Item 2.01 Completion of Acquisition or Disposition of Assets.

As previously announced on May 18, 2017, Pixelworks, Inc. (“Pixelworks”) entered into an Arrangement Agreement (the “Agreement”) to acquire all of the issued and outstanding common shares of ViXS Systems Inc. (“ViXS”), as described in the Current Report on Form 8-K filed by Pixelworks on May 23, 2017 (the “Arrangement”). The final Plan of Arrangement, as approved by the Ontario Superior Court of Justice (Commercial List), is filed as Exhibit 2.2 hereto.

Pursuant to the Arrangement, on August 2, 2017 (the “Closing Date”), Pixelworks acquired all of the outstanding common share of ViXS, for an aggregate purchase price consisting of 3,708,263 shares of Pixelworks’ common stock, par value \$0.001 per share (“Consideration Shares”). Additionally, all restricted stock units of ViXS which were unvested and outstanding as of the Closing Date, were replaced with new grants of restricted share units of Pixelworks under Pixelworks’ Amended and Restated 2006 Stock Incentive Plan. The aggregate restricted stock units granted at Closing in connection with the Arrangement was an aggregate of 202,043 restricted stock units, each of which represents the right to receive one share of Pixelworks common stock upon settlement.

At Closing, convertible debentures issued by ViXS in an aggregate principal amount of approximately \$7.6 million Canadian dollars remained outstanding (the “Convertible Debentures”). The Convertible Debentures as originally issued, included an event of default clause pursuant to which a holder thereof can request the accelerated repayment of the principal sum of, and accrued and unpaid interest on, the Convertible Debentures upon a change of control of ViXS. As at Closing, holders of Convertible Debentures in an aggregate principal amount of approximately \$6.35 million Canadian dollars had signed agreements waiving the change of control default clause and agreeing to certain other amendments. Holders of Convertible Debentures in an aggregate principal amount of approximately \$1.25 million Canadian dollars have not signed such agreements and as such will be eligible to have their Convertible Debentures repaid in cash if they provide ViXS with a notice of acceleration within 30 days following Closing. If such holders do not provide the requisite notice, the Convertible Debentures held by them will continue to remain outstanding. All Convertible Debentures that remain outstanding may be redeemed at the option of ViXS, mature in either September 2019 or January 2020, depending on the series, and are secured by a first ranking security interest over the assets of ViXS. The Convertible Debentures carry an entitlement to a 10% premium to principal upon redemption at the option of ViXS until December 31, 2017. Each holder of a Convertible Debenture shall receive upon the subsequent conversion of such Convertible Debenture in accordance with its terms, shares of common stock of Pixelworks.

The maximum number of shares of Pixelworks common stock that may be issued in the event that all Convertible Debentures convert into common stock of Pixelworks is approximately 1.067 million shares.

The Consideration Shares, and the right to receive shares of common stock of Pixelworks upon conversion of the Convertible Debentures will be issued in reliance upon Section 3(a)(10) of the Securities Act of 1933, as amended (the “Securities Act”), which exempts from the registration requirements under the Securities Act any securities that are issued in exchange for one or more bona fide outstanding securities where the terms and conditions of such issuance and exchange are approved, after a hearing upon the fairness of such terms and conditions at which all persons to whom it is proposed to issue securities in such exchange shall have the right to appear, by any court expressly authorized by law to grant such approval. Additionally, Pixelworks has agreed to file by October 31, 2017 a registration statement on Form S-3 registering the shares of common stock to be issued upon conversion of any Convertible Debentures.

At Closing, the Company repaid ViXS’ outstanding debt with Comerica Bank of approximately \$4 million, using its cash on hand.
