PROXY STATEMENT

Annual Meeting of Stockholders

To be held on June 15, 2006

INFORMATION CONCERNING SOLICITATION AND VOTING

Date, Time, and Place

This Proxy Statement is furnished to the stockholders of Avocent Corporation, a Delaware corporation, in connection with the solicitation of proxies by our Board of Directors for use at the 2006 Annual Meeting of Stockholders to be held at the Huntsville Marriott Hotel located at Five Tranquility Base, Huntsville, Alabama 35805, on Thursday, June 15, 2006, at 10:00 a.m. Central Time, and any and all postponements or adjournments of this annual meeting, for the purposes set forth in this Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders. These proxy solicitation materials were first mailed on or about May 12, 2006, to all stockholders entitled to vote at the annual meeting. Our principal executive offices are located at 4991 Corporate Drive, Huntsville, Alabama 35805.

Purposes of the Annual Meeting

The purposes of the annual meeting are to:

Elect two Class III directors to serve until the annual meeting of our stockholders in 2009;

Ratify the appointment of PricewaterhouseCoopers LLP as our independent auditors for the current fiscal year ending December 31, 2006;

Amend the Avocent Corporation 2005 Equity Incentive Plan and approve the reservation of an additional two million two hundred fifty thousand (2,250,000) shares of our common stock for issuance under the 2005 Equity Incentive Plan; and

Transact such other business as may properly come before the annual meeting, or any postponement or adjournment of the annual meeting.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to our corporate secretary or our transfer agent, American Stock Transfer & Trust Company, a written

notice of revocation or a duly executed proxy bearing a later date or by attending the annual meeting and voting in person.

Record Date and Share Ownership

Stockholders of record at the close of business on May 3, 2006, the record date, are entitled to notice of, and to vote at, the annual meeting. On April 14, 2006, 48,963,888 shares of our common stock, and no shares of our preferred stock, were issued and outstanding, held of record by approximately 300 stockholders. For information regarding security ownership by principal stockholders and management, see the section below entitled, Security Ownership by Principal Stockholders and Management.

Voting and Solicitation; Quorum

Each share held as of the record date is entitled to one vote. A quorum for the transaction of business at the annual meeting requires the presence, in person or by proxy, of a majority of the votes eligible to be cast by holders of the shares of common stock issued and outstanding on the record date.

Abstentions and broker non-votes will be counted for the purpose of determining the presence or absence of a quorum for the transaction of business. However, broker non-votes will not be counted for the purpose of determining the number of shares entitled to vote with respect to a proposal on which the broker has expressly not voted. Thus, broker non-votes will not affect the outcome of the voting on a proposal that requires the affirmative vote of a majority of the shares present and entitled to vote.

The solicitation of proxies will be conducted by mail, and we will bear all attendant costs. These costs will include the expense of preparing and mailing proxy solicitation materials for the annual meeting and reimbursements paid to brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials regarding the annual meeting to such beneficial owners. Certain of our directors, officers, and regular employees, without additional compensation, may also solicit proxies, personally or by telephone, email, or facsimile. We have retained Mellon Investor Services, LLC to assist us in the solicitation of proxies for a fee of approximately \$10,000 plus reasonable out-of-pocket costs and expenses, and we have agreed to indemnify Mellon against certain liabilities arising out of or in connection with our agreement.

Stockholder Proposals for the Next Annual Meeting

Any stockholder proposal to be presented at our next annual meeting of stockholders must be received at our offices no later than December 29, 2006, in order to be considered for inclusion in our proxy materials for such meeting. Any such proposals must be submitted in writing, addressed to the attention of our corporate secretary at 9911 Willows Road N.E., Redmond, Washington 98052, Attention: Corporate Secretary, and must otherwise comply with our Bylaws and the requirements of Rule 14a-8 of the Securities Exchange Act of 1934, as amended.

Our Bylaws establish an advance notice procedure with regard to certain matters, including stockholder proposals not included in our Proxy Statement, to be brought before an annual meeting of stockholders. In general, nominations for the election of directors or proposals for other

Edgar Filing: AVOCENT CORP - Form DEFR14A

business may be made by the Board of Directors or by any stockholder entitled to vote who has delivered written notice to our corporate secretary not less than 90 days in advance of the annual meeting, which notice must contain specified information concerning the nominees and concerning the stockholder proposing such nominations. In the event that less than 100 days notice or prior public disclosure of the date of the annual meeting is given or made to stockholders, notice by the stockholders must be received not later than the close of business on the tenth day following the earlier of the day on which such notice of the date of the annual meeting was mailed or such public disclosure was made. A copy of the full text of the Bylaw provisions discussed above may be obtained by writing to our corporate secretary. All notices of proposals by stockholders, whether or not included in our proxy materials, should be sent to our corporate secretary at 9911 Willows Road N.E., Redmond, Washington 98052, Attention: Corporate Secretary.

Householding of Proxy Materials

We have adopted a procedure approved by the U.S. Securities and Exchange Commission (SEC) called householding. Under this procedure, stockholders of record who have the same address and last name and do not participate in electronic delivery of proxy materials will receive only one set of our proxy materials unless one or more of these stockholders notifies us that they wish to continue receiving individual copies. We believe this will provide greater convenience for our stockholders, as well as cost savings for us, by reducing the number of duplicate documents that are sent to your home.

Stockholders who participate in householding will continue to receive separate proxy cards. Householding will not in any way affect your rights as a stockholder.

If you are eligible for householding and currently receive multiple copies of our proxy materials with other stockholders of record with whom you share an address or if you hold stock in more than one account, and in either case you wish to receive only a single copy of these documents for your household, please contact our corporate secretary at 9911 Willows Road N.E., Redmond, Washington 98052, Attention: Corporate Secretary, or by telephone at (425) 861-5858.

If you participate in householding and wish to receive a separate copy of our Annual Report on Form 10-K or this Proxy Statement, or if you do not wish to participate in householding and prefer to receive separate copies of these documents in the future, please contact our corporate secretary at the address or telephone number indicated above and we will promptly deliver to you separate copies of these documents.

Beneficial stockholders can request information about householding from their banks, brokers, or other holders of record.

PROPOSAL ONE

ELECTION OF CLASS III DIRECTORS

Our Certificate of Incorporation provides that our Board of Directors is to be divided into three classes of directors, designated as Class I, Class II, and Class III. Our Board of Directors currently consists of eight members, with three members in each of Classes I and II, and two members in Class III. Upon the expiration of the term of a class of directors, nominees for that class are elected to serve for a term of three years and until their respective successors have been elected and qualified. The current terms of the two Class III directors, Francis A. (Fran) Dramis, Jr. and Stephen F. Thornton, expire upon the election and qualification of the directors to be elected at the annual meeting. Following the recommendation of our Nominating and Governance Committee, our Board of Directors has nominated Messrs. Dramis and Thornton for reelection to the Board of Directors at the annual meeting, to serve until the annual meeting of stockholders to be held in 2009. The terms of the Class I and Class II directors expire at the annual meetings of stockholders to be held in 2007 and 2008, respectively.

Unless otherwise directed, the persons named in the proxy intend to vote all proxies FOR the election of Messrs. Dramis and Thornton to the Board of Directors. The nominees have consented to serve as our directors if elected. If, at the time of the annual meeting, either of the nominees is unable or declines to serve as a director, the discretionary authority provided in the enclosed proxy will be exercised to vote for a substitute candidate designated by the Board of Directors. The Board of Directors has no reason to believe that either of the nominees will be unable, or will decline, to serve as a director.

PROPOSAL TWO

**TO RATIFY THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS
OUR INDEPENDENT AUDITORS FOR THE YEAR ENDED DECEMBER 31, 2006**

Our Audit Committee has appointed the firm of PricewaterhouseCoopers LLP to conduct an audit in accordance with generally accepted auditing standards of our financial statements for the fiscal year ending December 31, 2006. A representative of that firm is expected to be present at the annual meeting to respond to appropriate questions and will be given an opportunity to make a statement if he or she so desires. The Audit Committee has discussed with PricewaterhouseCoopers its independence from us and our management, and this discussion included consideration of the matters in the written disclosures required by the Independence Standards Board and the potential impact that non-audit services provided to us by PricewaterhouseCoopers could have on its independence. This appointment is being submitted for ratification at the meeting. If not ratified, the Audit Committee will reconsider this appointment, although the Audit Committee will not be required to appoint different independent auditors. PricewaterhouseCoopers has served as our independent auditors since July 2000.

Vote Required and Board of Directors Recommendation

The affirmative vote of the holders of a majority of the shares of our common stock present or represented and voting at the annual meeting will be required to approve this proposal.

THE AUDIT COMMITTEE HAS APPROVED THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS OUR INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2006, AND THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THIS APPOINTMENT.

PROPOSAL THREE

**APPROVAL OF AN AMENDMENT TO THE
AVOCENT CORPORATION 2005 EQUITY INCENTIVE PLAN
TO INCREASE THE NUMBER OF SHARES AVAILABLE FOR AWARDS UNDER THE PLAN**

Our 2005 Equity Incentive Plan (the "2005 Plan") was adopted by our Board of Directors and approved by the stockholders in 2005. The purposes of the Plan are to attract and retain the best available personnel for positions of substantial responsibility, to provide additional incentive to our directors, employees, and consultants, and to promote the success of our business.

As of April 14, 2006, a total of 3,657,105 shares of our Common Stock is presently available for Awards under the 2005 Plan. As of April 14, 2006, 52,400 option Awards had been exercised under the 2005 Plan, and there were option Awards outstanding to purchase an aggregate of 295,480 shares at a weighted average exercise price of \$26.53 per share.

The Board of Directors believes that the number of shares remaining available for awards under the Plan is insufficient to satisfy the purposes of the 2005 Plan unless additional shares are authorized, and you are being asked to approve an amendment, which was unanimously approved by our Board of Directors, to the Avocent Corporation 2005 Equity Incentive Plan to increase by two million two hundred fifty thousand the number of shares that may be awarded under the 2005 Plan. In addition, this amendment to the 2005 Plan is being submitted to stockholders for approval in order to enable us to grant certain awards under the 2005 Plan that may qualify as performance-based compensation for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code").

Amendment Approval

We strongly believe that the amendment to our 2005 Plan for the reservation of additional shares is essential to our continued success. The Board and management believe that equity awards motivate high levels of performance, align the interests of service providers and stockholders by giving employees the perspective of an owner with an equity stake in the Company, and provide an effective means of recognizing service provider contributions to our success. Our recent acquisition of Cyclades Corporation added approximately 325 new employees, and the Board and management believe that equity awards are of great value in recruiting and retaining personnel who help us meet its goals, as well as rewarding and encouraging current service providers. The Board and management believe that the ability to grant equity awards will be important to our future success.

The terms of our 2005 Plan specify that the pool of shares available for issuance under the 2005 Plan are reduced at a two-for-one rate for every Award of restricted stock, performance shares, or restricted stock units with a per share price less than the fair market value of our common stock on the date of the Award. In the past, we have granted stock options that were not subject to this two-for-one rule, but after a comprehensive review of our incentive compensation programs with an independent compensation consultant, our Compensation Committee and Board of Directors have concluded that future Awards will likely consist of restricted stock (or restricted stock units) and performance shares rather than stock options, and recently made approximately 897,000 Awards of restricted stock units and performance shares, which as a result of this two-for-one rule, reduced the pool of shares available under our 2005 Plan by 1,794,000. As a result, we believe we need to increase the number of available shares to meet our future needs. If the amendment is approved, we will have approximately 4,113,105 shares of

Edgar Filing: AVOCENT CORP - Form DEFR14A

our common stock available for Awards, but effectively, we will only be able to make approximately 2,056,552 Awards of restricted stock, performance shares, or restricted stock units under the 2005 Plan.

Starting in 2006, we were required by new accounting regulations to record a charge to earnings for employee and director stock option grants, and the 2005 Plan allows us to grant a wide range of awards, including restricted stock, restricted stock units, stock appreciation rights, performance shares, performance units, dividend

equivalents, and deferred stock units, which will help us achieve our goal of attracting, retaining, and motivating talented personnel.

As of April 14, 2006, there were approximately 1,308 employees (including officers) and six non-employee members of our Board of Directors eligible to participate in the 2005 Plan.

Vote Required and Board of Directors Recommendation

The affirmative vote of the holders of a majority of the shares of our common stock present or represented and voting at the annual meeting will be required to approve this proposal.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE APPROVAL OF THE AMENDMENT TO THE 2005 PLAN.

Our executive officers and members of our Board have an interest in this proposal as they may receive awards under the 2005 Plan.

2005 Plan Summary

The following paragraphs provide a summary of the principal features of the 2005 Plan and its operation. The 2005 Plan is set forth in its entirety as [Appendix A](#) to this Proxy Statement. The following summary is qualified in its entirety by reference to the 2005 Plan.

Eligibility. Options, restricted stock, restricted stock units, stock appreciation rights, performance shares, performance units, deferred stock units, and dividend equivalents may be granted under the 2005 Plan. Options granted under the 2005 Plan may be either incentive stock options, as defined in Section 422 of the Code, or nonstatutory stock options. Nonstatutory stock options, restricted stock, restricted stock units, performance shares, performance units, stock appreciation rights, deferred stock units, and dividend equivalents may be granted under the 2005 Plan to our directors, employees, or consultants. Incentive stock options may be granted only to our employees. The Administrator of the 2005 Plan (as defined below), in its discretion, selects the person(s) to whom options, restricted stock, restricted stock units, stock appreciation rights, performance shares, performance units, deferred stock units, and dividend equivalents (collectively, Awards) may be granted, the time or times at which Awards are granted, and the number of shares subject to each such Award.

Code Section 162(m) Annual Limitations. The 2005 Plan provides that no person(s) may be granted, in any fiscal year, options or stock appreciation rights to purchase more than 400,000 shares of common stock; provided, however, the limit will be 1,200,000 shares for a person's first fiscal year of service with us. No more than 200,000 shares of

restricted stock, restricted stock units, or performance shares (which may include related dividend equivalent grants) may be granted to a person in any fiscal year; provided, however, the limit will be 600,000 shares for a person's first fiscal year of service with us. In addition, no person(s) may receive performance units, in any fiscal year, having an initial value greater than \$1,000,000; provided, however, that the limit will be \$3,000,000 for such person's first fiscal year of service with us.

Shares Available For Issuance. Upon approval of this amendment by stockholders, a total of 3,113,105 shares of common stock will be available for Awards under the 2005 Plan, plus any shares subject to any outstanding options under our current stock options plans that subsequently expire unexercised. As noted above, any shares subject to restricted stock, performance shares, or restricted stock units with a per share price less than the fair market value of our common stock on the date of the Award will be counted against the authorized share reserve as two shares for every one share subject to the Award, and if any such shares are returned to the 2005 Plan, such shares will be counted as two shares. If an Award expires or becomes unexercisable without having been exercised in full (or, with respect to restricted stock, performance shares, or restricted stock units, is forfeited

to or repurchased by us), the unpurchased shares (or, for Awards other than options and stock appreciation rights, the forfeited or repurchased shares) will become available for future Awards. With respect to stock appreciation rights, shares issued pursuant to a stock appreciation right, as well as the shares withheld to pay the exercise price, will not be available under the 2005 Plan for future Awards and from and after the effective date of the 2005 Plan, shares reserved for issuance upon grant of stock appreciation rights shall not become available for issuance under the 2005 Plan to the extent the number of reserved shares exceeds the number of shares actually issued upon exercise of the stock appreciation rights. Shares of restricted stock, performance shares, or restricted stock units that are repurchased by us at the fair market value on the date of the original Award, or are forfeited to us, will become available for future grant under the 2005 Plan. Shares used to pay the exercise price of an option will not become available for future Awards, and shares used to satisfy tax withholding obligations will also not become available for future Awards under the 2005 Plan. To the extent a 2005 Plan Award is paid out in cash rather than stock, such cash payment will not reduce the number of shares available for issuance under the 2005 Plan. Any payout of dividend equivalents or performance units, because they are payable only in cash, will not reduce the number of shares available for issuance under the 2005 Plan. Conversely, any forfeiture of dividend equivalents or performance units will not increase the number of shares available for issuance under the 2005 Plan.

Administration. The 2005 Plan may generally be administered by the Board or a committee appointed by the Board (as applicable, the Administrator). In the case of Awards intended to qualify as performance-based compensation within the meaning of Section 162(m) of the Code, the committee will consist of two or more outside directors within the meaning of Section 162(m).

Terms and Conditions of Options. Each option will be evidenced by a stock option agreement between us and the optionee, and is subject to the following additional terms and conditions:

Exercise Price. The Administrator determines the exercise price of options at the time the options are granted. The exercise price of a stock option may not be less than 100% of the fair market value of our common stock on the date such option is granted; provided, however, the exercise price of an incentive stock option granted to a 10% stockholder may not be less than 110% of the fair market value of our common stock on the date such option is granted. The fair market value of our common stock is generally determined with reference to the closing sale price for our common stock (or the closing bid if no sales were reported) on the date the option is granted.

Exercise of Option; Form of Consideration. The Administrator determines when options become exercisable and may, in its discretion, accelerate the vesting of any outstanding option. The 2005 Plan permits payment to be made by cash, check, other shares of our common stock (with some restrictions), a broker-assisted same day sale, any other form of consideration permitted by applicable law, or any combination thereof.

Term of Option. The term of an option may be no more than ten (10) years from the date of grant; provided that in the case of an incentive stock option granted to a 10% stockholder, the term of the option may be no more than five (5) years from the date of grant. No option may be exercised after the expiration of its term.

Termination of Employment. If the optionee's service with us terminates for any reason other than death or disability or unless the Administrator otherwise approves, the options may be exercised as provided in the applicable option

agreement. In the absence of a specified time in the agreement, the options may be exercised for up to three months after such termination (but in no event later than the expiration of the term of the option) and may be exercised only to the extent the option was exercisable on the termination date.

Death or Disability. If an optionee ceases to be a service provider for us as a result of his or her death or disability, then options held by such optionee may be exercised as provided in the applicable option agreement. In the absence of a specified time in the agreement, the options may be exercised for twelve months after such cessation of service (but in no event later than the expiration of the term of the option) and only to the extent the option was exercisable on the date of death or disability.

Stock Appreciation Rights. Stock appreciation rights are Awards that grant the participant the right to receive

an amount equal to (i) the number of shares exercised, times (ii) the amount by which our stock price exceeds the exercise price. An individual will be able to profit from a stock appreciation right only if the fair market value of the stock increases above the exercise price. Our obligation arising upon the exercise of a stock appreciation right may be paid in shares or in cash, or any combination thereof, as the Administrator may determine and as set forth in the stock appreciation right agreement. The Administrator determines the terms of stock appreciation rights. However, a stock appreciation right may not be granted with an exercise price below 100% of the fair market value of the underlying stock on the date of the grant. Moreover, a stock appreciation right will expire no later than ten years after the date of grant.

Restricted Stock. Restricted stock Awards are shares of our common stock that vest in accordance with terms and conditions established by the Administrator, and the Administrator may, in its sole discretion, accelerate the vesting of any restricted stock Awards. The Administrator will determine the number of shares of restricted stock granted to any service provider. The Administrator may impose whatever conditions to vesting it determines to be appropriate, which will typically be based principally or solely on continued service but may include a performance-based component. Shares of restricted stock that do not vest are subject to our right of repurchase or forfeiture. Unless the Administrator determines otherwise, shares of restricted stock will be held by us as escrow agent until any restrictions on the shares have lapsed.

Restricted Stock Units. Each restricted stock unit represents one share of our common stock for purposes of determining the number of shares subject to a restricted stock unit Award. Restricted stock units will vest in accordance with terms and conditions established by the Administrator, and the Administrator may, in its sole discretion, accelerate the vesting of any restricted stock unit Awards. The Administrator will determine the number of shares of restricted stock units awarded to any service provider. The Administrator may impose whatever conditions to vesting it determines to be appropriate which will typically be based principally or solely on continued service but may include a performance-based component. Earned restricted stock units are paid out in shares of our common stock.

Performance Units and Performance Shares. Performance units and performance shares may be granted under our 2005 Plan. Performance units and performance shares are Awards that will result in a payment to a participant only if performance goals established by the Administrator are achieved or the Awards otherwise vest. The Administrator will establish organizational or individual performance goals in its discretion, and depending on the extent to which they are met, these goals will determine the number and/or the value of performance units and performance shares to be paid out to participants. Performance units are settled in a cash equivalent equal to the fair market value of our common stock as determined on the vesting date. Each performance share will be the equivalent of one share of our common stock for the purposes of determining the number of shares subject to a performance share Award.

Performance Goals. Under Section 162(m) of the Code, the annual compensation paid to our Chief Executive Officer and to each of our other four most highly compensated executive officers may not be deductible for federal income tax purposes to the extent it exceeds \$1 million. However, we are able to preserve the deductibility of compensation in excess of \$1 million if the conditions of Section 162(m) are met. These conditions include stockholder approval of the 2005 Plan, setting limits on the number of Awards that any individual may receive, and for Awards other than options, establishing performance criteria that must be met before the Award actually will vest or be paid. We have designed the 2005 Plan so that it permits us to pay compensation that qualifies as performance-based under Section 162(m). Thus, the Administrator (in its discretion) may make performance goals applicable to a participant with respect to an Award. At the Administrator's discretion, one or more of the following performance goals may apply (all of which are

defined in the 2005 Plan): our annual revenues, cash position, earning per share, net income, operating cash flow, operating income, operational earnings per share, return on assets, return on equity, return on sales, the prices of our common stock, and total stockholder return. The Administrator will automatically adjust any evaluation of performance under a performance goal to exclude (i) any extraordinary non-recurring items, (ii) the effect of any changes in accounting principles affecting our business or the reported results of one of our business units, or (iii) the effect of any business acquisition that was not contemplated at the time the performance goals were established.

Deferred Stock Units. Our 2005 Plan permits the grant of deferred stock units, which may consist of restricted stock, performance shares, or performance unit Awards that are paid out in installments or on a deferred basis in accordance with rules and procedures established by the Administrator.

Nontransferability of Awards. Unless determined otherwise by the Administrator, Awards granted under the 2005 Plan are not transferable other than by will or the laws of descent and distribution, and may be exercised during the participant's lifetime only by the participant, or in the event of the participant's death, by the optionee's estate or by a person who acquires the right to exercise the Award. Notwithstanding any action by the Administrator to make an Award transferable, no transfer for value or consideration shall be made without the prior approval of our stockholders.

Adjustments upon Changes in Capitalization. In the event that our common stock changes by reason of any stock split, reverse stock split, stock dividend, combination, reclassification, or other similar change in our capital structure effected without the receipt of consideration, appropriate adjustments will be made in the number and class of shares of stock subject to the 2005 Plan, the number and class of shares of stock subject to any Award outstanding under the 2005 Plan, the exercise or purchase price of any such outstanding Award, and the annual per-person limits applicable to different types of Awards. In the event of our liquidation or dissolution, the Administrator will notify each participant as soon as practicable prior to such liquidation or dissolution. The Administrator may, in its discretion, provide that each participant will have the right to exercise his or her options or stock appreciation rights as to all shares subject to the Awards. In addition, the Administrator may provide that any right we have to repurchase or forfeit other Awards will lapse and become fully vested.

Change in Control. In the event of a change in control of us, the successor corporation will either assume or provide a substitute Award for each outstanding Award. In the event the successor corporation refuses to assume or provide a substitute Award, the Award will immediately vest and become exercisable as to all of the shares subject to such Award, or if applicable, the Award vesting will be fully accelerated. When making Awards under the 2005 Plan, the Administrator may also, in its sole discretion, provide for the acceleration of vesting in the event of a change of control. In addition, if an option or stock appreciation right has become fully vested and exercisable in lieu of assumption or substitution, the Administrator will provide at least 15 days' notice that the option or stock appreciation right will immediately vest and become exercisable as to all of the shares subject to such Award and all outstanding options and stock appreciation rights will terminate upon the expiration of such notice period. A change in control is defined as (i) the acquisition by any person of 25% or more of the combined voting power of the Company's outstanding securities, (ii) a change in the composition of our Board of Directors within any 24 month period as a result of which individuals who were directors at the beginning of any such period (together with any other directors first elected by at least two-thirds of the directors in office immediately prior to any such election) cease to constitute a majority of our Board of Directors, (iii) a consolidation or merger approved by stockholders in which we are not the continuing or surviving company or pursuant to which our shares are not converted into cash, securities, or other property, or (iv) stockholders approve any sale, exchange, liquidation, or transfer of substantially all of the assets of the Company approved by stockholders.

Amendment and Termination of the 2005 Plan. Our Board may amend, alter, suspend, or terminate the 2005 Plan, or any part thereof, at any time and for any reason, but it may not materially amend the 2005 Plan without obtaining stockholder

approval. No such action by the Board or stockholders may impair any Award previously granted under the 2005 Plan without the written or electronic consent of the participant.

Stock Price. On April 14, 2006, the closing price of the common stock as quoted on the Nasdaq National Market was \$30.96.

Federal Income Tax Consequences

The following paragraphs are a summary of the general federal income tax consequences to U.S. taxpayers and to us of Awards granted under the 2005 Plan. It does not purport to be complete and does not discuss the tax

consequences of the participant's death or the provisions of the income tax laws of any municipality, state, or foreign country in which the employee may reside. Tax consequences for any particular individual may be different.

Incentive Stock Options. An optionee who is granted an incentive stock option does not recognize taxable income at the time the option is granted or upon its exercise, although the exercise is an adjustment item for alternative minimum tax purposes and may subject the optionee to the alternative minimum tax. Upon a disposition of the shares more than two years after grant of the option and one year after exercise of the option, any gain or loss (that is, the difference between the sale price and the exercise price of the option) is treated as long-term capital gain or loss. If these holding periods are not satisfied, the optionee recognizes ordinary income at the time of disposition equal to the difference between the exercise price and the fair market value of the shares at the date of the option exercise (or the sale price of the shares, if less). Any additional gain or loss recognized on such a disposition of the shares is treated as long-term or short-term capital gain or loss, depending on how long the optionee held the shares. A different rule for measuring ordinary income upon such a premature disposition may apply if the optionee is also one of our officers, directors, or ten percent stockholders. Unless limited by Section 162(m) of the Code, we are entitled to a deduction in the same amount as the ordinary income recognized by the optionee.

Nonstatutory Stock Options. An optionee does not recognize any taxable income at the time he or she is granted a nonstatutory stock option. Upon exercise, the optionee recognizes taxable income generally measured by the excess of the then fair market value of the shares (on the exercise date) over the exercise price. Any taxable income recognized in connection with an option exercise by an employee is subject to tax withholding by us. Upon a disposition of such shares by the optionee, any additional gain or loss is treated as long-term or short-term capital gain or loss, depending on how long the optionee held the shares. Unless limited by Section 162(m) of the Code, we are entitled to a deduction in the same amount as the ordinary income recognized by the optionee.

Restricted Stock. A participant will generally recognize ordinary income on receipt of an Award of restricted stock when his or her rights in that Award become substantially vested, in an amount equal to the amount by which the then fair market value of the common stock acquired exceeds the price he or she has paid for it, if any. Recipients of restricted stock may, however, within 30 days of receiving an Award of restricted stock, choose to have any applicable risk of forfeiture disregarded for tax purposes by making a 83(b) election under the Code. If the participant makes an 83(b) election, he or she will have to report ordinary income equal to the difference between the value of the shares and the price paid for the shares, if any, at the time of the receipt of the restricted stock Award. Any ordinary income recognized by the participant generally will be deductible by us.

Stock Appreciation Rights. A participant does not recognize taxable income upon grant of a stock appreciation right. Upon exercise, the participant recognizes ordinary income in an amount equal to the amount of cash received and the fair market value of any shares received. Any additional gain or loss recognized upon any later disposition of the shares would be capital gain or loss. Stock appreciation rights that may be settled in cash may be subject to earlier taxation and an additional 20% tax under Section 409A of the Code.

Restricted Stock Units, Performance Units, and Performance Shares. A participant does not recognize taxable income upon grant of restricted stock units, performance units, or performance shares. Instead, he or she recognizes ordinary income at the time of vesting equal to the fair market value (on the vesting date) of the shares or cash received minus any amount paid for the shares.

Deferred Stock Units. A participant will not have taxable income upon the grant of a deferred stock unit (except in the case of restricted stock acquired pursuant to a stock purchase right pursuant to which a participant elected to be taxed at the time of grant, as described under *Restricted Stock* above). Instead, a participant generally will recognize the income at the time of the receipt of the shares subject to the Award equal to the difference between the fair market value of the shares at the time of receipt and any amount paid for the shares. However, a participant will be subject to employment taxes at the time a deferred stock unit vests, even if the participant has not yet received the shares subject to the Award. Depending on the structure of the Deferred Stock Award, it may result in earlier taxation and an additional 20% tax under Section 409A of the Code.

Tax Effect for the Company. We will generally be entitled to a tax deduction in connection with an Award in an amount equal to the ordinary income realized by a participant and at the time the participant recognizes such income (for example, the exercise of a nonstatutory stock option), unless limited by Section 162(m) of the Code. Our 2005 Plan permits the Administrator to grant Awards that qualify as performance-based compensation for purposes of satisfying the conditions of Section 162(m) of the Code, thereby permitting us to receive a federal income tax deduction in connection with such Awards.

Section 409A. Section 409A of the Code (Section 409A), enacted as part of the American Jobs Creation Act of 2004, imposes certain new requirements applicable to nonqualified deferred compensation plans. If a nonqualified deferred compensation plan subject to Section 409A fails to meet, or is not operated in accordance with, these new requirements, then all compensation deferred under the plan may become immediately taxable. Stock appreciation rights and deferred stock unit Awards which may be granted under the 2005 Plan may constitute deferred compensation subject to the Section 409A requirements. If an Award is subject to and fails to satisfy the requirements of Section 409A, the recipient of that Award may recognize ordinary income on the amounts deferred under the Award, to the extent vested, which may be prior to when the compensation is actually or constructively received. Also, if an Award that is subject to Section 409A fails to comply with Section 409A's provisions, Section 409A imposes an additional 20% federal income tax on compensation recognized as ordinary income, as well as interest on such deferred compensation. The Internal Revenue Service has not issued final regulations under Section 409A and, accordingly, the requirements of Section 409A (and the application of those requirements to Awards issued under the 2005 Plan) are not entirely clear. It is our intention that any Award granted under the 2005 Plan will comply with Section 409A.

Accounting Treatment. Prior to 2006, employee Awards of stock options and Awards of stock options to members of our Board of Directors with purchase prices at or above fair market value on the grant date did not typically result in any direct charge to our reported earnings, and the fair market value of these Awards was required to be disclosed in the notes to our financial statements. We also disclosed, in the notes to our financial statements, the pro forma impact these Awards would have on our reported earnings and earnings per share if the fair value of the Awards at the time of grant was treated as compensation expense. Effective 2006, the SEC requires mandatory expensing for equity Awards. Accordingly, all 2005 Plan Awards granted after December 31, 2005, and all unvested stock options then outstanding will result in expense charges to our reported earnings. This expense will typically be recognized over the related vesting period.

New Plan Benefits. The 2005 Plan provides that the number of Awards that an employee, director, or consultant receives is in the discretion of the Administrator. The following table sets forth information with respect to Awards made under the 2005 Plan on April 25, 2006 to our executive officers named in the Summary Compensation Table, other employees, and members of our Board of Directors. All Awards consisted of restricted stock (or restricted stock units) and performance shares. All Awards vest over two or three years, and in some cases, are further subject to the achievement of certain performance goals.

CORPORATE GOVERNANCE AND BOARD MATTERS

Board of Directors and Committee Meetings

During 2005, our Board of Directors met thirteen times. There were four meetings of the Acquisition and Strategy Committee, twelve meetings of the Audit Committee, six meetings of the Compensation Committee, and three meetings of the Nominating and Governance Committee during 2005. Each director attended at least 75% of the aggregate of all meetings of the Board of Directors and of the committees, if any, on which such director served. Although we do not have a formal policy regarding attendance by members of the Board of Directors at our annual meeting of stockholders, our directors are encouraged to attend. Three of our directors attended the last annual meeting of stockholders.

Determinations Regarding Director Independence and Other Matters

The Board of Directors has determined that each of Harry D. Copperman, Francis A. Dramis, Jr., Edwin L. Harper, William H. McAleer, and David P. Vieau is an independent director as that term is defined in Marketplace Rule 4200(a)(15) of the National Association of Securities Dealers (the NASD). In this Proxy Statement, these five directors are referred to individually as an Independent Director and collectively as Independent Directors. The Independent Directors generally meet in executive session at each quarterly Board meeting.

The Board of Directors has also determined that each member of the Audit Committee, the Compensation Committee, and the Nominating and Governance Committee meets the independence standards applicable to those committees prescribed by the NASD, the SEC, and the Internal Revenue Service.

Finally, the Board of Directors has determined that William H. McAleer, the Chairman of the Audit Committee, is an audit committee financial expert as that term is defined in Item 401(h) of Regulation S-K promulgated by the SEC.

Avocent's Code of Conduct, as adopted by the Board of Directors on April 22, 2004, is available on our website at www.Avocent.com.

Lead Independent Director

In April 2003, the Independent Directors selected Edwin L. Harper as the Lead Independent Director. As such, Mr. Harper presides at meetings of the Independent Directors, and has the other responsibilities prescribed in the Lead Independent Director Responsibility Statement that was adopted by our Board and is available on our website at www.Avocent.com.

Committees of the Board of Directors

During 2005, our Board of Directors had four standing committees: the Acquisition and Strategy Committee, the Audit Committee, the Compensation Committee, and the Nominating and Governance Committee. All of the committee charters, as adopted by our Board of Directors, are available on our website at www.Avocent.com. The functions performed by each committee and the members of each committee are described below.

Acquisition and Strategy Committee. The Acquisition and Strategy Committee oversees our strategic direction and our acquisitions strategy and reviews specific acquisition proposals. The current members of the Acquisition and Strategy Committee are Harold D. Copperman (Chairman), Francis A. Dramis, Jr., Edwin L. Harper, and William H. McAleer.

Audit Committee. The Audit Committee reviews with our independent registered public accounting firm the scope, results, and costs of the annual audit and our accounting policies and financial reporting. Our Audit Committee has (i) direct responsibility for the appointment, compensation, retention, and oversight of our

independent registered public accounting firm, (ii) established procedures for handling complaints regarding our accounting practices, (iii) authority to engage any independent advisors it deems necessary to carry out its duties, and (iv) appropriate funding to engage any necessary outside advisors. The current members of the Audit Committee are William H. McAleer (Chairman), Harold D. Copperman, and Edwin L. Harper. The Audit Committee report is set forth below. The Audit Committee reviews and reassesses the adequacy of its Charter on an annual basis, and the Audit Committee Charter is set forth as [Appendix B](#) to this Proxy Statement.

Compensation Committee. The Compensation Committee oversees our compensation and benefits practices and programs. The current members of the Compensation Committee are David P. Vieau (Chairman), Harold D. Copperman, and Edwin L. Harper.

Nominating and Governance Committee. The Nominating and Governance Committee reviews candidates and makes recommendations of nominees (in consultation with the Lead Independent Director) for the Board of Directors. The Committee also oversees our corporate governance and compliance activities. See the section above entitled *Stockholder Proposals for the Next Annual Meeting* and our Bylaws for the proper proposal procedures. The current members of the Nominating and Governance Committee are Francis A. Dramis, Jr. (Chairman), Harold D. Copperman, and David P. Vieau.

Director Nomination Policy

The Nominating and Governance Committee has adopted a policy with respect to the consideration of director candidates recommended by stockholders. Pursuant to the policy, any stockholder may nominate a director candidate by following the procedures described in the section above entitled *Stockholder Proposals for the Next Annual Meeting* and as prescribed in our Bylaws. In addition, stockholders who have held at least 5% of our outstanding stock for at least one year may submit recommendations for candidates to be considered for nomination by our Nominating and Governance Committee. In order to make a recommendation to the Committee, a stockholder must deliver a written request to our corporate secretary which satisfies the notice, information, and consent requirements set forth in the *Policies and Procedures for Director Candidates* of the Nominating and Governance Committee, which can be found on our website at www.Avocent.com.

The Nominating and Governance Committee will evaluate the qualifications of all director recommendations that are properly submitted by stockholders, management, members of the Board of Directors, and to the extent deemed necessary, third-party search firms. We have in the past paid a third party to assist us in identifying, evaluating, and screening potential candidates for nomination to the Board of Directors, and we may do so in the future. In assessing potential candidates, the Nominating and Governance Committee considers relevant factors, including, among other things, issues of character, judgment, independence, expertise, diversity of experience, length of service, and other commitments. In addition, the Committee considers the suitability of each candidate, taking into account the current members of the Board of Directors, in light of the current size and composition of the Board of Directors. After completion of its evaluation of candidates, the Nominating and Governance Committee will recommend a slate of director-nominees to the Board of Directors.

Communications With the Board

If the communication requires a response, our General Counsel and Secretary will assist our Lead Independent Director (or other Directors) in preparing the response.

AUDIT COMMITTEE REPORT FOR THE YEAR ENDED DECEMBER 31, 2005

The Audit Committee oversees the financial reporting process of Avocent Corporation (Avocent or the Company) on behalf of the Company s Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the annual report with management, including a discussion of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with PricewaterhouseCoopers LLP, the Company s independent registered public accounting firm that is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, an opinion on management s assessment of internal controls over financial reporting, and an opinion on the Company s internal controls over financial reporting, its judgments about Avocent s accounting principles and the other matters required to be discussed with the Audit Committee under generally accepted auditing standards, including Statement on Auditing Standards No. 61 (*Communications with Audit Committees*). In addition, the Audit Committee has discussed with PricewaterhouseCoopers LLP its independence from the Company and from the Company s management, and this discussion included consideration of the matters in the written disclosures required by Independence Standards Board Standard No. 1 that were received by the Audit Committee from PricewaterhouseCoopers LLP and the potential impact the non-audit services provided by PricewaterhouseCoopers could have on its independence.

The Audit Committee discussed with PricewaterhouseCoopers the overall scope and plans for its audits. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of its audits and quarterly reviews, its observations regarding the Company s internal controls, and the overall quality of the Company s financial reporting. There were twelve meetings of the Audit Committee during 2005.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the 2005 audited financial statements be included in the annual report on Form 10-K for the year ended December 31, 2005 for filing with the Securities and Exchange Commission.

- (1) The information provided in this table is based on information pertaining to options granted to them by Avocent during the fiscal year ended December 31, 2005.
- (2) No stock appreciation rights were granted to executive officers in our last completed fiscal year.
- (3) The potential realizable value illustrates value that might be realized upon exercise of the options immediately prior to the expiration of their terms, assuming the specified compounded rates of appreciation of the market price per share from the date of grant to the end of the option term. Actual gains, if any, on stock option exercise are dependent upon a number of factors, including the future performance of our common stock and the timing of option exercises, as well as the optionees' continued employment throughout the vesting period. There can be no assurance that the amounts reflected in this table will be achieved.
- (4) The percentages listed in this column are based on stock options to purchase 343,580 shares granted to our employees during the year 2005.
- (5) The exercise price may be paid in cash or in mature shares of common stock (held by the officer for more than six months) valued at fair market value on the exercise date.

COMPENSATION OF DIRECTORS

Effective February 2005, we pay our non-executive directors an annual cash fee of \$35,000 for their service on our Board of Directors and its committees. In addition, we pay our Lead Independent Director an additional annual fee of \$35,000, the Chairman of our Audit Committee an additional annual fee of \$10,000, and the Chairmen of our other Committees of the Board of Directors an additional annual fee of \$5,000 each. We also paid \$1,500 for attendance in person or by telephone at each Audit Committee meeting and \$1,000 for attendance in person or by telephone at Board of Directors or other committee meetings during 2005. Messrs. Copperman, Dramis, Harper, McAleer, Thornton, and Vieau received compensation of \$74,388, \$61,833, \$106,790, \$81,139, \$52,028, and \$61,141, respectively, for their services as directors (including participation in committee meetings) during 2005. In June 2005, Messrs. Copperman, Dramis, Harper, McAleer, Thornton, and Vieau each received options to purchase 4,200 shares of our common stock, at an exercise price of \$26.14, vesting on December 31, 2005.

In October 2003, we amended the option agreements we have with our Independent Directors to specify that, in the event of a change in control of Avocent, any outstanding options held by each such director shall become fully vested and immediately available for exercise. Future equity award agreements we have with our directors may contain comparable change in control provisions under which any outstanding equity awards become fully vested and immediately available.

EMPLOYMENT CONTRACTS AND SEVERANCE AGREEMENTS

We have entered into employment agreements with certain of our executive officers, including each of those executive officers named in the Summary Compensation Table. Under each agreement, the employee receives an annual base salary, subject to annual increases at the discretion of the Compensation Committee of the Board of Directors not less than the annual cost of living increase percentage, and is entitled to receive an annual bonus at the discretion of the Compensation Committee based on our performance and the performance of the executive officer and to participate in stock option plans and all other benefit programs generally available to our executive officers.

Under the terms of the employment agreements, our executive officers have also agreed that during the term of their employment and for a term of twelve (12) months thereafter, they will not compete against us, without our prior written consent, by engaging in any capacity in any business activity in the United States, Canada, Europe, or Asia that is substantially similar to, or in direct competition with, our business.

Under the terms of the employment agreements, we may terminate an executive officer's employment for cause, which includes termination by reason of acts of (i) willful dishonesty, fraud, or deliberate injury or attempted injury to us or (ii) the executive officer's willful material breach of the employment agreement that has resulted in material injury to us, in which event, the executive shall receive accrued salary, earned bonus and other benefits through the date of termination but not including severance compensation. If a participating executive officer is terminated by us without cause (including a constructive termination of the executive officer's employment by reason of a material breach by us of his employment agreement), he is entitled to receive his accrued salary, earned bonus, and other benefits through the date of termination, including severance compensation.

Severance compensation is generally equal to the executive officer's base salary at the rate payable at the time of termination for a period of twelve (12) months following the date of termination and an amount equal to the executive officer's average annual bonus during the two years immediately preceding his termination. However, John R. Cooper, our Chairman and Chief Executive Officer, is entitled to his base salary for a period of up to twenty-four months after the date of his termination, and Doyle C. Weeks, our President and Chief Operating Officer, is entitled to his base salary for a period of eighteen months after the date of his termination. At the election of any executive officer, he may receive a lump sum severance amount equal to the present value of such severance payments (using a discount rate equal to the 90-day Treasury bill

interest rate in effect on the date of delivery of such election notice). Under the severance compensation provisions of the employment agreements and equity award agreements with our executive officers, our executive officers are also entitled, upon termination without cause or a

change in control, to accelerate vesting of any award granted under our stock option or equity incentive plans and to a continuation of medical plan benefits for a period of twelve (12) months after the date of termination.

If a change-in-control of Avocent occurs and the executive officer terminates his employment within six (6) months or we terminate his employment within eighteen (18) months, the executive officer is immediately entitled to receive accrued salary, earned bonus, and other benefits through the date of termination, including the severance compensation described above. Except for a change-in-control, executive officers are not entitled to severance compensation for voluntary termination or termination by reason of the executive officer's death or disability.

Under the terms of the employment and other agreements, we agree to indemnify each executive officer for certain liabilities arising from actions taken by the executive officer within the scope of his employment.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee is responsible for establishing and monitoring the general compensation policies and compensation plans of Avocent Corporation, as well as the specific compensation levels for executive officers. It also approves grants of Awards under the Avocent Corporation 2005 Equity Incentive Plan. John R. Cooper, our current President and Chief Executive Officer, generally participates in all discussions and decisions regarding salaries and incentive compensation for employees, except that he is excluded from discussions of or voting on his own salary and incentive compensation.

General Compensation Policy. Under the supervision of the Lead Independent Director and the Compensation Committee, Avocent's compensation policy is designed to attract and retain qualified key executives critical to the Company's growth and long-term success. It is the objective of the Board of Directors to have a portion of each executive's compensation contingent upon Avocent's performance as well as upon the individual's personal performance. Accordingly, each executive officer's compensation package is comprised of three elements: (i) annual base salary, (ii) annual bonus based on the achievement of certain performance goals established for Avocent and for the executive officer, and (iii) equity-based benefit plans that are designed to strengthen the mutuality of interests between the executive officers and Avocent's stockholders.

The summary below describes in more detail the factors that the Compensation Committee considers in establishing each of the three primary components of the compensation package provided to the executive officers.

Base Salary. The level of base salary is established primarily on the basis of the individual's qualifications and relevant experience, the strategic goals for which he or she has responsibility, the compensation levels at companies which compete with Avocent for business and executive talent, and the incentives necessary to attract and retain qualified management. Base salary is adjusted each year to take into account the individual's performance and to maintain a competitive salary structure. Avocent's performance does not play a significant role in the determination of base salary.

Bonuses. Bonuses are awarded by the Compensation Committee based on objective and subjective standards. In awarding executive bonuses, the Compensation Committee considers Avocent's success in achieving specific financial goals and objectives, including revenue growth and earnings growth, and each executive's success in achieving certain individual goals and objectives.

Equity Incentive Plan. In the past, Avocent utilized stock option plans to provide executives and other key employees with incentives to maximize long-term stockholder values. Awards by the Compensation Committee took the form of stock options designed to give the recipient a significant equity stake and thereby closely align his or her interests with those of Avocent's stockholders. Factors considered in making such awards included the individual's position in the Company, his or her performance and responsibilities, and internal comparability considerations. In addition, the Compensation Committee established certain general guidelines in making option grants to executive officers in an attempt to target a fixed number of unvested option shares based upon each individual's position in the Company and his existing holdings of unvested options.

In the past, each option grant allows the executive officer to acquire shares of common stock at a fixed price per share (the fair market value on the date of grant) over a specified period of time (up to 10 years). The options typically vested in periodic installments over a three-year or four-year period, contingent upon the executive officer's continued employment with the Company. Accordingly, the option provided a return to the executive officer only if he or she remains employed by the Company, and then only if the market price of the common stock appreciates over the option term.

In 2006, however, we were required by new accounting regulations to record a charge to earnings for employee and director stock option grants, and last year the Compensation Committee, the Board of Directors, and our shareholders approved the 2005 Equity Incentive Plan to allow us more equity incentive alternatives and a wider range of awards, including restricted stock, restricted stock units, stock appreciation rights, performance shares, performance units, dividend equivalents, and deferred stock units. In making individual awards, the Compensation Committee, working with Radford Surveys and Consulting, established general guidelines for making restricted share or performance share awards, and the Committee will continue to consider the other factors described above for each executive. However, the Compensation Committee is not required to adhere strictly to these guidelines and may vary the size of the equity award to each executive officer as it determines the circumstances warrant.

The restricted stock awards will usually vest in annual installments over a period (typically three years) and will allow an executive officer to acquire unrestricted shares of common stock contingent on the executive officer's continued employment with the Company. In addition, the Compensation Committee may make awards of performance shares that will be earned if certain performance metrics (such as operation earnings, operational earnings growth, operational earnings, or operational earnings per share) are met. Once a particular performance metric is met, the shares would then vest over a two or three year period.

Equity Ownership Guidelines. In April 2006, our Board of Directors approved stock ownership guidelines for our directors and senior corporate officers. Under these ownership guidelines, our Board members are expected to own Avocent stock with a value equal to at least the annual Board retainer, the Company's Chief Executive Officer is expected to own Avocent stock with a value equal to at least three times his base salary, the Company's President and Chief Operating Officer is expected to own Avocent stock with a value equal to at least one and one-half times his base salary, and our other executive officers are expected to own Avocent stock with a value equal to at least the officer's base salary. These ownership levels would be achieved over a period of time by requiring the director or officer to retain a significant portion of any restricted stock award until such time as the required minimum ownership level is reached.

Compensation of the Chief Executive Officer. John R. Cooper was selected as our President and Chief Executive Officer in March 2002. In establishing Mr. Cooper's compensation package for 2005, the Compensation Committee engaged Mellon Human Resources & Investor Solutions as a compensation consultant to review and assess our executive compensation policies and philosophies and equity compensation (particularly in light of SFAS 123R which requires mandatory expensing for equity awards for fiscal years commencing after June 15, 2005). Upon completion of that study, meetings and discussions with Mellon representatives, and following deliberations by both the Compensation Committee and the Board of Directors, the Board of Directors (upon the recommendation of the Compensation Committee) set Mr. Cooper's base salary for 2005 at \$450,000 effective January 1, 2005. Based on the Compensation Committee's evaluation of Mr. Cooper's performance during 2005, and in recognition of progress made by the Company during the fiscal year and for retention purposes, Mr. Cooper was awarded an incentive cash bonus of \$90,000 for 2005.

Edgar Filing: AVOCENT CORP - Form DEFR14A

In establishing Mr. Cooper's compensation package for 2006, the Compensation Committee engaged Radford Surveys and Consulting to again review and assess our executive compensation policies and philosophies and equity compensation. Upon completion of that study, meetings and discussions with Radford representatives, and following deliberations by both the Compensation Committee and the Board of Directors, the Board of Directors (upon the recommendation of the Compensation Committee) set Mr. Cooper's base salary for 2005 at

\$500,000 effective January 1, 2006.

Deductibility of Executive Compensation. The Compensation Committee has considered the impact of Section 162(m) of the Internal Revenue Code, which section disallows a federal income tax deduction for any publicly held corporation for individual compensation exceeding \$1 million in any taxable year for the chief executive officer and the four other most highly compensated executive officers, respectively, unless such compensation meets the requirements for the performance-based exception to Section 162(m). As the cash compensation paid by Avocent to each of these executive officers is expected to be below \$1 million and the Compensation Committee believes that Awards to be made under the 2005 Equity Incentive Plan to such officers will meet the requirements for qualifying as performance-based, the Compensation Committee believes that Section 162(m) will not affect the tax deductions available to the Company with respect to the compensation of executive officers. It is the Compensation Committee's policy to qualify, to the extent reasonable, its executive officers' compensation for deductibility under applicable tax law. However, Avocent may, from time to time, pay compensation to executive officers that may not be deductible.

Such directors, executive officers, and ten-percent stockholders are also required to furnish us with copies of all Section 16(a) forms that they file.

Based solely on a review of the copies of such forms received by us, or written representations from certain reporting persons, we believe that during fiscal 2005, our directors, executive officers, and ten-percent stockholders complied with all Section 16(a) filing requirements applicable to them except that the Thornton Family Limited Partnership, of which Mr. Thornton is a general partner and as to which he may be deemed to share

voting and investment power, failed to timely report a sale of 70,000 shares in February 2006.

In the absence of a specified time in the SAR Agreement, the SAR shall remain exercisable for three months following the Participant's termination. If, on the date of termination, the Participant is not vested as to his or her entire SAR, the Shares covered by the unvested portion of the SAR shall revert to the Plan. If, after termination, the Participant does not exercise his or her SAR within the time specified by the Administrator, the SAR shall terminate, and the Shares covered by such SAR shall revert to the Plan.

(i) **Disability.** If a Participant ceases to be a Service Provider as a result of the Participant's Disability, the Participant may exercise his or her SAR within such period of time as is specified in the SAR Agreement to the extent the SAR is vested on the date of termination (but in no event later than the expiration of the term of such SAR as set forth in the SAR Agreement). In the absence of a specified time in the SAR Agreement, the SAR shall remain exercisable for twelve (12) months following the Participant's termination. If no such beneficiary has been designated by the Participant, then such SAR may be exercised by the personal representative of the Participant's estate or by the person(s) to whom the SAR is transferred pursuant to the Participant's will or in accordance with the laws of descent and distribution. In the absence of a specified time in the SAR Agreement, the SAR shall remain exercisable for twelve (12) months following Participant's death. If the SAR is not so exercised within the time specified herein, the SAR shall terminate, and the Shares covered by such SAR shall revert to the Plan.

11. **Restricted Stock.**

(a) **Grant of Restricted Stock.** Subject to the terms and conditions of the Plan, Restricted Stock may be granted to Participants at any time as shall be determined by the Administrator, in its sole discretion. Subject to Section 7(b) hereof, the Administrator shall have complete

discretion to determine (i) the number of Shares subject to a Restricted Stock award granted to any Participant, and (ii) the conditions that must be satisfied, which typically will be based principally or solely on continued services but may include a performance-based component, upon which is conditioned the grant, vesting or issuance of Restricted Stock.

(b) Other Terms. The Administrator, subject to the provisions of the Plan, shall have complete discretion to determine the terms and conditions of Restricted Stock granted under the Plan. Subject to Section 7(b) hereof, the Administrator shall have complete discretion to determine (i) the number of Shares subject to a Restricted Stock Unit award granted to any Participant, and (ii) the conditions that must be satisfied, which typically will be based principally or solely on continued service but may include a performance-based component, upon which is conditioned the grant or vesting of Restricted Stock Units. Restricted Stock Units shall be granted in the form of units to acquire Shares. Each such unit shall be the equivalent of one Share for purposes of determining the number of Shares subject to an Award. Until the Shares are issued, no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the units to acquire Shares.

(b) **Vesting Criteria and Other Terms.** The Administrator shall set vesting criteria in its discretion, which, depending on

the extent to which the criteria are met, will determine the number of Restricted Stock Units that will be paid out to the Participant. The Administrator may set vesting criteria based upon the achievement of Company-wide, business unit, or individual goals (including, but not limited to, continued employment), or any other basis determined by the Administrator in its discretion.

(c) **Earning Restricted Stock Units.** Upon meeting the applicable vesting criteria, the Participant shall be entitled to receive a payout as specified in the Restricted Stock Unit Award Agreement. Notwithstanding the foregoing, at any time after the grant of Restricted Stock Units, the Administrator, in its sole discretion, may reduce or waive any vesting criteria that must be met to receive a payout.

(d) **Form and Timing of Payment.** Payment of earned Restricted Stock Units shall be made as soon as practicable after the date(s) set forth in the Restricted Stock Unit Award Agreement. The Administrator shall pay earned Restricted Stock Units in Shares.

(e) **Cancellation.** On the date set forth in the Restricted Stock Unit Award Agreement, all unearned Restricted Stock Units shall be forfeited to the Company.

Performance Shares shall be granted in the form of units to acquire Shares. Each such unit shall be the equivalent of one Share for purposes of determining the number of Shares subject to an Award. Until the Shares are issued, no right to vote

or receive dividends or any other rights as a stockholder shall exist with respect to the units to acquire Shares.

(b) **Other Terms.** The Administrator, subject to the provisions of the Plan, shall have complete discretion to determine the terms and conditions of Performance Shares granted under the Plan. Performance Share grants shall be subject to the terms, conditions, and restrictions determined by the Administrator at the time the stock is awarded, which may include such performance-based milestones as are determined appropriate by the Administrator. The Administrator may require the recipient to sign a Performance Shares agreement as a condition of the award. 14. **Performance Units.**

(a) **Grant of Performance Units.** Performance Units are similar to Performance Shares, except that they shall be settled in a cash equivalent to the Fair Market Value of the underlying Shares, determined as of the vesting date. Subject to the terms and conditions of the Plan, Performance Units may be granted to Participants at any time and from time to time as shall be

determined by the Administrator, in its sole discretion. The Administrator shall have complete discretion to determine the conditions that must be satisfied, which typically will be based principally or solely on achievement of performance milestones but may include a service-based component, upon which is conditioned the grant or vesting of Performance Units. 16. **Leaves of Absence.** Unless the Administrator provides otherwise or except as otherwise required by Applicable Laws, vesting of Awards granted hereunder shall cease commencing on the first day of any unpaid leave of absence and shall only recommence upon return to active service.

17. **Part-Time Service.** Unless the Administrator provides otherwise or except as otherwise required by Applicable Laws, any service-based vesting of Awards granted hereunder shall be extended on a proportionate basis in the event an Employee transitions to a work schedule under which they are customarily scheduled to work on less than a full-time basis, or if not on a full-time work schedule, to a schedule requiring fewer hours of service. Such vesting shall be proportionately re-adjusted prospectively in the event that the Employee

subsequently becomes regularly scheduled to work additional hours of service.

18. **Non-Transferability of Awards.** Unless determined otherwise by the Administrator, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the recipient, only by the recipient. If the Administrator makes an Award transferable, such Award shall contain such additional terms and conditions as the Administrator deems appropriate. Notwithstanding any action by the Administrator to make an Award transferable, no transfer for value or consideration shall be made without the prior approval of the Company's stockholders.

19. **Adjustments Upon Changes in Capitalization, Dissolution or Liquidation or Change of Control.**

(a) **Changes in Capitalization.** Subject to any required action by the stockholders of the Company, the number of shares of Common Stock covered by each outstanding Award, the number of shares of Common Stock which have been authorized for issuance under the Plan but as to which no Awards have yet been granted or which have been returned to

the Plan upon cancellation or expiration of an Award, as well as the price per share of Common Stock covered by each such outstanding Award and the 162(m) fiscal year share issuance limits under Sections 7(a) and (b) hereof shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been effected without receipt of consideration. Such adjustment shall be made by the Compensation Committee, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an Award.

(b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each Participant as soon as practicable prior to the effective date of such proposed transaction. The Administrator in its discretion may provide for a Participant to have the right to exercise his or her Option or SAR until ten (10) days prior to such

transaction as to all of the Awarded Stock covered thereby, including Shares as to which the Award would not otherwise be exercisable. In addition, the Administrator may provide that any Company repurchase option or forfeiture rights applicable to any Award shall lapse 100%, and that any Award vesting shall accelerate 100%, provided the proposed dissolution or liquidation takes place at the time and in the manner contemplated. To the extent it has not been previously exercised (with respect to Options and SARs) or vested (with respect to other Awards), an Award will terminate immediately prior to the consummation of such proposed action.

(c) **Change of Control.**

(i) **Stock Options and SARs.** In the event of a Change of Control, each outstanding Option and SAR shall be assumed or an equivalent option or SAR substituted by the successor corporation or a Parent or Subsidiary of the successor corporation. In the event that the successor corporation refuses to assume or substitute for the Option or SAR, the Participant shall fully vest in and have the right to exercise the Option or SAR as to all of the Awarded Stock, including Shares as to which it would not otherwise be vested or exercisable. If an Option or SAR becomes fully vested and exercisable in lieu of assumption or substitution in the event of a Change of Control, the Administrator shall notify the Participant in writing or electronically that the Option or SAR shall be fully vested and exercisable for a period of fifteen (15) days from the date of such notice, and the Option or SAR shall terminate upon the expiration of such period. For the purposes of this paragraph, the Option or SAR shall be considered assumed if, following the Change of Control, the option or stock appreciation right confers the right to purchase or receive, for each Share of Awarded Stock subject to the Option or SAR immediately prior to the Change of Control, the consideration (whether stock, cash, or other securities or property) received in the Change of Control by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the Change of Control is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of the Option or SAR, for each Share of Awarded Stock subject to the Option or SAR, to be solely common stock of the successor corporation or its Parent equal in fair market value to the per share consideration received by holders of Common Stock in the Change of Control.

(b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company

(ii) **Restricted Stock, Restricted Stock Units, Performance Shares, Performance Units, Dividend Equivalents and Deferred Stock Units.** In the event of a Change of Control, each outstanding Restricted Stock, Restricted Stock Unit, Performance Share, Performance Unit, Dividend Equivalent and Deferred Stock Unit award (and any related Dividend Equivalent) shall be assumed or an equivalent Restricted Stock, Restricted Stock Unit, Performance Share, Performance Unit, Dividend Equivalent and Deferred Stock Unit award substituted by the successor corporation or a Parent or Subsidiary of the successor corporation. In the event that the successor corporation refuses to assume or substitute for the Restricted Stock, Restricted Stock Unit, Performance Share, Performance Unit, Dividend Equivalent or Deferred Stock Unit award, the Participant shall fully vest in the Restricted Stock, Restricted Stock Unit, Performance Share, Performance Unit, Dividend Equivalent or Deferred Stock Unit including as to Shares (or with respect to Performance Units and Dividend Equivalents, the cash equivalent thereof) which would not otherwise be vested. For the purposes of this paragraph, a Restricted Stock, Restricted Stock Units, Performance Share, Performance Unit, Dividend Equivalent and Deferred Stock Unit award shall be considered assumed if, following the Change of Control, the award confers the right to purchase or receive, for each Share (or with respect to Performance Units and Dividend Equivalents, the cash equivalent thereof) subject to the Award immediately prior to the Change of Control, the consideration (whether stock, cash, or other securities or property) received in the Change of Control by holders of Common Stock for each Share held on the effective date of the

transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the Change of Control is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received, for each Share and each unit/right to acquire a Share subject to the Award, to be solely common stock of the successor corporation or its Parent equal in fair market value to the per share consideration received by holders of Common Stock in the Change of Control.

20. **Date of Grant.** The date of grant of an Award shall be, for all purposes, the date on which the Administrator makes the determination granting such Award, or such other later date as is determined by the Administrator. Notice of the determination shall be provided to each Participant within a reasonable time after the date of such grant.

21. **Amendment and Termination of the Plan.**

(a) **Amendment and Termination.** The Board may at any time amend, alter, suspend or terminate the Plan; provided, however, that the Board may not materially amend the Stock Plan without obtaining stockholder approval.

(b) **Stockholder Approval.** The Company shall obtain stockholder approval of any Plan amendment to the extent necessary and desirable to comply with Section 422 of the Code (or any successor rule or statute or other applicable law, rule or regulation, including the requirements of any exchange or quotation system on which the Common Stock is listed or quoted). Such stockholder approval, if required, shall be

obtained in such a manner and to such a degree as is required by the applicable law, rule or regulation.

(c) **Effect of Amendment or Termination.** No amendment, alteration, suspension or termination of the Plan shall impair the rights of any Participant, unless mutually agreed otherwise between the Participant and the Administrator, which agreement must be in writing (or electronic format) and signed by the Participant and the Company.

22. **Conditions Upon Issuance of Shares.**

(a) **Legal Compliance.** Shares shall not be issued pursuant to the exercise of an Award unless the exercise of the Award or the issuance and delivery of such Shares (or with respect to Performance Units and Dividend Equivalents, the cash equivalent thereof) shall comply with Applicable Laws and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(b) **Investment Representations.** As a condition to the exercise or receipt of an Award, the Company may require the person exercising or receiving such Award to represent and warrant at the time of any such exercise or receipt that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

23.

Liability of Company.

(a) **Inability to Obtain Authority.** The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any

A-17

liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

(b) **Grants Exceeding Allotted Shares.** If the Awarded Stock covered by an Award exceeds, as of the date of grant, the number of Shares which may be issued under the Plan without additional stockholder approval, such Award shall be void with respect to such excess Awarded Stock, unless stockholder approval of an amendment sufficiently increasing the number of Shares subject to the Plan is timely obtained in accordance with Section 21(b) of the Plan.

24. **Reservation of Shares.** The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.
