ITEM 8.01 OTHER EVENTS.

Citizens, Inc. is a defendant in a lawsuit originally filed in Texas District Court, Austin, Texas, now styled *Citizens Insurance Company of America, Citizens, Inc., Harold E. Riley and Mark A. Oliver, Petitioners v. Fernando Hakim Daccach*, Respondent, in which a class was originally certified by the trial court, and affirmed by the Court of Appeals for the Third District of Texas. We appealed the grant of class status to the Texas Supreme Court, and oral arguments occurred on October 21, 2004. On March 2, 2007, the Texas Supreme Court reversed the Court of Appeals' affirmance of the trial court's class certification order, decertified the class and remanded the case to the trial court for further proceedings consistent with the Texas Supreme Court's opinion. The suit alleges that certain life insurance policies which we made available by our primary life insurance subsidiary to non-U.S. residents, when combined with a policy feature which allow policy dividends to be assigned to two non-U.S. trusts for the purpose of accumulating ownership of our Class A common stock, along with allowing the policyholders to make additional contributions to the trusts, were actually offers and sales of securities that occurred in Texas by unregistered dealers in violation of the registration provisions of the Texas securities laws. The remedy sought was rescission and return of the insurance premium payments. We intend to continue to pursue a vigorous defense in any remaining proceeding. However, we expect financial exposure to us, if any, would be significantly less than had the purported class not been decertified.
