Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On October 10, 2013, we entered into new employment agreements with our Chief Executive Officer, Thomas Lapinski, our President, John Brda, and our Chief Financial Officer (and principal accounting officer), Roger Wurtele. Our Board had previously agreed to the principal terms of the agreements for Messrs. Lapinski and Brda in September, but the written agreements were not finalized until October 10. A brief description of each agreement follows:

For Thomas Lapinski, we entered into an employment agreement with Opal Marketing and Consulting, Inc. (Opal), which agreement is effective as of July 1, 2013. Mr. Lapinski owns and is the President of Opal. The agreement states that Opal will provide the services of Mr. Lapinski to serve as our Chief Executive Officer. The agreement has a term that expires on June 30, 2014 and provides that we will pay Opal a base fee equal to \$15,000 per month. The agreement also provides for an increase in Opal's base fee of (i) \$5,000 per month when we achieve 500 barrels of oil or gas equivalent per day (BOEPD) in net production (ii) an additional \$5,000 per month when we achieve 750 BOEPD in net production, and (iii) an additional \$5,000 per month when we achieve 1,000 BOEPD in net production. Opal is also eligible for a discretionary annual bonus based on factors to be considered by the Board of Directors. The employment agreement includes a confidentiality provision and a non-compete provision.

We entered into an amendment to the employment agreement with John A. Brda that was previously entered into in January 2012. The agreement, as amended, has a term that expires in December 2016 and provides for a base salary of \$15,000 per month. The agreement also provides for an increase in his base salary of (i) \$5,000 per month when we achieve 500 BOEPD in net production (ii) an additional \$5,000 per month when we achieve 750 BOEPD in net production, and (iii) an additional \$5,000 per month when we achieve 1,000 BOEPD in net production. He is also eligible for a discretionary annual bonus based on factors to be considered by the Board of Directors. The employment agreement includes a confidentiality provision and a non-compete provision.

The employment agreement with Roger Wurtele has a term of three years and provides for a base salary of \$10,000 per month. The agreement also provides for an increase in his base salary of (i) \$2,500 per month when we achieve 500 BOEPD in net production (ii) an additional \$2,500 per month when we achieve 750 BOEPD in net production, and (iii) an additional \$2,500 per month when we achieve 1,000 BOEPD in net production. He is also eligible for a discretionary annual bonus based on factors to be considered by the Board of Directors. Further, he is to receive 300,000 stock options with a term of five years and an exercise price of \$2.09 per share, of which 100,000 will vest at signing, 100,000 will vest on the first anniversary of his employment, and 100,000 will vest on the second anniversary of his employment. The employment agreement includes a confidentiality provision and a non-compete provision.

Also on October 10, 2013, we entered into an amendment to the employment agreement with our Chief Operating Officer, Willard G. McAndrew III, whereby, in connection with his compensation, all references in the agreement to barrels of oil per day are changed to barrels of oil or gas equivalent per day.
