Only the latest dated proxy card, including one which a person may vote in person at the meeting, will count. VOTING SECURITIES

Voting rights are vested in the holders of Natural Gas' \$0.01 par value common stock with each share entitled to one vote. Cumulative voting in the election of directors is not permitted. Only shareholders of record at the close of business on May 12, 2004, are entitled to notice of and to vote at the meeting or any adjournments of the meeting. On May 12, 2004, Natural Gas had 5,368,135 shares of common stock outstanding.

ACTIONS TO BE TAKEN AT MEETING

The meeting has been called by the Board of Directors of Natural Gas to consider and act upon the following matters:

1

The holders of a majority of the outstanding shares of common stock present at the meeting in person or represented by proxy shall constitute a quorum. If a quorum is present, directors are elected by a plurality of the vote, i.e., the candidates receiving the highest number of votes cast in favor of their election will be elected to the Board of Directors. As to all other actions voted on at the meeting, if a quorum is present, the affirmative vote of a majority of the shares represented in person or by proxy at the meeting and entitled to vote on the subject matter shall be the act of the shareholders.

Edgar Filing: NATURAL GAS SERVICES GROUP INC - Form DEF 14A

The absence of votes on nonroutine matters are "broker nonvotes." Abstentions and broker nonvotes will be counted as present for purposes of establishing a quorum, but will have no effect on the election of directors. Abstentions and broker nonvotes on proposals other than the election of directors, if any, will be counted as present for purposes of the other proposals and will count as votes against all other proposals.

PROPOSAL NUMBER ONE

ELECTION OF DIRECTORS

The number of directors on Natural Gas' Board of Directors has been established by the shareholders as seven directors. During 2003 and early 2004, the Board of Directors had several changes. In 2003, Scott W. Sparkman and James T. Grigsby resigned from the Board. As allowed by Colorado law and Natural Gas' Bylaws, the remaining directors filled the two vacancies with Wallace C. Sparkman and William F. Hughes, Jr. In March 2004, Wayne L. Vinson, our Chief Executive Officer and Director, passed away. Mr. Vinson's vacant position on the Board of Directors has not yet been filled.

The Board of Directors is divided into three classes with directors serving staggered terms. The following sets forth our current directors listed by class and year in which their terms expire:

2004	2005	2006
Richard L. Yadon	Charles G. Curtis	William F. Hughes, Jr. (1)
	Wallace O. Sellers	Wallace C. Sparkman (1)
	Gene A. Strasheim	

(1) Assumes re-election to the Board of Directors at the Annual Meeting of Shareholders in 2004.

Shareholders will be electing three Directors at the meeting. As noted above, Mr. Yadon's term expires at the meeting. The Board has recommended Mr. Yadon for re-election to the Board of Directors to serve for a three year term expiring at the Annual Meeting of Shareholders in 2007. Messrs. Hughes and Sparkman replaced Directors whose terms did not expire until 2006. Colorado law provides that the term of a director, who is elected by the remaining directors to fill a vacancy, expires at the next annual meeting of shareholders. Consequently, Messrs. Hughes' and Sparkman's terms expire at the Annual Meeting of Shareholders in 2004. The Board has recommended Messrs. Hughes and Sparkman for re-election to the Board of Directors to serve for a two year term expiring at the Annual Meeting of Shareholders in 2006.

The persons named in the enclosed form of Proxy will vote the shares represented by such Proxy for the election of the three nominees for director named above. If, at the time of the meeting, any of these nominees shall become unavailable for any reason, which event is not expected to occur, the persons entitled to vote the Proxy will vote for such substitute nominee or nominees, if any, as they determine in their sole discretion. If elected, Richard L. Yadon will hold office until the annual meeting of shareholders to be held in 2007, or

Edgar Filing: NATURAL GAS SERVICES GROUP INC - Form DEF 14A

until his successor has been duly elected or appointed or until his earlier death, resignation or removal. If elected, William F. Hughes and Wallace C. Natural Gas' Board of Directors held five meetings during the fiscal year ending December 31, 2003. Each director attended at least 75% of the total number of Board meetings held while such person was a director. Each director attended all of the meetings held by all committees of the Board of Directors for which he served (during the periods that he served). The Board of Directors acts from time to time by unanimous written consent in lieu of holding a meeting. During the fiscal year ending December 31, 2003, the Board of Directors took action by unanimous written consent five times.

Directors who are not employees are paid \$1,000 per quarter and at December 31 of each year are issued a five year option to purchase 2,500 shares of Natural Gas' common stock at the then market value. Natural Gas also reimburses its directors for accountable expenses incurred on Natural Gas' behalf.

We typically schedule a Board meeting in conjunction with our annual meeting of shareholders. Although we do not have a formal policy on the matter, we expect our directors to attend each annual meeting, absent a valid reason, such as illness or a schedule conflict. Last year, all seven of the individuals then serving as director attended our annual meeting of shareholders.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires Natural Gas' officers and directors and persons who own more than 10% of the outstanding common stock of Natural Gas to file reports of ownership with the Securities and Exchange Commission. Directors, officers and greater than 10% shareholders are required by SEC regulations to furnish Natural Gas with copies of all Section 16(a) forms they file.

Based solely on a review of Forms 3, 4 and 5 and amendments thereto furnished to Natural Gas during and for its fiscal year ended December 31, 2003, there were no directors, officers or more than 10% shareholders of Natural Gas who failed to timely file a report required by Section 16(a) of the Securities Exchange Act of 1934 except that:

To help assure independence of the independent auditors, the Audit committee has established a policy whereby all audit, review, attest and non-audit engagements of the principal auditor or other firms must be approved in advance by the Audit Committee; provided, however, that de minimis non-audit services may instead be approved in accordance with applicable Securities and Exchange Commission rules. This policy is set forth in our Audit Committee Charter, a copy of which is attached to this proxy statement. Of the fees shown in the table which were paid to our principal accountants in 2003, 92% were approved by the Audit Committee. SEC regulations and company policy did not require pre-approval for non-audit services prior to 2003.

2003 ANNUAL REPORT TO SHAREHOLDERS

You may obtain our 2003 Annual Report on Form 10-KSB for the fiscal year ended December 31, 2003 upon written request to Scott W. Sparkman, Secretary, at Natural Gas' principal offices, 2911 South County Road 1260, Midland, Texas 79706. In addition, the exhibits to the Annual Report on Form 10-KSB, as amended, for the fiscal year ended December 31, 2003 may be obtained by any stockholder upon written request to Mr. Sparkman.

SHAREHOLDER PROPOSALS

Under the rules of the SEC, if a shareholder wants us to include a proposal in our Proxy Statement and form of proxy for presentation at our 2005 Annual Meeting of Shareholders, the proposal must be received by us at our principal executive offices at 2911 South County Road 1260, Midland, Texas 79706 by January 24, 2005. The proposal should be sent to the attention of Secretary of the Company.

The SEC also sets forth procedures under which shareholders may make proposals outside of the process described above in order for a shareholder to introduce an item of business at an Annual Meeting of Shareholders. These procedures require that shareholders must submit items of business in writing to

19

the Secretary of the Company at our principal executive offices. We must receive the notice of your intention to propose an item of business at our 2005 Annual Meeting no later than 45 days in advance of the 2005 Annual Meeting if it is being held within 30 days preceding the anniversary date (June 15, 2004) of this year's meeting.

For any other meeting, the nomination or item of business must be received by the tenth day following the date of public disclosure of the date of the meeting. These requirements are separate from and in addition to the SEC's requirements described in the first paragraph of this section relating to including a proposal in our proxy statements.

In order to curtail controversy as to the date on which a proposal was received by us, it is suggested that proponents submit their proposals by certified mail-return receipt requested. Such proposals must also meet the other requirements established by the Securities and Exchange Commission for

Edgar Filing: NATURAL GAS SERVICES GROUP INC - Form DEF 14A

shareholder proposals.

SHAREHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Because of Natural Gas' small size, to date we have not developed formal processes by which shareholders may communicate directly with directors. Instead, we believe that our informal process permitting communications to be sent to the board of directors either generally or in care of a corporate officer, has served the shareholders' needs. In view of recently adopted SEC disclosure requirements related to this issue, we expect to review in the coming months whether more specific procedures are required. Until any other procedures are developed and posted on our web site (www.ngsgi.com), any communication to the Board of Directors may be mailed to the Board, in care of the Secretary of the Company, at 2911 South County Road 1260, Midland, Texas 79706. Shareholder's should clearly note on the mailing envelope that the letter is a "Shareholder-Board Communication." All such communications should identify the author as a shareholder and clearly state whether the intended recipients are all members of the board of directors or just certain specified individual directors. The Secretary of the Company will make copies of all such communications and circulate them to the appropriate director or directors.

SOLICITATION OF PROXIES

The cost of soliciting proxies, including the cost of preparing, assembling and mailing this proxy material to shareholders, will be borne by Natural Gas. Solicitations will be made only by use of the mails, except that, if necessary to obtain a quorum, officers and regular employees of Natural Gas may make solicitations of proxies by telephone or electronic facsimile or by personal calls. Brokerage houses, custodians, nominees and fiduciaries will be requested to forward the proxy soliciting material to the beneficial owners of Natural Gas' shares held of record by such persons and Natural Gas will reimburse them for their charges and expenses in this connection.

20

OTHER BUSINESS

Our Board of Directors does not know of any matters to be presented at the meeting other than the matters set forth herein. If any other business should come before the meeting, the person's names in the enclosed proxy card will vote such proxy according to their judgment on such matters.

Compensation. The compensation of Audit Committee members shall be as determined by the Board of Directors. No member of the Audit Committee may receive, directly or indirectly, any consulting, advisory or other compensatory fee from the Company or any of its subsidiaries, other than fees paid in his or her capacity as a member of the Board of Directors or a committee of the Board.

Selection and Removal. Members of the Audit Committee shall be appointed by the Board of Directors. The Board of Directors may remove members of the Audit Committee from such committee, with or without cause.

Authority and Responsibilities

General

The Audit Committee shall discharge its responsibilities, and shall assess the information provided by the Company's management and the independent auditor, in accordance with its business judgment. Management is responsible for the preparation, presentation, and integrity of the Company's financial statements and for the appropriateness of the accounting principles and reporting policies that are used by the Company. The independent auditors are responsible for auditing the Company's financial statements and for reviewing the Company's unaudited interim financial statements. The authority and responsibilities set forth in this Charter do not reflect or create any duty or obligation of the Audit Committee to plan or conduct any audit, to determine or certify that the Company's financial statements are complete, accurate, fairly presented, or in accordance with generally accepted accounting principles or applicable law, or to guarantee the independent auditor's report.

Oversight of Independent Auditors

Selection. The Audit Committee shall be solely and directly responsible for appointing, evaluating, retaining and, when necessary, terminating the engagement of the independent auditor. In its evaluation of the independent auditor, the Audit Committee shall present its conclusions with respect to the independent auditor to the full Board of Directors. The Audit Committee shall also, with respect to its review of the independent auditor, review and evaluate the lead partner and other senior members of the independent auditor. The Audit Committee shall take into account the opinions of management and the Company's internal auditors. The Audit Committee may, in its discretion, seek stockholder ratification of the independent auditor it appoints.

Independence. The Audit Committee shall take, or recommend that the full Board of Directors take, appropriate action to oversee the independence of the independent auditor. In connection with this responsibility, the

Edgar Filing: NATURAL GAS SERVICES GROUP INC - Form DEF 14A

Audit Committee shall obtain and review a formal written statement from the independent auditor describing all relationships between the independent auditor and the Company, including the disclosures required by Independence Standards Board Standard No. 1. The Audit Committee shall actively engage in dialogue with the independent auditor concerning any disclosed relationships or services that might impact the objectivity and independence of the auditor.

Additional Independence Procedures. The Audit Committee shall:

- o confirm the regular rotation of the lead audit partner and reviewing partner as required by Section 203 of the Sarbanes-Oxley Act;
- o confirm that the CEO, controller, CFO, and CAO (or other persons serving in similar capacities) were not employed by the independent auditor, or if employed, did not participate in any capacity in the audit of the Company, in each case, during the one-audit-year period preceding the date of initiation of the audit, as required by Section 206 of the Sarbanes-Oxley Act; and
- o annually consider whether, in order to assure continuing auditor independence, there should be regular rotation of the independent audit firm.

Quality Control Review. Obtain and review a report from the independent auditor at least annually regarding (a) the auditor's internal quality-control procedures, (b) any material issues raised by the most recent quality-control review, or peer review, of the firm, (c) any steps taken to deal with any such issues, and (d) all relationships between the independent auditor and the Company. Evaluate the qualifications, performance and independence of the independent auditor, including considering whether the auditor's quality controls are adequate and whether the types of non-audit services provided are compatible with maintaining the auditor's independence.

Compensation. The Audit Committee shall have sole and direct responsibility for setting the compensation of the independent auditor. The Audit Committee is empowered, without further action by the Board of Directors, to cause the Company to pay the compensation of the independent auditor established by the Audit Committee. As part of its evaluation of compensation for the independent auditor, the Audit Committee shall compare the fees paid for audit services to those paid by peer companies as a means of assessing whether the scope of audit work is sufficient.

Preapproval of Services. The Audit Committee shall preapprove all audit services to be provided to the Company, whether provided by the principal auditor or other firms, and all other services (review, attest and non-audit) to be provided to the Company by the independent auditor; provided, however, that de minimis non-audit services may instead be approved in accordance with applicable SEC rules.

Oversight. The independent auditor shall report directly to the Audit Committee, and the Audit Committee shall have sole and direct responsibility for overseeing the work of the independent auditor, including resolution of disagreements between Company management and the independent auditor regarding financial reporting.
