Section 1. Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

On December 22, 2011, United Fire & Casualty Company (the "Company" or "United Fire"), as borrower, entered into a Credit Agreement (the "New Credit Agreement") with a syndicate of financial institutions, as lenders party thereto, KeyBank National Association, as Administrative Agent, Lead Arranger, Sole Book Runner, Swingline Lender, and Letter of Credit Issuer, and Bankers Trust Company as Syndication Agent. The New Credit Agreement provides for a \$100.0 million four-year unsecured revolving credit facility (the "New Credit Facility"), that includes a \$20 million letter of credit subfacility and a swing line subfacility in the amount of up to \$5 million. During the term of the New Credit Facility, the Company has the right to increase the total facility amount by up to \$25.0 million, provided that no event of default has occurred and is continuing and certain other conditions are satisfied. The New Credit Facility is available for general corporate purposes, including working capital, acquisitions and liquidity purposes. Principal of the New Credit Facility is due in full at maturity, on December 22, 2015. Interest is based on either the London interbank offered rate or a base rate plus, in each case, a calculated margin amount. A commitment fee on each lender's unused commitment under the New Credit Facility is also payable quarterly. The New Credit Facility replaced the Company's existing \$50.0 million revolving credit facility with Bankers Trust Company, which was terminated in connection with entering into the New Credit Agreement. See Item 1.02 below.

The New Credit Agreement contains customary representations, covenants and events of default, including certain covenants that limit or restrict the Company's ability to sell or transfer assets or enter into a merger or consolidate with another company, grant certain types of security interests, incur certain types of liens, impose restrictions on subsidiary dividends, enter into leaseback transactions, or incur certain indebtedness, subject to certain exceptions. The New Credit Agreement also includes financial covenants that require the Company to (i) maintain a minimum consolidated net worth, (ii) maintain a minimum consolidated statutory surplus and (iii) not exceed a certain debt to capitalization ratio.

The foregoing summary is qualified in its entirety by reference to the New Credit Agreement, a copy of which is filed herewith and incorporated by reference.

Item 1.02 Termination of a Material Definitive Agreement.

In connection with entering into the New Credit Agreement, the Company terminated its Credit Agreement dated March 24, 2011, with Bankers Trust Company (the "Old Credit Agreement"). The Old Credit Agreement provided the Company with a \$50.0 million one-year unsecured revolving credit facility.
