**Entry into a Material Definitive Agreement.**

On December 6, 2004, Arch Reinsurance Ltd. ( ARL ), a subsidiary of Arch Capital Group Ltd. ( ACGL ), signed an Amendment Agreement relating to a Letter of Credit and Reimbursement Agreement, dated as of November 25, 2003, with Barclays PLC, as lender ( Barclays ), as amended and restated on August 19, 2004 to add Arch Insurance Company ( AIC ) as an obligor and as further amended on November 24, 2004 (the Amendment Letter ) to remove AIC as an obligor and increase the maximum face of amount of letters of credit available for issuance thereunder from \$50 million to \$60 million (as amended, the Agreement ). The Amendment Letter and the Agreement are attached hereto as Exhibits 10.1 and 10.2, respectively, to this Current Report and are incorporated herein by reference.

The Agreement increases the maximum face amount of letters available for issuance to \$175 million. The Agreement is a secured letter of credit facility, with fees payable to Barclays based on outstanding commitments under the facility. The Agreement provides that ARL may request that Barclays issue or renew (1) letters of credit having an expiration date of up to five years from the date of issue during the period ending December 31, 2005 and (2) letters of credit, subject to a maximum face amount of \$25 million, having an expiration date of 364 days from the date of issue during the period ending 364 days prior to December 31, 2008.

The Agreement also contains customary covenants which limit our ability to dispose of material assets, incur liens or indebtedness under certain circumstances. Most of these restrictions are subject to certain minimum thresholds and exceptions. The Agreement also contains certain affirmative covenants which provide, among other things, that ARL maintain certain financial strength ratings. In addition, the Agreement provides that the obligations of ARL may be accelerated upon the occurrence and continuation of certain events of default. Such events include (subject to certain materiality thresholds and grace periods) payment defaults, covenant defaults, failure by ACGL to maintain minimum levels of net worth and maximum leverage ratios, material inaccuracy of representations and warranties, bankruptcy and involuntary proceedings, cross-defaults under other agreements and other customary defaults.

Barclays is also a lender under a separate credit agreement, dated as of September 16, 2004, by and among ACGL, various subsidiaries of ACGL designated as borrowers and the other lenders named therein.
