Section 1 Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

On November 30, 2005, NAVTEQ Corporation (the Company) and its U.S. operating subsidiary, NAVTEQ North America, LLC (NTNA), entered into an amendment (the Amendment) to NTNA's Credit Agreement (the Agreement) with LaSalle Bank, National Association (the Bank) dated November 9, 2004. The Amendment is filed as Exhibit 10.1 to this Current Report on Form 8-K and is hereby incorporated by reference. The Company and NAVTEQ B.V., another of the Company's subsidiaries, are parties to a Swap agreement with ABN AMRO N.V., an affiliate of the Bank, which is more fully described in the Company's Quarterly Report on Form 10-Q for the quarter ended September 26, 2004.

The Amendment, among other things, increases the amount that NTNA may borrow from the Bank under the Agreement from \$25 million to \$50 million, extends the maturity date of the Agreement to December 1, 2006 and permits the Company to request letters of credit from the Bank pursuant to the terms of the Agreement that do not in the aggregate at any time exceed an amount equal to \$25 million. In addition, the Amendment increases the amount of Material Indebtedness (as defined in the Agreement) that may be held by each of NTNA or the Company, as the guarantor (the Guarantor) of NTNA's obligations under the Agreement, without triggering an event of default under the Agreement, from \$5 million to \$10 million, and provides that the amount of unsecured (not including debt arising under the Company's guaranty of the Credit Agreement) and secured debt that may be held by NTNA and its subsidiaries without triggering an event of default is \$75 million and \$20 million, respectively, in each case in aggregate principal amount at any time and when added to the outstanding aggregate principal amount of unsecured and secured debt, respectively, of the Guarantor. The Amendment also modifies the financial covenants of the Guarantor and affirms the Guaranty previously entered into by the Company in favor of the Bank on the same date as the Agreement.
