Item 1.01. Entry into a Material Definitive Agreement.

On May 2, 2014, Intuitive Surgical, Inc. ("Intuitive" or the "Company") entered into a Supplemental Confirmation to the Master Confirmation dated as of July 29, 2013 (the "Master Confirmation" and together with the Supplemental Confirmation, the "ASR Agreement") with Goldman, Sachs & Co. ("Goldman") relating to an accelerated share repurchase program (the "ASR Program"). Pursuant to the terms of the ASR Program, Intuitive will repurchase \$1 billion of its common stock from Goldman.

On May 7, 2014, Intuitive will make a payment of \$1 billion to Goldman against the delivery of shares by Goldman to it. The Company anticipates that a majority of the shares owed to the Company by Goldman will be delivered and retired within the first two weeks of the ASR Program. The number of shares to be repurchased under the ASR Program by Intuitive will at least be equal to a minimum number of shares established by Goldman during an initial hedge period for the ASR Program. Purchases under the ASR Agreement are subject to provisions that will establish the number of shares based on the average daily volume-weighted average share price over an initial hedge period. Intuitive expects all ASR Program purchases to be completed by early November 2014, although the completion date may be accelerated at Goldman's option. The actual number of shares repurchased will be determined at the completion of the ASR Program. The Company had \$1 billion remaining under its Board of Directors ("Board") authorized stock repurchase program prior to the initiation of the ASR Program. Additional repurchases by the Company will require additional Board authorizations.

The ASR Agreement contains the principal terms and provisions governing the ASR Program, including, but not limited to, the mechanism used to determine the number of shares that will be delivered, the required timing of delivery of the shares, the specific circumstances under which Goldman is permitted to make adjustments to valuation periods, the specific circumstances under which the ASR Program may be terminated early, certain specific circumstances under which Goldman may deliver fewer than the minimum number of shares specified by provisions and various acknowledgments, representations and warranties made by Intuitive and Goldman to one another. The foregoing summary is qualified in its entirety by reference to the Master Confirmation, filed as Exhibit 10.1 hereto and incorporated herein by reference, and the Supplemental Confirmation, which will be filed as an exhibit to the Company's quarterly report on Form 10-Q for the period ending June 30, 2014.
