Item 8.01. Other Events

RGC Midstream, LLC ("Midstream"), a wholly-owned subsidiary of RGC Resources, Inc. (the "Company") is a 1% investor in the Mountain Valley Pipeline, LLC (the "LLC"). On September 24, 2018, the LLC issued a press release updating the projected project cost of the Mountain Valley Pipeline to \$4.6 billion from its prior estimated cost of \$3.7 billion. The increase in costs is attributable to periods of work stoppage and schedule changes combined with the unusually high rainfall totals over the last few months. As a result of the LLC's revised cost projections, Midstream's cash investment is expected to increase to \$46 million, or 1% of the total project cost.

The press release is attached as Exhibit 99.1 to this report.

From time to time, the Company may publish forward-looking statements relating to such matters as anticipated financial performance, business prospects, technological developments, new products, research and development activities and similar matters. The Private Securities Litigation Reform Act of 1995 provides a safe harbor for forward-looking statements. In order to comply with the terms of the safe harbor, the Company notes that a variety of factors could cause the Company's actual results and experience to differ materially from the anticipated results or other expectations expressed in the Company's forward-looking statements.

Item 9.01. Financial Statements and Exhibits.

- (d) Exhibits.
- 99.1 Mountain Valley Pipeline, LLC news release.
