By Order of the Board of Directors,

Nanette W. Mantell, Esq.
Secretary

Dated: April 22, 2005

DUSA PHARMACEUTICALS, INC.

PROXY STATEMENT

The accompanying proxy is solicited on behalf of the Board of Directors of DUSA Pharmaceuticals, Inc. ("DUSA" or the "Company"). If properly signed and returned, and not revoked, the proxy will be voted in accordance with the instructions it contains. The persons named in the accompanying proxy will vote the proxy for the Board of Directors' slate of directors and for the other matters listed on the proxy as recommended by the Board of Directors unless contrary instructions are given.

The Company, a New Jersey corporation, maintains principal executive offices at 25 Upton Drive, Wilmington, Massachusetts. This proxy statement and the accompanying form of proxy are being mailed to shareholders on or about April 22, 2005. DUSA's Annual Report for 2004, including financial statements for the year ended December 31, 2004, is being mailed to shareholders at the same time.

Shareholders Entitled To Vote.

Holders of record of shares of DUSA common stock at the close of business on April 18, 2005 are entitled to notice of and to vote at the annual meeting and at any and all adjournments or postponements of the meeting. On the record date there were 16,919,447 shares of common stock without par value ("Common Stock") outstanding and entitled to vote. These shares were the only shares outstanding of the Company. Each share entitles its owner to one vote. The holders of one-third of the shares that are outstanding and entitled to vote at the annual meeting must be present, in person or represented by proxy, in order to constitute a quorum for all matters to come before the meeting.

Other than the vote for the election of directors, which requires a plurality of the votes cast, each matter to be submitted to the shareholders requires the affirmative vote of a majority of the votes cast at the meeting for such matter. For purposes of determining the number of votes cast with respect to a particular matter, only those votes cast "FOR" or "AGAINST" are included. Abstentions and broker non-votes are counted only for purposes of determining whether a quorum is present at the meeting. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. The nominees may vote the shares only on matters deemed routine, such as the election of directors and ratification of the selection of the independent registered public accounting firm. As of the record date, the Company's management currently owns approximately one percent of the Company's outstanding Common Stock.

How To Vote.

If you are a shareholder of record (that is a shareholder who holds shares in his/her own name), you can vote by signing, dating and returning your proxy card in the enclosed postage-paid envelope. If you sign and return your proxy card but do not give voting instructions, the shares represented by that proxy will be voted "FOR" Proposals 1 and 2 and will be voted in the proxy holder's discretion as to other matters that may come before the annual meeting.

If your shares are held in the name of a bank, broker or other holder of record (that is, "street name"), you will receive instructions from the holder of record that you must follow in order for your shares to be voted.

Changing Your Vote.

You may change your vote at any time before the proxy is exercised, by executing and delivering a timely and valid later-dated proxy, by voting by ballot at the annual meeting or by giving written notice

to the Secretary of the Company. Attendance at the meeting will not have the effect of revoking a proxy unless you give proper written notice of revocation to the Secretary before the proxy is exercised or you vote by written ballot at the annual meeting.

Reduce Duplicate Mailings.

The Company is required to provide an Annual Report and proxy statement to all shareholders. If you are a shareholder of record and have more than one account in your name or at the same address as other shareholders of record, you may authorize the Company to discontinue mailings of multiple proxy statements, Annual Reports and other information statements. To do so, please mark the designated box on each proxy card for which you wish to *discontinue* to receive duplicate documents. Your consent to stop delivery of the Annual Report, proxy statements and other information statements shall be effective for five (5) years or until you revoke your consent. You may revoke your consent at any time by contacting Ms. Shari Lovell, in writing, at the Company's office located at 555 Richmond Street West, Suite 300, Toronto, Ontario M5V 3B1 Canada, or by calling 1-800-607-2530. Delivery of individual copies of the documents shall resume within thirty (30) days of our receipt of your request.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

Six (6) directors will be elected to hold office until the next Annual Meeting of Shareholders and/or until their successors have been duly elected and qualified. The persons named on the accompanying proxy will vote all shares for which they have received proxies FOR the election of the nominees named below unless contrary instructions are given. In the event that any nominee should become unavailable, shares will be voted for a substitute nominee unless the number of directors constituting a full board is reduced. Directors are elected by plurality vote.

Outside directors receive \$25,000 per year, as annual compensation, regardless of the number of Board or Committee meetings they attend. Directors serving on the Audit Committee receive an additional \$5,000 per year. Beginning in 2005, the Chairman of the Audit Committee and the Lead Director receive an additional \$5,000 per year. Directors are also paid out-of-pocket expenses related to their attendance at meetings of the Board and Committees. Directors are awarded options to purchase up to 15,000 shares of Common Stock on June 30th of their first year of service or as of the close of business thirty (30) days following their election, whichever shall first occur, and options to purchase up to 10,000 shares of Common Stock on June 30th of each year following their reelection. All options granted to directors vest immediately.

MEETINGS AND COMMITTEES OF THE BOARD

During the year ended December 31, 2004, there were seven meetings of the Board of Directors. Each incumbent director attended at least 75% of the aggregate of the meetings of the Board of Directors and of all of the committees on which he serves. The Board of Directors has established an Audit Committee, Nominating and Corporate Governance Committee and a Compensation Committee.

Mr. Haft, the Vice-Chairman of the Board and Lead Director, presides at meetings of the independent directors.

The members of the Audit Committee currently are Messrs. Haft, Lufkin, Bartash and Dr. Abeles. All of the members are independent directors in accordance with the rules of the Nasdaq Stock Market and applicable federal securities laws and regulations. In addition, the Board of Directors has determined that Mr. Lufkin qualifies as an audit committee financial expert and has designated him to that position. The Audit Committee, with Mr. Lufkin serving as Chairman, provides oversight of the Company's accounting functions and acts as liaison between the Board of Directors and the Company's independent registered public accounting firm. The Committee reviews with the independent auditors of the firm the Company's unaudited quarterly financial statements, the planning and scope of the audits of the Company's financial statements, the results of those audits and the adequacy of internal accounting controls, and monitors other corporate and financial policies. In performing these functions, the Audit Committee meets periodically with the independent auditors (including in private sessions), and with management. In addition, the Audit Committee selects the independent registered public accounting firm for appointment by the Board of Directors. The Audit Committee met four times during 2004.

The members of the Nominating and Corporate Governance Committee are Messrs. Haft, Lufkin, Bartash, Moliteus and Dr. Abeles, who serves as its Chairman. All of the members of our Nominating and Corporate Governance Committee are independent directors in accordance with the rules of the Nasdaq Stock Market. The Nominating and Corporate Governance Committee's purpose is to identify and evaluate the qualifications of individuals to become members of the Board of Directors, to select the director nominees, to develop and recommend corporate governance principles to the Board of Directors and to provide oversight and guidance to the Board of Directors to assure compliance with its corporate governance policies and principles. There were two meetings of this Committee in 2004. Shareholders who wish to suggest qualified candidates to the Nominating and Corporate Governance Committee for director should write to: Administrator, Nominating and Corporate Governance Committee, DUSA Pharmaceuticals, Inc., 25 Upton Drive, Wilmington, Massachusetts 01887 stating, in detail, the qualifications of such persons for consideration by the Nominating and Corporate Governance Committee. A copy of the Nominating and Corporate Governance Committee Charter is located on the Company's website at www.dusapharma.com.

Among the central purposes of the Nominating and Corporate Governance Committee are identifying individuals qualified to become members of the Board of Directors and reviewing the qualifications of candidates and selecting the director nominees to be voted on at each annual meeting of shareholders. In effectuating those purposes, the Nominating and Corporate Governance Committee is charged with ensuring that the nominees for membership on the Board of Directors are of the highest possible caliber and are able to provide insightful, intelligent and effective guidance to the management of the Company. The following criteria have been identified by the Nominating and Corporate Governance Committee, and adopted by the Board of Directors, to guide the Nominating and Corporate Governance Committee in selecting nominees:

1. Directors should be of the highest ethical character and share the values of DUSA;
2. Directors should have personal and professional reputations that compliment and enhance the image and standing of DUSA;
3. Directors should be leaders in their field of endeavor, with exemplary qualifications;
4. The Committee should generally seek current and/or former officers and/or directors of companies and organizations, including scientific, government, educational and other non-profit institutions;

Edgar Filing: DUSA PHARMACEUTICALS INC - Form DEF 14A

5. The Committee should seek directors so the Board is comprised of directors who collectively are knowledgeable in the fields of pharmaceuticals and device development, particularly those areas of research, development and commercialization undertaken by the Company;
6. Directors should have varied educational and professional experiences and backgrounds who, collectively, provide meaningful counsel to management;
7. Directors should generally not serve on more than six boards;
8. At least two-thirds of the directors on the Board should be "independent" as defined by The Nasdaq Stock Market, Inc. and should not have any real or apparent conflicts of interest in serving as a director; and
9. Each director should have the ability to exercise sound, independent business judgment.

The Committee applies the same criteria to all nominees for the Board irrespective of the source of such nominee.

Absent extenuating circumstances, each member of the DUSA Pharmaceuticals, Inc. Board of Directors is expected to attend the Annual Meeting of Shareholders. All six (6) of the directors attended the 2004 Annual Meeting of Shareholders.

The members of the Compensation Committee are Messrs. Bartash, Moliteus and Haft, who serves as its Chairman. The Compensation Committee considers executive compensation of the Company's key officers and compensation of directors. The Committee also considers employee benefits which may be appropriate as the Company grows, and develops policies and procedures. The Compensation Committee met twice in 2004. It also met in February 2005 to establish compensation for 2005 and to award bonuses for 2004.

The Board of Directors will reconsider the appointment if it is not ratified. A majority of the votes cast, in person or by proxy, at the Annual Meeting of Shareholders is required for ratification. A representative of Deloitte & Touche LLP will be present at the meeting to answer questions from shareholders and will have the opportunity to make a statement on behalf of the firm, if he or she so desires.

Edgar Filing: DUSA PHARMACEUTICALS INC - Form DEF 14A

There were no other fees billed by Deloitte & Touche LLP for professional services rendered for the fiscal year ended December 31, 2004 and 2003.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

In considering the nature of the services provided by the independent registered public accounting firm, which were pre-approved in accordance with procedures required by the Audit Committee Charter, the Audit Committee determined that such services are compatible with the provision of independent audit services. The Audit Committee discussed these services with the independent auditor and Company management to determine that they are permitted under the rules and regulations concerning auditor independence promulgated by the SEC to implement the Sarbanes-Oxley Act of 2002, as well as the American Institute of Certified Public Accountants.

BOARD AUDIT COMMITTEE REPORT¹

The Audit Committee of the Board of Directors (the "Audit Committee") assists the Board of Directors by providing oversight of the Company's financial reporting process and its independent auditors. Management is responsible for preparing the Company's financial statements and the Company's independent auditors are responsible for auditing those financial statements. The Audit Committee is responsible for overseeing the conduct of these activities by the Company's management and selecting the independent auditors. The Audit Committee operates under a written charter adopted and approved by the Board of Directors. A brief description of the responsibilities of the Audit Committee is set forth above under the caption "Meetings and Committees of the Board."

The Audit Committee reviewed and discussed the audited consolidated financial statements for the fiscal year ended December 31, 2004 with management. The Audit Committee also discussed with Deloitte & Touche LLP, the independent auditors, the matters required to be discussed by Statement on Auditing Standards No. 61, "*Communication with Audit Committees*." In addition, the Audit Committee received from Deloitte & Touche LLP the written disclosures and the letter required by Independence Standards Board Standard No. 1, "*Independence Discussions with Audit Committees*," and the Audit Committee discussed with the independent auditors their independence from the Company and its management. Additionally, the Audit Committee considered whether their provision of services to the Company beyond those rendered in connection with their audit and review of the Company's consolidated financial statements was compatible with maintaining their independence and the fees and costs billed and to be billed for those services as shown on page 5 of this proxy statement. The Audit Committee concluded that Deloitte & Touche LLP's provision of such services is compatible with Deloitte & Touche LLP's independence.

Based on its review, and the discussions with the Company's management and its independent auditors, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements for the fiscal year ended December 31, 2004 be included in the Company's Annual Report on Form 10-K. The Audit Committee has also selected Deloitte & Touche LLP as the Company's independent registered public accounting firm for the fiscal year ended December 31, 2005.

BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION¹

The Compensation Committee of the Board of Directors (the "Compensation Committee") is composed of three (3) independent non-employee directors whose names appear at the end of this report. The Compensation Committee is responsible for setting and administering the policies which govern annual executive salaries and cash bonus awards, and recommends participants and amounts of stock option awards to the Company's Board of Directors. The Compensation Committee evaluates, on a yearly basis, the performance, and determines the compensation of, the executive officers of DUSA. DUSA's Chairman and Chief Executive Officer, Dr. D. Geoffrey Shulman, is not a member of the Compensation Committee, however, the Compensation Committee seeks input from Dr. Shulman regarding the performance of DUSA's other executive officers, as well as his recommendations for their compensation. Dr. Shulman is present, at the invitation of the Compensation Committee, at its meetings, other than during consideration of his own compensation.

DUSA's executive compensation programs consist of base salary, cash bonus incentives, stock option and stock grant awards. The goals of the Company's executive officer compensation policies are to attract, retain, and reward executive officers who contribute to DUSA's success, to align executive officer compensation with DUSA's performance and to motivate executive officers to achieve the Company's business objectives. The executive officers were evaluated by the Compensation Committee against established goals for 2004, including corporate goals, the Company's stock performance and individual goals within each executive officer's area of responsibility.

With regard to base salary, the Compensation Committee believes that DUSA's officers should be compensated at levels comparable to the base salary of executive officers at similar public biotechnology or pharmaceutical companies. During 2004, the Compensation Committee received survey data reporting the salaries and bonuses for executives of companies in these groups which was prepared by an independent consultant.

Generally, DUSA's Vice Presidents are eligible to receive up to 30% of their base salary as a cash bonus award. The Compensation Committee recognized that for 2004 these individuals largely achieved their personal goals and corporate goals and that there was a significant positive increase in shareholder value. Therefore, the Compensation Committee concluded that DUSA's overall operational performance, particularly with regard to marketing and sales functions, ramping up of manufacturing operations, expanding research and development relationships, and enhanced medical information functions, justified favorable consideration of bonuses for its Vice Presidents, in some cases, in excess of 30% as permitted by their respective employment agreements. Accordingly, DUSA's Vice Presidents received cash bonus awards ranging from approximately 26% to 44% of their base salaries. These cash awards were paid in February 2005. DUSA's President and Chief Operating Officer, who was hired in January, 2005, will be eligible to receive up to 40% of his base salary as a cash bonus. DUSA's Vice President of Sales, who was hired in early 2005, will be eligible to receive up to 100% of his base salary as a cash bonus dependent upon the level of achievement of sales targets.

The Compensation Committee also is using the survey data to monitor and evaluate the long-term incentive compensation levels of its officers and directors. The Compensation Committee believes that a strong stock ownership program is essential to the long-term growth of the Company. In 2005, the Compensation Committee granted to DUSA's key executive officers awards of stock options to emphasize the long-term focus required for success in the pharmaceutical industry.

Compensation of the Chief Executive Officer

The Compensation Committee exercised its subjective judgment and discretion in determining the amounts of Dr. Shulman's base salary, bonus award, and stock option awards for 2004. Dr. Shulman's base salary and cash bonus award for 2004 were determined with reference to the same measures used for all DUSA's executive officers, but with particular emphasis on the increase of our financial strength through a securities offering in early 2004 and meeting marketing and sales expectations. Dr. Shulman's base salary for 2004 was \$340,000. With regard to a cash bonus award, Dr. Shulman is eligible to receive up to 50% of base salary plus additional amounts for outstanding performance. For 2004, Dr. Shulman's bonus award was 50% of his base salary, and was paid to him in 2005. For 2005, after three years at the same base salary, the Compensation Committee increased Dr. Shulman's salary to \$400,000, which includes \$10,000 that was previously paid as an expense allowance.

401(k) PROFIT SHARING PLAN

The Company adopted a tax-qualified employee savings and retirement 401(k) Profit Sharing Plan (the "401(k) Plan"), effective January 1, 1996, covering all qualified employees. Participants may elect a salary reduction of at least 1% as a contribution to the 401(k) Plan, up to the statutorily prescribed annual limit for tax-deferred contributions (\$13,000 in 2004). Modification of salary reductions can be made monthly (for 2004). Effective February 1, 2003, the Company began to match a participant's contribution up to 1.25% of a participant's salary (the "Company Match"), subject to certain limitations of the 401(k) Plan. Participants vest in the Company Match at a rate of 25% for each year of service to the Company (based on the anniversary of their date of hire). Employees who were already employed as of the effective date of the Company match received credit for their past service to the Company.

OTHER COMPENSATION

The Company has employment agreements with each of the executive officers named in the Summary Compensation Table. Pursuant to these agreements, the executive officers are entitled to receive compensation as determined by the Board of Directors and are eligible to receive the benefits

generally made available to employees of the Company. DUSA may terminate any of these agreements at any time, with or without cause on sixty (60) days prior written notice. If employment is terminated without cause, DUSA has agreed to pay a severance allowance equivalent to six months to one year of the executive officer's then-current base salary payable in either (i) a lump sum, within sixty (60) days following the date of termination or (ii) equal monthly installments, depending on the terms of the officer's employment agreement. In addition to the foregoing, Dr. Shulman's employment agreement also provides that he shall have the right to exercise, for a period of one year from the date of termination, all stock options granted to him prior to his termination as to all or any part of the shares covered by such options, including shares with respect to which such options would not otherwise be exercisable, subject to restrictions under U.S. or Canadian law.

In the event an executive officer should die while employed by DUSA, his heirs or beneficiaries will be entitled to any Company paid death benefits in force at the time of such death and will also be entitled to exercise any vested but unexercised stock options which were held by him at the time of his death, within a period of one (1) year from the date of death.

These employment agreements also provide for certain severance benefits following a change in control of the Company and termination of employment. Upon any "change of control," as defined in the agreements, DUSA shall pay to the executive officer a lump sum payment equal to three (3) times his base salary for the last fiscal year within five (5) days after such termination.

Under the Company's 1996 Omnibus Plan, as amended, any and all outstanding options not fully vested shall automatically vest in full and shall be immediately exercisable upon a "change of control," as defined in the grant agreements. The date on which such accelerated vesting and immediate exercisability shall occur, shall be the date of the occurrence of the change of control.
