#### Appointment of Chief Financial Officer and Principal Financial Officer

On January 8, 2016, the Board of Directors (the “Board”) of U.S. Concrete, Inc. (the “Company”) appointed Joseph C. “Jody” Tusa, Jr. as the Company’s Senior Vice President and Chief Financial Officer, effective as of February 1, 2016 (the “Effective Date”). Mr. Tusa will serve as the Company’s Principal Financial Officer.

From May 2015 to January 2016, Mr. Tusa, age 57, served as the Chief Financial Officer of Emerge Energy Services GP LLC, the general partner of Emerge Energy Services LP, an energy services company listed on the New York Stock Exchange. Mr. Tusa began his career with Arthur Andersen in Houston, Texas in its oil and gas exploration and production division. He then served as Chief Financial Officer of DSM Copolymer, Inc., a producer and global supplier of synthetic rubber. From 1997 to 2001, Mr. Tusa served as Senior Vice President of Business Operations for Metamor Worldwide, Inc., an IT services company that was listed on the NASDAQ exchange. From 2001 to December 2007, Mr. Tusa served as the Chief Financial Officer of Comsys IT Partners, Inc., an information technology staffing company and an affiliate of Metamor. From January 2008 to January 2015, Mr. Tusa was the Chief Financial Officer of USA Compression GP, LLC, the general partner of USA Compression Partners, LP, a provider of compression services listed on the New York Stock Exchange. Mr. Tusa received his B.B.A. from Texas State University and his M.B.A. from Louisiana State University. He is licensed as a Certified Public Accountant in the State of Texas.

The terms and conditions of Mr. Tusa’s employment with the Company will be governed by an Offer Letter, dated as of January 8, 2016 (the “Offer Letter”). Among other things, the Offer Letter provides that:

• **Annual Base Salary** - Mr. Tusa will be paid an annual base salary of \$365,000.

• **Annual Bonus** - Mr. Tusa will be eligible for an annual bonus pursuant to the terms and conditions of the Company’s Annual Incentive Plan (as described in the Company’s most recent definitive proxy statement) with a target annual bonus of 60% of annual base salary and a maximum annual bonus of 150% of base salary, which payout is subject to the Board’s approval and payable in the calendar year after it is earned.

• **Equity Grant** - On the next annual award grant date, which is currently scheduled for March 1, 2016, Mr. Tusa will be awarded restricted shares of the Company’s common stock equal in value to \$352,000, 60% of which will vest over three years in equal, annual installments from the grant date. The remaining 40% of the restricted shares will vest subject to time and performance thresholds to be set by the Compensation Committee of the Board at its February 2016 meeting. The vesting schedule for the restricted shares assumes, and the Company’s Long Term Incentive Plan requires, that Mr. Tusa remain employed with the Company on each vesting date. Mr. Tusa will be eligible for additional equity awards in the same manner as similarly situated executive officers of the Company as approved by the Board.

• **Signing Bonus**: Mr. Tusa will receive a signing bonus of up to \$175,000, which will be paid as a lump sum, less all applicable withholdings, within 30-days of Mr. Tusa’s start date.

• **Executive Severance Agreement** - Subsequent to Mr. Tusa’s start date and subject to the approval by the Compensation Committee, Mr. Tusa will enter into an Executive Severance Agreement, which is anticipated to include provisions for severance pay of (i) one times Mr. Tusa’s annual base pay plus pro-rated target bonus for an involuntary termination and (ii) two times annual base pay and target bonus for a change-in-control termination.

Other Benefits - Mr. Tusa will be eligible to participate in all health and welfare benefit programs available to similarly situated Company executives and will be eligible to participate in the Company's 401(k) plan and non-qualified deferred compensation plan.
