The shares were sold to eight persons in consideration of \$10,000.00. Each of the eight persons purchased 625,000 shares of Mr. Chebountchak's common stock, and after the transaction was concluded owned 4.38% of our total outstanding shares. After the transaction was completed, Mr. Chebountchak owned no shares of our common stock.

There are no arrangements or understandings among Mr. Chebountchak and the above referenced purchasers or their associates with respect to the election of directors and other matters.

Further, we have not changed our business and continue to be a shell company as that term is defined in Rule 12b-2 of the Securities Exchange Act of 1934 engaged in mineral exploration. There are no arrangements, known to us, including any pledge by any person of our securities, the operation of which may at a subsequent date result in a change of control.

After the completion of the foregoing transaction, the following table reflects the beneficial shareholdings of persons or entities holding five percent or more of our common stock, each director individually, each named executive officer and all of our directors and officers as a group.
