Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

(d) On July 4, 2017, Gail S. Page became a member of the Board of Directors (the "Board") of Chembio Diagnostics, Inc. (the "Company").

There were no arrangements or understandings between Ms. Page and any other persons, pursuant to which Ms. Page was selected as a director.

Ms. Page will be compensated in accordance with the Company's previously disclosed compensation arrangement for non-employee directors, which will be applied specifically to the timing of her situation as follows:

She will be paid a \$25,000 annual fee (the "Annual Fee") in semi-annual payments, beginning on July 4, 2017 and continuing on each subsequent January 1 and July 1 on which she is still serving as a director.

She will receive a \$1,000 fee for each Board meeting attended in person and a \$500 for each telephonic Board meeting attended.

She will receive a \$500 fee for attendance at each meeting attended of each Board committee of which she is a member. Committee memberships have not been determined for Ms. Page at this time.

On July 4, 2017 (the date on which she became a director), she received stock options to acquire, subject to vesting, 46,875 shares of the Company's common stock, with an exercise price equal to the market price on July 4, 2017.

(Because July 4 is a holiday, this would be the market price on July 3, 2017.) Stock options to acquire 9,375 shares became exercisable on July 4, 2017, and stock options to acquire an additional 9,375 shares become exercisable on July 1 of each of the following four succeeding years if and to the extent she is still a director on such vesting date. Ms. Page was elected by the Board to serve until the next meeting of the Company's stockholders at which directors will be elected by the shareholders, and will be eligible for nomination and election at that time.
