share in accordance with the Carnival articles and by-laws or the P&O Princess articles (as the case may be) and the SVE Special Voting Deed;

Restrictions on transfer of special voting share. Restrictions on the ability of the Carnival Special Voting Entity to transfer or encumber in any way the Carnival special voting share or interests in or rights attaching to such share unless approved by Carnival and P&O Princess and restrictions on the ability of the trustee of the P&O Princess Special Voting Trust to transfer or encumber in any way (other than the creation and distribution of the trust shares of beneficial interest in the P&O Princess Special Voting Trust) the P&O Princess Special Voting share or interests in or rights attaching to such share except that the trustee may sell such share in accordance with the voting trust deed if approved by Carnival and P&O Princess;

115

Provision of information. The obligations of Carnival and P&O Princess to provide the Carnival Special Voting Entity and the trustee of the P&O Princess Special Voting Trust with such information as it reasonably requires (other than information which is of a price-sensitive nature and not generally available) for the purpose of exercising the powers and discretion vested in it, and discharging its duties, under the SVE Special Voting Deed;

Confidentiality. The obligation of the Carnival Special Voting Entity and the trustee of the P&O Princess Special Voting Trust to maintain the confidentiality of information provided to it;

Remuneration of special voting entities. The remuneration, which shall be agreed between the parties from time to time, and expenses payable to the

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Carnival Special Voting Entity and the trustee of the P&O Princess Special Voting Trust;

Exclusion of responsibilities. The Carnival Special Voting Entity and the trustee of the P&O Princess Special Voting Trust will not be responsible:

- .. in respect of actions taken by them on the opinion or advice of or on information obtained from any lawyer, valuer, banker, accountant, registrars or transfer agent of Carnival or P&O Princess or other expert;
- .. in circumstances where they have acted upon or have implemented or given effect to any resolution purporting to have been passed as a resolution of shareholders; and
- .. in respect of them having accepted or acted or relied upon notices given to them by Carnival or P&O Princess;

Indemnity. Subject to certain exceptions, such as fraud, negligence or willful default, the Carnival Special Voting Entity and the trustee of the P&O Princess Special Voting Trust (and their directors, officers, employees, and other agents) will be indemnified against all liabilities or expenses incurred by them in the execution of their respective obligations under the SVE Special Voting Deed;

Restriction on activities. Prohibitions on the Carnival Special Voting Entity and the trustee of the P&O Princess Special Voting Trust carrying out any activities other than those necessary or expedient to perform their respective obligations under the SVE Special Voting Deed or the Carnival articles and by-laws and/or P&O Princess memorandum and articles; and

Directors. The requirement that the directors of the Carnival Special Voting Entity be appointed by the owner of the Carnival Special Voting Entity but that such directors cannot be employees or directors of the P&O Princess group or the Carnival group.

Amendments to SVE Special Voting Deed

The SVE Special Voting Deed may be amended by all the parties to it agreeing in writing. The Carnival Special Voting Entity, the trustee of the P&O Princess Special Voting Trust and the owner of the Carnival Special Voting Entity are generally required to concur with Carnival and P&O Princess in amending the SVE Special Voting Deed in relation to:

- .. formal or technical amendments which Carnival and P&O Princess certify do not materially prejudice the interests of shareholders;
- .. amendments necessary to correct manifest errors or inconsistencies between the SVE Special Voting Deed and the Equalization and Governance Agreement; and
- .. amendments approved by both groups of shareholders as a class rights action.

Termination of SVE Special Voting Deed

The SVE Special Voting Deed will terminate if the Equalization and Governance Agreement is terminated or if a resolution to terminate the SVE Special Voting Deed is approved by the shareholders of the Combined Group as a class rights action. Upon termination of the SVE Special Voting Deed or if Carnival so decides, the Carnival Special Voting Entity will transfer its special voting share to a person notified to it in writing by the board. In addition, Carnival can require the Carnival Special Voting Entity

to transfer the special voting share to a new person (nominated by the Carnival board) if it wants to replace the trustee company owning the shares in the Carnival Special Voting Entity.

Governing Law of SVE Special Voting Deed

The SVE Special Voting Deed will be governed by the laws of the Isle of Man.

Deeds of Guarantee

At closing of the DLC transaction, Carnival and P&O Princess will each enter into a Deed of Guarantee. The Deeds of Guarantee will be governed by the laws of the Isle of Man.

Carnival Deed of Guarantee

Under the Offer and Implementation Agreement, we have agreed with P&O Princess to execute the Carnival Deed of Guarantee at the completion of the DLC transaction in respect of:

- .. any contractual monetary obligations owed to creditors of P&O Princess incurred on or after completion;
- .. any contractual monetary obligations of other persons, referred to as principal debtors, which are guaranteed by P&O Princess and are incurred on or after completion; and
- .. any other obligation of any kind which may be agreed between the Carnival board and the P&O Princess board.

Pursuant to the Carnival Deed of Guarantee, we will guarantee the payment by P&O Princess of such obligations and will undertake to pay on demand any amounts due and in respect of such obligations if for any reason P&O Princess does not make payment in respect of such obligations on their due date.

The obligations to be covered by the Carnival Deed of Guarantee exclude the following obligations incurred by P&O Princess or by any principal debtor:

- .. any non-monetary obligations;
- .. obligations to the extent covered by the terms of any policy of insurance of which P&O Princess (or the principal debtor) has the benefit and which is in full force and effect;
- .. any obligation explicitly guaranteed in writing by Carnival otherwise than under the Carnival Deed of Guarantee;
- .. any obligation incurred under an arrangement which explicitly provides that the obligation is not to be guaranteed by Carnival;
- .. obligations owed to Carnival or to any of its subsidiaries or subsidiary undertakings or to any subsidiary or subsidiary undertaking of P&O Princess;
- .. obligations of P&O Princess under or in connection with any guarantee by P&O Princess of any obligation of Carnival or any subsidiary of Carnival;
- .. obligations excluded from the scope of the Carnival Deed of Guarantee (see below); and

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

.. obligations of P&O Princess under a guarantee, or of any principal debtor guaranteed by that guarantee, to the extent that the guaranteed obligation is not a contractual monetary obligation or is of a type excluded as referred to above.

117

Beneficiaries of the Carnival Deed of Guarantee may make demand upon Carnival provided that any such beneficiary has first served a written demand on P&O Princess and (to the extent, if any, that the terms of the relevant obligation require such recourse) recourse first being had to any other person or security.

The Carnival Deed of Guarantee will automatically terminate if the Equalization and Governance Agreement terminates or ceases to have effect or if the P&O Princess Deed of Guarantee has terminated or ceased to have effect. We may also terminate the Carnival Deed of Guarantee with the consent of P&O Princess (or without their consent where P&O Princess is in liquidation) upon three months notice. No termination of the Carnival Deed of Guarantee will be effective with respect to any existing obligation subject to the guarantee (that is, an obligation incurred before, or arising out of any credit or similar facility available for use at, the time at which the termination becomes effective).

We may, with the agreement of P&O Princess, at any time exclude obligations of a particular type, or a particular obligation or obligations, incurred after a specified future time from the scope of the Carnival Deed of Guarantee. The future time must, in the case of obligations of a particular type, be at least three months after the date on which notice of the relevant exclusion is given or, in the case of a particular obligation, at least five business days after the date on which notice is given.

We may also amend the Carnival Deed of Guarantee, at any time and in any way, with effect from the time of such amendment or such future time as it determines. Any such amendment shall require the prior agreement of P&O Princess, except where P&O Princess is in liquidation. No amendment will be effective in respect of existing obligations, as referred to above.

We may agree in writing with P&O Princess at any time that any other obligation of any kind, including existing indebtedness of Carnival or P&O Princess, be treated as an obligation under the Carnival Deed of Guarantee.

Any notice to be given to creditors generally will be given by way of an advertisement in one United Kingdom and one U.S. newspaper (usually the Financial Times and The Wall Street Journal).

P&O Princess Deed of Guarantee

P&O Princess has agreed to execute a reciprocal guarantee for the benefit of certain creditors of Carnival on parallel terms to those described above at closing of the DLC transaction.

PROPOSAL 2

APPROVAL OF AMENDMENTS TO CARNIVAL'S ARTICLES OF INCORPORATION AND BY-LAWS IN CONNECTION WITH THE DLC TRANSACTION

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Amendments to certain provisions of our existing articles of incorporation and by-laws are necessary in order to harmonize the governing documents of Carnival and P&O Princess. Upon completion of the DLC transaction, equivalent changes will be made to the governing documents of P&O Princess. These proposed amendments depart from our existing articles of incorporation and by-laws in areas such as the election and removal of directors, calling of shareholders' meetings, quorum and the vote required to approve certain matters.

Set forth below is a summary of the proposed changes to Carnival's articles of incorporation and by-laws. This summary is not complete and we encourage you to refer to the relevant portions of the proposed Third Amended and Restated Articles of Incorporation of Carnival, which are attached to this proxy statement/prospectus as Annex A-4, and the proposed Amended and Restated By-laws of Carnival, which are attached to this proxy statement/prospectus as Annex A-5, as well as the section of this proxy statement/prospectus called "The DLC Transaction--Changes in Rights of Carnival Shareholders".

Capitalization

Our authorized capital stock consists of 1,000,000,000 shares, of which 960,000,000 are shares of common stock and 40,000,000 are shares of preferred stock. As of March 11, 2003, there were 586,972,729 shares of common stock and no shares of preferred stock outstanding.

In connection with the DLC transaction, we are increasing our authorized capital stock from 1,000,000,000 shares, including 960,000,000 shares of common stock, to 2,000,000,000 shares, including 1,959,999,998 shares of common stock. You are being asked to vote separately on increasing the number of shares of common stock that we have the authority to issue by 999,999,998 shares (Proposal 3). Our new articles of incorporation will also authorize one special voting share and one equalization share.

Voting Rights

In connection with the DLC transaction, special voting arrangements will be implemented so that the shareholders of Carnival and P&O Princess will vote together as a single decision-making body on all actions submitted to a shareholder vote other than matters designated as class rights actions or resolutions on procedural or technical matters. The relative voting rights of the P&O Princess shares and Carnival shares will be determined by the equalization ratio. Based on an equalization ratio of 1:1, each Carnival share will have the same voting rights as one P&O Princess share on joint electorate actions.

In the case of class rights actions, the company wishing to carry out the class rights action would require the prior approval of shareholders of both companies, each voting separately as a class. If shareholders of either company do not approve the action, it will fail. No resolution to approve a class rights action or joint electorate action shall be approved unless a parallel P&O Princess shareholders' meeting is held to vote on any equivalent resolution. See "The DLC Transaction--Changes in Rights of Carnival Shareholders--Voting Rights".

Disenfranchisement

All of our shares acquired by any member of the P&O Princess group will automatically lose the right to attend or vote at any general meeting or class meeting of Carnival, unless the P&O Princess group beneficially owns 90% or more of our shares, or to receive liquidation distributions.

Special Voting Share

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

In connection with the DLC transaction, Carnival's articles of incorporation will be amended to authorize one special voting share. Upon completion of the DLC transaction, Carnival will issue a

119

special voting share to the Carnival Special Voting Entity. At all meetings at which a joint electorate action or a class rights action will be considered, the holder of the Carnival special voting share must be present. See "The DLC Transaction--Changes in Rights of Carnival Shareholders--Special Voting Shares".

In connection with the DLC transaction, the articles of P&O Princess will also be amended to authorize a special voting share. On completion of the DLC transaction, the P&O Princess special voting share will be transferred to the trustee of the P&O Princess Special Voting Trust. Trust shares of beneficial interest in the P&O Princess Special Voting Trust will be transferred to Carnival. Immediately following this transfer, Carnival will distribute the trust shares of beneficial interest in the P&O Princess Special Voting Trust by way of dividend to Carnival shareholders of record at the close of business on April 17, 2003. Separate certificates will not be issued to represent these trust shares of beneficial interest in the P&O Princess Special Voting Trust; instead, the trust shares of beneficial interest will be paired with, and evidenced by, certificates representing Carnival shares, as provided in the pairing agreement. The provisions of the pairing agreement described under "Special Voting Entities; Special Voting Shares--Pairing Agreement" will be reflected in the Carnival articles.

Following completion of the DLC transaction, Carnival shares will trade in units consisting of one Carnival share and one trust share of beneficial interest in the P&O Princess Special Voting Trust.

Quorum Requirements

Following the DLC transaction, the presence in person or by proxy at any meeting of Carnival shareholders holding at least one-third of the total votes entitled to be cast will constitute a quorum for the transaction of business at such meeting, except as otherwise required by applicable law or regulation, the articles of incorporation or the by-laws. You are being asked to vote separately on the reduction in the quorum requirement for shareholder meetings (Proposal 5). The quorum requirements for any meeting where a joint electorate action or a class rights action is to be considered are discussed in the section of this proxy statement/prospectus called "The DLC Transaction--Changes in Rights of Carnival Shareholders--Quorum Requirements".

Shareholder Action By Written Consent

Following completion of the DLC transaction, Carnival's by-laws will provide that Carnival shareholders will not have the ability to act by written consent. You are being asked to vote separately on the removal of the ability of shareholders to act by written consent (Proposal 6).

Standard of Conduct for Directors

No change is proposed to be made to Carnival's articles of incorporation or by-laws regarding the standard of conduct for directors, except that following completion of the DLC transaction, the board of directors will be authorized to operate and carry into effect the Equalization and Governance Agreement, the SVE Special Voting Deed and the Carnival Deed of Guarantee and, subject to applicable laws and regulations, nothing done by any director in good faith pursuant to such authority and obligations will constitute a breach of the fiduciary duties of such director to Carnival or its shareholders. In

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

particular, the directors will, in addition to their duties to Carnival, be entitled to consider the interests of the Carnival shareholders and the P&O Princess shareholders as if Carnival and P&O Princess were a single entity. Following completion of the DLC transaction, the boards of directors of Carnival and P&O Princess will be identical.

Meetings of the Board of Directors

Following completion of the DLC transaction, the board of directors of each of Carnival and P&O Princess will be identical. At all meetings of each board of directors, the presence in person or by

120

proxy, of at least one-third of the total number of directors will constitute a quorum for the transaction of business except as may be otherwise specifically provided by applicable law, the articles of incorporation or by-laws. You are being asked to vote separately on the reduction in the quorum requirement for board meetings (Proposal 4). The act of a simple majority of the directors present in person or by proxy at any meeting at which there is a quorum will constitute a valid act of the board of directors, except as may be otherwise specifically provided by applicable law or regulation, the articles of incorporation or by-laws.

General Meetings of Shareholders

No change is proposed to be made to Carnival's by-laws regarding annual meetings, except that following completion of the DLC transaction, written notice of all meetings of shareholders must state the purpose of the meeting, including whether a joint electorate or class rights action will be considered, and the requirement that the annual meeting be held in March or April of each year will be removed.

In addition, if Carnival proposes to undertake a joint electorate action or class rights action, Carnival must immediately give notice to P&O Princess of the nature of the joint electorate action or the class rights action it proposes to take. Unless such action is proposed to be taken at the annual meeting, the board of directors must convene a special meeting for the purpose of considering a resolution to approve the joint electorate action or class rights action. If Carnival receives notice from P&O Princess that P&O Princess proposes to undertake a joint electorate action or a class rights action, the Carnival board of directors must convene a meeting of Carnival shareholders as close in time as practicable to the P&O Princess meeting and must propose an equivalent resolution as that proposed at the P&O Princess meeting. Such meeting will be held as close in time as practicable with the parallel shareholder meeting convened by P&O Princess for purposes of considering such joint electorate action or class rights action. Carnival must cooperate fully with P&O Princess in preparing resolutions, explanatory memoranda or any other information or material required in connection with the proposed joint electorate action or class rights action. See "The DLC Transaction--Changes in Rights of Carnival Shareholders--General Meetings of Shareholders".

Special Meetings of Shareholders

No change is proposed to be made to Carnival's articles of incorporation and by-laws regarding special meetings, except to provide for the mechanics relating to joint electorate and class rights actions. See "The DLC Transaction--Changes in Rights of Carnival Shareholders--Special Meetings of Shareholders".

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Sources and Payment of Dividends

Following completion of the DLC transaction, Carnival expects to continue to pay quarterly dividends and there will be no change in the entitlement of quarterly dividends for shareholders of either company. Carnival shareholders and P&O Princess Shareholders will have rights to income and capital distributions from the combined group based on the equalization ratio. In order for the companies to pay a dividend or make a distribution, the ratio of dividends and distributions paid per share of Carnival common stock to dividends and distributions paid per P&O Princess ordinary share must equal the equalization ratio, taking account the applicable currency exchange rate. See "The DLC Transaction--Changes in Rights of Carnival Shareholders--Sources and Payments of Dividends".

Pre-emptive Rights

No change is proposed to be made to Carnival's articles of incorporation regarding pre-emptive rights, except that pursuant to the Equalization and Governance agreement, neither Carnival nor P&O Princess may issue any shares carrying voting rights to the other or its subsidiaries (except on a pre-emptive basis) during the first two years following the date of the Equalization and Governance

121

Agreement. Thereafter, until the fifth anniversary of the date of the Equalization and Governance Agreement, neither Carnival nor P&O Princess may issue more than 5% of its shares to the other or its subsidiaries (unless such issuance is made on a pre-emptive basis) in any 12 month period.

Amendment of Governing Instruments

Following completion of the DLC transaction, any amendment to the provisions of Carnival's amended articles of incorporation which entrench the DLC structure will require approval as a class rights action. See "The DLC Transaction--Changes in Rights of Carnival Shareholders--Amendment of Governing Instruments".

Notwithstanding the foregoing, any amendment of the articles of incorporation (1) to specify or change the location of the office or registered agent of Carnival, or (2) to make, revoke or change the designation of a registered agent, or to specify or change the registered agent, may be approved and effected by the board of directors without the approval of the shareholders of Carnival or the shareholders of P&O Princess.

Following completion of the DLC transaction, any amendment to or repeal of the provisions of Carnival's by-laws which entrench the DLC structure will also require approval as a class rights action. Any amendment to or repeal of any by-law of Carnival other than any of the Carnival entrenched by-laws may be approved and effected by the board of directors without the approval of the shareholders of Carnival or the shareholders of P&O Princess. See "The DLC Transaction--Changes in Rights of Carnival Shareholders--Amendment of Governing Instruments".

Upon completion of a mandatory exchange, the articles of incorporation and the by-laws will be automatically amended without any further action of Carnival or the shareholders of Carnival to conform to the articles of incorporation and by-laws of Carnival prior to the implementation of the DLC structure. See "The DLC Transaction--Changes in Rights of Carnival Shareholders--Amendment of Governing Instruments".

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Stock Class Rights

No change is proposed to be made to Carnival's articles of incorporation regarding stock class rights, except that the proposed articles of incorporation provide that the holders of shares of Carnival common stock be entitled, in accordance with the Equalization and Governance Agreement and to the exclusion of the holders of shares of preferred stock, to receive such dividends as from time to time may be declared by the board of directors, except as otherwise provided by the resolution or resolutions providing for the issue of any series of shares of preferred stock.

Rights of Inspection

Following completion of the DLC transaction, every Carnival shareholder will, upon written demand stating the purpose thereof, have a right to inspect, in person or by agent or attorney, during the usual hours of business, for a purpose reasonably related to his interests as a shareholder, the share register, books of account, and minutes of all proceedings, and make copies or extracts therefrom.

Election of Directors

Following completion of the DLC transaction, resolutions relating to the appointment, removal and re-election of directors will be considered as a joint electorate action and voted upon by the shareholders of each company effectively voting together as a single decision-making body. The number of directors will be a minimum of three and a maximum of 25. No person may be elected or appointed to serve on

122

the Carnival board unless that person is also elected to be a member of the P&O Princess board. Any director of Carnival who resigns from the Carnival board must also resign from the P&O Princess board.

Removal of Directors

Following completion of the DLC transaction, subject to the provisions of Panamanian law, directors may be removed with or without cause only by a majority vote of a quorum of the shareholders.

Vacancies on the Board of Directors

Following completion of the DLC transaction, vacancies on the board of directors will be filled by a majority of the directors then in office, even though less than a quorum, provided that any such person is appointed to both the Carnival board and the P&O Princess board at the same time. If only one director remains in office, the director will have the power to fill all vacancies. If there are no directors, the Secretary of Carnival may call a meeting at the request of any two shareholders for the purpose of appointing one or more directors.

Indemnification of Directors and Officers

Following completion of the DLC transaction:

Each person who was or is a party to or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, by reason of the fact that such person is or was a director or an officer of Carnival or P&O

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Princess or is or was serving at the request of Carnival or P&O Princess as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, shall be indemnified and held harmless by Carnival against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding to the fullest extent and in the manner set forth in and permitted by Panamanian law, and any other applicable law, as from time to time in effect. Carnival will continue to have the power to purchase and maintain insurance in respect of its indemnification obligations.

A member of the board of directors, or a member of any committee designated by the board of directors, will, in the performance of his duties, be fully protected in relying in good faith upon the records of Carnival or P&O Princess and upon such information, opinions, reports or statements presented to Carnival by any of Carnival's or P&O Princess' officers or employees, or committees of the board of directors, or by any other person as to matters the member reasonably believes are within such other person's professional or expert competence and who has been selected with reasonable care by or on behalf of Carnival. In discharging their duties, directors and officers, when acting in good faith, may rely upon financial statements of Carnival or P&O Princess represented to them to be correct by the chief financial officer or the controller or other officer of Carnival or P&O Princess having charge of its books or accounts, or stated in a written report by an independent public or certified public account or firm of such accountants fairly to reflect the financial condition of Carnival or P&O Princess.

Takeover Restrictions

Following completion of the DLC transaction, the articles of incorporation of Carnival will contain provisions which would apply to any person, or group of persons acting in concert, that acquires shares in the Combined Group which would trigger a mandatory offer obligation as if the UK Takeover Code applied to the Combined Group on a combined basis. See "The DLC Transaction--Changes in Rights of Carnival Shareholders--Takeover Restrictions".

123

Carnival's articles also contain restrictions that prevent any person(s) (other than the Arison family and its permitted transferees) from acquiring more than 4.9% of the beneficial ownership of Carnival shares. While both the mandatory offer protection and 4.9% ownership threshold remain in place, no third party other than the Arison family and trusts for their benefit will be able to acquire control of the Combined Group.

Liquidation

Following completion of the DLC transaction, in the event of a voluntary or involuntary liquidation of Carnival, to the extent assets are available for distribution, Carnival is to ensure that the holders of Carnival common stock and P&O Princess ordinary shares will be entitled to a liquidation distribution which is equivalent on a per share basis in accordance with the equalization ratio then in effect and disregarding any tax consequences. See "The DLC Transaction--Changes in Rights of Carnival Shareholders--Liquidation".

PROPOSAL 3

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

APPROVAL OF AMENDMENT TO CARNIVAL'S ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK AUTHORIZED FOR ISSUANCE

Our authorized capital stock consists of 1,000,000,000 shares, of which 960,000,000 are shares of common stock and 40,000,000 are shares of preferred stock. As of March 11, 2003, there were 586,972,729 shares of common stock and no shares of preferred stock outstanding.

You are being asked to approve an amendment to our articles of incorporation to increase the number of shares of common stock that we have the authority to issue by 999,999,998 shares. The affirmative vote of the holders of a majority of all outstanding shares of our common stock is required to approve this amendment to our articles of incorporation. The increase in respect of the special voting share and the equalization share are integral to the DLC transaction and are covered by Proposal 2.

We propose to increase our authorized common stock in order to give us greater flexibility to respond to our future business needs as they may arise including capital raising, future capital requirements and acquisitions. Other than the Partial Share Offer (for which we currently have a sufficient number of authorized but unissued shares), we have no current commitments with respect to the additional shares we are asking you to authorize, and we do not have at this time any plans, commitments or understandings with respect to any acquisitions.

Disadvantages may result from an increase in the number of authorized but unissued shares of common stock. Our articles of incorporation do not provide for preemptive rights. If the increase in authorized common stock is approved by our shareholders, a significant number of additional shares would be available for issuance without further action by our shareholders, unless such action is required by law or NYSE listing requirements. The issuance of additional shares of common stock could have a dilutive effect on the voting power of existing shareholders and on earnings per share.

PROPOSAL 4

APPROVAL OF AMENDMENT TO CARNIVAL'S ARTICLES OF INCORPORATION TO REDUCE THE QUORUM REQUIREMENT FOR BOARD MEETINGS

You are being asked to approve an amendment to our articles of incorporation to add a provision to reduce the quorum requirement for meetings of the board of directors from a majority, to one-third, of the total number of directors. The affirmative vote of the holders of a majority of all outstanding shares of our common stock is required to approve this amendment to our articles of incorporation.

The change in the quorum requirement reflects a desire to have a consistent quorum at board meetings of both our board and the P&O Princess board. Our current quorum requirement is a majority of the directors and P&O Princess' current quorum requirement is two directors, and the one-third threshold is a compromise between the two. As a result of the reduced quorum requirement for board meetings, a smaller number of directors may constitute a validly convened meeting and may be able to take action at such meeting on behalf of all directors. As this change is not technically necessary for the DLC transaction and as the one-third threshold is in neither our current articles nor P&O Princess' current articles, we are submitting this change for separate approval by our shareholders.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

PROPOSAL 5

APPROVAL OF AMENDMENT TO CARNIVAL'S BY-LAWS TO REDUCE THE QUORUM REQUIREMENT FOR SHAREHOLDER MEETINGS

You are being asked to approve an amendment to our by-laws to reduce the quorum requirement for meetings of our shareholders from a majority, to one-third, of the total number of shares entitled to be cast at such meeting. The affirmative vote of the holders of a majority of all outstanding shares of our common stock entitled to vote at the special meeting is required to approve this amendment to our by-laws.

The change in the quorum requirement reflects a desire to have a consistent quorum at our shareholder meetings and the shareholder meetings of P&O Princess. Our current quorum requirement is a majority of the shares entitled to vote and P&O Princess' current quorum requirement is only two shareholders, and the one-third quorum requirement is a compromise between the two.

As a result of the reduced quorum requirement for shareholder meetings, a smaller number of Carnival shareholders may constitute a validly convened meeting and may be able to take action at such meeting on behalf of all shareholders. You should be aware that in addition to the change in the quorum from majority to one-third, aspects of Proposals 1 and 2 have an impact on the practical effect of the quorum. Under the voting mechanisms designed to give effect to the DLC transaction, the Carnival voting share (which will represent the outcome of votes of the P&O Princess shareholders at parallel P&O Princess shareholder meetings) must be present in order for there to be a quorum for Carnival shareholder meetings at which joint electorate actions or class rights actions are to be considered, and the number of votes cast at the parallel P&O Princess shareholder meetings will count toward the votes and quorum at Carnival shareholder meetings at which joint electorate actions are considered. These are described in the section of the proxy/prospectus called "The DLC Transaction -- Changes in Rights of Carnival Shareholders -- Quorum Requirements". Thus, for example, even though a quorum may be present and Carnival shareholders approve a class rights action, the action may nonetheless be defeated if the matter is defeated at the parallel P&O Princess shareholder meeting. Similarly, through the Carnival special voting share, P&O Princess votes may count towards a Carnival quorum even though one-third of the Carnival shares outstanding are not present at the meeting.

Based on current ownership levels, certain members of the Arison family, including Micky Arison and trusts established for their benefit, would beneficially own a sufficient number of shares to constitute a quorum at shareholder meetings.

PROPOSAL 6

APPROVAL OF AMENDMENT TO CARNIVAL'S BY-LAWS TO REMOVE THE ABILITY OF SHAREHOLDERS TO ACT BY WRITTEN CONSENT

You are being asked to approve an amendment to our by-laws to remove the ability of shareholders to act by written consent. The affirmative vote of the holders of a majority of all outstanding shares of our common stock entitled to vote at the special meeting is required to approve this amendment to our by-laws.

We propose to remove the ability of shareholders to act by written consent in order to align our corporate governance procedures with those of P&O Princess. Our current by-laws allow a majority of our shareholders to take action by written consent, but under English law (the law that governs matters

of corporate procedures for P&O Princess), any shareholder action by written consent must be unanimous. Accordingly, in order to maintain parity with P&O Princess, our choice was to either amend our by-laws to require that any action by written consent be unanimous, in accordance with English law and the articles of P&O Princess, or remove the ability altogether. Because the NYSE discourages action by written consent, and unanimous written consent, we believe, is impracticable for a public company, both we and P&O Princess have elected to remove the ability of shareholders of either company to act by written consent.

If this amendment to our by-laws is adopted, shareholders will only be able to put matters to a vote of shareholders at the annual meeting. Removing the ability of shareholders to act by written consent may also have the effect of discouraging or delaying efforts to acquire control of our company by a shareholder or group of shareholders without the consent of the board and may make it more difficult for shareholders to coordinate action outside a duly called shareholder meeting. If this amendment to our by-laws is not adopted, Carnival and P&O Princess will consider whether additional mechanics are necessary to ensure that the voting arrangements under the DLC structure can be given effect in situations where Carnival shareholders act or seek to act by written consent.

127

COMMON STOCK OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Set forth below is information concerning the share ownership of (1) all persons known by us to be the beneficial owners of 5% or more of the 586,972,729 shares of common stock outstanding as of March 11, 2003, (2) the Chief Executive Officer and the four most highly compensated executive officers of the Company, (3) each other director of Carnival and (4) all directors and executive officers as a group.

Micky Arison, the Chairman of the Board and Chief Executive Officer of Carnival other members of the Arison family and trusts for their benefit (collectively, the "Principal Shareholders"), beneficially own shares representing approximately 47% of the voting power of the common stock and have entered into undertakings under which they will be required to vote such shares in favor of the proposals at the special meeting. These undertakings are irrevocable except in circumstances where the DLC transaction is withdrawn or lapses. The table begins with ownership of the Principal Shareholders. See footnote (2) below for a description of the group comprised of members of the Arison family and other persons and entities affiliated with them.

The number of shares beneficially owned by each entity, person, director or executive officer is determined under rules of the SEC, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares as to which the individual has the sole or shares voting power or investment power and also any shares which the individual has the right to acquire as of May 10, 2003 (60 days after the record date of March 11, 2003) through the exercise of any stock option or other right.

own shares of common stock have filed a joint statement on Schedule 13D with respect to the shares of common stock held by such persons. TAMMS Investment Company Limited Partnership ("TAMMS") owns 3,653,168 shares of common stock. TAMMS' general partner is TAMMS Management Corporation ("TAMMS Corp."), which is wholly-owned by MBA I, L.L.C. ("MBA I") and Marilyn B. Arison. TAMMS' limited partners are various trusts established for the benefit of certain members of Micky Arison's family, including Shari Arison and Marilyn Arison (the "Family Trusts"). By virtue of the limited partnership agreement of TAMMS, TAMMS Corp. may also be deemed to beneficially own such 3,653,168 shares of common stock. By virtue of its interest in TAMMS, JMD Delaware, Inc. as trustee of certain of the Family Trusts, may be deemed to beneficially own the portion of the 3,653,168 shares of common stock held by TAMMS which corresponds to its partnership interest in TAMMS. Such amounts are included in the number of shares set forth next to its name in the table above. Because of his position as President of TAMMS Corp., Micky Arison may be deemed to beneficially own the 3,653,168 shares of common stock owned by TAMMS; however, Micky Arison disclaims beneficial ownership of all such shares which are beneficially owned by TAMMS. Accordingly, Micky Arison has not reported beneficial ownership of any of the shares owned by TAMMS.

- (3) Includes (i) 408,000 shares of common stock issuable to Micky Arison upon his exercise of stock options granted to him in May 1995, January 1998, 1999, 2000 and 2001, and October 2001, (ii) 6,102,187 shares of common stock held by the MA 1997 Holdings, L.P., (iii) 106,114,284 shares of common stock held by the MA 1994 B Shares, L.P., (iv) 93,847,639 shares of common stock held by the Ted Arison 1992 Irrevocable Trust for Lin No. 2, Ted Arison 1994 Irrevocable Trust For Shari No. 1 and the Michael Arison 1999 Irrevocable Delaware Trust by virtue of the authority granted to Micky Arison under the last will of Ted Arison, and (v) 17,538,393 shares of common stock held by The 1997 Irrevocable Trust for Micky Arison, all of which may be deemed to be beneficially owned by Micky Arison.
- (4) Under the terms governing the Shari Arison Irrevocable Guernsey Trust, Shari Arison has the sole right to vote and direct the sale of the 4,000,000 shares of common stock held directly by such trust and the 1,102,708 shares of common stock held by TAMMS which corresponds to such trust's respective ownership interest in TAMMS. Includes 2,250,000 shares owned by The Ted Arison Family Foundation USA, Inc. (the "Foundation"). Because Shari Arison is Chairman and President of the Foundation, she may be deemed to beneficially own the common stock held by the Foundation. Also includes 1,200 shares of common stock owned by Shari Arison's children. Shari Arison disclaims beneficial ownership of the shares owned by the Foundation and her children.
- (5) MA 1994 B Shares, L.P. ("MA 1994, L.P.") owns 106,114,284 shares of common stock. The general partner of MA 1994, L.P. is MA 1994 B Shares, Inc. ("MA 1994, Inc."), which is wholly-owned by the Micky Arison 1994 "B" Trust, a trust established for the benefit of Micky Arison and his heirs (the "B Trust"). The sole limited partner of MA 1994, L.P. is the B Trust. Under the terms of the instrument governing the B Trust, Micky Arison has the sole right to vote and direct the sale of the common stock indirectly held by the B Trust. By virtue of the limited partnership agreement of MA 1994, L.P., MA 1994, Inc. may be deemed to beneficially own all such 106,114,284 shares of common stock. By virtue of Micky Arison's interest in the B Trust and the B Trust's interest in MA 1994, L.P., Micky Arison may be deemed to beneficially own all such 106,114,284 shares of common stock. The trustee of the B Trust is JMD Delaware, Inc., a corporation wholly-owned by James M. Dubin.
- (6) MA 1997 Holdings, L.P. ("MA 1997, L.P.") owns 6,102,187 shares of common stock. The general partner of MA 1997, L.P. is MA 1997 Holdings, Inc. ("MA 1997, Inc."), which is wholly-owned by the Micky Arison 1997 Holdings Trust, a trust established for the benefit of Micky Arison and his heirs (the "MA 1997 Trust"). The sole limited partner of MA 1997, L.P. is the MA 1997 Trust. By virtue of the limited partnership agreement of MA 1997, L.P., MA 1997, Inc. may be deemed to beneficially own all of such 6,102,187 shares of

common stock. By virtue of the MA 1997 Trust's interest in MA 1997, L.P.,

130

the MA 1997 Trust may be deemed to beneficially own all such 6,102,187 shares of common stock. Under the terms of the instrument governing the MA 1997 Trust, Micky Arison has the sole right to vote the common stock indirectly held by the MA 1997 Trust. The trustee of the MA 1997 Trust is JMD Delaware, Inc., a corporation wholly-owned by James M. Dubin.

- (7) JMD Protector, Inc., a Delaware corporation, is the protector of the Ted Arison 1994 Irrevocable Trust for Shari No. 1 and the Ted Arison 1992 Irrevocable Trust for Lin No. 2 and has certain voting and dispositive rights with respect to the common stock held by such trusts.
- (8) MBA I owns 400,000 shares of common stock and a limited partnership interest in TAMMS (See Note 2 above). MBA I may be deemed to own 1,032,440 shares of common stock held by TAMMS which corresponds to its respective partnership interest in TAMMS and TAMMS Corp. The Marilyn B. Arison Irrevocable Delaware Trust (the "Irrevocable Trust") owns a controlling interest in MBA I; therefore, the Irrevocable Trust may be deemed to beneficially own all such 1,432,440 shares of common stock.

LIMITATIONS ON ENFORCEABILITY OF CIVIL LIABILITIES UNDER
U.S. FEDERAL SECURITIES LAWS

P&O Princess is a company organized under the laws of England and Wales with headquarters in London, England. Most of P&O Princess' directors and many of its officers and certain of the experts named in this document are residents of the UK and not the U.S. In addition, a number of the directors of P&O Princess after completion of the DLC transaction will be residents of the UK and not the U.S. A large portion of the assets of P&O Princess and of such other persons are located outside of the U.S. As a result, U.S. investors may find it difficult in a lawsuit based on the civil liability provisions of the U.S. federal securities laws to:

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

- .. effect service within the U.S. upon P&O Princess, the directors and officers of P&O Princess and certain experts located outside the U.S.;
- .. enforce in U.S. courts or outside the U.S. judgments obtained against those persons in U.S. courts;

134

- .. enforce in U.S. courts judgments obtained against those persons in courts in jurisdictions outside the U.S.; and
- .. enforce against those persons in the UK, whether in original actions or in actions for the enforcement of judgments of U.S. courts, civil liabilities predicated solely upon the U.S. federal securities laws.

Individual shareholders of an English company (including U.S. persons and depositary shareholders) have the right under English law to bring lawsuits on behalf of the company in which they are a shareholder, and on their own behalf against the company, in certain limited circumstances. Except in limited circumstances, English law does not permit class action lawsuits by shareholders.

Assuming the due authorization, execution and delivery of this Agreement by each party thereto other than Carnival or any of its Subsidiaries, this Agreement constitutes, and at the Effective Time each DLC Document to which Carnival will be or is a party will constitute, a valid and binding agreement of Carnival enforceable against Carnival in accordance with its terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles (the "Bankruptcy and Equity Exception"). The Board of Directors of Carnival has approved this Agreement (including the Exhibits hereto) and the Transactions.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

consummation by it of the Transactions, except those the failure of which to make, give or obtain, individually or in the aggregate, is not reasonably likely to have a Material Adverse Effect with respect to it.

3.1.4.2 The execution, delivery and performance of this Agreement by it does not, and the consummation by it of the Transactions will not, constitute or result in (A) a breach or violation of, or a default under, its articles of incorporation or by-laws, in the case of Carnival, or memorandum or articles of association, in the case of P&O Princess, or the comparable governing instruments of any of the Significant Subsidiaries of Carnival and P&O Princess, (B) subject to making, giving or obtaining all Carnival Required Consents or P&O Princess Required Consents, as applicable, and all other necessary third-party consents as set forth in Section 3.1.4.2 of its Disclosure Letter, a breach or violation of, or a default under, or the termination, amendment, cancellation or acceleration of any obligations or penalties or the creation of a Lien, charge, "put" or "call" right, right of purchase or other encumbrance on the assets of it or any of its Subsidiaries (with or without notice, lapse of time or both) pursuant to any agreement, lease, license, insurance contract, contract, note, mortgage, loan, indenture, arrangement (including, without limitation, any financing arrangement) or other obligation ("Contracts") binding upon it or any of its Subsidiaries or any Law or governmental or non-governmental permit or license to which it or any of its Subsidiaries is or any of its or their assets is subject or bound, (C) any change in the rights or obligations of either Party under any of its Contracts, or (D) any employee of it or its Subsidiaries being entitled to severance pay under, acceleration of the time of payment or vesting or triggering of any payment of compensation or benefits under, increasing the amount payable or triggering of any other obligation pursuant to, any of the Compensation and Benefit Plans involving in any such case an amount or value greater than \$2.5 million for any individual or \$10 million in the aggregate or any breach or violation of, or a default under, any of the Compensation and Benefit Plans, except, in the case of clause (B) or (C) above, for any breach, violation, default, termination, amendment, cancellation, acceleration, creation or change that, individually or in the aggregate, is not reasonably likely to have a Material Adverse Effect with respect to it. Neither Party nor any of its Subsidiaries is in violation of, or default under, or with the lapse of time or giving of notice or both would be in violation of, or default under, any provision of any agreement, instrument or arrangement pursuant to which it has borrowed money or otherwise incurred indebtedness where the resulting acceleration of all the borrowed money or indebtedness under all such agreements, instruments and arrangements would be greater than \$100 million.

4.2 Acquisition Proposals.

4.2.1 No Shop. Each of Carnival and P&O Princess agrees that, subject to Section 4.2.3 and except as expressly contemplated by this Agreement, neither it nor any of its Subsidiaries nor any of the officers or directors of it or its Subsidiaries shall, and that it shall direct and use its reasonable best efforts to cause its and its Subsidiaries' officers, directors, employees, investment bankers, attorneys, accountants, financial advisors, agents or other representatives (collectively, with respect to each of Carnival and P&O Princess, such Person's "Representatives") not to, directly or indirectly, initiate, solicit, encourage or otherwise facilitate any inquiries or the making of any proposal or offer by a third party with respect to a merger, takeover, reorganization, share exchange, scheme of arrangement, dual-holding company transaction, consolidation or similar transaction involving Carnival or P&O Princess, or any purchase of or joint venture (or similar arrangement) involving, or offer to purchase or enter into a joint venture (or similar arrangement) involving, all or 15% or more of the equity securities of Carnival or P&O Princess, as the case may be, or of its and its Subsidiaries' assets taken as a whole (any such proposal or offer being hereinafter referred to as an "Acquisition Proposal"). Each of Carnival and P&O Princess further agrees that neither it nor any of its Subsidiaries nor any of its or its Subsidiaries' officers or directors shall, and that it shall direct and use its reasonable best efforts to cause its Representatives not to, directly or indirectly, have any discussions with or provide any confidential information or data to any Person relating to an Acquisition Proposal or engage in any negotiations concerning an Acquisition Proposal, or otherwise facilitate any effort or attempt to make or implement an Acquisition Proposal; provided, however, that nothing contained in this Agreement shall prevent either Carnival or P&O Princess or its board of directors from (i) negotiating with or furnishing information to any Person who has made a bona fide unsolicited written Acquisition Proposal which did not result from a breach of this Section 4.2.1 (or any action that would have

constituted such a breach if the Representatives of such Party were bound by this Section to the same extent as such Party) or Section 6 of, or any comparable no-shop provision in, the Stockholders Deed Polls (or any action that would have constituted a breach if the Representatives (as defined in the Stockholders Deed Polls) were bound by such Section to the same extent as the Carnival Major Stockholders) (each, a "Qualifying Acquisition Proposal") or (ii) recommending a Qualifying Acquisition Proposal to its shareholders, if and only to the extent that, in each case, the board of directors of such Party determines in good faith after consultation with outside legal counsel that the failure to take such action would result in a breach of the fiduciary duties of the Board of Directors and such Qualifying Acquisition Proposal is a Superior Proposal. For purposes of this Agreement, a "Superior Proposal" means in respect of Carnival or P&O Princess, as applicable, any Qualifying Acquisition Proposal by a third party (x) on terms which the board of directors of such Party determines in its good faith judgment to be more favorable from a financial point of view to its shareholders than the Transactions after consultation with its financial advisors (which advice shall be communicated to the other Party) and after giving the other Party at least ten Business Days to respond to such third party Qualifying Acquisition Proposal, (y) which the board of directors of such Party determines in its good faith judgment to constitute a transaction that is reasonably likely to be consummated on the terms set forth, taking into account all legal, financial, regulatory and other aspects of such proposal and (z) which relates to at least a majority of the consolidated assets by value or the securities by voting power of such Party. Each of Carnival and P&O Princess agrees that it will immediately cease and cause to be terminated any existing activities, discussions or negotiations with any Person conducted heretofore with respect to any Acquisition Proposal. Each of Carnival and P&O Princess also agrees that if it has not already done so, it will promptly request each Person, if any, that has heretofore executed a confidentiality agreement within the 12 months prior to the date hereof in connection with its consideration of any Acquisition Proposal to return or destroy all confidential information heretofore furnished to such Person by or on behalf of it or any of its Subsidiaries.

4.2.2 Notifications. Each of Carnival and P&O Princess agrees that it will take the necessary steps promptly to inform its Subsidiaries and its and its Subsidiaries' Representatives of the obligations undertaken in this Section 4.2. Each of Carnival and P&O Princess agrees that it will notify the other promptly if any inquiries, proposals or offers relating to or constituting an Acquisition Proposal are received by, any information is requested from, or any such discussions or negotiations are sought to be initiated or continued with, it, any of its Subsidiaries or any of its or its Subsidiaries' Representatives indicating, in connection with such notice, the name of such Person and the material terms and conditions of any proposals or offers and thereafter shall keep the other informed, on a current basis, of the status and material terms of any such proposals or offers, including providing the other Party with copies of any information provided to such other Person.

4.2.3 Compliance with Exchange Act, Exchange Regulations and City Code. Nothing contained in this Agreement shall prohibit a Party from taking and disclosing to its shareholders a position contemplated by Rule 14e-2(a) under the Exchange Act with respect to an Acquisition Proposal by means of a tender or exchange offer or taking such action and making such recommendations as its board of directors shall determine, in good faith after consultation with outside legal counsel, is required in order to comply with any obligations imposed on it by the SEC, the NYSE, the City Code, the Takeover Panel, the London Stock Exchange or the UKLA in relation to any Acquisition Proposal (provided that it is hereby acknowledged, for

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

the avoidance of doubt, that no provision of the City Code requires P&O Princess or its directors to solicit or initiate any Acquisition Proposal). If the SEC, the NYSE, the Takeover Panel, UKLA or London Stock Exchange, as applicable, requests or directs a Party to take any course of action in connection with, or which would have any effect on, the Transactions, then such Party agrees, solely to the extent practicable (having regard to the time available and the nature and urgency of such request

20

or direction), to (i) notify the other Party of this fact and (ii) consult with the other Party prior to taking any action with respect to such request or direction.

4.3 Information Supplied.

4.3.1 Shareholder Documents. Each of Carnival and P&O Princess each agrees, as to itself and its Subsidiaries that:

4.3.1.1 It shall provide such information for inclusion in each of the Shareholder Documents, such that each Shareholder Document shall contain all particulars relating to Carnival and P&O Princess required to comply in all material respects with all applicable Laws, including the PGCL, the Companies Act, the City Code and the Financial Services and Markets Act 2000 (and the rules and regulations thereunder), the requirements of the London Stock Exchange, the listing rules of the UKLA, the Securities Act, the Exchange Act and the rules and regulations of the SEC and the NYSE;

4.3.1.2 The information provided by such Party for inclusion or incorporation by reference in any of the Shareholder Documents shall not, at the date of mailing to shareholders and at the time or times of the Carnival Shareholders Meeting or the P&O Princess Shareholders Meeting, as applicable, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading in any material respect; and

4.3.1.3 If at any time prior to the Carnival Shareholders Meeting or the P&O Princess Shareholders Meeting, as applicable, any information relating to Carnival or P&O Princess, or any of their respective Affiliates, officers or directors, should be discovered by Carnival or P&O Princess which should be set forth in a supplement to any of the Shareholder Documents, so that such document would not include any misstatement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading in any material respect, the Party which discovers such information shall promptly notify the other Party and, to the extent required by Law, an appropriate amendment or supplement describing such information shall be promptly disseminated to the Carnival shareholders or the P&O Princess shareholders, as applicable.

4.4 Shareholders Meetings. Carnival and P&O Princess will each respectively take all action necessary to convene a meeting of the holders of Carnival Common Stock to obtain the Carnival Requisite Vote (the "Carnival Shareholders Meeting") and the holders of P&O Princess Ordinary Shares to obtain the P&O Princess Requisite Vote (the "P&O Princess Shareholders Meeting") to approve the Transactions, as soon as possible after the date

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

hereof, and the Parties shall liaise to ensure that the Carnival Shareholders Meeting will be held two days prior to the P&O Princess Shareholders Meeting; provided that if either Party elects to hold its meeting on an earlier date, it may do so; provided, however, the P&O Princess Shareholders Meeting may not be convened prior to the 20th Business Day after commencement of the Offer. Subject to fiduciary obligations and the requirements of applicable Law, the board of directors of each of Carnival and P&O Princess shall recommend to its respective shareholders the approval of, in the case of Carnival, the Carnival Amendments and, in the case of P&O Princess, the P&O Princess Amendments, and in each case, this Agreement and the DLC Transactions, which recommendation shall be set forth in the Carnival Circular and the P&O Princess EGM Circular, respectively, and shall take all lawful action to solicit such approval. The Carnival Shareholders Meeting and the P&O Princess Shareholders Meeting will be held regardless of any failure to make such recommendation or any change in such recommendation.

21

4.5 Filings; Other Actions; Notification.

4.5.1 Filings. As promptly as practicable after the execution of this Agreement, Carnival and P&O Princess shall prepare and make all necessary filings and notifications to any Governmental Entity required to implement the DLC Transactions, including the filing of the Shareholder Documents with the SEC and UKLA, as appropriate. Carnival and P&O Princess shall cooperate to conform the content of the Shareholder Documents, to the extent reasonably practicable and appropriate. Carnival and P&O Princess each shall use its reasonable best efforts to have the Registration Statements declared effective by the SEC as promptly as practicable after filing. Carnival shall promptly prepare and file a supplemental listing application with the NYSE with respect to the shares of Carnival Common Stock to be issued in the Offer and shall use its reasonable best efforts to have such shares of Carnival Common Stock approved for listing by the NYSE, subject only to official notice of issuance, and shall promptly prepare and file a listing application with the NYSE with respect to the SVT Shares and shall use its reasonable best efforts to have such SVT Shares approved for listing by the NYSE, subject only to official notice of issuance.

4.5.2 Mailing of Documents. Subject to applicable Laws relating to the exchange of information, Carnival and P&O Princess shall have the right to review in advance,

22

and to the extent practicable each will consult the other on, all the information relating to Carnival and its Subsidiaries or P&O Princess and its Subsidiaries, as the case may be, that appears in any filing made with, or written materials submitted to, any third party and/or any Governmental Entity in connection with the Transactions. In exercising the foregoing right, each of Carnival and P&O Princess shall act reasonably and as promptly as practicable.

The foregoing requirements of Section 4.5.6 shall not apply to P&O Princess' discussions and meetings with the UK Inland Revenue with respect to tonnage taxes and amendments to existing tonnage tax elections; provided that P&O Princess shall notify Carnival of any such discussions and meetings, and to the extent practicable, consult with Carnival with respect thereto.

4.5.7 Cooperation in Defense of Claim. In the event any claim, action, suit investigation or other proceeding by any Governmental Entity or other Person or other legal or administrative proceeding is commenced that questions the validity or legality of this Agreement or any of the Transactions or claims damages in connection therewith, the Parties agree to cooperate and use their reasonable best efforts, subject to the limitations set forth in Section 4.5.3, to defend against and respond thereto.

requested by the other Party which it reasonably requires in order to investigate and confirm the accuracy of such Party's representations and warranties and the satisfaction of the conditions to Closing relating thereto; provided that no receipt of information pursuant to this Section shall affect or be deemed to modify any representation or warranty made by Carnival or P&O Princess hereunder; and provided, further that the foregoing shall not require Carnival or P&O Princess to permit any inquiry, or to disclose any information, that in the reasonable judgment of Carnival or P&O Princess, as the case may be, would (i) violate any antitrust or competition Law or (ii) result in the disclosure of any trade secrets of third parties or violate any of its obligations with respect to confidentiality to third parties if Carnival or P&O Princess, as the case may be, shall have used reasonable efforts to obtain the consent of such third party to such inspection or disclosure. All such information shall be governed by the terms of the Confidentiality Agreement, dated October 11, 2002, between the Parties (the "Confidentiality Agreement"), including without limitation all such information disclosed in the Disclosure Letters.

In the event any claim in respect of which indemnification is available pursuant to the foregoing provisions is asserted or made within such six-year period, all rights to indemnification shall continue until such claim is disposed of or all judgments, orders, decrees or other rulings in connection with such claim are duly satisfied.

4.8.1.3 For six years after the Effective Time, P&O Princess and Carnival shall provide officers' and directors' liability insurance in respect of acts or omissions occurring prior to the Effective Time covering each such Person currently covered by its officers' and directors' liability insurance policy on terms with respect to coverage and in amounts no less favorable than those of such policy in effect on the date hereof; provided, however, that during such period, Carnival and P&O Princess shall be required to maintain or procure as much coverage as can be obtained for the remainder of such period for an annual premium not in excess of 200% of the current annual premium paid by P&O Princess or Carnival, as the case may be, for its existing coverage.

4.8.1.4 The obligations of P&O Princess and Carnival under this Section 4.8.1 shall not be terminated or modified in such a manner as to adversely affect any Indemnitee to whom

24

this Section 4.8.1 applies without the consent of such affected Indemnitee (it being expressly agreed that the Indemnitees to whom this Section 4.8.1 applies shall be third party beneficiaries of this Section 4.8.1).

4.8.1.5 Each Party (the "Providing Party") shall indemnify and hold harmless, to the fullest extent permissible under applicable Law, the

Except as otherwise provided in Section 6.5, whether or not the Transactions are consummated, all costs and expenses incurred in connection with this Agreement and the Transactions shall be paid by the Party incurring such expense, except that the Parties each shall pay one-half of filing fees and printer costs and expenses in connection with the preparation and filing of the Shareholder Documents.

4.10 Other Actions by Carnival and P&O Princess.

4.10.1 Dividends. Except with respect to the distribution of the 0 SVT Shares by Carnival contemplated by this Agreement, Carnival and P&O Princess shall coordinate the declaration, setting of record dates and payment dates of dividends on Carnival Common Stock and P&O Princess Ordinary Shares so that the respective holders of Carnival Common Stock and P&O Princess Ordinary Shares do not receive two dividends in respect of the calendar quarter in which the Effective Time occurs or fail to receive a dividend in respect of the calendar quarter in which the Effective Time occurs.

4.10.2 Integration Planning. To the extent permitted by applicable Law, promptly following the date of this Agreement, the Parties will establish an integration planning committee (the "Integration Committee") to address and agree upon integration issues. The P&O Princess EGM Circular shall state that P&O Princess shareholders may (i) vote to approve the DLC Transactions; and/or (ii) accept the Offer, subject to the terms and conditions set forth therein and in the Offer Documents. Subject to the terms and conditions of the Offer and this Agreement (including, without limitation, Section 4.11.4), Carnival shall acquire all P&O Princess Ordinary Shares validly tendered and not withdrawn pursuant to the Offer in compliance with the obligations respecting prompt payment pursuant to Rule 14e-1(c) under the Exchange Act and Rule 31.8 of the City Code.

Notwithstanding anything to the contrary set forth herein, no certificates representing fractional shares of Carnival Common Stock shall be issued in connection with the exchange of Carnival Common Stock for P&O Princess Ordinary Shares upon consummation of the Offer, and in lieu thereof each tendering shareholder who would otherwise be entitled to a fractional share of Carnival Common Stock in the Offer will be paid an amount in cash equal to either: (i) the product obtained by multiplying (A) the fractional share interest to which such holder would otherwise be entitled by (B) the closing price of the Carnival Common Stock on the NYSE (as reported in The Wall Street Journal or, if not reported therein, any other authoritative source) on the date the Offer becomes unconditional; or (ii) the pro rata entitlement of such member to the net proceeds of the sale of the aggregate fractional entitlements to Carnival Common Stock which shall be sold in the market at the best price reasonably obtainable by Carnival; provided always that Carnival shall be able to choose whether to apply the procedure referred to in (i) or (ii) above, shall not be obliged to give any reasons for such choice and such choice shall be conclusive and binding on all persons concerned and shall not be open to challenge on any grounds whatsoever.

4.11.3 Expiration and Extension of the Offer Acceptance Period. The period for acceptance of the Offer shall initially expire at 5:00 p.m., London time, on the date of the P&O Princess Shareholders Meeting unless it is extended by Carnival with the consent of the Takeover Panel.

4.11.4 Acceptances by Carnival. P&O Princess shall cooperate with Carnival to communicate the Offer to the holders of the P&O Princess ADSs. Subject to the requirements of applicable Law, and except for such steps as are necessary to disseminate the Offer Documents, Carnival and its affiliates, associates and agents shall hold in confidence the information contained in any such labels, listings and files, will use such information only in connection with the Offer and, if this Agreement shall be terminated, will promptly, upon request, deliver, and will use reasonable efforts to cause its affiliates, associates and agents to deliver, to P&O Princess all copies of such information then in their possession or control.

4.11.9 Adjustment of the Offer Exchange Ratio. Subject to the City Code, in the event that, other than pursuant to the Transactions, Carnival changes or establishes a record date for changing the number of shares of Carnival Common Stock issued and outstanding as a result of a stock split, stock dividend, recapitalization, subdivision, reclassification, combination or similar transaction with respect to the outstanding shares of Carnival Common Stock and the record date therefor shall be prior to the Effective Time, the Offer Exchange Ratio, and any other calculations based on or relating to the shares of Carnival Common Stock shall be appropriately adjusted to reflect such stock split, stock dividend, recapitalization, subdivision, reclassification, combination or similar transaction. In the event that other than pursuant to the Transactions, P&O Princess changes or establishes a record date for changing the number of P&O Princess Ordinary Shares issued and outstanding as a result of a stock split, stock dividend, recapitalization, subdivision, reclassification, combination or similar transaction with respect to the outstanding P&O Princess Ordinary Shares and the record date therefor shall be prior to the completion of the Offer, the Offer Exchange Ratio, and any other calculations based on or relating to the P&O Princess Ordinary Shares shall be appropriately adjusted to reflect such stock split, stock dividend, recapitalization, subdivision, reclassification, combination or similar transaction.

2. Boards of P&O Princess and Carnival

2.1 Board Principles

P&O Princess and Carnival agree that the following principles are essential to the implementation, management and operation of the DLC Structure:

(A) P&O Princess and Carnival must operate as if they were a single unified economic entity, through boards of directors which comprise exactly the same individuals and a unified senior executive management, and the Combined Shareholders shall be treated as if they were shareholders of a combined enterprise; and

(B) the directors of P&O Princess and Carnival shall, in addition to their duties to the company concerned, have regard to the interests of the other company and both the holders of P&O Princess Ordinary Shares and the holders of Carnival Common Stock as if the two companies were a single unified legal entity.

2.2 Board Composition

Each of Carnival and P&O Princess will therefore do (and will, to the extent it is able, procure that each member of its Group will do) all acts and things necessary and within their respective powers to ensure that at all times the Board of P&O Princess and the Board of Carnival comprise exactly the same individuals.

2.3 Indemnification of Directors

Each of Carnival and P&O Princess will take all actions necessary or desirable to ensure that the directors of each company shall be indemnified by such company and the other company for any acts or omissions by such directors in their capacity as a director of such company, to the maximum permitted by Applicable Regulations PROVIDED THAT nothing in this paragraph shall affect the obligations provided for in Section 4.8.1 (Director and Officer Liability) of the Implementation Agreement.

3. Equalization of Distributions

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

3.1 Equalization Principle

- 3.1.1 Subject to the other provisions of this Agreement, neither Carnival nor P&O Princess shall pay or make any Distribution in cash unless the other company also pays or makes a Distribution in cash at or about the same time and the ratio of the Equalization Distribution Amount so paid or made by Carnival to the Equalization Distribution Amount so paid or made by P&O Princess (converted, if applicable, at

10

the Applicable Exchange Rate for such Distributions and rounded to five decimal places) equals the Equalization Ratio in effect on the Distribution Determination Date for such Distributions (each, an "Equivalent Distribution")

- 3.1.2 Subject to Clause 3.1.3, neither Carnival nor P&O Princess shall declare or otherwise become obligated to pay or make a Distribution in cash unless (i) on the date on which such declaration is made or such obligation is created, the other company has sufficient Distributable Reserves to make an Equivalent Distribution with respect to such Distribution; or (ii) such company agrees to pay, and does pay, to the other company (before such other company pays or makes such Distribution) the minimum amount required by the other company so that it will have sufficient Distributable Reserves to pay or make such an Equivalent Distribution. Notwithstanding compliance with the preceding sentence, if either of Carnival or P&O Princess shall have declared or otherwise become obligated to pay or make an Equivalent Distribution and does not have sufficient Distributable Reserves to pay or make such Equivalent Distribution when due, then the other company shall pay to such company the minimum amount required by such company so that it will have sufficient Distributable Reserves to pay or make such Equivalent Distribution; PROVIDED HOWEVER that if the other company does not have sufficient Distributable Reserves to pay or make in full both the Equivalent Distribution that it declared or became obligated to make and the payment required by this sentence, then (1) such other company shall only pay or make the portion of that Equivalent Distribution (and any related payment that would have been required by this sentence in respect of such portion if it were the entire Equivalent Distribution that it had declared or became obligated to make) that it can make out of its Distributable Reserves; and (2) the first company shall only pay or make the portion of its Equivalent Distribution that it can make out of its Distributable Reserves following receipt of such payment.
- 3.1.3 For the purposes of Clause 3.1.2, the amount a company is required to pay the other company shall be determined after taking into account all Taxes payable by, and all Tax Benefits of, the parties with respect to the payment or receipt of such payment and any such payment may be made on the Equalization Share issued by the paying party if both Boards deem it appropriate.

3.2 Timing of Equalized Distributions

The parties agree that, insofar as is practical, the Boards of P&O

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Princess and Carnival shall:

- (A) in relation to any proposed cash Distribution, agree the amount of the Equivalent Distribution to be made by each company;
- (B) determine to pay or recommend to pay Equivalent Distributions at Board meetings convened as close in time to each other as is practicable;
- (C) announce and pay their Equivalent Distributions simultaneously or as close in time as is practicable;
- (D) ensure that the record dates for receipt of the Equivalent Distributions are on the same date; and
- (E) generally co-ordinate the timing of all other aspects of the payment or making of Equivalent Distributions.

4. Capital Actions

4.1 Equalization Principle

The capital of the DLC Structure is to be deployed and managed in the most effective way for the benefit of the Combined Shareholders. Solely for purposes of construing the provisions of

11

this Clause 4 and the Schedule, and without providing an independent basis for requiring any adjustment to the Carnival Equivalent Number or the Equalization Ratio or other action hereunder, Carnival and P&O Princess further intend to undertake Actions in such a way as will not give rise to a materially different financial effect as between the interests of the holders of Carnival Common Stock and the interests of the holders of P&O Princess Ordinary Shares, unless approved as a Class Rights Action.

4.2 Automatic Adjustment

If any Action by Carnival or P&O Princess is covered by the Schedule, then an automatic adjustment to the Carnival Equivalent Number (and therefore the Equalization Ratio) will occur pursuant to such Schedule unless the Board of the other company, in its sole discretion, undertakes:

- (A) a Matching Action; or
- (B) an alternative to such automatic adjustment, that has been approved as such by a Class Rights Action,

it being understood that the Board of the other company is under no obligation to undertake any such Matching Action or to seek approval as a Class Rights Action of any such alternative.

4.3 Other Actions

If any Action by Carnival or P&O Princess is not covered by the Schedule, then no automatic adjustment to the Carnival Equivalent Number or the Equalization Ratio will occur but the Board of the other company shall have the right (in its sole discretion), but not the obligation

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

(i) to undertake a Matching Action; or (ii) to seek approval of an adjustment to the Carnival Equivalent Number (and therefore the Equalization Ratio) as a Class Rights Action in order to ensure that the proposed Action does not give rise to materially different financial effects as between the interests of the holders of Carnival Common Stock and the interests of holders of P&O Princess Ordinary Shares. In all cases, the Boards of P&O Princess and Carnival will co-operate in deciding what (if any) Actions or Matching Actions to undertake.

4.4 No Adjustment Required

Notwithstanding any other provision of this Clause 4 or the Schedule, no adjustment to the Carnival Equivalent Number or the Equalization Ratio will be required on the following Actions:

(A) grants or issuances by Carnival or P&O Princess of their equity securities, or securities convertible into, or exchangeable or exercisable for, their equity securities ("equity equivalents"), under scrip dividend or dividend reinvestment schemes where the market value of the equity securities or equity equivalents granted or issued (determined in the manner customary for such schemes or plans in the jurisdictions in which they operate) is equal to, or less than, the cash amount of the dividend waived or reinvested;

(B) issuances of equity securities or equity equivalents by either P&O Princess or Carnival pursuant to a share or stock option or purchase or other benefit plan to or on behalf of any one or more of the directors, officers, employees or consultants (in their capacity as such) of such company or any of its Subsidiaries, which plans are either:

(i) in existence prior to the date of this Agreement; or

12

(ii) approved by the relevant Board and as otherwise required by Applicable Regulations;

(C) any issuance of Carnival Common Stock under the Carnival Convertible Instruments;

(D) other issuances by Carnival or P&O Princess of its equity securities or equity equivalents to any person, including for acquisitions, other than by way of rights to the holders of its Shares as a class;

(E) repurchases or buy-backs by Carnival or P&O Princess of its Shares as follows:

(i) in the market in an offer (1) not made by way of rights to the holders of its Shares; or (2) in compliance with Rule 10b-18 (under the US Securities Exchange Act);

(ii) (other than under the preceding sub-clause (i)) at or below market price of such Shares (1) in the case of a repurchase or buy-back at a fixed price, on the Dealing Day immediately preceding the date on which such repurchase or buy-back is announced; or (2) otherwise, on the Dealing Day immediately preceding the date on which such repurchase or buy-back is made;

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

- (iii) any purchase by Carnival of Excess Shares (as defined in the Carnival Articles and By-laws) under Article XIII of the Carnival Articles (or any equivalent amended articles of Carnival's Articles);
 - (iv) any purchase pursuant to the provisions of the Carnival Articles and By-laws or the P&O Princess Memorandum and Articles referred to in Clause 8; and
 - (v) pro rata by way of rights to the Combined Shareholders at the same amount of premium to the market value of the relevant Shares (as adjusted by the Equalization Ratio);
- (F) Matching Actions;
- (G) the issue of an Equalization Share in accordance with Clause 14 by either party;
- (H) any purchase, cancellation or reduction of Disenfranchised P&O Ordinary Shares;
- (I) any purchase, cancellation or reduction of Disenfranchised Carnival Common Stock; and

4.5 Matching Action

For the purposes of this Agreement, a "Matching Action" means, in relation to an Action in respect of the holders of Shares of Carnival or P&O Princess (the "Primary Action"), an Action in respect of the holders of Shares in the other company which the Board of such other company determines (i) has a financial effect on the holders of the Shares of such other company equivalent (but not necessarily identical) to the financial effect of the Primary Action on the holders of Shares of the company undertaking the Primary Action; and (ii) does not materially disadvantage the holders of the Shares of either company. In making the determination referred to in the preceding sentence:

- (A) the Board of such other company shall consider the then existing Equalization Ratio, the timing of the Primary Action and any proposed Matching Action, and any other relevant circumstances;
- (B) in relation to any Action, when calculating any economic return to the holders of P&O Princess Ordinary Shares or Carnival Common Stock, any Tax or Tax Benefit shall be disregarded; and
- (C) the Boards of Carnival and P&O Princess shall have no obligation to take into account any fluctuations in exchange rates or in the market value of any securities or any other changes in circumstances arising after the date on which the Boards of Carnival and P&O Princess, as the case may be, decide to undertake a particular Matching Action.

4.6 Boards' Decisions Final

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

The decision as to whether an Action is a Matching Action shall be a decision solely for the Boards of P&O Princess and Carnival, which may obtain appropriate professional advice in connection with such determination if they, in their sole discretion, consider it to be appropriate. Any such decision made by the Boards of P&O Princess and Carnival in accordance with this Clause 4 shall be final and binding.

Carnival and P&O Princess shall co-operate with each other in the prompt enforcement of the provisions of Articles XIV and XV of the Carnival Articles and Articles 277 to 286 of the P&O Princess Articles of Association to the full extent possible under law.

9. Stock Exchanges

Each of P&O Princess and Carnival will, and so far as it is able will ensure that each of its Subsidiaries will, ensure that it is in a position to comply with obligations imposed on it by all stock exchanges on which either or both of the parties' shares (or other securities or depository receipts representing such shares or securities) are from time to time listed, quoted or traded.

10. Liquidation

10.1 Liquidation Principle

If either or both of Carnival and/or P&O Princess goes into any voluntary or involuntary Liquidation, Carnival and P&O Princess will, subject to Clause 10.2 below, make and receive such payments or take such other actions required to ensure that the holders of Shares (which, for the avoidance of doubt in this Clause 10 do not include the holders of Disenfranchised Shares) of each entity would, had each entity gone into Liquidation on the same date, be entitled to receive a Liquidation Distribution which is equivalent on a per Share basis in accordance with the then existing Equalization Ratio, having regard to the Liquidation Exchange Rate but ignoring any shareholder Tax or Tax Benefit.

10.2 Liquidation Procedure

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

- 10.2.1 To establish the amount payable under Clause 10.1, each of Carnival and P&O Princess will determine the amount of assets (if any) it will have available for distribution in a Liquidation on the date of Liquidation (or notional date of Liquidation) to holders of its Shares after payment of all its debts and other financial obligations, including any tax costs associated with the realisation of any assets on a Liquidation and any payments due on any preference shares (its "Net Assets"). To the extent that the Net Assets of one company would enable it to make a Liquidation Distribution to the holders of its Shares that is greater than the Liquidation Distribution that the other company could pay from its Net Assets to the holders of its Shares, adjusting such comparative Liquidation Distribution in accordance with the then existing Equalization Ratio and having regard to the Liquidation Exchange Rate, but ignoring any shareholder Tax (including any withholding Tax required to be deducted by the company concerned) or Tax Benefit, then, subject to Clause 10.2.2, such company will make a balancing payment (or take any other balancing action described in Clause 10.3 below) in such amount as will ensure that both companies may make equivalent Liquidation Distributions to the holders of their Shares in accordance with the then existing Equalization Ratio and having regard to the Liquidation Exchange Rate, but ignoring any shareholder Tax (including any withholding Tax required to be deducted by the company concerned) or Tax Benefit, PROVIDED ALWAYS THAT no company need make a balancing payment (or take any other action) as described in this Clause 10.2 if it would result in neither the holders of Carnival Common Stock nor the holders of P&O Princess Ordinary Shares being entitled to receive any Liquidation Distribution at all.
- 10.2.2 For purposes of Clause 10.2.1, the amount a company is required to pay the other company shall be determined after taking into account all Taxes payable by, and all Tax credits, losses or deductions of, the parties with respect to the payment or receipt of such payment and any such payment may be made on the Equalization Share issued by the paying party if both Boards deem it appropriate.

10.3 Liquidation Actions

In giving effect to the principle regarding a Liquidation of Carnival and/or P&O Princess described above, Carnival and P&O Princess shall take such action as may be required to give effect to that principle, which may include:

- (A) making a payment (of cash or in specie) to the other company;
- (B) issuing shares (which may include the Equalization Share) to the other party or to holders of Shares of the other party and making a distribution or return on such Shares; or
- (C) taking any other action that the Boards of Carnival and P&O Princess shall both consider appropriate to give effect to that principle.

Any action other than a payment of cash by one company to the other shall require the prior approval of the Boards of both companies.

11. Termination

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Either Carnival or P&O Princess may terminate this Agreement:

(A) on the mutual agreement of both parties (upon approval as a Class Rights Action);

20

(B) if either party becomes a wholly-owned Subsidiary of the other; or

(C) after all Liquidation obligations under Clause 10 have been satisfied.

12. Consequences of Termination

12.1 Non Dual-Listed Group

In any combination of Carnival and P&O Princess into a single non dual-listed group, the consideration to be received by the holders of Shares in the two companies will be calculated by reference to the applicable Equalization Ratio.

12.2 Other Circumstances

12.2.1 In any other circumstances of termination of the DLC Structure, the Boards of Carnival and P&O Princess will use their reasonable endeavours to agree a termination proposal to be put to their shareholders which the Boards consider to be equitable to both the holders of Carnival Common Stock and the holders of P&O Princess Ordinary Shares, at the applicable Equalization Ratio and using an exchange rate agreed by the parties (failing which, such exchange rate to be determined by an independent accounting firm). If the Boards cannot agree on the proposal to be put to their respective holders of Shares, each Board will appoint an independent accounting firm to establish the value of its company as at the proposed date of termination. The two accounting firms will use the same principles of valuation. If the accounting firms fail to agree on each other's valuation of any company, then a third independent accounting firm shall be appointed to finally determine the value of such company or companies. If, subject to Clause 12.2.2, the agreed/determined respective values of each company on a per Share basis (using the agreed or determined exchange rate) are not equivalent in accordance with the Equalization Ratio at the proposed date of termination then a balancing payment, or other balancing action agreed by the companies, will be made by one company to the other as appropriate in such amount as will ensure that such values are equivalent in accordance with such Equalization Ratio.

12.2.2 For purposes of Clause 12.2.1, the amount a company is required to pay the other company shall be determined after taking into account all Taxes payable by, and all Tax credits, losses or deductions of, the parties with respect to the payment or receipt of such payment and any such payment may be made on the Equalization Share issued by the paying party if both Boards deem it appropriate.

13. Personal rights only

13.2 Personal rights

For the avoidance of doubt, the provisions of this Agreement are personal rights only. They do not, and are not intended to, create any proprietary right (including any proprietary right in any member, shareholder or creditor of P&O Princess or Carnival). These undertakings are not assignable, and cannot be subject to a mortgage, charge, pledge, encumbrance or other security interest. These undertakings do not survive any termination of this

21

Agreement. It is fundamental to the agreement of each of P&O Princess and Carnival to give these undertakings that they should be relied on solely by the other, and it is fundamental to the agreement of each of P&O Princess and Carnival to accept these undertakings that they should be performed solely by the other.

14. Issue of Equalization Shares

The parties agree that the Board of P&O Princess and the Board of Carnival may agree to the issue of the P&O Princess Equalization Share to a member of the Carnival Group (against the nominal value of that share) and of the Carnival Equalization Share to a member of the P&O Princess Group (against the nominal value of that share), but that neither Carnival or P&O Princess shall issue its Equalization Share unless the Board of Carnival and the Board of P&O Princess shall have agreed to such issue.

15. Relationship with other documents

In the event of any conflict between this Agreement on the one hand and on the other hand either of the P&O Princess Memorandum and Articles or the Carnival Articles and By-laws, the terms of this Agreement shall prevail and the parties shall use their best endeavours to ensure that any required amendment to the P&O Princess Memorandum and Articles or the Carnival Articles and By-laws, as is appropriate, is proposed at meetings of P&O Princess and/or as the case may be Carnival in order to conform it or them with the provisions of this Agreement.

22

16.5 Applicable Regulations

Each of the obligations of the parties hereto shall be subject to any Applicable Regulations as in force from time to time. To the extent not prohibited by law, the parties will do all things necessary to remedy any situation where Applicable Regulations prevent any party from performing its obligations hereunder.

16.6 Severance

If any of the provisions of this Agreement is or becomes invalid, illegal or unenforceable under any relevant law, the validity, legality or enforceability of the remaining provisions shall not in any way be affected or impaired. Notwithstanding the foregoing, the parties shall thereupon negotiate in good faith in order to agree the terms of a mutually satisfactory provision, achieving as nearly as possible the same commercial effect, to be substituted for the provision found to be invalid, illegal or unenforceable.

16.7 Amendment

Any amendment to or termination of this Agreement shall be made in writing signed by duly authorised representatives of P&O Princess and Carnival. Any amendments to this Agreement which are formal or technical in nature and which are not materially prejudicial to the interests of the shareholders of either party or are necessary to correct any inconsistency or manifest error may be agreed between the Board of P&O Princess and the Board of Carnival. Any other amendment to this Agreement shall, for the avoidance of doubt, require approval by a Class Rights Action.

19. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the Isle of Man.

20. Arbitration

(A) Any and all disputes, controversies or claims arising out of or in connection with this Agreement, any provision hereof, or any alleged breach hereof, and any and all disputes, controversies or claims relating to the validity of this Agreement (all of which are referred to herein as "Disputes"), even though some or all of such Disputes are alleged to be extra-contractual in nature, whether such Disputes sound in contract, tort or otherwise, at law or in equity, whether for damages, specific performance or other relief, shall be finally and exclusively determined by final and binding arbitration in accordance with this Clause 20.

23

(B) The arbitral tribunal (the "Tribunal") shall be composed of three arbitrators, which shall be appointed as follows: each party shall have the right to appoint one arbitrator; the two arbitrators so appointed shall then appoint a third arbitrator who shall serve as the Chairman of the Tribunal. A person or persons, entitled to appoint an arbitrator, shall appoint such arbitrator within ten (10) days of receiving notice from a party of the commencement of an arbitration, failing which such arbitrator shall, at the written request of either party, be appointed by the International Chamber of Commerce. At the initiation of a proceeding and upon the convening of the Tribunal, the arbitrators shall take an oath of neutrality and shall decide the matters presented to them based upon the evidence submitted in the proceeding and without regard to the origin or circumstances of their appointment or selection for service on the Tribunal.

(C) The construction and interpretation of this Clause 20, and all rules of conduct of any arbitration conducted pursuant to this Clause 20 (including procedural and evidentiary matters), shall be determined by the Tribunal. Unless otherwise unanimously agreed by the arbitrators, the venue of the arbitration shall be Miami, Florida, USA.

An award completely disposing of all Disputes (a "Final Award") shall be rendered by the Tribunal as soon as reasonably practicable after the hearing. The Tribunal shall not be required to submit a detailed statement of its reasons, but shall set forth concisely in the Final Award the amounts, actions, contractual responsibilities or other remedial conclusions that the Tribunal determines to be appropriate.

- (E) Each party acknowledges and agrees that in the event either party breaches any of its obligations under this Agreement, the other party would be irreparably harmed and could not be made whole by monetary damages alone. Both parties accordingly agree that the Tribunal shall have the authority to grant any party all appropriate non-monetary relief, including ordering a breaching party to comply fully with its obligations under the Agreement, ordering specific performance or granting temporary or permanent injunctive relief; PROVIDED, HOWEVER, that nothing in this Clause 20 shall be construed to limit the Tribunal in awarding monetary damages, whether as a sole remedy or together with remedies for specific performance and/or injunctive relief.
- (F) Any award made by the Tribunal shall be final and binding upon each party, each of which expressly waives all right to appeal or recourse to any court. The Final Award may be confirmed, and a judgement entered or enforced, in any court of competent jurisdiction in the United States or the United Kingdom.
- (G) The fees and expenses of the arbitrators shall be borne equally by the parties, but the Final Award may include such allocations and awards of the arbitrators' fees and expenses as the Tribunal determines is appropriate.

IN WITNESS whereof this Agreement has been executed on the date first written above.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

$$\frac{K + L \text{ where } L = Q}{\text{-----}} \quad \frac{M}{-}$$
$$K + M \quad P$$

where:

K is the number of Shares of the Relevant Company which rank for the relevant offer;

M is the aggregate number of Shares being offered to the holders of Shares of the Relevant Company;

1.2 Rights issue of other securities

If the Relevant Company shall offer any securities (other than a rights issue of Shares described in paragraph 1.1 of this Schedule) to holders of its Shares as a class by way of rights, or grant to such shareholders as a class by way of rights, any options, warrants or other rights to subscribe for, purchase or sell any securities, Carnival Equivalent Number shall be adjusted by:

(i) dividing the Carnival Equivalent Number by the following fraction where Carnival is the Relevant Company; and

where:

T is the Current Market Price of one Share of the Relevant Company;

U is equal to the number of Shares of the Relevant Company prior to the non cash distribution or repurchase; and

The adjustment to the Carnival Equivalent Number shall become effective immediately following implementation of the non-cash Distribution or repurchase.

1.4 Consolidation or subdivision of shares

If there shall be a change to the number of Shares of the Relevant Company as a result of a consolidation or subdivision of shares, the Carnival Equivalent Number shall be adjusted by:

(i) dividing the Carnival Equivalent Number by the following fraction where Carnival is the Relevant Company; and

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

X is the number of Shares of the Relevant Company outstanding or in issue immediately before such alteration; and

Y is the number of Shares of the Relevant Company outstanding or in issue immediately after such alteration.

The adjustment to the Carnival Equivalent Number shall become effective immediately after the alteration takes effect.

Y is the number of Shares of the Relevant Company outstanding immediately after such issue.

The adjustment to the Carnival Equivalent Number shall become effective from the time the issue of such Shares becomes wholly unconditional.

2. Certification

The auditors for the time being of P&O Princess and Carnival shall jointly certify the arithmetical adjustment to be made to the Carnival Equivalent Number in the circumstances set out in this Schedule where an adjustment is made to such Carnival Equivalent Number and any adjustments so certified shall, in the absence of manifest error, be final and binding on the parties and on all others affected thereby. Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

- (i) if the resolution needs to be passed by a Majority Resolution it shall vote the Carnival Special Voting Share to cast such number of votes representing the largest whole percentage that is less than the percentage of the number of votes as would be necessary to defeat that Majority Resolution if the total votes capable of being cast by the outstanding Carnival Common Stock and other class of shares of Carnival that are entitled to vote pursuant to Applicable Regulations and/or the Carnival Constitution (excluding the Carnival Special Voting Share) were cast in favour of the resolution at the Carnival Parallel Shareholder Meeting; and

-- One percentage point less than the minimum percent needed to defeat the resolution ----- 100 percent -- Minimum percent needed to defeat the resolution --	-- X --	Number of votes enti to be cast (excludin Carnival Special Votin
---	---	--

Accordingly, for a Majority Resolution, 50 percent is the minimum percent needed to defeat the resolution, and the figure in brackets would be 98 percent. In the event that a Supermajority Resolution is required to carry in excess of 75 percent of the votes cast, then 25 percent would be the minimum percent needed to defeat the resolution, and the figure in brackets would be 32 percent.

- (b) The P&O Princess Trustee agrees with Carnival and P&O Princess that where it has been notified by Carnival in accordance with clause 3.1 that a Class Rights Action has (pursuant to the Carnival Constitution and/or Applicable Regulations) not been approved by the requisite majority of votes at a Carnival meeting of shareholders then it will exercise the voting rights attached to the P&O Princess Special Voting Share in accordance with the certificate delivered under clause 3.1, which certificate shall state the number of votes attaching to the P&O Princess Special Voting Share as set forth below:

By way of further explanation, expressed as a formula, the P&O Princess Special Voting Share shall be entitled to cast the following number of votes:

--	--	
One percentage point less than the minimum percent needed to defeat the resolution -----		
100 percent -- Minimum percent needed to defeat the resolution	X	Number of votes enti to be cast (excludin Carnival Special Votin
--	--	

Accordingly, for an ordinary resolution, 50 percent is the minimum percent needed to defeat the resolution, and the figure in brackets would be 98 percent. In the event that a Special Resolution is required to carry 75 percent of the votes cast, then 25.01 (rounded

down to the nearest hundredth) percent would be the minimum percent needed to defeat the resolution, and the figure in brackets would be approximately 32 percent.

(i) if the Equivalent Resolution is approved by the requisite majority (as determined in accordance with the P&O Princess Articles and Applicable Regulations) of the holders of P&O Princess Ordinary Shares and Other Voting Shares of P&O Princess at the Parallel Shareholder Meeting of P&O Princess, then the Carnival Special Voting Share shall carry no votes; and

(ii) if the Equivalent Resolution is not approved by the requisite majority (as determined in accordance with the P&O Princess Articles and Applicable Regulations) of the holders of P&O Princess Ordinary Shares and Other Voting Shares of P&O Princess at the Parallel Shareholder Meeting of P&O Princess, and (x) if the resolution needs to be passed by a Majority Resolution, then the Carnival Special Voting Share shall be entitled to cast such number of votes, representing the largest whole percentage that is less than the percentage of the number of votes as would be necessary to defeat

a Majority Resolution if the total votes capable of being cast by the outstanding Carnival Common Stock and Other Voting Shares entitled to vote pursuant to Applicable Regulations and/or the Carnival Articles and By-Laws (excluding the Carnival Special Voting Share) were cast in favour of the resolution at the meeting of the Corporation's shareholders, and all such votes shall be cast against approval of such resolution; or (y) if the resolution needs to be passed by a Supermajority Resolution, then the Carnival Special Voting Share shall be entitled to cast such number of votes, representing the largest whole percentage that is less than the percentage of the number of votes as would be necessary to defeat a Supermajority Resolution if the total votes capable of being cast by the outstanding

Carnival Common Stock and Other Voting Shares of Carnival that are entitled to vote pursuant to Applicable Regulations and/or the Carnival Articles and By-Laws (excluding the Carnival Special Voting Share) were cast in favour of the resolution at the meeting, and all such votes shall be cast against approval of such resolution.

By way of further explanation, expressed as a formula, the Carnival Special Voting Share shall be entitled to cast the following number of votes:

--	--	
One percentage point less than the minimum percent needed to defeat the resolution -----		
100% percent -- Minimum percent needed to defeat the resolution	X	Number of votes enti to be cast (excludin Carnival Special Votin
--	--	

Accordingly, for a Majority Resolution, 50 percent is the minimum percent needed to defeat the resolution, and the figure in brackets would be 98 percent. In the event that a Super Majority Resolution is required to carry in excess of 75 percent of the votes cast, then 25 percent would be the minimum percent needed to defeat the resolution, and the figure in brackets would be 32 percent.

(C) Except as set forth above, the Carnival Special Voting Share shall not be entitled to vote on any matter submitted to the shareholders of the Corporation.

(3) The rights and obligations attaching to the Carnival Special Voting Share may be amended or modified only by a resolution approved as a Class Rights Action; provided that where the proposed amendment or modification increases the obligations of the holder of the Carnival Special Voting Share, such amendment or modification shall also require the consent of the holder of the Carnival Special Voting Share.

(4) Notwithstanding anything to the contrary in these Articles of Incorporation, the By-Laws or any other agreement, under no circumstances shall the Carnival Special Voting Share be entitled to any rights upon liquidation and distribution of assets of the Corporation or rights with

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

respect to dividends or other Distributions by the Corporation to its shareholders.

(d) The Equalization Share. The Equalization Share shall:

(1) have no rights to receive notice of, attend or vote at any meeting of the Corporation;

(2) have rights to dividends as declared and paid by the Board in accordance with Article XVI; and

(3) in the event of a voluntary or involuntary Liquidation, rank after all other holders of shares with respect to a Liquidation Distribution paid in accordance with Article XVII.

(e) Disenfranchised Carnival Common Stock. All shares in the capital of Carnival carrying liquidation rights and/or voting rights acquired by any member of the P&O Princess Group shall automatically be converted on the first day that such shares are beneficially owned by a member of the P&O Princess Group into disenfranchised shares ("Disenfranchised Carnival Common Stock") which will rank pari passu with all of the shares of the same class except that such shares shall not have any rights:

(1) to attend or vote at any general meeting or class meeting of the Corporation, unless, as to any such shares, at the relevant date the P&O Princess Group, beneficially owns 90 per cent. or more of the outstanding shares of such class (whether or not for the purpose of such calculation any shares of such class are Disenfranchised Carnival Common Stock); or

(2) to receive any distributions upon Liquidation.

Following the Transfer of any Disenfranchised Carnival Common Stock from a member of the P&O Princess Group to a person who is not a member of the Combined Group, such Disenfranchised Carnival Common Stock shall automatically be converted on the day that such shares are registered in the register of members of the Corporation into shares of the same class having liquidation rights and/or voting rights.

(c) The Board of Directors are authorized to operate and carry into effect the Equalization Agreement, the SVE Special Voting Deed and the Carnival Deed of Guarantee. In particular, the directors shall, in addition to their duties to the Corporation, be entitled to have regard to interests of the holders of the Carnival Common Stock and P&O Princess Ordinary Shares as if the Corporation and P&O Princess were a single entity.

(d) At all meetings of the Board of Directors the presence, in person or by proxy, of at least one-third of the total number of directors shall constitute a quorum for the transaction of business except as may be otherwise specifically provided by Applicable Regulations, the Articles of Incorporation or By-Laws. In the case of ambiguity in the application of any of the provisions of Articles XII, XIII, XIV and XV, the Board of Directors shall, in its absolute discretion, have the power to determine the application of such provisions with respect to any situation based on the facts known to them, including, without limitation, any rulings, regulations or waivers under, or amendments to, any Applicable Regulations or that affect provisions of the City Code that are analogous to Articles XIV and XV. All such actions, calculations, interpretations and determinations which are done or made by the Board of Directors in good faith shall be final, conclusive and binding on the Corporation and all other parties. More than one office may be held by the same person. The Board of Directors may from time to time choose such other officers and agents as are necessary, who shall hold their offices for such terms as are determined by the Board of Directors. Any officer or agent chosen by the Board of Directors may be removed at any time with or without cause by the affirmative vote of a majority of the members of the Board of Directors then in office. ARTICLE X Amendments to Articles of Incorporation and By-Laws

(a) Subject to subsections (b) and (c) of this Article X, any amendment to these Articles of Incorporation shall require approval as a Joint Electorate Action; provided that no amendment to these Articles of Incorporation may be effected unless a majority of all votes entitled to be cast with respect thereto (including votes entitled to be cast by the Carnival Special Voting Share) have been voted in favor of such amendment at a meeting of the shareholders of the Corporation.

(c) Notwithstanding the foregoing, any amendment of these Articles of Incorporation (1) to specify or change the location of the office or registered agent of the Corporation, or (2) to make, revoke or change the designation of a registered agent, or to specify or change the registered agent, may be approved and effected by the Board of Directors without the approval of the shareholders of the Corporation or the shareholders of P&O Princess.

(d) Any amendment to or repeal of the Carnival Entrenched By-Laws shall require approval as a Class Rights Action.

(e) Any amendment to or repeal of any By-Law of the Corporation other than any of the Carnival Entrenched By-Laws may be approved and effected by the Board of Directors without the approval of the shareholders of the Corporation or the shareholders of P&O Princess regardless of whether such By-Law has been previously approved by the shareholders of the Corporation.

(f) Notwithstanding the provisions of this Article X, upon completion of a Mandatory Exchange, the Articles of Incorporation and the By-Laws shall be automatically amended without any further action of the Corporation or the shareholders of the Corporation as set forth in Appendices I and II hereto, respectively.

ARTICLE XI Indemnification

(a) (1) Each person (and the heirs, executors or administrators of such person) who was or is a party to or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person is or was a director or an officer of the Corporation or P&O Princess or is or was serving at the request of the Corporation or P&O Princess as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, shall be indemnified and held harmless by the Corporation against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding to the fullest extent and in the manner set forth in and permitted by the Corporation Law, and any other applicable law, as from time to time in effect. The foregoing provisions of this Article XI shall be deemed to be a contract between the Corporation and each director and officer who serves in such capacity at any time while this Article XI and the relevant provisions of the Corporation Law and other applicable law, if any, are in effect.

(2) The Corporation may, by action of the Board of Directors, provide indemnification to such of the employees and agents of the Corporation, P&O Princess or any person who is or was serving at the request of the Corporation or P&O Princess as an employee or agent of another

corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding to such extent and to such effect as the Board of Directors shall determine to be appropriate and permitted by the Corporation Law, and any other applicable law, as from time to time in effect.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

(b) The Corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation or P&O Princess, or is or was serving at the request of the Corporation or P&O Princess as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss incurred by such person in any such capacity or arising out of his status as such, whether or not the Corporation would have the power to indemnify him against such liability under the provisions of this Article XI or under the Corporation Law or any other provision of law.

(c) The rights and authority conferred in this Article XI shall not be exclusive of any other right which any person may otherwise have or hereafter acquire.

(d) Neither the amendment nor repeal of this Article XI nor the adoption or any provision of the Articles of Incorporation or the By-Laws of the Corporation, nor, to the fullest extent permitted by the Corporation Law and any other applicable law, any modification or repeal of law, shall affect any rights or obligations then existing with respect to any state of facts then or theretofore existing or any action, suit or proceeding theretofore or thereafter brought or threatened based in whole or in part upon any such state of facts.

(e) The indemnification and advancement of expenses provided by, or granted pursuant to, this Article XI shall, unless otherwise provided when authorized or ratified under subsection (a)(2) hereof, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

(f) A member of the Board of Directors, or a member of any committee designated by the Board of Directors, shall, in the performance of his duties, be fully protected in relying in good faith upon the records of the Corporation or P&O Princess and upon such information, opinions, reports or statements presented to the Corporation by any of the Corporation's or P&O Princess' officers or employees, or committees of the Board of Directors, or by any other person as to matters the member reasonably believes are within such other person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Corporation. In discharging their duties, directors and officers, when acting in good faith, may rely upon financial statements of the Corporation or P&O Princess represented to them to be correct by the chief financial officer or the controller or other officer of the Corporation or P&O Princess having charge of its books or accounts, or stated in a written report by an independent public or certified public account or firm of such accountants fairly to reflect the financial condition of the Corporation or P&O Princess.

ARTICLE XII Restrictions on Transfer

(a) Restriction of Transfers and Other Events. Except as provided in section (g) hereof, from the Section 883 Amendment Date until the Restriction Termination Date: (1) no Person (other than an Existing Holder) shall Beneficially Own Shares in excess of the Ownership Limit; (2) any Transfer that, if effective, would result in any Person (other than an Existing Holder) Beneficially Owning Shares in excess of the Ownership Limit shall be void ab initio as to the Transfer of that number of Shares which would be otherwise Beneficially Owned by such Person in excess of the Ownership Limit and the intended transferee shall acquire no rights in such Shares in excess of the Ownership Limit; and (3) any Transfer of Shares that, if effective, would result in the Corporation being "closely held" within the

meaning of Section 883 of the Code and the regulations promulgated thereunder shall be void ab initio as to the Transfer of that number of Shares which would cause the Corporation to be "closely held" within the meaning of Section 883 of the Code and the regulations promulgated thereunder and the intended transferee shall acquire no rights in such Shares.

(b) Excess Shares.

(1) If, notwithstanding the other provisions contained in these Articles of Incorporation, at any time from the Section 883 Amendment Date until the Restriction Termination Date, there is a purported Transfer or other event such that any Person (other than an Existing Holder) would Beneficially Own Shares in excess of the Ownership Limit, then, except as otherwise provided in section (g) hereof, such Shares which would be in excess of the Ownership Limit (rounded up to the nearest whole share), shall automatically be designated as Excess Shares (without reclassification), as further described in subsection (b)(2) hereof. The designation of such Shares as Excess Shares shall be effective as of the close of business on the business day prior to the date of the Transfer or other event. If, after designation of such Shares owned directly by a Person as Excess Shares, such Person still owns Shares in excess of the applicable Ownership Limit, Shares Beneficially Owned by such Person constructively in excess of the Ownership Limit shall be designated as Excess Shares until such Person does not own Shares in excess of the applicable Ownership Limit. Where such Person owns Shares constructively through one or more Persons and the Shares held by such other Persons must be designated as Excess Shares, the designation of Shares held by such other Persons as Excess Shares shall be pro rata.

(2) If, notwithstanding the other provisions contained in these Articles of Incorporation, at any time from the Section 883 Amendment Date until the Restriction Termination Date, there is a purported Transfer which, if effective, would cause the Corporation to become "closely held" within the meaning of Section 883 of the Code and regulations promulgated thereunder, then, except as otherwise provided in section (g) hereof, the Shares being Transferred and which would cause, when taken together with all other Shares, the Corporation to be "closely held" within the meaning of Section 883 of the Code and the regulations promulgated thereunder (rounded up to the nearest whole share) shall automatically be designated as Excess Shares (without reclassification). The designation of such Shares as Excess Shares shall be effective as of the close of business on the business day prior to the date of the Transfer. If, after designation of such Shares owned directly by a Person as Excess Shares, such Person still owns Shares in excess of the applicable Ownership Limit, Shares Beneficially Owned by such Person constructively in excess of the Ownership Limit shall be designated as Excess Shares until such Person does not own Shares in excess of the applicable Ownership Limit. Where such Person owns Shares constructively through one or more Persons and the Shares held by such other Persons must be designated as Excess Shares, the designation of Shares held by such other Persons as Excess Shares shall be pro rata.

(c) Remedies for Breach. If the Board of Directors or their designees shall at any time determine in good faith that a purported Transfer or other event has taken place in violation of section (a) hereof or that a Person intends to acquire or has attempted to acquire Beneficial Ownership of any Shares in violation of section (a) hereof, the Board of Directors or their designees may take such action as they deem advisable to refuse to give effect to or to prevent such Transfer or other event, including, but not limited to,

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

refusing to give effect to such Transfer or other event on the books of the Corporation or instituting proceedings to enjoin such Transfer or other event or transaction; provided, however, that any Transfers or attempted Transfers (or, in the case of events other than a Transfer, Beneficial Ownership) in violation of section (a) hereof shall be void ab initio and automatically result in the designation and treatment described in section (b) hereof, irrespective of any action (or non-action) by the Board of Directors or their designees.

(d) Notice of Restricted Transfer. Any Person who acquires or attempts to acquire Shares in violation of section (a) hereof, or any Person who is a purported transferee such that Excess Shares

11

result under section (b) hereof, shall immediately give written notice to the Corporation of such Transfer, attempted Transfer or other event and shall provide to the Corporation such other information as the Corporation may request in order to determine the effect, if any, of such Transfer or attempted Transfer or other event on the Corporation's status as qualifying for exemption from taxation on gross income from the international operation of a ship or ships within the meaning of Section 883 of the Code.

(e) Exclusion. The restrictions set forth in section (a) shall not apply to any Shares with respect to which such restrictions are prohibited pursuant to applicable provisions of the corporation laws of the Republic of Panama.

(f) Remedies Not Limited. Subject to section (j) hereof, nothing contained in these Articles of Incorporation shall limit the authority of the Board of Directors to take such other action as they deem necessary or advisable to protect the interests of the Corporation's shareholders by preservation of the Corporation's status as exempt from taxation on gross income from the international operation of a ship or ships within the meaning of Section 883 of the Code and to ensure compliance with the Ownership Limit.

(g) Exception. The Board of Directors upon receipt of a ruling from the Internal Revenue Service or an opinion of tax counsel, satisfactory to them in their sole and absolute discretion, in each case to the effect that the Corporation's status as exempt from taxation on gross income from the international operation of a ship or ships within the meaning of Section 883 of the Code will not be jeopardized or worsened, may exempt a Person (or may generally exempt any class of Persons) or any class of Shares from the Ownership Limit if the Board of Directors, in its sole discretion, ascertains that such Person's (or Persons') Beneficial Ownership of Shares or the Beneficial Ownership of such class of Shares will not jeopardize or worsen the Corporation's status as exempt from taxation on gross income from the international operation of a ship or ships within the meaning of Section 883 of the Code. The Board of Directors may require representations and undertakings from such Person or Persons as are necessary to make such determination.

(h) Legend. After the Section 883 Amendment Date, and prior to the Restriction Termination Date, each certificate for the Shares shall bear the following legend:

The Shares represented by this certificate are subject to restrictions on transfer. Unless excepted by the Board of Directors or exempted by the terms of the Articles of Incorporation of Carnival Corporation, no Person may (1) Beneficially Own Shares in excess of 4.9% of the outstanding Shares, by value, vote or number, determined as provided in the Articles of Incorporation of Carnival Corporation, and computed with regard to all

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

outstanding Shares and, to the extent provided by the Code, all Shares issuable under existing options and exchange rights that have not been exercised; or (2) Beneficially Own Shares which would result in the Corporation being "closely held." Unless so excepted, any acquisition of Shares and continued holding of ownership constitutes a continuous representation of compliance with the above limitations, and any Person who attempts to Beneficially Own Shares in excess of the above limitations has an affirmative obligation to notify the Corporation immediately upon such attempt. If the restrictions on transfer are violated, the transfer will be void ab initio and the Shares represented hereby will be designated and treated as Excess Shares that will be held in trust. Excess Shares may not be transferred at a profit and may be purchased by the Corporation. In addition, certain Beneficial Owners must give written notice as to certain information on demand and on exceeding certain ownership levels. All terms not defined in this legend have the meanings provided in the Articles of Incorporation of Carnival Corporation. The Corporation will mail without charge to any requesting shareholder a copy of the Articles of Incorporation, including the express terms of each class and series of the authorized Shares of the Corporation, within five (5) days after receipt by the Secretary of the Corporation of a written request therefor.

12

(i) Severability. If any provision of Article XII or XIII or any application of any such provision is determined to be invalid by any Panamanian court or United States federal or state court having jurisdiction over the issues, the validity of the remaining provisions shall not be affected, and other applications of such provision shall be affected only to the extent necessary to comply with the determination of such court.

(j) New York Stock Exchange Transactions. Nothing in these Articles of Incorporation shall preclude the settlement of any transaction entered into through the facilities of the New York Stock Exchange. The fact that the settlement of any transaction occurs shall not negate the effect of any other provision of these Articles of Incorporation and any transferee in such a transaction shall be subject to all the provisions and limitations set forth in these Articles of Incorporation.

(k) Owners Required to Provide Information. After the Amendment Date and prior to the Restriction Termination Date: (1) Every Beneficial Owner of three percent (3%) or more, by vote, value or number, or such lower percentages as required pursuant to regulations under the Code, of the outstanding Shares shall promptly after becoming such a three percent (3%) Beneficial Owner, give written notice to the Corporation stating the name and address of such Beneficial Owner, the general ownership structure of such Beneficial Owner, the number of shares of each class of Shares Beneficially Owned, and a description of how such Shares are held. (2) Each Person who is a Beneficial Owner of Shares and each Person (including the shareholder of record) who is holding Shares for a Beneficial Owner shall provide on demand to the Corporation such information as the Corporation may request from time to time in order to determine the Corporation's status as exempt from taxation on gross income from the international operation of a ship or ships within the meaning of Section 883 of the Code and to ensure compliance with the Ownership Limit.

ARTICLE XIII Excess Shares

(a) Ownership in Trust. Upon any purported Transfer or other event that results in Excess Shares pursuant to section (b) of Article XII hereof, such Excess Shares shall be deemed to have been transferred to the Excess Share

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Trustee, as trustee of the Excess Share Trust, for the benefit of the Charitable Beneficiary effective as of the close of business on the business day prior to the date of the Transfer or other event. Excess Shares so held in trust shall be issued and outstanding shares of the Corporation. The Purported Record Transferee or Purported Record Holder shall have no rights in such Excess Shares. The Purported Beneficial Transferee or Purported Beneficial Holder shall have no rights in such Excess Shares except as provided in section (c) or (e) of Article XIII. The Excess Share Trustee may resign at any time so long as the Corporation shall have appointed a successor trustee. The Excess Share Trustee shall, from time to time, designate one or more charitable organization or organizations as the Charitable Beneficiary.

(b) Dividend Rights. Excess Shares shall be entitled to the same dividends determined as if the designation of Excess Shares had not occurred. Any dividend or distribution paid prior to the discovery by the Corporation that the Shares have been designated as Excess Shares shall be repaid to the Excess Share Trust upon demand. Any dividend or distribution declared but unpaid shall be paid to the Excess Share Trust. All dividends received or other income earned by the Excess Share Trust shall be paid over to the Charitable Beneficiary.

(c) Rights Upon Liquidation. Upon liquidation, dissolution or winding up of the Corporation, the Purported Beneficial Transferee or Purported Beneficial Holder shall receive, for each Excess Share, the lesser of (1) the amount per share of any distribution made upon liquidation, dissolution or winding up or (2) (x) in the case of Excess Shares resulting from a purported Transfer, the price per share of the Shares in the transaction that created such Excess Shares (or, in the case of the devise, gift or other similar event, the Market Price of such Shares on the date of such devise, gift or other similar

13

event) or (y) in the case of Excess Shares resulting from an event other than a purported Transfer, the Market Price of the Shares on the date of such event. Any amounts received in excess of such amount shall be paid to the Charitable Beneficiary.

(d) Voting Rights. The Excess Share Trustee shall be entitled to vote the Excess Shares on behalf of the Charitable Beneficiary on any matter. Subject to Panamanian law, any vote cast by a Purported Record Transferee with respect to the Excess Shares prior to the discovery by the Corporation that the Excess Shares were held in trust will be rescinded ab initio; provided, however, that if the Corporation has already taken irreversible action with respect to a merger, reorganization, sale of all or substantially all the assets, dissolution of the Corporation or other action by the Corporation, then the vote cast by the Purported Record Transferee shall not be rescinded. The purported owner of the Excess Shares will be deemed to have given an irrevocable proxy to the Excess Share Trustee to vote the Excess Shares for the benefit of the Charitable Beneficiary.

Notwithstanding the provisions of these Articles of Incorporation, until the Corporation has received notification that Excess Shares have been transferred into an Excess Share Trust, the Corporation shall be entitled to rely on its share transfer and other shareholder records for purposes of preparing lists of shareholders entitled to vote at meetings, determining the validity and authority of proxies and otherwise conducting votes of shareholders.

(e) Restrictions on Transfer; Designation of Excess Share Trust Beneficiary. Excess Shares shall be transferable only as provided in this section (e) of Article XIII. At the direction of the Board of Directors, the

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Excess Share Trustee shall transfer the Excess Shares held in the Excess Share Trust to a Person or Persons (including, without limitation, the Corporation under section (f) below) whose ownership of such Shares shall not violate the Ownership Limit or otherwise cause the Corporation to become "closely held" within the meaning of Section 883 of the Code within 180 days after the later of (i) the date of the Transfer or other event which resulted in Excess Shares and (ii) the date the Board of Directors determines in good faith that a Transfer or other event resulting in Excess Shares has occurred, if the Corporation does not receive a notice of such Transfer or other event pursuant to section (d) hereof. If such a transfer is made, the interest of the Charitable Beneficiary shall terminate, the designation of such Shares as Excess Shares shall thereupon cease and a payment shall be made to the Purported Beneficial Transferee, Purported Beneficial Holder and/or the Charitable Trustee as described below. If the Excess Shares resulted from a purported Transfer, the Purported Beneficial Transferee shall receive a payment from the Excess Share Trustee that reflects a price per share for such Excess Shares equal to the lesser of (A) the price per share received by the Excess Share Trustee and (B) (x) the price per share such Purported Beneficial Transferee paid for the Shares in the purported Transfer that resulted in the Excess Shares, or (y) if the Purported Beneficial Transferee did not give value for such Excess Shares (through a gift, devise or other similar event) a price per share equal to the Market Price of the Shares on the date of the purported Transfer that resulted in the Excess Shares. If the Excess Shares resulted from an event other than a purported Transfer, the Purported Beneficial Holder shall receive a payment from the Excess Share Trustee that reflects a price per share of Excess Shares equal to the lesser of (A) the price per share received by the Excess Share Trustee and (B) the Market Price of the Shares on the date of the event that resulted in Excess Shares. Prior to any transfer of any interest in the Excess Share Trust, the Corporation must have waived in writing its purchase rights, if any, under section (f) below. Any funds received by the Excess Share Trustee in excess of the funds payable to the Purported Beneficial Holder or the Purported Beneficial Transferee shall be paid to the Charitable Beneficiary. The Corporation shall pay the costs and expenses of the Excess Share Trustee.

Notwithstanding the foregoing, if the provisions of this section (e) are determined to be void or invalid by virtue of any legal decision, statute, rule or regulation, then the Purported Beneficial Transferee or Purported Beneficial Holder of any shares of Excess Shares may be deemed, at the option of the Corporation, to have acted as an agent on behalf of the Corporation in acquiring or holding such Excess Shares and to hold such Excess Shares on behalf of the Corporation.

14

(f) Purchase Right in Excess Shares. Excess Shares shall be deemed to have been offered for sale by the Excess Share Trustee to the Corporation, or its designee, at a price per Excess Share equal to (i) in the case of Excess Shares resulting from a purported Transfer, the lesser of (A) the price per share of the Shares in the transaction that created such Excess Shares (or, in the case of devise, gift or other similar event, the Market Price of the Shares on the date of such devise, gift or other similar event), or (B) the lowest Market Price of the class of Shares which resulted in the Excess Shares at any time after the date such Shares were designated as Excess Shares and prior to the date the Corporation, or its designee, accepts such offer or (ii) in the case of Excess Shares resulting from an event other than a purported Transfer, the lesser of (A) the Market Price of the Shares on the date of such event or (B) the lowest Market Price for Shares which resulted in the Excess Shares at any time from the date of the event resulting in such Excess Shares and prior to the date the Corporation, or its designee, accepts such offer. The Corporation

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

shall have the right to accept such offer for a period of ninety (90) days after the later of (i) the date of the Transfer or other event which resulted in such Excess Shares and (ii) the date the Board of Directors determines in good faith that a Transfer or other event resulting in Excess Shares has occurred, if the Corporation does not receive a notice of such Transfer or other event pursuant to section (d) hereof.

(g) Underwritten Offerings. The Ownership Limit shall not apply to the acquisition of Shares or rights, options or warrants for, or securities convertible into, Shares by an underwriter in a public offering or placement agent in a private offering, provided that the underwriter makes a timely distribution of such Shares or rights, options or warrants for, or securities convertible into, Shares.

ARTICLE XIV Combined Group Ownership Restrictions

(a) Triggering Acquisition. From the Amendment Date: Subject to section (b) below, if any person (an "Acquiring Person") acquires additional Ordinary Shares or voting control over additional Ordinary Shares and, after giving effect to such acquisition (or, if the Corporation is subject to the City Code, acquires Ordinary Shares or voting control over Ordinary Shares) such Acquiring Person, whether solely or together with any person or persons Acting in Concert with such Acquiring Person, holds or exercises voting control over Ordinary Shares which equal or are in excess of the Combined Group City Code Limit (such acquisition of Ordinary Shares or voting control over Ordinary Shares, a "Triggering Acquisition"), then all (x) Ordinary Shares held by the Acquiring Person or over which the Acquiring Person exercises voting control, and (y) Ordinary Shares held by any party or parties Acting in Concert with such Acquiring Person or over which any party or parties Acting in Concert with such Acquiring Person exercise(s) voting control (the "Acquiring Person Attributable Shares") shall automatically be designated as "Combined Group Restricted Shares" for the purposes of Articles XIV and XV. A Triggering Acquisition can occur more than once, and the provisions set forth in Articles XIV and XV shall apply to every separate Triggering Acquisition or series of Triggering Acquisitions.

(b) Qualifying Takeover Offer. Notwithstanding the provisions of section (a) above, if:

(1) prior to or simultaneously with a Triggering Acquisition, such Acquiring Person has made a Qualifying Takeover Offer (and, in the event that the Qualifying Takeover Offer was made prior to the Triggering Acquisition, such Qualifying Takeover Offer has not been withdrawn, abandoned or terminated prior to or simultaneously with the Triggering Acquisition), or

(2) the circumstances described in clause (1) have not occurred, and such Acquiring Person (x) within 10 days after the date on which the applicable Triggering Acquisition occurs, makes a binding public announcement to commence a Qualifying Takeover Offer, and (y) within 28 days after making the public announcement referred to in the preceding clause (x), commences a Qualifying Takeover Offer,

15

then the Acquiring Person Attributable Shares shall not be designated Combined Group Restricted Shares for the purposes of Articles XIV and XV hereof until the earliest to occur (if at all) of (i) a withdrawal, abandonment or termination of such Qualifying Takeover Offer other than in

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

accordance with its terms, or (ii) any amendment, modification or supplement to the terms of either offer comprising the Qualifying Takeover Offer such that, as amended, modified or supplemented, the offers would not constitute a Qualifying Takeover Offer; provided, that immediately upon the earliest to occur of the events described in clause (i) or (ii), such Acquiring Person Attributable Shares shall be automatically designated as Combined Group Restricted Shares.

(c) Determination of Combined Group Excess Shares. In the event that any Ordinary Shares are designated Combined Group Restricted Shares pursuant to section (a) or (b):

(1) If the Combined Group Restricted Shares (A) consist entirely of Carnival Common Stock, and (B) are held by or subject to the voting control of a single person, then all Carnival Common Stock held by such person or over which such person exercises voting control which cause the Combined Group City Code Limit to be equaled or exceeded, shall automatically be designated as Combined Group Excess Shares for the purposes of Article XV.

(2) If the Combined Group Restricted Shares (A) consist of both Carnival Common Stock and P&O Princess Ordinary Shares, and (B) are held by or subject to the voting control of a single person, then:

(A) if, after giving effect to the Equalization Ratio, (x) the number of votes represented by such Carnival Common Stock that could be cast with respect to a Joint Electorate Action exceeds (y) the number of votes represented by such P&O Princess Ordinary Shares that could be cast with respect to a Joint Electorate Action, then all Carnival Common Stock held by such person or over which such person exercises voting control which cause the Combined Group City Code Limit to be equaled or exceeded shall automatically be designated as Combined Group Excess Shares for the purposes of Article XV; and

(B) if, after giving effect to the Equalization Ratio, (x) the number of votes represented by such Carnival Common Stock that could be cast with respect to a Joint Electorate Action is less than or equal to (y) the number of votes represented by such P&O Princess Ordinary Shares that could be cast with respect to a Joint Electorate Action, such Carnival Common Stock shall be automatically be designated as Combined Group Excess Shares for the purposes of Article XV only to the extent that such Carnival Common Stock would give such person ownership or voting control equal to or in excess of the Combined Group City Code Limit, as if determined without regard to any P&O Princess Ordinary Shares held or subject to the voting control of such person.

(3) If the Combined Group Restricted Shares are held by or subject to the voting control of two or more persons Acting in Concert, where:

(A) all or a part of such Combined Group Restricted Shares would all have been designated as Combined Group Excess Shares pursuant to subsection (c)(1) hereof had they been held by or subject to the voting control of a single person; or

(B) all or a part of such Combined Group Restricted Shares would have been designated as Combined Group Excess Shares pursuant to subsection (c)(2) hereof had they been held by or subject to the voting control of a single person,

then such automatic designation as Combined Group Excess Shares for the purposes of Article XV shall be made with respect to the same number of Carnival Common Stock held by or subject to the voting control of such persons Acting in Concert as if they had been held by or subject to the

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

voting control of a single person, such designation to be made on a pro rata basis based on the number of Carnival Common Stock each such person holds or over which each such person exercises voting control.

16

(d) Notice.

(1) Any person whose acquisition of Ordinary Shares or voting control over Ordinary Shares would or does result in any Ordinary Shares being constituted as Combined Group Restricted Shares pursuant to section (a) or (b) hereof shall immediately give written notice to the Corporation of such event and shall provide to the Corporation such other information as the Corporation may request in order to determine (i) whether any acquisition of Ordinary Shares or voting control over Ordinary Shares has resulted or could result in any Ordinary Shares being designated as Combined Group Restricted Shares under this Article XIV, and/or (ii) to what extent any Combined Group Restricted Shares should be designated as Combined Group Excess Shares pursuant to section (c) hereof.

(2) The Corporation will, as soon as practicable after the Board of Directors has knowledge thereof, notify in writing any Person who holds any Combined Group Restricted Shares; provided that failure by the Corporation to give any such notification shall in no way invalidate any of the provisions of Article XIV and XV. Upon receipt of such notice from the Corporation, such Person shall immediately provide to the Corporation such information described in subsection (d)(1) hereof as the Corporation shall request.

(e) Exclusion. The restrictions set forth in Article XIV shall not apply to:

(1) any Carnival Common Stock to the extent that such restrictions are prohibited pursuant to Applicable Regulations.

(2) any acquisition of Ordinary Shares or voting control over Ordinary Shares by any member of the Arison Group if, as a result, the aggregate of the voting rights of the P&O Princess Ordinary Shares and of the Carnival Common Stock held by the Arison Group and of the P&O Princess Ordinary Shares and of the Carnival Common Stock over which the Arison Group, after giving effect to the Equalization Ratio, exercises voting control does not thereby (i) increase by one per cent. or more in any period of twelve consecutive months and (ii) after giving effect to the Equalization Ratio, equal or exceed forty per cent. of the aggregate voting rights attached to the whole of the issued P&O Princess Ordinary Shares and the outstanding Carnival Common Stock. For the avoidance of doubt, (x) a shareholder shall not be deemed to have acquired Ordinary Shares or voting control over Ordinary Shares if solely as a result of a share buyback, cancellation or reduction of share capital, disenfranchisement of voting rights or any other procedure which has the effect of reducing the share capital or the voting share capital of the Corporation or of P&O Princess the percentage holding of such person is increased; and (y) the transfer of Ordinary Shares or voting control over Ordinary Shares among members of the Arison Group shall not be deemed to be a Triggering Acquisition.

(3) any acquisition pursuant to a Mandatory Exchange.

(4) any acquisition by the Corporation or any of its Subsidiaries from time to time of any Ordinary Shares.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

(5) any acquisition by any member of the P&O Princess Group of any Ordinary Shares.

(f) Legend. After the Amendment Date, each certificate for Carnival Common Stock shall bear the following legend:

The shares represented by this certificate are subject to certain restrictions on ownership of shares of Carnival Corporation and P&O Princess Cruises plc. Under the terms of the Articles of Incorporation of the Corporation, if any person acquires Carnival Common Stock and/or P&O Princess Ordinary Shares or voting control over such shares, and after giving effect to such acquisition, such person, together with any person or persons Acting in Concert with such acquiring person, holds or exercises voting control over Carnival Common Stock and/or P&O

17

Princess Ordinary Shares which is equal to or in excess of such number of shares which, in aggregate, represent the right to cast 30% or more of the votes on a Joint Electorate Action, such shares which cause that ownership limit to be equaled or exceeded may be designated as Combined Group Excess Shares. In addition, any additional acquisition of Carnival Common Stock and/or P&O Princess Ordinary Shares by a person that, together with any person or persons Acting in Concert, holds or has voting control over Carnival Common Stock and/or P&O Princess Ordinary Shares representing the right to cast not less than 30% and not more than 50% of the votes on a Joint Electorate Action, may result in certain shares being designated as Combined Group Excess Shares. Any Carnival Common Stock that are designated as Combined Group Excess Shares will be transferred to a trustee, and the prior holder thereof will have no right to vote such shares or receive dividends or other distributions with respect thereto. A person may exceed the ownership limits described above if such person makes a Qualifying Takeover Offer with respect to all Carnival Common Stock and P&O Princess Ordinary Shares. Holders may be required to provide written notice and other information to the Corporation if such ownership levels are equaled or exceeded. The foregoing is only a summary of the applicable restrictions and is qualified in its entirety by reference to the Articles of Incorporation of the Corporation. The Corporation will mail without charge to any requesting shareholder of the Corporation a copy of the Articles of Incorporation, within five (5) days after receipt by the Secretary of the Corporation of a written request therefor. All terms not defined in this legend have the meanings provided in the Articles of Incorporation of Carnival Corporation.

(g) Severability. If any provision of Articles XIV or XV or any application of any such provision is determined to be invalid by any Panamanian court or United States federal or state court having jurisdiction over the issues, the validity of the remaining provisions shall not be affected, and other applications of such provision shall be affected only to the extent necessary to comply with the determination of such court.

(h) New York Stock Exchange Transactions. Nothing in these Articles of Incorporation shall preclude the settlement of any transaction entered into through the facilities of the New York Stock Exchange. The fact that the settlement of any transaction occurs shall not negate the effect of any other provision of these Articles of Incorporation and any transferee in such a transaction shall be subject to all the provisions and limitations set forth in these Articles of Incorporation.

ARTICLE XV

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Combined Group Excess Shares

(a) Ownership in Trust. Upon the designation of any Carnival Common Stock as Combined Group Excess Shares pursuant to section (c) of Article XIV hereof, such Combined Group Excess Shares shall be transferred by or on behalf of the Combined Group Excess Share Holder to the Excess Share Trustee, as trustee of the Excess Share Trust, for the benefit of the Charitable Beneficiary. Until such transfer to the Excess Share Trustee, the Combined Group Excess Shares shall be held by the Combined Group Excess Share Holder in trust for the benefit of the Charitable Beneficiary in accordance with the terms of these Articles of Incorporation. From the date that such shares of Carnival Common Stock are designated as Combined Group Excess Shares, the Combined Group Excess Share Holder shall have no rights in such Combined Group Excess Shares, except as provided in section (c), (e) or (f) below. The Excess Share Trustee may resign at any time so long as the Corporation shall have appointed a successor trustee. The Excess Share Trustee shall, from time to time, designate one or more charitable organization or organizations as the Charitable Beneficiary. More than one Excess Share Trustee may be appointed to hold the Combined Group Excess Shares in trust for one or more Charitable Beneficiaries.

18

(b) Dividend Rights. Combined Group Excess Shares shall be entitled to the same dividends and other distributions determined as if the designation of Combined Group Excess Shares had not occurred. Any dividend or distribution made or paid on or after the date such shares of Carnival Common Stock are designated as Combined Group Restricted Shares and prior to the designation of such shares of Carnival Common Stock as Combined Group Excess Shares shall be repaid to the Excess Share Trust upon demand. Any dividend or distribution declared but unpaid or not made shall be paid to the Excess Share Trust. All dividends received or other income earned by the Excess Share Trust shall be paid over to the Charitable Beneficiary.

(c) Rights Upon Liquidation. Notwithstanding the fact that Combined Group Excess Shares are held in trust for a Charitable Beneficiary, upon Liquidation of the Corporation, the Combined Group Excess Share Holder shall receive (if it has not already received consideration for such shares pursuant to section (e) or (f) below), for each Combined Group Excess Share, the amount per share of any distribution made upon Liquidation with respect to Carnival Common Stock generally, less any costs and expenses incurred by the Corporation, the Excess Share Trustee and the Charitable Beneficiary in connection with the transfer of the Combined Group Excess Shares to the Excess Share Trustee and the holding of such shares by the Excess Share Trustee.

(d) Voting Rights.

(1) The Excess Share Trustee shall be entitled, but shall not be required, to vote the Combined Group Excess Shares on behalf of the Charitable Beneficiary on any matter. Subject to Panamanian law, any vote cast by a Combined Group Excess Share Holder with respect to the Combined Group Excess Shares prior to the designation of such shares as Combined Group Restricted Shares will be rescinded ab initio; provided, however, that if the Corporation has already taken irreversible action with respect to a merger, reorganization, sale of all or substantially all the assets, dissolution of the Corporation or other action by the Corporation, then the vote cast by the Combined Group Excess Share Holder shall not be rescinded. The purported owner of the Combined Group Excess Shares will be deemed to have given an irrevocable proxy to the Excess Share Trustee to vote the Combined Group Excess Shares for the benefit of the Charitable Beneficiary.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

(2) Notwithstanding the provisions of these Articles of Incorporation, until the Corporation has received notification that Combined Group Excess Shares have been transferred into an Excess Share Trust, the Corporation shall be entitled to rely on its share transfer and other shareholder records for purposes of preparing lists of shareholders entitled to vote at meetings, determining the validity and authority of proxies and otherwise conducting votes of shareholders.

(e) Transfer of Combined Group Excess Shares.

(1) Combined Group Excess Shares shall be transferable only as provided in this section (e). At the direction of the Board of Directors, the Excess Share Trustee shall transfer the Combined Group Excess Shares held in the Excess Share Trust to a person or persons (including, without limitation, the Corporation under section (f) below) whose ownership of such Carnival Common Stock would not result in a designation of any Carnival Common Stock as Combined Group Restricted Shares pursuant to section (a) or (b) of Article XIV, within 180 days after the later of (i) the date of the event that resulted in such shares being designated as Combined Group Restricted Shares pursuant to section (a) or (b) of Article XIV, and (ii) the date that the Board of Directors determines or is notified that an event resulting in Combined Group Restricted Shares has occurred. If such a transfer is made, the interest of the Charitable Beneficiary shall terminate, the designation of such Carnival Common Stock as Combined Group Excess Shares shall thereupon cease and a payment shall be made to the Combined Group Excess Share Holder as described below. The Combined Group Excess Share Holder shall receive a payment from the

19

Excess Share Trustee that reflects a price per share of Combined Group Excess Shares equal to the price per share received by the Excess Share Trustee upon such transfer, less any costs and expenses incurred by the Corporation, the Excess Share Trustee upon such transfer and the Charitable Beneficiary in connection with the transfer of the Combined Group Excess Shares to the Excess Share Trustee, the holding of such shares by the Excess Share Trustee and the transfer of such shares in accordance with this section (e).

(2) Notwithstanding the foregoing, if the provisions of this section (e) are determined to be void or invalid by virtue of any applicable law, then the Combined Group Excess Share Holder may be deemed, at the option of the Corporation, to have acted as an agent on behalf of the Corporation in acquiring or holding such Combined Group Excess Shares and to hold such Combined Group Excess Shares on behalf of the Corporation.

(f) Purchase Right in Combined Group Excess Shares. Combined Group Excess Shares shall be deemed to have been offered for sale by the Excess Share Trustee to the Corporation, or its designee, at a price per Combined Group Excess Share equal to the Market Price of the Carnival Common Stock on the date that the Corporation acquires the Combined Group Excess Shares, less any costs and expenses incurred by the Corporation, the Excess Share Trustee and the Charitable Beneficiary in connection with the transfer of the Combined Group Excess Shares to the Excess Share Trustee, the holding of such shares by the Excess Share Trustee and the transfer of such shares in accordance with this section (f). The Corporation shall have the right to accept such offer for a period of ninety (90) days after the later of (i) the date of the event that resulted in such shares being designated as Combined Group Restricted Shares pursuant to section (a) or (b) of Article XIV, and (ii) the date the Board of

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Directors determines in good faith that an event resulting in Combined Group Restricted Shares has occurred, if the Corporation does not receive a notice of such Transfer or other event pursuant to section (d) of Article XIV.

(g) Underwritten Offerings. The provisions of Articles XIV and XV shall not apply to the acquisition of Carnival Common Stock or rights, options or warrants for, or securities convertible into, Carnival Common Stock by an underwriter in a public offering or placement agent in a private offering; provided, that the underwriter or placement agent makes a timely distribution of such Carnival Common Stock or rights, options or warrants for, or securities convertible into, Carnival Common Stock such that, after the distribution, such underwriter or placement agent does not hold or exercise voting control over Ordinary Shares equal to or in excess of the Combined Group City Code Limit.

(h) Applicability of Ownership Limit and Combined Group City Code Limit. Notwithstanding anything in these Articles to the contrary, in the event of any occurrence that results in Carnival Common Stock being designated as both Excess Shares pursuant to Article XII and Combined Group Restricted Shares pursuant to Article XIV, such Shares shall be designated as Excess Shares and not Combined Group Excess Shares.

(i) Voting Control. For purposes of Articles XIV and XV: (i) references to holding or acquiring shares will also be deemed to include holding or acquiring voting control over shares; (ii) a person will be deemed to have voting control over shares if such person has the power to direct the voting of such shares; (iii) a person will be deemed to acquire shares upon the occurrence of any event which results in such person Acting in Concert with another person with respect to such other person's shares; and (iv) for the avoidance of doubt, for purposes of calculating the voting power held by a person, any voting power represented by the P&O Princess Special Voting Share or the Carnival Special Voting Share shall be ignored.

20

ARTICLE XVI Dividends and Distributions

(a) Subject to the Equalization Agreement and the provisions of these Articles of Incorporation, the Corporation shall not pay or make any Distribution in cash unless P&O Princess also pays or makes a Distribution in cash at approximately the same time and the ratio of the Equalized Distribution Amount so paid or made by the Corporation to the Equalized Distribution Amount so paid or made by P&O Princess (converted, if applicable, at the Applicable Exchange Rate for such Distributions and rounded to five decimal places) equals the Equalization Ratio in effect on the Distribution Determination Date for such Distributions (each, an "Equivalent Distribution").

(b) The Corporation shall not declare or otherwise become obligated to pay or make a Distribution in cash unless (i) on the date on which such declaration is made or such obligation is created, P&O Princess has sufficient Distributable Reserves to make an Equivalent Distribution with respect to such Distribution or (ii) the Corporation agrees to pay, and does pay, to P&O Princess (before P&O Princess pays or makes such Distribution) the minimum amount required by P&O Princess so that it will have sufficient Distributable Reserves to pay or make such an Equivalent Distribution. Notwithstanding compliance with the preceding sentence, if P&O Princess shall have declared or otherwise become obligated to pay or make an Equivalent Distribution and does not have sufficient Distributable Reserves to pay or make such Equivalent Distribution when due, then the Corporation shall pay to P&O Princess the minimum amount required by P&O Princess so that P&O Princess will have

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

sufficient Distributable Reserves to pay or make such Equivalent Distribution; provided, however, that if the Corporation does not have sufficient Distributable Reserves to pay or make in full both the Equivalent Distribution that it declared or became obligated to make and the payment required by this sentence, then (i) the Corporation shall only pay or make the portion of that Equivalent Distribution (and any related payment that would have been required by this sentence in respect of such portion if it were the entire Equivalent Distribution that the Corporation had declared or became obligated to make) that it can make out of its Distributable Reserves, and (ii) P&O Princess shall only pay or make the portion of its Equivalent Distribution that it can make out of its Distributable Reserves following receipt of such payment.

(c) For purposes of section (b) above, any amount the Corporation is required to pay to P&O Princess shall be determined after taking into account all Taxes payable by, and all Tax credits of, the Corporation and P&O Princess with respect to the payment or receipt of such payment and any such payment may be made on the Equalization Share, if any, issued by the Corporation if both the Board of Directors and the P&O Princess Board deem it appropriate.

(d) The Board of Directors shall:

(1) insofar as is practicable in relation to any proposed cash Distribution, cooperate with the P&O Princess Board to agree the amount of the Equivalent Distribution to be paid by the Corporation and P&O Princess;

(2) determine to pay or recommend to pay Equivalent Distributions at Board of Directors meetings convened as close in time to those similarly convened by the P&O Princess Board as is practicable;

(3) cooperate with the P&O Princess Board to announce and pay Equivalent Distributions simultaneously or as close in time as practicable;

(4) ensure that the record dates for receipt of the Equivalent Distribution, in respect of the Corporation and P&O Princess, are on the same date; and

(5) generally coordinate with the P&O Princess Board the timing of all other aspects of the payment or making of Equivalent Distributions.

21

ARTICLE XVII Liquidation

(a) In the event of a voluntary or involuntary Liquidation of the Corporation, the Corporation will, subject to subsection (b) below, make such payments or take such other actions required to ensure that the holders of Carnival Common Stock and P&O Princess Ordinary Shares would, had each of the Corporation and P&O Princess gone into Liquidation on the same date, be entitled to receive a Liquidation Distribution which is equivalent on a per share basis in accordance with the Equalization Ratio then in effect and having regard to the Liquidation Exchange Rate, but disregarding any shareholder Tax or Tax Benefit.

(b) To establish the amount payable under section (a) above, each of the Corporation and P&O Princess will determine the amount of assets (if any) it will have available for distribution in a Liquidation on the date of the Liquidation (or notional date of Liquidation) to holders of Carnival Common Stock or P&O Princess Ordinary Shares, as the case may be, after payment of all debts and other financial obligations, including any Tax costs associated with

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

the realization of any assets on a Liquidation and any payments due with respect to any securities ranking in preference to the Carnival Common Stock or the P&O Princess Ordinary Shares, as the case may be (each such amount, the "Net Assets"). To the extent that the Net Assets of the Corporation or P&O Princess would enable such company to make a Liquidation Distribution to the holders of Carnival Common Stock or P&O Princess Ordinary Shares, as the case may be, that is greater than the Liquidation Distribution that the other company could pay from its Net Assets to the holders of its Ordinary Shares, adjusting such comparative Liquidation Distribution in accordance with the Equalization Ratio then in effect and having regard to the Liquidation Exchange Rate, but disregarding any shareholder Tax (including any withholding Tax required to be deducted by the company concerned) or Tax Benefit, then, subject to subsection (c) below, such company will make a balancing payment (or take any other action described in subsection (d) below) in such amount as will ensure that both companies can make equivalent Liquidation Distributions to the holders of their Ordinary Shares in accordance with the then existing Equalization Ratio and having regard to the Liquidation Exchange Rate, but ignoring any shareholder Tax (including any withholding Tax required to be deducted by the company concerned) or Tax Benefit; provided that neither the Corporation nor P&O Princess need make a balancing payment (or take any other action) as described in this subsection (b) if it would result in neither the holders of Carnival Common Stock nor the holders of P&O Princess Ordinary Shares being entitled to receive any Liquidation Distribution at all.

(c) For purposes of subsection (b) above, any amount a company is required to pay the other company shall be determined after taking into account all Taxes payable by, and all Tax credits, losses or deductions of, the Corporation and P&O Princess with respect to the payment or receipt of such payment and any such payment may be made on the Equalization Share, if any, issued by the paying party if both the Board of Directors and the P&O Princess Board deem it appropriate.

(d) In giving effect to the principles regarding a Liquidation of the Corporation and/or P&O Princess described above, the Corporation shall take such action as may be required to give effect to such principles, which may include:

(i) making a payment (of cash or in specie) to P&O Princess in accordance with the provisions of the Equalization Agreement;

(ii) issuing shares (which may include the Equalization Share) to P&O Princess or to holders of P&O Princess Ordinary Shares and making a distribution or return on such shares; or

(iii) taking any other action that the Board of Directors and the P&O Princess Board shall both consider appropriate to give effect to such principles

provided that any action other than a payment of cash by one company to the other company shall require the prior approval of both the Board of Directors and the P&O Princess Board.

22

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

(c) After the Amendment Date, upon each issuance of additional shares of Carnival Common Stock by the Corporation, once the P&O Princess Trustee authorizes and issues a number of additional P&O Princess SVT Shares to the Corporation equal to the number of shares of Carnival Common Stock to be issued by the Corporation, the Corporation shall transfer the P&O Princess SVT Shares to holders of such shares of Carnival Common Stock, which P&O Princess SVT Shares shall, once distributed by the Corporation, be represented by the certificates representing the shares of Carnival Common Stock.

(d) Upon the conversion or exercise of any securities convertible into shares of Carnival Common Stock or any rights, options or warrants to purchase shares of Carnival Common Stock (collectively, "Derivative Securities"), which were issued by the Corporation prior to the Amendment Date and which have not been previously converted or exercised, once the P&O Princess Trustee has authorized and issued to the Corporation a number of the P&O Princess SVT Shares equal to the number of shares of Carnival Common Stock the exercising or converting holder of such Derivative Securities is entitled to receive upon such exercise or conversion, the Corporation shall immediately transfer the P&O Princess SVT shares to holders of Carnival Common Stock arising from the conversion or exercise of the Derivative Securities, which P&O Princess SVT shares shall be paired with the shares of Carnival Common Stock in accordance with the Pairing Agreement. The Corporation shall thereupon issue to the exercising or converting holder of such Derivative Securities a certificate or certificates representing the number of shares of Carnival Common Stock that such holder is entitled to receive upon such exercise or conversion, which certificate or certificates shall also represent an equivalent number of P&O Princess SVT Shares in accordance with the terms of the Pairing Agreement and of the P&O Princess SVT Agreement.

(e) After the Amendment Date after the P&O Princess Trustee has taken such action (including, without limitation, the authorization and issuance of additional P&O Princess SVT Shares to the Corporation) as is required to be taken by it to authorize the issuance of P&O Princess SVT Shares as contemplated by this Article XVIII(d), once the P&O Princess Trustee has issued to the Corporation such P&O Princess SVT shares upon the conversion or exercise of such Derivative Securities (in accordance with Section 5 of the Pairing Agreement), the Corporation shall thereupon (i) immediately transfer the P&O Princess SVT shares to the holders of Carnival Common Stock arising from the conversion or exercise of the Derivative Securities (at a rate of one P&O Princess SVT share for each share of Carnival Common Stock held on the relevant record date), and (ii) issue to the exercising or converting holder of such Derivative Securities a certificate or certificates representing the number of shares of Carnival Common Stock that such holder is entitled to receive upon such conversion or exercise, which certificate or certificates shall also represent an equivalent number of P&O Princess SVT Shares in accordance with the terms of the Pairing Agreement and the P&O Princess SVT Agreement.

ARTICLE XIX Domicile

The domicile of the Corporation shall be in Panama City, Republic of Panama. However, the Corporation may, as provided for by the Board of Directors, engage in business and establish branches and keep its files and assets anywhere in the world. If the Annual Meeting for the election of directors and the transaction of other business is not held within the months specified in Section 2.2, the Board shall call a meeting of Shareholders for the election of directors and the transaction of other business as soon thereafter as convenient.

Section 2.4 Special Meetings. A Special Meeting of Shareholders (other than a special meeting for the election of directors), unless otherwise prescribed by statute, may be called at any time by the Board or by the President or by the Secretary. At any Special Meeting of Shareholders only such business may be transacted as is related to the purpose or purposes of such meeting set forth in the notice thereof or in any waiver of notice thereof.

Section 2.5 Notice of Meetings. Except as provided in Section 6.2, written notice of all meetings of Shareholders stating the purpose or purposes for which the meeting is called, including whether the resolution relates to a Joint Electorate Action or a Class Rights Action, the name of the person or persons at whose direction the notice is being given, and the date, time and place where it is to be held, shall be given, personally or by mail, at least ten (10) but not more than sixty (60) days before such meeting, to each Shareholder of record entitled to vote at such meeting and to each member of the Board of Directors. If mailed, such notice shall be deemed to be given when deposited in the United States mail, with postage prepaid directed to the Shareholder at his address as it appears on the records of the Corporation. An affidavit of the Secretary or an Assistant Secretary or of the transfer agent of the Corporation that the notice required by this Section 2.5 has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. When a meeting is adjourned to another time or place, notice need not be given of the adjourned meeting if the time and place thereof

are announced at the meeting at which the adjournment is taken, and at the adjourned meeting any business may be transacted that might have been transacted at the meeting as originally called. If, however, the adjournment is for more than thirty days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each Shareholder of record entitled to vote at the meeting.

Section 2.6 Notice with Respect to Joint Electorate Action or Class Rights Action. If the Corporation proposes to undertake a Joint Electorate Action or Class Rights Action, the Corporation shall immediately give notice to P&O Princess of the nature of the Joint Electorate Action or the Class Rights Action it proposes to take. Unless such action is proposed to be taken at the Annual Meeting of Shareholders, the Board of Directors shall convene a Special Meeting for the purpose of considering a resolution to approve the Joint Electorate Action or Class Rights Action. Such meeting shall be held as close in time as practicable with the Parallel Shareholder Meeting convened by P&O Princess for purposes of considering such Joint Electorate Action or Class Rights Action.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

(a) The Corporation shall cooperate fully with P&O Princess in preparing resolutions, explanatory memoranda or any other information or material required in connection with the proposed Joint Electorate Action or Class Rights Action.

Section 2.7 Quorum, Manner of Acting and Adjournment.

(a) The presence in person or by proxy at any meeting of Shareholders holding at least one-third of the total votes entitled to be cast shall constitute a quorum for the transaction of business at such meeting except as otherwise required by Applicable Regulation, the Articles of Incorporation or these By-Laws. When a quorum is once present to organize a meeting of Shareholders, it is not broken by the subsequent withdrawal of any Shareholders. The holders of a majority of the shares of stock present in person or represented by proxy at any meeting of Shareholders, including an adjourned meeting, whether or not a quorum is present, may adjourn such meeting to another time and place. The Secretary shall give notice to P&O Princess as soon as possible of an adjournment and of the business to be transacted at an adjourned meeting.

(b) When a quorum for the transaction of business is present at any meeting, a Majority Resolution shall decide such question brought before such meeting, unless the question is one upon which, by express provision of Applicable Regulation, the Articles of Incorporation or as provided in these By-Laws, a Supermajority Resolution is required, in which case such express provision shall govern the decision of such question. Shareholders present in person or by proxy at a duly convened meeting can continue to transact business until adjournment, notwithstanding withdrawal of Shareholders so as to leave fewer than a quorum present.

(c) No action required to be taken or which may be taken at any meeting of Shareholders may be taken without a meeting, and the power of the Shareholders to consent in writing, without a meeting, to the taking of any action is specifically denied.

Section 2.8 Quorum for Joint Electorate Actions and Class Rights Actions.

(a) For purposes of determining whether a quorum exists at any meeting of Shareholders where a Joint Electorate Action or a Class Rights Action is to be considered:

(i) if the meeting of Shareholders convenes before the Parallel Shareholder Meeting of P&O Princess, the Carnival Special Voting Share shall, at the commencement of the meeting, have no votes and therefore shall not be counted for purposes of determining the total number of shares entitled to vote at such meeting or whether a quorum exists at such meeting, although the Carnival Special Voting Share itself must be present, either in person (through a representative of Carnival SVC) or by proxy;

2

(ii) if the meeting of the Shareholders convenes at substantially the same time as or after the Parallel Shareholder Meeting of P&O Princess with respect to one or more Joint Electorate Actions and no Class Rights Actions, the Carnival Special Voting Share will have the maximum number of votes attached to it as were cast on any such Joint Electorate Action multiplied by the Carnival Equivalent Number, either for, against or abstained, at the Parallel Shareholder Meeting of P&O

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Princess, and such maximum number of votes (including abstentions) multiplied by the Carnival Equivalent Number shall constitute shares entitled to vote and present for purposes of determining whether a quorum exists at such meeting; and

(iii) if the meeting of Shareholders convenes at substantially the same time as or after the Parallel Shareholder Meeting of P&O Princess with respect to one or more Class Rights Actions, the Carnival Special Voting Share shall, at the commencement of the meeting, have no votes (for purposes of determining whether a quorum exists, but without prejudice to any voting rights the Carnival Special Voting Share may have under the Articles of Incorporation), and therefore shall not be counted for purposes of determining the total number of shares entitled to vote at such meeting or whether a quorum exists at such meeting, although the Carnival Special Voting Share itself must be present, either in person (through a representative of Carnival SVC) or by proxy.

(b) Notwithstanding the foregoing, in order for a quorum to be validly constituted with respect to meetings of Shareholders convened to consider a Joint Electorate Action or Class Rights Action, Carnival SVC must be present at such meeting.

Section 2.9 Organization. At every meeting of Shareholders, the Chairman of the Board, if there be one, or in the case of vacancy in the office or absence of the Chairman of the Board, one of the following persons present in the order stated: the vice chairman of the Board, if there be one or in their order of rank or seniority if there be more than one, the Chief Executive Officer, the President, the vice presidents in their order of rank or seniority, a chairman designated by those members of the Board of Directors present at the meeting or a chairman chosen by Shareholders shall act as chairman, and the Secretary, or in his absence, an assistant secretary, or in the absence of the Secretary and assistant secretaries, a person appointed by the Chairman, shall act as secretary.

Section 2.10 Voting by Ballot. Any resolution to be considered at a meeting of Shareholders in relation to which the Carnival SVC is or may be entitled to vote shall be decided by ballot. The ballot shall be kept open for such time as to allow the Parallel Shareholder Meeting of P&O Princess to be held and for the votes attaching to the Carnival Special Voting Share to be calculated and cast on such ballot, although such ballot may be closed earlier in respect of shares of other classes. The chairman of the meeting shall direct the procedures for voting by ballot.

Section 2.11 Voting by Proxy. Each Shareholder entitled to vote at a meeting of Shareholders may authorize any person to act for him by proxy. A proxy deposited by Carnival SVC will be valid if it is received by or delivered to the chairman of the meeting before the close of the ballot to which it relates. To be valid, a proxy must comply in form and substance with all applicable provisions of Panamanian law.

Section 2.12 Cumulative Voting. Cumulative voting for directors shall not be permitted.

Section 2.13 List of Shareholders. The Secretary shall prepare and make, or cause to be prepared and made, at least ten days before every meeting of Shareholders, a complete list of Shareholders, entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each Shareholder and the number of shares registered in the name of each Shareholder. Such list shall be open to the examination of any Shareholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten (10) days prior to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the

meeting or, if not so specified, at the place where the meeting is to be held. The list shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any Shareholder who is present.

Section 2.14 Inspectors of Election.

(a) In advance of any meeting of Shareholders, the Board of Directors may appoint inspectors of election, who need not be Shareholders, to act at such meeting or any adjournment thereof. If inspectors of election are not so appointed, the person presiding at any such meeting may, and on the request of any Shareholder entitled to vote at the meeting and before voting begins shall, appoint inspectors of election. In case any absence of the Chairman of the Board and the President, the persons designated pursuant to Section 2.9 shall act as chairman and secretary of the meeting.

(b) On request of the person presiding at the meeting or any Shareholder entitled to vote thereat, the inspectors shall make a report in writing of any challenge or question or matter determined by them, and execute a sworn certificate of any fact found by them. Any such report or certificate shall be prima facie evidence of the facts stated and on the vote as certified by him or them.

Section 2.15 Actions for Shareholder Approval.

(a) All actions to be approved by the holders of Carnival Common Stock shall be Joint Electorate Actions, Class Rights Actions or Procedural Resolutions.

(b) No resolution with respect to a Joint Electorate Action or a Class Rights Action shall be approved unless the Parallel Shareholder Meeting of P&O Princess is validly held and a vote of the holders of P&O Princess Ordinary Shares is held on an Equivalent Resolution.

Section 2.16 Joint Electorate Actions. All actions put to the holders of Carnival Common Stock or P&O Princess Ordinary Shares, except for Class Rights Actions and Procedural Resolutions, shall constitute Joint Electorate Actions. For the avoidance of doubt, the following actions, if put to the holders of Carnival Common Stock or P&O Princess Ordinary Shares, shall constitute Joint Electorate Actions:

(a) the appointment, removal or re-election of any director of the Corporation or P&O Princess, or both of them;

(b) to the extent such receipt or adoption is required by Applicable Regulations, the receipt or adoption of the Corporation's or P&O Princess' financial statements, or both of them, or accounts prepared on a combined basis, other than any accounts in respect of the period(s) ended prior to the date of the Equalization Agreement;

(c) a change of name of either the Corporation, P&O Princess, or both of them; and

(d) the appointment or removal of the auditors of the Corporation or P&O Princess, or both of them.

Section 2.17 Procedure for Approval of Joint Electorate Actions.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

(a) If the Corporation proposes to take any Joint Electorate Action, such action shall require approval by Majority Resolution (or if Applicable Regulations, the Articles of Incorporation or these By-Laws require the action to be approved by a Supermajority Resolution, by the vote required thereby) of the holders of Carnival Common Stock, holders of the Corporation's Other Voting Shares and the Carnival SVC, voting together as a single class by ballot.

(b) No resolution will be approved with respect to a Joint Electorate Action unless at least one-third of the total votes entitled to be cast by (i) the holders of Carnival Common Stock, and (ii)

4

the Carnival SVC (assuming for purposes of this calculation only that all holders of issued and outstanding P&O Princess Ordinary Shares voted at the Parallel Shareholder Meeting of P&O Princess) are cast on the resolution proposing such Joint Electorate Action.

(c) If P&O Princess proposes to take any Joint Electorate Action, the Corporation shall convene a Special Meeting, unless such action is proposed for an Annual Meeting, as close in time as practicable to such P&O Princess shareholders meeting to consider such action and shall propose a resolution which is an Equivalent Resolution to the proposed P&O Princess resolution with respect to such Joint Electorate Action. Such Equivalent Resolution shall be proposed as a Majority Resolution, unless Applicable Regulations, the Articles of Incorporation or these By-Laws require the Joint Electorate Action to be approved by a Supermajority Resolution.

(d) In relation to a resolution of the Corporation to approve a Joint Electorate Action at any meeting of Shareholders, the Carnival Special Voting Share shall carry:

(i) such number of votes in favour of the resolution as were cast in favour of the Equivalent Resolution at the Parallel Shareholder Meeting of P&O Princess by holders of P&O Princess Ordinary Shares and Other Voting Shares of P&O Princess;

(ii) such number of votes against the resolution as were cast against the Equivalent Resolution at the Parallel Shareholder Meeting of P&O Princess by holders of P&O Princess Ordinary Shares and Other Voting Shares of P&O Princess; and

(iii) such number of abstentions as were recorded as abstentions from the Equivalent Resolution at the Parallel Shareholder Meeting of P&O Princess by holders of P&O Princess Ordinary Shares and Other Voting Shares of P&O Princess;

in each case, multiplied by the Carnival Equivalent Number in effect at the time such meeting of the Shareholders is held and in each case rounded up to the nearest whole number, such votes to be cast by the holder of the Carnival Special Voting Share in accordance with the above provisions.

Section 2.18 Class Rights Action. The following actions constitute Class Rights Actions:

(a) the voluntary Liquidation of the Corporation or P&O Princess for which the approval of shareholders of the Corporation is required by Applicable Regulations or proposed other than a voluntary Liquidation of

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

both P&O Princess and the Corporation at or about the same time with the purpose or effect of no longer continuing the operation of the businesses of the companies as a combined going concern and not as part of a scheme, plan, transaction, or series of related transactions the primary purpose or effect of which is to reconstitute all or a substantial part of such businesses in one or more successor entities;

(b) the sale, lease, exchange or other disposition of all or substantially all of the assets of either P&O Princess or the Corporation, other than in a bona fide commercial transaction undertaken for a valid business purpose in which such company receives consideration with a fair market value reasonably equivalent to the assets disposed of and not as a part of a scheme, plan, transaction or series of related transactions the primary purpose of which is to collapse or unify the DLC Structure;

(c) any adjustment to the Equalization Ratio, otherwise than in accordance with the provisions of the Equalization Agreement;

(d) except where specifically provided for in such agreements, any amendment to the terms of, or termination of, the Equalization Agreement, the SVE Special Voting Deed, the Carnival Deed of Guarantee or the P&O Princess Deed of Guarantee (including, for the avoidance of doubt, the voluntary termination of either Deed of Guarantee);

(e) any amendment to, removal or alteration of the effect of (which shall include the ratification of any breach of) any Carnival Entrenched Provision or any P&O Princess Entrenched Provision;

5

(f) any amendment to, removal or alteration of the effect of (which shall include the ratification of any breach of) Article XII or XIII of the Articles of Incorporation that would cause, or at the time of implementation would be reasonably likely to cause, an Exchange Event described in clause (a) of the definition of such term in the P&O Princess Articles of Association to occur; and

(g) the doing of anything which the Board of Directors and the P&O Princess Board agree (either in a particular case or generally), in their absolute discretion, should be approved as a Class Rights Action.

Notwithstanding anything in these By-Laws to the contrary, none of the foregoing actions may be taken by the Corporation unless it has been approved as a Class Rights Action in accordance with Section 2.19.

Section 2.19 Procedure for Approval of Class Rights Actions.

(a) If the Corporation proposes to take any Class Rights Action, such action shall require approval by a Majority Resolution (or, if Applicable Regulations, the Articles of Incorporation or these By-Laws require the action to be approved by a Supermajority Resolution, by the vote required thereby) of holders of Carnival Common Stock, holders of Other Voting Shares of the Corporation, and the Carnival SVC, voting together as a single class by ballot.

(b) If the proposed Class Rights Action is approved by the requisite vote (as determined in accordance with the P&O Princess Memorandum and Articles) of the holders of P&O Princess Ordinary Shares and Other Voting Shares of P&O Princess entitled to vote thereon at the Parallel Shareholder Meeting of P&O Princess, the Carnival Special Voting Share shall have no

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

votes with respect to such proposed Class Rights Action. If the proposed Class Rights Action is not approved by the requisite vote (as determined in accordance with the P&O Princess Memorandum and Articles) of the holders of P&O Princess Ordinary Shares and Other Voting Shares of P&O Princess, entitled to vote thereon at the Parallel Shareholder Meeting of P&O Princess:

(i) if the resolution needs to be passed by a Majority Resolution, then the Carnival Special Voting Share shall be entitled to cast such number of votes representing the largest whole percentage that is less than the percentage of the number of votes as would be necessary to defeat a Majority Resolution if the total votes capable of being cast by the outstanding Carnival Common Stock and Other Voting Shares of Carnival that are entitled to vote pursuant to Applicable Regulations and/or the Carnival Articles and By-Laws (excluding the Carnival Special Voting Share) were cast in favour of the resolution at the Carnival Special Meeting, and all such votes shall be cast against approval of such resolution; and

(ii) if the resolution needs to be passed by a Supermajority Resolution, then the Carnival Special Voting Share shall be entitled to cast such number of votes representing the largest whole percentage that is less than the percentage of the number of votes as would be necessary to defeat a Supermajority Resolution if the total votes capable of being cast by the outstanding Carnival Common Stock and Other Voting Shares of Carnival that are entitled to vote pursuant to Applicable Regulations and/or the Carnival Articles and By-Laws (excluding the Carnival Special Voting Share) were cast in favour of the resolution at the Carnival Special Meeting, and all such votes shall be cast against approval of such resolution.

By way of further explanation, expressed as a formula, the Carnival Special Voting Share shall be entitled to cast the following number of votes:

--		--
One percentage point less than the minimum percent needed to defeat the resolution	X	Number of votes entitled to be cast (exc the Carnival Special Voting Share)

100 percent -- Minimum percent needed to defeat the resolution		
--		--

Accordingly, for a Majority Resolution, 50 percent is the minimum percent needed to defeat the resolution, and the figure in brackets would be 98 percent. In the event that a Super Majority Resolution is required to carry in excess of 75 percent of the votes cast, then 25 percent would be the minimum percent needed to defeat the resolution, and the figure in brackets would be 32 percent.

(c) If P&O Princess proposes to take any Class Rights Action, the Corporation shall convene a Special Meeting, unless such action is proposed for an Annual Meeting, as close in time as practicable to the P&O Princess shareholders meeting at which the P&O Princess resolution in respect of such Class Rights Action is to be proposed, and shall propose an Equivalent Resolution. Such Equivalent Resolution shall be proposed as a Majority

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Resolution, unless Applicable Regulations, the Articles of Incorporation or these By-Laws require the Class Rights Action to be approved by a Supermajority Resolution.

Section 2.20 Procedural Resolutions. The Carnival Special Voting Share shall have no right to vote on any resolution of a procedural or technical nature, which does not adversely affect the shareholders of P&O Princess in any material respect, put to the Shareholders at a meeting ("Procedural Resolutions"), nor shall notice of such meeting to Shareholders be required to include reference to these matters. The Chairman of the Board will, in his absolute discretion, determine whether a resolution is a Procedural Resolution. Subject to the foregoing and without limitation, to the extent that such matters require the approval of Shareholders, any of the following shall be Procedural Resolutions:

- (a) that certain people be allowed to attend or be excluded from attending the meeting;
- (b) that discussion be closed and the question put to the vote (provided no amendments have been raised);
- (c) that the question under discussion not be put to the vote (where a shareholder feels the original motion should not be put to the meeting at all, if such original motion was brought during the course of that meeting);
- (d) to proceed with matters in an order other than that set out in the notice of the meeting;
- (e) to adjourn the debate (for example, to a subsequent meeting); and
- (f) to adjourn the meeting.

ARTICLE III Board of Directors

Section 3.1 Powers. All powers of the Corporation, except those specifically reserved or granted to Shareholders by Applicable Regulation, the Articles of Incorporation or these By-Laws, are hereby granted to and vested in the Board of Directors; all such powers shall be exercised by or under the authority of, and the business and affairs of the Corporation shall be managed by, the Board of Directors.

Section 3.2 Number and Term of Office.

(a) The Board of Directors shall consist of no less than three (3) nor more than twenty-five (25) members. Directors need not be Shareholders. Each director shall hold office until his successor is elected and qualified or until his earlier death, resignation or removal.

(b) The Board of Directors shall consist of the identical individuals that constitute the P&O Princess Board.

Section 3.3 Eligibility for Election, Effectiveness of Appointment, Reciprocal Appointment.

(a) No person shall be a director of the Corporation unless they are also a director of P&O Princess. The appointment of a person as a director of the Corporation shall only take effect at the same time as that person's appointment as a director of P&O Princess takes effect.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

(b) If a person is appointed as a director of P&O Princess by the P&O Princess Board in accordance with the P&O Princess Memorandum and Articles, the Board of Directors shall also appoint that person as a director of the Corporation.

Section 3.4 Vacancies. Vacancies on the Board of Directors shall be filled by a majority of the directors then in office, even though less than a quorum, provided that any such person is appointed to both the Board of Directors and P&O Princess Board at the same time. If only one director remains in office, this director shall have the power to fill all vacancies. If there are no directors, the Secretary may call a meeting at the request of any two shareholders of the Corporation for the purpose of appointing one or more directors.

Section 3.5 Resignation of Directors. Any director of the Corporation may resign at any time by written notice to the Corporation. Such director must, concurrently with his or her resignation as director of the Corporation, also resign as director of P&O Princess. Such resignation shall take effect at the date of the receipt of such notice or at any later time specified therein, but in all events, only concurrently with the effectiveness of the director's resignation from the P&O Princess Board, and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Section 3.6 Removal of Directors. Subject to the provisions of the Corporation Law, any or all of the directors may be removed with or without cause only by a Majority Resolution.

Section 3.7 Disqualification of Directors. A director shall be disqualified from continuing to serve on the Board of Directors if (i) he ceases to be a director by virtue of any provisions of Applicable Regulation, the Articles of Incorporation or these By-Laws; (ii) he resigns from office by giving written notice to the Corporation or, having been appointed for a fixed term, the term expires or his office as a director is vacated pursuant to Section 3.6; or (iii) he ceases to be a director of P&O Princess.

Section 3.8 Organization. At every meeting of the Board of Directors, the Chairman of the Board, if there be one, or, in the case of a vacancy in the office or absence of the Chairman of the Board, one of the following officers present in the order stated: the vice chairman of the Board of Directors, if there be one or in their order of rank and seniority if more than one, the Chief Executive Officer, the President, the vice presidents in their order of rank and seniority, or a chairman chosen by a majority of the directors present, shall preside, and the Secretary, or, in his absence, an assistant secretary, or in the absence of the Secretary and the assistant secretaries, any person appointed by the chairman of the meeting shall act as secretary.

Section 3.9 Place of Meeting. The Board of Directors may hold its meetings, both regular and special, at such place or places within or outside the Republic of Panama as the Board of Directors may from time to time appoint, or as may be designated in the notice calling the meeting.

Section 3.10 Annual Meetings. On the day when and at the place where the Annual Meeting of Shareholders is held, and as soon as practicable thereafter, the Board of Directors may hold its annual meeting, for the purposes of organization, the election of officers and the transaction of other business. Such annual meeting may be held at any other time and place specified in a notice given as provided in Section 3.11 or in a waiver of notice thereof.

Section 3.11 Regular Meetings. Unless otherwise required by the Board of

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Directors, regular meetings of the Board of Directors may be held without notice at such time and place as shall be designated from time to time by resolution of the Board of Directors. At such meetings, the directors may transact such business as may properly be brought before the meeting. If any day fixed for a regular meeting of the Board shall be a Saturday or Sunday or a legal holiday at the place where such meeting is to be held, then such meeting shall be held at the same hour at the same place on the first business day thereafter which is not a Saturday, Sunday or legal holiday.

8

Section 3.12 Special Meetings. Special meetings of the Board of Directors shall be held whenever called by the Chairman of the Board, the President or the Secretary or by two or more directors. Notice of each such meeting shall be given to each director by telephone or in writing at least 24 hours (in the case of notice by telephone) or 48 hours (in the case of notice by electronic mail or facsimile) or 10 days (in the case of notice by mail) before the time at which the meeting is to be held. Each such notice shall state the time and place of the meeting but need not state the purpose or purposes of the meeting. If mailed, each notice shall be deemed given when deposited, with postage thereon prepaid, in a post office or official depository under the exclusive care and custody of the United States post office department. Such mailing shall be by first class mail.

Section 3.13 Voting by Proxy. Each director may authorize another director to act for him by proxy at meetings of the Board of Directors, at meetings of committees of the Board of Directors of which he is a member and in giving a written consent in lieu of meetings of the Board of Directors and such committees on behalf of his appointor. A proxy to a director shall be given in an instrument in writing including a facsimile or similar communication method and shall be produced to the first meeting at which it is used or otherwise delivered to the Secretary of the Corporation. A proxy shall be conclusive evidence of its validity until notice of revocation of such proxy in writing including a facsimile or similar method of communication has been delivered to the Secretary of the Corporation.

Section 3.14 Quorum, Manner of Acting, Adjournment and Action without Meeting.

(a) At all meetings of the Board of Directors the presence, in person or by proxy, of one-third of the total number of directors shall constitute a quorum for the transaction of business except as may be otherwise specifically provided by Applicable Regulation, the Articles of Incorporation or these By-Laws. The act of a simple majority of the directors present in person or by proxy at any meeting at which there is a quorum shall be the act of the Board of Directors, except as may be otherwise specifically provided by Applicable Regulation, the Articles of Incorporation or these By-Laws. A majority of the directors present at any meeting of the Board, including an adjourned meeting, whether or not a quorum is present, may adjourn such meeting to another time and place. Notice of any adjourned meeting of the Board need not be given to any director whether or not present at the time of the adjournment. Any business may be transacted at any adjourned meeting that might have been transacted at the meeting as originally called.

(b) Any person who is himself a director and acting as a proxy for any other director shall be entitled to have one vote for each capacity in which he so acts (in addition to any vote he may have as a director).

(c) Any action required or permitted to be taken at any meeting of the

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Board of Directors or any committee thereof may be taken without a meeting, if all of the members of the Board of Directors or committee (or other proxies) consent thereto in writing, and the writings are filed with the minutes of proceedings of the Board of Directors or committee.

Section 3.15 Conference Telephone Meetings. One or more directors may participate in a meeting of the Board of Directors, or of a committee of the Board of Directors, by means of conference telephone or similar communications equipment by means of which all persons can hear each other. Participation in a meeting pursuant to this Section shall constitute presence in person at such meeting.

Section 3.16 Committees of the Board of Directors.

(a) The Board of Directors may, by resolutions adopted by a majority vote of the entire Board of Directors, designate from among its members one or more other committees (having such name or names as may be determined from time to time by resolution adopted by the Board of Directors), each committee to consist of two or more directors. The Board may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of a

9

member of a committee, the member or members thereof present at any meeting and not disqualified from voting, whether or not he or they constitute a quorum, may unanimously appoint another member of the Board to act at the meeting in the place of any such absent or disqualified member.

(b) Any committee designated by the Board of Directors shall have and may exercise such powers and authorities as shall be provided in the resolution of the Board of Directors establishing such committee; but no committee of the Board of Directors shall have the power or authority in reference to the submission to Shareholders of any action that requires Shareholders' authorization under Applicable Regulation, the Articles of Incorporation, or these By-Laws, the filling of vacancies in the Board of Directors or in a committee, the fixing of the compensation of the directors for serving on the Board of Directors or on any committee, the adoption of an agreement of merger or consolidation, the sale, lease or exchange of all or substantially all of the Corporation's property and assets, recommending to Shareholders a dissolution of the Corporation or revocation of a dissolution, the amendment or repeal of the By-Laws or the adoption of new By-Laws, or the amendment or repeal of any resolution of the Board of Directors other than one which is by its terms so amendable or repealable.

Section 3.17 Compensation of Directors. Each director, in consideration of his service as such, shall be entitled to receive from the Corporation such amount per annum or such fees for attendance at directors' meetings, or both, as the Board may from time to time determine, together with reimbursement for the reasonable expenses incurred by him in connection with the performance of his duties. Each director who shall serve as a member of any committee of directors in consideration of his serving as such shall be entitled to such additional amount per annum or such fees for attendance at committee meetings, or both, as the Board may from time to time determine, together with reimbursement for the reasonable expenses incurred by him in the performance of his duties. Nothing contained in this section shall preclude any director from serving the Corporation or its subsidiaries in any other capacity and receiving proper compensation therefor.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Section 3.18 Specific and General Powers of Directors. Subject to any regulations from time to time made by Shareholders, the Board of Directors shall have the management of the affairs, business and property of the Corporation and may do all such acts as are not prohibited by Applicable Regulation, by the Articles of Incorporation, or by these By-Laws, and as are not reserved to the Shareholders.

Section 3.19 Directors' Power to Give Effect to the DLC Agreements.

(a) The directors are authorized to operate and carry into effect the Equalization Agreement, the SVE Special Voting Deed and the Carnival Deed of Guarantee with full power to:

(i) enter into, operate and carry into effect any further or other agreements or arrangements with or in connection with P&O Princess or the holder of the P&O Princess Special Voting Share; and

(ii) do all such things as, in the opinion of the directors, are necessary or desirable for the application, implementation, protection, furtherance or maintenance of the dual listed company relationship with P&O Princess constituted by or arising out of any agreement or arrangement.

(b) Subject to Applicable Regulation, nothing done by any director in good faith pursuant to such authority and obligations shall constitute a breach of the fiduciary duties of such director to the Corporation or Shareholders. In particular, the directors shall, in addition to their duties to the Corporation, be entitled to have regard to the interests of the Combined Shareholders as if the Corporation and P&O Princess were a single legal entity. They are also authorized to provide to P&O Princess and any officer, employee or agent of P&O Princess any information relating to the Corporation.

10

Section 3.20 Discretionary Matters. The Board of Directors may, by agreement with the P&O Princess Board:

(a) decide to seek the approval of the shareholders (or any class of shareholders) of either or both of the Corporation and P&O Princess for any matter that would not otherwise require such approval;

(b) require any Joint Electorate Action to be approved instead as a Class Rights Action; or

(c) specify a higher majority vote than the required majority that would otherwise be required for any shareholder vote provided for in Section 2.7.

ARTICLE IV Officers

Section 4.1 Number, Qualifications and Designation. 3. Guarantee and Indemnity

3.1 Subject to the terms of this Guarantee, Carnival unconditionally and irrevocably undertakes and promises to P&O Princess that it shall, as a continuing obligation, make to the Creditor to whom or to which it is owed (the "Relevant Creditor") the proper and punctual payment of each Obligation if for any reason P&O Princess does not make such payment on its due date. If for any reason P&O Princess does not make such payment on its due date, Carnival shall pay the amount due and unpaid to the Relevant Creditor upon written demand upon Carnival by the Relevant Creditor. In this Clause 3, references to the Obligations include references to any part of them.

3.2 The obligations of Carnival under this Guarantee shall be continuing obligations and shall not be satisfied, discharged or affected by any intermediate payment or settlement of account.

3.3 For the avoidance of doubt, nothing in this Guarantee shall require, bind or oblige Carnival to fulfil any non-monetary Obligation of P&O Princess of any kind.

3.4 In the event that Carnival is required to make any payment to any Creditor pursuant to Clause 3.1 and/or 3.11 and does make such payment, P&O Princess unconditionally and irrevocably agrees by way of a full indemnity to reimburse Carnival in respect of such payments.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

3.5A demand may not be made under this Guarantee without:

- (A) a demand first having been made by the Relevant Creditor on P&O Princess; and/or
- (B) to the extent, if any, that the terms of the relevant Obligation of P&O Princess (or the underlying obligation of the relevant Principal Debtor) require such recourse, recourse first being had to any other Person or to any security.

3.6 Unless otherwise provided in this Guarantee, the liabilities and obligations of Carnival under this Guarantee shall remain in force notwithstanding any act, omission, neglect, event or matter which would not affect or discharge the liabilities of P&O Princess owed to the Relevant Creditor. Without prejudice to its generality, the foregoing shall apply in relation to:

- (A) anything which would have discharged Carnival (wholly or in part) but not P&O Princess;
- (B) anything which would have offered Carnival (but not P&O Princess) any legal or equitable defence; and
- (C) any winding-up, insolvency, dissolution and/or analogous proceeding of, or any change in constitution or corporate identity or loss of corporate identity by, P&O Princess or any other Person.

3.7 Section 3(2) and (4) of the Contracts (Rights of Third Parties) Act 2001 shall not apply to this Guarantee and accordingly:

- (A) In respect of any claim against Carnival by a Creditor, Carnival shall not have available to it by way of defence or set off any matter that arises from or in connection with this Guarantee, and which would have been available to Carnival by way of defence or set-off if the proceedings had been brought against Carnival by P&O Princess.
- (B) Carnival shall not have available to it by way of defence or set-off any matter that would have been available to it by way of defence or set-off against the Creditor if the Creditor had been a party to this Guarantee.

4

- (C) Carnival shall not have available to it by way of counterclaim any matter not arising from this Guarantee that would have been available to it by way of counterclaim against the Creditor if the Creditor had been a party to this Guarantee.

3.8 Any discharge or release of any liabilities and obligations of Carnival under this Guarantee, and any composition or arrangement which Carnival may effect with any Creditor in respect of any such liabilities or obligations, shall be deemed to be made subject to the condition that it will be void to the extent that any or all of the payment or security which the Creditor may previously have received or may thereafter receive from any Person in respect of the relevant Obligations is set aside or reduced under any applicable law or proves to have been for any reason invalid.

3.9 Without prejudice to the generality of this Clause 3, and to Clause

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

3.10 in particular, none of the liabilities or obligations of Carnival under this Guarantee shall be impaired by any Creditor:

- (A) agreeing with P&O Princess any variation of or departure from (however substantial) the terms of any Obligation and any such variation or departure shall, whatever its nature, be binding upon Carnival in all circumstances; or
- (B) releasing or granting any time or any indulgence whatsoever to P&O Princess.

3.10 Despite anything else in this Guarantee (including Clause 3.9), no variation of or departure from the terms of any Obligation (or any underlying obligation of any Principal Debtor) agreed with P&O Princess or any Principal Debtor, as applicable, after termination of this Guarantee or exclusion of that Obligation shall be binding on Carnival (or extend its liabilities and obligations under this Guarantee) except to the extent, if any, that:

- (A) Carnival explicitly agrees in writing to that variation or departure at the same time as P&O Princess or that Principal Debtor; or
- (B) it reduces Carnival's obligations or liability under this Guarantee.

3.11 As a separate, additional and continuing obligation, Carnival unconditionally and irrevocably agrees that, should any Obligation not be recoverable from Carnival under Clause 3.1 as a result of the Obligation becoming void, voidable or unenforceable against P&O Princess, Carnival undertakes with P&O Princess that it will, as a sole, original and independent obligor, make payment of the Obligation to the Relevant Creditor by way of a full indemnity on the due date provided for payment by the terms of the Obligation.

3.12 Carnival shall, if requested by P&O Princess, (i) enter into agreements to act as a co-issuer or co-borrower with respect to any Obligation of P&O Princess or (ii) execute and deliver a separate guarantee agreement of any Obligation of P&O Princess, in each case, on terms satisfactory to Carnival and P&O Princess. If Carnival enters into such agreements with respect to any Obligation of P&O Princess, Carnival and P&O Princess may agree that such Obligation shall be excluded from the scope of this Guarantee in accordance with Clause 4.

4. Exclusion Of Certain Obligations

4.1 Subject to Clauses 4.2 and 4.3, Carnival and P&O Princess may at any time agree that obligations of a particular type, or a particular obligation or particular obligations, incurred after the time at which such exclusion becomes effective shall be excluded from the scope

of this Guarantee (and shall not be "Obligations" for the purpose of this Guarantee) with effect from such future time (being at least 3 months after the date on which notice of the relevant exclusion is given in accordance with Clause 8.2 or, where the Obligation is a particular obligation, at least 5 Business Days, or such shorter period as the relevant Creditor may agree, after the date on which notice of the relevant exclusion is given in accordance with Clause

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

- 4.5) as they may agree.
- 4.2 No such agreement or exclusion shall be effective with respect to any Existing Obligation.
- 4.3 No such agreement or exclusion shall be effective unless and until Carnival and P&O Princess enter into a supplemental deed specifying the relevant exclusion and the time at which it is to become effective.
- 4.4 Notice of any such exclusion of obligations of a particular type, of the time at which such exclusion is to become effective, and of the date of the related supplemental deed shall be given in accordance with Clause 8.2.
- 4.5 Notice of any such exclusion of a particular obligation and of the time at which it is to become effective shall be given to the relevant Creditor in writing addressed to that Creditor at the last address of that Creditor known to Carnival and shall be effective when delivered to that address. It shall not be necessary for the related supplemental deed to have been entered into before that notice is sent, nor for the notice to state the date of the related supplemental deed.
5. Termination
- 5.1 Subject to Clause 5.3, this Guarantee shall automatically terminate if, and with effect from, the same time as:
- (A) the Equalization and Governance Agreement terminates or otherwise ceases to have effect; or
 - (B) the P&O Princess Guarantee terminates or otherwise ceases to have effect.
- 5.2 Subject to Clause 5.3, Carnival may at any time terminate this Guarantee by giving notice under Clause 8.2 with effect from such future time (being at least 3 months after the date on which such notice of termination is given) as it may determine. Subject to the next sentence, no such termination under this Clause 5.2 shall be effective unless P&O Princess agrees to such termination before such notice is given. However, such termination shall not require the agreement of P&O Princess if:
- (A) Carnival has given notice of the proposed termination of this Guarantee in accordance with Clause 8.2; and
 - (B) prior to the date set out in such notice, a resolution is passed or an order is made for the liquidation of P&O Princess.
- 5.3 No such termination shall be effective with respect to any Existing Obligation.
- 5.4 Notice of any automatic termination under Clause 5.1, and of the time at which it became effective, shall be given in accordance with Clause 8.2 within 10 Business Days of such termination.

6. Amendments

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

6.1 Subject to Clause 6.2, Carnival and P&O Princess may at any time amend this Guarantee by giving notice under Clause 8.2 with effect from such future time (being at least 3 months after the date on which notice of such amendment is given) as they may determine.

6.2 No such amendment shall be effective with respect to any Existing Obligation.

6.3 No such amendment shall be effective unless and until Carnival and P&O Princess enter into a supplemental deed specifying the relevant amendment and the time at which it is to become effective.

6.4 Notice of any such amendment, of the time at which it is to become effective, and of the date of the related supplemental deed shall be given in accordance with Clause 8.2.

7. Currency

7.1 All payments to be made under this Guarantee shall be made in the currency or currencies in which the Obligations are expressed to be payable by P&O Princess.

7.2 If, under any applicable law, whether as a result of a judgment against Carnival or P&O Princess or the liquidation of Carnival or P&O Princess or for any other reason, any payment under or in connection with this Guarantee is made or is recovered in a currency (the "other currency") other than that in which it is required to be paid under the terms of the relevant Obligation (the "agreed currency") then, to the extent that the payment to the Creditor (when converted at the rate of exchange on the date of payment, or in the case of a liquidation, the latest date for the determination of liabilities permitted by the applicable law) falls short of the amount due and unpaid in respect of that Obligation, Carnival undertakes with P&O Princess that it shall, as a separate and independent obligation, fully indemnify the Creditor against the amount of the shortfall, and for the purposes of this Clause 7, "rate of exchange" means the spot rate at which the Creditor is able on the relevant date to purchase the agreed currency with the other currency.

8. Notices

8.1 Any notice to or demand upon Carnival under this Guarantee shall be in writing addressed to it at its principal place of business in the U.S.A. for the time being (marked for the attention of the Chief Financial Officer, with a copy sent to the General Counsel and Secretary) and shall be effective when delivered to that principal place of business.

8.2 Any notice to or demand upon P&O Princess under this Guarantee shall be in writing addressed to it at its principal place of business in the U.S.A. for the time being (marked for the attention of the Chief Financial Officer, with a copy sent to the General Counsel and Secretary) and shall be effective when delivered to that principal place of business.

8.3 Any notice by Carnival under Clause 4.4, 5.4 or 6.4 shall be given by advertisements in the Financial Times (London Edition) and the Wall Street Journal (but, if at any time Carnival determines that advertisement in such newspaper(s) is not practicable, the relevant advertisement shall instead be published in such other newspaper(s) circulating generally in the United Kingdom or the U.S.A., as the case may be, as Carnival shall determine). Any such notice shall be deemed given on the date of publication in such newspaper in the United Kingdom or the U.S.A., as the case may be (or, where such advertisements are

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

published on different dates, on the later of such dates).

7

8.4 The original counterparts of this Guarantee and of any related supplemental deeds shall be kept at, respectively, the principal place of business in the U.S.A. for the time being of Carnival and the principal place of business in the U.S.A. for the time being of P&O Princess and shall be available for inspection there on reasonable notice during the normal business hours of that office.

9. General

9.1 Prohibition and Enforceability

Any provision of, or the application of any provision of, this Guarantee which is void, illegal or unenforceable in any jurisdiction does not affect the validity, legality or enforceability of that provision in any other jurisdiction or of the remaining provisions in that or any other jurisdiction.

9.2 Further Assurances

Carnival and P&O Princess shall take all steps, execute all documents and do everything reasonably required to give effect to their rights, liabilities and obligations contemplated by this Guarantee.

9.3 No Novation

Neither Carnival nor P&O Princess may novate any of their rights, liabilities or obligations under this Guarantee, in whole or in part.

This Guarantee may be executed in any number of counterparts. All counterparts taken together will be taken to constitute one and the same instrument.

10. Law and Jurisdiction

10.1 This Guarantee shall be governed by and construed in accordance with the laws of the Isle of Man.

10.2 Any legal action or proceeding arising out of or in connection with this Guarantee shall be brought exclusively in the courts of England.

10.3 Carnival and P&O Princess irrevocably submit to the jurisdiction of such courts and waive any objection to proceedings in any such court on the ground of venue or on the ground that the proceedings have been brought in an inconvenient forum.

5

4.2 No such agreement or exclusion shall be effective with respect to any Existing Obligation.

4.3 No such agreement or exclusion shall be effective unless and until P&O Princess and Carnival enter into a supplemental deed specifying the relevant exclusion and the time at which it is to become effective.

4.4 Notice of any such exclusion of obligations of a particular type, of the time at which such exclusion is to become effective, and of the date of the related supplemental deed, shall be given in accordance with Clause 8.2.

4.5 Notice of any such exclusion of a particular obligation and of the time at which it is to become effective shall be given to the relevant Creditor in writing addressed to that Creditor at the last address of that Creditor known to P&O Princess and shall be effective when delivered to that address. It shall not be necessary for the related supplemental deed to have been entered into before that notice is sent, nor for the notice to state the date of the related supplemental deed.

5. Termination

(A) the Equalization and Governance Agreement terminates or otherwise ceases to have effect; or

(B) the Carnival Guarantee terminates or otherwise ceases to have effect.

5.2 Subject to Clause 5.3, P&O Princess may at any time terminate this Guarantee by giving notice under Clause 8.2 with effect from such future time (being at least 3 months after the date on which such notice of termination is given) as it may determine. Subject to the next sentence, no such termination under this Clause 5.2 shall be effective unless Carnival agrees to such termination before such notice is given. However, such termination shall not require the agreement of Carnival if:

(A) P&O Princess has given notice of the proposed termination of this Guarantee in accordance with Clause 8.2; and

(B) prior to the date set out in such notice, a resolution is passed or an order is made for the liquidation of Carnival.

5.3 No such termination shall be effective with respect to any Existing Obligation.

5.4 Notice of any automatic termination under Clause 5.1, and of the time at

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

which it became effective, shall be given in accordance with Clause 8.2 within 10 Business Days of such termination.

6. Amendments

6.2 No such amendment shall be effective with respect to any Existing Obligation.

6.3 No such amendment shall be effective unless and until P&O Princess and Carnival enter into a supplemental deed specifying the relevant amendment and the time at which it is to become effective.

6

6.4 Notice of any such amendment, of the time at which it is to become effective, and of the date of the related supplemental deed, shall be given in accordance with Clause 8.2.

7. Currency

7.1 All payments to be made under this Guarantee shall be made in the currency or currencies in which the Obligations are expressed to be payable by Carnival.

7.2 If, under any applicable law, whether as a result of a judgment against P&O Princess or Carnival or the liquidation of P&O Princess or Carnival or for any other reason, any payment under or in connection with this Guarantee is made or is recovered in a currency (the "other currency") other than that in which it is required to be paid under the terms of the relevant Obligation (the "agreed currency") then, to the extent that the payment to the Creditor (when converted at the rate of exchange on the date of payment, or in the case of a liquidation, the latest date for the determination of liabilities permitted by the applicable law) falls short of the amount due and unpaid in respect of that Obligation, P&O Princess undertakes with Carnival that it shall, as a separate and independent obligation, fully indemnify the Creditor against the amount of the shortfall, and for the purposes of this Clause 7, "rate of exchange" means the spot rate at which the Creditor is able on the relevant date to purchase the agreed currency with the other currency.

8. Notices

Exhibit A
Summary of terms of Pairing Agreement and Special Voting Trust Deed

On [], 2003, Carnival Corporation ("Carnival") and P&O Princess Cruises plc ("P&O Princess") established a dual listed company structure (the "DLC Structure") under an Offer and Implementation Agreement (the "Offer and Implementation Agreement") between Carnival and P&O Princess, dated as of January 8, 2003. In connection with the establishment of the DLC Structure, P&O Princess issued a Special Voting Share to Carnival. Carnival then transferred the Special Voting Share to [] (the "Trustee") as trustee of the P&O Princess Special Voting Trust, a newly-formed Cayman Islands trust (the "Trust"), and the Trust issued to Carnival one share of beneficial interest

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

(each, a "Trust Share" and together the "Trust Shares") for each outstanding share of common stock, par value \$0.01 per share, of Carnival (the "Carnival Common Stock"). The Trust Shares represent an equal, absolute, identical, undivided interest in the property of the Trust, including the Special Voting Share.

The Trust Shares have been distributed by Carnival as a dividend to holders of record of the Carnival Common Stock as of [], 2003, in accordance with the Offer and Implementation Agreement and the Pairing Agreement (the "Pairing Agreement") between Carnival and the Trustee, dated as of [], 2003, at a rate of one Trust Share for each share of Carnival Common Stock.

Under the Pairing Agreement:

- . each Trust Share is represented by and is attached permanently to a share of Carnival Common Stock;
- . the Carnival Common Stock and the Trust Shares will trade together as a unit on the New York Stock Exchange under Carnival's existing symbol, "CCL";
- . the certificates representing shares of Carnival Common Stock will also represent an equivalent number of Trust Shares; and
- . the transfer agent for both the Carnival Common Stock and the Trust Shares will be [] and will be required to register transfers in accordance with the Pairing Agreement.

Therefore, do not send in any certificates representing shares of Common Stock. You do not need to send in stock certificates in order to receive the Trust Shares. All certificates representing shares of Carnival Common Stock issued after [], 2003 will bear a legend stating that those certificates also represent Trust Shares.

The issuance of the Trust Shares will have no effect on reported earnings per share or any other per share operating measures of Carnival. Although there is no U.S. federal income tax authority addressing the tax consequences of a dual listed company transaction, Carnival believes that the distribution of the Trust Shares should not give rise to taxable income or gain for U.S. federal income tax purposes for U.S. holders of Carnival Common Stock. However, the Internal Revenue Service may assert that U.S. holders of Carnival Common Stock received taxable income as a result of the various voting and equalisation provisions necessary to implement the DLC structure. Carnival believes that such voting and other rights, if any, received by shareholders are expected to have only nominal value and, therefore, the receipt of such rights by U.S. Carnival shareholders would only result in a nominal amount of income. It is possible, however, that the Internal Revenue Service may disagree with this conclusion. The distribution of the Trust Shares will not change the way in which you can presently trade the shares of Carnival Common Stock.

VOTING TRUST DEED

This Voting Trust Deed (this "Voting Trust Deed") is dated [], 2003, and is made by and between [] (the "Trust Company," and in its capacity as Trustee hereunder and any successor thereto appointed hereunder, the "Trustee"), as Trustee, and Carnival Corporation, a Panamanian corporation ("Carnival"), as depositor, and is being entered into for the purpose of forming the P&O Princess Special Voting Trust, a trust established under the laws of the Cayman Islands (the "Trust"), and providing for the issuance of shares of beneficial interest in the Trust (each a "Share" and together the "Shares").

PRELIMINARY STATEMENT

P&O Princess Cruises plc ("P&O Princess") and Carnival are parties to an Offer and Implementation Agreement, dated as of January 8, 2003 (the "Offer and Implementation Agreement") pursuant to which, among other things, P&O Princess and Carnival are establishing a dual listed company structure (the "DLC Transaction") and creating certain rights for the holders (the "Carnival Stockholders") of Carnival's common stock, par value \$0.01 per share (including any security into which such common stock is reclassified or converted, the "Carnival Common Stock") and the holders of P&O Princess ordinary shares.

Pursuant to the Offer and Implementation Agreement and immediately prior to the execution and delivery of this Voting Trust Deed, P&O Princess has issued the Initial Property to Carnival, and Carnival has transferred to the Trustee, on behalf of and for the benefit of the Shareholders and without recourse, all the right, title and interest of Carnival, in, to and under the Initial Property (the "Deposit") to be held by the Trustee on the terms and conditions set out herein. The Pairing Agreement and the SVE Special Voting Deed are being entered into by the parties thereto at the same time that this Voting Trust Deed is being entered into by the parties hereto.

Pursuant hereto, Carnival and the Trust Company are forming this Trust in accordance with the laws of the Cayman Islands.

Pursuant to the Offer and Implementation Agreement, and promptly after receiving the Shares, Carnival shall convey any and all of its interest in the Shares to Carnival Stockholders.

The Trust Company is willing to act as Trustee hereunder and to hold the Trust Property upon and subject to the trusts, powers and provisions of this Voting Trust Deed.

The parties hereto intend that the Trust be classified for United States federal income tax purposes as an "investment trust" under the Code and United States Treasury Regulation 301.7701-4(c) and, without limitation, a "grantor trust" under Subpart E, Part I of Subchapter J of the Code pursuant to which

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

the Shareholders will be considered to own the Trust Property for U.S. federal, state and local income tax purposes, and not as a trust or association taxable as a corporation or as a partnership.

(c) In furtherance of its performance of the Permitted Activities of the Trustee, the Trustee may exercise the Incorporated Powers, which shall be incorporated herein by reference; provided that the Trustee shall not exercise any of its powers contrary to the express provisions of this Voting Trust Deed. Notwithstanding anything to the contrary herein, the Trustee shall not engage

7

in any business or activities other than the Permitted Activities of the Trustee. The Trustee shall not vary the investment of the Trust or engage in any business or activity which will cause the Trust to be required to be registered under the Investment Company Act or which would cause the Trust to be taxed as an association or publicly traded partnership taxable as a corporation or otherwise alter the classification of the Trust for U.S. federal income tax purposes.

(d) The Trustee shall not engage in any activity other than as required or authorized by this Voting Trust Deed. In particular, the Trustee shall not and shall not cause the Trust to (i) invest any proceeds (if any) received by the Trustee from holding the Trust Property, but shall promptly distribute all such proceeds to the Shareholders pursuant to the terms of this Voting Trust Deed, except as allowed pursuant to the principles set forth in Rev. grantor trust under Subpart E, Part I of Subchapter J of the Code pursuant to which the Shareholders will be considered to own the Trust Property for U.S. federal, state and local income tax purposes; (v) incur any indebtedness for borrowed money or issue any other debt; or (vi) issue any securities or other evidences of beneficial ownership of, or beneficial interest in, the Trust other than the Shares.

(e) The Trustee may sell at any time, all or any part of the Trust Property if it has obtained the consent of both Carnival and P&O Princess, such consent to be in the absolute discretion of Carnival and P&O Princess, each with regard to its own respective interest; provided, however, that any such sale must be carried out in accordance with, the principles set forth in Rev. Rul. 78-149, 1978-1 C.B. 448, as amended or modified by subsequent changes in applicable law, and the Trustee must act, or if appropriate, not fail to act in a manner that permits the Trust to continue to qualify as an investment trust under the Code and Treasury Regulation 301.7701-4(c) and, without limitation, as a grantor trust under Subpart E, Part I of Subchapter J of the Code pursuant to which the Shareholders will be considered to own the Trust Property for U.S. federal, state and local income tax purposes. No sale of Trust Property pursuant to this Section 3.01(e) shall be effective unless and until the transferee of such property, as consented to by Carnival and P&O Princess, has agreed to be bound by the terms of this Voting Trust Deed. Any sale of Trust Property in violation of this Section 3.01(e) shall be null and void. For the avoidance of doubt, in no event shall (i) any of the proceeds of a sale of the Trust Property be distributable to anyone other than the Shareholders or (ii) the Trustee have any power to reinvest any proceeds of a sale of Trust Property, it being understood that the Trustee must distribute such proceeds to the Shareholders.

(f) Notwithstanding any other section of this Voting Trust Deed, the Trustee shall not take any action that is reasonably likely to (i) impair the interests of the Trustee in the P&O Princess Special Voting Share or any other Trust Property, (ii) impair the value of the P&O Princess Special Voting Share or any other Trust Property or (iii) to the extent so certified by Carnival or to the Trustee's Knowledge would, require the Trustee or the Trust to be registered under the Investment Company Act, and subject to Section 7.03, the Trustee shall not fail to take any action that is reasonably likely to avoid any of the matters referred to in clause (i), (ii) or (iii) above.

Section 3.02 P&O Princess Special Voting Share. The Trustee shall exercise the votes attaching to the P&O Princess Special Voting Share from time to time in accordance with the SVE Special Voting Deed and the P&O Princess Articles.

8

Section 3.03 Required Compliance with Securities Laws and Stock Exchange Regulations. The Trustee shall make any filings that are necessary or appropriate under the Securities Act relating to the issuance of Shares under this Voting Trust Deed or any deemed issuance of the P&O Princess Special Voting Share by P&O Princess under the Securities Act. The Trustee shall also make any filings that are necessary or appropriate under the Exchange Act or the rules of any national securities exchange or automated quotation system on which the Shares, the P&O Princess Special Voting Share or the shares of Carnival Common Stock are listed. Notwithstanding the foregoing, if any such filings would require any information to be given about the Trustee's parent company (or any other entity within its corporate group) which is not already in the public domain and currently made available by such parent company or other entity to its shareholders, the Trustee shall be entitled to require

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Carnival to use all reasonable efforts as shall be required to avoid any such filings having to be made or, at the request of Carnival, the Trustee shall resign and be replaced by a successor trustee in accordance with Section 7.06 prior to any such filings having to be made.

Section 3.04 Tax Status of the Trust. Notwithstanding any other provision of this Voting Trust Deed or the SVE Special Voting Deed, the Trustee must always act, or if appropriate, not fail to act, in a manner that permits the Trust (i) to continue to qualify as an investment trust under the Code and Treasury Regulation 301.7701-4(c) including, without limitation, by acting in accordance with the principles set forth in Rev. Rul. 75-192 1975-1 C.B. 384, as amended or modified by subsequent changes in applicable law, and (ii) to continue to qualify as a grantor trust under Subpart E, Part I of Subchapter J of the Code pursuant to which the Shareholders will be considered to own the Trust Property for U.S. federal, state and local income tax purposes.

(b) Upon each issuance of additional shares of Carnival Common Stock by Carnival, the Trustee shall authorize and issue to Carnival a number of additional Shares equal to the number of additional shares of Carnival Common Stock issued by Carnival.

(c) On the date hereof, the Trustee shall authorize for issuance Shares to be issued upon the conversion or exercise of any securities convertible into or exercisable for shares of Carnival Common Stock or any rights, options or warrants to purchase shares of Carnival Common Stock (collectively, "Carnival Derivative Securities"), which were issued by Carnival prior to the date hereof and which have not been previously converted or exercised. (a) The Trustee shall not declare, make or pay any distribution or dividend consisting in whole or in part of Shares, or subdivide, combine, reclassify, cancel or retire such Shares, except as required by Section 5.06(b) or this Voting Trust Deed or Section 6 of the Pairing Agreement.

(b) After the date hereof:

(i) if Carnival declares or pays any distribution consisting in whole or in part of shares of Carnival Common Stock, or subdivides or combines such shares of Carnival Common Stock, then (x) the Trustee shall effect such corresponding issues, subdivisions or combinations of Shares as are necessary to maintain the pairing relationship of one share of Carnival Common Stock to each Share, as certified to it by Carnival in accordance with Section 7 of the Pairing Agreement, and (y) Carnival shall take all such actions as may be necessary to permit the Trustee to effect such corresponding issues, subdivisions or combinations of Shares;

(ii) if Carnival otherwise reclassifies the shares of Carnival Common Stock, then (x) the Trustee shall effect such transactions as are necessary to maintain the pairing relationship of the securities into which one share of Carnival Common Stock was so reclassified to each Share, as certified to it by Carnival in accordance with Section 7 of the Pairing Agreement, and (y) Carnival shall take all actions as may be necessary to permit the Trustee to effect such transactions; and

(iii) if Carnival cancels or retires any shares of Carnival Common Stock, then the Trustee shall cancel or retire the Shares that correspond to such canceled or retired shares of Carnival Common Stock, as certified to it by Carnival in accordance with Section 7 of the Pairing Agreement.

(a) Except for obligations expressly set out in this Voting Trust Deed, Carnival shall not be under any obligation to expend or risk its own funds, except to the extent of its obligation to pay any amount payable under Section 7.04(b) hereof, or otherwise incur financial liability in the performance of its duties thereunder or in the exercise of any of its rights or powers if reasonable grounds exist for believing that the repayment of such funds or adequate indemnity against such risk or liability is not assured to it.

(b) Without prejudice to Carnival's liability to the Trustee under Section 7.04 hereof, neither Carnival nor any of its directors, officers, employees or agents shall be liable, for any losses, costs or damages or otherwise, to the Trustee or the Shareholders for any act or omission of Carnival except for its willful misconduct, bad faith or gross negligence in the performance of duties specifically set forth in this Voting Trust Deed, the Pairing Agreement and the SVE Special Voting Deed.

CONCERNING THE TRUSTEE

Section 7.01 Duties of Trustee.

(a) The Trustee undertakes to perform such duties and only such duties as are specifically (i) set forth in this Voting Trust Deed, the Pairing Agreement, the SVE Special Voting Deed, and the P&O Princess Articles, or (ii) imposed by applicable law. Any permissive right of the Trustee enumerated in this Voting Trust Deed, the Pairing Agreement, the SVE Special Voting Deed or the P&O Princess Articles shall not be construed as a duty.

(b) No provision of this Voting Trust Deed shall be construed to relieve the Trustee from liability for its fraud or negligence in the performance of any of its duties under this Voting Trust Deed or the willful default or

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

willful breach of its obligations under this Voting Trust Deed; provided, however, that:

(i) the duties and obligations of the Trustee shall be determined solely by the express terms of this Voting Trust Deed and by applicable law, the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Voting Trust Deed, no implied covenants or obligations (except for a fiduciary duty to the Shareholders as beneficiaries of the Trust) shall be read into this Voting Trust Deed against the Trustee and the Trustee may conclusively rely upon any certificates or opinions furnished to the Trustee as to the truth and correctness of any statements contained therein;

12

(ii) the Trustee shall not be personally liable for an error of judgment made in good faith by a Responsible Officer or Responsible Officers of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be required to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Voting Trust Deed if there is reasonable ground for believing that the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

Section 7.02 Certain Matters Affecting the Trustee. (a) Except as otherwise provided in Section 7.01:

(i) Carnival shall give to the Trustee or any person approved by Carnival and appointed in writing by the Trustee such information as the Trustee or such appointed person shall reasonably require (other than material non-public information) for the purpose of the discharge of the powers, duties and discretions vested in the Trustee under this Voting Trust Deed, the Pairing Agreement, or the SVE Special Voting Deed. All information provided by Carnival under this section shall be in writing and contained in a certificate of a duly authorized officer of Carnival.

(ii) The Trustee shall be at liberty to accept a certificate or notice signed or purporting to be signed by any director of Carnival or the secretary of Carnival or any other duly authorized officer or person, as appropriate, and shall be at liberty to accept such certificate or notice in order to satisfy any factor or matter upon which the Trustee may require to be satisfied in the performance of any of its obligations and the exercise of any of the powers, authorities and discretions under this Voting Trust Deed, the Pairing Agreement, the SVE Special Voting Deed, or the P&O Princess Articles or a statement to the effect that in the opinion of the persons so certifying any particular dealing, transaction, step or thing is expedient. The Trustee shall not be in any way bound to call for further evidence nor to verify the accuracy of the contents of such certificate, report, statement or notice or the due authorization, authority or position of the person or persons purporting to sign it nor be responsible for any losses, liabilities, costs, damages, actions, demands or expenses or for any breach of any of the provisions of this Voting Trust Deed, the Pairing Agreement, the SVE Special Voting Deed, or the P&O Princess Articles that may be occasioned by accepting or acting or relying on any such

certificate, report, statement or notice.

(iii) The Trustee may in the proper performance of its obligations and the exercise of the powers, authorities and discretions vested in it under this Voting Trust Deed, the Pairing Agreement, the SVE Special Voting Deed or the P&O Princess Articles act on the opinion or advice of or information obtained from any lawyer, banker, valuer, accountant or the share registrar or transfer agent at such time of Carnival or other expert or of Carnival itself, whether obtained by Carnival or the Trustee or otherwise (including, without limitation, an Opinion of Counsel), and in such case, provided that (except where advice is received from Carnival itself) the Trustee shall have acted reasonably in its choice of any such person (or, in the case of an Opinion of Counsel, such counsel is counsel for Carnival), the Trustee shall not be responsible for any losses, liabilities, costs, claims, actions, damages, expenses or demands which it or any other person may incur or which may be made against it or any other person in connection with or occasioned by so acting. Any such opinion, advice or information may be sought or obtained by electronic mail, letter, facsimile or other means of written communication. The Trustee shall not be liable for acting on any opinion, advice or information or for acting on, implementing and giving effect to any decision, determination or adjustment purporting to be conveyed by any such written communication reasonably appearing on its face to be authentic even though it contains an error or is not authentic.

13

(iv) except for the duties and obligations of the Trustee expressly created by this Voting Trust Deed, the Trustee shall be under no obligation to exercise any of the trusts or powers vested in it by this Voting Trust Deed or to institute, conduct or defend any Proceeding hereunder or in relation thereto, at the request, order or direction of any of the Shareholders, pursuant to the terms of this Voting Trust Deed;

(v) the Trustee shall not be personally liable for any action taken, suffered or omitted by it and believed by it to be authorized or within the rights or powers conferred upon it by this Voting Trust Deed; provided that any such action taken, suffered or omitted is not attributable to fraud or negligence on the part of the Trustee in the performance of its duties under this Voting Trust Deed or the willful default or willful breach of its obligations under this Voting Trust Deed;

(vi) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, approval, bond or other paper or document;

For the avoidance of doubt, the Trustee shall have no liability whatsoever for supervising or otherwise for, any of the actions (or failures) of any transfer agent under the Pairing Agreement; and

(viii) the Trustee shall not be deemed to have notice or actual knowledge of any matter unless (1) a Responsible Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or (2) written notice thereof is received by the Trustee in accordance with

Section 9.05.

(ix) the Trustee shall not incur any liability for and have no responsibility verifying the accuracy of, the content of any information submitted to it or prepared by Carnival or P&O Princess for distribution to Shareholders [or for any tax consequences that may result from being a Shareholder].

(b) Subject to any and all rights reserved to the Trustee hereunder, including, without limitation, the Trustee's right to indemnity under Section 7.04(b), all rights of action under this Voting Trust Deed or under any of the Shares, enforceable by the Trustee, may be enforced by it without the possession of any of the Shares, or the production thereof at the trial or other Proceeding relating thereto, and any Proceeding instituted by the Trustee on behalf of the Trust may be brought in its name for the benefit of all the Shareholders, subject to the terms of this Voting Trust Deed.

Section 7.03 Limitation on Liability of Trustee.

(a) The Trustee assumes no responsibility for the correctness of the recitals contained in this Voting Trust Deed, the Pairing Agreement or the SVE Special Voting Deed, the Shares, the Certificates or any document issued in connection with the issuance of the Shares. The Trustee makes no representations or warranties as to the validity or sufficiency of this Voting Trust Deed, the Pairing Agreement or the SVE Special Voting Deed, the Shares, the Certificates, the P&O Princess Special Voting Share or any related document. The Shares and the Certificates do not represent interests in or obligations of the Trustee personally, and the Trustee shall not be responsible or accountable for any tax, accounting or other treatment proposed to be applied to the Shares, the Certificates or any interest therein.

(b) Notwithstanding any other provision in this Voting Trust Deed, the Pairing Agreement or the SVE Special Voting Deed, the Trustee shall not be bound to take any steps to ascertain

14

whether any breach of any of the provisions of this Voting Trust Deed, or the Pairing Agreement or the SVE Special Voting Deed by any party other than the Trustee has occurred or may occur in the future and, until it has actual knowledge to the contrary, the Trustee shall be entitled to assume that no such breach has occurred or will occur in the future and shall not be liable to any Person for any Liabilities incurred by that Person as a result of a breach having occurred.

(c) Notwithstanding any other provision in this Voting Trust Deed or the Pairing Agreement, the Trustee shall not be under any obligation to appear in, prosecute or defend any Proceeding with respect to the enforcement of Carnival's or the Transfer Agent's respective obligations under the Pairing Agreement or in connection with any breach by Carnival or the Transfer Agent of their respective obligations under the Pairing Agreement.

Section 7.04 Trustee Fees and Expenses; Indemnification.

(a) Carnival shall pay or ensure that payment is made to the Trustee such fees as may be agreed from time to time between Carnival and the Trustee for the performance by the Trustee of its obligations under this Voting Trust Deed.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

(b) In addition to any other indemnity available to the Trustee under applicable law, Carnival shall indemnify and keep indemnified the Trustee (for itself and as trustee on behalf of its directors, officers, employees, controlling persons and every attorney, manager, agent, delegate or other person appointed by it under this Voting Trust Deed, the Pairing Agreement and the SVE Special Voting Deed) each, an "Indemnified Party" against all Liabilities and expenses properly incurred by each Indemnified Party in the performance or purported performance of its obligations under this Voting Trust Deed, the Pairing Agreement and the SVE Special Voting Deed and of any powers, authorities or discretions vested in it or such persons pursuant to this Voting Trust Deed, the Pairing Agreement and the SVE Special Voting Deed and against all actions, proceedings, costs, claims, damages, expenses and demands in respect of any matter or thing done or omitted in any way relating to this Voting Trust Deed, the Pairing Agreement and the SVE Special Voting Deed, including without limitation, the institution by the Trustee of any Proceedings in respect of any default by Carnival or P&O Princess; provided, however, that the indemnity available to the each Indemnified Party under this Section 7.04(b) shall not extend to any Liability incurred by reason of fraud or negligence on the part of each Indemnified Party in the performance of its duties under this Voting Trust Deed, the Pairing Agreement and the SVE Special Voting Deed, or the willful default or willful breach of its obligations under this Voting Trust Deed, the Pairing Agreement and the SVE Special Voting Deed.

(c) With respect to any Proceeding, the Indemnified Parties shall notify Carnival promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify Carnival shall not relieve Carnival of its obligations, hereunder unless such failure to notify results in material prejudice to Carnival. Carnival may, by written notice to the Indemnified Parties, assume the defense of the Proceeding, and, if Carnival does so, the Trustee shall cooperate (at Carnival's expense) in such defense. If the Indemnified Parties maintains control of the defense of the Proceeding, it shall consult in good faith with Carnival in preparing its defense. Carnival need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

Section 7.05 Limitation of Powers and Duties. The Trust is established solely for the purposes of acquiring and holding the Trust Property, entering into and performing its obligations and exercising its rights under this Voting Trust Deed, the SVE Special Voting Deed, the Pairing Agreement and the P&O Princess Articles, issuing the Shares and engaging in activities incidental to the foregoing. The Trustee is not permitted to incur any debt except as is necessary to achieve the foregoing. The Trustee is not authorized to acquire any other investments or engage in any activities not authorized in this Voting Trust Deed, the SVE Special Voting Deed, P&O Princess Articles or the Pairing Agreement and, in

15

particular, the Trustee is not authorized (i) to Deal in the P&O Princess Special Voting Share or interests therein or rights thereto except as required or permitted in this Voting Trust Deed, the SVE Special Voting Deed, P&O Princess Articles or the Pairing Agreement or (ii) to do anything that would cause the Trust to (1) be required to be registered under the Investment Company Act or (2) cause the Trust to be taxed as an entity other than investment trust under the Code and United States Treasury Regulation 301.7701-4(c) and, without limitation, a grantor trust under Subpart E, Part I of Subchapter J of the Code pursuant to which the Shareholders will be considered to own the Trust Property for U.S. federal, state and local income tax purposes, or otherwise alter the classification of the Trust for U.S.

federal, state and local income tax purposes.

Section 7.06 Resignation or Removal of the Trustee.

(a) Subject to Section 7.06(c), the Trustee may at any time resign and be discharged from its obligations and duties under this Voting Trust Deed, the Pairing Agreement and the SVE Special Voting Deed by giving written notice thereof to Carnival. Upon receiving such notice of resignation, Carnival shall as promptly as possible (and in any event within 45 calendar days after the date of such notice of resignation) appoint a successor Trustee (in accordance with this Voting Trust Deed) by written instrument, in duplicate, which instrument shall be delivered to the resigning Trustee and to the successor Trustee. If no successor Trustee that has been so appointed shall have accepted appointment within 90 calendar days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee. Upon any appointment of a successor Trustee pursuant to this Section 7.06(a), Carnival shall be solely liable for (i) the payment of such successor Trustee's fees and expenses and (ii) provision of adequate indemnities satisfactory to such successor Trustee (it being understood that the indemnification obligations of Carnival pursuant to Section 7.04(b) shall inure to the benefit of such successor Trustee). For the avoidance of doubt and notwithstanding any other provisions of this Voting Trust deed, any resignation, retirement or removal of a Trustee shall not release or prejudice in any way any of the Trustee's rights to be indemnified by Carnival and the other protections afforded to it by Article VII of this Voting Trust Deed (such indemnification and other protections being referred to as "Trustee's Protections") which Trustee Protections shall continue in full force and effect and continue to be enforceable by the Trustee notwithstanding such resignation, retirement or removal.

(b) At any time, Carnival or its designee may make a written request that the Trustee resign. Upon the agreement of the Trustee to so resign or if the Trustee fails to resign within a reasonable time after written request therefor by Carnival or such designee (and in no event later than 10 days after the Trustee shall have received such written request), or if at any time the Trustee shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then Carnival or such designee may remove the Trustee and appoint a successor Trustee by written instrument, in duplicate, which instrument shall be delivered to the Trustee so removed and to the successor Trustee.

(c) Any resignation or removal of the Trustee and appointment of a successor Trustee pursuant to any of the terms of this Section 7.06 shall not become effective until acceptance of appointment by the successor Trustee as provided in Section 7.07.

(d) Notwithstanding any other provision of this Section 7.06, any appointment of a successor Trustee pursuant to any of the terms of this Section 7.06 shall be effective if, and only if, Carnival appoints a successor Trustee (other than Carnival) that is not related or subordinate to Carnival or P&O Princess, within the meaning of Section 672(c) of the Code, and such designated successor so qualifies as Trustee. Carnival may at any time release the powers granted under this paragraph.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

(e) The statutory power of appointing a new Trustee shall not become exercisable by reason only that a Trustee remains out of the Cayman Islands for more than 12 months.

(f) The stipulation of Section 6(c) of the Trusts Law (2001 Revision) of the Cayman Islands or any statutory modification or reenactment thereof that a Trustee shall not be discharged from his trust unless there will be either a trust corporation or at least two individuals to act as trustees to perform the trust is hereby excluded and, in any event, each and every person actually or prospectively interested in the Trust Property is hereby excluded from asserting any claim against a Trustee or former Trustee on the basis of the said stipulation save to the extent of any trust monies or other trust assets actually in the possession or control of such Trustee or former Trustee.

Section 7.07 Successor Trustee.

(a) Any successor Trustee appointed as provided in Section 7.06 shall execute, acknowledge and deliver to Carnival and its predecessor Trustee an instrument accepting such appointment under this Voting Trust Deed, and thereupon the resignation or removal of the predecessor Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties and obligations of the predecessor Trustee under this Voting Trust Deed, with the like effect as if originally named as Trustee in this Voting Trust Deed. The predecessor Trustee shall deliver to the successor Trustee all documents and statements held by it under this Voting Trust Deed, and Carnival and the predecessor Trustee shall execute and deliver such instruments and do such other things as may reasonably be required for more fully and certainly vesting and confirming in the successor Trustee all such rights, powers, duties and obligations.

(b) Upon acceptance of appointment by a successor Trustee as provided in this Section 7.07, the predecessor Trustee shall novate its rights and obligations under the Pairing Agreement and the SVE Special Voting Deed to such successor Trustee.

Section 7.08 Merger or Consolidation of Trustee. Any corporation or association into or with which the Trustee may be merged, amalgamated or converted or with which it may be consolidated or any corporation or association resulting from any merger, amalgamation, conversion or consolidation to which the Trustee shall be a party, or any corporation or association succeeding to the business of the Trustee, shall be the successor of the Trustee under this Voting Trust Deed, without the execution or filing of any paper or any further act on the part of any of the parties to this Voting Trust Deed, anything in this Voting Trust Deed to the contrary notwithstanding.

ARTICLE VIII

TERM AND TERMINATION

Section 8.01 Term. Subject to the terms of the Voting Trust Deed and to the powers conferred by law, the Trust Property and the income of the Trust Property shall be held on the Termination Date for the Shareholders absolutely pro rata in accordance with Shares held.

Section 8.02 Termination.

(a) On the Termination Date, the Trustee shall fix the date of the Final Distribution, which shall be as soon as reasonably possible thereafter, and shall on that date make the Final Distribution, after which the Trust shall be dissolved.

(b) The respective obligations and responsibilities under this Voting Trust Deed and the Pairing Agreement and of Carnival and the Trustee (other than the obligations of the Trustee to provide reports and other information under this Voting Trust Deed and to make distributions to Shareholders as herein set forth and the obligations of Carnival under Section 7.04) shall terminate upon the effectuation of the Final Distribution.

17

ARTICLE IX

MISCELLANEOUS TERMS

Section 9.01 Amendment.

(a) This Voting Trust Deed may be amended from time to time in writing by Carnival and the Trustee without the consent of any of the Shareholders: (i) if such amendment does not materially and adversely affect the rights of any Shareholder under this Voting Trust Deed; (ii) to cure any ambiguity or to correct or supplement any provision in this Voting Trust Deed which may be defective or inconsistent with any other provision in this Voting Trust Deed, the Pairing Agreement, the SVE Special Voting Deed or the P&O Princess Articles; (iii) to add to the covenants, restrictions or obligations of Carnival for the benefit of the Shareholders; (iv) to comply with the requirements of the law governing this Voting Trust Deed if such governing law is changed under Section 9.04(b); (v) to comply with any requirements imposed by the Commission or the Code or to qualify the Trust as a "grantor trust" under Subpart E, Part I of Subchapter J of the Code; (vi) to amend or waive the terms of Section 7.04(b) in any manner which shall not adversely affect the Shareholders in any material respect; or (vii) to evidence and provide for the acceptance of appointment under this Voting Trust Deed by a successor Trustee.

(b) Notwithstanding the foregoing, this Voting Trust Deed may also be amended from time to time in writing by Carnival and the Trustee with the consent of Shareholders holding a majority of the outstanding Shares.

(c) Notwithstanding the foregoing, no amendment to this Voting Trust Deed shall be effective if it causes the Trust not to be classified for U.S. federal, state and local income tax purposes as an "investment trust" under the Code and Treasury Regulation 301.7701-4(c) and, without limitation, as a grantor trust under Subpart E, Part I of Subchapter J of the Code pursuant to which the Shareholders will be considered to own the Trust Property for U.S. federal, state and local income tax purposes, and not as a trust or association taxable as a corporation or as a partnership.

Section 9.02 Counterparts. This Voting Trust Deed may be executed simultaneously in any number of counterparts, each of which counterparts shall be deemed to be an original, and such counterparts shall constitute but one and the same instrument.

Section 9.03 Limitation on Rights of Shareholders.

(a) The death or incapacity of any Shareholder shall not (1) operate to terminate this Voting Trust Deed or the Trust Property, (2) entitle such Shareholder's legal representatives or heirs to claim an accounting or to take any Proceeding in any court for a partition or winding up of the Trust Property or (3) otherwise affect the rights, obligations and liabilities of the parties thereto or any of them.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

(b) No Shareholder shall have any right to control the operation and management of any Trust Property, or the obligations of the parties thereto, nor shall anything in this Voting Trust Deed, the Pairing Agreement or the SVE Special Voting Deed set forth, or contained in the terms of the Shares or the Certificates, be construed so as to constitute the Shareholders from time to time as partners or members of an association. In addition, no Shareholder shall be under any liability to any third person by reason of any action taken by the parties to this Voting Trust Deed pursuant to any provision thereof.

18

Section 9.04 Governing Law.

(a) This Voting Trust Deed and each Share shall initially be governed by and construed in accordance with the laws of the Cayman Islands the courts of which shall be the forum of administration of the Trust. The Trustee, however, is prohibited from exercising any power or discretion granted under said laws that would be inconsistent with the qualification of the trust as an investment trust under the Code and Treasury Regulation 301.7701-4(c) and, without limitation, as a grantor trust under Subpart E, Part I of Subchapter J of the Code pursuant to which the Shareholders will be considered to own the Trust Property for U.S. federal, state and local income tax purposes. Notwithstanding the foregoing, the Trustee may upon obtaining the consent of Carnival, at any time and from time to time, by written instrument, declare that the Trust hereunder shall from the date of such declaration, or from a date stated in such declaration, take effect in accordance with the law of such other jurisdiction as it and Carnival, in their sole and absolute discretion, determine, and thereafter the law of such other jurisdiction shall govern the validity and construction of the Trust hereunder; provided, however, that if the Trustee exercises the discretionary power under this Section 9.04(a) to change the situs and governing jurisdiction of the Trust under this Voting Trust Deed, it may initiate such judicial proceedings (if any) as it deems necessary or desirable to accomplish such change, whether or not such proceeding is required by the law of the new governing jurisdiction. However, nothing in this section 9.04(a) shall be construed as allowing the Trustee to exercise this power in a manner that will result in the trust failing to qualify as an investment trust under the Code and Treasury Regulation 301.7701-4(c) and, without limitation, as a grantor trust under Subpart E, Part I of Subchapter J of the Code pursuant to which the Shareholders will be considered to own the Trust Property for U.S. federal, state and local income tax purposes.

(b) For so long as the Trust is a trust established under the laws of the Cayman Islands, Carnival irrevocably appoints [Walkers] of [PO Box 265GT, Walker House, Mary Street, George Town, Grand Cayman, Cayman Islands], fax number: [+345 949 7886] as its agent to receive on its behalf in the Cayman Islands service of such proceedings arising out of or in connection with this Voting Trust Deed. Such service shall be deemed completed on delivery to such agent (whether or not it is forwarded to and received by Carnival). If for any reason such agent ceases to be able to act as agent or no longer has an address in the Cayman Islands, Carnival shall forthwith appoint a substitute acceptable to the Trustee and deliver to the Trustee the new agent's name, address and fax number.

(c) At any time or times, without prior court approval but subject to applicable legal limitations and subject as mentioned below, upon the written request of Carnival, the Trustee shall move (or decline to move) all

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

or part of the assets or the situs of administration of the trust from one jurisdiction to another jurisdiction and, in connection with such move, this Voting Trust Deed and each Share shall be governed by and construed in accordance with the laws of such other jurisdiction. The determination of Carnival as to any such removal or change of situs may be made by them for any reason, including, without limitation, the convenience of Carnival, P&O Princess, the Trustee or of the Shareholders; provided, however, that nothing in this Section 9.04(b) shall be construed as allowing Carnival to exercise this power in a manner that will result in the trust failing to qualify at all times for U.S. federal, state and local income tax purposes as an "investment trust" under the Code and Treasury Regulation 301.7701-4(c) and, without limitation, as a grantor trust under Subpart E, Part I of Subchapter J of the Code pursuant to which the Shareholders will be considered to own the Trust Property for U.S. federal, state and local income tax purposes. The Trustee shall not be obliged to take any action under this Section 9.04(b) unless and until:

(i) it has had a reasonable opportunity to take such professional advice (at the expense of Carnival) as it may properly require as to the effect on it and its rights, obligations and liabilities arising under this Voting Trust Deed and/or (where relevant) the Pairing Agreement and the SVE Special Voting Deed of the proposed move of assets or change of situs of administration; and

19

(ii) it has agreed such amendments and/or additional provisions to this Voting Trust Deed with Carnival and/or (where relevant) to this Voting Trust Deed and the Pairing Agreement and the SVE Special Voting Deed with the parties thereto, as it may require as a condition of continuing to act as Trustee under this Voting Trust Deed and the Pairing Agreement and the SVE Special Voting Deed following such move of assets or change of situs.

Section 9.05 Notices. All directions, demands and notices under this Voting Trust Deed shall be in writing and shall be delivered to the Trustee at the Corporate Trust Office and a copy of such direction, demand, or notice shall be sent to the Parent's Address. Any notice required to be given to a Shareholder shall be sent by first class mail, postage prepaid, to the last address of such Shareholder set forth in the Share Register or may be given by facsimile to such number as may be provided to the Trustee. Any notice so mailed within the time prescribed in this Voting Trust Deed shall be conclusively presumed to have been duly given when mailed, whether or not the Shareholder receives such notice. Notices given by facsimile will be effective upon confirmation (including electronic confirmation) of effective transmission.

Section 9.06 Severability of Terms. If any one or more of the covenants, agreements or terms of this Voting Trust Deed shall be for any reason whatsoever held invalid, then such covenants, agreements or terms shall be deemed severable from the remaining covenants, agreements or terms of this Voting Trust Deed and shall in no way affect the validity or enforceability of the other terms of this Voting Trust Deed or of the Shares or the rights of the Shareholders.

Section 9.07 No Recourse. Each Shareholder, by its acceptance of a Share, acknowledges that such Share represents an equal, absolute, identical, undivided interest in the Trust Property only and does not represent an interest in or obligation of Carnival, the Trustee or any Affiliate of Carnival (other than the Trust, if the Trust is deemed to be an Affiliate of Carnival) or the Trustee and no recourse may be had against such Persons or their

respective assets.

Section 9.08 Intent of the Parties. Extract: Advice of P&O Princess' Financial Adviser to P&O Princess

The following is extracted from the prospectus being provided to P&O Princess shareholders in connection with the DLC transaction and the Partial Share Offer:

The P&O Princess board retained Schroder Salomon Smith Barney to act as its financial adviser with respect to the DLC transaction and the proposed Royal Caribbean DLC combination. In connection with this engagement, P&O Princess requested that Schroder Salomon Smith Barney be named in connection with the P&O Princess board's recommendation of the DLC transaction on 8 January 2003 in the following terms:

"The P&O Princess board, which has been so advised by Schroder Salomon Smith Barney, considers the terms of the proposed DLC transaction to be fair and reasonable. In providing advice to the P&O Princess board, Schroder Salomon Smith Barney has taken account of the P&O Princess board's commercial assessments of the proposed DLC transaction."

In providing this advice to the P&O Princess board, Schroder Salomon Smith Barney:

- .. reviewed the Implementation Agreement dated 8 January 2003, including the agreed forms of the Equalisation and Governance Agreement and SVE Special Voting Deed;
- .. held discussions with certain senior officers, directors and other representatives and advisers of P&O Princess and certain senior officers, directors and other representatives and advisers of Carnival concerning the business operations and prospects of P&O Princess and Carnival;
- .. examined publicly available business and financial information relating to P&O Princess and Carnival;
- .. reviewed certain internal financial statements and other financial and operating data concerning P&O Princess and Carnival respectively;
- .. reviewed the pro forma impact of the DLC transaction on P&O Princess' financial results;
- .. reviewed the financial terms of the DLC transaction in relation to, among other things, current and historical market prices of P&O Princess, the financial condition and historical and projected earnings and other operating data of P&O Princess and the market capitalisation of P&O Princess;
- .. analysed certain financial, stock market, and other publicly available information relating to the businesses of other companies whose operations Schroder Salomon Smith Barney considered relevant in evaluating those of P&O Princess and Carnival;
- .. considered, to the extent publicly available, the financial terms of

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

certain other similar transactions recently effected which Schroder Salomon Smith Barney considered relevant in evaluating the DLC transaction;

- .. conducted other analyses and examinations and considered other information and financial, economic and market criteria as Schroder Salomon Smith Barney deemed appropriate in providing its advice; and
- .. considered the P&O Princess board's commercial assessments of the DLC transaction, including, among other things, the creation of a Combined Group which will have the largest and one of the most modern and most efficient fleets in the cruise industry and the ability to deploy that fleet strategically; a wide portfolio of complementary brands, both by geography and product offering

1

and that will include some of the best known cruise brands globally; operating expertise reflecting the combined management of two of the leading global cruise operations; and the potential to generate costs savings of at least \$100 million on an annualized basis, in the first full year following completion of the transaction.

Previously, in September 2002, the P&O Princess board sought advice from Schroder Salomon Smith Barney in connection with the board's examination of whether Carnival's dual listed company proposal, which Schroder Salomon Smith Barney refers to as Carnival's DLC Proposal, was more favourable from a financial point of view than the proposed Royal Caribbean DLC combination.

In providing this advice to the P&O Princess board, Schroder Salomon Smith Barney:

- .. reviewed the Implementation Agreement including the equalization and governance agreement and special voting deed entered into by P&O Princess and Royal Caribbean on 19 November 2001
- .. reviewed the terms of Carnival's dual listed company proposal dated 7 February 2002
- .. held discussions with certain senior officers, directors and other representatives and advisers of P&O Princess;
- .. examined publicly available business and financial information relating to P&O Princess, Royal Caribbean and Carnival;
- .. reviewed certain internal financial statements and other financial and operating data concerning P&O Princess;
- .. reviewed the financial terms of Carnival's DLC Proposal and the proposed Royal Caribbean DLC combination in relation to, among other things, current and historical market prices of P&O Princess, the financial condition and historical and projected earnings and other operating data of P&O Princess and the market capitalisation of P&O Princess;
- .. analysed certain financial, stock market, and other publicly available information relating to the businesses of other companies whose operations Schroder Salomon Smith Barney considered relevant in evaluating those of P&O Princess, Royal Caribbean and Carnival;
- .. considered, to the extent publicly available, the financial terms of certain other similar transactions recently effected which Schroder Salomon

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

Smith Barney considered relevant in evaluating the proposed Royal Caribbean DLC combination and Carnival's DLC Proposal; and

.. conducted other analyses and examinations and considered other information and financial, economic and market criteria as Schroder Salomon Smith Barney deemed appropriate in providing its advice.

In rendering its advice, Schroder Salomon Smith Barney assumed and relied, without independent verification, on the accuracy and completeness of all financial and other information and data that it reviewed or considered. With respect to financial forecasts and other information and data provided to or otherwise reviewed by or discussed with Schroder Salomon Smith Barney, the management of P&O Princess advised Schroder Salomon Smith Barney that they were reasonably prepared on bases reflecting the best currently available estimates and judgments of the management of P&O Princess as to the future financial performance of P&O Princess. Schroder Salomon Smith Barney did not make and was not provided with an independent evaluation or appraisal of the assets or liabilities, contingent or otherwise, of P&O Princess, Royal Caribbean or Carnival, and did not make any physical inspection of the properties or assets of P&O Princess, Royal Caribbean or Carnival. Schroder Salomon Smith Barney was advised by representatives of P&O Princess, and Schroder Salomon Smith Barney assumed, that the final terms of the draft Equalisation and Governance Agreement and the SVE Special Voting Deed will not vary materially from those set forth in the drafts reviewed by Schroder Salomon Smith Barney.

2

Schroder Salomon Smith Barney's advice was necessarily based on information available to it, and financial, stock market and other conditions and circumstances existing and disclosed to Schroder Salomon Smith Barney as of the dates that it provided its advice. Although Schroder Salomon Smith Barney evaluated the DLC transaction, the proposed Royal Caribbean DLC combination and Carnival's DLC Proposal from a financial point of view, Schroder Salomon Smith Barney was not asked to and did not recommend the specific financial terms of the DLC transaction, which were determined through negotiation between P&O Princess and Carnival, and was not asked to and did not recommend the specific financial terms of the proposed Royal Caribbean DLC combination, which were determined through negotiation between P&O Princess and Royal Caribbean. In addition, Schroder Salomon Smith Barney was not asked to and did not advise the board of P&O Princess as to whether P&O Princess shareholders should accept the Partial Share Offer. With respect to its advice to the P&O Princess board at a meeting of the P&O Princess board held on 7 January 2003 in connection with the P&O Princess board's recommendation of the DLC transaction, Schroder Salomon Smith Barney's advice does not address the relative merits of the DLC transaction as compared to any alternative business strategies that might exist for P&O Princess or the effect of any other transaction in which P&O Princess might engage. With respect to its advice to the P&O Princess board at a meeting of the P&O Princess board held on 24 September 2002, Schroder Salomon Smith Barney only considered the relative merits from a financial point of view of Carnival's DLC Proposal and the proposed Royal Caribbean DLC combination and did not consider the merits of any other transaction or any alternative business strategies that might exist for P&O Princess or the effect of any other transaction in which P&O Princess might engage. No other instructions or limitations were imposed by P&O Princess on Schroder Salomon Smith Barney with respect to the investigations made or procedures followed by Schroder Salomon Smith Barney in rendering its advice.

In preparing its advice, Schroder Salomon Smith Barney performed a variety of financial and comparative analyses, including those described below. The following discussion of these analyses is a summary description of the material

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

financial analyses underlying Schroder Salomon Smith Barney's advice. The preparation of financial advice is a complex analytical process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, is not readily susceptible to summary description. Accordingly, Schroder Salomon Smith Barney believes that its analyses must be considered as a whole and that selecting portions of its analyses and factors, without considering all analyses and factors, could create a misleading or incomplete view of the processes underlying its analyses and advice.

In its analyses, Schroder Salomon Smith Barney considered industry performance, general business, economic, market and financial conditions and other matters existing as of the date of its advice, many of which are beyond the control of P&O Princess, Royal Caribbean and Carnival. No company, transaction or business used in those analyses as a comparison is identical to P&O Princess, Royal Caribbean, Carnival, the DLC transaction, the proposed Royal Caribbean DLC combination or Carnival's DLC Proposal and an evaluation of those analyses is not entirely mathematical. Rather, the analyses involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the acquisition, public trading or other values of the companies, business segments or transactions analysed.

The estimates contained in Schroder Salomon Smith Barney's analyses and the valuation ranges resulting from any particular analysis are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favourable than those suggested by its analyses. In addition, analyses relating to the value of businesses or securities do not necessarily purport to be appraisals or to reflect the prices at which businesses or securities actually may be sold. Accordingly, Schroder Salomon Smith Barney's analyses and estimates are subject to inherent uncertainty.

3

Advice of 7 January 2003

Schroder Salomon Smith Barney's advice and analyses were only one of various factors considered by the P&O Princess board in its evaluation of the DLC transaction and should not be viewed as determinative of the views of the P&O Princess board or management with respect to the DLC transaction. In particular, the P&O Princess board's reasons for recommending the DLC transaction are detailed in Part C of this Appendix II.

The following is a summary of the material financial analyses performed by Schroder Salomon Smith Barney with respect to its advice to the P&O Princess board at a meeting of the P&O Princess board held on 7 January 2003 in connection with the P&O Princess board's recommendation of the DLC transaction. Schroder Salomon Smith Barney:

- .. analysed the implied value of a P&O Princess share under the terms of the DLC transaction. Based on the Carnival share price of \$25.63 and an exchange rate of (Pounds)1.00:U.S.\$1.5938 as at 2 January 2003, this analysis resulted in an implied per share value of 483 pence;
- .. considered the median one week premia paid in 149 UK public recommended and 14 UK public hostile offers between 1 January 2000 and 30 September 2002 and compared these premia to the premia resulting from comparing the implied P&O Princess per share value of 483 pence under the terms of the DLC transaction to the P&O Princess share price over a range of periods

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

prior to 20 November 2001. This analysis resulted in median premia in UK recommended and hostile offers of 36 per cent. and 56 per cent. respectively relative to the one-week prior price compared with implied premia of 52 per cent. for the 1 day prior price and 55 per cent. for the 12 month prior price under the terms of the DLC transaction, as set out in the table below;

	P&O Princess share price prior to 20 November			
	1 day prior	1 month average	3 month average	12 month average
P&O Princess pre-transaction share price	317.0p	295. p	271.3p	312.1p
Value of Carnival proposal	483.0p	483.0p	483.0p	483.0p
Premium of Carnival proposal to P&O Princess pre-transaction share price	52.4%	63.7%	78.0%	54.8%

.. using publicly available information, reviewed the value of P&O Princess implied by the revenue and EBITDA multiples of comparable leisure sector companies, plus a representative control premium. The comparable leisure sector companies chosen were Harrah's Entertainment Inc., MGM Mirage, Royal Caribbean Cruises Ltd., Six Flags Inc., The Walt Disney Company and Vail Resorts Inc. Although none of these companies is directly comparable to P&O Princess, the companies included were chosen because they are publicly traded companies with operations that, for purposes of analysis, may be considered similar to P&O Princess. This analysis indicated an implied per share reference range for P&O Princess of approximately 374 to 511 pence including a 35 per cent. control premium;

.. using publicly available information, reviewed the transaction values implied by the multiples paid in selected merger and acquisition transactions in the leisure sector from July 1997 to December 2002 in relation to the target companies' EBITDA and number of berths. The comparable transactions chosen were:

- Carnival Corporation's acquisition of Costa Crociere SpA in August 2000
- P&O Princess Cruises plc's acquisition of Seetours in April 2000
- MGM Grand's acquisition of Mirage Resorts Inc. in May 2000
- Star Cruises Ltd.'s acquisition of NCL Holdings ASA in March 2000
- Park Place Entertainment Corp's acquisition of Caesars World in December 1999
- P&O Princess Cruises plc's acquisition of AIDA Cruises in November 1999
- Royal Caribbean Cruises Ltd.'s acquisition of Celebrity Cruises in July 1997

4

Although none of the target companies are directly comparable to P&O Princess, these transactions were chosen because they include target companies with operations that, for the purposes of analysis, may be considered similar to P&O Princess. This analysis indicated an implied per share reference range for P&O Princess of approximately 309 to 415 pence;

.. using publicly available information, reviewed the value of P&O Princess and the value of P&O Princess' proposed maximum of 26 per cent. share of the equity of the Combined Group using a five year discounted cash flow analysis. In performing these analyses, Schroder Salomon Smith Barney used

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

a weighted average cost of capital, sometimes referred to as WACC, range of 9.5 - 10.5 per cent. For the valuation of P&O Princess, Schroder Salomon Smith Barney used a terminal EBITDA multiple range of 8.0x - 10.0x, while for the valuation of 26 per cent. of the equity of a P&O Princess dual listed company combination with Carnival, Schroder Salomon Smith Barney used a terminal EBITDA multiple range of 9.0 - 11.0x. The WACC and EBITDA multiple ranges were chosen based on Schroder Salomon Smith Barney's knowledge of the cruise and leisure sector (including current trading ranges for companies in the cruise and leisure sector), experience and professional judgement. This analysis indicated an implied per share reference range of approximately 331 to 465 pence for P&O Princess on a standalone basis and 467 to 597 pence for P&O Princess' maximum of 26 per cent. share of the equity of the Combined Group;

- .. considered the performance of P&O Princess' stock price over the period from 19 November 2001 to 2 January 2003 compared to the stock price performance of Royal Caribbean and Carnival and the performance of the FTSE 100 and S&P 500 indexes. This analysis showed that P&O Princess' share price outperformed the share prices of Royal Caribbean and Carnival by 8 per cent. and 19 per cent. respectively over this period and outperformed the FTSE 100 index and the S&P 500 index by 42 per cent. and 38 per cent. respectively over this period;
- .. reviewed and considered other factors, including the historical trading valuations of P&O Princess, Royal Caribbean and Carnival, and the revenue, EBITDA and net income contribution of P&O Princess in the context of the Combined Group;
- .. considered P&O Princess' historical implied ownership of the Combined Group given the relative public market trading performance of P&O Princess and Carnival. This analysis resulted in a P&O Princess average implied ownership of the Combined Group of 16.0 per cent. for the period 1 October 2000 to 19 November 2001 (the day before the announcement of a DLC combination with Royal Caribbean), 21.5 per cent. for the post-announcement period 20 November 2001 to 2 January 2003 and 18.8 per cent. for the period 1 October 2000 to 2 January 2003, compared to approximately 26 per cent. in the DLC transaction; and
- .. analysed for various levels of acceptance of the Partial Share Offer by P&O Princess shareholders, the percentage of the Combined Group's equity share capital and free float and the likely equity market capitalisation of the P&O Princess side of the DLC structure assuming completion of the DLC transaction.

Take up of Partial Share Offer	% of Combined Group equity		% of Combined Group free float		Market capitalisation of P Princess side of the DLC ((Pounds) in Millions)
	P&O Princess	Carnival	P&O Princess	Carnival	
15.0%	22.3%	77.7%	33.6%	66.4%	2,566.7
17.5%	21.6%	78.4%	32.6%	67.4%	2,491.2
20.0%	20.9%	79.1%	31.6%	68.4%	2,415.8

As set out in the table above, assuming the maximum 20 per cent. acceptance of the Partial Share Offer by P&O Princess shareholders, this analysis resulted in a P&O Princess percentage of the Combined Group's equity share capital and freefloat of 20.9 per cent. and 31.6 per cent. respectively and an implied equity market capitalisation of the P&O Princess side of the DLC of

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

(Pounds)2.416 billion as at 2 January 2003. This equity market capitalisation would have ranked the P&O Princess side of the DLC at 71st out of the companies contained in the FTSE 100 index as at 2 January 2003.

Schroder Salomon Smith Barney provided its advice at the meeting of the P&O Princess board held on 7 January 2003 for the information of the Board of P&O Princess in its evaluation of the DLC transaction, and the advice is not intended to be and does not constitute a recommendation to any shareholder as to how such shareholder should vote on any matters relating to the proposed DLC transaction or whether any shareholder should accept the Partial Share Offer.

Advice of 24 September 2002

Schroder Salomon Smith Barney's advice and analyses were only one of various factors considered by the P&O Princess board in its comparison of the proposed Royal Caribbean DLC transaction and Carnival's DLC Proposal and should not be viewed as determinative of the views of the P&O Princess board or management with respect to the P&O Princess board's determination that Carnival's DLC Proposal was more favourable from a financial point of view to P&O Princess' shareholders than the proposed Royal Caribbean DLC combination and was reasonably likely to be consummated in the event that all outstanding regulatory clearances were to be obtained.

The following is a summary of the material financial analyses performed by Schroder Salomon Smith Barney in connection with its discussions with the P&O Princess board at a meeting of the P&O Princess board held on 24 September 2002.

Schroder Salomon Smith Barney:

- .. analysed the implied value of a P&O Princess share under the terms of Carnival's DLC Proposal compared with the implied value of a P&O Princess share under the terms of the Royal Caribbean DLC combination. Based on the Carnival share price of \$25.18, the Royal Caribbean share price of \$15.15 and an exchange rate of (Pounds)1.00:U.S.\$1.5541 each as at 20 September 2002, this analysis resulted in an implied per share value of 487 pence for Carnival's DLC Proposal and an implied per share value of 281 pence for the proposed Royal Caribbean DLC combination;
- .. using publicly available information, reviewed the value of P&O Princess implied by the revenue and EBITDA multiples of comparable leisure sector companies, plus a representative control premium. The comparable leisure sector companies chosen were Royal Caribbean Cruises Ltd. and Carnival Corporation. This analysis indicated an implied per share reference range for P&O Princess of approximately 493 to 638 pence including a 35 per cent. control premium;
- .. using publicly available information, reviewed the transaction values implied by the multiples paid in selected merger and acquisition transactions in the leisure sector from July 1997 to September 2002 in relation to the target companies' EBITDA and number of berths. The comparable transactions chosen were:
 - Carnival Corporation's acquisition of Costa Crociere SpA in August 2000
 - P&O Princess Cruises plc's acquisition of Seetours in April 2000
 - MGM Grand's acquisition of Mirage Resorts Inc. in May 2000
 - Star Cruises Ltd.'s acquisition of NCL Holdings ASA in March 2000
 - Park Place Entertainment Corp's acquisition of Caesars World in December 1999

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

- P&O Princess Cruises plc's acquisition of AIDA Cruises in November 1999
- Royal Caribbean Cruises Ltd.'s acquisition of Celebrity Cruises in July 1997

Although none of the target companies are directly comparable to P&O Princess, these transactions were chosen because they include target companies with operations that, for the purposes of analysis, may be considered similar to P&O Princess. This analysis indicated an implied per share reference range for P&O Princess of approximately 408 to 515 pence;

- .. reviewed the value of P&O Princess, the value of 26 per cent. of the equity of a P&O Princess dual listed company combination with Carnival and the value of P&O Princess' proposed 51 per cent. share of the equity of the proposed Royal Caribbean DLC combination using a five year discounted cash flow analysis. In performing these analyses, Schroder Salomon Smith Barney

6

used a WACC, range of 9.5-10.5%. For the valuation of P&O Princess, Schroder Salomon Smith Barney used a terminal EBITDA multiple range of 8.0x - 10.0x, while for the valuation of 26 per cent. of the equity of a P&O Princess dual listed company combination with Carnival and the value of P&O Princess' proposed 51 per cent. share of the equity of the proposed Royal Caribbean DLC combination, Schroder Salomon Smith Barney used a terminal EBITDA multiple range of 9.0 - 11.0x. The WACC and EBITDA multiple ranges were chosen based on Schroder Salomon Smith Barney's knowledge of the cruise and leisure sector (including ranges for companies in the cruise and leisure sector), experience and professional judgement. This analysis indicated an implied per share reference range of approximately 408 to 553 pence for P&O Princess on a standalone basis, 519 to 658 pence for 26 per cent. of the equity of a P&O Princess dual listed company combination with Carnival and 439 to 612 pence for P&O Princess' 51 per cent. share of the equity of the proposed Royal Caribbean DLC combination;

- .. considered the performance of P&O Princess' stock price over the period from 19 November 2001 to 20 September 2002 compared to the stock price performance of Royal Caribbean and Carnival and the performance of the FTSE 100 and S&P 500 indexes. This analysis showed that P&O Princess' share price outperformed the share prices of Royal Caribbean and Carnival by 25 per cent. and 22 per cent. respectively over this period and outperformed the FTSE 100 index and the S&P 500 index by 47 per cent. and 46 per cent. respectively over this period; and
- .. reviewed and considered other factors, including the historical trading valuations of P&O Princess, Royal Caribbean and Carnival.

Schroder Salomon Smith Barney concluded that, on the basis of the analysis it had performed, it believed Carnival's DLC Proposal was more favourable from a financial point of view to P&O Princess shareholders than the proposed Royal Caribbean DLC combination.

Schroder Salomon Smith Barney provided its advice at the meeting of the P&O Princess Board held on 24 September 2002 for the information of the Board of P&O Princess in its evaluation of whether Carnival's DLC Proposal was more favourable from a financial point of view than the proposed Royal Caribbean DLC combination. This advice does not form part of any fairness opinion rendered by Schroder Salomon Smith Barney, and the advice is not intended to be and does not constitute a recommendation to any shareholder as to how such shareholder should vote on any matters relating to the DLC transaction or whether any shareholder should accept the Partial Share Offer.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

completion of the DLC transaction or a fee of \$10 million if the DLC transaction is abandoned or terminated payable upon announcement of such abandonment or termination. In addition, P&O Princess may, at its discretion, pay to Schroder Salomon Smith Barney an additional amount up to \$5 million to reflect the performance by Schroder Salomon Smith Barney in carrying out the execution of the DLC transaction. In addition, P&O Princess has agreed to reimburse Schroder Salomon Smith Barney for reasonable travel and other expenses, including reasonable fees and expenses of its legal counsel, and to indemnify Schroder Salomon Smith Barney and related parties against certain liabilities arising out of Schroder Salomon Smith Barney's engagement.

INFORMATION NOT REQUIRED IN PROSPECTUS

ITEM 20. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Carnival's second amended and restated articles of incorporation and by-laws provide, subject to the requirements set forth therein, that with respect to any person who was or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, Carnival shall indemnify such person by reason of the fact that he is or was one of Carnival's directors or an officer, and may indemnify such person by reason of the fact that he is or was one of Carnival's employees or agents or is or was serving at Carnival's request as a director, officer, employee or agent in another corporation, partnership, joint venture, trust or other enterprise, in either case against expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and

reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to our best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. Carnival has entered into indemnity agreements with Shari Arison, Maks L. Birnbach, Richard G. Capen, Jr., Arnold W. Donald, James M. Dubin, Modesto Maidique, Stuart Subotnick, Sherwood M. Weiser, Meshulam Zonis and Uzi Zucker providing essentially the same indemnities as are described in Carnival's second amended and restated articles of incorporation.

Article 161 of P&O Princess' articles of association provides:

"Subject to the provisions of the Companies Acts but without prejudice to any indemnity to which a director may otherwise be entitled, every director or other officer of the Company shall be indemnified out of the assets of the Company against any liability incurred by him in defending any proceedings, whether civil or criminal, in which judgment is given in his favour (or the proceedings are otherwise disposed of without any finding or admission of any material breach of duty on his part) or in which he is acquitted or in connection with any application in which relief is granted to him by the court from liability for negligence, default, breach of duty or breach of trust in relation to the affairs of the Company."

Under the UK Companies Act 1985, a UK company is not permitted to indemnify a director or officer of the company against any liability in respect of any negligence, default, breach of duty or breach of trust of which he may be guilty in relation to the company. UK companies, however, may:

- .. purchase and maintain liability insurance for officers and directors; and
- .. indemnify officers and directors against any liability incurred by him either in defending any proceedings in which judgment is given in his favour or he is acquitted, or in connection with the court granting him relief from liability in the case of honest and reasonable conduct.

ITEM 22. UNDERTAKINGS.

The undersigned Registrants hereby undertake:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement;

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 per cent. change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the Registration Statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

II-2

(3) To remove from registration by means of a post-effective amendment

any of the securities being registered which remain unsold at the termination of the offering.

(4) To file a post-effective amendment to the Registration Statement to include any financial statements required by Item 8.A. of Form 20-F at the start of any delayed offering or throughout a continuous offering. Financial statements and information otherwise required by Section 10(a)(3) of the Act need not be furnished, provided, that the Registrant includes in the prospectus, by means of a post-effective amendment, financial statements required pursuant to this paragraph (a)(4) and other information necessary to ensure that all other information in the prospectus is at least as current as the date of those financial statements. Notwithstanding the foregoing, with respect to Registration Statements on Form F-3, a post-effective amendment need not be filed to include financial statements and information required by Section 10(a)(3) of the Act or Rule 3-19 of this chapter if such financial statements and information are contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Form F-3.

(5) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(6) To supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the Registration Statement when it became effective.

(7) That prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this Registration Statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

(8) That every prospectus: (i) that is filed pursuant to paragraph (8) immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the Registration Statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

The undersigned Registrant, Carnival Corporation, hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the Registration Statement through the date of responding to the request.

Edgar Filing: P&O PRINCESS CRUISES PLC - Form S-4/A

The undersigned Registrant, P&O Princess Cruises plc, hereby undertakes: (i) to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11 or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means; and (ii) to arrange or provide for a facility in the U.S. for the purpose of responding to such requests. The undertaking in subparagraph (i) above includes information contained in documents filed subsequent to the effective date of the Registration Statement through the date of responding to the request.

II-3

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrants pursuant to the foregoing provisions, or otherwise, the Registrants have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrants of expenses incurred or paid by a director, officer or controlling person of the Registrants in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrants will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
