Edgar Filing: ACME COMMUNICATIONS INC - Form DEF 14A

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Brian McNeill and Thomas Embrescia served as members of our Compensation Committee during 2000. Mr. Embrescia and an affiliate of Mr. McNeill's are parties to the voting agreement and the registration rights agreement described under Certain Relationships and Related Transactions.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Agreements with Various Sellers of Stations

In connection with our stations in Utah and New Mexico, we entered into long-term agreements to lease studio facilities and/or transmission tower space from affiliates of Michael and his brother, Steven Roberts. These leases have varying terms of approximately five to fifteen years and provide for monthly payments aggregating approximately \$1,687,000, subject to adjustment based on the Consumer Price Index.

Voting Agreement

We have entered into a long-term voting agreement with Messrs. Kellner, Gealy, Allen, Embrescia and Roberts, and investment funds managed by or affiliated with Alta Communications, BancBoston, CEA Capital and TCW Asset Management Company, all of whom are current stockholders. Pursuant to the long-term voting agreement, Messrs. Kellner, Gealy, Allen, Embrescia and Roberts and affiliates of Alta Communications, BancBoston, CEA Capital and TCW Asset Management Company all have agreed to vote their shares of voting stock in favor of certain named designees pursuant to which they will be able to elect at least a majority of our board. The long-term voting agreement will expire October 5, 2001. In addition

7

11

to being stockholders, Messrs. Kellner, Gealy, Allen, Embrescia and Roberts are all directors. Furthermore, Messrs. Collis, McNeill and Schall are each employed by affiliates of the investment fund stockholders (Seaport Capital Partners, Alta Communications and TCW Asset Management Company, respectively) and each serve as directors of our company.

Registration Rights

We have entered into a registration rights agreement with all of our pre-initial public offering investors, including Messrs. Kellner, Allen and Gealy and each of our non-management directors or their affiliates. At any time 180 days after the Company's initial public offering, these stockholders, holding an aggregate of at least 25% of the stock covered by this registration rights agreement, may demand that we file a registration statement under the Securities Act covering all or a portion of the securities of ours held by them. However, the securities to be registered must have an anticipated aggregate public offering price of at least \$10.0 million. These stockholders can effect two such demand registrations.

When we are eligible to use a Registration Statement on Form S-3 to register

Edgar Filing: ACME COMMUNICATIONS INC - Form DEF 14A

an offering of our securities, these stockholders may request that we file a registration statement on Form S-3, covering all or a portion of securities of ours held by them, if the aggregate public offering price is at least \$2.0 million. These stockholders can request that we file two S-3 registration statements per year.

These registration rights are subject to our right to delay the filing of a registration statement, not more than once in any 12-month period, for not more than 90 days.

In addition, these stockholders will have piggyback registration rights. If we propose to register any common stock under the Securities Act, other than pursuant to the registration rights noted above, these stockholders may require us to include all or a portion of their securities in such registration. However, the managing underwriter, if any, of any such offering has rights to limit the number of registrable securities proposed to be included in such registration.

We would bear all registration expenses incurred in connection with these registrations. The stockholders would pay all underwriting discounts, selling commissions and stock transfer taxes applicable to the sale of their securities.

The registration rights of each stockholder under the registration rights agreement terminate when that stockholder may transfer its securities under Rule 144 promulgated under the Securities Act or their shares have otherwise been transferred.

The WB Network

Our stations have entered into affiliation agreements and, from time to time, related marketing arrangements with The WB Network. Mr. Kellner is an owner and the Chief Executive Officer of The WB Network. We believe that the terms of each of these affiliation agreements or marketing agreements are or were at least as favorable to us or our affiliates as those that could be obtained from an unaffiliated party.

Directors determines otherwise, these stock options will fully accelerate and become immediately exercisable upon a change in control event as defined in the Company's 1999 Stock Incentive Plan.

The 5% and 10% assumed annual rates of compounded stock appreciation are pursuant to the rules of the Securities and Exchange Commission and do not represent our estimate or projection of the future common stock price. Actual gains, if any, on stock option exercises depend on our future financial performance, overall market conditions and the option holders' continued employment through the vesting period.

AGGREGATED OPTION EXERCISES IN FISCAL YEAR 2000 AND FISCAL YEAR-END OPTION VALUE

None of the stock options held by our executive officers were exercised during 2000. The following table sets forth information with respect to the exercisable and non-exercisable stock options held by our executive officers at the end of 2000.

COMPARISON OF CUMULATIVE TOTAL RETURNS

The following graph compares the cumulative total stockholder return on a \$100 investment in our common stock with the cumulative total return of a \$100 investment in (a) the NASDAQ Composite Index and (b) a composite index

Edgar Filing: ACME COMMUNICATIONS INC - Form DEF 14A

of the following four peer companies: (1) Granite Broadcasting Corporation, (2) Hearst-Argyle Television, Inc., (3) Sinclair Broadcasting Group, Inc. and (4) Young Broadcasting Inc. Our peers were selected by the Company on a line-of-business basis and weighted for market capitalization. The graph is intended to provide a relevant comparison of total returns for the period from September 30, 1999 (the day our common stock commenced trading) through December 31, 2000. Because we effected our initial public offering in September 1999, the information in the graph is provided at quarter end intervals. The total return on the common stock is measured by dividing the difference between the common stock price at the end and the beginning of the measurement period by the common stock price at the beginning of the measurement period. The graph for our Company and each of the indices also assumes the reinvestment of dividends. Note: We caution that past stock price performance shown for our common stock is not necessarily indicative of future price performance

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee consists of Mr. Embrescia and Mr. McNeill, both of whom are non-employee directors. The philosophy of the Compensation Committee is to attract, motivate and retain highly skilled and effective executives who can achieve long-term success in the Company's present competitive environment. The Compensation Committee is responsible for making recommendations to our Board concerning our executive officers' compensation levels, administers our stock incentive plan and determines awards to be made under the plan to our officers and all other eligible individuals. The Compensation Committee may consider other forms of compensation, both short and long-term, in addition to those generally described above. At the time of our IPO, the Compensation Committee approved all of our executives' employment and consulting agreements.

Chief Executive Officer Compensation. Mr. Kellner was compensated in accordance with his three-year consulting agreement, which

Edgar Filing: ACME COMMUNICATIONS INC - Form DEF 14A

provides for an annual consulting fee of \$250,000 in 2000. Although his agreement also provides for an annual cash incentive award, Mr. Kellner declined to be considered for such an award for 2000. In determining the annual consulting fee for Mr. Kellner's consulting agreement, the Compensation Committee considered the compensation of comparable executives at peer companies in the broadcasting industry (some of which are included in the peer group index in the performance graph), taking into account Mr. Kellner's responsibilities, experience, and individual performance.

Other Executives. The Company has also entered into three-year employment contracts with each of Mr. Allen and Mr. Gealy. These agreements provide for a base salary, a discretionary cash bonus and a one-time special cash bonus in connection with the successful completion of our initial public offering. Each of the executive officer's base salary for calendar year 2000 was \$375,000 which was determined using the same criteria set forth above for Mr. Kellner. Mr. Gealy and Mr. Allen also are eligible to receive a discretionary cash bonus, which both declined to be considered for in 2000.

Stock Options. In 2000, the Company awarded an aggregate of 22,000 stock options for the Company's common stock to Mr. Ed Danduran, the Company's Vice President -- Controller. In determining the aggregate award of options to its executives, the Compensation Committee makes a subjective assessment as to the appropriate level of equity to be granted to sufficiently and properly incentivize the executives and align their interests with those of the Company's stockholders.

The Deductibility of Executive Compensation. Section 162(m) of the Internal Revenue Code does not permit us to deduct cash compensation in excess of \$1 million paid to the chief executive officer and the four highest compensated executive officers during any taxable year, unless such compensation meets certain requirements.

Brian McNeill

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee of the Company is composed entirely of the

outside directors named as signatories to the Compensation Committee report above, as was the case during fiscal 2000. Except for the voting agreement noted under the caption "Certain Relationships and Related Transactions" above, the Compensation Committee members do not have any non-trivial professional, familial or financial relationship with the Chief Executive Officer, other executive officers or the Company, other than his directorship.

AUDIT COMMITTEE REPORT

Our Audit Committee is composed of two independent directors and operates under a written charter adopted by our Board of Directors and last amended June 14, 2000. The members of the Audit Committee are Messrs. Collis and Schall. The Audit Committee recommends to the Board of Directors, subject to stockholder ratification, the selection of our independent accountants.

Management is responsible for our internal controls and the financial reporting process. The independent accountants are responsible for performing an

Edgar Filing: ACME COMMUNICATIONS INC - Form DEF 14A

independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with management and the independent accountants. Management represented to the Audit Committee that our consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Audit Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

Our independent accountants also provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent accountants that firm's independence.

Based upon the Audit Committee's discussions with management and the independent accountants and the Audit Committee's review of the representation of management and the report of the independent accountants to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2000 filed with the Securities and Exchange Commission.

INDEPENDENT PUBLIC ACCOUNTANTS

Our Board of Directors has appointed KPMG LLP as our independent public accountants for 2001. KPMG LLP has served as our independent public accountants since 1997.

15

19

We expect representatives of KPMG LLP to be at the Annual Meeting and to be available to respond to questions from stockholders. We will give the KPMG LLP representatives an opportunity to make a statement if they desire.

Ratification of appointment of KPMG LLP as our independent public accountants for 2001 will require the affirmative vote of a majority of voting shares of the common stock represented in person or by proxy at the Annual Meeting. If the stockholders do not make such ratification, the Audit Committee and the Board of Directors will reconsider the appointment.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT AUDITORS.

ACCOUNTANT FEES

Fees for the last annual audit, including quarterly reviews,

Edgar Filing: ACME COMMUNICATIONS INC - Form DEF 14A

were approximately \$175,000. There were no fees incurred relating to Financial Information Systems Design and Implementation. All other fees were approximately \$1,150 and related to tax planning services.

Our Audit Committee determined that KPMG LLC's provision of services for all non-audit fees in 2000 is compatible with maintaining KPMG LLC's independence.
