PROXY STATEMENT

MEETING

This statement is furnished in connection with the solicitation by the management of Mercer International Inc. (the "Company") of proxies for

Edgar Filing: MERCER INTERNATIONAL INC - Form DEF 14A

use at the annual meeting of shareholders of the Company (the "Shareholders") to be held at the Terminal City Club, 837 West Hastings Street, Vancouver, British Columbia, Canada at 10:00 am (Vancouver time) on Friday, August 22, 2003, or any adjournment, postponement or rescheduling thereof (the "Annual Meeting"). If a proxy in the accompanying form (a "Proxy") is properly executed and received by the Company prior to the Annual Meeting or any adjournment, postponement or rescheduling thereof, the Company's shares of beneficial interest, \$1.00 par value (the "Shares"), represented by such Proxy will be voted in the manner directed. In the absence of voting instructions, the Shares will be voted for each of the proposals set out in the accompanying Notice of Annual Meeting of Shareholders.

BACKGROUND

On or about June 20, 2003, the Company commenced mailing to its Shareholders a proxy statement in connection with the Annual Meeting which set forth Michel Arnulphy and Per Gundersby as management nominees for election to the board of trustees (the "Board" or the "Trustees"). On June 20, 2003, Greenlight Capital, L.L.C. and Greenlight Capital, Inc. (collectively, "Greenlight") publicly announced an intention to nominate a slate of two nominees, Guy W. Adams and Saul E. Diamond, for election to the Board. On June 30, 2003, the Company rescheduled the Annual Meeting, originally scheduled to be held on July 15, 2003, to August 22, 2003. The record date for the Annual Meeting was changed to July 23, 2003.

SETTLEMENT AGREEMENT

On August 5, 2003, the Company and Greenlight entered into a settlement agreement (the "Settlement Agreement") pursuant to which Greenlight agreed to terminate its proxy solicitation. In connection with the Settlement Agreement, the Company and Greenlight agreed, among other things, to the following:

- (a) the Company would nominate for election as Trustees at the Annual Meeting, Guy W. Adams and Kenneth A. Shields, a nominee jointly proposed by three other unrelated shareholders (the "Unrelated Shareholders") of the Company (Guy W. Adams and Kenneth A. Shields are collectively referred to as the "Consensual Nominees");
- (b) the only business to be conducted at the Annual Meeting would be: (i) the election of two Trustees to the Board to serve as Class III Trustees (ii) the ratification of the appointment of the auditors for the Company; (iii) the approval of the 2003 non-qualified stock option plan (the "2003 Option Plan"); and (iv) such other business as may properly come before the Annual Meeting or any adjournment, postponement or rescheduling thereof;
- (c) Greenlight will vote all Shares owned or controlled by it, totaling 2,517,500 Shares, in favour of: (i) the election of the Consensual Nominees; (ii) the ratification of Deloitte & Touche LLP as independent auditors of the Company; and (iii) the approval of the 2003 Option Plan;
- (d) Greenlight will: (i) cease and desist its current solicitation of proxies; (ii) notify the Securities and Exchange Commission (the "Commission") in writing that it will not use its definitive proxy statement now on file with the Commission and not nominate persons for election unless the Settlement Agreement is terminated according to its terms; (iii) not, directly or indirectly, seek to advise or influence any person or entity with respect to the voting of any Shares at the Annual Meeting; and (iv) not otherwise act, alone or in

Edgar Filing: MERCER INTERNATIONAL INC - Form DEF 14A

concert with others, to seek to control, influence or comment negatively

1

on the management, Board, business, policy or affairs of the Company prior to the completion of the Annual Meeting;

- (e) if at the Annual Meeting the 2003 Option Plan is approved and the Consensual Nominees are elected as Trustees, the Company will issue options (the "Replacement Options") to purchase: (i) 100,000 Shares and 225,000 Shares to Guy W. Adams and GWA Investments, LLC ("GWA"), respectively, less an amount equal to any Shares of the Company acquired by Mr. Adams or GWA pursuant to the terms of an agreement between Mr. Adams and Greenlight dated June 20, 2003 (the "Greenlight Adams Agreement"). These options will be exercisable at an exercise price of \$4.53 per Share until September 22, 2003 by GWA and June 20, 2004 by Mr. Adams and will be issued under the 2003 Option Plan; and (ii) 50,000 Shares to Saul E. Diamond, less an amount equal to any Shares acquired by Mr. Diamond pursuant to the terms of an agreement between Mr. Diamond and Greenlight dated June 20, 2003 (the "S.D. Agreement"). These options will be exercisable at an exercise price of \$4.53 per Share until June 20, 2004 and will be issued under the 2003 Option Plan. If the Shareholders do not approve the 2003 Option Plan at the Annual Meeting, the Company shall promptly issue to Greenlight upon exercise of any of the options previously granted by Greenlight to Guy W. Adams and GWA pursuant to the Greenlight Adams Agreement and to Saul E. Diamond pursuant to the S.D. Agreement, the number of shares of beneficial interest of the Company equal to (i) the number of options exercised multiplied by the difference between the closing market price of the Shares as reported on the NASDAQ Stock Market on the day the options are exercised and \$4.53, divided by (ii) such closing market price. If the number of shares to be issued results in Greenlight receiving a fractional share, the number of shares that Greenlight receives shall be rounded up to the next whole share (with a half share being rounded down);
- (f) if the Consensual Nominees are elected as Trustees at the Annual Meeting, the Company will within 15 days of the Annual Meeting convene a meeting of the Board at which Kenneth A. Shields will be the sole nominee to be elected by the Board as the "Lead Trustee" of the Board and the Board shall establish the terms of reference for the Lead Trustee which shall include chairing any Board meeting held in the absence of management Trustees and the power to engage such counsel as he feels he may require from time to time with respect to his duties as Lead Trustee on the Board, whose expense will be borne solely by the Company; and
- (g) the Company will reimburse Greenlight for its reasonable costs associated with its solicitation and for amounts paid or payable by Greenlight to Guy W. Adams and Saul E. Diamond up to a maximum of \$250,000.

In connection with the Settlement Agreement, the Company amended its shareholder protection rights plan dated December 30, 1993 (the "Plan Amendment") to ensure that the Settlement Agreement and transactions provided for therein would not constitute a "Triggering Event" or otherwise result in the separation of the rights under such Plan.

Complete copies of the Settlement Agreement and the Plan Amendment were

Edgar Filing: MERCER INTERNATIONAL INC - Form DEF 14A

filed by the Company with the Commission on Form 8-K on August 7, 2003.

2

The Company estimates that it has also incurred additional costs of \$500,000, including amounts to be paid to Greenlight under the Settlement Agreement, in connection with this solicitation, excluding the amount of such costs normally expended for a solicitation for an election of Trustees and excluding salaries and wages of regular employees and officers of the Company.

VOTING

A Proxy may be revoked at any time prior to its use by filing a written Notice of Revocation of Proxy or a later dated Proxy with the Secretary of the Company c/o Suite 1620, 400 Burrard Street, Vancouver, British Columbia, Canada V6C 3A6. A Proxy may also be revoked by attending the Annual Meeting and voting Shares in person. Attendance at the Annual Meeting will not, in itself, constitute revocation of a Proxy.

The holders of one-third of the outstanding Shares entitled to vote at the Annual Meeting, present in person or represented by proxy, constitutes a quorum for the Annual Meeting. Under applicable Washington State law, abstentions and broker non-votes will be counted for the purposes of establishing a quorum for the Annual Meeting.

Proxies for the Annual Meeting will be solicited primarily by mail. Proxies may also be solicited personally by the Trustees, officers or regular employees of the Company without additional compensation. The Company may reimburse banks, broker-dealers or other nominees for their reasonable expenses in forwarding the proxy materials for the Annual Meeting to beneficial owners of Shares. The costs of this solicitation will be borne by the Company.

This Proxy Statement and accompanying Proxy will be mailed to Shareholders commencing on or about August 12, 2003. The close of business on July 23, 2003 has been fixed as the record date (the "Record Date") for the determination of Shareholders entitled to notice of and to vote at the Annual Meeting or any adjournment, postponement or rescheduling thereof.

VOTING SECURITIES AND PRINCIPAL SHAREHOLDERS

There were 16,874,899 Shares of the Company issued and outstanding on the Record Date. Each Share is entitled to one vote at the Annual Meeting.

The following table sets forth certain information regarding the beneficial ownership of the Shares as of July 23, 2003 by each Shareholder known by the Company to own more than five percent of the outstanding Shares. Non-management Trustees receive \$20,000 annually for their services and \$500 for each meeting of the Board that they attend. The Company also reimburses Trustees and officers for expenses incurred in connection with their duties as Trustees and officers. Trustees that are not also officers or employees of the Company and who are in office at the end of a fiscal year may receive options to acquire up to 6,000 Shares at an exercise price equal to the closing price of the Shares on the NASDAQ Stock Market on the last trading day of a fiscal year.

INDEMNITY AGREEMENTS

The Company has entered into a Trustee's Indemnity Agreement with each of the Trustees. The Company has agreed under each of these agreements to indemnify each of the Trustees against any and all claims and costs that are or may be brought against him as a result of his being a Trustee, officer or employee of the Company or that of a company related to the Company. However, under the agreements, the Company is not obligated to indemnify a Trustee against any claims or costs in certain instances, including if it is determined that the Trustee failed to act honestly and in good faith with a view to the best interests of the Company, if the Trustee failed to disclose his interest or conflicts as required under corporate legislation in Washington or the Company is not permitted to indemnify the Trustee under such legislation, or if the Trustee has violated any insider trading rules under United States federal and state securities laws.

If there is a change in control (as defined in the agreement) of the Company other than a change in control which has been approved by a majority of the Board, the Company is required to seek legal advice as to whether and to what extent a Trustee would be permitted to be indemnified under applicable law. In addition, the agreements allow the Company to defend any claim made against a Trustee.

EMPLOYMENT AGREEMENTS

Mr. Lee is a party to an amended and restated employment agreement dated November 20, 2000 with the Company. The agreement generally provides, subject to certain termination provisions, for the continued employment of Mr. Lee as President and Chief Executive Officer for a period of 36 months with automatic one-month renewals, so that the contract at all times has a remaining term of 36 months. The agreement provides for a base salary of \$240,000 (which is paid in a foreign currency) and other compensation as determined by the Board. The agreement contains change in control provisions pursuant to which, if a change in control (as defined in the agreement) occurs, Mr. Lee may only be discharged for cause. In the event Mr. Lee is terminated without cause or resigns for good reason (as defined in the agreement) within eighteen months of the change in control, he shall be entitled to a severance payment of three times his annual salary under the agreement and all unvested rights in any stock

option or other benefit plans shall vest in full. If Mr. Lee is terminated without cause or resigns for good reason within three years of the change in control, he shall be entitled to a severance payment of three times the sum of his then annual salary under the agreement plus the higher of his last annual bonus and the highest bonus received during the preceding five years. In addition, all unvested rights in any stock option or other benefit plans will vest in full. Mr. Lee will also continue to receive equivalent benefits as were provided at the date of termination for the remaining term of the agreement. Mr. Lee may terminate his employment with the Company at any time for good reason (as described in his employment agreement) within 180 days after the occurrence of the good reason event.

Mr. Gandossi is a party to an employment agreement dated effective August 15, 2003 with the Company. The agreement generally provides, subject to certain termination provisions, for the continued employment of Mr. Gandossi as Chief Financial Officer, Executive Vice-President and Secretary for a period of 36 months, with an automatic 12-month renewal if the Company does not provide written notice of its intention not to renew the agreement at least 12 months before the original term expires. Thereafter the agreement provides for successive 12 month renewals unless the Company provides written notice of its intention not to renew 360 days in advance of the expiry of the then term thereof. The agreement provides for an annual base salary of CDN\$320,000 and a one-time signing bonus of CDN\$75,000, the use of a vehicle and participation in the Company's bonus program. The agreement contains change in control provisions pursuant to which, if in connection with or within eighteen months of a change in control, Mr. Gandossi voluntarily terminates his employment for good reason or is involuntarily discharged, he shall be entitled to a severance payment of three times the sum of his current annual base salary plus the highest of (x) his then-current annual bonus, (y) his highest variable pay and annual incentive bonus for the last three years and (z) 50% of his current annual base salary. In addition, all unvested rights in any stock option or other benefit plans will vest in full. Mr. Gandossi may terminate his employment with the Company at any time for good reason within 180 days after the occurrence of the good reason event. If Mr. Gandossi is terminated without cause or resigns for good reason other than in connection with the change in control, he shall be entitled to a severance payment equal to the sum of his base salary for the remaining term of the agreement plus the annual bonuses payable for the years (or portions thereof) remaining in the term of the agreement, calculated as set forth in the agreement. This summary of Mr. Gandossi's employment agreement is qualified in its entirety by reference to the agreement, which is attached as Exhibit 10.1 to the Company's Current Report on Form 8-K filed with the SEC on August 11, 2003.

INCENTIVE BONUS PLAN

The Company adopted an employee incentive bonus plan ("EIP") which provides for the award of interests in an incentive bonus pool established under the plan to Trustees, officers and employees of the Company. The purpose of the plan is to attract and retain the services of qualified people and to provide additional incentive to them by granting them the opportunity to participate in the Company's profits. Under the plan, up to 5% of the Company's Net Income (as defined in the plan) for each fiscal year is set aside as a bonus pool. Units in the bonus pool may be granted by the Board at its discretion to eligible persons during a fiscal year. The amount payable to a person from the bonus

pool equals the percentage of the total number of units granted during the fiscal year which are held by the person at the end of the fiscal year.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

C.S. Moon and Michel Arnulphy served as members of the Compensation Committee of the Board during the year ended December 31, 2002. No executive officer of the Company serves as a member of the board of trustees or board of directors or compensation committee of any other entity that has or has had one or more executive officers serving as a member of the Company's Board or the Compensation Committee thereof.

REPORT OF THE TRUSTEES ON EXECUTIVE COMPENSATION

The compensation of the Company's executive officers is determined on an annual basis by the Compensation Committee of the Board in consultation with management. The Compensation Committee is composed of non-employee Trustees of the Company who are independent under the standards of the NASDAQ Stock Market.

The Company's compensation philosophy for executive officers is performance-based and is meant to motivate executive officers to achieve and maintain superior performance levels. To this end, the Company maintains annual base salaries for executive officers at relatively low amounts and awards annual bonuses and long-term incentives in the form of stock options to executive officers. In implementing the Company's compensation philosophy, the Compensation Committee considers, among other things, financial and operating targets for the Company for a period and the contribution of the executive officer in achieving these targets, the contribution of the executive officer to the business and operation of the Company generally, as well as total shareholder return.

Base salaries for executive officers are based upon, among other things, job responsibilities, experience and performance of the executive officer, which involves an assessment of an executive officer's skills, judgment, application of knowledge and support of corporate values and priorities. In addition, the impact an executive officer is expected to make to the business of the Company in the future is considered.

Bonuses are granted to the Company's executive officers pursuant to the EIP. Interests in the bonus pool established under the EIP are awarded to executive officers based on the expectations of the Trustees and management for, among other things, the financial and operating performance of the Company in a particular period and the contribution of an executive officer in achieving targets. The Compensation Committee also considers the contribution of the executive officers to the business and operation of the Company generally.

Executive officers may also be granted long-term incentives in the form of stock options under the Company's stock option plan. Options are generally granted based upon the long-term financial and operating expectations of the Trustees and management for the Company and the contribution an executive officer is expected to make in the future in achieving targets. Stock options produce value to executive officers only if the price of the Company's Shares appreciate, thereby directly linking the interests of executive officers with those of shareholders.

In determining the compensation of the Company's Chief Executive Officer for 2002, the Compensation Committee evaluated Mr. Lee based on the criteria set forth above. In determining Mr. Lee's bonus award for 2002 under the EIP, the Compensation Committee considered, among other things, the operating performance of the Company in a difficult global economic environment for pulp and paper companies, the contributions made by Mr. Lee in reducing operating costs and bolstering the current and long-term competitive position of the Company during 2002 and the progress made by the Company with respect to the project to construct a kraft pulp mill near the town of Stendal, Germany and the

Edgar Filing: MERCER INTERNATIONAL INC - Form DEF 14A

contributions made by Mr. Lee in this regard. No options to acquire Shares were granted to executive officers, including Mr. Lee, in 2002. However, Mr. Lee holds a significant number of options to acquire Shares, the exercise prices of which are higher than the current trading price of the Shares on the NASDAQ Stock Market.

Submitted by the members of the Compensation Committee of the Board of Trustees.

Based solely upon a review of the copies of these reports received by the Company, and upon written representations by the Company's Trustees and officers regarding their compliance with the applicable reporting requirements under Section 16(a) of the Exchange Act, the Company believes that all of its Trustees and officers filed all required reports under Section 16(a) in a timely manner for the year ended December 31, 2002.

The Company appointed Deloitte & Touche LLP as the Company's new independent auditors in place of Peterson Sullivan PLLC effective July 14, 2003. As a matter of good corporate practice, the Company intends to seek Shareholder ratification of such appointment at the Annual Meeting.

Peterson Sullivan PLLC, Certified Public Accountants, examined the consolidated financial statements of the Company for the fiscal year ended December 31, 2002. Peterson Sullivan has examined the consolidated financial statements of the Company each year since 1989. Representatives of Deloitte & Touche and Peterson Sullivan are not expected to be present at the Annual Meeting.

Fees paid to Peterson Sullivan by the Company during 2002 included:

AUDIT FEES. The Company paid Peterson Sullivan \$358,839 in fees relating to the audit of the Company's annual financial statements and reviews of the Company's quarterly financial statements.

PROPOSAL 2

RATIFICATION OF INDEPENDENT AUDITORS

The Company appointed Deloitte & Touche LLP as the Company's new independent auditors in place of Peterson Sullivan PLLC effective July 14, 2003. The Company also appointed Deloitte & Touche as the auditors for the Company's significant subsidiaries. As a matter of good corporate practice, the Company intends to seek Shareholder ratification of the appointment of Deloitte & Touche at the Annual Meeting. The decision to change auditors was recommended and approved by the Company's Audit Committee and also approved by the Board.

Peterson Sullivan's reports on the Company's financial statements for the fiscal years ended December 31, 2001 and 2002 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the fiscal years ended

Edgar Filing: MERCER INTERNATIONAL INC - Form DEF 14A

December 31, 2001 and 2002 and the subsequent interim period ended March 31, 2003: (i) there were no disagreements between the Company and Peterson Sullivan on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which, if not resolved to the satisfaction of Peterson Sullivan would have caused Peterson Sullivan to

14

reference the subject matter of the disagreement in its reports; and (ii) there were no "reportable events" as defined in Item 304(a)(1)(v) of Regulation S-K of the Commission.

During the last two complete fiscal years and through the date hereof, neither the Company nor its significant subsidiaries consulted Deloitte & Touche with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

The appointment of Deloitte & Touche must be ratified by the majority of votes cast at the Annual Meeting, in person or by Proxy, in favor of such ratification. Accordingly, abstentions and broker non-votes will have the same effect as a vote against such ratification.

THE BOARD OF TRUSTEES RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THE RATIFICATION OF DELOITTE & TOUCHE LLP AS THE COMPANY'S AUDITORS.

In the event Deloitte & Touche are not ratified as the company's auditors at the Annual Meeting, the Company's Audit Committee will consider whether to retain Deloitte & Touche or appoint another firm. The Audit Committee may appoint another firm as the Company's auditors without the approval of Shareholders, even if Shareholders ratify the appointment of Deloitte & Touche at the Annual Meeting.

PROPOSAL 3

Edgar Filing: MERCER INTERNATIONAL INC - Form DEF 14A

No Stock Options granted under the 2003 Option Plan will be transferable by an optionee, and each Stock Option will be exercisable during the lifetime of the optionee subject to the option period of up to one year and the limitations described above. Any Stock Option held by an Optionee at the time of his death may be executed by his estate during the term of such Stock Option.

The exercise price of a Stock Option granted pursuant to the 2003 Option Plan shall be paid by wire transfer of immediately available funds to an account or accounts specified by the Company or as otherwise provided in the respective option agreement to be entered into by each Optionee pursuant to the 2003 Option Plan.

15

BOARD RECOMMENDATION

Based upon a review of a wide variety of factors considered in connection with its evaluation of the provisions and terms of the proposed 2003 Option Plan and the Settlement Agreement, the Board believes that it is in the best interests of the Company and its Shareholders to adopt the proposed 2003 Option Plan. Approval of the 2003 Option Plan requires the affirmative vote of a majority of the votes cast in person or by proxy at the Meeting. THE BOARD RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE PROPOSED 2003 OPTION PLAN FOR THE COMPANY.

APPENDIX "B"

MERCER INTERNATIONAL INC.

CODE OF BUSINESS CONDUCT AND ETHICS

PURPOSE

The Board of Trustees (the "Board") of Mercer International Inc. ("Mercer" or the "Company") has adopted this Code of Business Conduct and Ethics (the "Code") in connection with Section 406 of the Sarbanes-Oxley Act of 2002. The Code applies to Mercer's Chief Executive Officer, President, Chief Financial Officer, and all other executive officers (collectively, the "Officers"), to all other employees of Mercer and its majority-owned subsidiaries, and to the members of the Board (the "Trustees"). The Code is designed to deter wrongdoing and to promote: (i) honest and ethical conduct; (ii) avoidance of conflicts of interest; (iii) full, fair, accurate and timely disclosure in Mercer's public filings with the Securities and Exchange Commission (the "SEC"); (iv) compliance with applicable governmental laws, rules and regulations; (v) prompt internal reporting to the Board or a committee of the Board of violations of the Code;

Edgar Filing: MERCER INTERNATIONAL INC - Form DEF 14A

and (vi) accountability for adherence to the Code.

The Board believes the Code should be an evolving set of guidelines, subject to alteration as circumstances warrant. Any modification to or waiver of the Code may be made only by the Board, will be promptly disclosed as required by SEC rules and other applicable laws and regulations.

Those who violate the standards in the Code will be subject to disciplinary action, which may include loss of pay, termination, referral for criminal prosecution and reimbursement to the Company or others for any losses or damages resulting from the violation. If you are in a situation which you believe may violate or lead to a violation of this Code, you must inform the Audit Committee of the Board as soon as practicable.

ETHICAL PRINCIPLES

Each Trustee, Officer and employee is expected to conduct his or her affairs with honesty and integrity, and is required to adhere to the highest ethical standards in carrying out his or her duties on behalf of the Company. Trustees, Officers and employees are expected to be honest and ethical in dealing with each other, clients, vendors and third parties. All Trustees, Officers and employees' actions must be free from illegal discrimination, libel, slander or harassment. Each person must be accorded equal opportunities in compliance with applicable law.

CONFLICTS OF INTEREST

All of us must be able to perform our duties and exercise judgment on behalf of Mercer without influence or impairment, or the appearance of influence or impairment, due to any activity, interest or relationship that arises outside of work. Put more simply, when our loyalty to Mercer is affected by actual or potential benefit or influence from an outside source, a conflict of interest exists. We should all be aware of any potential influences that impact or appear to impact our loyalty to Mercer. In general, we should avoid situations where our personal interests conflict, or appear to conflict, with those of Mercer.

Any time you believe a conflict of interest may exist, Officers and Trustees must disclose the potential conflict of interest in writing to their supervisor and to the Audit Committee. Employees can disclose their actual or apparent conflicts of interest to their supervisors or managing directors. Any activity that is approved, despite the actual or apparent conflict, must be documented. A potential conflict of interest that involves an Officer must be approved in writing by the Audit Committee.

B-1

It is not possible to describe every conflict of interest, but some situations that could cause a conflict of interest include:

- o Doing business with family members, including your spouse, parents, children, siblings and in-laws
- o Having a financial interest in another company with whom Mercer does business
- o Managing your own business
- o Serving as a director of another business
- o Being a leader in some organizations

Edgar Filing: MERCER INTERNATIONAL INC - Form DEF 14A

- o Diverting a business opportunity from Mercer to another company

EMPLOYING FRIENDS AND RELATIVES

Employing relatives or close friends who report directly to you may also be a conflict of interest. Although our company encourages employees to refer candidates for job openings, employees who may influence a hiring decision must avoid giving an unfair advantage to anyone with whom they have a personal relationship. In particular, you should not hire relatives or attempt to influence any decisions about the employment or advancement of people related to or otherwise close to you, unless you have disclosed the relationship as provided herein and the decision has been approved.

OWNERSHIP IN OTHER BUSINESSES

Investments can cause a conflict of interest. In general, you and your family members should not own, directly or indirectly, a significant financial interest in any company that does business with Mercer or seeks to do business with Mercer or in any of our competitors.

SERVICE ON BOARDS

Serving as a director of another corporation may create a conflict of interest. Being a director or serving on a standing committee of some organizations, including government agencies, also may create a conflict. Before accepting an appointment to the board or a committee of any organization whose interests may conflict with Mercer's interests, you must discuss it with and obtain written approval from the Audit Committee. This rule does not apply to non-employee Trustees.

PUBLIC FILINGS AND COMMUNICATIONS

The Officers are responsible for ensuring full, fair, accurate, timely and understandable disclosure in the reports and documents that the Company files with the SEC and in the Company's other public communications (collectively, "Reports"). However, if you are requested to provide information to be included in, or to participate in the preparation of, Reports, you are responsible for providing such information and preparing such Reports in a manner that will help to ensure full, fair, accurate and timely disclosure.

B-2

ACCOUNTING, RECORDKEEPING AND PERSONAL TRANSACTIONS

Mercer requires honest and accurate recording and reporting of information in order to make responsible business decisions. All Mercer books, records, accounts and financial statements must be maintained in reasonable detail, must appropriately reflect Mercer's transactions and must conform both to applicable legal requirements and to Mercer's system of internal controls. Unrecorded or "off-the-books" funds or assets should not be maintained unless permitted by applicable law or regulation and approved by Mercer's principal financial officer.

Many employees regularly use business expense accounts, which must be documented and recorded accurately. If you are not sure whether a certain expense is legitimate, ask your supervisor or the accounting department.

Business records and communications often become public. Avoid exaggeration,

Edgar Filing: MERCER INTERNATIONAL INC - Form DEF 14A

derogatory remarks, guesswork, or inappropriate characterizations of people and companies in all e-mail, internal memos and reports. Records should always be retained or destroyed according to Mercer's record retention policies. In accordance with those policies and in the event of litigation or governmental investigation, please consult the Audit Committee or the Company's counsel for instructions.

If you suspect misconduct, irregularity, or other questionable matters regarding accounting, internal accounting controls or auditing matters, immediately contact your supervisor, the general counsel or the audit committee.
