**Item 1.01 Entry into a Material Definitive Agreement***Base Salaries*

On March 28, 2005, the Compensation Committee of the Board of Directors (the "Compensation Committee") of El Paso Corporation approved a new annual base salary for certain of our named executive officers. The Compensation Committee authorized these base salary adjustments based on competitive market data and commensurate with each executive's job responsibilities and the individual executive's performance. The new annual base salaries are effective as of April 1, 2005, and are set forth in the table below for each of the named executive officers.

*Annual Cash Incentive Bonuses*

On March 28, 2005, the Compensation Committee authorized the payment of annual cash incentive bonuses for 2004 performance to each of El Paso's executive officers based upon both El Paso's performance and that of each of the named executive officers. The details concerning El Paso's performance and each of the named executive's performance are disclosed in detail within the Compensation Committee Report on Executive Compensation (the "Report") contained in El Paso's 2005 proxy statement filed earlier today. That Report is not incorporated by reference into this Form 8-K.

*Long-Term Incentive Awards*

Also on March 28, 2005, the Compensation Committee authorized an annual grant of long-term incentive awards in the form of restricted stock and stock options for each of El Paso's named executive officers, to be granted April 1, 2005. The reasons for the grants as well as the determination of the size of each grant are based upon the Compensation Committee's general executive compensation philosophy which is explained in the Report.

The following table sets forth information with respect to (i) 2004 annual base salaries and the new annual base salaries that will be effective as of April 1, 2005, (ii) the annual cash incentive bonuses that will be paid in April for 2004 performance, and (iii) the 2005 annual long-term incentive awards that will be granted on April 1, 2005, for each of the following named executive officers. El Paso has also provided additional information regarding the compensation awarded to the named executive officers in its 2005 proxy statement.
