On or about January 26, 2015, we will mail to our shareholders a Notice of Internet Availability of Proxy Materials containing instructions on how to access our 2015 proxy statement and 2014 annual report. This notice also provides instructions on how to vote online or by telephone and includes instructions on how to receive a paper copy of the proxy materials by mail.

We hope you will attend the meeting. Whether or not you plan to attend, your vote is very important, and we encourage you to vote promptly. There are several ways that you can cast your ballot by telephone, by Internet, by mail (if you request a paper copy) or in person at the Annual Meeting.

By Order of the Board of Directors,

David R. Francis, *Secretary*

PROXY STATEMENT

Our board of directors is making this proxy statement, our 2014 annual report on Form 10-K and a form of proxy available to you in connection with the solicitation of proxies by the board of directors for use at the 2015 Annual Meeting of Shareholders (the "Annual Meeting") to be held at our corporate headquarters at 1891 Metro Center Drive in Reston, Virginia on March 11, 2015 and at any adjournments of the meeting.

Pursuant to Securities and Exchange Commission ("SEC") rules, we have elected to provide our proxy materials to our shareholders primarily over the Internet rather than mailing paper copies of those materials to each shareholder. Accordingly, on or about January 26, 2015, we will send a Notice of Internet Availability of Proxy Materials (the "Notice") to shareholders to provide website and other information for the purpose of accessing our proxy materials. All shareholders will have the ability to access the proxy materials on the website referred to in the Notice or to request a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy will be included in the Notice. In addition, shareholders may request proxy materials in printed form by mail on an ongoing basis. We encourage you to take advantage of the availability of the proxy materials on the Internet in order to help reduce the cost and environmental impact of the Annual Meeting.

GENERAL INFORMATION ABOUT VOTING

Who can vote. You will be entitled to vote your shares of MAXIMUS common stock at the Annual Meeting if you were a shareholder of record at the close of business on January 16, 2015. As of that date, 65,859,633 shares of common stock were outstanding and entitled to one vote each at the meeting. You are entitled to one vote on each item voted on at the meeting for each share of common stock that you held on January 16, 2015.

How to vote your shares. You may vote your shares either by attending the Annual Meeting and voting in person or by voting by proxy. If you choose to vote by proxy, you may vote your shares in any of the following ways:

By Internet. You may vote online by accessing www.proxyvote.com and following the on-screen instructions. You will need the control number included on the Notice or on your proxy card, as applicable. You may vote online 24 hours a day. If you vote online, you do not need to return a proxy card.

By Telephone. You may vote by calling toll free 1-800-690-6903 and following the instructions. You will need the control number included on the Notice or on your proxy card, as applicable. You may vote by telephone 24 hours a day. If you vote by telephone, you do not need to return a proxy card.

By Mail. If you requested printed copies of the proxy materials, you will receive a proxy card, and you may vote by signing, dating and mailing the proxy card in the envelope provided.

Table of Contents

In Person. If you are a shareholder of record, you may vote in person at the Annual Meeting. You will receive a ballot when you arrive. If you are a beneficial owner of shares held in street name, you must obtain a legal proxy from the broker, bank or other nominee that holds your shares in order to vote your shares in person at the Annual Meeting. Follow the instructions on the Notice to obtain the legal proxy.

Online and telephone voting are available through 11:59 p.m. Eastern Time on March 10, 2015.

If you vote by proxy, the named proxies (Richard J. Nadeau, Dominic A. Corley and David R. Francis) will vote your shares as you have instructed. If you are a shareholder of record and you sign and return a proxy card without giving specific voting instructions, the proxies will vote your shares in favor of each of the proposals recommended by the board of directors contained in this proxy statement. If you are a beneficial owner of shares held in street name and do not provide the broker, bank or other nominee that holds your shares with specific voting instructions, it could result in a "broker non-vote." For more information, see "**Abstentions and broker non-votes**" below.

Quorum. A quorum of shareholders is required in order to transact business at the Annual Meeting. A majority of the outstanding shares of common stock entitled to vote must be present at the meeting, either in person or by proxy, to constitute a quorum. Abstentions and broker non-votes are counted in determining whether a quorum is present at the meeting.

Number of votes required. The number of votes required to approve each of the proposals scheduled to be presented at the meeting is as follows:

	Proposal	Required Vote
1.	Election of directors	For each nominee, a majority of the votes cast are "for" such nominee.
2.	Advisory vote to approve named executive officer compensation	A majority of the votes cast are "for" the proposal.
3.	Ratification of the Audit committee's selection of independent public accountants	A majority of the votes cast are "for" ratification.

Shares Held Through a Bank, Broker or Other Nominee. If you hold your shares in street name through a bank, broker or other nominee, such bank, broker or nominee will vote those shares in accordance with your instructions. To instruct your bank, broker or nominee how to vote, you should follow the information provided to you by such entity. Without instructions from you, a bank, broker or nominee will be permitted to exercise its own voting discretion with respect to so-called "routine matters" but will not be permitted to exercise voting discretion with respect to non-routine matters, as described below. We urge you to provide your bank, broker or nominee with appropriate voting instructions so that all your shares may be voted at the meeting.

Abstentions and broker non-votes. A broker non-vote occurs when a broker cannot vote a customer's shares registered in the broker's name because the customer did not send the broker instructions on how to vote on the matter. If the broker does not have instructions *and* is barred by law or applicable rules from exercising its discretionary voting authority on a particular matter, then the shares will not be voted on the matter, resulting in a "broker non-vote." A broker cannot vote on the election of directors or on matters relating to executive compensation without instructions; therefore, there may be broker non-votes on Proposals 1 and 2. A broker may vote on the ratification of the independent public accountants without instructions from you; therefore, no broker non-votes are expected to exist in connection with Proposal 3. Abstentions and broker non-votes will not count as votes cast with respect to the proposals listed above. Therefore, abstentions and broker non-votes will have no effect on the voting on these matters at the meeting.

Table of Contents

Discretionary voting by proxies on other matters. Aside from the proposals listed above, we do not know of any other proposal that may be presented at the 2015 Annual Meeting of Shareholders. However, if another matter is properly presented at the meeting, the persons named as proxies (Richard J. Nadeau, Dominic A. Corley and David R. Francis) will exercise their discretion in voting on the matter.

How you may revoke your proxy. You may revoke your proxy card at any time before the named proxies exercise it at the meeting by substituting a subsequent vote using any of the methods described in "**How to vote your shares**" above or by timely delivering a written notice of revocation to our Corporate Secretary that is dated later than the date of your proxy.

Expenses of solicitation. We will bear all costs of soliciting proxies. We will request that brokers, custodians and fiduciaries forward proxy soliciting material to the beneficial owners of stock held in their names, for which we will reimburse their out-of-pocket expenses. In addition to solicitations by mail, our directors, officers and regular employees, without additional remuneration, may solicit proxies by telephone and/or personal interviews.

Shareholders sharing the same surname and address. In some cases, shareholders holding their shares in a brokerage or bank account who share the same surname and address and have not given contrary instructions are receiving only one copy of the Notice. This practice is designed to reduce duplicate mailings and save printing and postage costs as well as natural resources. If you would like to have additional copies of our annual report, proxy statement or Notice mailed to you, please call or write us at our corporate headquarters, 1891 Metro Center Drive, Reston, Virginia 20190, Attn: Vice President of Investor Relations, telephone: (800) 368-2152. If you want to receive separate copies of the proxy statement, annual report to shareholders or Notice in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other nominee record holder.

SECURITY OWNERSHIP

The following tables show the number of shares of our common stock beneficially owned as of January 16, 2015 (unless otherwise indicated), by (i) the only persons known by us to own more than five percent of our outstanding shares of common stock, (ii) our directors and the nominees for director, (iii) the executive officers named in the Summary Compensation Table contained under the heading "Executive Compensation" in this proxy statement and (iv) all of our current directors and executive officers as a group. Unless set forth in the tables below, the address of each beneficial owner is c/o MAXIMUS, Inc., 1891 Metro Center Drive, Reston, Virginia 20190.

The number of shares beneficially owned by each holder is based upon the rules of the SEC. Under SEC rules, beneficial ownership includes any shares over which a person has sole or shared voting or investment power, as well as shares which the person has the right to acquire within 60 days by exercising any stock option or other right and shares of restricted stock that will vest with 60 days. Accordingly, this table includes shares that each person has the right to acquire on or before March 17, 2015. Unless otherwise indicated, to the best of our knowledge, each person has sole investment and voting power (or shares that power with his or her spouse) over the shares in the table. By including in the table shares that he or she might be deemed beneficially to own under SEC rules, a holder does not admit beneficial ownership of those shares for any other purpose.

To compute the percentage ownership of any shareholder or group of shareholders in the following tables, the total number of shares deemed outstanding consists of 65,859,633 shares that were outstanding on January 16, 2015 rather than the percentages set forth in the shareholders' filings with the SEC.

PROPOSAL 1 ELECTION OF DIRECTORS

General

The board of directors currently consists of nine directors. Under our articles of incorporation, the board is divided into three classes, with each class having as nearly equal a number of directors as possible. The term of one class expires, with their successors being subsequently elected to a three-year term, at each annual meeting of shareholders. At the Annual Meeting, three Class III Directors will be elected to hold office for a three-year term expiring at the 2018 Annual Meeting of Shareholders or until their successors are elected and qualified. The board has nominated Richard A. Montoni, Raymond B. Ruddy and Wellington E. Webb for election as Class III Directors. Mr. Montoni, Mr. Ruddy and Mr. Webb presently serve as our Class III directors. If you sign and return your proxy card, the persons named in such proxy card will vote to elect these three nominees unless you mark your proxy card otherwise. You may not vote for a greater number of nominees than three. Each nominee has consented to being named in this proxy statement and to serve if elected. If for any reason a nominee should become unavailable for election prior to the Annual Meeting, the proxy holders may vote for the election of a substitute. We do not presently expect that any of the nominees will be unavailable.

Vote Required

The Company's bylaws provide for majority voting in director elections. The board of directors also adopted a Director Resignation Policy. Under that policy, each director nominee has submitted a written contingent resignation which will become effective only if (i) the director fails to receive the required number of votes for re-election as set forth in the Company's bylaws and (ii) the board of directors accepts the resignation. The affirmative vote of a majority of the total number of votes cast for or against each of Mr. Montoni, Mr. Ruddy and Mr. Webb is required to re-elect each nominee to our board. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the voting of this matter.

**CORPORATE GOVERNANCE
AND THE BOARD OF DIRECTORS**

Our business and affairs are managed under the direction of the board of directors in accordance with the Virginia Stock Corporation Act and our articles of incorporation and bylaws. Members of the board are kept informed of our business through discussions with the Chief Executive Officer and other officers, by reviewing materials provided to them and by participating in meetings of the board and its committees. Our corporate governance practices are summarized below.

Board Leadership

MAXIMUS has maintained separate Chief Executive Officer and Chairman of the Board positions since before the Company's initial public offering in 1997. Richard A. Montoni currently serves as Chief Executive Officer, and Peter B. Pond currently serves as our non-executive Chairman of the Board. We believe that the separation of those roles is appropriate for us because it is a good corporate governance practice that promotes board and director independence from the management team.

Board's Role in Risk Oversight

The board of directors as a whole oversees the risk management of the Company. The Senior Vice President of Quality and Risk Management regularly reports to the board on operational and financial risks relating to the Company's projects. She also serves as our Compliance Officer and regularly reports to the board about compliance with the Company's code of ethics and policies and procedures. The Audit Committee oversees management of market and operational risks that could have a financial impact, such as those relating to internal controls and liquidity. The Nominating and Governance Committee manages the risks associated with governance issues, such as the independence and performance of the board, and the Compensation Committee is responsible for managing the risks relating to the Company's executive compensation and succession plans and policies.

Management regularly reports to the board or relevant committee on actions the Company is taking to manage the risks identified above. The board and management periodically review, evaluate and assess the risks relevant to the Company.

Corporate Governance Guidelines

The board of directors has adopted Guidelines for Corporate Governance that set forth the practices of the board with respect to the function of the board, management review and responsibility, board composition, selection of directors, operation of the board and meetings, committees of the board, director responsibilities and tenure and evaluation of the board and committees. The Guidelines are available on our Corporate Governance web page at <http://investor.maximus.com/corporate-governance>. A printed copy is available, without charge, to any shareholder upon written request to the Secretary of the Company, whose address is MAXIMUS, Inc., 1891 Metro Center Drive, Reston, Virginia 20190.

Director Independence

From time to time, MAXIMUS and its subsidiaries may provide services to, and otherwise conduct business with, companies of which certain members of the board or members of their immediate families are or were directors or officers. To comply with the New York Stock Exchange ("NYSE") listing standards, the Guidelines for Corporate Governance establish categorical standards under which the board views the following relationships as impairing a director's independence:

a director who is currently, or in the past three years has been, employed by the Company or by any subsidiary of the Company;

a director who has accepted, or has any family member who has accepted, payments from the Company or its affiliates in excess of \$120,000 within the current fiscal year

Table of Contents

or any of the past three fiscal years (except for board services, retirement plan benefits, or non-discretionary compensation);

a director who has an immediate family member who is, or has been in the past three years, employed by the Company or any subsidiary of the Company as an executive officer;

a director who is a partner, controlling shareholder or an employee, or has an immediate family member who is an executive officer of any for-profit business to which the Company made, or from which it received, payments (other than those which arise solely from investments in the Company's securities) in the current fiscal year or in any of the last three fiscal years that exceed 2% of consolidated gross revenue for the business, or the Company, for that year, or that exceed \$1,000,000, whichever is greater;

a director who is employed, or has an immediate family member who is employed, as an executive officer of another company where any of the Company's executive officers serves on that other company's compensation committee, or such a relationship has existed within the past three years; and

a director who (a) has been a partner or employee of the Company's internal or external auditor within the past three years, (b) has an immediate family member who is a current partner of such a firm, (c) has an immediate family member who is a current employee of such a firm and personally works on the Company's audit, or (d) had an immediate family member who was, within the last three years, a partner or employee of such a firm and personally worked on the Company's audit within that time.

Apart from the categorical standards, the board of directors also assesses the materiality of a director's relationship with us to ensure that there is no material relationship that would adversely affect the director's independence.

The board of directors in its business judgment has determined that the following eight directors are independent as defined by NYSE listing standards: Russell A. Beliveau, John J. Haley, Paul R. Lederer, Peter B. Pond, Raymond B. Ruddy, Marilyn R. Seymann, James R. Thompson, Jr. and Wellington E. Webb. None of our independent directors, their immediate family members, or employers, is engaged in relationships with us that the categorical standards cover and, as a result, each independent director meets our categorical standards. In addition, none of the independent directors has any relationship with us that would adversely affect the director's independence.

Code of Ethics

We have adopted a code of ethics that applies to all employees including our principal executive officer, principal financial officer and principal accounting officer or controller, or persons performing similar functions. That code, our Standards of Business Conduct and Ethics, can be found posted on our Corporate Governance web page at <http://investor.maximus.com/corporate-governance>. A printed copy is available, without charge, to any shareholder upon written request to the Secretary of the Company, whose address is MAXIMUS, Inc., 1891 Metro Center Drive, Reston, Virginia 20190. The board regularly reviews our code of ethics, and any amendment or waiver of our code of ethics will be reflected on our website.

Board and Committee Meeting Attendance

Our board expects that its members will prepare for, attend and participate in all board and applicable committee meetings. Our board of directors held 12 meetings during fiscal 2014. During our 2014 fiscal year, all of our directors attended at least 75% of the aggregate board and applicable committee meetings.

Committees of the Board

The standing committees of the board of directors are the Audit Committee, the Nominating and Governance Committee and the Compensation Committee.

Audit Committee

The Audit Committee assists the board of directors in fulfilling its responsibility to oversee management's conduct of our financial reporting processes and audits of our financial statements. The Audit Committee specifically reviews the financial reports and other financial information provided by the Company, our disclosure controls and procedures and internal accounting and financial controls, the internal audit function, the legal compliance and ethics programs, and the annual independent audit process. The Audit Committee operates under a written charter originally adopted by the board in 2000, as subsequently amended. The Audit Committee's charter, as amended and currently in effect, is available on our Corporate Governance web page at <http://investor.maximus.com/corporate-governance>. A printed copy is available, without charge, to any shareholder upon written request to the Secretary of the Company, whose address is MAXIMUS, Inc., 1891 Metro Center Drive, Reston, Virginia 20190. The information contained on our website is not a part of this proxy statement and is not deemed incorporated by reference into this proxy statement or any other public filing made with the SEC.

The members of the Audit Committee are Peter B. Pond (Chair), Paul R. Lederer, Raymond B. Ruddy, Marilyn R. Seymann, and Wellington E. Webb, each of whom is independent as defined by applicable NYSE listing standards and SEC regulations governing the qualifications of audit committee members in effect on the date of this proxy statement. The board of directors has determined that all of the committee members are financially literate as defined by the NYSE listing standards and that Mr. Pond qualifies as an audit committee financial expert as defined by regulations of the SEC.

The Audit Committee held four meetings during fiscal year 2014. For additional information regarding the Audit Committee, see "Audit Information Report of the Audit Committee" below.

Nominating and Governance Committee

The purpose of the Nominating and Governance Committee is to identify, evaluate and recommend candidates for membership on the board of directors, to establish and assure the effectiveness of the governance principles of the board and the Company and to establish the compensation of our directors. The Nominating and Governance Committee is responsible for assessing the appropriate mix of skills, qualifications and characteristics for the effective functioning of the board in light of the needs of the Company. The committee considers, at a minimum, the following qualifications in recommending to the board potential new directors, or the continued service of existing directors:

personal characteristics, such as highest personal and professional ethics, integrity and values, an inquiring and independent mind, with a respect for the views of others, ability to work well with others and practical wisdom and mature judgment;

Table of Contents

broad, policy-making level experience in business, government, academia or science to understand business problems and evaluate and formulate solutions;

experience and expertise that is useful to the Company and complementary to the background and experience of other directors;

willingness and ability to devote the time necessary to carry out duties and responsibilities of directors and to be an active, objective and constructive participant at meetings of the board and its committees;

commitment to serve on the board over a period of several years to develop knowledge about the Company's principal operations;

willingness to represent the best interests of all shareholders and objectively evaluate management performance; and

diversity of background and experience.

As described above, diversity is one of several factors that the committee considers in evaluating director nominees. The Nominating and Governance Committee defines "diversity" broadly to include diversity with respect to background, experience, viewpoints, skill, education, national origin, gender, race, age, culture and organizations with which the individual may be affiliated.

The Nominating and Governance Committee will consider shareholder recommendations for candidates to serve on the board of directors and would evaluate any such candidate in the same manner described above. Shareholders entitled to vote for the election of directors may submit candidates for consideration by the committee if it receives timely written notice, in proper form, for each such recommended director nominee. If the notice is not timely and in proper form, the nominee will not be considered by the committee. To be timely for the 2016 Annual Meeting of Shareholders, the notice must be received within the time frame set forth in "**Shareholder Proposals for Our 2016 Annual Meeting of Shareholders**" below. To be in proper form, the notice must include each nominee's written consent to be named as a nominee and to serve, if elected, and information about the shareholder making the nomination and the person nominated for election. These requirements are more fully described in Article I, Section 6, of our bylaws, a copy of which will be provided, without charge, to any shareholder upon written request to the Secretary of the Company, whose address is MAXIMUS, Inc., 1891 Metro Center Drive, Reston, Virginia 20190.

Under the process we use for selecting new board candidates, the Chief Executive Officer, the Nominating and Governance Committee or other board members identify the need to add a new board member with specific qualifications or to fill a vacancy on the board. The Chairman of the Nominating and Governance Committee will initiate a search, working with staff support and seeking input from board members and senior management, hiring a search firm, if necessary, and considering any candidates recommended by shareholders. An initial slate of candidates that will satisfy the criteria and otherwise qualify for membership on the board may be presented to the Nominating and Governance Committee. A determination is made as to whether Nominating and Governance Committee members or board members have relationships with preferred candidates and can initiate contacts. The Chief Executive Officer and at least one member of the Nominating and Governance Committee interviews prospective candidates. The Nominating and Governance Committee meets to conduct further interviews of prospective candidates, if necessary or appropriate, and to consider and recommend final candidates for approval by the full board of directors.

The Nominating and Governance Committee is comprised of John J. Haley (Chair), Paul R. Lederer, Peter B. Pond, Marilyn R. Seymann, and Wellington E. Webb, each of whom is independent as defined by applicable NYSE listing standards governing the qualifications of nominating and governance committee members in effect on the date of this proxy statement. The Nominating and Governance Committee operates under a written charter originally adopted by the board in 2003, as subsequently amended. The Nominating and Governance Committee's charter, as amended and currently in effect, is available on our Corporate Governance web page at <http://investor.maximus.com/corporate-governance>. A printed copy is available, without charge, to any shareholder upon written request to the Secretary of the Company, whose address is MAXIMUS, Inc., 1891 Metro Center Drive, Reston, Virginia 20190.

Compensation Committee

The Compensation Committee is responsible for reviewing, approving, and overseeing the administration of our compensation and benefit programs, evaluating their effectiveness in supporting our overall business objectives and ensuring an appropriate structure and process for management succession. Specifically, the committee is responsible for:

- evaluating the performance and setting the compensation of the Chief Executive Officer and other members of senior management,
- reviewing the Company's compensation policies and practices,
- reviewing executive succession plans, and
- reviewing our executive development programs, including the performance evaluation process and incentive compensation programs.

The Chief Executive Officer provides the Compensation Committee with the financial and strategic performance accomplishments of the executive management team and recommends raises, bonuses and long-term equity awards for those executives (excluding himself). To assist in its efforts to meet the objectives outlined above, the Compensation Committee retained Pay Governance, LLC, an independent consulting firm, to advise it on a regular basis on executive compensation programs. Pay Governance provides information to the Compensation Committee so that it can determine whether the company's executive compensation programs are reasonable and consistent with competitive practices. The Compensation Committee has reviewed the independence of Pay Governance in light of SEC rules and has concluded that the consultant's work for the Compensation Committee is independent and does not raise any conflict of interest. The Compensation Committee operates under a written charter originally adopted by the board in 2003, as subsequently amended. The Compensation Committee's charter, as amended and currently in effect, is available on our Corporate Governance web page at <http://investor.maximus.com/corporate-governance>. A printed copy is available, without charge, to any shareholder upon written request to the Secretary of the Company, whose address is MAXIMUS, Inc., 1891 Metro Center Drive, Reston, Virginia 20190. The members of the Compensation Committee are Marilyn R. Seymann (Chair), Russell A. Beliveau, John J. Haley, Paul R. Lederer, Peter B. Pond and Raymond B. Ruddy, each of whom is independent as defined by applicable NYSE listing standards governing the qualifications of compensation committee members in effect on the date of this proxy statement.

The Compensation Committee held three meetings during fiscal year 2014. For additional information regarding the committee, see "Compensation Committee Report" below.

Compensation Discussion and Analysis

General

The Compensation Committee of our board of directors reviews and establishes the compensation of our executive officers, including the named executive officers, and provides oversight of our compensation programs. The Compensation Committee consists entirely of non-employee, independent members of our board of directors and operates under a written charter approved by the board of directors.

During 2014, the Compensation Committee engaged Pay Governance LLC to assist it in carrying out its responsibilities with respect to executive compensation. In connection with that engagement, the Committee evaluated the independence of Pay Governance and determined that Pay Governance was an independent advisor.

Pay Governance was asked to review market conditions and peer company practices and to evaluate the Company's executive compensation programs against them. Pay Governance performed market analyses of peer group companies and the general market for executive talent, and advised the Compensation Committee as to peer company and best practices regarding incentive opportunities for executive compensation.

Table of Contents

Information on the Compensation Committee's processes and procedures for the consideration and determination of executive compensation is included under the caption "Corporate Governance and the Board of Directors Committees of the Board Compensation Committee."

Objectives of Our Compensation Program

The primary objective of our executive compensation program is to attract and retain highly skilled and motivated executive officers who will manage the Company in a manner that promotes our growth and profitability and advances the interests of our shareholders. Additional objectives of our executive compensation program are to:

- align executive pay with shareholders' interests;
- recognize individual initiative and achievements; and
- unite the executive management team under common objectives.

Executive Compensation Principles

The Company's primary focus is on longer-term earnings growth. Accordingly, we endeavor to align our compensation with building shareholder value and encouraging our executives to make sound long-term decisions. The Committee monitors the relationship of pay realized over the past three years relative to the Company's performance to ensure our program provides the desired alignment. To that end, the Committee annually reviews with the independent consultant the relationship of the realizable pay of the Chief Executive Officer to the total return to the Company's shareholders.

Our executive compensation program consists of base salaries, performance-based cash incentive payments in the form of annual bonuses and long-term equity incentives. We believe that short-term annual cash incentive compensation should be tied directly to both corporate performance and individual performance for the fiscal year, including the achievement of identified goals as they pertain to the areas of our operations for which the executive officer is personally responsible and accountable and other strategic objectives that will grow long-term shareholder value. Under our program, performance above targeted standards results in increased total compensation, and performance below targeted standards results in decreased total compensation.

Our long-term equity incentives generally are awarded in the form of restricted stock units ("RSUs"). Before 2007 long-term equity incentives also included stock options. Although the Company has made some stock option awards since then, primarily in connection with executive hires or promotions, the Company presently intends to make future equity awards in the form of RSUs.

These components of executive compensation are used together to achieve an appropriate balance between cash and equity compensation and between short-term and long-term incentives. A significant portion of each executive officer's total compensation is at risk, tied both to our annual and long-term performance as well as to the creation of shareholder value. In particular, 78% of the target compensation of the Chief Executive Officer and at least 63% of the target compensation of the other executive officers is variable, at-risk compensation.

How Executive Pay Levels are Determined

The Compensation Committee regularly reviews our executive compensation program and its elements. All decisions by the Compensation Committee relating to the compensation of our executive officers are reported to the full board of directors.

The Committee monitors the results of the annual advisory 'say-on-pay' proposal and considers those results as one element in connection with the discharge of its responsibilities. A substantial majority of our shareholders (over 92%) approved the compensation program described in our proxy statement for the 2014 Annual Meeting of Shareholders. Based on the significant shareholder support of our current

Table of Contents

compensation program, no changes to the overall structure of the program were made as a direct result of such shareholder vote. It is currently expected that we will hold annual say-on-pay votes until the next time the frequency of such votes is put before our shareholders.

The Company's Chief Executive Officer, the General Counsel/Secretary, the Chief of Human Capital and a representative from Pay Governance LLC regularly attend Compensation Committee Meetings. They are primarily responsible for providing analysis and recommendations to the Committee, but they do not participate in Committee decisions regarding their own compensation. In addition, the Secretary is responsible for documenting the minutes of each meeting, and the Chief Executive Officer and the Chief of Human Capital oversee the implementation of the Committee resolutions.

In determining the compensation of our executive officers, the Committee evaluates total overall compensation, as well as the mix of salary, cash bonus incentives and equity incentives, using a number of factors including the following:

our financial and operating performance, measured by attainment of specific objectives including earnings per share ("EPS") results, revenue growth, new business awards, client satisfaction, stock price performance and a variety of other organizational financial and non-financial measures;

the duties, responsibilities and performance of each executive officer, including the achievement of identified goals for the year as they pertain to the areas of our operations for which the executive is personally responsible and accountable;

internal pay equity considerations; and

comparative industry market data to assess compensation competitiveness.

With respect to comparative industry data, the Compensation Committee reviews executive compensation (including the mix of base salary, bonus and equity compensation elements) and evaluates compensation structures of comparable companies with assistance from its executive compensation consultants, Pay Governance LLC. For these purposes, the committee reviewed compensation practices for several comparable companies including SAIC, Unisys, CACI International, ManTech International, SRA International, CIBER, Navigant Consulting, Leidos (formerly part of SAIC) and Sapien. That group consists of public companies in the same or similar business lines as MAXIMUS as well as competitors for executive talent.

The Compensation Committee periodically reviews a compensation analysis prepared by Pay Governance. The most recent study was conducted in August 2014. The study included the companies identified above and general industry survey data and considered our need to attract and retain a motivated team of skilled executives. In years that a full study is not conducted, the Compensation Committee considers the average market increase for executive talent as provided by the Committee's consultant. The consultant also conducts an annual competitive compensation review of the Chief Executive Officer, Chief Financial Officer and General Manager positions. The study reflects that our market for executive talent is broader than just the government business process outsourcing sector. As such, for 2014 we reviewed base pay, cash bonus, long term equity and total compensation data from an industry survey, adjusted for revenue size, as a comparator group. The survey reflected a large cross section of over 800 general industry companies and provided the Compensation Committee with a broad industry comparison. The identity of the specific companies comprising the survey is not disclosed to, or considered by, the Committee in its decision-making process.

In order to attract talent and offer market-competitive compensation, MAXIMUS has established the total target compensation levels for its executives taking into consideration peer company and general industry compensation data. In practice, total target compensation for the named executive officers at MAXIMUS is at or slightly below the 50th percentile of those comparator groups. However, MAXIMUS has not established formal benchmarking targets or objectives for total compensation or the individual elements thereof, and actual compensation may vary significantly from that of the comparator groups due to Company performance.

Table of Contents

Components of Executive Compensation

The elements of our compensation program in 2014 included base annual salary, short-term incentive compensation under our Management Bonus Plan ("MBP"), and long-term incentives through equity-based awards under our 2011 Equity Incentive Plan. We provide certain retirement benefits through our 401(k) savings plan. We also provide health and welfare benefits that include participation in our health, dental and vision plans and various insurance plans, including disability and life insurance.

Each of the three principal components of executive compensation is designed to reward performance and provide incentives to executive officers consistent with our overall policies and principles on executive compensation. These components and the rationale and methodology for each are described below. Specific information on the amounts and types of compensation earned by the named executive officers during 2014 can be found in the Summary Compensation Table and other tables and narrative disclosures following this discussion.

Base Salary

Our base salary philosophy is to provide reasonable income to our named executive officers in amounts that will attract and retain individuals with a broad, proven track record of performance.

The Compensation Committee approves the salaries for the executive officers. In establishing the salaries, the Compensation Committee balances the need to offer competitive salaries that will limit turnover with the need to maintain careful control of salary and benefit expenses.

Individual salaries (except for the salary of the Chief Executive Officer) are recommended by the Chief Executive Officer to the Compensation Committee based on his subjective assessment in each case of the nature of the position, as well as the contribution, performance and experience of the executive officer.

In making salary determinations for 2014, the Compensation Committee evaluated the financial and strategic contributions of the executive officers based on overall Company financial performance, business unit financial performance, achievements in implementing our long-term strategy, and the recommendations of the Chief Executive Officer. The Compensation Committee gives meaningful weight to the recommendations of the Chief Executive Officer, but the final decisions regarding executive salaries are made by the Compensation Committee. The Chief Executive Officer does not provide any input to the Compensation Committee regarding his own salary nor does he discuss matters of his own compensation with the Committee's independent adviser. The Chief Executive Officer's compensation is determined by the Compensation Committee with the assistance and advice of the outside consultant.

As President and Chief Executive Officer, Mr. Montoni is compensated pursuant to an employment agreement, which is described under "Supplemental Discussion of Compensation" below. He is eligible for base salary increases as the Compensation Committee may determine. In making this determination for 2014, the Compensation Committee evaluated Mr. Montoni's performance based on our financial performance, achievements in implementing our long-term strategy, and the personal observations of the Chief Executive Officer's performance by the members of the Board of Directors. As with the executive officers generally, the Compensation Committee also considered the survey data provided by Pay Governance LLC. No particular weight was given to any particular aspect of the performance of the Chief Executive Officer. As described below, Mr. Caswell is also compensated pursuant to an employment agreement.

Changes to base salaries are typically effective as of January 1 of each year. The annual base salaries for our named executive officers for 2014 and 2013 are below.

Table of Contents

Annual Cash Incentives

Annual cash incentive awards, under the Company's MBP, provide an opportunity for employees and executives to earn additional cash compensation for business and individual performance. In addition to the named executive officers, approximately 850 employees are participants in the MBP. The amount of each individual's target MBP award has been set as a percentage of base pay. Actual awards may vary above or below the target based on achievement of Company, business unit and individual performance goals as well as the scope of the individual's responsibility and the market for executives with similar skills and background. The Compensation Committee established the percentages with consideration of survey information provided by Pay Governance, and they are intended to link a substantial portion of an executive's compensation to the overall performance of the Company.

The actual bonus pool is determined by the Company achieving specific levels of EPS performance at threshold, target and superior levels. For these purposes, the EPS number is adjusted to eliminate the effects of certain items such as share repurchases, currency gains and losses, mergers and acquisitions, discontinued operations and legal settlements or recoveries ("Adjusted EPS"). Adjusted EPS performance above the superior level results in additional bonus pool funding. The Adjusted EPS goals are set by the board of directors at the beginning of the fiscal year and are aligned with shareholder expectations. At the end of the fiscal year, the Committee evaluates the Company's Adjusted EPS and strategic performance and approves the final amount of the Company's bonus pool.

For fiscal year 2014, the Adjusted EPS goals were as follows:

Level	FY14 Adjusted EPS
Threshold	\$1.70
Target	\$1.80
Superior	\$1.90

The Company achieved Adjusted EPS of \$2.10 for fiscal year 2014, which reflected performance above the superior level. Beginning in 2014, the Compensation Committee committed to an annual minimum funding of the bonus pool of \$7.5 million as described below (available for the named executive officers and all other participants). The bonus pool is not funded beyond that minimum amount unless the Company achieves its threshold earnings goal for the fiscal year. We believe this structure is effective in placing the overall goals of the Company ahead of the particular goals of any particular segment, functional area or executive officer. Therefore, the Company's achievement of its earnings goal is essentially a pre-condition and the primary driver for the funding of the bonus pool above the minimum amount. For MAXIMUS, this structure best aligns management incentives with shareholder interests.

Table of Contents

If the threshold Adjusted EPS level of performance is met, the Committee retains discretion to increase or decrease the bonus pool by the greater of \$7.5 million or 25% of the earned bonus pool. If the threshold level is not met, the Committee funds a minimum bonus pool of \$7.5 million to recognize individuals or groups of individuals who made exceptional contributions to the Company and to encourage retention of employees and executives. If the superior level of performance is exceeded, the bonus pool increases proportionately. In 2014, the Company exceeded the superior performance level. Apart from record revenue and earnings, the Company won significant new business in the United Kingdom and Australia, continued the successful ramp-up of its business in the United States arising under the Affordable Care Act and positioned the Company for future international and domestic growth.

Once the 2014 bonus pool was determined, individual awards were based on a combination of corporate, business unit and individual accomplishments. The starting point for an executive officer's cash incentives is the individual target percentage as described below, and individual awards generally range from 50% (at threshold) to 150% (at superior) of such target amounts depending on the level of Adjusted EPS performance. However, no amount of bonus is guaranteed, and the final amount may be higher or lower than the stated percentage or that range based on the Compensation Committee's assessment.

At the beginning of 2014, each executive officer's individual goals were established, communicated and approved by the Chief Executive Officer in the case of Messrs. Andrekovich, Caswell, Piloti and Walker and by the Chairman of the Board and the Chair of the Compensation Committee in the case of Mr. Montoni. At the conclusion of the fiscal year, each executive participated in an evaluation with the Chief Executive Officer (or the Chairman of the Board and the Chair of the Compensation Committee in the case of Mr. Montoni). The goals were assessed as "met expectations," "above expectations" or "below expectations." In addition, the evaluation considered personal competencies and behavioral elements including leadership skills, subject matter expertise, teamwork, development of subordinates and integrity. In the case of the executives other than the Chief Executive Officer, a summary of the executive evaluations was presented to the Compensation Committee together with the Chief Executive Officer's recommendations for their annual cash incentive awards. The Chairman of the Board and the Chair of the Compensation Committee presented their evaluation of the Chief Executive Officer to the Compensation Committee. The Chief Executive Officer did not make a recommendation for his own cash incentive award.

In determining individual cash incentive awards, the Company did not employ a formulaic approach or assign a numerical weighting to the goals of the named executive officers. The awards to the Chief Executive Officer and the Chief Financial Officer were closely linked to the overall performance of the Company (both as to EPS and other objectives) because their responsibility spans the entire organization. The awards to the other executive officers were similarly tied to their areas of responsibility – namely the Health Services segment in the case of Mr. Caswell, the Human Services segment in the case of Mr. Piloti, and both the Human Resources function and the Tax Credit and Employer Services ("TCES") division in the case of Mr. Andrekovich. The Compensation Committee used its judgment in considering both objective and subjective factors. The Committee considered the overall performance of the executives and their business units or functional areas and considered events that were not necessarily foreseen at the beginning of the year, such as the successful response to increased enrollment volumes in projects supporting the Affordable Care Act and other Health Services and Human Services projects that helped drive the Company's record EPS results.

The Compensation Committee also considered factors such as the executive's development and advancement potential, as well as the risk that another company might attempt to induce the executive to leave MAXIMUS for another opportunity. Ultimately, the final cash incentive awards were based on the Compensation Committee's overall evaluation and assessment of the various factors and inputs described above. The Committee subjectively weighed the various factors and applied its best judgment to compensate the executive officers for their accomplishments as well as to incentivize desired behaviors and outcomes in the future. Other than the Adjusted EPS goal, which was essentially a pre-condition for funding the bonus pool beyond the minimum level described above, no single goal was material to a determination of the final cash incentive awards to the executives. The amounts of the 2014

Table of Contents

individual cash incentive awards reflect the Company's performance above the superior level of Adjusted EPS.

Mr. Montoni

Mr. Montoni's target incentive payment percentage has been set at 100% of his base salary. For 2014 his goals consisted of: EPS from continuing operations, organic revenue growth, operating margin, quarterly days sales outstanding ("DSOs"), full funding of the company's bonus pool at target, winning contract rebids and option renewals, client satisfaction results, new business awards, profitability at ongoing divisions, the successful launch of new projects, the avoidance of major project problems and the improvement of projects with performance issues. The Compensation Committee acknowledged Mr. Montoni's leadership and significant contributions to the Company's success in delivering record earnings results, winning key rebids and contract option renewals, developing a robust pipeline of growth opportunities and implementing succession planning and organizational development actions that will enable long term growth. These included, among other items, the hiring of Mr. Nadeau as the new Chief Financial Officer and his successful transition from Mr. Walker who retired. For the foregoing reasons and in light of the Company's performance above the superior level, Mr. Montoni earned a \$2,275,000 bonus.

Mr. Nadeau

Mr. Nadeau's target incentive payment percentage has been set at 65% of his base salary. Mr. Nadeau joined the Company in June 2014 and therefore did not participate in the goal setting process at the beginning of the year. His immediate goal upon hire was to achieve a seamless transition of the Chief Financial Officer role from Mr. Walker. Mr. Nadeau met that objective, and he succeeded in aligning the Company's business and tax strategies to achieve a positive impact in 2014. He was awarded a bonus of \$200,000.

Mr. Walker

Mr. Walker's target incentive payment percentage has been set at 65% of his base salary. For 2014 his goals consisted of: EPS from continuing operations, organic revenue growth, operating margin, quarterly DSOs, full funding of the company's bonus pool at target, winning contract rebids and option renewals, client satisfaction results, new business awards, profitability at ongoing divisions, the successful launch of new projects, the avoidance of major project problems and the improvement of projects with performance issues and the successful transition of his duties to the new CFO. The Committee recognized his contributions to the financial performance of the Company including the achievement of record level EPS and operating income, superior risk management, contributions he made to our investor relations initiatives and his leadership in helping grow our international business. For the foregoing reasons and in light of the Company's performance above the superior level, Mr. Walker earned an \$800,000 bonus.

Mr. Caswell

Mr. Caswell's target incentive payment percentage has been set at 65% of his base salary. For 2014 his goals consisted of the following with respect to the Health Services segment: operating income from continuing operations, organic revenue growth, operating margin, quarterly DSOs, full funding of the bonus pool at target, winning contract rebids and option renewals, client satisfaction results, new business awards, profitability at ongoing divisions, the successful launch of new projects, the avoidance of major project problems and the improvement of projects with performance issues. The Committee recognized the record revenue and earnings results of the Health Services segment including significant new organic growth. The Committee also recognized the segment's improved technology to better serve clients resulting in high client service ratings, the successful operations of Affordable Care Act related projects, and the implementation of key succession and organization actions that included hiring a new Chief Information Officer ("CIO"). For the foregoing reasons and in light of the Company's performance above the superior level, Mr. Caswell earned a \$1,300,000 bonus.

Mr. Piloti

Mr. Piloti's target incentive payment percentage has been set at 65% of his base salary. For 2014 his goals consisted of the following with respect to the Human Services segment: operating Income from continuing operations, organic revenue growth, operating margin, quarterly DSOs, full funding of the bonus pool at target, winning contract rebids and option renewals, client satisfaction results, new business awards, profitability at ongoing divisions, the successful launch of new projects, the avoidance of major project problems and the improvement of projects with performance issues. The Committee recognized the superior level of operating results in the Human Services segment including its revenue and earnings results and its success in being awarded contract options and renewals. The Committee also recognized the segment's significant new business wins in Australia and Saudi Arabia and its international client satisfaction survey results. For the foregoing reasons and in light of the Company's performance above the superior level, Mr. Piloti earned an \$800,000 bonus.

Mr. Andrekovich

Mr. Andrekovich's target incentive payment percentage has been set at 45% of his base salary. For 2014 his goals consisted of elements pertaining to both the Human Capital function and the Tax Credit and Employer Services ("TCES") business unit. His Human Capital goals included the implementation of organizational, recruiting and succession plans to enable MAXIMUS to meet future growth and talent requirements. His TCES goals included operating income, new business sales and revenue goals. The Compensation Committee acknowledged Mr. Andrekovich's contributions in helping the Company deliver record earnings results, including the implementation and staffing of Affordable Care Act start-up projects, and his leadership in executive succession planning and organizational development actions that will enable our long-term growth (including key hires such as the CIO, CFO and business development personnel). For the foregoing reasons and in light of the Company's performance above the superior level, Mr. Andrekovich earned a \$600,000 bonus.

Bonuses paid to our executive officers for 2014 were intended to qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code ("Code"). At the beginning of the fiscal year, the independent members of the Compensation Committee established and communicated maximum potential bonuses for the named executive officers based on a percentage of the Company's EBITDA (earnings before interest, taxes, depreciation and amortization) adjusted to eliminate the effects of the following items: share repurchases, legal settlements and recoveries (including insurance recoveries), discontinued operations gains or losses (including tail liabilities from certain discontinued operations), foreign currency fluctuations and the effects of mergers or acquisitions. The final bonus awards to the named executive officers are dependent on (i) the achievement of the Code Section 162(m) performance goals, (ii) the goals of the officer's business unit or functional area and (iii) the individual goals, and reflect the contributions and accomplishments of the officer relative to his responsibilities.

The bonuses awarded to the named executive officers for 2014 were as follows, as compared to the bonuses awarded for 2013:

Table of Contents

Name	2014 Bonus	2013 Bonus
Richard A. Montoni Chief Executive Officer	\$ 2,275,000	\$ 2,000,000
Bruce L. Caswell President of Health Services	\$ 1,300,000	\$ 1,000,000
Richard J. Nadeau Chief Financial Officer	\$ 200,000	NA
David N. Walker Former Chief Financial Officer	\$ 800,000	\$ 1,000,000
Akbar Piloti President of Human Services	\$ 800,000	\$ 800,000
Mark S. Andrekovich Chief of Human Capital and President Tax and Employer Services	\$ 600,000	\$ 525,000

Long-Term Equity Incentives

The Compensation Committee may provide equity incentives to executive officers through long-term awards. In 2014, long-term equity incentives were made to executive officers in the form of RSUs. These awards provide executive officers with an opportunity to accumulate our common stock and build wealth related to that ownership. The goal of the Compensation Committee in granting equity incentives is to directly link an executive's compensation opportunities with shareholder value creation.

Long-term equity is awarded at the discretion of the Compensation Committee using various factors including the financial performance of the Company, retention considerations, individual performance of the executive and increases or decreases in an executive's job responsibilities. The target award levels were set in 2005 and were reviewed in the study conducted by Pay Governance in August 2013. For Mr. Montoni the target level is 2.5 times base salary, and for Mr. Andrekovich, Mr. Caswell, Mr. Nadeau, Mr. Piloti and Mr. Walker the target is 1.25 times base salary. Those targets are designed to link a significant portion of an executive's overall compensation and wealth to the long-term success of the Company.

The Compensation Committee also employs a multi-year vesting of equity incentive awards with RSUs vesting in equal installments over a five-year period. The Compensation Committee believes that multi-year vesting focuses executive officers on consistent long-term growth of shareholder value and encourages retention.

Long-term equity awards are generally made in November and take into consideration the scope of the executive's responsibility and the retention objectives of the Company as well as individual performance and the overall performance of the Company for the prior fiscal year. Target award levels are based on an individual's base salary for the year just ended.

In November 2013, Mr. Montoni received a long-term equity award valued at \$3,100,000 or approximately 171% of his target award; Mr. Caswell received an award valued at \$1,000,000 or approximately 178% of his target award; Mr. Walker received an award valued at \$600,000 or approximately 113% of his target award; Mr. Piloti received an award valued at \$700,000 or approximately 137% of his target award and Mr. Andrekovich received an award valued at \$500,000 or approximately 101% of his target award. The actual awards reflect the Committee's assessment of individual performance as well as the scope of an individual's responsibilities, retention considerations and the market for executives with similar skills and experience. In June 2014, Mr. Nadeau received a long-term equity award valued at \$750,000 upon commencing his employment with the Company.

Executive Equity Ownership Requirements

Executive officers are required to hold a certain dollar value of equity in the Company. The Chief Executive Officer is required to hold equity equal to 600% of his base salary, and the other executive officers are required to hold equity equal to 150% of their base salaries. For these purposes, "equity" consists of shares owned directly by the officer and the "in-the-money" value of vested stock options. All of the named executive officers met the ownership requirement as of the end of fiscal year 2014 except Mr. Nadeau who joined the Company in June 2014.

Retirement, Deferred Compensation and Pension Plans

We provide additional compensation to our executive officers through various plans which are also available to some or all of our employees. These plans are described below.

401(k) Savings Plan

Under our MAXIMUS, Inc. 401(k) Savings Plan, a tax-qualified retirement savings plan, participating employees, including our named executive officers, may contribute up to 75% of eligible earnings on a before-tax basis, up to a limit of \$17,500 for 2014, into their 401(k) Plan accounts. In addition, under the 401(k) Plan, the Company matches an amount equal to fifty cents for each dollar contributed by participating employees on the first 6% of their eligible earnings up to a maximum of \$7,650. Amounts held in the 401(k) Plan accounts may not be withdrawn prior to the employee's termination of employment, or such earlier time as the employee reaches the age of 59½, subject to certain exceptions set forth in the regulations of the IRS.

For purposes of voluntary contributions, no more than \$260,000 of annual compensation (for 2014, and as adjusted by the IRS for future years) could be taken into account in computing benefits under the 401(k) Plan. Participants who reached age 50 before year end could also contribute, on a before-tax basis and without regard to the \$17,500 limit, catch-up contributions of up to \$5,500 for 2014 which are not eligible for the employer match.

We maintain the 401(k) Plan for our employees, including our named executive officers, because we wish to encourage our employees to save some percentage of their cash compensation for their eventual retirement. The 401(k) Plan permits employees to make such savings in a manner that is relatively tax efficient.

Deferred Compensation Plan

MAXIMUS also maintains a non-tax-qualified deferred compensation plan that allows participants to save for the future on a tax-deferred basis. The plan is generally available to highly-compensated employees who may desire to save more than permitted under the Company's 401(k) plan. See the *Supplemental Discussion of the Deferred Compensation Plan* below.

Severance Payments

The Company has severance guidelines for executive officers that apply in the event of a lay off or termination of employment for reasons other than cause (and not in connection with a change of control of the Company). The purpose of the guidelines is to have uniform standards that minimize the need for separately-negotiated arrangements and to provide for reasonable consideration in the event of an executive's termination in exchange for a release of all claims against the Company.

The Company also maintains an income continuity plan for executive officers that provides for severance payments and certain other benefits in the event of a change in control of the Company. The objective of that plan is to assure the Company that it will have the continued services and support of the executives notwithstanding the possibility, threat or occurrence of a change in control. The income continuity plan uses a "double trigger." That is, payments to a participant under the plan are based on both a change in

Table of Contents

control of the Company as well as a termination of the participant's employment. See the *Supplemental Discussion of Potential Payments upon Termination or Change in Control* below.

Risk Assessment of Compensation Programs

The Compensation Committee has reviewed with the independent consultant the compensation and benefit programs for the Company's executive officers and the potential effects of those programs on individual and group behavior and on the risk profile of the Company. The Committee has determined that those programs do not create incentives with respect to individual or group behavior that are likely to have a material adverse effect upon the Company's risk profile or approach to risk management.

Additionally, the Company's non-executive officer and management compensation policies and practices do not excessively incentivize or create a need for inappropriate risk-taking by its employees and therefore, it is not reasonably likely that current compensation policies and practices would have a material adverse effect on the Company.

Tax Considerations

Code Section 162(m) places a limit of \$1,000,000 on the amount of compensation that the Company may deduct in any one year with respect to our Chief Executive Officer and the three other most highly compensated named executive officers (other than our Chief Financial Officer). Such limit does not apply for "performance-based compensation" as defined in Code Section 162(m). For 2014, the Company structured its bonus and equity awards in a manner intended to allow awards under those plans to satisfy the performance-based compensation exception to the Code Section 162(m) limit and to permit the Company to deduct annual executive compensation in excess of \$1 million. The Committee approved using adjusted EBITDA as the appropriate standard for purposes of establishing the Section 162(m) bonus pools for fiscal year 2014 awards under the MBP and Equity Incentive Plan. To maintain flexibility in compensating executive officers in a manner designed to promote Company goals, however, the Committee has not adopted a policy requirement for all compensation to be deductible.

Annual Compensation of Executive Officers

Summary Compensation Table

In the tables and discussion below, we summarize the compensation earned during fiscal years 2012, 2013 and 2014 by our Chief Executive Officer, our Chief Financial Officer, and our three other most highly compensated executive officers who earned more than \$100,000 in total compensation for services rendered in all capacities during 2014, collectively referred to as the "named executive officers." No compensation information for Mr. Nadeau is presented for fiscal years 2012 and 2013 because he was not employed by the Company until 2014.

- (1) Titles during fiscal year 2014. Mr. Caswell was promoted to President of MAXIMUS effective October 1, 2014.
- (2) In connection with his appointment as our Chief Financial Officer and Treasurer in June 2014, Mr. Nadeau received a sign-on bonus of \$225,000, which is subject to repayment if he voluntarily terminates his employment or is terminated for cause within his first year of employment.
- (3) The amounts in this column reflect the aggregate grant date fair values, computed in accordance with FASB ASC Topic 718, of RSU awards granted during the applicable year under our 2011 Equity Incentive Plan. For each of the RSU awards, the grant date fair value is calculated using the closing price of our common stock on the grant date as if the awards were vested and issued on the grant date. The amounts shown disregard estimated forfeitures. There can be no assurance that these grant date fair values will ever be realized by the named executive officers.
- (4) The amounts in this column reflect annual cash incentive awards earned by our named executive officers. Mr. Nadeau joined the Company in June 2014 and therefore did not participate in the goal-setting process at the beginning of the year. His immediate goal upon hire was to achieve a seamless transition of the Chief Financial Officer role from Mr. Walker. Mr. Nadeau met that objective and was awarded a bonus of \$200,000.
- (5)

The amounts in this column reflect the Company match for 401(k) contributions and the value of dividend equivalents accrued on unvested RSUs. In 2014 all named executive officers received a 401(k) match of \$6,500 each except Mr. Nadeau who received a match of \$3,187. In addition, during 2014 the named executive officers received dividend equivalent shares in the following values: Mr. Montoni \$62,903, Mr. Caswell \$23,190; Mr. Nadeau \$808, Mr. Walker \$19,823, Mr. Piloti \$18,255 and Mr. Andrekovich \$13,547.

(6)

Mr. Walker served as Chief Financial Officer of the Company until Mr. Nadeau transitioned into that role in June 2014. Mr. Walker continued to serve as a full-time employee assisting with transition matters and special projects through the end of 2014. As of January 1, 2015, Mr. Walker became an at-will part-time employee.

Supplemental Discussion of Compensation

As described below, we have entered into employment agreements with Richard A. Montoni and Bruce L. Caswell. We have not entered into employment agreements with any of the other named executive officers. All compensation that we pay to our named executive officers is determined as described above in our "Compensation Discussion and Analysis" section.

In 2006, we entered into an Executive Employment, Non-Compete and Confidentiality Agreement with Mr. Montoni in connection with his recruitment and appointment as our Chief Executive Officer and President. The employment agreement originally had a four-year term, provided that it could be terminated (i) upon the mutual written consent of the parties, (ii) in the event of Mr. Montoni's death or inability to perform his duties for a continuous period of 120 days or more or (iii) by us for "cause," as defined in the Company's Income Continuity Plan. The agreement has been extended, and the current term continues until 2018. In 2014 Mr. Montoni's base salary was \$725,000, and he is eligible to receive an annual cash bonus under our MBP based on his and the Company's performance. Mr. Montoni's targeted bonus is 100% of his base salary. Mr. Montoni is also a participant in the Income Continuity

Table of Contents

Plan and is entitled to participate in equity award or similar plans that currently exist, or that may be established by us from time to time. His targeted equity award level is 2.5 times his base salary, and awards will continue to vest over their scheduled terms unless he is terminated for cause or resigns without good reason. No severance amounts are owed if Mr. Montoni's employment is terminated for cause. If Mr. Montoni's employment is terminated without cause, or Mr. Montoni terminates his employment for good reason, prior to the expiration of the term of the employment agreement, Mr. Montoni will be entitled to receive the greater of (i) base salary and all benefits described above for the remainder of the term, including the vesting of RSUs and stock options over their stated terms or (ii) the severance benefits specified in the severance guidelines adopted by our Compensation Committee in 2006 described below. The employment agreement subjects Mr. Montoni to confidentiality obligations, and contains certain customary non-compete restrictions on his present and future employment for a period of one year after his termination.

Mr. Caswell's agreement was effective as of October 1, 2004 and continued for a two-year term at which point it converted to a month-to-month term. Mr. Caswell's base salary for 2014 was \$450,000, and he is eligible to receive an annual cash bonus under our annual bonus program based on his and the Company's performance. Mr. Caswell's targeted bonus is 65% of his base salary. Mr. Caswell is also a participant in the Income Continuity Plan and is entitled to participate in equity award or similar plans that currently exist, or that may be established by us from time to time. No severance amounts are owed if Mr. Caswell's employment is terminated for cause. If Mr. Caswell's employment is terminated without cause, or Mr. Caswell terminates his employment for good reason, he would be entitled to receive a lump-sum severance payment equal to six months' base salary and the pro-rated portion of his current annual target bonus. The employment agreement also provides that Mr. Caswell will not compete with us during the term of his employment and for two years after its termination and that he will maintain our trade secrets in strict confidence.

- (1) These amounts reflect the potential range of payouts for threshold to superior performance levels (there is no maximum amount that may be paid) under the 2014 MBP. Actual amounts paid for 2014 performance are set forth in the Summary Compensation Table.
- (2) Threshold has been established at 50% of the executive's target bonus.
- (3) Each executive's target bonus is set as a percent of base pay as follows: Mr. Montoni 100%; Mr. Caswell 65%; Mr. Nadeau 65%; Mr. Walker 65%; Mr. Piloti 65% and Mr. Andrekovich 45%.
- (4) Superior has been established at 150% of the executive's target bonus; however, that amount does not constitute an upper limit and may be exceeded (as it was for 2014) if the Company achieves EPS above the superior level.
- (5) The amounts in this column reflect the aggregate grant date fair values, computed in accordance with FASB ASC Topic 718, of RSU awards awarded during the applicable year under our 2011 Equity Incentive Plan. For each of the RSU awards, the grant date fair value is calculated using the closing price of our common stock on the grant date as if these awards were vested and issued on the grant date. The amounts shown disregard estimated forfeitures.
- (6) Mr. Nadeau joined the Company in June 2014 and therefore did not participate in the goal-setting process at the beginning of the year.

Supplemental Discussion of Awards

Dividends are not paid on stock options. Dividends are paid on unvested RSUs in the form of additional RSUs. Those additional RSUs vest over the same period as the underlying awards on which they are paid. Once RSUs vest, they become shares of stock and are entitled to cash dividends and possess all other features of the Company's common stock. Stock options vest in equal annual installments over a four-year period. Before 2009, RSUs vested in equal annual installments over a six-year period. Beginning in 2009, RSU awards vest in equal installments over five years.

As noted above, Mr. Montoni and Mr. Caswell have employment agreements with the Company. The other named executive officers do not have employment agreements with the Company.

Supplemental Discussion of Deferred Compensation Plan

The MAXIMUS Deferred Compensation Plan is a non-tax-qualified, deferred compensation plan offered by the Company to certain highly-compensated employees including the named executive officers. A participant may elect to defer receipt of up to 80% of salary, 100% of bonus payments and any excess 401(k) Plan refunds. Participants may also defer receipt of all or a portion of their RSU awards. Participants choose from investment alternatives which are used to measure the gains or losses that will be attributed to the participant's deferral account over time. RSU awards are maintained as stock units and distributed only in the form of shares of the Company's stock. The Company does not match any deferrals or guarantee any earnings. As required by IRS regulations, deferral elections are made in a year prior to the year in which the compensation is earned. Elections for the distribution of deferrals may be made during employment as an in-service withdrawal, in a lump sum or installments upon termination of employment, or as a lump sum payment in the event of a change in control of the Company. Distribution elections may be changed in accordance with IRS rules. The Company funds the plan

Table of Contents

through variable universal life insurance. Participants in the plan are general creditors of the Company for payment of their deferral accounts. The plan has been amended to comply with Section 409A of the Internal Revenue Code.

Potential Payments upon Termination

The Compensation Committee has adopted severance guidelines that would apply to executive officers in the event of a lay off or termination of employment for reasons other than cause (and not in connection with a change of control of the Company). The guidelines provide for the following benefits in exchange for a release by the executive of all claims against the Company:

a severance amount equal to one times (two times in the case of the CEO) an executive's base salary plus the lesser of his/her target bonus or previous year's actual bonus;

one year's worth of executive-level outplacement services;

benefits continuation for one year;

unvested stock options and restricted stock units (RSUs) shall generally be forfeited; however, the Compensation Committee retains discretion to approve continued or accelerated vesting, with the expectation that such discretion shall be exercised rarely;

executives with written agreements or offer letters that address severance shall be entitled to whatever higher level of compensation and benefits might be set forth in those documents.

The cash payments, and continued RSU vesting in the case of Mr. Montoni, for each of the named executive officers, if his employment had been terminated at the end of fiscal year 2014 for reasons other than cause (and not in connection with a change of control of the Company), are reflected in the table below. Each amount reflects his 2014 salary and target bonus and includes an estimated amount for continued employee benefits and outplacement services, as described above.

Name	Cash-Based		Equity-Based		Total Pre-Tax Benefit (\$)
	Cash Severance (\$)	Misc. Benefits (\$)(1)	Total Cash-Based (\$)	Stock-Based Awards (\$)	
Richard A. Montoni	2,900,000	65,000	2,965,000	7,343,910(2)	10,308,910

Mark S. Andrekovich	572,750	65,000	637,750	0	637,500

- (1) The miscellaneous benefits amount includes an estimated \$50,000 intended for outplacement services. It also includes 12 months worth of employee benefits which include medical, dental, life insurance, and disability benefits made available to an executive (and his or her eligible dependents) prior to termination.
- (2) Mr. Montoni's employment agreement provides for the continued vesting of his RSUs over their remaining terms if his employment is terminated without cause.
- (3) Mr. Walker was not eligible for severance payments under these guidelines as of September 30, 2014.

Potential Payments upon Change of Control Involving Employment Termination

In 2006, the Compensation Committee also adopted an Income Continuity Program for our executive officers. The program provides each participant with compensation, benefits and rights if the following events occur:

we terminate the participant's employment without "cause," or a participant resigns for "good reason," within 36 months following a "change of control" (as each of those terms is defined in the program); or

Table of Contents

the participant's employment is terminated one year prior to a change of control at the request of a party involved in such change of control, or otherwise in connection with or in anticipation of a change of control.

This program is a "double-trigger" program meaning there must be both a change of control and a termination of a participant's employment for any benefits to be payable. The compensation, benefits and rights to which a participant would be entitled include the following items:

a lump sum cash payment equal to the sum of (i) any unpaid salary through the date of termination, (ii) any bonus earned but unpaid as of the date of termination for any previously completed year, (iii) reimbursement for any unreimbursed expenses incurred prior to the date of termination, and (iv) an amount equal to 200% (300% in the case of the Chief Executive Officer) of his or her base salary and bonus (which is defined as the higher of the individual's target bonus or the average of the actual bonuses paid over the previous three years);

the vesting of any unvested stock options, RSUs or similar equity incentives that are outstanding on the date of termination;

continued eligibility for employee benefits for a period of 24 months (36 months in the case of the Chief Executive Officer) following the date of termination; and

a lump sum, payable within ten days following the date of termination, equal to \$50,000, which is intended for outplacement and financial planning services.

The program also provides for the continuation of indemnification and directors' and officers' liability insurance coverage as permitted by law and the potential reimbursement of the participant's costs and expenses in connection with any legal proceedings relating to the program.

The initial term of the program continued until December 31, 2009 with automatic one-year renewals commencing on December 31, 2009 and each December 31 thereafter, unless we notify participants no later than October 31 of a particular year that we will not extend the program. The program nevertheless will remain in effect for not less than three years following a change of control.

The total pre-tax benefit for each of the named executive officers is reflected in the table below as if his employment had been terminated at the end of fiscal year 2014 following a change in control. Each amount includes an estimate for continued employee benefits and outplacement and financial planning services, as described above.

The total pre-tax benefit for each of the named executive officers is reflected in the table below as if there were a change of control of the Company (not involving termination of employment) or the death of the executive at the end of fiscal year 2014.

Fees Payable to Non-Employee Directors

The director compensation for fiscal year 2014 as shown in the chart above is comprised of the following elements. Directors who are also MAXIMUS employees do not receive additional compensation for their services as directors.

A \$65,000 annual retainer (at least \$42,500 of which must be received in RSUs), and a fee of \$2,500 for each board and committee meeting in which they participate.

Mr. Pond received an additional \$125,000 retainer for his services as Chairman of the Board and an additional \$20,000 retainer for his services as Chairman of the Audit Committee.

Mr. Ruddy received an additional \$35,000 retainer for his services as Vice Chairman of the Board.

Table of Contents

Dr. Seymann received an additional \$15,000 retainer for her services as Chair of the Compensation Committee.

Mr. Haley received an additional \$10,000 retainer for his services as the prior Chair of the Nominating and Governance Committee.

Directors may elect to receive all or a portion of their cash fees in RSUs granted under our 2011 Equity Incentive Plan.

Any director who is not a MAXIMUS employee is also eligible to receive an annual grant of RSUs. That grant is equal to the lesser of 4000 RSUs or \$160,000 based on the current value of the Company's stock. During fiscal year 2014, the eligible directors were Mr. Beliveau, Mr. Haley, Mr. Lederer, Mr. Pond, Mr. Ruddy, Dr. Seymann, Mr. Thompson and Mr. Webb. RSU awards granted to our non-employee directors vest after one year; however, all of our directors have elected to defer receipt of shares for their RSUs over periods ranging from three years to termination of service on the board of directors.

From time to time, the Board may establish special committees to oversee particular matters. Directors receive \$2,500 per special committee meeting.

We also permit our directors to participate in the health plan that we offer to our employees, although each director who elects to participant must pay the full cost of his or her own premiums in the plan. Currently, Mr. Beliveau, Mr. Pond and Mr. Ruddy are participants in this plan.

Director Equity Ownership Requirements

Directors are required to hold equity in the Company equal to at least five times their annual retainer. For these purposes, "equity" consists of shares owned directly by the director and the "in-the-money" value of vested stock options. Including shares whose receipt has been deferred for tax purposes, all of our directors met the ownership requirement as of the end of fiscal year 2014.

**CERTAIN RELATIONSHIPS
AND RELATED PERSON TRANSACTIONS**

Our Audit Committee is responsible for approving related party transactions, as defined in applicable rules promulgated by the SEC. For the fiscal year 2014, the Company did not have any related party transactions.

**PROPOSAL 2 ADVISORY VOTE TO APPROVE THE COMPENSATION
OF THE NAMED EXECUTIVE OFFICERS**

We are requesting your advisory (non-binding) approval of the compensation of our named executive officers as disclosed in the Compensation Discussion and Analysis (beginning on page 16 above), the compensation tables (beginning on page 27 above), and any related material contained in this proxy statement. We are providing this vote as required under the Dodd-Frank Wall Street Reform and Consumer Protection Act. This proposal, commonly known as a "Say-on-Pay" proposal, gives shareholders the opportunity to endorse or not endorse our executive pay program and policies through the following resolution:

"Resolved, that the shareholders approve, on an advisory basis, the compensation of our named executive officers, as disclosed in the Compensation Discussion and Analysis, the compensation tables and any related material contained in this proxy statement."

Discussion

We believe that our compensation policies and procedures, which are reviewed and approved by the Compensation Committee, encourage a culture of pay for performance and are closely aligned with the long-term interests of the Company and its shareholders. MAXIMUS has been successful in attracting and retaining highly-qualified executives who helped the Company deliver record EPS in 2014, and that performance is reflected in the value of our stock.

The Compensation Committee evaluates the Company's compensation practices regularly to ensure that those practices are both responsible and properly aligned with the long-term interests of our owners. Those practices include:

- substantial emphasis on performance-based incentive compensation 78% of the target compensation of Mr. Montoni, 66% of the target compensation of Messrs. Caswell, Nadeau, Walker and Piloti, and 63% of the target compensation of Mr. Andrekovich is variable, at-risk compensation
- no guarantees of salary increases, bonuses or equity awards
- modest executive benefits and perquisites
- no extraordinary relocation benefits (including home buy-outs)
- no repricing of stock options without mandatory shareholder consent
- payments under the Income Continuity Program based on a "double trigger" (i.e., a change in control coupled with a termination of employment) and no tax "gross-up"
- equity ownership requirements for directors and executive officers
- reasonable "burn rate" for equity awards
- overall compensation in line with that of comparable companies.

The affirmative vote of a majority of the shares voted in person or by proxy at the Annual Meeting is required for adoption of Proposal No. 2. If you sign and return your proxy card, the proxy holders will vote "for" Proposal No. 2 unless you mark your proxy card otherwise.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THE COMPENSATION DISCUSSION AND ANALYSIS, THE COMPENSATION TABLES AND ANY RELATED MATERIAL CONTAINED IN THIS PROXY STATEMENT.
