This amendment is being filed to correct an administrative error on the original Form 4, where there was a conversion of a derivative security to common stock and the derivative security was reported as acquired rather than disposed of. The footnotes associated with the

(1) lines that are being corrected have been renumbered from the numbers used in the original Form 4 in order to consecutively disclose narrative information on this amendment, although the substance of the information remains the same and the appropriate disposition of the derivative security remains the same.

(2) Each Restricted Stock Unit was granted from the U.S. Concrete, Inc. Long Term Incentive Plan and represents the right to receive one share of common stock upon vesting.

(3) The restricted stock units will vest 75% on July 1, 2013 and the remaining 25% tranche will vest October 1, 2013.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
