On October 14, 2005, a subsidiary of Beacon completed its previously announced acquisition of privately-held SDI Holding, Inc. ( Shelter ). Shelter is a leading distributor of roofing and other building products headquartered in McKinney, Texas. The transaction was structured as a purchase of all of the issued and outstanding stock and warrants of Shelter, which owns all of the issued and outstanding stock of Shelter Distribution, Inc., Shelter s operating company. The purchase price paid was approximately \$170.3 million in cash, including transaction costs and an adjustment for changes in working capital and other items since the announcement of the acquisition. The adjustment was primarily a result of Shelter s seasonal working capital changes, and is subject to a post-closing review. Based upon Shelter s future performance, their stockholders may also qualify for an earn-out payment.
