Dear Shareholders:

I am pleased to announce that The First Bancshares, Inc. finished the first six months of 2004 with \$181.6 million in assets compared to \$165 million at 12-31-03. Total loans increased \$23.7 million and deposits increased by \$8.5 million.

After tax earnings for the first six months improved to \$629 thousand compared to \$560 thousand for the same period in 2003. Earnings per share improved to \$.54.

Growth was achieved while at the same time decreasing salary, occupancy and other operating costs. Part of this was achieved by the efficiencies derived by combining our two banks in the

first quarter. Costs related to consolidation were almost totally absorbed in the first and second quarters.

Our Picayune office reached a break-even point after 12 months of operation. Picayune currently has \$10 million in loans and \$7 million in deposits, and its operations are now housed in a permanent facility that officially opened in May 2004.

We recently filed an application to open a branch in Pascagoula, Mississippi. We have already opened a loan production office there and are pleased with the results. Based on early estimates, we hope to reach the break-even point for Pascagoula operations within the first year.

Thank you for supporting our company through its start up and maturing process. I hope you share the excitement that the board and I have when assessing our progress and opportunities.

Sincerely,

/s/ David E. Johnson

David E. Johnson

Chairman of the Board
