Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

On October 23, 2006, ePlus inc. ("the Company" or "ePlus") issued a press release announcing that it received a letter from the Nasdaq Listings Qualifications Hearings department informing ePlus that the Nasdaq Listing Qualifications Panel (the "Panel") has determined to continue the listing of ePlus' common stock on the Nasdaq Global Market subject to the condition that the Company files its Form 10-K for the fiscal year ended March 31, 2006, its Form 10-Q for the quarter ended June 30, 2006, and all required restatements, on or before January 15, 2007. The Company must continue to meet all other listing requirements, and the Panel may reconsider the terms of the extension based on any event, condition, or circumstance that would, in the opinion of the Panel, make continued listing of the common stock inadvisable or unwarranted.

The Company has previously disclosed that it was unable to complete and file its Form 10-K for the fiscal year ended March 31, 2006 and Form 10-Q for the quarter ended June 30, 2006 as a result of the Audit Committee's ongoing investigation of stock option grants by the Company since its initial public offering in 1996. The Company also disclosed that on July 18, 2006 and August 17, 2006, it received Nasdaq Staff Determination notices from the Nasdaq Listing Qualifications Department that the Company's shares of common stock would be delisted because the Company was not in compliance with the continued listing requirements of Marketplace Rule 4310(c)(14) due to its failure to file its Form 10-K and Form 10-Q. The Company requested a hearing before the Panel to review the Staff Determination, which was held on September 7, 2006. At that hearing, the Company requested an extension of time to file its Form 10-K and Form 10-Q.

A copy of the Company's press release issued on October 23, 2006, relating to the foregoing, is filed as Exhibit 99.1 and incorporated herein by reference.
