**Item 8.01 Other Events.**

As part of its continuing efforts to improve efficiency and lower operating costs, on June 7, 2006 the Registrant committed to the reorganization of the sales and marketing and customer service functions in certain of its U.S. professional diagnostic companies, pursuant to which the Registrant expects to achieve a net reduction of approximately 20 positions. Total costs to be incurred in connection with the plan are expected to total approximately \$1,000,000, including severance and retention payments of approximately \$850,000 and non-cash fixed asset charges of approximately \$150,000. The charges will be recognized in the second and third quarter of 2006. Savings generated through reduced compensation expense is expected to be approximately \$1,500,000 annually.

The expected charges and resulting savings described above are in addition to those disclosed by the Registrant on May 22, 2006 in connection with its plan to cease operations at its Applied Biotech, Inc. and Scandinavian Micro Biodevices ApS subsidiaries, and to dispose of certain excess manufacturing equipment.
