To All Stockholders of Integrated BioPharma, Inc.:

The purpose of this letter is to inform you that we intend to take the following actions by written consent of our stockholders:

1. To ratify the issuance to certain investors of shares of preferred stock, warrants to purchase common stock, additional investment rights and shares of common stock issuable upon the exercise or conversion of such securities.
2. To ratify the issuance to an investor of shares of common stock, a warrant to purchase common stock and shares of common stock issuable upon the exercise of such warrant.

The holders of a majority of our outstanding common stock, owning approximately 56% of the outstanding shares of our common stock, have executed a written consent in favor of the actions described above that are described in greater detail in the Information Statement accompanying this notice. The accompanying Information Statement is for informational purposes only and explains the ratification by our stockholders of the issuance of the securities. Please read the accompanying Information Statement carefully.

INFORMATION STATEMENT

SEPTEMBER 2, 2004

WE ARE NOT ASKING YOU FOR A PROXY AND  
YOU ARE REQUESTED NOT TO SEND US A PROXY.

This Information Statement is being mailed on or about September 2, 2004 to the stockholders of record of Integrated BioPharma, Inc. at the close of business on August 18, 2004. This Information Statement is being sent to you for informational purposes only. No action is requested or required on your part.

This Information Statement is being furnished to you to inform you of the adoption of resolutions by written consent by the holders of a majority of the outstanding shares of our common stock, par value \$.002 per share. The resolutions adopted by these stockholders give us the authority to take the following actions:

1. To ratify the issuance to certain investors of shares of preferred stock, warrants to purchase common stock, additional investment rights and shares of common stock issuable upon the exercise or conversion of such securities.
2. To ratify the issuance to an investor of shares of common stock, a warrant to purchase common stock and shares of common stock issuable upon the exercise of such warrant.

The board of directors of Integrated BioPharma has adopted resolutions authorizing the taking of each of the actions described above and recommended that the stockholders adopt resolutions approving these actions.

As of the close of business on the record date, we had 12,475,790 shares of common stock outstanding. The common stock is our only class of securities entitled to vote. Each outstanding share of common stock is entitled to one vote per share.

The affirmative consent of the holders of a majority of our outstanding common stock is required to approve each of the actions described above in the absence of a meeting of stockholders. The requisite stockholder approval of each of the actions described above was obtained by the execution of written consents in favor of these actions by the holders of approximately 56% of the outstanding shares of common stock, allowing Integrated BioPharma to take the proposed actions on or about September 22, 2004.

This Information Statement is first being mailed on or about September 2, 2004. This Information Statement constitutes notice to our stockholders of corporate action by stockholders without a meeting as required by Section 228(e) of the Delaware General Corporation Law.

### STOCKHOLDER RESOLUTION #1

#### Ratification of Private Placement of Preferred Stock, Warrants and Additional Investment Rights

In April 2004, we completed a private placement of securities with Alexandra Global Master Fund Ltd., Takeley Investments Limited and IIG Equity Opportunities Fund Ltd., in which we sold an aggregate of 750 shares of Series B Redeemable Convertible Preferred Stock and warrants to purchase 375,000 shares of common stock, for a purchase price of \$7,500,000. The investors were also granted additional investment rights for an eighteen-month period to purchase 375 shares of Series B Redeemable Convertible Preferred Stock and warrants to purchase 187,500 shares of common stock. The aggregate exercise price for the additional investment rights is \$3,750,000.

Pursuant to Section 713(a) of the Company Guide of the American Stock Exchange, stockholder approval is required for a transaction which may result in the issuance by us of 20% or more of our outstanding common stock on the date of issuance of the Series B Redeemable Convertible Preferred Stock at a price per share less than the greater of the book value or the market value of the common

stock. The Certificate of Designations, Preferences and Rights for the Series B Redeemable Convertible Preferred Stock contemplates stockholder approval for the issuance of the common stock issuable upon exercise or conversion of the Series B Redeemable Convertible Preferred Stock, the warrants and the additional investment rights in accordance with Section 713(a) of the Company Guide of the American Stock Exchange, prior to the time that the sum of the aggregate number of the shares of common stock actually issued upon exercise or conversion of or otherwise pursuant to the Series B Redeemable Convertible Preferred Stock, the warrants and the additional investment rights plus the aggregate number of the shares of common stock that remain issuable upon exercise or conversion of or otherwise pursuant to the Series B Redeemable Convertible Preferred Stock, the warrants and the additional investment rights at the then effective conversion price, represents more than 19.99% of the outstanding common stock on the date

## Edgar Filing: INTEGRATED BIOPHARMA INC - Form PRE 14C

of issuance of the Series B Redeemable Convertible Preferred Stock (i.e., 2,123,116 shares of common stock). Because the aggregate number of shares of common stock issued and issuable upon conversion of the Series B Redeemable Convertible Preferred Stock, the warrants and the additional investment rights (based on the current conversion and exercise prices) exceeds 2,123,116 shares of the common stock, we are required to obtain stockholder approval of the issuance of the Series B Redeemable Convertible Preferred Stock and the common stock issued and issuable upon conversion of the Series B Redeemable Convertible Preferred Stock, the warrants and the additional investment rights in accordance with Section 713(a) of the Company Guide of the American Stock Exchange.

Accordingly, our Board of Directors has sought and obtained from our stockholders approval of our issuance of the Series B Redeemable Convertible Preferred Stock and the common stock issued and issuable in connection with the conversion or exercise of the Series B Redeemable Convertible Preferred Stock, the warrants and the additional investment rights in accordance with Section 713(a) of the Company Guide of the American Stock Exchange. There is no guarantee that the holders of the Series B Redeemable Convertible Preferred Stock, the warrants and the additional investment rights will convert or exercise their securities in the future. The likelihood that the holders of the Series B Redeemable Convertible Preferred Stock will convert or exercise securities also depends on the then current trading price of the common stock. To date, two of the private placement investors have converted an aggregate of 50 shares of Series B Redeemable Convertible Preferred Stock into common stock. None of the private placement investors have exercised any warrants or additional investment rights. At this time, we have not received an indication from the private placement investors that they intend to convert their remaining securities at any particular time in the future.

### STOCKHOLDER RESOLUTION #2

#### Ratification of Private Placement of Common Stock and Warrants

In May 2004, we completed a private placement of securities with Damon DeSantis, in which we sold 500,000 shares of common stock and warrants to purchase 50,000 shares of common stock, for a purchase price of \$5,000,000.

The private placement of securities with Damon DeSantis was a separate transaction from the private placement with the three other investors described above, and the number of shares of common stock that have been issued and remain issuable to Mr. DeSantis upon exercise of the warrants does not represent more than 19.99% of the outstanding common stock on the date of the private placement. Stockholder approval for this transaction is therefore not required pursuant to Section 713(a) of the Company Guide of the American Stock Exchange. However, we decided to obtain such approval in the event that the private placement with Mr. DeSantis was deemed to be part of the same transaction as the private placement with the other three investors described above.
