I. PROPOSAL NUMBER ONE. AMENDMENT TO THE ARTICLES OF INCORPORATION, CHANGING THE NAME OF THE COMPANY TO TRAVELSTAR, INC.

The Board of Directors has unanimously adopted and the Consenting Shareholders have approved an amendment to the Articles of Incorporation, as amended, of Joystar (the "Name Amendment") to change the name of the Company from "Joystar, Inc." to "Travelstar, Inc." The text of the amendment is attached as Exhibit A and is incorporated herein by reference.

The Name Amendment will become effective upon the filing of a certificate of amendment relating thereto with the Secretary of State of the State of California, which will occur on or about June____, 2007. Under federal securities laws, Joystar cannot file the certificate of amendment until at least 20 days after the mailing of this Information Statement.

II. PROPOSAL NUMBER TWO. AMENDMENT TO THE ARTICLES OF INCORPORATION TO INCREASE ITS AUTHORIZED CAPITAL TO A TOTAL OF 210 MILLION SHARES CONSISTING OF 200 MILLION SHARES OF COMMON STOCK AND 10 MILLION SHARES OF PREFERRED STOCK.

INTRODUCTION

Pursuant to Section 603 of the California General Corporation Law, the majority of the Company's shareholders (55.58%) and the Company's Board of Directors approved the increase of the Company's authorized capital to a total of 210 million shares consisting of 200 million shares of common stock and 10 million shares of preferred stock (the "Increase of Authorized Capital").

To effect the Increase of the Authorized Capital, the Board of Directors would file the approved proposed amendments to its Articles of Incorporation (collectively, the "Amendment") with the California Secretary of State along with any other necessary filings in accordance with California General Corporation Law. The Amendment will become effective 21 calendar days after the date of mailing of this Information Statement. The form of amendment to the Articles of Incorporation to effect the proposed Increase in the Authorized Capital would be in substantially the form attached to this Information Statement as Exhibit A.

The Company's Board of Directors and the Company's majority shareholders holding 27,197,842 shares of common stock (55.58%) have approved the Increase in the Authorized Capital.

REASONS FOR INCREASE IN THE AUTHORIZED CAPITAL

The Board of Directors believes that it is advisable and in the Company's best interests to have available additional authorized but unissued shares of Common Stock in an amount adequate to provide for the Company's future needs. The Company needs to have enough shares of common stock available to provide for the issuance of the new shares upon the exercise of certain stock purchase warrants issued in the Company's November 2006 private placement as well as common stock purchase warrants issued to certain shareholders in private transactions. The Company does not intend to issue any new shares of common stock at this time, nor did it receive any requests for new issuance of stock. The additional shares also will be available for issuance for any proper corporate purpose including, among other things, future acquisitions of property or securities of other corporations, merger transactions, stock dividends, stock splits, stock options,

Edgar Filing: Joystar Inc - Form PRER14C

convertible debt and equity financing. This step is necessary, in the judgment of the Board of Directors, in order to carry out the Company's business objectives and attract potential new capital.

POTENTIAL EFFECTS OF INCREASE IN THE AUTHORIZED CAPITAL

The Increase in the Authorized Capital of the Company would increase the authorized number of shares of common stock of the Company from 50 million to 200 million, and would authorize the issuance of up to 10 million shares of preferred stock.

AUTHORIZED SHARES OF COMMON STOCK

The Increase in the Authorized Capital would increase the number of authorized shares of the Company as stated above. These additional shares of Common Stock would be available for issuance from time to time for corporate purposes such as raising additional capital, acquisitions of companies or assets and sales of stock or securities convertible into common stock. The Company believes that the availability of the additional shares will provide it with the flexibility to meet business needs as they arise, to take advantage of favorable opportunities and to respond to a changing corporate environment.

PROCEDURE FOR EFFECTING INCREASE IN THE AUTHORIZED CAPITAL

The Increase in the Authorized Capital of the Company will occur upon the filing of the Company's amendment to its Articles of Incorporation with the secretary of state of the State of California on the Effective Date without any action on the part of stockholders of the Company.
