This Prospectus Supplement filed pursuant to Rule 424(b) (3)

Registration No. 333-107977

PROSPECTUS SUPPLEMENT

This is a Supplement, dated May 7, 2004, to the Prospectus (the "Prospectus") which forms a part of the Post-Effective Amendment No. 1 to the Form S-3 Registration Statement (No. 333-107977) filed on November 14, 2003 (the "Registration Statement") on behalf of Celgene Corporation (the "Company").

The Company originally issued the notes to which this Prospectus Supplement relates in a private placement in June 2003. The notes were sold by the initial purchaser of the notes in a transaction exempt from the registration requirements of the Securities Act to persons reasonably believed by the initial purchaser to be qualified institutional buyers as defined by Rule 144A under the Securities Act.

The following table sets forth as of the date of this Supplement information with respect to the selling securityholders and the principal amount of notes beneficially owned by each selling securityholder that may be offered pursuant to the Prospectus. The information contained in this Supplement is based on information provided to the Company by or on behalf of the selling securityholders. The selling securityholders may offer all, some or none of the notes or the common stock into which the notes are convertible. Because the selling securityholders may offer all or some portion of the notes or the common stock, the Company cannot estimate the amount of the notes or the common stock that will be held by the selling securityholders upon termination of any of these sales. In addition, the selling securityholders identified below may have sold, transferred or otherwise disposed of all or a portion of their notes, or acquired additional notes, since the date on which the Company was provided with the information regarding their notes (as described above) in transactions exempt from the registration requirements of the Securities Act. Accordingly, the information provided here for any particular securityholder may understate or overstate, as the case may be, such securityholder's current ownership. The aggregate principal amount of notes outstanding as of the date of this Supplement is \$400,000,000, which is the aggregate principal amount of notes registered pursuant to the Registration Statement of which this Prospectus is a part. The percentage of notes outstanding beneficially owned by each selling securityholder is based on \$400,000,000 aggregate principal amount of notes outstanding.

The number of shares of common stock issuable upon conversion of the notes shown in the table below assumes conversion of the full amount of notes held by each selling securityholder at an initial conversion rate of 20.6398 shares per \$1,000 principal amount of notes and a cash payment in lieu of any fractional shares. No selling securityholder named in the table below beneficially owns one percent or more of our common stock, based on 81,735,304 shares of common stock outstanding on April 28, 2004.

- (1) Selling securityholders may have sold, transferred or otherwise disposed of all or a portion of their notes, or acquired additional notes, since the date on which the Company was provided with the information regarding their notes (as described above) in transactions exempt from the registration requirements of the Securities Act. Accordingly, the information provided here for any particular securityholder may understate or overstate, as the case may be, such securityholder's current ownership. The aggregate principal amount of notes outstanding as of the date of this Supplement is \$400,000,000,

Edgar Filing: CELGENE CORP /DE/ - Form 424B3

which is the aggregate principal amount of notes registered pursuant to the Registration Statement of which this Prospectus is a part.

- (2) Includes shares of common stock issuable upon conversion of the notes.
- (3) New selling securityholder.
- (4) Represents an updated principal amount.

None of the selling securityholders or any of their affiliates, officers, directors or principal equity holders has held any position or office or has had any material relationship with the Company within the past three years.

The initial purchaser purchased all of the notes from the Company in a private transaction in June 2003. All of the notes were "restricted securities" under the Securities Act prior to this registration. The selling securityholders have represented to the Company that they purchased the notes for their own account for investment only and not with a view toward selling or distributing them, except pursuant to sales registered under the Securities Act or exempt from such registration.

Information concerning the securityholders may change from time to time and any changed information will be set forth in supplements to the Prospectus if and when necessary. In addition, the number of shares of common stock issuable upon conversion of the notes is subject to adjustment under certain circumstances. Accordingly, the number of shares of common stock into which the notes are convertible may increase or decrease.
