Re: Kentex Petroleum, Inc., a Nevada corporation (the "Company")
Registration Statement on Form S-4
Commission File No. 333-121819

Dear Mr. Reynolds:

The Company respectfully requests withdrawal of the above-referenced registration statement, effective immediately. This request is made on the grounds that the Company's agreement to acquire VidRev Technologies, Inc., a Florida corporation, has been terminated, obviating the need for the registration statement. This termination has been reported on a Current Report on Form 8-K, which was filed with the Commission today.

No securities were sold in connection with the offering for which this registration statement was filed.

Thank you very much.

KENTEX PETROLEUM, INC.
