Our Director Nominees

You are being asked to vote on the election of Seth H.Z Fischer and William T. McKee as Class II directors to serve, each for a three-year term, expiring at our 2022 Annual Meeting of Stockholders. The number of members of our Board is currently set at seven members and is divided into three classes, each of which has a three-year term. Class I consists of three directors, and both of Class II and Class III consist of two directors.

The term of office of our Class II directors expires at the Annual Meeting. We are nominating Seth H.Z Fischer and William T. McKee for re-election at the Annual Meeting to serve until the 2022 Annual Meeting of Stockholders and until their successors, if any, are elected or appointed, or their earlier death, resignation, retirement, disqualification or removal. Directors are elected by a plurality of the votes cast by our shareholders at the Annual Meeting. The three nominees receiving the most FOR votes (among votes properly cast in person or by proxy) will be elected. If no contrary indication is made, shares represented by executed proxies will be voted FOR the election of Seth H.Z Fischer and William T. McKee. Each nominee has agreed to serve as a director if elected, and we have no reason to believe that any nominee will be unable to serve.

PROXY STATEMENT FOR 2019 ANNUAL MEETING OF STOCKHOLDERS

This proxy statement is furnished in connection with the solicitation of proxies by our board of directors for use at the 2019 Annual Meeting of Stockholders, or Annual Meeting, to be held at 9:00 a.m. local time on Thursday, June 6, 2019, and any postponements or adjournments thereof. The Annual Meeting will be held at the Princeton Marriott at Forrestal, 100 College Road East, Princeton, NJ 08540. As used in this proxy statement, the terms "Agile," "we," "us," and "our" mean Agile Therapeutics, Inc. unless the context indicates otherwise.

QUESTIONS AND ANSWERS ABOUT PROCEDURAL MATTERS

Annual Meeting

Q: Why am I receiving these proxy materials?

A: Our board of directors is providing these proxy materials to you in connection with the solicitation of proxies for use at the Annual Meeting to be held on Thursday, June 6, 2019 at 9:00 a.m. local time, and at any adjournment or postponement thereof, for the purpose of considering and acting upon the matters set forth herein. We intend to mail the notice of Annual Meeting, this proxy statement, accompanying form of proxy card, and our 2018 Annual Report on Form 10-K to you on or about April 25, 2019. This proxy statement includes information that we are required to provide to you by the Securities and Exchange Commission, or the SEC, and that is designed to assist you in voting your shares.

Q: What is included in the proxy materials?

A: The proxy materials include:

This proxy statement for the Annual Meeting;

Our 2018 Annual Report to Stockholders, which consists of our Annual Report on Form 10-K for the year ended December 31, 2018; and

The proxy card or a voting instruction form for the Annual Meeting, if you have requested that the proxy materials be mailed to you.

Q: How can I get electronic access to the proxy materials?

A: The Company's proxy materials are available at www.proxyvote.com and at www.agiletherapeutics.com. Our website address is included for reference only. The information contained on our website is not incorporated by reference into this proxy statement.

You can find directions on how to instruct us to send future proxy materials to you by email at www.proxyvote.com. Choosing to receive future proxy materials by email will save us the cost of printing and mailing documents to you and will reduce the impact of our annual meetings on the environment. If you choose to receive future proxy materials by email, you will receive an email message next year with instructions containing a link to those materials and a link to the proxy voting website. Your election to receive proxy

materials by email will remain in effect until you terminate it.

Table of Contents

Q: What information is contained in this proxy statement?

A: The information in this proxy statement relates to the proposals to be voted on at the Annual Meeting, the voting process, the compensation of our directors and certain of our executive officers, corporate governance, and certain other required information.

Q: Where is the Annual Meeting?

A: The Annual Meeting will be held at the Princeton Marriott at Forrestal, 100 College Road East, Princeton, NJ 08540.

Q: Can I attend the Annual Meeting?

A: You are invited to attend the Annual Meeting if you were a stockholder of record or a beneficial owner as of April 17, 2019, or the Record Date. Admission will begin at 8:30 a.m. local time on the date of the Annual Meeting, and you must present valid picture identification such as a driver's license or passport and, if asked, provide proof of stock ownership as of the Record Date. The use of mobile phones, pagers, recording or photographic equipment, tablets and/or computers is not permitted at the Annual Meeting. The meeting will begin promptly at 9:00 a.m. local time.

Stock Ownership

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: *Stockholders of record* If your shares are registered directly in your name with our transfer agent, Broadridge Corporate Issuer Solutions, Inc., you are considered, with respect to those shares, the "stockholder of record," and the proxy materials were provided to you directly by us. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote in person at the Annual Meeting.

Beneficial owners Many Agile stockholders hold their shares through a broker, trustee or other nominee, rather than directly in their own name. If your shares are held in a brokerage account or by a bank or another nominee, you are considered the "beneficial owner" of shares held in "street name." The proxy materials were forwarded to you by your broker, trustee or nominee who is considered, with respect to those shares, the stockholder of record.

As the beneficial owner, you have the right to direct your broker, trustee or nominee on how to vote your shares. Beneficial owners are also invited to attend the Annual Meeting. However, since beneficial owners are not stockholders of record, you may not vote your shares in person at the Annual Meeting unless you follow your broker's procedures for obtaining a legal proxy. If you request a printed copy of the proxy materials by mail, your broker or nominee will provide a voting instruction card for you to use.

Quorum and Voting

Q: How many shares must be present or represented to conduct business at the Annual Meeting?

A: A quorum is the minimum number of shares required to be present at the Annual Meeting for the meeting to be properly held under our amended and restated bylaws and the Delaware General Corporation Law, or the DGCL. The presence, in person or by proxy, of a majority of the aggregate voting power of the issued and outstanding shares of stock entitled to vote at the Annual Meeting will constitute a quorum at the meeting.

A proxy submitted by a stockholder may indicate that the shares represented by the proxy are not being voted, referred to as stockholder withholding with respect to a particular matter.

Table of Contents

Under the DGCL, abstentions and broker "non-votes" are counted as present and entitled to vote and are, therefore, included for purposes of determining whether a quorum is present at the Annual Meeting.

A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. The following table summarizes how broker non-votes and abstentions are treated with respect to our proposals:

Proposals	Votes Required	Treatment of Abstentions and Broker Non-Votes	Broker Discretionary Voting
1: Election of Class II Directors for Three Year Term Expiring in 2022	Plurality of the votes cast	Abstentions and broker non-votes will not be taken into account in determining the outcome of the proposal	No
2: Ratification of Appointment of Ernst & Young LLP as our Independent Registered Public Accounting Firm for 2019	Majority of the share cast on the proposal in person or represented by proxy	Abstentions will have the effect of negative votes; broker non-votes will have no effect on the outcome of the proposal	Yes

Q: Who is entitled to vote at the Annual Meeting?

A: Holders of record of our common stock at the close of business on the Record Date are entitled to receive notice of and to vote their shares at the Annual Meeting. As of the Record Date, we had 43,631,404 shares of common stock outstanding. In deciding all matters at the Annual Meeting, each holder of common stock of Agile will be entitled to one vote for each share of common stock held as of the close of business on the Record Date. We do not have cumulative voting rights for the election of directors.

Q: How can I vote my shares in person at the Annual Meeting?

A: Shares held in your name as the stockholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person at the Annual Meeting only if you obtain a legal proxy from the broker, trustee or other nominee that holds your shares giving you the right to vote the shares. **Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy card, if you have requested one, or follow the voting directions described below, so that your vote will be counted if you later decide not to attend the Annual Meeting.**

Table of Contents

Q: How can I vote my shares without attending the Annual Meeting?

A: *Stockholder of record* If you are a stockholder of record, there are three ways to vote without attending the Annual Meeting:

Mailing your signed proxy card or voter instruction card in the envelope provided.

Using the Internet at www.proxyvote.com.

Calling toll-free from the United States, U.S. territories and Canada to the number found on the proxy card.

Beneficial owners If you are a beneficial owner holding shares through a bank, broker or other nominee, please refer to information forwarded by your bank or broker to see which voting options are available to you.

Q: What proposals will be voted on at the Annual Meeting?

A: At the Annual Meeting, stockholders will be asked to vote:

- 1) To elect the two directors identified in this proxy statement to serve as Class II directors until the Annual Meeting held in 2022 and until their successors are duly elected and qualified;
- 2) To ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2019; and
- 3) To transact such other business as may properly come before the Annual Meeting or any adjournment thereof.

Q: What is the voting requirement to approve each of the proposals?

A: *Proposal One* The election of a director requires a plurality vote of the shares of common stock voted at the Annual Meeting. "Plurality" means that the individual who receives the largest number of votes cast "for" is elected as a director, however, a nominee is not required to receive a majority of votes "for". As a result, any shares not voted "for" the nominee (whether as a result of stockholder withholding or a broker non-vote) will not be counted in the nominee's favor.

Proposal Two The affirmative vote of a majority of votes cast is required to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2019. Abstentions will have the effect of a vote against this proposal and broker non-votes will have no effect on the outcome of this proposal.

Q: How does the board of directors recommend that I vote?

A: Our board of directors unanimously recommends that you vote your shares:

"FOR" the nominees for election as directors listed in Proposal One; and

"FOR" the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2019.

Table of Contents

Q: What happens if I do not give specific voting instructions?

A: *Stockholder of record* If you are a stockholder of record and you:

Indicate when voting on the Internet or by telephone that you wish to vote as recommended by our board of directors; or

Sign and return a proxy card without giving specific voting instructions,

then the persons named as proxy holders will vote your shares in the manner recommended by our board of directors on all matters presented in this proxy statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Beneficial owners If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions then, under applicable rules, the organization that holds your shares may generally vote on "routine" matters but cannot vote on "non-routine" matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, that organization will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is generally referred to as a "broker non-vote."

Q: How may my brokerage firm or other intermediary vote my shares if I fail to provide timely directions?

A: Brokerage firms and other intermediaries holding shares of common stock in street name for customers are generally required to vote such shares in the manner directed by their customers. In the absence of timely directions, your broker will have discretion to vote your shares on our sole routine matter the proposal to ratify the appointment of Ernst & Young LLP. Your broker will not have discretion to vote on the election of directors. Please also see the voting summary table on page 3.

Please note that brokers may not vote your shares on the election of directors in the absence of your specific instructions as to how to vote, so we encourage you to provide instructions to your broker regarding the voting of your shares.

Q: What happens if additional matters are presented at the Annual Meeting?

A: If any other matters are properly presented for consideration at the Annual Meeting, including, among other things, consideration of a motion to adjourn the Annual Meeting to another time or place (including, without limitation, for the purpose of soliciting additional proxies), the persons named in the proxy card and acting thereunder will have discretion to vote on those matters in accordance with their best judgment. We do not currently anticipate that any other matters will be raised at the Annual Meeting.

Q: Can I change or revoke my vote?

A: Subject to any rules your broker, trustee or nominee may have, you may change your proxy instructions at any time before your proxy is voted at the Annual Meeting.

If you are a stockholder of record, you may change your vote by (1) filing with our Corporate Secretary, prior to your shares being voted at the Annual Meeting, a written notice of revocation or a duly executed proxy card, in either case dated later than the prior proxy card relating to the same shares, or (2) by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not, by itself, revoke a proxy). A stockholder of record that has voted on

Table of Contents

the Internet or by telephone may also change his or her vote by later making a timely and valid Internet or telephone vote.

If you are a beneficial owner of shares held in street name, you may change your vote (1) by submitting new voting instructions to your broker, trustee or other nominee; (2) if you have obtained a legal proxy from the broker, trustee or other nominee that holds your shares giving you the right to vote the shares, by attending the Annual Meeting and voting in person; or (3) filing with our Corporate Secretary, prior to your shares being voted at the Annual Meeting, a written notice of revocation or a duly executed proxy card, in either case dated later than the prior proxy card relating to the same shares.

Any written notice of revocation or subsequent proxy card must be received by our Corporate Secretary prior to the taking of the vote at the Annual Meeting. Such written notice of revocation or subsequent proxy card should be hand delivered to our Corporate Secretary or should be sent so as to be delivered to our principal executive offices, Attention: Corporate Secretary.

Q: Who will bear the cost of soliciting votes for the Annual Meeting?

A: We will bear all expenses of this solicitation, including the cost of preparing and mailing these proxy materials. We may reimburse brokerage firms, custodians, nominees, fiduciaries and other persons representing beneficial owners of common stock for their reasonable expenses in forwarding solicitation material to such beneficial owners. Directors, officers and employees of Agile may also solicit proxies in person or by other means of communication. Such directors, officers and employees will not be additionally compensated but may be reimbursed for reasonable out-of-pocket expenses in connection with such solicitation. We may engage the services of a professional proxy solicitation firm to aid in the solicitation of proxies from certain brokers, bank nominees and other institutional owners. Our costs for such services, if retained, will not be significant. If you choose to access the proxy materials and/or vote through the Internet, you are responsible for any Internet access charges you may incur.

Q: Is my vote confidential?

A: Proxy instructions, ballots, and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Agile or to third parties, except as necessary to meet applicable legal requirements, to allow for the tabulation of votes and certification of the vote, or to facilitate a successful proxy solicitation.

Q: Where can I find the voting results of the Annual Meeting?

A: We intend to announce preliminary voting results at the Annual Meeting and will publish final results in a current report on Form 8-K within four business days after the Annual Meeting.

Stockholder Proposals and Director Nominations

Q: What is the deadline to propose actions for consideration at next year's annual meeting of stockholders or to nominate individuals to serve as directors?

A: You may submit proposals, including director nominations, for consideration at future stockholder meetings.

Requirements for stockholder proposals to be considered for inclusion in our proxy materials Stockholders may present proper proposals for inclusion in our proxy statement and for consideration at our next annual meeting of stockholders by submitting their proposals in writing to our Corporate Secretary in a timely manner. In order to be included in the proxy statement for the 2020 annual meeting of stockholders, stockholder proposals must be received by our Corporate

Table of Contents

Secretary no later than December 26, 2019 and must otherwise comply with the requirements of Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the Exchange Act).

Requirements for stockholder proposals to be brought before an annual meeting In addition, our amended and restated bylaws establish an advance notice procedure for stockholders who wish to present certain matters before an annual meeting of stockholders. In general, nominations for the election of directors may be made by our board of directors or any committee thereof or any stockholder, who is a stockholder of record on the date of the giving of such notice and on the record date for the determination of stockholders entitled to vote at such meeting, who is entitled to vote at such meeting and who has delivered written notice to our Corporate Secretary no later than the Notice Deadline (as defined below), which notice must contain specified information concerning the nominees and concerning the stockholder proposing such nominations.

Our amended and restated bylaws also provide that the only business that may be conducted at an annual meeting is business that is (1) specified in the notice of meeting (or any supplement thereto) given by or at the direction of our board of directors, (2) otherwise properly brought before the meeting by or at the direction of our board of directors (or any committee thereto) or (3) properly brought before the meeting by a stockholder who has delivered written notice to our Corporate Secretary no later than the Notice Deadline (as defined below).

The "Notice Deadline" is defined in our amended and restated bylaws as that date which is not less than 120 days nor more than 150 days prior to the one-year anniversary of the previous year's annual meeting of stockholders. As a result, the Notice Deadline for the 2020 annual meeting of stockholders is between January 7, 2020 and February 6, 2020.

If a stockholder who has notified us of his or her intention to present a proposal at an annual meeting does not appear to present his or her proposal at such meeting, we need not present the proposal for vote at such meeting.

Recommendation of director candidates You may recommend candidates to our board of directors for consideration by our nominating and governance committee by following the procedures set forth below in "Corporation Governance Stockholder Communications with the Board of Directors."

Q: How may I obtain a copy of the bylaw provisions regarding stockholder proposals and director nominations?

A: A copy of the full text of the bylaw provisions discussed above may be obtained by writing to our Corporate Secretary. In addition, this and other information about our company may be obtained at the website maintained by the SEC that contains reports, proxy and information statements, and other information regarding registrants that file electronically with the SEC. The address of the SEC's website is www.sec.gov. All notices of proposals by stockholders, whether or not included in Agile's proxy materials, should be sent to our principal executive offices, Attention: Corporate Secretary.

Additional Information about the Proxy Materials

Q: What does it mean if multiple members of my household are stockholders, but we only received one full set of proxy materials in the mail?

A: We have adopted a procedure called "householding," which the SEC has approved. Under this procedure, we deliver a single copy of the notice of the Annual Meeting and the proxy materials to multiple stockholders who share the same address unless we received contrary instructions from one or more of the stockholders. This procedure reduces our printing costs, mailing costs, and fees and is beneficial for the environment. Stockholders who participate in householding will continue

Table of Contents

to be able to access and receive separate proxy cards. Upon written request, we will deliver promptly a separate copy of the notice of the Annual Meeting and the proxy materials to any stockholder at a shared address to which we delivered a single copy of any of these documents. To receive a separate copy of the notice of the Annual Meeting and the proxy materials, stockholders should send their requests to our principal executive offices, Attention: Corporate Secretary. Stockholders who hold shares in street name (as described below) may contact their brokerage firm, bank, broker-dealer, or other similar organization to request information about householding.

Q: What is the mailing address for Agile's principal executive offices?

A: Our principal executive offices are located at 101 Poor Farm Road, Princeton, NJ 08540. The telephone number at that location is (609) 683-1880.

Any written requests for additional information, copies of the proxy materials and 2018 Annual Report, notices of stockholder proposals, recommendations for candidates to our board of directors, communications to our board of directors or any other communications should be sent to the address above.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON JUNE 6, 2019.

Table of Contents

**PROPOSAL ONE
ELECTION OF DIRECTORS**

General

Our board of directors may establish the authorized number of directors from time to time by resolution. Our board of directors is currently comprised of seven members who are divided into three classes with staggered three-year terms. A director serves in office until his or her respective successor is duly elected and qualified or until his or her earlier death or resignation. This classification of the board of directors into three classes with staggered three-year terms may have the effect of delaying or preventing changes in our control or management. The term of office of our Class II directors, Seth H.Z. Fischer and William T. McKee will expire at this year's Annual Meeting. Your proxy cannot be voted for a greater number of persons than the number of nominees named in this proxy statement.

Nominees

Two Class II directors have been nominated for election at the Annual Meeting for a three-year term expiring in 2022. Upon the recommendation of our nominating and governance committee, our board of directors has nominated Seth H.Z. Fischer and William T. McKee for election as Class II directors. The term of office of the nominees elected as directors will continue until such director's term expires in 2022, and until such director's successor has been duly elected and qualified.

Information Regarding the Nominees and Other Directors

CORPORATE GOVERNANCE

Corporate Governance Materials and Practices

Our written corporate governance materials, including our Bylaws, Corporate Governance Guidelines, Code of Business Conduct and Ethics, Audit Committee Charter, Compensation Committee Charter, Nominating and Corporate Governance Committee Charter, and Science and Technology Committee Charter are posted on our website at www.agiletherapeutics.com under the heading "Investor Relations Corporate Governance." Our corporate governance practices include the following:

Our board of directors has a Lead Independent Director, and all of our non-employee directors and board committee members are independent.

Our board of directors oversees succession planning for executive officers, including the Chief Executive Officer.

Directors have access to all levels of management and are provided with opportunities to meet with members of management on a regular basis.

Directors may retain their own independent advisors at our expense.

Our board of directors and each committee thereof conduct self-evaluations at least once per year to assess their performance and ways in which performance could be improved.

Our board of directors addresses the importance of incorporating new viewpoints through the director evaluation and nomination process. Our director composition reflects a mix of tenure on our board of directors (ranging from 3 years to 9 years), which we believe provides an effective balance of historical perspective and an understanding of the evolution of the Company with fresh perspectives and insights.

Code of Business Conduct and Ethics

Our board of directors has adopted a code of business conduct and ethics. The code of business conduct and ethics applies to all of our employees, officers and directors. The full text of our code of business conduct and ethics is posted on our website at www.agiletherapeutics.com. We intend to disclose, to the extent required by applicable rules and regulations, future amendments to, or waiver of, our code of business conduct and ethics, at the same location on our website identified above and also in public filings we will make with the SEC. Information contained on our website is not incorporated by reference into this proxy, and you should not consider information contained on our website to be part of this proxy or in deciding whether to purchase shares of our common stock.

Board Composition

Our business affairs are managed under the direction of our board of directors, which is currently composed of seven members. Six of our seven directors are independent within the meaning of the listing rules of the Nasdaq Capital Market, or Nasdaq. Our board of directors is divided into three classes with staggered three-year terms. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election. As a result, only one class of directors will be elected at each annual meeting of our stockholders, with the other classes continuing for the remainder of their respective three-year terms. Each director's term continues until the election and qualification of his or her successor, or the earlier of his or her death, resignation or removal. The classification of our board of directors may have the effect of delaying or preventing changes in our control or management.

Table of Contents

Director Independence

Our common stock is listed on Nasdaq. The listing rules of this stock exchange generally require that a majority of the members of a listed company's board of directors be independent. In addition, the rules of Nasdaq require that, subject to specified exceptions, each member of a listed company's audit, compensation, and nominating and corporate governance committees be independent. The Nasdaq director independence definition includes a series of objective tests, such as that the director is not also one of our employees and has not engaged in various types of business dealings with us. In addition, as further required by Nasdaq rules, our board of directors has made a subjective determination as to each independent director that no relationships exist, which, in the opinion of our board of directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, our directors reviewed and discussed information provided by the directors and us with regard to each director's business and personal activities as they may relate to us and our management.

Our board of directors has determined that none of our non-employee directors has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is "independent" as that term is defined under Nasdaq rules. The independent members of our board of directors hold separate regularly scheduled executive session meetings at which only independent directors are present.

Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Exchange Act. In order to be considered independent for purposes of Rule 10A-3, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee, accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the listed company or any of its subsidiaries; or be an affiliated person of the listed company or any of its subsidiaries. Each of the members of our audit committee, William T. McKee, John Hubbard, Ph.D., FCP, and Abhijeet Lele qualify as an independent director pursuant to Rule 10A-3.

Board Leadership Structure

Al Altomari is the Chairman of our board of directors and Abhijeet Lele is our Lead Independent Director. Our Lead Independent Director chairs the executive sessions of our board of director meetings, oversees the board of directors' annual self-evaluation process, provides feedback to the chief executive officer, and works with the chief executive officer to set agendas for board meetings. We have a separate chair for each committee of our board of directors, all of whom are independent directors. The chairs of each committee report on the activities of their committees in fulfilling their responsibilities at the meetings of our board of directors.

Our board of directors has concluded that our current leadership structure is appropriate at this time. However, our board of directors will continue to periodically review our leadership structure and may make such changes in the future as it deems appropriate.

Board Committees

Our board of directors has established an audit committee, a compensation committee, a nominating and corporate governance committee, and a science and technology committee, each of which operates pursuant to a charter adopted by our board of directors. The composition and functioning of all of our committees complies with all applicable requirements of the Sarbanes-Oxley Act of 2002, Nasdaq and SEC rules and regulations.

Audit committee. Mr. McKee, Dr. Hubbard and Mr. Lele currently serve on the audit committee, which is chaired by Mr. McKee. Our board of directors has determined that each member of the audit

The audit committee operates under a written charter that satisfies the applicable standards of the SEC and Nasdaq and which is available on our website at www.agiletherapeutics.com. Certain of our executive officers may provide information and assist our compensation committee in carrying out its functions, however, the Committee considers potential compensation actions and makes decisions independently. Our compensation committee has engaged the services of Pay Governance LLC, a compensation consulting firm, to advise the compensation committee regarding the amount and types of compensation that we provide to our executives and directors and how our compensation practices compared to the compensation practices of other companies. Pay Governance LLC reports directly to the compensation committee. Pay Governance LLC does not provide any services to us other than the services provided to the compensation committee. The compensation committee believes that Pay Governance LLC does not have any conflicts of interest in advising the compensation committee under applicable SEC rules or Nasdaq listing standards.

Nominating and corporate governance committee. Mr. Lele, Dr. Shetty and Mr. Fischer currently serve on the nominating and corporate governance committee, which is chaired by Mr. Lele. Our board of directors has determined that each member of the nominating and corporate governance committee is "independent" as defined in applicable Nasdaq rules. Meetings of the Board of Directors

The full board of directors met thirteen (13) times during the year ended December 31, 2018. No director attended fewer than 75% of the total number of meetings of the board of directors and of any committees of the board of directors of which he or she was a member during our year ended December 31, 2018.

It is our policy that directors are invited and encouraged to attend our annual meetings of stockholders. We have scheduled our Annual Meeting on the same day as a regularly scheduled board of directors meeting in order to facilitate attendance by the members of our board of directors. All of our directors at the time of our 2018 annual meeting of stockholders attended the 2018 annual meeting of stockholders.

Board Oversight of Risk

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including risks relating to our operations, strategic direction and intellectual property as more fully discussed under "Risk Factors" in our Annual Report on Form 10-K. Management is responsible for the day-to-day management of risks we face, while our board of directors, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, our board of directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed.

The role of the board of directors in overseeing the management of our risks is conducted primarily through committees of the board of directors, as disclosed in the descriptions of each of the committees above and in the charters of each of the committees. For example, our audit committee is responsible for overseeing the management of risks associated with our financial reporting, accounting and auditing matters, regulatory and legal compliance, and cyber-security; our compensation committee oversees major risks associated with our compensation policies and programs; and our nominating and governance committee oversees the management of risks associated with director independence, conflicts of interest, composition and organization of our board of directors and director succession planning. The full board of directors (or the appropriate board committee in the case of risks that are under the purview of a particular committee) discusses with management our major risk exposures, their potential impact on Agile, and the steps we take to manage them. When a board committee is responsible for evaluating and overseeing the management of a particular risk or risks, the chairman of the relevant committee reports on the discussion to the full board of directors during the committee reports portion of the next board meeting. This enables the board of directors and its committees to coordinate the risk oversight role, particularly with respect to risk interrelationships.

Director Nomination Process

In considering whether to recommend any candidate for inclusion in our board of directors' slate of recommended directors, including candidates recommended by stockholders, the nominating and corporate governance committee applies a certain set of criteria, including, but not limited to, the candidate's integrity, business acumen, experience, commitment, diligence, conflicts of interest and the ability to act in the interests of all stockholders. We believe that the value of diversity on the board should be considered by the nominating and corporate governance committee in the director identification and nomination process. The committee seeks nominees with a broad diversity of experience, professions, skills, geographic representation and backgrounds. The committee does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. We believe that the backgrounds and qualifications of the directors, considered as a group, should provide a significant breadth of experience, knowledge and abilities that will allow

Table of Contents

the Board of Directors to fulfill its responsibilities. Nominees are not discriminated against on the basis of race, religion, national origin, sex, sexual orientation, disability or any other basis proscribed by law or Company policy.

Stockholders may also nominate persons to be elected as directors. Our nominating and corporate governance committee will consider director candidates recommended by our stockholders, in accordance with our bylaws. If a stockholder wishes to nominate a person for election as director, he or she must follow the procedures contained in our bylaws. In evaluating candidates recommended by our stockholders, our nominating and corporate governance committee applies the same criteria as discussed above. To nominate a person to stand for election as a director, a stockholder must provide our Secretary with timely notice of the nomination and the notice must include the information required by Section 2.4 of our bylaws.

Director Compensation

During our fiscal year ended December 31, 2018, we paid cash fees and granted options to purchase shares of our common stock to our non-employee directors who served on our board of directors. A non-employee director is a director who is not employed by us and who does not receive compensation from us (other than for services as a director) or has a business relationship with us that would require disclosure under certain SEC rules. Mr. Altomari, our chief executive officer and a member of our board of directors, did not receive any compensation from us during our fiscal year ended December 31, 2018 for his service as a director and is not included in the table below.

In accordance with SEC rules, this column reflects the aggregate grant date fair value of the option awards granted computed in accordance with Financial Accounting Standard Board Accounting Codification Topic 718 for stock-based compensation transactions (ASC 718). Assumptions used in the calculation of these amounts are included in Note 9 to our financial statements in our Annual Report on Form 10-K for the year ended December 31, 2018. These amounts do not reflect the actual economic value that will be realized by the director upon the vesting of the stock options, the exercise of the stock options, or the sale of the common stock underlying such stock options.

As of December 31, 2018, our non-employee directors held the following aggregate number of shares under outstanding stock options (representing unexercised option awards both exercisable and unexercisable) and unvested restricted stock unit awards:

Non-Employee Director Compensation

For 2018, each member of our board of directors who is not an employee of Agile received the following cash compensation for board services, as applicable:

\$40,000 per year for service as a board of directors member;

\$20,000 per year for service as lead independent director;

\$15,000 per year for service as chairman of the audit committee;

\$12,500 per year for service as chairman of the compensation committee;

\$7,500 per year for service as chairman of the nominating and corporate governance committee;

\$12,500 per year for service as chairman of the science and technology committee; and

\$5,000 per year for service as a member on each committee, except each member of the audit committee received \$7,500 per year for service in that role.

Non-employee members of our board of directors receive automatic grants of non-statutory stock options under our 2014 Amended and Restated Incentive Compensation Plan. Each non-employee director joining our board of directors will automatically be granted a non-statutory stock option to purchase 21,000 shares of common stock with an exercise price equal to the fair market value of our common stock on the grant date. The shares subject to each initial option grant will vest in three successive equal annual installments over the 3-year period measured from the date of the non-employee director's election to our board of directors, subject to the non-employee director's continued board service through each vesting date and provided that the director attends at least 75% of the board meetings held during each respective year of board service.

In addition, on the date of each annual meeting of our stockholders, each non-employee director is automatically granted a non-statutory stock option to purchase shares of our common stock on that date with an exercise price equal to the fair market value of our common stock on the grant date. In 2018, each non-employee director received a stock option to purchase 50,000 shares of common stock. The shares subject to each annual grant will vest on the first anniversary of the grant date, subject to the non-employee director's continued board service through such date and provided that the non-employee director attends at least 75% of the board meetings held during such year of board service. The number of stock option shares granted to our non-employee members of our board was increased in 2018 from 14,000 to 50,000 and the practice of awarding restricted stock units, or RSUs, which was started in 2017, was suspended pending a further review of total director equity compensation by our board of directors. The decision to increase the number of stock option shares and discontinue RSUs was based on a review of director equity compensation by our board that

Table of Contents

included participation by the board's compensation committee advisor, PayGovernance LLC. In making this determination, our board of directors considered our business plan, our stock price and potential dilution to stockholders, and the need to adequately compensate our directors for their service.

The shares subject to each option grant under the director compensation policy will immediately vest upon (i) an acquisition of the Company by merger or asset sale, (ii) the successful completion of a tender offer for more than 50% of our outstanding voting stock or (iii) a change in the majority of our board of directors effected through one or more proxy contests for board membership, or a Change in Control. All automatic director options have a maximum term of ten years.

We will also continue to reimburse our non-employee directors for their reasonable out-of-pocket expenses incurred in attending board and committee meetings.

Limitation of Liability and Indemnification Arrangements

As permitted by the DGCL, we have adopted provisions in our amended and restated certificate of incorporation and amended and restated by-laws that limit or eliminate the personal liability of our directors. Consequently, a director will not be personally liable to us or our stockholders for monetary damages for breach of fiduciary duty as a director, except for liability for:

any breach of the director's duty of loyalty to us or our stockholders;

any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;

any unlawful payments related to dividends or unlawful stock repurchases, redemptions or other distributions; or

any transaction from which the director derived an improper personal benefit.

These limitations of liability do not alter director liability under the federal securities laws and do not affect the availability of equitable remedies such as an injunction or rescission.

In addition, our amended and restated by-laws provide that we will:

indemnify our directors, officers and, in the discretion of our board of directors, certain employees to the fullest extent permitted by the Delaware General Corporation Law; and

advance expenses, including attorneys' fees, to our directors and, in the discretion of our board of directors, to our officers and certain employees, in connection with legal proceedings, subject to limited exceptions.

We have entered into separate indemnification agreements with our directors and executive officers. These agreements, among other things, provide for indemnification of our directors and executive officers for certain expenses, judgments, fines and settlement amounts, among others, incurred by this person in any action or proceeding arising out of this person's services as a director or executive officer in any capacity with respect to any employee benefit plan or as a director, partner, trustee or agent of another entity at our request. We believe that these indemnification agreements, along with the provisions of our amended and restated certificate of incorporation and amended and restated bylaws are necessary to attract and retain qualified persons as directors and executive officers.

We also maintain general liability insurance to provide insurance coverage to our directors and officers for losses arising out of claims based on acts or omissions in their capacities as directors or officers, including liabilities under the Securities Act of 1933, as amended, or the Securities Act. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers, or persons controlling the registrant pursuant to the foregoing provisions, we have been informed that

Table of Contents

in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

These provisions may discourage stockholders from bringing a lawsuit against our directors in the future for any breach of their fiduciary duty. These provisions may also have the effect of reducing the likelihood of derivative litigation against directors and officers, even though such an action, if successful, might otherwise benefit us and our stockholders. Furthermore, a stockholder's investment may be adversely affected to the extent we pay the costs of settlement and damage awards against directors, officers and certain employees pursuant to these indemnification provisions. We believe that these provisions, the indemnification agreements and the insurance are necessary to attract and retain talented and experienced directors and officers.

Stockholder Communications with the Board of Directors

Stockholders wishing to communicate with the board of directors or with an individual member of the board of directors may do so by writing to the board of directors or to the particular member of the board of directors, care of the Corporate Secretary by mail to our principal executive offices, Attention: Corporate Secretary. The envelope should indicate that it contains a stockholder communication. All such stockholder communications will be forwarded to the director or directors to whom the communications are addressed.

Table of Contents**Narrative Explanation of Certain Aspects of the Summary Compensation Table**

Pursuant to employment agreements entered into with us, each of our named executive officers is eligible to receive (i) a base salary and (ii) an annual performance bonus payable in cash, stock or a combination at the discretion of the compensation committee of the board of directors. The target amount of each named executive officer's annual performance bonus is a percentage of his or her base salary, as set forth in the table below, and the actual amount payable is based on the achievement of individual and corporate objectives. In addition, in 2018, we implemented a retention plan to induce employees to remain with the Company as further described below.

Base Salary and Annual Performance Bonus

The base salary and target annual performance bonus for each of our named executive officers for our fiscal year ended December 31, 2018, is listed in the table below:

Name	2018	2018 Target
	Base Salary	Performance Bonus
Al Altomari	494,400	55%
Scott M. Coiante	321,400	40%
Elizabeth Garner, M.D., MPH	371,300	40%

None of our named executive officers received an increase in their respective base salaries for 2018. Our board of directors made the decision to not increase the base salaries of the named executive officers in order to conserve cash. For 2019, the board approved a 3% increase in the base salary for each officer, which will become effective as of March 1, 2019, when our resubmitted new drug application, or the NDA, for Twirla is accepted for review by the U.S. Food and Drug Administration, or the FDA. Upon the achievement of that milestone, Mr. Altomari's salary will increase to \$509,200, Mr. Coiante's salary will increase to \$331,000, and Dr. Garner's salary will increase to \$382,400.

Objectives for the named executive officers' target bonuses for our fiscal year ended December 31, 2018 included two general categories: (1) activities to support the approval of Twirla® by December 31, 2018 and management of the resubmission process to ensure a timely review by the FDA, collectively weighted at 80% of the total bonus potential, and (2) management of our financial and liquidity position for 2018 and activities to support the commercial launch of Twirla collectively weighted at 20% of the total bonus potential.

Objectives for the 2018 named executive officer target bonuses were deemed to be achieved at 55%, which in the discretion of the compensation committee reflected that (i) while the NDA for Twirla was not resubmitted to the FDA during 2018, the Company pursued formal dispute resolution with the FDA and obtained a potential path forward for seeking approval of Twirla without the need for reformulation, and (ii) the Company's ability to manage its cash position to enable it to continue seeking approval of Twirla. The named executive officers received bonus payments equal to the applicable target amounts set forth above.

Each of our named executive officers is eligible to receive certain benefits if his or her employment is terminated under certain circumstances, as described under "Severance and Change in Control Benefits" below.

2018 Retention Plan

On June 20, 2018, we adopted the Retention Plan to provide (i) cash retention payments to all remaining employees of the Company in order to induce such employees to remain employed by the Company through December 31, 2018, and (ii) stock option grants to all remaining employees of the

Table of Contents

Company in order to induce such employees to remain employed by the Company through December 31, 2019.

Employees who participated in the Retention Plan and (i) remained continuously employed by the Company through December 31, 2018 or (ii) were terminated by the Company other than for cause (as defined in an applicable employment agreement, or, if no employment agreement exists, as determined by the Company in good faith) prior to December 31, 2018, were paid a lump-sum cash payment in an amount determined by the compensation committee of our board of directors at the time of the adoption of the Retention Plan. Eligible employees who terminated service prior to December 31, 2018 for any reason other than termination of employment by the Company without cause, did not receive retention payments. The cash retention payments were made in January 2019.

In addition, all remaining employees were granted a stock option to purchase the number of shares of common stock of the Company as approved by our board's compensation committee, with a per share exercise price of \$0.58 which was equal to the closing price of the Company's common stock as reported by Nasdaq on June 20, 2018. Each option will vest in four equal 25% installments on the following dates: (i) June 20, 2018, (ii) December 31, 2018, (iii) June 30, 2019, and (iv) December 31, 2019.

Messrs. Altomari and Coiante, and Dr. Garner are participating in the Retention Plan. On January 4, 2019, they each received a cash retention payment of \$100,000. In addition, they were each granted a stock option to purchase 150,000 shares of the Company's common stock on the terms described above.

Equity Compensation

We have historically offered stock options as the primary long-term incentive vehicle to our employees, including our named executive officers, as the long-term incentive component of our compensation program. Stock options allow employees to purchase shares of our common stock at a price per share equal to the fair market value of our common stock on the date of grant and may or may not be intended to qualify as "incentive stock options" for U.S. federal income tax purposes. We typically grant stock options to new hires upon their commencing employment with us. Awards to newly hired employees generally vest with respect to 25% of the total number of option shares on the first anniversary of the grant date and in equal monthly installments over the following 36 months.

As part of an annual compensation evaluation of our named executive officers at the beginning of each year, the compensation committee of the board of directors considers granting stock options and other long-term incentive vehicles to our named executive officers based on such executive's individual performance for the preceding year and as an incentive for future performance. Stock options are granted under our 2014 Amended and Restated Incentive Compensation Plan, or the 2014 Plan, and generally vest with respect to 25% of the total number of option shares on the first anniversary of the grant date and in equal monthly installments over the following 36 months.

Effective January 29, 2019, the compensation committee of our board of directors granted to:

Mr. Altomari stock options to purchase (i) 540,900 shares of our common stock at an exercise price of \$0.84 per share, which was the closing price of our common stock on January 29, 2019 as reported by Nasdaq, and (ii) 154,400 shares of our common stock at an exercise price of \$2.50 per share, which was a premium to the closing price of our common stock on January 29, 2019 as reported by Nasdaq.

Mr. Coiante stock options to purchase (i) 172,600 shares of our common stock at an exercise price of \$0.84 per share, which was the closing price of our common stock on January 29, 2019 as reported by Nasdaq, and (ii) 38,500 shares of our common stock at an exercise price of \$2.50

Table of Contents

per share, which was a premium to the closing price of our common stock on January 29, 2019 as reported by Nasdaq.

Dr. Garner stock options to purchase (i) 172,600 shares of our common stock at an exercise price of \$0.84 per share, which was the closing price of our common stock on January 29, 2019 as reported by Nasdaq, and (ii) 38,500 shares of our common stock at an exercise price of \$2.50 per share, which was a premium to the closing price of our common stock on January 29, 2019 as reported by Nasdaq.

The compensation committee made its decision to grant stock options to our named executive officers, based on their individual performance for 2018.

2018 Performance Grants

In addition, on January 24, 2018, the compensation committee granted performance-based restricted stock units, or Performance Units, under our 2014 Plan to the named executive officers, subject to the terms and conditions set forth in the issuance agreement for such Performance Units and the 2014 Plan. The Performance Units did not satisfy the minimum performance conditions established under the program, which included NDA approval of Twirla, and thus these awards were forfeited.

As described under "Outstanding Equity Awards as of December 31, 2018" below, all outstanding and unvested options held by our named executive officers are subject to accelerated vesting in the event we experience a change in control and the stock options are not assumed by the successor corporation, or at the discretion of the board of directors. In addition, all outstanding equity awards held by our named executive officers are subject to accelerated vesting in the event of a termination without cause or resignation for good reason that occurs in connection with a change in control, as described under "Severance and Change in Control Benefits" below.

Outstanding Equity Awards as of December 31, 2018

The following table sets forth information regarding each outstanding equity award held by each of our named executive officers as of December 31, 2018. The number of shares subject to each award and, where applicable, the exercise price per share, reflect all changes as a result of our capitalization adjustments.

Al Altomari

We entered into an employment agreement with Mr. Altomari on October 11, 2010, which was amended on December 18, 2012, and amended and restated on April 12, 2016. Pursuant to the terms of the agreement, Mr. Altomari is entitled to receive certain benefits in the event his employment is terminated.

Payments Upon Termination Absent a Change in Control.

If Mr. Altomari terminates his employment for good reason or if we terminate his employment without reasonable cause (other than due to death or disability), in either case in the absence of a change in control, he is entitled to receive the following severance benefits: (i) base salary continuation for a period of 12 months, and (ii) reimbursement of Mr. Altomari's health insurance premiums for a period of 12 months following the date of his termination or until Mr. Altomari obtains other employment, whichever is sooner. In the event of a change in control following his termination, any base salary continuation payments still due to Mr. Altomari shall be paid in full upon the change in control.

In the event Mr. Altomari's employment terminates as a result of his disability, he will be entitled to receive (i) base salary continuation for a period of 12 months following the date of his termination, and (ii) reimbursement of Mr. Altomari's health insurance premiums for a period of 12 months following the date of his termination due to his disability or until Mr. Altomari obtains other employment, whichever is sooner.

Payments Upon Termination in Connection with a Change in Control.

If Mr. Altomari terminates his employment for good reason or if we terminate his employment without reasonable cause (other than due to death or disability), in either case upon or within 12 months following a change in control, he is entitled to receive the following severance benefits: (i) a lump-sum cash payment in the amount of 1.5 times his then annual rate of base salary, (ii) a lump sum cash payment equal to Mr. Altomari's target annual bonus for the year in which his termination occurs, (iii) reimbursement of Mr. Altomari's health insurance premiums for a period of 18 months following the date of his termination or until Mr. Altomari obtains other employment, whichever is sooner and (iv) each outstanding equity award shall automatically vest in full.

Notwithstanding the foregoing, any payments and benefits that would otherwise be paid to Mr. Altomari (whether or not under his employment agreement) in connection with a change in control of the Company will be reduced to the extent necessary to ensure that he is not subject to any excise tax under Internal Revenue Code Section 4999 in connection with any change in control of the Company or his subsequent termination of employment. However, such reduction will not be made if Mr. Altomari would be better off (on an after-tax basis) receiving all payments and benefits and paying all excise and income taxes under Internal Revenue Code Section 4999.

PROPOSAL TWO
RATIFICATION OF THE APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

General

Our audit committee has appointed the firm of Ernst & Young LLP, independent registered public accountants, to audit our financial statements for the year ending December 31, 2019. Ernst & Young LLP has audited our financial statements since the fiscal year ended December 31, 2009. Our audit committee reviews the engagement of Ernst & Young LLP annually following completion of Ernst & Young LLP's audit of the prior year's financial statements. Our audit committee is directly responsible for the appointment, compensation, retention, oversight and termination of our independent auditors in accordance with Nasdaq listing standards. The audit committee also is responsible for the audit fee negotiations associated with the retention of Ernst & Young LLP. Under SEC rules and Ernst & Young LLP's practice, the lead engagement audit partner, as well as consulting partner, are each required to change every five years. Our audit committee interviewed and approved the audit partner.

Notwithstanding its selection and even if our stockholders ratify the selection, our audit committee, in its discretion, may appoint another independent registered public accounting firm at any time during the year if the audit committee believes that such a change would be in the best interests of Agile and its stockholders. At the Annual Meeting, the stockholders are being asked to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2019. Our audit committee is submitting the selection of Ernst & Young LLP to our stockholders because we value our stockholders' views on our independent registered public accounting firm and as a matter of good corporate governance. Representatives of Ernst & Young LLP will be present at the Annual Meeting and they will have an opportunity to make statements and will be available to respond to appropriate questions from stockholders.

If this proposal does not receive the affirmative approval of a majority of the votes cast on the proposal, the audit committee would reconsider the appointment.

Pre-Approval of Audit and Non-Audit Services

Consistent with requirements of the SEC and the Public Company Accounting Oversight Board regarding auditor independence, our audit committee is responsible for the appointment, compensation and oversight of the work of our independent registered public accounting firm. In recognition of this responsibility, our audit committee (or the chair if such approval is needed on a time urgent basis) generally pre-approves of all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2019.

Review and Approval of Related Party Transactions

Our Audit Committee Charter requires that our Audit Committee review and approve or ratify transactions involving us and any executive officer, director, director nominee, 5% stockholder and certain of their immediate family members, also referred to herein as a related person. The policy and procedures cover any transaction involving a related person, also referred to herein as a related person transaction, in which the related person has a material interest, and which does not fall under an explicitly stated exception set forth in the applicable disclosure rules of the SEC.

Table of Contents

A related person transaction will be considered approved or ratified if it is authorized by the Audit Committee after full disclosure of the related person's interest in the transaction. In considering related person transactions, the Audit Committee will consider any information considered material to investors and the following factors:

the related person's interest in the transaction;

the approximate dollar value of the transaction;

whether the transaction was undertaken in the ordinary course of our business;

whether the terms of the transaction are no less favorable to us than terms that we could have reached with an unrelated third party; and

the purpose and potential benefit to us of the transaction.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires that our executive officers and directors and persons who own more than 10% of our common stock, file reports of ownership and changes of ownership with the SEC. Such directors, executive officers and 10% stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

SEC regulations require us to identify in this proxy statement anyone who filed a required report late during the most recent fiscal year. Based on our review of forms we received, or written representations from reporting persons, we believe that during fiscal 2018, all Section 16(a) filing requirements were satisfied in a timely manner.
