INTRODUCTION

A notice of the annual meeting of shareholders of Five Star Quality Care, Inc., a Maryland corporation, or the Company, is on the preceding page and a form of proxy solicited by our Board of Directors, or our Board, accompanies this proxy statement. This proxy statement and a form of proxy, together with our annual report to shareholders for the year ended December 31, 2011, are first being made available, and a Notice Regarding the Availability of Proxy Materials, or the Notice of Internet Availability, is first being mailed, to shareholders on or about February 21, 2012.

The annual meeting record date is February 17, 2012. Only shareholders of record at the close of business on February 17, 2012, are entitled to notice of, and to vote at, the meeting and at any postponement or adjournment thereof. We had 47,899,312 shares of common stock, \$.01 par value per share, or common shares, outstanding on the record date and entitled to vote at the meeting. Our common shares are listed on the New York Stock Exchange, or NYSE. The holders of our outstanding common shares are entitled to one vote per common share.

A quorum of shareholders is required for shareholders to take action at the meeting. The presence, in person or by proxy, of holders of common shares entitled to cast one-third of all votes entitled to be cast at the meeting shall constitute a quorum. Common shares represented by valid proxies will count for the purpose of determining the presence of a quorum for the meeting. Abstentions and broker non-votes, if any, will be treated as shares present for purposes of determining whether a quorum is present. Failure of a quorum to be present at the meeting will necessitate adjournment of the meeting and will subject us to additional expense. Under our bylaws, the chairperson of the meeting may adjourn the meeting if less than a quorum is present at the meeting.

The nominees for election as Directors in proposals 1 and 2 will be elected if they receive a plurality of all votes cast. The affirmative vote of a majority of the votes cast at the meeting will be necessary to approve the resolution regarding named executive officer compensation described in proposal 3 and to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm in proposal 4. Proposals 3 and 4 are nonbinding shareholder advisory votes and, if approved, would serve only as recommendations to our Board.

The individuals named as proxies on a properly completed proxy will vote in accordance with your directions as indicated thereon. If you properly complete your proxy and give no voting instructions,

Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

your shares will be voted "FOR" the nominees for Director in proposals 1 and 2 and "FOR" proposals 3 and 4.

Shareholders of record may authorize a proxy to vote their shares over the internet or by telephone in the manner provided on the website indicated in the Notice of Internet Availability mailed to them, or, if they requested and received paper or email copies of proxy materials, by completing and returning the proxy card or by attending the meeting and voting in person. Proxies submitted by mail, over the internet or by telephone must be received by 11:59 p.m. Eastern time on Monday, May 14, 2012.

Broker non-votes occur in respect of shares held in street name when the broker indicates that voting instructions for a particular matter have not been received from the beneficial owners or other persons entitled to vote those shares and the broker does not have discretionary voting authority to vote those shares on that particular matter. Broker non-votes and abstentions will have no effect on the outcome of any of the proposals 1 through 4. A proxy marked "WITHHOLD" will have the same effect as an abstention.

The record date for the meeting will apply to any adjournment or postponement of the meeting unless our Board fixes a new record date for the adjourned or postponed meeting. If we adjourn the annual meeting, we will announce the time and place of the adjourned meeting at the original meeting, but we do not intend to deliver another notice of the meeting unless we fix a new record date for the adjourned meeting. At any subsequent reconvening of the annual meeting, all proxies will be voted in the same manner as they would have been at the original convening of the meeting (except for any proxies that have been effectively revoked or withdrawn).

IMPORTANT: If your shares are held in the name of a brokerage firm, bank, nominee or other institution, you should provide instructions to your broker, bank, nominee or other institution on how to vote your shares. Please contact the person responsible for your account and give instructions for a proxy to be completed for your shares. If you have any questions or need assistance in voting your shares, please call the firm assisting us in the solicitation of proxies:

PROPOSALS 1 AND 2 ELECTION OF DIRECTORS

The number of our Directors is fixed at five, and our Board is divided into three groups, with two Directors in Group I, two Directors in Group II and one Director in Group III. Directors in each group are elected for three year terms and serve until their successors are duly elected and qualified.

Our current Directors are Donna D. Fraiche and Gerard M. Martin in Group II with a term of office expiring at the meeting to which this proxy statement relates, Bruce M. Gans, M.D. in Group III with a term of office expiring at our 2013 annual meeting of shareholders and Barbara D. Gilmore and Barry M. Portnoy in Group I with a term of office expiring at our 2014 annual meeting of shareholders. The term of the Group II Directors elected at the meeting to which this proxy statement relates will expire at our 2015 annual meeting of shareholders.

Our Directors are also categorized as Independent Directors and Managing Directors. Our Board is composed of three Independent Directors and two Managing Directors. Our Independent Directors are Directors who are not employees of ours or Reit Management & Research LLC, or RMR, our business management and shared services provider, are not involved in our day to day activities and qualify as independent under our bylaws and the applicable rules of the NYSE and the Securities and Exchange Commission, or SEC. Our Managing Directors are Directors who are not Independent Directors and have been employees of ours or RMR or have been involved in our day to day activities for at least one year prior to their election. Ms. Gilmore, Dr. Gans and Ms. Fraiche are our Independent Directors, and Messrs. Portnoy and Martin are our Managing Directors. Biographical information relating to our Directors and other information relating to our Board appears elsewhere in this proxy statement.

PROPOSAL 1: ELECTION OF ONE INDEPENDENT DIRECTOR

Our Board has nominated Ms. Donna D. Fraiche for election as the Independent Director in Group II, whose nomination was recommended to our Board by our Nominating and Governance Committee. The term of the Independent Director in Group II elected at the meeting will expire at our 2015 annual meeting of shareholders. The persons named in the accompanying proxy intend to exercise properly executed and delivered proxies "FOR" the election of Ms. Fraiche, except to the extent that properly completed proxies indicate that the votes should not be so cast.

Ms. Fraiche has agreed to serve as the Independent Director in Group II if elected. If, however, Ms. Fraiche becomes unable or unwilling to accept election to our Board, the proxies will be voted for the election of a substitute nominee designated by our Board. Our Board has no reason to believe that Ms. Fraiche will be unable or unwilling to serve.

Ms. Fraiche will be elected as the Independent Director in Group II if she receives a plurality of all votes cast.

Our Board recommends you vote "FOR" the election of Ms. Fraiche as the Independent Director in Group II.

PROPOSAL 2: ELECTION OF ONE MANAGING DIRECTOR

Our Board has nominated Mr. Gerard M. Martin for election as the Managing Director in Group II, whose nomination was recommended to our Board by our Nominating and Governance Committee. The term of the Managing Director in Group II elected at the meeting will expire at our 2015 annual meeting of shareholders. The persons named in the accompanying proxy intend to exercise properly executed and delivered proxies "FOR" the election of Mr. Martin, except to the extent that properly completed proxies indicate that the votes should not be so cast.

Mr. Martin has agreed to serve as the Managing Director in Group II if elected. If, however, Mr. Martin becomes unable or unwilling to accept election to our Board, the proxies will be voted for the election of a substitute nominee designated by our Board. Our Board has no reason to believe that Mr. Martin will be unable or unwilling to serve.

Mr. Martin will be elected as the Managing Director in Group II if he receives a plurality of all votes cast.

Our Board recommends you vote "FOR" the election of Mr. Martin as the Managing Director in Group II.

**PROPOSAL 3
ADVISORY APPROVAL RELATING TO EXECUTIVE COMPENSATION**

As previously reported in the Current Report on Form 8-K/A that we filed with the SEC on August 12, 2011, our Board has determined that we will hold a nonbinding, advisory vote on the compensation paid to our named executive officers pursuant to Section 14A of the Securities Exchange Act of 1934, as amended, or the Exchange Act, once every year. Accordingly, we are including a proposal for our shareholders to vote to approve, on a nonbinding, advisory basis, the compensation of those of our executive officers listed in the *Summary Compensation Table for 2011, 2010 and 2009*

Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

elsewhere in this proxy statement, or our named executive officers, as disclosed pursuant to Item 402 of Regulation S-K in this proxy statement.

Our executive compensation is designed to reward executive performance that contributes to our success and increases shareholder value, while encouraging behavior that is in our and our shareholders' long term best interests. We urge you to read the *Compensation Discussion and Analysis*, *Compensation Tables* and narrative discussion in this proxy statement for additional details on our executive compensation, including our compensation philosophy and objectives and the compensation of our named executive officers.

We are asking you to vote to approve the adoption of the following resolution:

RESOLVED: That the shareholders of the Company approve, on a nonbinding, advisory basis, the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the *Compensation Discussion and Analysis*, *Compensation Tables* and narrative discussion in this proxy statement.

The affirmative vote of a majority of the votes cast will be necessary to approve proposal 3. The shareholder vote on proposal 3 is advisory and nonbinding, and serves only as a recommendation to our Board.

Our Board recommends you vote "FOR" proposal 3.

PROPOSAL 4 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

On February 14, 2012, our Audit Committee voted to appoint Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2012 (our fiscal year being a calendar year). Ernst & Young LLP acted as our independent registered public accounting firm for 2010 and 2011. A representative of Ernst & Young LLP is expected to be present at the meeting, with the opportunity to make a statement if he or she desires to do so. This representative will be available to respond to appropriate questions from shareholders who are present at the meeting. Proposal 4 is nonbinding. If the appointment is not ratified, our Audit Committee will consider whether to appoint another independent registered public accounting firm in its discretion. If the appointment is ratified, our Audit Committee, in its discretion, may appoint a different independent registered public accounting firm at any time if it determines that such a change would be advisable.

Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

The fees for services provided by Ernst & Young LLP to us for the last two fiscal years were as follows:

	2010	2011
Audit Fees	\$ 840,100	\$ 921,000
Audit Related Fees		
Tax Fees	38,000	28,000
<i>Subtotal</i>	878,100	949,000
All Other Fees		
Total Fees	\$ 878,100	\$ 949,000

Our Audit Committee has established policies and procedures that are intended to control the services provided by our independent registered public accounting firm and to monitor their continuing independence. Under these policies, no services may be undertaken by our independent registered public accounting firm unless the engagement is specifically approved by our Audit Committee or the services are included within a category that has been approved by our Audit Committee. The maximum charge for services is established by our Audit Committee when the specific engagement or the category of services is approved. In certain circumstances, our management is required to notify our Audit Committee when approved services are undertaken and the Committee or its Chair may approve amendments or modifications to the engagement or the maximum fees. Our Director of Internal Audit is responsible to report to our Audit Committee regarding compliance with these policies and procedures.

Our Audit Committee will not approve engagements of our independent registered public accounting firm to perform non-audit services for us if doing so will cause our independent registered public accounting firm to cease to be independent within the meaning of applicable SEC or NYSE rules. In other circumstances, our Audit Committee considers, among other things, whether our independent registered public accounting firm is able to provide the required services in a more or less effective and efficient manner than other available service providers and whether the services are consistent with the Public Company Accounting Oversight Board Rules.

All services for which we engaged our independent registered public accounting firm in 2010 and 2011 were approved by our Audit Committee. The total fees for audit and non-audit services provided by Ernst & Young LLP in 2010 and 2011 are set forth above. The tax fees charged by Ernst & Young LLP during 2010 and 2011 were for services involved in reviewing our tax reporting and tax compliance procedures related to our income tax returns for the fiscal years ended December 31, 2009 and 2010, respectively. Our Audit Committee approved the engagement of Ernst & Young LLP to provide these non-audit services because it determined that Ernst & Young LLP's providing these services would not compromise its independence and that its familiarity with our record keeping and accounting systems would permit it to provide these services with equal or higher quality, more quickly and at a lower cost than we could obtain these services from other providers.

Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

The affirmative vote of a majority of the votes cast will be necessary for the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2012. The shareholder vote on proposal 4 is advisory and nonbinding and serves only as a recommendation to our Board.

Our Board recommends you vote "FOR" the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2012.

SOLICITATION OF PROXIES

Proxies may be solicited, without additional compensation, by our Directors, officers and employees, and by RMR and its directors, officers and employees by mail, telephone or other electronic means or in person. We are paying the costs of this solicitation, including the preparation, printing, mailing and website hosting of proxy materials. We will request banks, brokers and other custodians, nominees and fiduciaries to forward proxy materials to the beneficial owners of our common shares and to obtain their voting instructions. We will reimburse those firms for their expenses. In addition, we have retained Innisfree to assist in the solicitation of proxies for a fee of \$15,000 plus reimbursement of expenses. BOARD OF DIRECTORS

Our business is conducted under the general direction of our Board as provided by our charter, our bylaws and the laws of the State of Maryland, the state in which we were reincorporated on September 17, 2001.

Three of our Directors, Bruce M. Gans, M.D., Barbara D. Gilmore and Donna D. Fraiche, are our Independent Directors within the meaning of our bylaws. Two of our Directors, Messrs. Portnoy and Martin, are our Managing Directors within the meaning of our bylaws.

Our bylaws require that a majority of our Board be Independent Directors. In determining the status of those Directors who qualify as Independent Directors, each year our Board affirmatively determines whether the Directors have a direct or indirect material relationship with us, including our subsidiaries, other than serving as our Directors. When assessing a Director's relationship with us, our Board considers all relevant facts and circumstances, not merely from the Director's standpoint, but also from that of the persons or organizations with which the Director has an affiliation.

Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

Our Board has determined that Dr. Gans, Ms. Gilmore and Ms. Fraiche currently qualify as independent directors under applicable NYSE rules and are Independent Directors under our bylaws. In making these determinations, our Board considered the fact that Dr. Gans served on the board of SNH, our largest landlord and largest shareholder, from 1999 to 2001. In addition, our Board considered Ms. Fraiche's position as a minority shareholder of the law firm Baker, Donelson, Bearman, Caldwell & Berkowitz, which a subsidiary of TA engaged in 2011 to handle licensing matters in Louisiana and that RMR provides management services to both us and TA. The total fees, including costs, received by Baker, Donelson, Bearman, Caldwell & Berkowitz in 2011 for its services to TA's subsidiary were \$42,000, and the firm also received \$6,400 in fees and costs from TA. Our Board also considered each of the Independent Directors' service in other enterprises and on the boards of other companies to which RMR and its affiliates provide management services. Our Board has concluded that none of these Directors possessed or currently possesses any relationship that could impair his or her judgment in connection with his or her duties and responsibilities as a Director or that could otherwise be a direct or indirect material relationship under applicable NYSE standards.

During 2011, our Board held nine meetings, our Audit Committee held ten meetings, our Compensation Committee held seven meetings, our Nominating and Governance Committee held five meetings and our Quality of Care Committee held four meetings. During 2011, our ad hoc special committee formed in connection with our transactions and agreements involving SNH, our ad hoc special committee formed in connection with negotiating the terms of our new lease from RMR for our corporate headquarters and our ad hoc pricing committee formed in connection with our June 2011 equity offering each held one meeting. During 2011, each Director attended 75% or more of the total number of meetings of our Board and any committee of which he or she was a member during the time in which he or she served on our Board or such committee. All of our Directors attended last year's annual meeting of shareholders.

Pursuant to our Governance Guidelines, our Independent Directors meet at least once each year without management. The presiding Director at these meetings is the Chair of our Audit Committee, unless the Independent Directors in attendance select another Independent Director to preside.

Board Leadership Structure

Our Board is comprised of both Independent Directors and Managing Directors, with a majority being Independent Directors. Our Independent Directors are not employees of ours or of RMR, are not involved in our day to day activities and are persons who qualify as independent under our bylaws and the applicable rules of the NYSE and SEC. Our Managing Directors are not Independent Directors and have been employees of ours or RMR or have been involved in our day to day activities for at least one year. Our Board is composed of three Independent Directors and two Managing Directors. Our President and Chief Executive Officer and our Treasurer and Chief Financial Officer are not members of our Board, but they regularly attend Board meetings, as does our Director of Internal Audit. Other officers of ours may also attend Board meetings as, on occasion, may officers of RMR, in each case at the invitation of our Board.

Our Audit, Compensation and Nominating and Governance Committees are comprised solely of our Independent Directors, and an Independent Director serves as Chair of each such committee. Our Quality of Care Committee includes two Independent Directors and a Managing Director. These standing committees have responsibilities related to our leadership and governance, including among other things: (1) our Audit Committee reviews our financial reports, oversees our accounting and

financial reporting processes, selects our independent accountants, determines the compensation paid to our independent accountants and assists our Board with its oversight of our internal audit function and our compliance with legal and regulatory requirements; (2) our Compensation Committee annually determines the compensation we pay to our Chief Executive Officer, Chief Financial Officer and any other senior executive of ours who is also a senior executive of RMR, recommends to our Board the compensation that we pay to our other executive officers, administers our equity compensation plan, or Share Award Plan, including the making of grants of restricted share awards under the Share Award Plan, evaluates the performance of our Director of Internal Audit and approves the compensation we pay to him, reviews our business management and shared services agreement with RMR, or our business management agreement, evaluates RMR's performance under that agreement and the expenses, costs and compensation we pay under that agreement, approves those expenses, costs and compensation that we pay under that agreement and determines whether that agreement will be renewed, amended, terminated or allowed to expire; (3) our Nominating and Governance Committee considers nominees to serve on our Board, recommends to our Board nominees for election to our Board, assesses our Board's performance and reviews and assesses our Board leadership structure and Governance Guidelines and recommends to the Board any changes it determines appropriate; and (4) our Quality of Care Committee reviews our clinical operations policies, procedures and plans to maintain the quality of healthcare and senior living services we provide to our customers and reports regularly to our Board. The Chairs of the Audit, Compensation, Nominating and Governance and Quality of Care Committees set the agenda for their respective committee meetings, but committee members, our Managing Directors or members of our management may suggest agenda items to be considered by these committees.

We do not have a Chairman of our Board or a lead Independent Director. Special meetings of the Board may be called at any time by any Managing Director, our President and Chief Executive Officer or on the request of any two of the Directors then in office. Our Managing Directors, in consultation with our President and Chief Executive Officer, Chief Financial Officer and Treasurer, Director of Internal Audit and Senior Vice President, Chief Operating Officer and Chief Clinical Officer, set the agenda for our Board meetings, and any Independent Director may place an item on an agenda by providing notice to a Managing Director, our President and Chief Executive Officer or our Chief Financial Officer and Treasurer. Discussions at Board meetings are led by the Managing Director or Independent Director who is most knowledgeable on a subject. Our Board is small, which facilitates informal discussions and communication from management to the Board and among Directors. Our Independent Directors meet to consider Company business without the attendance of our Managing Directors or our officers, and they meet separately with our officers, with our Director of Internal Audit and with our outside accountants. In such meetings of our Independent Directors, the Chair of the Audit Committee presides unless the Independent Directors determine otherwise.

In light of the size of our Board and the oversight provided by and involvement of our Independent Directors and Board committees in the leadership of our Company, our Board considers that our current leadership structure and conduct combines appropriate leadership with the ability to conduct our business efficiently and with appropriate care and attention.

Risk Oversight

Our Board oversees risk as part of its general oversight of our Company, and oversight of risk is addressed as part of various Board and Board committee activities and through regular and special

Board and Board committee meetings. The actual day to day business of our Company is conducted by our management, and our management implements risk management in its activities. RMR provides us advice and assistance with our risk management function. In discharging their oversight responsibilities, our Board and Board committees regularly review a wide range of reports provided to them by our management and by RMR and other service providers, including reports on market and industry conditions, operating and compliance reports, reports on our clinical operations, financial reports, reports on risk management activities, regulatory and legislative updates that may impact us, legal proceedings updates and reports on other business related matters, and discusses such matters among themselves and with our management, representatives of RMR, counsel and our independent accountants. Our Audit Committee, which meets at least quarterly and reports its findings to our Board, performs a lead role in helping our Board fulfill its responsibilities for oversight of our financial reporting, internal audit function, risk management and our compliance with legal and regulatory requirements. Our Board and Audit Committee review periodic reports from our independent registered public accounting firm regarding potential risks, including risks related to our internal controls. Our Audit Committee also annually reviews, approves and oversees an internal audit plan developed by our Director of Internal Audit with the goal of helping our Company systematically evaluate the effectiveness of our risk management, control and governance processes, and periodically meets with our Director of Internal Audit to review the results of our internal audits, and directs or recommends to the Board actions or changes it determines appropriate to enhance or improve the effectiveness of our risk management. Our Quality of Care Committee reviews management reports on our clinical operations and directs or recommends to management and the Board actions or changes it determines appropriate to improve our clinical operations. Our Compensation Committee also evaluates the performance of our Director of Internal Audit and RMR's performance under our business management agreement. Also, our Compensation Committee and our Board consider the fact that we have a share grant program that requires share grants to vest over a period of years, rather than a stock option program such as is employed by many other publicly owned companies. We believe that the use of share grants vesting over time rather than stock options mitigates the incentives for our management to undertake undue risks and encourages our management to make longer term, less risk prone decisions.

While a number of risk management functions are performed, it is not possible to identify all of the risks that may affect us or to develop processes and controls to eliminate all risks and their possible effects, and processes and controls employed to address risks may be limited in their effectiveness. Moreover, it is necessary for our Company to bear certain risks to achieve our objectives. As a result of the foregoing and other factors, our Company's ability to manage risk is subject to substantial limitations.

BOARD COMMITTEES

We have a standing Audit Committee, Compensation Committee, Nominating and Governance Committee and Quality of Care Committee, each of which has a written charter. With the exception of the Quality of Care Committee, each of the above committees is currently comprised of Dr. Gans, Ms. Gilmore and Ms. Fraiche, who are independent under applicable NYSE listing standards and each committee's respective charter, and, in the case of our Audit Committee, the applicable independence requirements of the SEC. Dr. Gans, Ms. Gilmore and Mr. Martin currently constitute our Quality of Care Committee. During the year, we formed an ad hoc special committee comprised of our Independent Directors in connection with our transactions and agreements involving SNH, an ad hoc

Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

special committee comprised of our Independent Directors formed in connection with negotiating the terms of our new lease from RMR for our corporate headquarters and an ad hoc pricing committee comprised of our Independent Directors formed in connection with our June 2011 equity offering. Our Audit Committee, Compensation Committee, Nominating and Governance Committee and Quality of Care Committee are delegated the powers of our Board necessary to carry out their responsibilities.

Our Audit Committee was established in accordance with section 3(a)(58)(A) of the Exchange Act. The primary function of our Audit Committee is to assist our Board in fulfilling its responsibilities for oversight of: (1) the integrity of our financial statements; (2) our compliance with legal and regulatory requirements; (3) our independent registered public accounting firm's qualifications and independence; and (4) the performance of our internal audit function and independent registered public accounting firm. Our Board has determined that Ms. Gilmore is our Audit Committee financial expert and is "independent" as defined by the rules of the SEC and the NYSE. Our Board's determination that Ms. Gilmore is our Audit Committee financial expert was based upon her experience as: (i) a member of our Audit Committee and the audit committees of TA and GOV and (ii) a professional bankruptcy court law clerk and as a trustee or examiner in various bankruptcy cases involving business finance matters. Under its charter, our Audit Committee has the final authority and responsibility to select our independent registered public accounting firm.

Our Compensation Committee's primary responsibilities include: (1) reviewing and determining the compensation paid by us to our President and Chief Executive Officer, our Treasurer and Chief Financial Officer and other senior executives of ours who are also senior executives of RMR; (2) recommending to our Board the cash compensation paid by us to individuals who serve as our executive officers other than our Chief Executive Officer and Chief Financial Officer; (3) administering and making grants under our Share Award Plan; (4) reviewing our business management agreement, evaluating RMR's performance under that agreement and the expenses, costs and compensation we pay under that agreement and approving those expenses, costs and compensation that we are required to pay under that agreement; (5) evaluating the performance of our Director of Internal Audit and determining the compensation paid by us to him; and (6) reviewing and considering the incentives and risks associated with our compensation policies and practices.

The responsibilities of our Nominating and Governance Committee include: (1) identification of individuals qualified to become members of our Board and recommending to our Board the Director nominees for each annual meeting of shareholders or when Board vacancies occur; (2) development, and recommendation to our Board of governance guidelines; and (3) evaluation of the performance of our Board.

The primary function of our Quality of Care Committee is to review the quality of healthcare and senior living services we provide to our customers.

The charter of each of our standing committees provides that the committee may form and delegate authority to subcommittees of one or more members when appropriate. Subcommittees are subject to the provisions of the applicable committee's charter.

Our policy with respect to Board members' attendance at our annual meetings of shareholders can be found in our Governance Guidelines, the full text of which appears at our website at www.fivestarseniorliving.com. In addition to our Governance Guidelines, copies of the charters of our Audit, Compensation, Nominating and Governance and Quality of Care Committees, as well as our Code of Business Conduct and Ethics, may be obtained free of charge at our website, www.fivestarseniorliving.com, or by writing to our Secretary, Five Star Quality Care, Inc., 400 Centre Street, Newton, Massachusetts 02458.

COMMUNICATIONS WITH DIRECTORS

Any shareholder or other interested person who desires to communicate with our Independent Directors or any Directors, individually or as a group, may do so by filling out a report at our website, www.fivestarseniorliving.com, by calling our toll-free confidential message system at (866) 230-1286 or by writing to the party for whom the communication is intended, c/o Director of Internal Audit, Five Star Quality Care, Inc., Two Newton Place, 255 Washington Street, Suite 300, Newton, Massachusetts 02458. Our Director of Internal Audit will then deliver any communication to the appropriate party or parties.

SELECTION OF CANDIDATES FOR DIRECTORS; SHAREHOLDER RECOMMENDATIONS, NOMINATIONS AND OTHER PROPOSALS

Our Board has established Governance Guidelines which, together with our bylaws, set forth the qualifications for service on our Board. Our Governance Guidelines may be changed from time to time by our Board upon the recommendation of our Nominating and Governance Committee. Our Board makes nominations of persons to be elected by shareholders as Directors. Our Board also elects Directors to fill Board vacancies that may occur from time to time. In both these circumstances, our Board will act upon recommendations made by our Nominating and Governance Committee.

In considering candidates to serve as Directors, our Nominating and Governance Committee seeks individuals who have qualities that the Committee believes will be effective in serving our long term best interests. Among the characteristics that the Committee considers are the following: integrity, experience, achievements, judgment, intelligence, competence, personal character, ability to make independent analytical inquiries, willingness to devote adequate time to Board duties, likelihood that a candidate will be able to serve on our Board for an extended period and other matters that our Nominating and Governance Committee deems appropriate. While our Board does not have a specific diversity policy in connection with the selection of nominees for Director, due consideration is given to our Board's desire for an overall balance of diversity of perspectives, backgrounds and experiences. Our Board does not consider gender, sexual orientation, race, religion, ethnicity, national origin or citizenship to be relevant considerations and does not discriminate on the basis of such criteria. When considering candidates, our Nominating and Governance Committee will also assist our Board in determining the desired mix of experience, skills, attributes and other criteria that will strengthen our Board in a way that best serves the long term interests of our Company and complement the experience, skills, attributes and qualifications of existing Directors. Depending on whether the position to be filled is that of an Independent Director or a Managing Director, the qualifications of the candidate to meet the criteria for each such category of Director is considered. In seeking candidates for Director who have not previously served as our Directors, the Nominating and Governance Committee may use the business, professional and personal contacts of its members, it may accept recommendations from other Board members and, if it considers it appropriate, the Nominating and Governance Committee may engage a professional search firm. In addition to other criteria, our bylaws require that nominees submit any additional information required in connection with our license or regulation by state insurance or healthcare regulatory authorities.

In 2011, we did not pay any third party to identify or to assist in the evaluation of any candidate for election to our Board. We did not receive any shareholder recommendations or nominations for our Board for the 2012 annual meeting of shareholders, except the nominations made by our Board and

Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

recommendations by our Nominating and Governance Committee, each of which includes Board members who are shareholders of record.

Shareholder Recommendations for Nominees. A responsibility of our Nominating and Governance Committee is to consider candidates for election as Directors who are properly recommended by shareholders. To be considered by our Nominating and Governance Committee, a shareholder recommendation for a nominee must be made by such shareholder's written notice to the Chair of our Nominating and Governance Committee and our Secretary, which notice should contain or be accompanied by the information and documents with respect to the recommended nominee and recommending shareholder that the recommending shareholder believes to be relevant or helpful to our Nominating and Governance Committee's deliberations. Our Nominating and Governance Committee may request additional information about the shareholder recommended nominee or about the shareholder recommending the nominee. Any recommended nominee will be considered by our Nominating and Governance Committee in its discretion using the same criteria as other candidates considered by it.

The preceding paragraph applies only to shareholder recommendations for nominees to our Nominating and Governance Committee. A shareholder nomination must be made in accordance with the provisions of our bylaws, including the procedures discussed below, and applicable state and federal laws.

2013 Annual Meeting Deadlines for Shareholder Proposals Pursuant to Rule 14a-8 under the Exchange Act. Shareholder proposals intended to be presented pursuant to Rule 14a-8 under the Exchange Act at our 2013 annual meeting of shareholders must be received at our principal executive offices on or before October 24, 2012, in order to be considered for inclusion in our proxy statement for our 2013 annual meeting of shareholders, provided that if we hold our 2013 annual meeting on a date that is more than 30 days before or after May 15, 2013, shareholders must submit proposals for inclusion in our 2013 proxy statement within a reasonable time before we begin to print our proxy materials. Under Rule 14a-8, we are not required to include shareholder proposals in our proxy materials unless conditions specified in the rule are met.

2013 Annual Meeting Deadlines for Shareholder Nominations and Shareholder Proposals not Made Pursuant to Rule 14a-8 under the Exchange Act. In order for one or more shareholders properly to propose a nominee for election to our Board or propose business outside of Rule 14a-8 under the Exchange Act, the shareholder(s) must comply in all respects with the advance notice and other provisions set forth in our bylaws, which currently include, among other things, requirements as to the shareholder's timely delivery of advance notice, share ownership and submission of specified information. For example, to nominate a Director for election to our Board at our annual meeting, the shareholder(s) must, among other things: (1) at the date such shareholder gives its advance notice, hold individually or in the aggregate at least 3% of our shares entitled to vote at the meeting on such election and must have held such shares continuously for at least three years and continuously hold such shares through and including the time of the annual meeting (including any adjournment or postponement thereof); (2) be a shareholder of record at the time of giving notice through and including the time of the annual meeting (including any adjournment or postponement thereof); (3) be entitled to make nominations and to vote at the meeting on such election; (4) hold a certificate for all shares of beneficial interest of the Company owned by such shareholder during all times described in clause (1); and (5) comply with the advance notice procedures as to such nomination. The advance

Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

notice must set forth detailed specified information about the nominee and the nominee's affiliates and associates, the shareholder making the nomination and affiliates and associates of that shareholder, and provide to the extent known by the shareholder giving the notice, the name and address of any other shareholder supporting the shareholder's nomination.

As a further example, to propose other business to be considered by the shareholders at our annual meeting (other than the nomination of individuals for election to our Board), the shareholder must: (1) have continuously held at least \$2,000 in market value, or 1% of our shares entitled to vote at the meeting on the proposal for such business for at least one year from the date the shareholder gives its advance notice and continuously hold such shares through and including the time of the annual meeting (including any adjournment or postponement thereof); (2) be a shareholder of record at the time of giving notice through and including the time of the annual meeting (including any adjournment or postponement thereof); (3) be entitled to propose such business and to vote at the meeting on the proposal for such business; (4) hold a certificate for all shares of beneficial interest of the Company owned by such shareholder during all times described in clause (1); and (5) comply with the advance notice procedures as to such business. The advance notice must set forth a description of such business, the reasons for proposing such business at the meeting and any material interest in such business of the shareholder, a description of all agreements, arrangements and understandings involving the shareholder in connection with the proposal of such business and a representation that the shareholder intends to appear in person or by proxy at the meeting to bring the business before the meeting.

In addition, at the same time as the submission of a shareholder nomination or proposal for consideration at a meeting of our shareholders that, if elected or approved and implemented by us, would cause us to be in breach of any covenant in or in default under any debt instrument or agreement or other material agreement of ours or any subsidiary of ours, the shareholder must submit to our Secretary (i) evidence satisfactory to our Board of the lender's or contracting party's willingness to waive the breach of covenant or default, or (ii) a detailed plan for repayment of the applicable indebtedness or curing the contractual breach or default and satisfying any resulting damage, specifically identifying the actions to be taken or the source of funds, which plan must be satisfactory to our Board in its discretion, and evidence of the availability to us of substitute credit or contractual arrangements similar to the credit or contractual arrangements which are implicated by the shareholder nomination or other proposal that are at least as favorable to us, as determined by our Board in its discretion. Additionally, if (i) the submission of a shareholder nomination or proposal of other business to be considered at a shareholders meeting could not be considered or, if elected or approved, implemented by us without our or any subsidiary of ours, or the proponent shareholder, the nominee, the holder of proxies or their respective affiliates or associates filing with or otherwise notifying or obtaining the consent, approval or other action of any governmental or regulatory body, or a governmental action, or (ii) such shareholder's ownership of our shares or any solicitation of proxies or votes or holding or exercising proxies by such shareholder, the nominee or their respective affiliates or associates would require governmental action, then, at the same time as the submission of the shareholder nomination or proposal of other business, the proponent shareholder shall submit to our Secretary (x) evidence satisfactory to our Board that any and all governmental action has been given or obtained, including, without limitation, such evidence as our Board may require so that any nominee may be determined to satisfy any suitability or other requirements or (y) if such evidence was not obtainable from a governmental or regulatory body by such time despite the shareholder's diligent and best efforts, a detailed plan for making or obtaining the governmental action prior to the election of

the nominee or the implementation of the proposal for other business, which plan must be satisfactory to our Board in its discretion.

Our bylaws require that shareholder nominations and proposals intended to be made outside of Rule 14a-8 under the Exchange Act at our 2013 annual meeting of shareholders must be submitted, in accordance with the requirements of our bylaws, not later than 5:00 p.m. Eastern time on October 24, 2012 (which is also the date, after which, shareholder nominations and proposals made outside of Rule 14a-8 under the Exchange Act would be considered "untimely" within the meaning of Rule 14a-4(c) under the Exchange Act) and not earlier than September 24, 2012; provided, that, if our 2013 annual meeting is called for a date that is more than 30 days earlier or later than May 15, 2013, then a shareholder's notice must be so delivered not later than 5:00 p.m. Eastern time on the tenth day following the earlier of the day on which (1) notice of the date of our 2013 annual meeting is mailed or otherwise made available or (2) public announcement of the date of our 2013 annual meeting is first made by us.

The foregoing description of the procedures for a shareholder to propose a nomination for election to our Board or other business for consideration at an annual meeting is only a summary and is not a complete listing of all requirements. Copies of our bylaws, including the provisions that concern shareholder recommendations and the requirements for shareholder nominations and other proposals, may be obtained by writing to our Secretary at Five Star Quality Care, Inc., 400 Centre Street, Newton, Massachusetts 02458, or from the SEC's website at www.sec.gov. Any shareholder considering making a nomination or other proposal should carefully review and comply with those provisions. Under our bylaws, a shareholder is obligated to indemnify us for costs and expenses we incur arising from the shareholder's breach or failure to fully comply with any covenant, condition or provision of our charter or our bylaws, including costs and expenses we may incur as a result of the shareholder's failure to comply with the requirements to make nominations and proposals.

COMPENSATION DISCUSSION AND ANALYSIS

There were several changes in our executive officers during 2010 and 2011. On January 1, 2010, Paul V. Hoagland, who had been our Vice President Finance, became our Treasurer and Chief Financial Officer. On June 22, 2011, Travis K. Smith, our Vice President, General Counsel and Secretary, notified us of his resignation. His termination of employment became effective on July 29, 2011. On September 6, 2011, Vern D. Larkin became our Vice President, General Counsel and Secretary. On November 22, 2011 we entered into a letter agreement, dated November 18, 2011, with Rosemary Esposito, our Senior Vice President, Chief Operating Officer and Chief Clinical Officer. Pursuant to the letter agreement, Ms. Esposito will resign from the Company effective December 31, 2012, subject to her earlier termination. Until her resignation under the letter agreement, Ms. Esposito will continue to serve as our Senior Vice President and Chief Operating Officer, provided that we may transition her role to a consultant any time after June 30, 2012, which transitioning would not modify our obligations under the letter agreement. The letter agreement provides Ms. Esposito with paid severance and other benefits, as well as the acceleration of unvested shares in exchange for consulting services, non-solicitation, confidentiality and other covenants. At December 31, 2011, we had four executive officers: Bruce J. Mackey, Jr., President and Chief Executive Officer; Paul V. Hoagland, Chief Financial Officer and Treasurer; Rosemary Esposito, Chief Operating Officer, Senior Vice President and Chief Clinical Officer; and Vern D. Larkin, Vice President, General Counsel and Secretary. Mr. Larkin has been appointed as our Director of Internal Audit, effective March 1, 2012, and he will

cease serving as our Vice President, General Counsel and Secretary, and resign from those offices, on or about that same date. Additional biographical information about our executive officers appears elsewhere in this proxy statement.

Compensation Philosophy and Process

Our compensation program is designed to help us achieve our business objectives, which include, but are not limited to, increasing, on a long term basis, the value of the Company by improving our prospects, our competitive position within our industry and our financial and operating performance, as well as achieving strategic initiatives and objectives. Individual performance is an important factor in determining each element of compensation. Our Compensation Committee determines the total compensation of our Chief Executive Officer, Chief Financial Officer and General Counsel, and the amount of share grants to all of our executive officers. Our Compensation Committee recommends to our Board and the Board determines all compensation, other than share grants, for our executive officers other than our Chief Executive Officer, Chief Financial Officer and General Counsel. There is no formulaic approach to the determinations of an executive officer's compensation as it is in the discretion of our Compensation Committee and our Board, and determinations of an executive officer's compensation are not made as a result of benchmarking compensation against that of other companies. We believe it is important to align the interests of our executive officers with those of our shareholders and therefore have determined that a significant portion of an executive officer's annual compensation will be paid in the form of restricted share awards that vest over a period of at least four years. We also believe that performance and retention of our executive officers is improved by paying a substantial portion of each executive officer's cash compensation as an annual bonus. We currently limit the annual base salaries of our executive officers and utilize changes in annual cash bonus amounts as the primary mechanism for effecting annual compensation adjustments for our executive officers.

In evaluating our compensation process for 2011, our Compensation Committee generally considered the results of the 2011 advisory vote of our shareholders on the compensation of the executive officers named in our 2011 proxy statement. Our Compensation Committee noted that more than 95% of votes cast approved of the compensation of those executive officers as described in our 2011 proxy statement. Our Compensation Committee considered these voting results as supportive of the committee's general executive compensation practices. In making their discretionary compensation determinations each year, our Compensation Committee's and Board's qualitative and subjective considerations of an executive's performance generally include, but are not limited to, the executive officer's:

accomplishments achieved during the year;

ability to identify areas for the Company's improvement and to achieve benefits from those improvements;

quality of decisions made;

ability to lead employees both in routine activities and in special projects;

change in performance as compared to the prior year;

perceived potential for future development and for assuming additional or alternative duties in the future;

background, training, education and experience;

specific areas of expertise and value to us, and the likelihood we could find a suitable replacement on a timely and cost effective basis; and

compensation compared to that of other individuals within our Company and the relative responsibilities, titles, roles, experiences and capabilities of such other individuals.

In addition to the consideration of the various factors described in the preceding paragraphs, our Compensation Committee and our Board consider data regarding historical pay and available compensation data for public companies that are engaged in businesses similar to our business or that possess size or other characteristics that are similar to ours. In order to obtain a general understanding of current trends in compensation practices and ranges of amounts being awarded by other public companies, we compiled and reviewed comparative data regarding compensation paid by a group of public companies in our industry.⁽²⁾ Our Compensation Committee did not engage compensation consultants to participate in the determination or recommendation of the amount or form of executive compensation.

In September 2011, Dr. Gans, the Chair of our Compensation Committee, met with Mr. Barry Portnoy, our Managing Director who is not also one of our executive officers, Mr. Adam Portnoy, President and Chief Executive Officer of RMR, and the chairs of the compensation committees of other public companies for which RMR provides services. The purpose of this meeting as it concerns our compensation matters was to discuss compensation philosophy regarding potential share grants to be made by us and to consider the compensation payable by us to our Director of Internal Audit who provides services to us and to other companies managed by RMR and its affiliates.

At a Compensation Committee meeting in November 2011 our Compensation Committee conducted a review of executive and employee compensation and considered recommendations arising from the September 2011 meeting, recommendations provided by management and other factors such as: (1) the amounts and value of historical share awards made to each executive officer; (2) the amounts of share awards granted to persons with similar levels of responsibility; (3) the then current market prices of our shares; (4) the performance of each executive officer during 2011; (5) each executive officer's expected future contributions to us; (6) each executive officer's relative mix of cash and noncash compensation; (7) the data about executive compensation trends and amounts that was prepared for our management by an independent compensation consulting firm; and (8) our financial position and operating performance in the past year and our perceived future prospects. There was no formulaic approach to the use of these various factors in determining the number of shares to award to each executive officer. The share amounts were determined on a subjective basis using the various factors at our Compensation Committee's sole discretion. Our Compensation Committee did not engage a compensation consultant to participate in the determination or recommendation of the amounts or form of compensation for our executive officers. Messrs. Mackey, Hoagland and Larkin participated in the Compensation Committee meeting with regard to consideration of compensation generally and to our other executive officers, but they left that meeting and did not participate in the Compensation Committee's determination and recommendation of their compensation. amounts paid to our executive officers for 2011, there were no bonus targets established. In addition, no bonus targets have been established for purposes of bonus amounts that may be paid to our executive officers in 2012. In keeping with our Compensation Committee's desire to reduce the incentives for management to take excessive risk for short term benefit, our Compensation Committee considers historical levels of compensation and gradual increases thereof to be among the most important factors in determining compensation, but certainly not the sole factor.

Compensation Components

The mix of base salary, cash bonus and equity compensation that we pay to our executive officers varies depending on the executive officer's position and responsibilities with us. Our Compensation Committee does not follow a set formula or specific guidelines in determining how to allocate among the compensation components.

The components of the compensation packages of our executive officers are as follows:

Base salary

Base salaries are reviewed annually and adjusted, if appropriate, on a subjective basis based upon consideration of a number of factors including, but not limited to, the following for each executive officer: (1) historical compensation; (2) accomplishments achieved during the year; (3) ability to identify areas for the Company's improvement and to achieve benefits from those improvements; (4) quality of decisions made; (5) ability to lead employees both in routine activities and in special projects; (6) change in performance as compared to the prior year; (7) perceived potential for future development and for assuming additional or alternative duties in the future; (8) the executive officer's background, training, education and experience; (9) the market demand for specific expertise possessed by the executive officer, the executive officer's value to us and the likelihood we could find a suitable replacement on a timely and cost effective basis; (10) a comparison of the executive officer's pay to that of other individuals within our Company and the relative responsibilities, titles, roles, experiences and capabilities of such other individuals; (11) the data about executive compensation trends and amounts that was prepared for our management by an independent compensation consulting firm; and (12) our financial position and operating performance throughout 2011. Currently, we limit the annual base salaries of our executive officers to a maximum of \$300,000. Subject to the limits we have on annual base salaries, we also adjust base salaries, as warranted, for promotions and other changes in the executive officer's role that may occur from time to time.

Annual Bonus and Share Award Plan

Each of our executive officers, including our Chief Executive Officer, is eligible to receive an annual cash bonus and share award. There is no formulaic approach used in determining the amount of these annual cash and share awards. The cash bonus and share awards are determined on a subjective basis by our Compensation Committee and Board, as the case may be, based upon consideration of a number of factors including, but not limited to, the following for each executive officer: (1) historical bonus and share awards to the individual; (2) accomplishments achieved during the year; (3) ability to identify areas for the Company's improvement and to achieve benefits from those improvements; (4) quality of decisions made; (5) ability to lead employees both in routine activities and in special projects; (6) change in performance as compared to the prior year; (7) perceived potential for future development and for assuming additional or alternative duties in the future; (8) the market demand for

specific expertise possessed by the executive officer, the executive officer's value to us and the likelihood we could find a suitable replacement on a timely and cost effective basis; (9) a comparison of the executive officer's total compensation to that of other individuals within our Company and the relative responsibilities, titles, roles, experiences and capabilities of such other individuals; (10) the amounts of share awards granted to persons with similar levels of responsibility; (11) the then current market prices of our shares; (12) each executive officer's relative mix of cash and noncash compensation; (13) the data about executive compensation trends and amounts that was prepared for our management by an independent compensation consulting firm; and (14) our financial position and operating performance throughout 2011. In addition, in determining cash bonus and share awards for our executive officers, our Compensation Committee and Board also consider the recommendations of the Chair of the Compensation Committee following his meeting with Mr. Portnoy and the chairs of the compensation committees of other public companies for which RMR provides services, the experiences and insights of RMR with respect to the performances of our executive officers, the evaluation provided by Mr. Mackey of Messrs. Hoagland's and Larkin's performances and the evaluations provided by Messrs. Mackey and Hoagland of our other executive officers' performances. We currently limit the annual base salaries of our executive officers and utilize changes in annual cash bonus amounts as the primary mechanism for effecting annual compensation adjustments for our executive officers. For 2011, the increases in the annual cash bonus amounts paid to our executive officers reflect this interplay between the annual base salary limitation and annual cash bonus amounts, within the context of the other factors described above that are taken into account in determining annual cash bonus and share award amounts.

Mr. Mackey's annual bonus is determined on a subjective basis by our Compensation Committee, composed solely of Independent Directors, who base their decision upon their consideration and evaluation of his performance during the year. Considerations may include, but may not be limited to, our financial performance, our growth and our success in achieving strategic initiatives and objectives, as well as the other matters noted above that our Compensation Committee considers in making this determination. For 2011, our Compensation Committee awarded Mr. Mackey an annual bonus of \$575,000 in cash and also awarded him 75,000 common shares that will vest in five equal annual installments beginning on the grant date. The shares awarded had a fair value at the grant date of \$163,500 of which the vested portion was \$32,700 as of the grant date. In making this cash bonus and this share award, our Compensation Committee considered Mr. Mackey's performance in leading the Company through the challenging economic conditions that continued to exist in the United States throughout 2011, including but not limited to his continuing the integration of communities we acquired in 2009, 2010 and 2011 with our existing communities, managing capital and operating expenditures in relation to the prevailing business levels in order to conserve liquidity and increase our cash balance, maintaining the rates we charge our residents and reducing some of our operating expenses, positioning the Company to operate and compete in the face of reductions in governmental reimbursement rates and increasing governmental budgetary constraints, developing new and enhancing existing marketing programs and leveraging our competitive strengths to maintain and grow our business in a slowly recovering economy and position us for future growth. Our Compensation Committee determined that the share award would vest over time to ensure a continuing commonality of interest between Mr. Mackey and our shareholders, to provide Mr. Mackey with an incentive to remain with us to earn the unvested portion of the award and to encourage appropriate levels of risk taking in his long term decisions affecting our business.

Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

The annual cash bonus for Mr. Hoagland was determined by our Compensation Committee after consideration of the same criteria described above with regard to Mr. Mackey as applied to Mr. Hoagland's performance and after consideration of the other matters noted above that our Compensation Committee considers in determining Mr. Hoagland's compensation. The annual cash bonuses for our other executive officers were recommended by our Compensation Committee and approved by our Board based upon the consideration and evaluation of each executive's performance and level of total compensation as well as the other matters noted above that our Compensation Committee and Board consider in making these determinations. These considerations included, but were not limited to, our financial and operating performance during 2011 and each executive officer's level of total compensation.

Messrs. Mackey and Hoagland were also officers of RMR throughout all of 2011. Because at least 80% of Messrs. Mackey's and Hoagland's business time is devoted to services to us, 80% of Messrs. Mackey's and Hoagland's total cash compensation (that is, the combined base salary and cash bonus paid by us and RMR) was paid by us and the remainder was paid by RMR. Mr. Larkin became our Vice President, General Counsel and Secretary and an officer of RMR on September 6, 2011, and for the period from then through December 31, 2011, 80% of Mr. Larkin's total cash compensation (that is, the base salary and cash bonus paid by us and RMR) was paid by us and the remainder was paid by RMR. Messrs. Mackey, Hoagland and Larkin are also eligible to participate in certain RMR benefit plans.

No target cash bonus for 2012 has been established for our executive officers.

We made equity awards under our Share Award Plan to our executive officers and others based upon factors that our Compensation Committee considered relevant to align the interests of the persons to whom awards were made with our business objectives, which include, but are not limited to, increasing, on a long term basis, the value of the Company by improving our prospects, our competitive position within our industry and our financial and operating performance, as well as achieving strategic initiatives and objectives. In addition to the award of common shares made to Mr. Mackey during 2011, our Compensation Committee awarded common shares to each of our other executive officers who were in our employ at the grant date. These awards ranged in size and value from 10,000 shares, having a grant date value of \$21,800, to 35,000 shares, having a grant date value of \$76,300. In determining the size of each share award, the Compensation Committee considered the responsibilities of the executive, the relation of the size of the award to the size of the share award made to Mr. Mackey and other factors, including their past and expected future performances and possible cash bonuses, prior year share grant amounts, 2011 annual base cash salaries, the executive officer's tenure with the Company and the Company's operational results during 2011. In each case, the Compensation Committee determined that the share awards would vest in five equal annual installments beginning on the date of the grant to ensure a continuing commonality of interest between the recipients and our shareholders, to provide our executives with an incentive to remain with us to earn the unvested portion of the award and to encourage appropriate levels of risk taking in their long term decisions affecting our business.

Perquisites and other benefits

Our executive officers are entitled to participate in our benefit plans on the same terms as our other employees. These plans include medical, dental and life insurance plans and a defined contribution retirement plan.

All other payments

The *Summary Compensation Table* below includes amounts for 2011, 2010 and 2009 described as "All Other Compensation." Such amounts reflect the Company paid portion of executive life insurance premiums and accidental death and disability insurance premiums.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

In the past, we have entered arrangements with our former executive officers in connection with the termination of their employment with us, providing for the acceleration of vesting of restricted shares previously granted to the former officer under our Share Award Plan and, in certain instances, payments for future services to us as a consultant or part time employee and continuation of health care and other benefits. Although we have no formal policy, plan or arrangement for payments to our executive officers in connection with their termination of employment with us, we may in the future provide on a discretionary basis for similar payments depending on various factors we then consider relevant and if we believe it is in the Company's best interests to do so.

On June 22, 2011, Travis Smith, our former Vice President, General Counsel and Secretary, notified us of his resignation. His termination became effective on July 29, 2011. Upon his termination, Mr. Smith was allowed to retain the unvested shares awarded to him in 2010 and prior years, the vesting of which was fully accelerated as of August 9, 2011.

On November 22, 2011, we entered into a letter agreement, dated November 18, 2011, with Rosemary Esposito, our Senior Vice President, Chief Operating Officer and Chief Clinical Officer. Pursuant to the letter agreement, Ms. Esposito will resign from the Company effective December 31, 2012, subject to her earlier termination. Until her resignation under the letter agreement, Ms. Esposito will continue to serve as our Senior Vice President and Chief Operating Officer, provided that we may transition her role to a consultant any time after June 30, 2012, which transitioning would not modify our obligations under the letter agreement. The letter agreement provides Ms. Esposito with paid severance of her annual base salary of \$300,000 through December 31, 2014, and other benefits, as well as the acceleration of unvested shares in exchange for consulting services, non-solicitation, confidentiality and other covenants.

DIRECTOR COMPENSATION FOR 2011

(1) Represents the value based upon the closing price of our shares on the date of grant. This is also the compensation cost recognized by us for financial reporting purposes pursuant to ASC 718. No assumptions are used in this calculation.

(2) Our Managing Directors do not receive cash compensation for their services as Directors.

Each Independent Director receives an annual fee of \$30,000 for services as a Director, plus a fee of \$750 for each meeting attended. Up to two \$750 fees are paid if a Board meeting and one or more Board committee meetings are held on the same date. The Chairs of our Quality of Care Committee, Audit Committee, Compensation Committee and Nominating and Governance Committee receive an additional \$15,000, \$15,000, \$5,000 and \$5,000, respectively, each year. Under our Governance Guidelines, each Director is required to maintain the necessary level of expertise to perform his or her responsibilities as Director and we reimburse each Director for the out of pocket costs he or she incurs from attending continuing education programs. During 2011, Ms. Gilmore also received \$7,500 for serving as the chair of our ad hoc special committee formed in connection with our transactions and agreements involving SNH and \$2,500 for serving as the chair of our ad hoc special committee formed in connection with negotiating the terms of our new lease from RMR for our corporate headquarters. In addition, each Director received a grant of 7,500 of our common shares in 2011. We generally reimburse all our Directors for travel expenses incurred in connection with their duties as Directors.

Our Board believes it is important to align the interests of Directors with those of our shareholders and for Directors to hold equity ownership positions in our Company. Accordingly, our Board believes that a portion of each Director's compensation should be paid in shares. In determining the amount and composition of such compensation, our Board considers the compensation of directors of other comparable enterprises, both with respect to size and industry, including the compensation of directors and trustees of other companies managed by RMR.

In 2011 our Board reviewed the compensation paid to our Directors and determined the amount of the Directors' cash compensation and our Compensation Committee determined the amount of the equity based awards granted to our Directors under our Share Award Plan. Our Managing Directors do not receive any cash compensation for their services as Directors, but they do receive common share grants equal to the share grants awarded to our Independent Directors.

AUDIT COMMITTEE REPORT

In the course of our oversight of the Company's financial reporting process, we have: (1) reviewed and discussed with management the audited financial statements for the year ended December 31, 2011; (2) discussed with Ernst & Young LLP, the Company's independent registered public accounting firm, the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T; (3) received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence; (4) discussed with the independent registered public accounting firm its independence; and (5) considered whether the provision of non-audit services by the independent registered public accounting firm is compatible with maintaining its independence and concluded that it is compatible at this time.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2011, for filing with the SEC.

(1) Unless otherwise indicated, the address of each identified person or entity is c/o Five Star Quality Care, Inc., 400 Centre Street, Newton, Massachusetts 02458.

(2) Our charter places restrictions on the ability of any person or group to acquire beneficial ownership of more than 9.8% of any class of our equity shares. Additionally, the terms of our leases with SNH and our agreement with RMR contain provisions whereby our rights under these agreements may be cancelled by SNH and RMR, respectively, upon the acquisition by any person or group of more than 9.8% of our voting stock or upon other change in control events, as defined. If the violation of these ownership limitations causes a lease or contract default, shareholders causing the default may become liable to us or to other shareholders for damages. In addition, in order to help us preserve the tax treatment of our net operating losses and other tax benefits, our bylaws generally provide that transfers of our shares to a person, entity, or group that is then, or would become as a result, an owner of 5% or more of our outstanding shares would be void in total for transferees then already owning 5% or more of our shares and, for transferees that would otherwise become owners of 5% or more of our shares, to the extent the transfer would so result in such level of ownership by the proposed transferee. The percentages indicated are based upon the number of shares shown divided by the 47,899,312 of our common shares outstanding as of February 17, 2012.

(3) This information is as of December 31, 2011, and is based solely on a Schedule 13G/A filed with the SEC on February 13, 2012. Based on the information provided in that Schedule 13G/A, the address of SNH is Two Newton Place, 255 Washington Street, Suite 300, Newton, Massachusetts

02458. In that Schedule 13G/A, RMR and Reit Management & Research Trust, or RMR Trust, reported that they do not hold any of our common shares, but RMR, as manager of SNH, and RMR Trust, as the sole member of RMR, may, under applicable regulatory definitions, be deemed to beneficially own (and have shared voting and dispositive power over) the 4,235,000 shares beneficially owned by SNH. In that same Schedule 13G/A, RMR and RMR Trust each disclaimed such beneficial ownership. In addition, in that same Schedule 13G/A, Mr. Barry Portnoy reported that he beneficially owns 186,622 of our common shares, and Mr. Adam D. Portnoy reported that he beneficially owns 55,500 of our common shares (of which 22,000 are subject to vesting requirements and will become fully vested, subject to the lapse of certain contingencies, annually through 2015). In that same Schedule 13G/A, Mr. Barry Portnoy and Mr. Adam Portnoy reported that in their respective positions as Chairman and a director of RMR and Chairman, majority beneficial owner and a trustee of RMR Trust, the sole member of RMR, and as President and Chief Executive Officer and a director of RMR, and President, Chief Executive Officer a beneficial owner and a trustee of RMR Trust, the sole member of RMR, they may also be deemed to beneficially own (and have shared voting and dispositive power over) the 4,235,000 shares beneficially owned by SNH. In that same Schedule 13G/A, Mr. Barry Portnoy and Mr. Adam Portnoy each disclaimed such beneficial ownership. None of the 4,235,000 shares beneficially owned by SNH are included in the shares listed as beneficially owned by Mr. Barry Portnoy in the above table.

- (4) This information is as of December 31, 2011, and is based solely on a Schedule 13G filed with the SEC on February 9, 2012, by BlackRock, Inc., or BlackRock. Based on the information provided in that Schedule 13G, the address of BlackRock is 40 East 52nd Street, New York, New York 10022, and BlackRock, which reports beneficial ownership of and sole power to vote and dispose of 2,832,914 shares, is the parent holding company or control person for certain subsidiaries that have acquired our shares and that are listed in that Schedule 13G.
- (5) Includes 12,371 common shares owned by a corporation of which Mr. Martin is the president and in that position exercises voting and investment power over those 12,371 shares.
- (6) Includes 10,000 common shares owned by Ms. Gilmore's husband. Ms. Gilmore disclaims beneficial ownership of these shares, except to the extent of her pecuniary interest in the shares.

RELATED PERSON TRANSACTIONS AND COMPANY REVIEW OF SUCH TRANSACTIONS

We have adopted written Governance Guidelines that address, among other things, the consideration and approval of any related person transactions. Under these Governance Guidelines, we may not enter into any transaction in which any Director or executive officer, any member of the immediate family of any Director or executive officer or any other related person, has or will have a direct or indirect material interest unless that transaction has been disclosed or made known to our Board and our Board reviews, authorizes and approves or ratifies the transaction by the affirmative vote of a majority of the disinterested Directors, even if the disinterested Directors constitute less than a quorum. If there are no disinterested Directors, the transaction shall be reviewed, authorized and approved or ratified by both (1) the affirmative vote of a majority of our entire Board and (2) the affirmative vote of a majority of our Independent Directors. The Governance Guidelines further provide that, in determining whether to approve or ratify a transaction, our Board, or disinterested Directors or Independent Directors, as the case may be, shall act in accordance with any applicable provisions of our charter, consider all of the relevant facts and circumstances, and approve only those

Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

transactions that are fair and reasonable to us. All related person transactions described below were reviewed and approved or ratified by a majority of the disinterested Directors or otherwise in accordance with our policies described above. In the case of any transaction with us in which any other employee of ours who is subject to our Code of Business Conduct and Ethics and who has a direct or indirect material interest in the transaction, the employee must seek approval from an executive officer who has no interest in the matter for which approval is being requested.

As of December 31, 2011, we leased 188 of our 245 senior living communities (including one that we have classified as discontinued operations) and two rehabilitation hospitals from SNH and managed 22 senior living communities for the account of SNH.

We were a 100% owned subsidiary of SNH before December 31, 2001; and SNH is today our largest landlord and our largest shareholder. As of February 15, 2012, SNH owned 4.2 million of our common shares (which includes 1,000,000 of our common shares SNH acquired from the underwriters in our public equity offering we completed in June 2011), which represented approximately 8.8% of our outstanding shares of common shares. On December 31, 2001, SNH distributed substantially all of our then outstanding common shares to its shareholders. At the time of our spin off from SNH, all of the persons serving as our Directors were trustees of SNH. In order to effect this spin off and to govern relations after the spin off, we entered into agreements with SNH and others, including RMR, CWH and HPT. Since then we have entered into various leases with SNH and other agreements that include provisions that confirm and modify these undertakings. Among other matters, these agreements provide that:

so long as SNH remains a REIT, we may not waive the share ownership restrictions in our charter on the ability of any person or group to acquire more than 9.8% of any class of our equity shares without the consent of SNH;

so long as we are a tenant of SNH, we will not permit nor take any action that, in the reasonable judgment of SNH, might jeopardize the tax status of SNH as a REIT;

SNH has the option to cancel all of our rights under the leases we have with SNH upon the acquisition by a person or group of more than 9.8% of our voting stock and upon other change in control events affecting us, as defined in those documents, including the adoption of any stockholder proposal (other than a precatory proposal) or the election to our Board of any individual if such proposal or individual was not approved, nominated or appointed, as the case may be, by vote of a majority of our Directors in office immediately prior to the making of such proposal or the nomination or appointment of such individual;

the resolution of disputes, claims and controversies arising from our leases with SNH may be referred to binding arbitration proceedings; and

so long as we are a tenant of SNH or so long as we have a business management agreement with RMR, we will not acquire or finance any real estate of a type then owned or financed by SNH or any other company managed by RMR without first giving SNH or the other company managed by RMR, as applicable, the opportunity to acquire or finance real estate investments of the type in which SNH or the other company managed by RMR, respectively, invests.

Under our leases with SNH, we pay SNH rent set at minimum annual amounts plus percentage rent based on increases in gross revenues at certain properties. Our total minimum annual rent payable to SNH under those leases as of December 31, 2011 was \$195.2 million, excluding percentage rent

Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

based on increases in gross revenues at certain properties. For the year ended December 31, 2011, our rent expense under our leases with SNH was \$194.5 million, net of \$901,000 amortization of a lease inducement from SNH.

Since January 1, 2011, we engaged in additional transactions with SNH, including:

In November 2010, at our request, SNH agreed to sell three skilled nursing facilities in Georgia with an aggregate of 329 living units that were leased to us. SNH consummated the sale of two of these communities in May 2011 and one community in June 2011, and our annual rent to SNH decreased by approximately \$1.79 million.

Also in November 2010, at our request, SNH agreed to sell one assisted living community in Pennsylvania with 70 living units that was leased to us. SNH sold this community in May 2011, and our annual rent to SNH decreased by approximately \$72,000.

In March 2011, SNH agreed to acquire 20 senior living communities with 2,111 living units located in five states in the southeastern United States. In May 2011, we entered into long term contracts with SNH to manage 15 of these communities and agreed to lease the remaining five communities when SNH acquired them. As of December 31, 2011, we leased those five communities with 651 living units from SNH and managed 13 of the 15 communities, with 1,214 living units for SNH's account. We are currently managing or have agreed to manage the remaining two communities with 291 living units for the account of the existing owner, pending SNH's acquisition of those two communities. SNH's acquisitions of those two remaining communities are subject to conditions and may not occur. Our minimum rent payable to SNH for the communities we are leasing is approximately \$6.9 million per year. Percentage rent, based on increases in gross revenues at these communities we are leasing, will commence in 2013. We added these communities we are leasing to our existing leases with SNH, which have current terms expiring at varying dates ranging from April 2017 to June 2026.

In May 2011, we commenced leasing a senior living community from SNH with 73 living units located in Illinois and we acquired 14 acres of vacant land adjacent to the community for possible expansion for \$1.25 million from an unrelated party. Our rent payable to SNH for this community is \$608,000 per year. Percentage rent, based on increases in gross revenues at this community, will commence in 2013. We added this community to our Lease No. 1 with SNH, which has a current term expiring in 2024.

In July 2011, SNH agreed to acquire nine large senior living communities then operated by Vi® as Classic Residence communities and which were formerly known as Classic Residence by Hyatt® communities. The nine senior living communities include 2,226 living units of which 1,708 are independent living apartments, 471 are assisted living suites and 47 are suites offering specialized Alzheimer's care. The communities are located in six states, with four located in Florida and one in each of Maryland, Nevada, New Jersey, New York and Texas. In December 2011, SNH completed the acquisition of eight of those communities and we entered into long term management contracts with SNH to manage those eight communities. The one remaining community that has not yet been acquired by SNH is located in New York. That acquisition is subject to conditions, including licensing approval. It is currently expected that that acquisition will be completed during 2012 but there can be no assurances that the acquisition will be completed. If SNH completes that acquisition, we expect that we will enter into a long term

Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

management contract with SNH to manage that community on terms substantially consistent with those that we have previously entered into with SNH.

In August 2011, we agreed with SNH that SNH should sell one assisted living community located in Pennsylvania with 103 living units, which we lease from SNH. We and SNH are in the process of selling this assisted living community and, if sold, our annual minimum rent payable to SNH will decrease by 9.0% of the net proceeds of the sale to SNH, in accordance with the terms of our lease with SNH.

In December 2011, SNH acquired a senior living community with 57 units and we entered into a long term management contract with SNH to manage this community on terms substantially consistent with those that we have previously entered into with SNH for communities that include assisted living units.

In February 2012, SNH acquired a senior living community containing 92 units and we entered into a long term management contract with SNH to manage this community on terms substantially consistent with those that we have previously entered into with SNH for communities that include assisted living units.

The management contracts for the communities we manage for SNH's account, or the Management Contracts, provide us with a management fee equal to 3% of the gross revenues realized at the communities, plus reimbursement for our direct costs and expenses related to the communities and an incentive fee equal to 35% of the annual net operating income of the communities after SNH realizes an annual return equal to 8% of its invested capital. The Management Contracts have an initial term of 20 years and are subject to automatic renewal for two consecutive 15 year terms, unless earlier terminated or timely notice of nonrenewal is delivered. The Management Contracts provide that we and SNH each have the option to terminate the contracts upon the acquisition by a person or group of more than 9.8% of the other's voting stock and upon other change in control events affecting the other, as defined in those documents, including the adoption of any shareholder proposal (other than a precatory proposal) or the election to the board of directors of any individual if such proposal or individual was not approved, nominated or appointed, as the case may be, by vote of a majority of the board of directors in office immediately prior to the making of such proposal or the nomination or appointment of such individual. As of December 31, 2011, all of our Management Contracts with SNH have been made subject to a pooling agreement we entered with SNH in connection with the 20 communities SNH agreed to acquire in March 2011 referred to above, except for a community we manage for SNH's account that only includes independent living apartments. Communities with only independent living apartments will be subject to a separate pooling agreement. Under the pooling agreement currently in effect, determinations of fees and expenses of the various communities that are subject to the applicable pooled Management Contracts are aggregated, including determination of SNH's return of its invested capital and our incentive fees. Under the pooling agreement, after December 31, 2017, SNH has the right, subject to our cure rights, to terminate all, but not less than all, the Management Contracts that are subject to the pooling agreement if it does not receive its minimum return in each of three consecutive years. In addition, under the pooling agreement, we have a limited right to require the sale of underperforming communities. Also, under the pooling agreement, any nonrenewal notice given by us with respect to a community that is subject to the pooling agreement would be deemed a nonrenewal with respect to all the communities (and related Management Contracts) that are the subject of the pooling agreement. Special committees of each of our Board and SNH's board of trustees composed solely of our Independent Directors and SNH's independent

Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

trustees who are not also directors or trustees of the other party and who were represented by separate counsel reviewed and approved the terms of the initial Management Contracts and pooling agreement. We expect the terms of the pooling agreement for communities with only independent living apartments will be on substantially the same terms. The terms of the subsequent Management Contracts and pooling agreement were approved by our Independent Directors and Board and by the independent trustees and board of trustees of SNH. For the year ended December 31, 2011, we recorded \$835,000 in management fee revenue and \$19.8 million of reimbursed costs incurred on behalf of the communities we manage for SNH's account.

We expect that we may enter into additional management arrangements with SNH for senior living communities SNH may acquire in the future on terms similar to those management arrangements we currently have with SNH, although there can be no assurances that we will do so. For example, in February 2012, SNH agreed to acquire an independent living community located in Missouri, which we understand is expected to close in the first half of 2012 and which we expect we would manage for SNH's account pursuant to a long term management contract on terms similar to those management arrangements we currently have with SNH and which we expect would be included in a separate pooling agreement that would include Management Contracts for communities consisting of only independent living apartments. However, this acquisition is subject to conditions and may not close.

During the year ended December 31, 2011, pursuant to the terms of our leases with SNH, SNH purchased \$33.3 million of improvements made to its properties leased to us, and, as a result, the annual rent payable by us to SNH increased by approximately \$2.7 million.

Simultaneously with our negotiation of the management contract terms described above, in May 2011 we and SNH entered into a bridge loan agreement, or the Bridge Loan, under which SNH agreed to lend us up to \$80.0 million. The Bridge Loan matures on July 1, 2012, and bears interest at a rate equal to the annual rates of interest applicable to SNH's borrowings under its revolving credit facility, plus 1%, or 2.9% as of December 31, 2011. As of December 31, 2011, there was \$38.0 million aggregate principal amount outstanding under the Bridge Loan and no additional amounts were available for borrowing under the Bridge Loan. Proceeds of the Bridge Loan were used to fund our acquisitions, completed in September 2011, of six senior living communities containing 738 living units for an aggregate purchase price, excluding closing costs, of approximately \$122.8 million. The Bridge Loan is secured by mortgages on three of these six communities we acquired and on four other senior living communities that we own, in each case including related furniture, fixtures and equipment.

The terms of the leases and Bridge Loan between us and SNH were reviewed and approved by special committees of each of our Board and SNH's board of trustees composed solely of Independent Directors or independent trustees who are not also directors or trustees of the other party and who were represented by separate counsel. Our leases, management agreements and Bridge Loan with SNH include arbitration provisions for the resolution of certain disputes, claims and controversies.

At the time we became a separate publicly owned company as a result of the distribution of our shares to SNH's shareholders, we entered a management and shared services agreement, or a business management agreement, with RMR. One of our Managing Directors, Mr. Barry Portnoy, is Chairman, majority owner and an employee of RMR. Our other Managing Director, Mr. Martin, is a Director of RMR. Mr. Mackey, our President and Chief Executive Officer, is an Executive Vice President of RMR, and Mr. Hoagland, our Treasurer and Chief Financial Officer, and Mr. Larkin, our Vice President, General Counsel and Secretary, are each a Senior Vice President of RMR. Mr. Portnoy's son,

Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

Mr. Adam Portnoy, is an owner of RMR and serves as President and Chief Executive Officer and as a Director of RMR. Additionally, Mr. Barry Portnoy's son-in-law, who is Mr. Adam Portnoy's brother-in-law, is an officer of RMR. RMR provides management services to both us and SNH; Mr. Barry Portnoy and Mr. Adam Portnoy are Managing Trustees of SNH. SNH's executive officers are officers of RMR and SNH's president and chief operating officer is also a director of RMR. Messrs. Mackey, Hoagland and Larkin devote a substantial majority of their business time to our affairs and the remainder to RMR's business, which is separate from our business. Because at least 80% of Messrs. Mackey's, Hoagland's and Larkin's business time is devoted to services to us, 80% of their total cash compensation (that is, the combined cash compensation paid by us and RMR, including base salary and cash bonus) was paid by us and the remainder was paid by RMR. We believe the compensation we paid to these officers reasonably reflected their division of business time; however, periodically, these individuals may divide their business time differently than they do currently and their compensation from us may become disproportionate to this division. RMR has approximately 740 employees and provides management services to other companies in addition to us and SNH.

Our Board has given our Compensation Committee, which is comprised exclusively of our Independent Directors, authority to act on our behalf with respect to our business management agreement with RMR. The charter of our Compensation Committee requires the Committee annually to review the business management agreement, evaluate RMR's performance under this agreement and renew, amend, terminate or allow to expire the business management agreement.

Pursuant to the business management agreement, RMR assists us with various aspects of our business, which may include, but are not limited to, compliance with various laws and rules applicable to our status as a publicly owned company, maintenance of our facilities, evaluation of business opportunities, accounting and financial reporting, capital markets and financing activities, investor relations and general oversight of our daily business activities, including legal and tax matters, human resources, insurance programs, management information systems and the like. In May 2011, we and RMR entered into an amendment to the business management agreement. The amendment adjusted the determination of the fees payable by us to RMR under the business management agreement. The business management agreement provides for compensation to RMR at an annual business management fee equal to 0.6% of our revenues. As amended, revenues are defined as our total revenues from all sources reportable under generally accepted accounting principles in the United States, or GAAP, less any revenues reportable by us with respect to communities for which we provide management services plus the gross revenues at those communities determined in accordance with GAAP. In addition, the amendment also amended certain procedures for the arbitration of disputes pursuant to the business management agreement. The business management agreement further provides that RMR is compensated at a rate equal to 80% of the employment expenses of RMR's employees, other than its Chief Information Officer, actively engaged in providing management information systems for us. The terms of the amendment described above were reviewed and approved by the Compensation Committee of our Board, which consists solely of our Independent Directors. The aggregate fees earned by RMR from us for management, administrative and information system services pursuant to the business management agreement totaled \$11.7 million in 2011.

RMR also provides internal audit services to us in return for our pro rata share of the total internal audit costs incurred by RMR for us and other companies managed by RMR and its affiliates, which amounts are subject to determination by our Compensation Committee. Our Audit Committee appoints our Director of Internal Audit. Our pro rata share of RMR's costs of providing this internal

Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

audit function was approximately \$247,000 for 2011. These allocated costs are in addition to the business management fees paid to RMR. We are also generally responsible for all of our expenses and certain expenses incurred by RMR on our behalf.

The business management agreement automatically renews for successive one year terms unless we or RMR give notice of non-renewal before the end of an applicable term. We or RMR may terminate the business management agreement upon 60 days prior written notice. RMR may also terminate the business management agreement upon five business days notice if we undergo a change of control, as defined in the business management agreement. The current term for the business management agreement expires on December 31, 2012, and will be subject to automatic renewal unless earlier terminated.

Under our business management agreement with RMR, we acknowledge that RMR provides management services to other businesses, including SNH. The fact that RMR has responsibilities to other entities, including our largest landlord and largest shareholder, SNH, could create conflicts; and in the event of such conflicts between us and RMR, any affiliate of RMR or any other publicly owned company for which RMR provides services, including SNH, our business management agreement allows RMR to act on its own behalf and on behalf of SNH or such other company rather than on our behalf. Under the business management agreement, we afford SNH and any other company that is managed by RMR with a right of first refusal to invest in or finance any real estate property of a type then owned or financed by any of them before we do. Under the business management agreement, RMR has agreed not to provide business management services to any other business or enterprise, other than SNH, competitive with our business. The business management agreement also includes arbitration provisions for the resolution of certain disputes, claims and controversies.

Pursuant to our business management agreement, RMR may from time to time negotiate on our behalf with certain third party vendors and suppliers for the procurement of services to us. As part of this arrangement, we may enter agreements with RMR and other companies to which RMR provides management services for the purpose of obtaining more favorable terms with such vendors and suppliers.

As part of our annual restricted share grants under our Share Award Plan, we typically grant restricted shares to certain employees of RMR who are not also Directors, officers or employees of ours. In 2011, we granted a total of 76,850 restricted shares with an aggregate value of \$168,000 to such persons, based upon the closing price of our common shares on the NYSE on the date of grant. One fifth of those restricted shares vested on the grant date and one fifth vests on each of the next four anniversaries of the grant date. These share grants to RMR employees are in addition to the fees we pay to RMR.

An affiliated company of RMR is the owner of the buildings in which we leased our corporate headquarters and administrative offices until the expiration of those leases in June 2011. In May 2011, we entered into a new lease that consolidated our headquarters into one building owned by an affiliate of RMR. This new lease requires us to pay current annual rent of approximately \$730,000. The terms of this new lease were reviewed and approved by a special committee of our Board composed solely of our Independent Directors. During 2011, we incurred rent, which included our proportionate share of utilities and real estate taxes, under the expired leases and the new lease of \$1.3 million. We believe the terms of the expired leases and the new lease were and are commercially reasonable.

Edgar Filing: FIVE STAR QUALITY CARE INC - Form DEF 14A

In December 2006, we began leasing space for a regional office in Atlanta, Georgia from CWH. Our lease for this space expired in December 2011 and was not renewed. We incurred rent, which included our proportionate share of utilities and real estate taxes, under this lease during 2011 of \$71,000. We believe that the terms of that lease were commercially reasonable.

Our Independent Directors also serve as directors or trustees of other public companies to which RMR provides management services. Mr. Barry Portnoy serves as a managing director or managing trustee of those companies, including SNH, CWH, HPT, GOV and TA. We understand that the other companies to which RMR provides management services also have certain other relationships with each other, including business and property management agreements and lease arrangements. In addition, officers of RMR serve as officers of those companies. We understand that further information regarding those relationships is provided in the applicable periodic reports and proxy statements filed by those other companies with the SEC.

We, RMR, SNH, CWH, HPT, GOV and TA each currently own approximately 14.29% of AIC. All of our Directors, all of the trustees and directors of the other publicly held AIC shareholders and nearly all of the directors of RMR currently serve on the board of directors of AIC. RMR provides management and administrative services to AIC pursuant to a management and administrative services agreement with AIC. Our Governance Guidelines provide that any material transaction between us and AIC shall be reviewed, authorized and approved or ratified by both the affirmative vote of a majority of our entire Board and the affirmative vote of a majority of our Independent Directors. The shareholders agreement that we, the other shareholders of AIC and AIC are parties to includes arbitration provisions for the resolution of certain disputes, claims and controversies.

As of February 16, 2012, we have invested \$5.2 million in AIC since its formation in November 2008. We may invest additional amounts in AIC in the future if the expansion of this insurance business requires additional capital, but we are not obligated to do so. For 2011, we recognized income of \$139,000 related to our investment in AIC. In June 2010, we and the other shareholders of AIC purchased property insurance providing \$500.0 million of coverage pursuant to an insurance program arranged by AIC and with respect to which AIC is a reinsurer of certain coverage amounts. This program was modified and extended in June 2011 for a one year term. Our annual premium for this property insurance of approximately \$4.5 million was paid in 2011. The amount we expensed in relation to such insurance premium for 2011 was \$3.8 million. We are currently investigating the possibilities to expand our insurance relationships with AIC to include other types of insurance. By participating in this insurance business with RMR and the other companies to which RMR provides management services, we expect that we may benefit financially by possibly reducing our insurance expenses or by realizing our pro-rata share of any profits of this insurance business.

The foregoing descriptions of our agreements with SNH, RMR, CWH and AIC are summaries and are qualified in their entirety by the terms of the agreements. A further description of the terms of certain of those agreements is included in our annual report to shareholders and our Annual Report on Form 10-K filed with the SEC, in each case for the year ended December 31, 2011. In addition, copies of certain of those agreements are filed with the SEC and may be obtained from the SEC's website at www.sec.gov.

We believe that our agreements with SNH, RMR, CWH and AIC are on commercially reasonable terms. We also believe that our relationships with SNH, RMR, CWH, AIC and their affiliated and

related persons and entities benefit us, and, in fact, provide us with competitive advantages in operating and growing our business.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Our Compensation Committee is currently comprised of Dr. Gans, Ms. Gilmore and Ms. Fraiche. None of the members of our Compensation Committee is, or has been, an officer or employee of our Company. None of our executive officers serves on the board of directors (or related governing body) or compensation committee of another entity that has an executive officer who serves on our Board or Compensation Committee. Members of our Compensation Committee serve as independent trustees or independent directors and compensation committee members of other public companies managed by or affiliated with RMR.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires that our Directors, executive officers and persons who own more than 10% of a registered class of our equity securities file reports of ownership and changes in ownership of securities with the SEC and the NYSE. Our executive officers, Directors and greater than 10% shareholders are required to furnish us with copies of all forms they file pursuant to Section 16(a). Based solely on a review of the copies of these reports furnished to us or written representations made to us that no such reports were required, we believe that, during 2011, all filing requirements under Section 16(a) of the Exchange Act applicable to our executive officers, Directors and persons who own more than 10% of a registered class of our equity securities were timely met.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

Some banks, brokers and other record holders of our common shares may participate in the practice of "householding" proxy statements, annual reports and notices of internet availability of those documents. This means that, unless shareholders give contrary instructions, only one copy of our proxy statement, annual report or notice of internet availability may be sent to multiple shareholders in each household. We will promptly deliver a separate copy of any of those documents to you if you write to us at Investor Relations, Five Star Quality Care, Inc., Two Newton Place, 255 Washington Street, Suite 300, Newton, Massachusetts 02458, or call us at (617) 796-8245. If you want to receive separate copies of our proxy statement, annual report or notice of internet availability in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other record holder, or you may contact us at the above address or telephone number.

OTHER MATTERS

At this time, we know of no other matters that will be brought before the meeting. If, however, other matters properly come before the meeting or any postponement or adjournment thereof, the persons named in the proxy will vote the proxy in accordance with their discretion on such matters to the maximum extent that they are permitted to do so by applicable law.
