PART III  
NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

TransAct Technologies Incorporated (Nasdaq:TACT) (the "Company"), a global leader in market-specific solutions, including printers, terminals, software and other products for transaction-based and other industries, today announced that it has filed a Notification of Late Filing, or Form 12b-25, with the Securities and Exchange Commission with regard to its Annual Report on Form 10-K for the fiscal year ended December 31, 2014 (the "Annual Report").

Additional time is needed because the Company experienced unexpected delays in its normal closing process for the quarter ended December 31, 2014 as a result of the Company's negotiation of a potential settlement to the previously disclosed litigation with Avery Dennison Corporation, which would be recorded in the Company's results of operations for the quarter ended December 31, 2014. The Company believes that it has adequate liquidity to fund any settlement that may be reached. As a result of the settlement negotiations, the potential impact on the Company's financial statements and the associated demands on the Company's senior management, the Company is unable to file the Annual Report in a timely manner without unreasonable effort or expense. The Company intends to file the report within the extension period provided under Rule 12b-25.
