Item 2.02 Results of Operations and Financial Condition

On August 9, 2007, Vicor Corporation (the "Company") updated its previously issued preliminary news release dated July 30, 2007 to reflect certain revisions to the preliminary financial results for the second quarter ended June 30, 2007. The update was to report that the Company had reached an agreement in principle to settle the lawsuit with Concurrent Computer Corporation ("Concurrent") for \$2,350,000, all of which will be paid by the Company's insurance carriers. Both the liability to Concurrent and the receivable from the insurance carriers have been recorded in the accompanying consolidated balance sheet, reported as Accrual for litigation settlement and Insurance receivable for litigation, respectively. With the receivable for payment by the insurance carriers, there is now no impact on the consolidated statement of operations for the second quarter of 2007 as a result of the settlement. The Company had previously reported on July 30, 2007, on a preliminary basis, an estimated loss of \$2,350,000 related to this litigation. This development caused the following revisions to the preliminary financial results for the second quarter ended June 30, 2007 (thousands except for per share amounts):

	Preliminary Amounts, As Updated	Preliminary Amounts, As Previously Reported
